⊗ Theophylline (p.1140·1); ephedrine hydrochloride (p.1558·2); phenobarbital (p.492·2).
Bronchospasm.

Theo-Dur *AstraZeneca, Arg.†; AstraZeneca, Canad.†; AstraZeneca, Cz.†; AstraZeneca, Denm.; AstraZeneca, Fin.†; Lavipharm, Gr.; AstraZeneca, Hong Kong†; Recordati, Ital.; AstraZeneca, Norw.; AstraZeneca, Philipp.; Pharmacia, Spain; AstraZeneca, Swed.; Schering-Plough, Turk.*
Theophylline (p.1140·1).
Asthma; heart failure; neonatal apnoea and bradycardia; obstructive airways disease; paroxysmal dyspnoea.

Theodur *Mitsubishi, Jpn.*
Theophylline (p.1140·1).
Obstructive airways disease.

Theofol *Leiras, Fin.*
Theophylline (p.1140·1).
Obstructive airways disease.

Theofol Comp *Leiras, Fin.*
Theophylline (p.1140·1); guaifenesin (p.1561·3).
Obstructive airways disease.

Theolair *3M, Belg.; 3M, Canad.; 3M, Ger.†; 3M, Ital.; 3M, Neth.; 3M, Spain; 3M, Switz.; 3M, USA.*
Theophylline (p.1140·1).
Asthma; bronchitis; emphysema; heart failure; obstructive airways disease; paroxysmal dyspnoea.

Theolin *Upha, Malaysia†; Beacons, Singapore.*
Theophylline (p.1140·1).
Asthma; obstructive airways disease.

Theolong *Eisai, Jpn.*
Theophylline (p.1140·1).
Obstructive airways disease.

Theomax DF *Barre-National, USA; Schein, USA.*
⊗ Theophylline (p.1140·1); ephedrine sulfate (p.1558·2); hydroxyzine hydrochloride (p.581·2).
Bronchospasm.

Theoped *Cipla, India.*
Theophylline (p.1140·1).
Obstructive airways disease.

Theophar *Julphar, UAE.*
Theophylline (p.1140·1).
Obstructive airways disease.

Theophen *Pharmacare, S.Afr.*
Theophylline (p.1140·1); etofylline (p.1121·1).
Obstructive airways disease.

Theophen Comp *Pharmacare, S.Afr.*
Theophylline (p.1140·1); etofylline (p.1121·1); diphenylpyraline hydrochloride (p.578·2); ammonium chloride (p.1551·3).
Coughs.

Theophtard *Teva, Hung.*
Theophylline (p.1140·1).
Obstructive airways disease.

Theophyllard *Byk, Cz.†.*
Theophylline (p.1140·1).
Obstructive airways disease.

Theophylline Expectorant *Pharmaniaga, Malaysia.*
Guaifenesin (p.1561·3); theophylline (p.1140·1).
Obstructive airways disease.

Theopirina *Dovalle, Braz.†.*
Orphenadrine (p.812·2); dipyrone (p.49·2); caffeine (p.1116·3).
Skeletal muscle spasm.

Theoplus
Germania, Austria; Pharmafabre (Φαρμαφαμπρ), Gr.; Pierre Fabre, Singapore†.
Theophylline hydrate (p.1140·2).
Asthma; neonatal apnoea and bradycardia; obstructive airways disease.

Pierre Fabre, Cz.; Pierre Fabre, Pol.; Altana Madaus, S.Afr.; Pierre Fabre, Spain.
Theophylline (p.1140·1).
Heart failure; obstructive airways disease; paroxysmal dyspnoea.

Theospirex
Gebro, Austria; Novartis, Hung.
Theophylline (p.1140·1) or theophylline sodium glycinate (p.1146·3).
Obstructive airways disease.

Biofarm, Pol.
Theophylline (p.1140·1).
Obstructive airways disease.

Theostat *Pierre Fabre, Fr.*
Theophylline hydrate (p.1140·2).
Asthma; obstructive airways disease.

Theotard *CTI, Israel.*
Theophylline (p.1140·1).
Obstructive airways disease.

Theotex *Terapeutico, Ital.*
Metalkonium chloride (p.1652·3).
Personal hygiene; skin disinfection.

Theotrim *Trima, Hong Kong; Trima, Israel; Trima, Thai.*
Theophylline (p.1140·1).
Obstructive airways disease.

Theovent *GSK, Pol.; Schering, USA†.*
Theophylline (p.1140·1).
Asthma; obstructive airways disease; reversible bronchospasm.

Theovix *Bros, Gr.*
Erdosteine (p.1560·1).
Mucolytic.

Theo-X *Carnrick, USA†.*
Theophylline (p.1140·1).
Obstructive airways disease.

Thephidron *Combiphar, Indon.*
Bromhexine hydrochloride (p.1552·2).
Respiratory-tract disorders.

Theprubicine *Sanofi-Aventis, Fr.*
Pirarubicin (p.764·1).
Breast cancer.

Ther *Laboratorios Chile, Chile.*
Tegaserod maleate (p.1776·1).
Irritable bowel syndrome.

Thera Hematinic *Major, USA.*
Ferrous fumarate (p.1938·3); folic acid (p.1940·1); multivitamins and minerals (p.1922·1).
Iron-deficiency anaemias.

Thera Tears *Novartis, Mex.†.*
Carmellose (p.2142·1).
Dry eyes; eye irritation.

Therabex *Combiphar, Indon.*
Vitamin B substances; ascorbic acid (p.1922·1).
Vitamin B and C supplement.

Therabid *Mission Pharmacal, USA†.*
Multivitamin preparation (p.1922·1).

Therabloc *Therapharma, Philipp.*
⊗ Atenolol (p.1217·3).
Angina pectoris; hypertension; myocardial infarction.

Therac *C & M, USA†.*
Sulfur (p.1614·1); salicylic acid (p.1612·2).
Acne.

Theracap *GE, Cz.; GE Healthcare, Neth.; GE, Port.; Nycomed Amersham, UK.*
Iodine-131 (p.2054·3) as sodium iodide.
Hyperthyroidism; thyroid cancer.

Theraclox *Great Eastern, Thai.; Therapharma, Thai.*
Cloxacillin (p.256·1).
Bacterial infections.

Theracne *Theraskin, Braz.*
Triclosan (p.1665·2).
Acne.

Theracof Plus *Reese, USA.*
Paracetamol (p.108·1); phenylephrine hydrochloride (p.1568·1); guaifenesin (p.1561·3); diphenhydramine hydrochloride (p.577·2).

Theracort *Theraskin, Braz.*
⊗ Triamcinolone acetonide (p.1544·3).
Skin disorders.

TheraCys *Sanofi Pasteur, USA.*
A BCG vaccine (p.2205·3).
Bladder cancer.

Theradol *Therabel, Neth.*
Tramadol hydrochloride (p.130·3).
Pain.

Theraflex *Sagmel, Rus.*
Glucosamine hydrochloride (p.2313·2); chondroitin sulfate sodium (p.2280·3).
Osteoarthritis.

TheraFlu
Note. This name is used for preparations of different composition.
Novartis, Mex.
Paracetamol (p.108·1); pseudoephedrine hydrochloride (p.1571·2); chlorphenamine maleate (p.571·3).
Cold and influenza symptoms.

Novartis, Turk.
Powder for oral solution: Paracetamol (p.108·1); pseudoephedrine hydrochloride (p.1571·2).
Respiratory-tract congestion.

Novartis, Turk.
Tablets: Paracetamol (p.108·1); codeine phosphate (p.37·2); caffeine (p.1116·3).
Respiratory-tract congestion.

TheraFlu 24 *Novartis, Mex.*
Pseudoephedrine sulfate (p.1571·2); loratadine (p.583·3).
Allergic rhinitis.

Theraflu Bro *Novartis Consumer, Rus.*
Rosemary oil (p.2381·3); eucalyptus oil (p.2301·2); Peru balsam (p.2365·3); camphor (p.2273·2).
Respiratory-tract disorders.

Theraflu Caplets Nighttime Severe Cold *Novartis Consumer, USA.*
Paracetamol (p.108·1); chlorphenamine maleate (p.571·3); dextromethorphan hydrobromide (p.1555·2); phenylephrine hydrochloride (p.1568·1).
Upper respiratory-tract disorders.

TheraFlu CM *Novartis, Mex.*
Paracetamol (p.108·1); dextromethorphan hydrobromide (p.1555·2); pseudoephedrine hydrochloride (p.1571·2).
Cold symptoms.

TheraFlu CN *Novartis, Mex.*
Paracetamol (p.108·1); dextromethorphan hydrobromide (p.1555·2); pseudoephedrine hydrochloride (p.1571·2); chlorphenamine maleate (p.571·3).
Cold symptoms.

TheraFlu Cold & Cough *Novartis Consumer, USA.*
Dextromethorphan hydrobromide (p.1555·2); pheniramine maleate (p.587·3); phenylephrine hydrochloride (p.1568·1).
Upper respiratory-tract disorders.

Theraflu Cough *Novartis, USA.*
Dextromethorphan hydrobromide (p.1555·2).
Coughs.

TheraFlu Daytime Severe Cold *Novartis Consumer, USA.*
Phenylephrine hydrochloride (p.1568·1); paracetamol (p.108·1).
Cold symptoms.

TheraFlu Ex *Novartis, Mex.*
Paracetamol (p.108·1); pseudoephedrine hydrochloride (p.1571·2); chlorphenamine maleate (p.571·3); dextromethorphan hydrobromide (p.1555·2).
Cold and influenza symptoms.

Theraflu ExtraGRIP *Novartis Consumer, Pol.*
Paracetamol (p.108·1); phenylephrine hydrochloride (p.1568·1); pheniramine maleate (p.587·3).
Cold and influenza symptoms.

Theraflu Extratab *Novartis Consumer, Rus.*
Paracetamol (p.108·1); chlorphenamine maleate (p.571·3); phenylephrine hydrochloride (p.1568·1).
Respiratory-tract disorders.

TheraFlu Flu & Chest Congestion Non-Drowsy *Novartis Consumer, USA.*
Dextromethorphan hydrobromide (p.1555·2); guaifenesin (p.1561·3); pseudoephedrine hydrochloride (p.1571·2); paracetamol (p.108·1).
Formerly known as TheraFlu Maximum Strength Flu & Congestion Non-Drowsy.
Upper respiratory-tract disorders.

TheraFlu Flu and Cold
Note. This name is used for preparations of different composition.
Patheon, Rus.
Paracetamol (p.108·1); pheniramine maleate (p.587·3); phenylephrine hydrochloride (p.1568·1); ascorbic acid (p.1983·3).
Influenza symptoms.

Novartis, USA.
Chlorphenamine maleate (p.571·3); pseudoephedrine hydrochloride (p.1571·2); paracetamol (p.108·1).
Cold and flu symptoms.

TheraFlu Flu, Cold & Cough *Novartis, USA.*
Chlorphenamine maleate (p.571·3); pseudoephedrine hydrochloride (p.1571·2); paracetamol (p.108·1); dextromethorphan hydrobromide (p.1555·2).
Coughs and cold symptoms.

TheraFlu Forte *Novartis, Turk.*
Paracetamol (p.108·1); phenylephrine hydrochloride (p.1568·1); chlorphenamine maleate (p.571·3).
Respiratory-tract congestion.

Theraflu KV *Novartis Consumer, Rus.*
Guaifenesin (p.1561·3).
Respiratory-tract disorders with viscous mucus.

Theraflu Lar *Novartis Consumer, Rus.*
Benzoxonium chloride (p.1631·2); lidocaine hydrochloride (p.1862·3).
Mouth and throat disorders.

TheraFlu N 12 *Novartis, Mex.*
Pseudoephedrine sulfate (p.1571·2); loratadine (p.583·3).
Allergic rhinitis.

TheraFlu Ninos VP *Novartis, Mex.*
Camphor (p.2273·2); menthol (p.2340·1); eucalyptus oil (p.2301·2).
Cold symptoms.

TheraFlu Non-Drowsy Severe Cold *Novartis Consumer, USA.*
Paracetamol (p.108·1); dextromethorphan hydrobromide (p.1555·2); pseudoephedrine hydrochloride (p.1571·2).
Formerly known as TheraFlu Non-Drowsy Formula Maximum Strength.
Coughs and cold symptoms.

TheraFlu Severe Cold *Novartis Consumer, USA.*
Paracetamol (p.108·1); dextromethorphan hydrobromide (p.1555·2); pseudoephedrine hydrochloride (p.1571·2); chlorphenamine maleate (p.571·3).
Formerly known as TheraFlu Maximum Strength NightTime Formula Flu, Cold & Cough.
Coughs and cold symptoms.

TheraFlu TD *Novartis, Mex.*
Paracetamol (p.108·1); pseudoephedrine sulfate (p.1571·2); loratadine (p.583·3).
Allergic rhinitis.

TheraFlu Tenalif *Novartis, Mex.*
Oxeladin citrate (p.1567·1); ambroxol hydrochloride (p.1550·3).
Formerly known as Tenalif.
Respiratory-tract disorders with increased or viscous mucus.

Theraflu Thinstrips Daytime Cough & Cold
Novartis Consumer, USA.
Dextromethorphan hydrobromide (p.1555·2); phenylephrine hydrochloride (p.1568·1).
Upper respiratory-tract disorders.

Theraflu Thinstrips Nighttime Cold & Cough *Novartis, USA.*
Diphenhydramine hydrochloride (p.577·2); phenylephrine hydrochloride (p.1568·1).
Upper respiratory-tract disorders.

TheraFlu Vapor Stick *Novartis, USA.*
Camphor (p.2273·2); menthol (p.2340·1).
Musculoskeletal pain; upper respiratory-tract congestion.

Theraflu Zatoki *Novartis Consumer, Pol.*
Paracetamol (p.108·1); phenylephrine hydrochloride (p.1568·1).
Cold and influenza symptoms.

Thera-Flur *Colgate Oral, USA.*
Sodium fluoride (p.1962·2).
Dental caries prophylaxis.

Theragen *Reese, USA.*
Capsaicin (p.32·3).

Theragenerix *Goldline, USA.*
A range of vitamin preparations (p.1922·1).

Theragenerix-H *Goldline, USA.*
Ferrous fumarate (p.1938·3); folic acid (p.1940·1); multivitamins and minerals (p.1922·1).
Iron-deficiency anaemias.

Thera-gesic *Mission Pharmacal, USA.*
Methyl salicylate (p.85·3); menthol (p.2340·1).
Musculoskeletal and joint pain.

Theragran *Mead Johnson Nutritionals, USA.*
A range of vitamin preparations (p.1922·1).

Theragran AntiOxidant *BMS, USA.*
Vitamins A, C, and E with minerals (p.1922·1).

Theragran-M *Sarabhai Piramal, India; BMS, S.Afr.; BMS, Thai.†.*
Multivitamin and mineral preparation (p.1922·1).

Theralen *Aventis, Swed.*
Alimemazine tartrate (p.566·2).
Alcoholism; anxiety; behaviour disorders; hypersensitivity reactions; premedication; sleep disorders; vomiting.

Theralene *Sanofi-Aventis, Belg.; UCB, Fr.*
Alimemazine tartrate (p.566·2).
Cough; hypersensitivity reactions; insomnia; premedication; pruritus.

Theralene Pectoral Nourrisson *Celltech, Fr.†.*
Alimemazine tartrate (p.566·2); ammonium acetate (p.1551·2); tolu balsam (p.1574·2).
Coughs.

Theralexin *UAP, Indon.*
Cefalexin (p.218·2).
Bacterial infections.

Thera-M *Major, USA.*
Multivitamin preparation with minerals and folic acid (p.1922·1).

Theramycin Z *Medicis, USA†.*
Erythromycin (p.269·2).
Acne.

Theranal *Bayer, Neth.*
Bismuth subnitrate (p.1711·2); zinc oxide (p.1621·2); lidocaine (p.1862·3).
Haemorrhoids.

Theranex *Medifarma, Indon.; UAP, Indon.*
Tranexamic acid (p.1080·3).
Fibrinolytic haemorrhage.

Theranyl *Sofus, Swed.†.*
⊗ Nicotinic acid (p.1957·3); salicylic acid (p.1612·2); trometamol (p.2405·1).
Musculoskeletal and joint disorders.

TheraPatch Cold Sore *Lectec, USA.*
Lidocaine (p.1862·3); camphor (p.2273·2).
Herpes labialis.

Therapeutic Bath Goldline, USA.
Emollient and moisturiser.

Therapeutic Bath Oil Lander, Canad.†.
Liquid paraffin (p.2030·3); wool fat (p.2033·2).
Skin disorders.

Therapeutic Mineral Ice Novartis, USA.
Menthol (p.2340·1).
Muscle, joint, and soft-tissue pain; neuralgia.

Therapeutic Skin Lotion Scott, Canad.†.
Lanolin oil (p.2033·2); liquid paraffin (p.2030·3).
Skin disorders.

Therapeutic Soothing Ice Jamieson, Canad.†.
Methyl salicylate (p.85·3); camphor (p.2273·2); menthol (p.2340·1); eucalyptus oil (p.2301·2).

Therapsor Theraskin, Braz.
⊗ Clobetasol propionate (p.1522·2).
Skin disorders.

Therapy Ice Major, USA.
Menthol (p.2340·1).

Therasa Pharmachemie, Belg.†.
Aspirin (p.20·3).
Thromboembolic disorders.

Therasona Theraskin, Braz.
⊗ Hydrocortisone acetate (p.1535·2).
Skin disorders.

Therasound AG Therapy, Gr.
⊗ Budesonide (p.1520·1).
Allergic rhinitis; skin disorders.

Theratar Theraskin, Braz.
Coal tar (p.1616·2).
Skin disorders.

TheraTears Advanced Vision, USA.
Carmellose sodium (p.2142·1).
Dry eyes.

Theravee Vangard, USA.
A range of vitamin preparations (p.1922·1).

Theravee Hematinic Vangard, USA.
Iron (p.1949·1); folic acid (p.1940·1); multivitamins and minerals (p.1922·1).
Iron-deficiency anaemias.

Theravim Nature's Bounty, USA.
A range of vitamin preparations (p.1922·1).

Theravit Sagmel, Rus.
Vitamin and mineral preparations (p.1922·1).

Theravite Barre-National, USA.
Multivitamin preparation (p.1922·1).

Therems Rugby, USA.
A range of vitamin preparations (p.1922·1).

Therevac Plus Jones, USA.
Docusate sodium (p.1725·1); glycerol (p.2314·2); benzocaine (p.1854·1); soft soap (p.2139·2).
Constipation.

Therevac SB Jones, USA.
Docusate sodium (p.1725·1); glycerol (p.2314·2); soft soap (p.2139·2).
Constipation.

Thermal Provita, Austria; Alpharma, Norw.†.
Ethyl nicotinate (p.52·1); diethylamine salicylate (p.47·2).
Musculoskeletal and joint disorders; neuralgia.

Thermal FIX UV Vichy, Canad.
SPF 20: Avobenzone (p.1589·3); ecamsule (p.1596·1); octocrilene (p.1608·3).
Formerly known as Thermal S-UV.
Sunscreen.

Thermazene Sherwood, USA.
Sulfadiazine silver (p.337·2).
Infected burns.

Thermo Burger Ysatfabrik, Ger.
Capsicum (p.2276·2).
Musculoskeletal and joint disorders.

Thermo Rub Rolmex, Canad.
Methyl salicylate (p.85·3); menthol (p.2340·1); cineole (p.2282·3).

Thermocream Sterop, Belg.
Methyl salicylate (p.85·3); menthol (p.2340·1); capsicum oleoresin (p.2276·2).
Musculoskeletal disorders.

Thermocutan Streuli, Switz.†.
Nonivamide (p.96·2); ethyl nicotinate (p.52·1); benzyl nicotinate (p.28·1); aminophenazone salicylate (p.19·1).
Chilblains; musculoskeletal, joint, peri-articular, and soft-tissue disorders.

Thermo-Doline Tripharma, Turk.
Etofenamate (p.53·1); benzyl nicotinate (p.28·1).
Musculoskeletal and joint pain.

Thermoflex Santa, Turk.
Etofenamate (p.53·1); benzyl nicotinate (p.28·1).
Musculoskeletal and joint pain.

Thermo-Gel Prodemdis, Canad.
Camphor (p.2273·2); menthol (p.2340·1); benzocaine (p.1854·1); thymol (p.1664·3).

Thermogene Montefarmaco, Ital.
Capsicum oleoresin (p.2276·2).
Musculoskeletal and joint pain.

Thermo-Menthoneurin Byk Gulden, Ger.†; Roland, Ger.†.
Glycol salicylate (p.62·3); benzyl nicotinate (p.28·1).
Musculoskeletal, joint, peri-articular, and soft-tissue disorders; neuralgia.

Thermo-Rheumon Kolassa, Austria; Bayer, Cz.†; Tropon, Ger.†; Bayer, Hung.†; Bayer, Pol.; Bayer, Turk.
Etofenamate (p.53·1); benzyl nicotinate (p.28·1).
Musculoskeletal, joint, peri-articular, and soft-tissue disorders.

Thermo-Rheumon N Tropon, Ger.†.
Glycol salicylate (p.62·3); benzyl nicotinate (p.28·1).
Musculoskeletal, joint, and soft-tissue disorders.

Thermo-Roiplon Menarini, Gr.
Etofenamate (p.53·1); benzyl nicotinate (p.28·1).
Musculoskeletal and joint disorders.

Thermorub
Note. A similar name is used for preparations of different composition (see below).
Pharmaniaga, Malaysia.
Methyl salicylate (p.85·3); eucalyptus oil (p.2301·2); turpentine oil (p.2406·3).
Musculoskeletal pain.

Thermo-Rub
Note. A similar name is used for preparations of different composition (see above).
Adcock Ingram, S.Afr.
Methyl salicylate (p.85·3).
Muscular pain; rheumatism.

Thermosenex Riemser, Ger.
Camphor (p.2273·2); glycol salicylate (p.62·3); benzyl nicotinate (p.28·1).
Musculoskeletal and joint disorders; neuralgia; sprains.

Theryttrex Nordion, Neth.†.
Yttrium-90 (p.2057·1) chloride.
Radiolabelling of carrier molecules.

Thesit Gepepharm, Ger.†.
Lauromacrogol 400 (p.1916·1); mepivacaine hydrochloride (p.1866·3).
Burns; insect stings; skin disorders.

Thevier GSK, Ger.
Levothyroxine sodium (p.2171·2).
Hypothyroidism.

Thex Forte Lee, USA.
Vitamin B and C preparation (p.1922·1).

Thiaben UCI, Braz.†.
Tiabendazole (p.156·2).
Nematode infections.

Thiabena UCI, Braz.†.
Tiabendazole (p.156·2); neomycin sulfate (p.305·1).
Skin infections.

Thiabene Ratiopharm, Cz.
Thiamine hydrochloride (p.1976·1).
Vitamin B deficiency.

Thiabet Wolff, Ger.
Metformin hydrochloride (p.453·2).
Diabetes mellitus.

Thiacomin Medichrom, Gr.†.
Thiocolchicoside (p.1898·2).
Muscle spasm.

Thialgin Zentiva, Cz.
Tiaprofenic acid (p.129·2).
Inflammation; musculoskeletal, joint, and peri-articular disorders; pain.

Thiambiotic Prafa, Indon.
Thiamphenicol (p.351·1).
Bacterial infections.

Thiamcin General Drugs, Thai.
Thiamphenicol (p.351·1).
Bacterial infections.

Thiamet Ethica, Indon.
Thiamphenicol (p.351·1).
Bacterial infections.

Thiamfilex Molex Ayus, Indon.
Thiamphenicol (p.351·1).
Bacterial infections.

Thiamika Ikapharmindo, Indon.
Thiamphenicol (p.351·1).
Bacterial infections.

Thiaminose Climax, Braz.†.
Ascorbic acid; thiamine hydrochloride; glucose (p.1922·1).
Nutritional supplement.

Thiamycin Interbat, Indon.
Thiamphenicol (p.351·1).
Bacterial infections.

Thianax Cazi, Braz.
Tiabendazole (p.156·2).
Worm infections.

Thiavit Julphar, UAE.
Thiamine hydrochloride (p.1976·1).
Vitamin B deficiency.

Thiazid-comp Wolff, Ger.
⊗ Triamterene (p.1417·2); hydrochlorothiazide (p.1307·3).
Hypertension; oedema.

Thicazol Ethica, Indon.
Ketoconazole (p.539·1).
Fungal infections.

Thick & Easy Hormel, Hong Kong; Fresenius Kabi, Irl.; Hormel, Israel; Hormel, Singapore.
Food thickener (p.1922·1).
Dysphagia.

Thickened Juice Baxter, NZ†; Nutricia, NZ†.
Nutritional supplement (p.1922·1).
Dysphagia.

Thickhead Principle Healthcare, UK.
Vitamins; minerals; activated charcoal (p.1922·1).
Dietary supplement.

Thidim Kalbe, Indon.
Ceftazidime (p.234·1).
Bacterial infections.

Thilo Tears Alcon, Belg.
Carbomer (p.2141·3).
Dry eyes.

Thiloadren Alcon, Austria.
⊗ Dipivefrine hydrochloride (p.2295·3); pilocarpine hydrochloride (p.1884·3).
Glaucoma.

Thiloadren N Alcon, Ger.
⊗ Dipivefrine hydrochloride (p.2295·3); pilocarpine hydrochloride (p.1884·3).
Glaucoma.

Thilocanfol Alcon, Ger.
Azidamfenicol (p.206·3).
Bacterial eye infections.

Thilocanfol C Alcon, Ger.
Chloramphenicol (p.239·3).
Bacterial eye infections.

Thilocof Pharmex (Φαρμεξ), Gr.
Azidamfenicol (p.206·3).
Formerly contained chloramphenicol.
Eye infections.

Thilocombin Alkon (Αλκον), Gr.†.
⊗ Dipivefrine hydrochloride (p.2295·3); pilocarpine (p.1884·3).
Glaucoma.

Thilodexine Pharmex (Φαρμεξ), Gr.
⊗ Dexamethasone sodium metasulfobenzoate (p.1526·1).
Inflammatory eye disorders; skin disorders.

Thilodigon Alcon, Austria†; Alcon, Ger.
⊗ Guanethidine monosulfate (p.1300·2); dipivefrine hydrochloride (p.2295·3).
Glaucoma.

Thilodrin Alcon, Gr.
⊗ Dipivefrine hydrochloride (p.2295·3).
Glaucoma.

Thilogel Alcon, Gr.
Carbomer (p.2141·3).
Dry eyes.

Thilol Farmex, Gr.
Trifluridine (p.910·3).
Herpes simplex infections in the eye.

Thilomaxine Liba, Turk.
Tobramycin (p.354·1).
Bacterial eye infections.

Thilo-micine Farmex, Gr.
Tobramycin (p.354·1).
Eye infections.

Thilomicine Dex Farmex, Gr.
⊗ Tobramycin (p.354·1); dexamethasone (p.1526·1).
Infected eye disorders.

Thilomide Farmex, Gr.; Liba, Turk.
Lodoxamide trometamol (p.2334·2).
Allergic conjunctivitis.

Thilonium Alkon (Αλκον), Gr.†.
⊗ Befunolol (p.1878·2).
Glaucoma.

Thilorbin Alcon, Cz.†; Alcon, Ger.
Oxybuprocaine hydrochloride (p.1867·3); fluorescein sodium (p.2306·1).
Ophthalmic procedures.

Thilo-Tears Alcon, Ger.; Alcon, Neth.; Liba, Turk.
Carbomer (p.2141·3).
Dry eyes.

Thilotim Alcon, Gr.
⊗ Timolol maleate (p.1412·3).
Glaucoma.

Thiloxedine Pharmex (Φαρμεξ), Gr.†.
⊗ Dexamethasone (p.1526·1).
Topical corticosteroid.

Thimelon Ethica, Indon.
⊗ Methylprednisolone (p.1538·1) or methylprednisolone sodium succinate (p.1538·2).
Corticosteroid.

Thimerfesa Organifar, Venez.†.
Thiomersal (p.1663·3); merbromin (p.1652·1).
Disinfection.

Thinber Fiber Complex Dapha, Philipp.
Fruit fibre; glucomannan; gelatin; oat fibre; red clover; apple vinegar; yeast chromium; magnesium stearate (p.1922·1).
Dietary fibre supplement.

Thinz SA Druggists Self Med, S.Afr.
⊗ Cathine hydrochloride (p.2152·2).
Obesity.

Thiobitum Riemser, Ger.
Ichthammol (p.1599·1).
Skin disorders.

Thiocase Almirall, Spain.
Thiomucase (p.2400·2).
Cellulitis; haemorrhoids; obesity; premenstrual syndrome; soft-tissue disorders.

Thiocilline Abdi, Turk.
Bacitracin (p.210·3); neomycin sulfate (p.305·1).
Bacterial eye and skin infections.

Thiocodin
Note.This name is used for preparations of different composition.
Bros, Gr.
Buflomedil hydrochloride (p.1236·3).
Peripheral vascular disorders.

Unia, Pol.
Codeine phosphate (p.37·2); sulfogaiacol (p.1573·2).
Cough.

Thioctacid
Viatris, Austria; Meda, Cz.; Viatris, Ger.; Viatris, Rus.
⊗ Thioctic acid (p.2400·2) or trometamol thioctate (p.2400·2).
Amanita poisoning; cerebral metabolic disorders in the elderly; diabetic and alcoholic neuropathy; liver disorders.

Viatris, Hung.; Bayer, Mex.
Thioctic acid (p.2400·2).
Diabetic neuropathy.

Thiodantol Rekah, Israel.
Isothipendyl hydrochloride (p.582·1).
Skin irritation.

Thiodazine Sun, Rus.
Thioridazine hydrochloride (p.1031·2).

Thioderon Shionogi, Jpn.
⊗ Mepitiostane (p.2116·1).
Breast cancer; renal anaemia.

Thiogamma
Worwag, Cz.; Worwag, Hung.; Worwag, Pol.
Thioctic acid (p.2400·2).
Diabetic neuropathy.

Worwag, Ger.; Worwag, Rus.
Meglumine thioctate (p.2400·2) or thioctic acid (p.2400·2).
Diabetic neuropathy.

Thiola Sigma, Austral.†; Santen, Hong Kong†; Coop. Farm., Ital.; Mission Pharmacal, USA.
Tiopronin (p.1467·1).
Cataract; liver disorders; mercury poisoning; prevention of cystine renal calculi.

Thiomed Medifive, Thai.
Thioridazine hydrochloride (p.1031·2).
Anxiety; mania; schizophrenia.

Thiomersalate SA Druggists, S.Afr.
Thiomersal (p.1663·3).
Skin disinfection; skin infections; wounds.

Thiomucase Farmasa, Braz.
Mucopolysaccharidase (p.2400·2); amylase (p.2256·3); chymotrypsin (p.2281·3).
Oedema.

Thionembutal Abbott, Braz.
Thiopental sodium (p.1795·2).
General anaesthesia.

Thiopentax Cristalia, Braz.
Thiopental sodium (p.1795·2).
General anaesthesia.

Thiophenicol
Sanofi-Aventis, Fr.
Thiamphenicol (p.351·1) or thiamphenicol glycinate hydrochloride (p.351·1).
Bacterial infections.

Sanofi Synthelabo, Turk.
Thiamphenicol (p.351·1).
Bacterial infections.

Thioplex Adienne, Ital.; Amgen, USA.
Thiotepa (p.778·3).
Malignant neoplasms.

Thioprine Alphapharm, Austral.; Pacific, NZ.
Azathioprine (p.1818·2).
Auto-immune disorders; transplant rejection.

Thioril
Torrent, India.
Thioridazine hydrochloride (p.1031·2).
Schizophrenia.

Torrent, Rus.
Thioridazine (p.1031·2) or thioridazine hydrochloride (p.1031·2).
Depression; psychoses.

Thiorubrol Adroka, Switz.†.
Trolamine thioricinol sulfate.
Muscle and joint pain; skin disorders.

Thiosan Azevedos, Port.†.
Sulfiram (p.2050·3).
Pediculosis; scabies.

Thiosept Terrapharm, Austria.
Shale oil.
Hyperhidrosis; inflammation; musculoskeletal and joint disorders; peripheral vascular disorders; skin disorders.

Thiosia Asian Pharm, Thai.
Thioridazine hydrochloride (p.1031·2).
Anxiety; depression.

Thiosol Coop. Farm., Ital.
Tiopronin (p.1467·1).
Respiratory-tract congestion.

Thiospot Dermoteca, Port.
Thiolin; ascorbyl palmitate (p.1629·1); tartaric acid (p.2395·2); salicylic acid (p.1612·2).
Hyperpigmentation disorders.

Thiovalone Pfizer, Fr.
⊗ Tixocortol pivalate (p.1544·2); chlorhexidine gluconate (p.1635·3).
Inflammation of the mouth and throat.

Thioxene Esseti, Ital.†.
Glutathione sodium (p.1448·1).
Alcohol or drug poisoning; ionising radiation damage.

Thiozine Pinewood, Irl.†.
Thioridazine hydrochloride (p.1031·2).
Schizophrenia.

† This preparation may no longer be actively marketed

⊗ Contains a substance whose use may be restricted in certain sports (see p.vii)

Thiprasolan *Lamsa, Arg.*
Alprazolam (p.960·1).
Anxiety; depression.

Thiramil *Farmedia, Gr.*
Fluoxetine (p.397·3).
Depression.

Thiroyd *Greater Pharma, Thai.*
Thyroid (p.2177·1).
Hypothyroidism.

Thislacol *Metiska, Indon.*
Thiamphenicol (p.351·1).
Bacterial infections.

Thixit *Douglas, NZ.*
Tiotixene hydrochloride (p.1032·3).
Psychoses.

Thomaeamin X E *DeltaSelect, Ger.†.*
Amino-acid, electrolyte, and xylitol infusion (p.1922·1).
Parenteral nutrition.

Thomaeamin hepar *DeltaSelect, Ger.*
Amino-acid infusion (p.1922·1).
Parenteral nutrition in liver failure.

Thomaeamin n *DeltaSelect, Ger.†.*
Amino-acid infusion with or without electrolytes (p.1922·1).
Parenteral nutrition.

Thomaegelin *DeltaSelect, Ger.†.*
⊗ Gelatin polysuccinate (p.1072·1) in Ringer acetate.
Hypovolaemia.

Thomaejonin *DeltaSelect, Ger.†.*
A range of electrolyte infusions with or without carbohydrate (p.1667·1).
Fluid and electrolyte disorders.

Thomaemannit *DeltaSelect, Ger.†.*
⊗ Mannitol (p.1330·2).
Fluid retention; renal failure.

Thomapyrin *Boehringer Ingelheim, Austria; Boehringer Ingelheim, Cz.†; Boehringer Ingelheim, Ger.; Boehringer Ingelheim, Turk.*
Aspirin (p.20·3); paracetamol (p.108·1); caffeine (p.1116·3).
Fever; pain.

Thomapyrin akut *Boehringer Ingelheim, Ger.†.*
Aspirin (p.20·3).
Fever; pain.

Thomapyrin C *Boehringer Ingelheim, Ger.*
Aspirin (p.20·3); paracetamol (p.108·1); ascorbic acid (p.1983·3).
Pain.

Thomapyrin mit Vitamin C *Boehringer Ingelheim, Austria.*
Aspirin (p.20·3); paracetamol (p.108·1); ascorbic acid (p.1983·3).
Cold symptoms.

Thomapyrine *Boehringer Ingelheim, Switz.†.*
Aspirin (p.20·3); paracetamol (p.108·1); caffeine (p.1116·3).
Fever; pain.

Thomasin *Apogepha, Ger.*
⊗ Etilefrine hydrochloride (p.1284·1).
Hypotension.

Thombran *Boehringer Ingelheim, Ger.*
Trazodone hydrochloride (p.424·3).
Depression.

Thorazine
GSK, Philipp.
Chlorpromazine hydrochloride (p.969·2).
Behavioural disorders in children; intractable hiccup; nausea and vomiting; porphyria; premedication; psychoses.

SmithKline Beecham, USA†.
Chlorpromazine (p.969·1) or chlorpromazine hydrochloride (p.969·2).
Acute intermittent porphyria; adjunct in tetanus; bipolar disorder; hiccups; nausea and vomiting; premedication; psychoses; severe behavioural disorders in children.

Thoreus *GSK, Hung.*
⊗ Salmeterol xinafoate (p.1135·1); fluticasone propionate (p.1533·2).
Obstructive airways disease.

Threchop *Collins, Mex.*
Diiodohydroxyquinoline (p.832·1); furazolidone (p.834·3); homatropine (p.1881·2).
Amoebic dysentery.

Threolone *Abic, Israel.*
⊗ Prednisolone (p.1540·3); chloramphenicol (p.239·3).
Infected skin disorders.

Threptin Micromix *Raptakos, India.*
Nutritional supplement (p.1922·1).

Thriazol *Alpharma, Mex.*
Co-trimoxazole (p.258·1).
Bacterial infections.

Thriolan *Antor, Gr.*
Dihydroergocristine (p.364·2).
Peripheral vascular disorders.

Thrionipen *Antor, Gr.*
Nimodipine (p.1357·2).
Neurological deficit following subarachnoid haemorrhage.

Thriostaxil *Medinova (Μεντινοβα), Gr.*
Roxithromycin (p.331·1).
Bacterial infections.

Thriusedon *Biospray, Gr.*
Lisinopril (p.1325·2).
Heart failure; hypertension; myocardial infarction.

Throat Discs *SmithKline Beecham, USA.*
Capsicum (p.2276·2); peppermint oil (p.1761·2); liquid paraffin (p.2030·3).
Sore throat.

Throat Lozenges
Note. This name is used for preparations of different composition.
Novopharm, Canad.
Cetylpyridinium chloride (p.1635·1).

Novopharm, Canad.
Benzocaine (p.1854·1); cetylpyridinium chloride (p.1635·1).

Throaties Anti-Bacterial Pastilles *Ernest Jackson, UK.*
Amylmetacresol (p.1628·3).
Sore throat.

Throaties Pastilles
Note. This name is used for preparations of different composition.
Ernest Jackson, UK.
Blackcurrant flavour: Honey (p.1948·2); menthol (p.2340·1).
Coughs; sore throat.

Ernest Jackson, UK.
Original flavour: Benzoin tincture (p.2394·2); menthol (p.2340·1).
Coughs; sore throat.

Throatsil *Millimed, Thai.*
Dichlorobenzyl alcohol (p.1642·1); amylmetacresol (p.1628·3).
Mouth and throat disorders.

Throatsil-CBS *Millimed, Thai.*
Carbocisteine (p.1553·2).
Respiratory-tract disorders associated with increased or viscous mucus.

Throatsil-DEX *Millimed, Thai.*
Dextromethorphan hydrobromide (p.1555·2).
Coughs.

Thrombace Neo *Drossapharm, Switz.*
Aspirin (p.20·3).
Thromboembolism prophylaxis.

Thrombareduct *Sandoz, Ger.*
Heparin sodium (p.1301·2).
Soft-tissue disorders; soft-tissue injury.

Thrombate *Bayer, Canad.; Talecris, Canad.*
Antithrombin III (p.1054·1).
Antithrombin III deficiency.

Thrombate III *Talecris, USA.*
Antithrombin III (p.1054·1).
Antithrombin III deficiency.

Thrombhibin *Immuno, Austria.*
Antithrombin III (p.1054·1).
Antithrombin III deficiency.

Thrombinar *Jones, USA.*
Thrombin (p.1080·1).
Minor haemorrhage.

Thrombo AS *Merck, Chile.*
Aspirin (p.20·3).
Thromboembolism prophylaxis.

Thrombo Aspilets *Medifarma, Indon.*
Aspirin (p.20·3).
Thromboembolic disorders.

Thrombo ASS *Lannacher, Austria; Lannacher, Rus.*
Aspirin (p.20·3).
Thromboembolism prophylaxis.

Thrombocid
Note. This name is used for preparations of different composition.
Sigmapharm, Austria.
Pentosan polysulfate sodium (p.1367·1); guaiazulene (p.2317·3); thymol (p.1664·3).
Soft-tissue injury; vascular disorders.

Bene, Cz.
Pentosan polysulfate sodium (p.1367·1); pumilio pine oil (p.2376·3); rosemary oil (p.2381·3); melissa oil (p.2339·3).
Soft-tissue injury.

Bene-Chemie, Hong Kong.
Pentosan polysulfate sodium (p.1367·1); guaiazulene (p.2317·3).
Haemorrhoids; insect stings; sunburn; superficial phlebitis; venous insufficiency.

Lacer, Spain.
Pentosan polysulfate sodium (p.1367·1).
Formerly contained pentosan polysulfate sodium and thymol.
Haematoma; varicose veins.

Bene, Ger.; Neo-Farmaceutica, Port.; Milupa, Switz.
Ointment: Pentosan polysulfate sodium (p.1367·1); guaiazulene (p.2317·3); thymol (p.1664·3).
Burns; insect bites; soft-tissue disorders; superficial vascular disorders.

Bene, Ger.†; Neo-Farmaceutica, Port.†.
Suppositories: Pentosan polysulfate sodium (p.1367·1); aluminium monostearate; guaiazulene (p.2317·3).
Anorectal disorders.

Bene, Ger.; Neo-Farmaceutica, Port.; Milupa, Switz.
Topical gel: Pentosan polysulfate sodium (p.1367·1); rosemary oil (p.2381·3); pumilio pine oil (p.2376·3); melissa oil (p.2339·3).
Soft-tissue disorders; superficial vascular disorders; venous insufficiency.

Thrombodine *Lannacher, Austria.*
Ticlopidine hydrochloride (p.1411·2).
Thrombosis prophylaxis.

Thrombogen *Johnson & Johnson Medical, USA†.*
Thrombin (p.1080·1).
Bleeding from small blood vessels.

Thrombohexal *Hexal, Austria.*
Dipyridamole (p.1268·1); aspirin (p.20·3).
Glomerulonephritis; peripheral arterial disorders.

Thromboparin *Alfa Wassermann, Gr.*
Parnaparin (p.1366·1).
Thrombosis prophylaxis.

Thrombophob
Note. This name is used for preparations of different composition.
Abbott, Ger.
Heparin sodium (p.1301·2).
Soft-tissue injury; vascular disorders.

Abbott, Austria; Nordmark, Indon.; Tunggal Idaman, Indon.
Ointment: Heparin sodium (p.1301·2); benzyl nicotinate (p.28·1).
Phlebitis; soft-tissue injury; superficial vascular disorders; varices; venous insufficiency.

German Remedies, India.
Ointment: Heparin (p.1301·2); benzyl nicotinate (p.28·1).
Soft-tissue disorders.

Abbott, Austria; Nordmark, Indon.; Tunggal Idaman, Indon.
Topical gel: Heparin sodium (p.1301·2).
Phlebitis; soft-tissue injury; superficial vascular disorders; varices; venous insufficiency.

German Remedies, India; Aventis, S.Afr.
Topical gel: Heparin (p.1301·2).
Soft-tissue disorders; superficial vascular disorders.

Thrombophob-S *Abbott, Austria.*
Heparin sodium (p.1301·2).
Soft-tissue injury; superficial vascular disorders.

Thromboreductin *Orpha-Devel, Austria; Orpha-Devel, Cz.; Mayne, Hong Kong; Orphan, Hung.; AOP Orphan, Indon.; AOP, Malaysia.*
Anagrelide hydrochloride (p.2257·1).
Thrombocythaemia.

Thrombostad *Stada, Austria.*
Aspirin (p.20·3).
Migraine; thrombotic disorders.

Thrombostat *Pfizer, Austral.†; Pfizer, Canad.†; Pfizer, NZ; Parke, Davis, USA.*
Thrombin (p.1080·1).
Haemorrhage.

Thrombotrol-VF *CSL, Austral.; CSL, NZ.*
Antithrombin III (p.1054·1).
Antithrombin III deficiency.

Thromyn *Zynova, Philipp.*
Roxithromycin (p.331·1).
Bacterial infections.

Throsyn *Pharmacare, S.Afr.*
Roxithromycin (p.331·1).
Bacterial infections.

Thuja Med Complex *Dynamit, Austria.*
Homoeopathic preparation.

Thuja N Oligoplex *Madaus, Ger.*
Homoeopathic preparation.

Thujaderm *Knop, Chile.*
Thuja (p.2400·3).
Warts.

Thunas Eye Drops *Thuna, Canad.†.*
Boric acid (p.2268·1); borax (p.2268·1).

Thunas Hyperacidity Tablets *Thuna, Canad.†.*
Magnesium hydroxide (p.1743·2); aluminium hydroxide-magnesium carbonate co-dried gel (p.1707·2); simeticone (p.1770·2).

Thunas Laxative *Thuna, Canad.†.*
Cascara (p.1715·2); senna (p.1769·2); bryony; fennel (p.2302·3); liquorice (p.1740·3); juglans; leptandra.

Thunas Pile *Thuna, Canad.†.*
⊗ Benzocaine (p.1854·1); bismuth subcarbonate (p.1711·1); ephedrine sulfate (p.1558·2); zinc oxide (p.1621·2).
Haemorrhoids.

Thunas Salve for Rheumatic Pains *Thuna, Canad.†.*
Methyl salicylate (p.85·3); camphor (p.2273·2); menthol (p.2340·1).

Thunas Tab for Menstrual Pain *Thuna, Canad.†.*
Motherwort (p.2347·3); senecio (p.2385·1); sodium salicylate (p.124·2); teucrium scorodonia; viburnum (p.2267·1).

Thuya Complexe no 37 *Lehning, Fr.*
Homoeopathic preparation.
Formerly known as Complexe no 37.

Thybon *Henning, Ger.; Sanofi Synthelabo, Ger.*
Liothyronine hydrochloride (p.2174·2).
Hypothyroidism.

Thycapzol *Hexal, Denm.*
Thiamazole (p.2176·3).
Hyperthyroidism.

Thymazen *Polfa Warszawa, Pol.*
⊗ Tymazoline hydrochloride (p.1575·1).
Nasal congestion; sinusitis.

Thymcal *Nufarindo, Indon.*
⊗ Paracetamol (p.108·1); ephedrine hydrochloride (p.1558·2); chlorphenamine maleate (p.571·3); calcium gluconate (p.1675·3); ammonium chloride (p.1551·3); thyme (p.2401·1); ammonium bromide (p.2269·2); sassafras oil (p.2383·3).
Coughs.

Thymi Syrup *Vitamed, Israel.*
Thyme (p.2401·1).
Coughs.

Thymian Erkaltungs-Bad *Li-il, Ger.*
Thyme oil (p.2401·2).
Bath additive; respiratory-tract disorders; skin disorders.

Thymipin N
Note. This name is used for preparations of different composition.
Novartis Consumer, Ger.†.
Cream: Thyme (p.2401·1); camphor (p.2273·2); eucalyptus oil (p.2301·2).
Bronchitis; catarrh; coughs.

Novartis Consumer, Ger.
Oral drops; suppositories; syrup: Thyme (p.2401·1).
Bronchitis; catarrh; coughs.

Thymiverlan *Verla, Ger.*
Thyme (p.2401·1).
Respiratory-tract disorders.

Thymodepressin *Peptos, Rus.*
Thymodepressin.
Neutropenia; psoriasis; rheumatoid arthritis.

Thymodrosin N *Gubler, Switz.†.*
Guaifenesin (p.1561·3); thyme (p.2401·1); drosera (p.2297·3); ribwort plantain (p.2379·1); liquorice (p.1740·3).
Respiratory-tract disorders.

Thymo-Glanduretten *Biosyn, Ger.†.*
Bovine thymus extract (p.2401·3).
Immunotherapy.

Thymoglobulin *Genzyme, Canad.; Genzyme, Ger.; Aventis, India.*
An antithymocyte immunoglobulin (rabbit) (p.1817·3).
Transplant rejection.

Thymoglobuline *Sanova, Austria; Genzyme, Belg.; Aventis Pasteur, Braz.†; Genzyme, Cz.; Genzyme, Denm.; Genzyme, Fin.; Genzyme, Fr.; Gerolymatos, Gr.; IFET (ΙΦΕΤ), Gr.; Genzyme, Hong Kong; Imtix Sangstat, Israel; Imtix, Ital.; Genzyme, Malaysia; Genzyme, Neth.; Genzyme, Pol.; Aventis, S.Afr.; Genzyme, Singapore; Pacific Biosciences, Singapore; Sangstat, Singapore; Genzyme, Swed.; Genzyme, Switz.; Aventis Pasteur, Thai.†; Aventis Pasteur, Turk.; Genzyme, UK.*
An antithymocyte immunoglobulin (rabbit) (p.1817·3).
Aplastic anaemia; graft-versus-host disease; immunosuppressive therapy; transplant rejection.

Thymoject *Biosyn, Ger.; Loges, Ger.*
Bovine thymus extract (p.2401·3).
Immunological disorders.

Thymol Mouthwash Red *Orion, NZ†.*
Thymol (p.1664·3); menthol (p.2340·1).
Halitosis; mouth and throat infections.

Thymomel *Ivax, Cz.*
Thyme (p.2401·1); wild thyme (p.2415·3); plantain (p.2379·1).
Respiratory-tract congestion.

Thymophysin *CytoChemia, Ger.*
Thymus extract (p.2401·3).
Immunotherapy.

Thymorell *Sanorell, Ger.*
Homoeopathic preparation.

Thymoseptine *Tilman, Belg.*
Thyme (p.2401·1); wild thyme (p.2415·3); ammonium acetate (p.1551·2).
Formerly contained thyme and wild thyme.
Respiratory-tract disorders; sore throat.

Thymoval *Smetana, Austria.*
Cowslip (p.2372·2); valerian (p.2410·1); thyme (p.2401·1).
Coughs.

Thymowied *Wiedemann, Ger.†.*
Calf thymus extract (p.2401·3).
Immunotherapy.

Thymunes *Eagle, Austral.*
Thymus (p.2401·3).

Thymusin N *Streuli, Switz.*
Thyme (p.2401·1).
Coughs.

Thym-Uvocal *Strathmann, Ger.*
Calf thymus extract (p.2401·3).
Immunotherapy.

Thyprotect *Henning, Ger.; Sanofi Synthelabo, Ger.*
Potassium iodide (p.2169·2).
Blockade of thyroid uptake of radioiodine.

Thyradin-S *Teikoku, Jpn.*
Levothyroxine sodium (p.2171·2).
Goitre; hypothyroidism.

Thyrax *Organon, Belg.; Organon, Cz.†; Organon, Indon.; Organon, Neth.; Organon, Philipp.; Organon, Port.; Organon, Venez.*
Levothyroxine sodium (p.2171·2).
Diagnostic suppression of thyroid activity; euthyroid goitre; hypothyroidism; thyroid cancer.

Thyreocomb *Berlin-Chemie, Rus.*
Levothyroxine sodium (p.2171·2); liothyronine (p.217·2); potassium iodide (p.2169·2).

Thyreocomb N *Berlin-Chemie, Ger.†.*
Levothyroxine (p.2173·2); potassium iodide (p.2169·2).
Iodine-deficiency disorders.

Thyreogutt *Austroplant, Austria.*
Motherwort (p.2347·3); lycopus europaeus.
Hyperthyroidism; mastalgia; tachycardia.

Thyreogutt mono *Schwabe, Ger.*
Lycopus europaeus.
Mastalgia; mild hyperthyroidism.

thyreo-loges comp *Loges, Ger.*
Homoeopathic preparation.

thyreo-loges N *Loges, Ger.*
Lycopus europaeus.
Hyperthyroidism.

Thyreo-Pasc N *Pascoe, Ger.*
Homoeopathic preparation.

Thyreostat II *Herbrand, Ger.†.*
Propylthiouracil (p.2175·2).
Hyperthyroidism.

Thyreotom
Berlin-Chemie, Cz.; Berlin-Chemie, Ger.†.
Liothyronine (p.2174·2); levothyroxine (p.2173·2).
Hypothyroidism.

Berlin-Chemie, Rus.
Liothyronine (p.2174·2); levothyroxine sodium (p.2171·2).

Thyrex *Sandoz, Austria.*
Levothyroxine sodium (p.2171·2).
Hypothyroidism.

Thyro-4 *Faran, Gr.*
Levothyroxine sodium (p.2171·2).
Hypothyroidism.

Thyro-Block *Carter Horner, Canad.†; Wallace, USA.*
Potassium iodide (p.2169·2).
Prevention of thyroid uptake of radioiodine.

Thyrogen *Genzyme, Austria; Genzyme, Belg.; Biobras, Braz.†; Genzyme, Canad.; Genzyme, Cz.; Genzyme, Denm.; Genzyme, Fin.; Genzyme, Fr.; Genzyme, Ger.; Genzyme, Gr.; Genzyme, Hung.; Genzyme, Israel; Genzyme, Ital.; Genzyme, Neth.; Genzyme, Norw.; Genzyme, Pol.; Genzyme, Port.; Genzyme, Singapore; Genzyme, Spain; Genzyme, Swed.; Genzyme, UK; Genzyme, USA.*
Thyrotropin alfa (p.2177·2).
Detection of thyroid remnants and thyroid cancer in post-thyroidectomy patients; measurement of serum thyroglobulin.

Thyrohex *Hexal, Philipp.*
Levothyroxine sodium (p.2171·2).
Hypothyroidism.

Thyrohormone *Ni-The, Gr.*
Levothyroxine sodium (p.2171·2).
Hypothyroidism.

Thyrolar *Forest Pharmaceuticals, USA.*
Liothyronine sodium (p.2174·1); levothyroxine sodium (p.2171·2).
Evaluation of thyroid function; hypothyroidism; TSH suppression.

Thyroliberin *Merck, Ger.*
Protirelin (p.2175·3).
Assessment of pituitary and thyroid function.

Thyroliberin TRH *Merck, Austria†.*
Protirelin (p.2175·3).
Test for thyroid-pituitary function.

Thyromazol *Abdi, Turk.*
Thiamazole (p.2176·3).
Hyperthyroidism.

Thyronajod *Henning, Ger.; Sanofi Synthelabo, Ger.*
Levothyroxine sodium (p.2171·2); potassium iodide (p.2169·2).
Hypothyroidism.

Thyrosan *Sun-Farm, Pol.*
Propylthiouracil (p.2175·2).
Hyperthyroidism.

ThyroShield *Fleming, USA.*
Potassium iodide (p.2169·2).

Thyrosit *Sriprasit, Thai.*
Levothyroxine sodium (p.2171·2).
Hypothyroidism.

Thyrostat *Ni-The, Gr.*
Carbimazole (p.2167·3).
Hyperthyroidism.

Thyrotardin N *Henning, Ger.; Sanofi Synthelabo, Ger.*
Liothyronine hydrochloride (p.2174·2).
Hypothyroidism.

Thyrozol *Merck, Chile; Merck, Cz.; Merck, Ger.; Merck, Indon.; Merck, Pol.; Merck, Rus.; Merck, Singapore.*
Thiamazole (p.2176·3).
Hyperthyroidism.

Thytropar *USV, Israel†.*
Thyrotrophin (p.2177·2).
Diagnosis of hypothyroidism.

TI Baby Natural *Fischer, USA.*
SPF 16: Titanium dioxide (p.1617·3).
Sunscreen.

TI Lite *Fischer, USA.*
SPF 15: Octinoxate (p.1608·2); titanium dioxide (p.1617·3).
Sunscreen.

TI Screen
Note. This name is used for preparations of different composition.
Pedinol, USA.
SPF 15; SPF 8: Octinoxate (p.1608·2); oxybenzone (p.1608·3).
Sunscreen.

Pedinol, USA.
SPF 30: Octinoxate (p.1608·2); oxybenzone (p.1608·3); octisalate (p.1608·2); octocrilene (p.1608·3).
Sunscreen.

TI Screen Natural *Pedinol, USA.*
SPF 16: Titanium dioxide (p.1617·3).
Sunscreen.

TI Screen Sports *Pedinol, USA.*
Octinoxate (p.1608·2); oxybenzone (p.1608·3); octisalate (p.1608·2); avobenzone (p.1589·3).
Sunscreen.

TI Screen Sunless *Pedinol, USA.*
SPF 17; SPF 23: Octinoxate (p.1608·2); oxybenzone (p.1608·3).
Sunscreen.

Tia Puppy *Nordin, Mex.*
Hamamelis (p.2318·2).
Varices.

Tiabenzol *Teuto, Braz.†.*
Tiabendazole (p.156·2).
Worm infections.

Tiabet *Tunggal Idaman, Indon.*
Glibenclamide (p.440·1).
Diabetes mellitus.

Tiabexol *Offenbach, Mex.*
Cyanocobalamin (p.1980·2); thiamine (p.1976·3).
Vitamin supplement.

Tiacob *Hexal, Neth.*
Tiapride hydrochloride (p.1032·1).
Neuroleptic-induced tardive dyskinesia.

Tiaden *Gap, Gr.*
⊗ Amiloride hydrochloride (p.1209·2); hydrochlorothiazide (p.1307·3).
Heart failure; hypertension; oedema.

Tiadil *All-Gen, Neth.; Basi, Port.†.*
Diltiazem hydrochloride (p.1265·1).
Angina pectoris; hypertension; myocardial infarction.

Tiadilon *Crinex, Fr.*
⊗ Arginine tidiacicate (p.1928·3).
Liver disorders.

Tiadipona *Abbott, Spain.*
Bentazepam (p.964·2).
Anxiety disorders; insomnia.

Tiadol *Bunker, Braz.*
Tiabendazole (p.156·2).

Tiadyl *Abbott, Arg.*
Candesartan cilexetil (p.1238·3).
Hypertension.

Tiadyl Plus *Abbott, Arg.*
⊗ Candesartan cilexetil (p.1238·3); hydrochlorothiazide (p.1307·3).
Hypertension.

Tiaglib *Tunggal Idaman, Indon.*
Gliclazide (p.440·3).
Diabetes mellitus.

Tiajac *Jacobsen, Neth.*
Tiapride hydrochloride (p.1032·1).
Neuroleptic-induced tardive dyskinesia.

Tiakem *Sanofi Synthelabo, Cz.†.*
Diltiazem hydrochloride (p.1265·1).
Angina pectoris; arrhythmias; hypertension.

Tial *Lindopharm, Ger.*
Tramadol hydrochloride (p.130·3).
Pain.

Tialin *Roemmers, Venez.*
Sertraline hydrochloride (p.421·3).
Depression.

Tialipol *Lafedar, Arg.*
Atorvastatin calcium (p.1218·3).
Hypercholesterolaemia.

Tialorid *Polpharma, Pol.*
⊗ Amiloride (p.1210·1); hydrochlorothiazide (p.1307·3).
Hypertension; oedema.

Tial-Z *Perfarma, Ital.*
Levomenol (p.2333·3); allantoin (p.1588·1).
Skin irritation.

Tiamidexal *Silanes, Mex.*
⊗ 1 Ampoule, cyanocobalamin (p.1980·2); thiamine hydrochloride (p.1976·1); 1 ampoule, dexamethasone sodium phosphate (p.1526·2).
Gout; musculoskeletal, joint, and peri-articular disorders; neuritis.

Tiamidon *Medipharma, Arg.*
Thiamine; pyridoxine; vitamin B (p.1922·1).

Tiamin *Ducto, Braz.*
Vitamin B substances (p.1922·1).

Tiaminal B$_{12}$ *Silanes, Mex.*
Cyanocobalamin (p.1980·2); thiamine hydrochloride (p.1976·1).
Lidocaine hydrochloride (p.1862·3) is included in this preparation to alleviate the pain of injection.
Neuralgia; neuritis; vitamin B deficiencies.

Tiaminal B$_{12}$ Trivalente *Silanes, Mex.*
Cyanocobalamin (p.1980·2) or hydroxocobalamin (p.1980·3); thiamine hydrochloride (p.1976·1); pyridoxine hydrochloride (p.1978·2).
Neuralgia; neuritis; pernicious anaemia; vitamin B deficiencies.

Tiamol *Taro, Canad.*
⊗ Fluocinonide (p.1532·1).
Skin disorders.

Tiamon Mono *Temmler, Ger.*
Dihydrocodeine tartrate (p.48·1).
Coughs.

Tianak *Wermar, Mex.*
Ranitidine hydrochloride (p.1766·1).
Acid aspiration; gastro-oesophageal reflux; gastrointestinal haemorrhage; peptic ulcer; Zollinger-Ellison syndrome.

Tianex *Inter, Venez.†.*
Vitamin B ; vitamin B ; vitamin B (p.1922·1).
Lidocaine (p.1862·3) is included in this preparation to alleviate the pain of injection.

Tiaplex *Delta, Braz.*
Tiabendazole (p.156·2).
Worm infections.

Tiapra *Zentiva, Cz.*
Tiapride hydrochloride (p.1032·1).
Alcohol withdrawal syndrome; dementia; Huntington's chorea; movement disorders.

Tiapridal
Note. This name is used for preparations of different composition.
Sanofi-Aventis, Belg.; Sanofi-Aventis, Braz.; Sanofi-Aventis, Cz.; Sanofi-Aventis, Fr.; Sanofi-Aventis, Gr.; Sanofi Synthelabo, Hong Kong†; Sanofi-Aventis, Hung.; Sanofi Synthelabo, Neth.; Sanofi-Aventis, Pol.; Sanofi-Aventis, Port.; Sanofi Synthelabo, Rus.; Sanofi Synthelabo, Switz.
Tiapride hydrochloride (p.1032·1).
Aggression; agitation; alcohol withdrawal syndrome; anxiety; behaviour disorders; choreic movements; drug-induced extrapyramidal disorders; dyskinesias; pain; withdrawal syndromes.

Tiapridex *Sanofi Synthelabo, Ger.*
Tiapride hydrochloride (p.1032·1).
Chorea; drug-induced extrapyramidal disorders.

Tiaprizal *Sanofi-Aventis, Spain.*
Tiapride hydrochloride (p.1032·1).
Anxiety; attention-deficit hyperactivity disorder; movement disorders; nausea and vomiting.

Tiaprofen *Bioprogress, Ital.†.*
Tiaprofenic acid (p.129·2).
Inflammation; pain.

Tiarix *Casasco, Arg.*
Paroxetine hydrochloride (p.414·2).
Anxiety; depression; obsessive-compulsive disorder; panic disorder; social phobia.

Tiaryt *Fahrenheit, Indon.*
Amiodarone hydrochloride (p.1210·2).
Arrhythmias.

Tiasar *Pentafarma, Port.*
Losartan potassium (p.1326·1).
Heart failure; hypertension.

Tiastad *Stada, Neth.*
Tiapride hydrochloride (p.1032·1).
Neuroleptic-induced tardive dyskinesia.

Tiatral 100 SR *Novartis, Switz.*
Aspirin (p.20·3).
Thromboembolic disorders.

Tiaven *Loren, Mex.†.*
Vitamin B substances (p.1922·1).

Tiazac
Note. This name is used for preparations of different composition.
Biovail, Canad.; Forest Pharmaceuticals, USA.
Diltiazem hydrochloride (p.1265·1).
Angina pectoris; hypertension.

Biopharm, Chile.
Pioglitazone (p.456·3).
Diabetes mellitus.

Tiazam *Vocate, Gr.*
Gemfibrozil (p.1295·3).
Hyperlipidaemias.

Tiazet *Ratiopharm, Neth.*
Tiapride hydrochloride (p.1032·1).
Neuroleptic-induced tardive dyskinesia.

Tiazinol *Cipan, Port.*
⊗ Lisinopril (p.1325·2); hydrochlorothiazide (p.1307·3).
Hypertension.

Tiba *Pharmaland, Thai.*
Gemfibrozil (p.1295·3).
Hyperlipidaemias.

Tiberal *Roche, Belg.; SERB, Fr.; Roche, NZ; Roche, Switz.; Roche, Venez.†.*
Ornidazole (p.843·1).
Amoebiasis; anaerobic bacterial infections; giardiasis; trichomoniasis.

Tibial *Neo Quimica, Braz.*
⊗ Tibolone (p.2134·1).
Menopausal disorders.

Tibifor *Lisapharma, Ital.*
Cefaclor (p.217·2).
Bacterial infections.

Tibigon *Hexpharm, Indon.*
Ethambutol hydrochloride (p.274·1).
Tuberculosis.

Tibinide *Recip, Swed.*
Isoniazid (p.288·1).
Tuberculosis.

Tibirim INH *Stancare, India.*
Rifampicin (p.325·3); isoniazid (p.288·1).
Tuberculosis.

Tibitol
Pharmaceutical Co, India.
Ethambutol (p.275·2).
Tuberculosis.

Mersifarma, Indon.
Ethambutol hydrochloride (p.274·1).
Tuberculosis.

Tiboclim *Panalab, Arg.*
⊗ Tibolone (p.2134·1).
Menopausal disorders.

Tibofem *Organon, Arg.; Cipla, India.*
⊗ Tibolone (p.2134·1).
Menopausal disorders.

Tibolvivax *Organon, Cz.*
⊗ Tibolone (p.2134·1).
Menopausal disorders; osteoporosis.

Tibomax *Zydus, India.*
⊗ Tibolone (p.2134·1).
Menopausal disorders; osteoporosis.

Ticalma *Kelemata, Ital.*
Valerian root (p.2410·1).
Sedative.

Ticar *GSK, USA.*
Ticarcillin sodium (p.352·2).
Bacterial infections.

Ticard *Sanbe, Indon.*
Ticlopidine hydrochloride (p.1411·2).
Stroke prophylaxis.

Ticarpen *GSK, Fr.; GSK, Neth.; SmithKline Beecham, Spain.*
Ticarcillin sodium (p.352·2).
Bacterial infections.

Ticathion *Pliva, Ital.*
Thiocolchicoside (p.1898·2).
Neuromuscular pain; parkinsonism; spasticity.

Ticavent *Caber, Ital.*
⊗ Fluticasone propionate (p.1533·2).
Rhinitis.

Ticdine *Fascino, Thai.†.*
Ticlopidine hydrochloride (p.1411·2).
Intermittent claudication; stroke prophylaxis; thromboembolism prophylaxis; unstable angina pectoris.

Tice *Organon, USA.*
A BCG vaccine (p.2205·3).
Active immunisation; bladder cancer.

Ticinan *Formenti, Ital.*
⊗ Morphine hydrochloride (p.86·3).
Pain.

Ticinil *Boehringer Ingelheim, Venez.*
Phenylbutazone (p.117·1) or phenylbutazone calcium (p.117·1).
Osteoarthritis; rheumatoid arthritis.

Tickly Cough & Sore Throat Relief *Herbal Concepts, UK.*
Hyssop (p.2323·3); senega (p.1572·3); liquorice (p.1740·3).
Coughs and cold symptoms; sore throat.

Ticlapsor *Abiogen, Ital.*
Tacalcitol (p.1615·1).
Psoriasis.

Ticlid *Sanofi Synthelabo, Arg.; Roche, Austral.; Sanofi-Aventis, Belg.; Sanofi-Aventis, Braz.; Roche, Canad.; Sanofi-Aventis, Chile; Sanofi-Aventis, Cz.; Sanofi-Aventis, Fr.; Sanofi-Aventis, Gr.; Sanofi Synthelabo, Hong Kong; Sanofi-Aventis, Hung.; Sanofi-Aventis, Indon.; Sanofi Synthelabo, Malaysia; Syntex, Mex.; Sanofi Synthelabo, Norw.; Sanofi Synthelabo, Philipp.; Sanofi-Aventis, Pol.; Sanofi Synthelabo, S.Afr.†; Sanofi-Aventis, Singapore; Sanofi Synthelabo, Swed.; Sanofi Synthelabo, Thai.; Sanofi Synthelabo, Turk.; Roche, USA; Sanofi-Aventis, Venez.*
Ticlopidine hydrochloride (p.1411·2).
Cerebrovascular disorders; intermittent claudication; maintenance of extracorporeal circulation; peripheral vascular disease; stroke prophylaxis; thromboembolic disorders.

Ticlidil *CTI, Israel.*
Ticlopidine hydrochloride (p.1411·2).
Stroke prophylaxis; thrombosis prophylaxis.

Ticlo *Schwarz, Pol.; Schwarz, Rus.; Greater Pharma, Thai.*
Ticlopidine hydrochloride (p.1411·2).
Peripheral vascular disease; thromboembolic disorders.

Ticlobal *Baldacci, Braz.*
Ticlopidine hydrochloride (p.1411·2).
Thromboembolism prophylaxis.

Ticlobest *Otsira, India.*
Ticlopidine hydrochloride (p.1411·2).
Thromboembolic disorders.

Ticlocard *Kocak, Turk.*
Ticlopidine hydrochloride (p.1411·2).
Thromboembolism prophylaxis.

Ticlodix *Vitoria, Port.*
Ticlopidine hydrochloride (p.1411·2).
Thromboembolism prophylaxis.

Ticlodone *Sanofi Synthelabo, Austria; Gerolymatos, Gr.; Sigma-Tau, Ital.; Almirall, Spain.*
Ticlopidine hydrochloride (p.1411·2).
Thromboembolic disorders.

Ticlogi *Ibirn, Ital.†.*
Ticlopidine hydrochloride (p.1411·2).
Thrombosis prophylaxis.

Ticlomed *Leurquin, Fr.†.*
Ticlopidine hydrochloride (p.1411·2).
Intermittent claudication; maintenance of extracorporeal circulation; thrombosis prophylaxis.

Ticlon *Interbat, Indon.*
Ticlopidine hydrochloride (p.1411·2).
Stroke prophylaxis.

Ticlop *Zydus, India.*
Ticlopidine hydrochloride (p.1411·2).
Thromboembolic disorders.

Ticlopat *BioSaude, Port.*
Ticlopidine hydrochloride (p.1411·2).
Intermittent claudication; maintenance of extracorporeal circulation; stroke prophylaxis; thromboembolism prophylaxis.

Ticlopid *Cipla, India.*
Ticlopidine hydrochloride (p.1411·2).

Ticlopin *Gentek, Venez.†.*
Ticlopidine hydrochloride (p.1411·2).
Thromboembolic disorders.

Ticlopine *Sunward, Malaysia; Umeda, Thai.*
Ticlopidine hydrochloride (p.1411·2).
Maintenance of extracorporeal circulation; thromboembolism prophylaxis.

Ticloproge *Proge, Ital.†.*
Ticlopidine hydrochloride (p.1411·2).
Thrombosis prophylaxis.

† This preparation may no longer be actively marketed

⊗ Contains a substance whose use may be restricted in certain sports (see p.vii)

Ticocin *Cipla, India.*
Teicoplanin (p.344·3).
Gram-positive bacterial infections.

Ticoflex *Uno, Ital.†.*
Naproxen aminobutanol (p.93·3).
Gout; musculoskeletal, joint, peri-articular, and soft-tissue disorders; neuralgias.

Ticolcin *Tecnofarma, Mex.*
Colchicine (p.556·1).
Gout; liver cirrhosis.

Ticon *Hauck, USA.*
Trimethobenzamide hydrochloride (p.592·2).
Nausea and vomiting.

Ticopar *Julphar, UAE.*
Ticlopidine hydrochloride (p.1411·2).
Thromboembolic disorders.

TicoVac *Baxter, Denm.; Baxter, Fin.; Baxter, Fr.; Baxter, Ital.; Baxter, Norw.; Masta, UK.*
A tick-borne encephalitis vaccine (p.2241·1).
Separate preparations are available for adults and for children.
Formerly known as FSME-Immun in the *UK*.
Active immunisation.

Ticuring *Lapi, Indon.*
Ticlopidine hydrochloride (p.1411·2).
Thromboembolism prophylaxis.

Tidact
YSP, Malaysia; Yung Shin, Singapore.
Clindamycin hydrochloride (p.251·1).
Bacterial infections.

Yung Shin, Philipp.
Clindamycin hydrochloride (p.251·1) or clindamycin phosphate (p.251·2).
Bacterial infections.

Tiddy *Sriprasit, Thai.†.*
Multivitamin and mineral preparation with lysine (p.1922·1).

Tidigesic *Sun, India†.*
⊗ Buprenorphine (p.29·1).
Pain.

Tidomet *Torrent, Philipp.; Torrent, Rus.; Torrent, Singapore.*
Carbidopa (p.803·1); levodopa (p.804·3).
Parkinsonism.

Tiebinafin *Tiefenbacher, Neth.*
Terbinafine hydrochloride (p.546·3).
Fungal skin and nail infections.

Tielle
Note.This name is used for preparations of different composition.
Ethicon, Fr.
Polyurethane foam dressing (p.1611·1).
Ulcers; wounds.

Johnson & Johnson, Ger.†; Johnson & Johnson, Ital.; Johnson & Johnson Medical, UK.
Foamed hydrogel.
Skin ulcers; wounds.

Tienam *MSD, Belg.; MSD, Braz.; MSD, Chile; MSD, Cz.; MSD, Denm.; MSD, Fin.; MSD-Chibret, Fr.; MSD, Hong Kong; MSD, Hung.; MSD, Indon.; MSD, Israel; MSD, Ital.; MSD, Malaysia; MSD, Mex.; MSD, Neth.; MSD, Norw.; MSD, Philipp.; MSD, Pol.; MSD, Port.; MSD, Rus.; MSD, S.Afr.; MSD, Singapore; MSD, Spain; MSD, Swed.; MSD, Switz.; MSD, Thai.; MSD, Turk.*
Imipenem (p.286·3); cilastatin sodium (p.243·1).
Lidocaine (p.1862·3) or lidocaine hydrochloride (p.1862·3) may be included in the intramuscular injection to alleviate the pain of injection.
Bacterial infections.

Tienor *Farmaka, Ital.*
Clotiazepam (p.980·3).
Anxiety; insomnia.

Tierlite *Bros, Gr.*
Fluconazole (p.532·1).
Fungal infections.

Tifell *Bucca, Spain†.*
Cineole (p.2282·3); cresol (p.1641·1); eugenol (p.2301·2); formaldehyde (p.1644·2).
Mouth infections.

Tifen *Andromaco, Chile†.*
Ibuprofen (p.64·2).
Fever; inflammation; pain.

Tiffy
Note.This name is used for preparations of different composition.
Medochemie, Hong Kong.
Paracetamol (p.108·1).
Fever; pain.

TNP, Thai.†.
Syrup: Paracetamol (p.108·1); chlorphenamine maleate (p.571·3); phenylephrine hydrochloride (p.1568·1).
Cold and influenza symptoms; hay fever.

TNP, Thai.†.
Tablets: Paracetamol (p.108·1); chlorphenamine maleate (p.571·3); phenylpropanolamine hydrochloride (p.1569·3).
Cold and influenza symptoms; hay fever.

Tiffy Dey *TNP, Thai.†.*
Paracetamol (p.108·1); phenylephrine hydrochloride (p.1568·1); chlorphenamine maleate (p.571·3).
Cold symptoms; hay fever; upper respiratory-tract congestion.

Tiffy Fu *TNP, Thai.†.*
Paracetamol (p.108·1); chlorphenamine maleate (p.571·3); pseudoephedrine hydrochloride (p.1571·2).
Cold symptoms.

Tiffyrub *TNP, Thai.†.*
Menthol (p.2340·1); camphor (p.2273·2); turpentine oil (p.2406·3); eucalyptus oil (p.2301·2); nutmeg oil (p.2355·3).
Cold symptoms; coughs; nasal congestion.

Tifinidat *Tiefenbacher, Neth.*
⊗ Methylphenidate hydrochloride (p.2159·2).
Attention-deficit hyperactivity disorder.

Tifistat *Tiefenbacher, Neth.†.*
Pravastatin sodium (p.1374·3).
Hyperlipidaemias; reduction of cardiovascular risk.

Tiflodipine *TAD, Port.*
Amlodipine maleate (p.1214·2).
Angina pectoris; hypertension.

Tifox *Chong Kun Dang, Ital.†.*
Cefoxitin sodium (p.230·2).
Lidocaine hydrochloride (p.1862·3) is included in the intramuscular injection to alleviate the pain of injection.
Gram-negative bacterial infections.

Tigal *Sanovel, Turk.*
Terbinafine (p.546·3).
Fungal infections of the skin and nails.

Tigan
Note.This name is used for preparations of different composition.
Monarch, USA; Roberts, USA.
Capsules; injection: Trimethobenzamide hydrochloride (p.592·2).
Nausea and vomiting.

Roberts, USA†.
Suppositories: Trimethobenzamide hydrochloride (p.592·2); benzocaine (p.1854·1).
Nausea and vomiting.

Tigason *Chugai, Jpn.*
Etretinate (p.1597·2).
Keratinisation disorders; oral lichen planus; psoriasis.

Tigel IRM *Mepro, Chile.*
Coal tar (p.1616·2).
Scalp disorders.

Tiger Balm
Note.This name is used for preparations of different composition.
Olvos, Gr.
Camphor (p.2273·2); cajuput oil (p.2271·2); cinnamon oil (p.2283·2); menthol (p.2340·1).
Topical analgesic.

SSL, UK.
Cajuput oil (p.2271·2); camphor (p.2273·2); clove oil (p.2285·1); menthol (p.2340·1).
Musculoskeletal pain.

Tiger Balm Red
Note.This name is used for preparations of different composition.
Haw Par, Austral.
Cajuput oil (p.2271·2); camphor (p.2273·2); cassia oil (p.2278·1); clove oil (p.2285·1); menthol (p.2340·1).
Muscular aches and pains.

Haw Par, Canad.
Camphor (p.2273·2); menthol (p.2340·1); cajuput oil (p.2271·2); cinnamon oil (p.2283·2); clove oil (p.2285·1); peppermint oil (p.1761·2).

Rafa, Israel.
Camphor (p.2273·2); menthol (p.2340·1); cajuput oil (p.2271·2); dementholised mint oil (p.2345·2); clove oil (p.2285·1).

Tiger Balm Rot *Tiger, Cz.†.*
Camphor (p.2273·2); menthol (p.2340·1); clove oil (p.2285·1); cajuput oil (p.2271·2); peppermint oil (p.1761·2); cinnamon oil (p.2283·2).
Musculoskeletal and joint pain; respiratory-tract disorders.

Tiger Balm Ultra *Haw Par, Canad.*
Camphor (p.2273·2); cajuput oil (p.2271·2); cinnamon oil (p.2283·2); clove oil (p.2285·1); peppermint oil (p.1761·2).

Tiger Balm White
Note.This name is used for preparations of different composition.
Haw Par, Austral.; Rafa, Israel.
Cajuput oil (p.2271·2); camphor (p.2273·2); clove oil (p.2285·1); menthol (p.2340·1); dementholised mint oil (p.2345·2).
Muscular aches and pains.

Haw Par, Canad.
Camphor (p.2273·2); menthol (p.2340·1); cajuput oil (p.2271·2); clove oil (p.2285·1); peppermint oil (p.1761·2).

Tiger Balsam Rot *Klosterfrau, Austria.*
Camphor (p.2273·2); menthol (p.2340·1); cajuput oil (p.2271·2); peppermint oil (p.1761·2); clove oil (p.2285·1); cinnamon oil (p.2283·2).
Muscle pain.

Tiger Liniment *Haw Par, Canad.*
Methyl salicylate (p.85·3); menthol (p.2340·1); eucalyptus oil (p.2301·2).

Tiger Ol *Tiger, Cz.†.*
Methyl salicylate (p.85·3); camphor (p.2273·2); menthol (p.2340·1); eucalyptus oil (p.2301·2); lavender oil (p.2331·2).
Musculoskeletal, joint, and soft-tissue pain.

Tiger Snake *Commonwealth Serum, Hong Kong.*
A tiger snake venom antisera (p.2238·2).
Snake bite.

Tiglio (Specie Composta) *Dynacren, Ital.†.*
Tilia (p.2402·2); sambucus (p.2383·1); meadowsweet (p.2338·1).
Cold symptoms; herbal tea.

Tigreat *Menarini, Fr.*
Frovatriptan (p.622·3).
Migraine.

Tigridol *Phytomedica, Fr.*
Camphor (p.2273·2); menthol (p.2340·1); clove oil (p.2285·1); eucalyptus oil (p.2301·2); peppermint oil (p.1761·2); cinnamon oil (p.2283·2).
Pain.

Tikacillin *AstraZeneca, Swed.*
Phenoxymethylpenicillin potassium (p.314·2).
Bacterial infections.

Tikl *Monserrat, Arg.*
Ketoconazole (p.539·1).
Scalp disorders.

Tikleen *Ipca, India†; Ipca, Rus.*
Ticlopidine hydrochloride (p.1411·2).
Thrombosis.

Tiklid *Sanofi Synthelabo, Austria; Sanofi-Aventis, Ital.; Sanofi-Aventis, Spain.*
Ticlopidine hydrochloride (p.1411·2).
Thromboembolism prophylaxis.

Tiklyd *Sanofi Synthelabo, Ger.; Sanofi-Aventis, Port.*
Ticlopidine hydrochloride (p.1411·2).
Thrombosis prophylaxis.

Tikol *Eurodrug, Thai.†.*
Ticlopidine hydrochloride (p.1411·2).
Thromboembolism prophylaxis.

Tikosyn *Pfizer, USA.*
Dofetilide (p.1272·3).
Arrhythmias.

Tilad *Sanofi-Aventis, Spain.*
Nedocromil sodium (p.1127·3).
Asthma.

Tilade *Aventis, Austral.; Aventis, Austria; Sanofi-Aventis, Braz.; Aventis, Canad.†; Sanofi-Aventis, Cz.; Aventis, Denm.; Sanofi-Aventis, Fin.; Aventis, Ger.; Sanofi-Aventis, Gr.; Aventis, Hong Kong†; Aventis, Hung.†; Sanofi-Aventis, Irl.; Aventis, Israel; Sanofi-Aventis, Ital.; Aventis, NZ; Aventis, Neth.; Sanofi-Aventis, Rus.; Aventis, Switz.†; Eczacibasi, Turk.; Sanofi-Aventis, UK; Monarch, USA†.*
Nedocromil sodium (p.1127·3).
Allergic conjunctivitis; allergic rhinitis; asthma; bronchitis; obstructive airways disease.

Tilalgin *Grunenthal, Neth.; Grunenthal, Port.*
Tramadol hydrochloride (p.130·3); paracetamol (p.108·1).
Pain.

Tilarin *Aventis, Austria; Aventis, Cz.†; Aventis, Fin.†; Sanofi-Aventis, Ital.; Aventis, Switz.*
Nedocromil sodium (p.1127·3).
Allergic rhinitis.

Tilatil *Roche, Braz.*
Tenoxicam (p.128·2).
Musculoskeletal, joint, and peri-articular disorders.

Tilavist *Aventis, Austria; Aventis, Cz.†; Aventis, Denm.; Aventis, Fin.†; Sanofi-Aventis, Fr.; Aventis, Irl.†; Aventis, Israel; Sanofi-Aventis, Ital.; Aventis, Neth.; Aventis, Norw.; Sanofi-Aventis, Port.; Teofarma, Spain; Aventis, Swed.; Aventis, Switz.*
Nedocromil sodium (p.1127·3).
Allergic conjunctivitis.

Tilazem *Elea, Arg.; Pfizer, Chile; Pfizer, Mex.; Pfizer, S.Afr.; Pfizer, Venez.*
Diltiazem hydrochloride (p.1265·1).
Angina pectoris; hypertension; reduction of ciclosporin nephrotoxicity following renal transplant.

Tilcin *Vida, Port.*
Netilmicin sulfate (p.306·3).
Bacterial infections.

Tilcitin *Roche, Gr.*
Tenoxicam (p.128·2).
Gout; inflammation; osteoarthritis; pain; rheumatoid arthritis; spondyloarthropathies.

Tilcotil *Roche, Austria; Roche, Belg.; Roche, Chile; Roche, Denm.; Roche, Fin.; Roche, Fr.; Roche, Hong Kong; Teva, Hung.; Roche, Indon.; Roche, Ital.; Chugai, Jpn; Roche, Malaysia; Roche, Mex.; Roche, NZ; Roche, Neth.; Roche, Philipp.; Roche, Port.; Roche, S.Afr.; Roche, Spain†; Roche, Switz.; Roche, Thai.; Roche, Turk.; Roche, Venez.†.*
Tenoxicam (p.128·2).
Gout; inflammation; musculoskeletal, joint, peri-articular, and soft-tissue disorders; pain.

Tildiem *Sanofi-Aventis, Belg.; Chemopharma, Chile; Sanofi-Aventis, Fr.; Sanofi-Aventis, Gr.; Sanofi-Aventis, Irl.; Sanofi-Aventis, Ital.; Sanofi Synthelabo, Neth.; Sanofi Synthelabo, Philipp.; Sanofi Synthelabo, Switz.; Ulkar, Turk.; Sanofi Synthelabo, UK.*
Diltiazem hydrochloride (p.1265·1).
Angina pectoris; arrhythmias; hypertension; myocardial ischaemia.

Tildomet *Greenpharma, Braz.*
Methyldopa (p.1334·1).
Hypertension.

Tilekin *Kinder, Braz.*
Paracetamol (p.108·1).
Pain.

Tilene *Francia, Ital.*
Fenofibrate (p.1286·2).
Hyperlipidaemias.

Tilexim *Caber, Ital.*
Cefuroxime axetil (p.238·2).
Bacterial infections.

Tilferan *Vocate, Gr.†.*
Etidronate disodium (p.1097·1).
Osteoporosis; Paget's disease of bone.

Tilflam *Dexa, Indon.*
Tenoxicam (p.128·2).
Gout; musculoskeletal and joint disorders.

Tili *ABZ, Ger.†.*
Tilidine hydrochloride (p.129·3).
Naloxone hydrochloride (p.1453·2) is included in this preparation to discourage abuse.
Pain.

Tili Comp *1A, Ger.*
Tilidine hydrochloride (p.129·3).
Naloxone hydrochloride (p.1453·2) is included in this preparation to discourage abuse.
Pain.

Tilia Fe *Watson, USA.*
21 Tablets, norethisterone acetate (p.2119·3); ethinylestradiol (p.2101·3); 7 tablets, ferrous fumarate (p.1938·3).
Triphasic oral contraceptive.

Tilicomp *Betapharm, Ger.*
Tilidine hydrochloride (p.129·3).
Naloxone hydrochloride (p.1453·2) is included in this preparation to discourage abuse.
Pain.

Tilidalor *Hexal, Ger.†.*
Tilidine hydrochloride (p.129·3).
Naloxone hydrochloride (p.1453·2) is included in this preparation to discourage abuse.
Pain.

Tilidin comp *Aliud, Ger.; Hexal, Ger.; Stada, Ger.*
Tilidine hydrochloride (p.129·3).
Naloxone hydrochloride (p.1453·2) is included in this preparation to discourage abuse.
Pain.

Tilidin N *Sandoz, Ger.; Winthrop, Ger.*
Tilidine hydrochloride (p.129·3).
Naloxone hydrochloride (p.1453·2) is included in this preparation to discourage abuse.
Pain.

Tilidin plus *Ratiopharm, Ger.*
Tilidine hydrochloride (p.129·3).
Naloxone hydrochloride (p.1453·2) is included in this preparation to discourage abuse.
Pain.

Tilidin-saar *MIP, Ger.*
Tilidine hydrochloride (p.129·3).
Naloxone hydrochloride (p.1453·2) is included in this preparation to discourage abuse.
Pain.

Tilidon *Interbat, Indon.*
Domperidone (p.1726·2).
Gastrointestinal disorders.

Tilidura *Merck dura, Ger.*
Tilidine hydrochloride (p.129·3).
Naloxone hydrochloride (p.1453·2) is included in this preparation to discourage abuse.
Pain.

Tiligetic *Azupharma, Ger.†.*
Tilidine hydrochloride (p.129·3).
Naloxone hydrochloride (p.1453·2) is included in this preparation to discourage abuse.
Pain.

Tilimerck *Merck dura, Ger.†.*
Tilidine hydrochloride (p.129·3).
Naloxone hydrochloride (p.1453·2) is included in this preparation to discourage abuse.
Pain.

Tilios *Microsules, Arg.*
Alendronate sodium (p.1088·1).
Osteoporosis; Paget's disease of bone.

Tili-Puren *Alpharma-Isis, Ger.*
Tilidine hydrochloride (p.129·3).
Naloxone hydrochloride (p.1453·2) is included in this preparation to discourage abuse.
Pain.

Tiliros *Labofarm, Pol.*
Ascorbic acid (p.1983·3); rose flower (p.2381·2); tilia (p.2402·2).
Cough; sore throat.

Tilium *Janssen-Cilag, Venez.*
Domperidone (p.1726·2).
Gastrointestinal motility disorders.

Tiliv *Ativus, Braz.*
Black currant (p.2267·1).

Tiliv L *Ativus, Braz.*
Borage oil (p.2267·3).

Tilker *Sanofi Synthelabo, Denm.; Sanofi Synthelabo, Norw.†; Sanofi-Aventis, Port.; Sanofi-Aventis, Spain.*
Diltiazem hydrochloride (p.1265·1).
Angina pectoris; hypertension.

Tilko *Kocak, Turk.*
Tenoxicam (p.128·2).
Musculoskeletal and joint disorders.

Till *Amnol, Ital.*
Triclosan (p.1665·2); alkylamidobetaine.
Personal hygiene.

Tilmat *Douglas, NZ.*
⊗ Timolol maleate (p.1412·3).
Angina pectoris; arrhythmias; hypertension; migraine; myocardial infarction.

Tilnalox *CT, Ger.*
Tilidine hydrochloride (p.129·3).
Naloxone hydrochloride (p.1453·2) is included in this preparation to discourage abuse.
Pain.

Tilodene *Alphapharm, Austral.*
Ticlopidine hydrochloride (p.1411·2).
Thromboembolism prophylaxis.

Tilodrin *Meyer, Venez.*
Dextromethorphan hydrobromide (p.1555·2).
Cough.

Tiloetca Combi *Tillomed, UK.*
Etidronate disodium (p.1097·1); calcium carbonate (p.1714·1).
Osteoporosis.

Tilofyl *Tillomed, UK.*
⊗ Fentanyl (p.55·3).
Pain.

Tiloket *Tillomed, UK.*
Ketoprofen (p.73·1).
Formerly known as Ketil.
Dysmenorrhoea; musculoskeletal, joint, and peri-articular disorders.

Tilolec *Tillomed, UK†.*
Levodopa (p.804·3); carbidopa (p.803·1).
These ingredients can be described by the British Approved Name Co-careldopa.
Parkinsonism.

Tilomix *Nufarindo, Indon.*
Dextromethorphan hydrobromide (p.1555·2); noscapine (p.1566·2); chlorphenamine maleate (p.571·3).
Cough or pain due to allergy.

Tilonax *Cifarma, Braz.*
Tenoxicam (p.128·2).
Gout; musculoskeletal, joint, and peri-articular disorders; pain.

Tilopin *Unison, Thai.*
Ticlopidine hydrochloride (p.1411·2).
Peripheral vascular disease; thrombosis prophylaxis.

Tiloptic *MSD, Israel.*
⊗ Timolol maleate (p.1412·3).
Glaucoma; ocular hypertension.

Tiloryth *Tillomed, UK.*
Erythromycin (p.269·2).
Bacterial infections.

Tiloxican *Hexal, Braz.†.*
Tenoxicam (p.128·2).
Gout; musculoskeletal, joint, and peri-articular disorders.

Tilsan *Otto, Indon.*
Maprotiline hydrochloride (p.407·2).
Depression.

Tilstigmin *Tablets, India.*
Neostigmine bromide (p.631·3) or neostigmine metilsulfate (p.631·3).
Myasthenia gravis.

Tiltis *Euroderm, Arg.*
Benzoyl peroxide (p.1590·2).
Acne.

Tilur *Drossapharm, Switz.*
Acemetacin (p.15·1).
Musculoskeletal, joint, and peri-articular disorders; superficial thrombophlebitis.

Timab *LKM, Arg.*
Diazepam (p.986·3).
Anxiety.

Timabak *Agepha, Austria; Thea, Belg.; Allergan, Braz.; Pfizer, Chile; Thea, Fr.; Pharmex (Φαρμεξ), Gr.; Thea, Hong Kong; Thea, Philipp.; Thea, Port.; Pfizer, Singapore; Thea, Spain.*
⊗ Timolol maleate (p.1412·3).
Glaucoma; ocular hypertension.

Timacar *MSD, Denm.*
⊗ Timolol maleate (p.1412·3).
Angina pectoris; glaucoma; hypertension; migraine; myocardial infarction.

Timacor *Substipharm, Fr.*
⊗ Timolol maleate (p.1412·3).
Angina pectoris; hypertension; myocardial infarction.

Timact *Fahrenheit, Indon.*
Gentamicin sulfate (p.282·1).
Bacterial infections.

Tim-Ak *Dioptic, Canad.†.*
⊗ Timolol maleate (p.1412·3).
Raised intra-ocular pressure.

Timarol *Laboratorios Chile, Chile.*
Tramadol hydrochloride (p.130·3).
Pain.

Timasen *Asta Medica, Braz.†.*
Tramadol hydrochloride (p.130·3).
Pain.

Timax *Agepha, Austria.*
⊗ Timolol maleate (p.1412·3).
Glaucoma; ocular hypertension.

Timazol *Sriprasit, Thai.*
Thiamazole (p.2176·3).
Hyperthyroidism.

Time Action B Complex with C *Hall, Canad.*
Vitamin B substances; vitamin C (p.1922·1).

Time Release Nutrition Mega B + C Complex *Swiss Bio, Malaysia†.*
Vitamin B substances (p.1975·1); vitamin C (p.1983·3).
Dietary supplement.

Time Released Balanced B *Lee-Adams, Canad.*
Vitamin B substances (p.1922·1).

Time-Cee
Note. This name is used for preparations of different composition.
Danlex, Philipp.
Syrup: Ascorbic acid (p.1983·3); vitamin B substances; chlorella growth factor (p.1922·1).
Vitamin C deficiency.

Danlex, Philipp.
Tablets: Ascorbic acid (p.1983·3); calcium phosphate dibasic (p.1676·1).
Vitamin C deficiency.

Timecef *Aventis, Austria; Lepetit, Ital.; Aventis, NZ.*
Cefodizime sodium (p.226·1).
Lidocaine hydrochloride (p.1862·3) is included in some intramuscular injections to alleviate the pain of injection.
Bacterial infections.

Timed *Bausch & Lomb, Arg.*
⊗ Timolol maleate (p.1412·3).
Glaucoma; ocular hypertension.

Timed 0.5 *Bausch & Lomb, Arg.*
⊗ Timolol maleate (p.1412·3); hyaluronic acid (p.2320·1).
Glaucoma.

Timed Action Balanced B *Hall, Canad.*
Vitamin B substances (p.1922·1).

Timed D *Bausch & Lomb, Arg.*
⊗ Timolol maleate (p.1412·3); dorzolamide hydrochloride (p.1880·2).
Glaucoma; ocular hypertension.

Timed Release Ester C *General Nutrition, Canad.*
Calcium ascorbate (p.1984·1).

Timed Release Mega Men *General Nutrition, Canad.*
Multivitamin and mineral preparation (p.1922·1).

Timed Release Swiss One *Swiss Herbal, Canad.†.*
Range of multivitamin and mineral preparations (p.1922·1).

Timed Release Ultra Mega *General Nutrition, Canad.*
Range of multivitamin and mineral preparations (p.1922·1).

Timed Release Womens Ultra Mega *General Nutrition, Canad.*
Multivitamin and mineral preparation (p.1922·1).

Timenten *SmithKline Beecham, Switz.†.*
Ticarcillin sodium (p.352·2); potassium clavulanate (p.250·2).
Bacterial infections.

Timentin *GSK, Austral.; GSK, Belg.; GSK, Braz.; GSK, Canad.; GSK, Cz.; GSK, Gr.; GSK, Hong Kong; GSK, India; SmithKline Beecham, Irl.†; GSK, Israel; GSK, Ital.; GSK, Mex.; GSK, NZ; GSK, Neth.; GSK, Philipp.; GSK, Pol.; GSK, Rus.; GSK, UK; SmithKline Beecham, USA.*
Ticarcillin sodium (p.352·2); potassium clavulanate (p.250·2).
Lidocaine hydrochloride (p.1862·3) may be included in the intramuscular injection to alleviate the pain of injection.
Bacterial infections.

Timezol *Penn, Arg.; Richmond, Arg.*
Omeprazole (p.1753·1).
Peptic ulcer.

Timi *Sriprasit, Thai.*
⊗ Miconazole nitrate (p.541·3); triamcinolone acetonide (p.1544·3).
Fungal skin and nail infections with inflammation.

Timicolid *Pfizer Consumer, Ital.†.*
Dithranol (p.1595·2).
Psoriasis.

Timicon *MSD, Ital.*
⊗ Timolol maleate (p.1412·3); pilocarpine hydrochloride (p.1884·3).
Glaucoma; ocular hypertension.

Timisol *Ecosol, Switz.*
⊗ Timolol maleate (p.1412·3).
Glaucoma; ocular hypertension.

Timivudin *Landsteiner, Mex.*
Zidovudine (p.913·3).
HIV infection.

Timo (Specie Composta) *Dynacren, Ital.†.*
Thyme (p.2401·1); fennel (p.2302·3); ribwort plantain (p.2379·1); liquorice (p.1740·3).
Coughs; herbal tea.

Timo-COMOD *Croma, Austria; Ursapharm, Cz.; Ioltech, Fr.; Ursapharm, Ger.; Ursapharm, Malaysia†; Ursapharm, Neth.; Ursapharm, Pol.; Ursapharm, Switz.; Biem, Turk.*
⊗ Timolol maleate (p.1412·3).
Glaucoma; ocular hypertension.

Timodine *Reckitt Benckiser, Irl.; Reckitt Benckiser, UK.*
⊗ Nystatin (p.543·2); hydrocortisone (p.1535·2).
Infected skin disorders.

Timodose *Pharmanel, Gr.†.*
⊗ Timolol maleate (p.1412·3).
Glaucoma.

Timodrop *Biolab, Thai.*
⊗ Timolol maleate (p.1412·3).
Glaucoma; ocular hypertension.

TimoEDO *Mann, Ger.*
⊗ Timolol maleate (p.1412·3).
Glaucoma; ocular hypertension.

Timoferol *Elerte, Fr.*
Ferrous sulfate (p.1939·3).
Ascorbic acid (p.1983·3) is included in this preparation to increase the absorption and availability of iron.
Iron deficiency; iron-deficiency anaemia.

Timoftal *Agepha, Austria; Sanovel, Turk.*
⊗ Timolol maleate (p.1412·3).
Glaucoma; ocular hypertension.

Timoftol *MSD, Spain.*
⊗ Timolol maleate (p.1412·3).
Glaucoma; ocular hypertension.

Timogal *Galena, Cz.†.*
⊗ Timolol maleate (p.1412·3).
Glaucoma; ocular hypertension.

Timogel *Thea, Port.; Thea, Spain.*
⊗ Timolol maleate (p.1412·3).
Glaucoma; ocular hypertension.

Timoglau *Edol, Port.*
⊗ Timolol maleate (p.1412·3).
Ocular hypertension.

Timoglau Plus *Edol, Port.*
⊗ Timolol maleate (p.1412·3); pilocarpine hydrochloride (p.1884·3).
Glaucoma.

Timoglobulina *Genzyme, Arg.; Sanofi Pasteur, Chile; Genzyme, Port.; Genzyme, Spain.*
An antithymocyte immunoglobulin (p.1817·3).
Aplastic anaemia; graft-versus-host disease; transplant rejection.

Timohexal *Hexal, Austria; Hexal, Cz.; Hexal, Ger.; Hexal, Pol.; Hexal, Rus.*
⊗ Timolol maleate (p.1412·3).
Glaucoma; ocular hypertension.

Timolabak *Thea, Ital.*
⊗ Timolol maleate (p.1412·3).
Glaucoma; ocular hypertension.

Timolast *Alcon, Malaysia.*
⊗ Timolol maleate (p.1412·3).
Glaucoma; ocular hypertension.

Timolen *Davi, Port.*
⊗ Timolol maleate (p.1412·3).
Glaucoma; ocular hypertension.

Timoler *Lersan, Arg.*
⊗ Timolol maleate (p.1412·3).
Ocular hypertension.

Timolide *Merck Frosst, Canad.†; Merck, USA.*
⊗ Timolol maleate (p.1412·3); hydrochlorothiazide (p.1307·3).
Hypertension.

Timolo *Bell, India.*
⊗ Timolol maleate (p.1412·3).
Glaucoma; ocular hypertension.

Timolpres *Vannier, Arg.*
⊗ Timolol (p.1413·1).
Glaucoma.

Timolux *Tubilux, Ital.; AFT, NZ.*
⊗ Timolol maleate (p.1412·3).
Glaucoma; ocular hypertension.

Timomann *Mann, Ger.*
⊗ Timolol maleate (p.1412·3).
Glaucoma; ocular hypertension.

Timonil *Desitin, Cz.; Desitin, Ger.; Desitin, Hung.; Desitin, Israel; Desitin, Pol.; Desitin, Switz.; CP Pharmaceuticals, UK†.*
Carbamazepine (p.471·3).
Alcohol withdrawal syndrome; bipolar disorder; depression; diabetes insipidus; diabetic neuropathy; epilepsy; glossopharyngeal neuralgia; mania; multiple sclerosis; trigeminal neuralgia.

Timo-Optal *Olan-Kemed, Thai.*
⊗ Timolol maleate (p.1412·3).
Glaucoma; ocular hypertension.

Timop *Laboratorios Chile, Chile.*
⊗ Timolol maleate (p.1412·3).
Glaucoma.

Tim-Ophtal *Agepha, Austria; Winzer, Ger.; Sanbe, Indon.*
⊗ Timolol maleate (p.1412·3).
Glaucoma; ocular hypertension.

Timo-POS *Ursapharm, Belg.*
⊗ Timolol maleate (p.1412·3).
Glaucoma.

Timoptic *MSD, Arg.; MSD, Austria; Merck Frosst, Canad.; MSD, Pol.; MSD, Switz.; MSD, Turk.; Merck, USA.*
⊗ Timolol maleate (p.1412·3).
Glaucoma; ocular hypertension.

Timoptol *MSD, Austral.; MSD, Belg.; MSD, Braz.; Zentiva, Cz.; MSD-Chibret, Fr.; MSD, Hong Kong; MSD, Irl.; MSD, Ital.; Santen, Jpn; MSD, Malaysia; MSD, Mex.; MSD, NZ; MSD, Neth.; MSD, Philipp.; Pharmalink, Philipp.; Chibret, Port.; MSD, S.Afr.; MSD, Singapore; MSD, Thai.; MSD, UK; MSD, Venez.*
⊗ Timolol maleate (p.1412·3).
Glaucoma; ocular hypertension.

Timoptolgel *MSD, Belg.*
⊗ Timolol maleate (p.1412·3).
Glaucoma.

Timoptol-XE *MSD, Austral.; MSD, Chile.*
⊗ Timolol maleate (p.1412·3).
Glaucoma; ocular hypertension.

Timosan *Santen, Denm.; Santen, Fin.; Santen, Norw.; Santen, Swed.*
⊗ Timolol maleate (p.1412·3).
Glaucoma; ocular hypertension.

Timosil *Silom, Thai.*
⊗ Timolol maleate (p.1412·3).
Glaucoma; ocular hypertension.

Timosine *Chibret, Ger.†.*
⊗ Timolol maleate (p.1412·3).
Glaucoma; ocular hypertension.

Timosoft *Scharper, Ital.*
⊗ Timolol maleate (p.1412·3).
Glaucoma; ocular hypertension.

Timosol *MSD, Turk.*
⊗ Timolol maleate (p.1412·3).
Glaucoma; ocular hypertension.

Timosopt *MSD, Port.*
⊗ Timolol maleate (p.1412·3); dorzolamide hydrochloride (p.1880·2).
Glaucoma.

Timo-Stulln *Stulln, Ger.*
⊗ Timolol maleate (p.1412·3).
Glaucoma; ocular hypertension.

Timox *Desitin, Ger.*
Oxcarbazepine (p.490·3).
Epilepsy.

Timozzard *Pizzard, Mex.*
⊗ Timolol maleate (p.1412·3).
Glaucoma; ocular hypertension.

Timpacil *Diba, Mex.*
⊗ Neomycin (p.305·1); dexamethasone (p.1526·1).
Infected ear disorders.

Timpanol *Hexal, Braz.†.*
Procaine hydrochloride (p.1869·1); phenol (p.1656·1).
Ear infections; earache.

Timpilo *MSD, Arg.†; MSD, Austral.; MSD, Austria; Merck Frosst, Canad.†; MSD, Cz.†; MSD, Denm.†; MSD, Fin.†; MSD-Chibret, Fr.†; Chibret, Ger.†; Vianex (Βιανεξ), Gr.; MSD, Hong Kong; MSD, Israel; MSD, Malaysia†; MSD, NZ; MSD, Norw.†; MSD, Singapore†; MSD, Swed.†; MSD, Switz.†.*
⊗ Timolol maleate (p.1412·3); pilocarpine hydrochloride (p.1884·3).
Aphakia; glaucoma; ocular hypertension.

Timpron *Berk, UK†.*
Naproxen (p.92·3).
Gout; musculoskeletal and joint disorders.

Timsopt *MSD, Austria.*
⊗ Dorzolamide hydrochloride (p.1880·2); timolol maleate (p.1412·3).
Glaucoma.

Tinacef *Richmond, Arg.*
Ceftazidime (p.234·1).
Bacterial infections.

Tinactin *Schering-Plough, Canad.; Schering-Plough, Philipp.; Schering-Plough, USA.*
Tolnaftate (p.548·3).
Fungal skin infections.

Tinaderm *Key, Arg.†; Schering-Plough, Austral.; Schering-Plough, Chile; Fulford, India; Schering-Plough, Irl.†; Schering-Plough, Ital.†; Schering-Plough, Malaysia†; Schering-Plough, Mex.; Schering-Plough, NZ†; Schering-Plough, S.Afr.; Schering-Plough, Singapore†; Schering-Plough, Spain; Schering-Plough, UK; Schering-Plough, Venez.*
Tolnaftate (p.548·3).
Fungal skin, hair, and nail infections.

Tinaderm Extra *Schering-Plough, Austral.*
Clotrimazole (p.530·1).
Fungal skin infections.

Tinaderme *Plough, Port.*
Tolnaftate (p.548·3).
Fungal skin and nail infections.

Tinaderm-M *Schering-Plough, Irl.; Schering-Plough, UK.*
Tolnaftate (p.548·3); nystatin (p.543·2).
Fungal skin and nail infections.

Tinalox *Sandoz, Belg.*
Tilidine hydrochloride (p.129·3).
Naloxone hydrochloride (p.1453·2) is included in this preparation to discourage abuse.
Pain.

Tinasin *Giempi, Venez.*
Simvastatin (p.1390·2).
Cerebral ischaemia; hypercholesterolaemia; ischaemic heart disease.

Tinasol *Fischer, Israel.*
Tolnaftate (p.548·3).
Fungal skin infections.

Tinasolve *Rye, Singapore†.*
Melaleuca oil (p.2338·2); triclosan (p.1665·2).
Fungal skin infections.

Tinatox *Riemser, Ger.*
Tolnaftate (p.548·3).
Fungal skin infections.

Tinax *Eurofarma, Braz.*
⊗ Epoetin (p.1061·1).
Anaemias.

Tinazole *General Drugs, Thai.*
Tinidazole (p.848·3).
Amoebiasis; giardiasis; trichomoniasis.

TinBen *Ferndale, USA.*
Barrier preparation.

TinCoBen *Ferndale, USA.*
Barrier preparation.

Tindamax *Presutti, USA.*
Tinidazole (p.848·3).
Amoebiasis; giardiasis; trichomoniasis.

Tindol *Ranbaxy, Malaysia.*
Tinidazole (p.848·3).
Anaerobic bacterial infections; protozoal infections.

Tineafax *Douglas, Austral.*
Tolnaftate (p.548·3).
Tinea pedis.

Tineafine *Spirig, Switz.*
Terbinafine hydrochloride (p.546·3).
Fungal, skin, scalp, and nail infections.

Tineal *Reddy, Hung.*
Terbinafine hydrochloride (p.546·3).
Fungal infections.

Tinerol *Roche, Spain†.*
Ornidazole (p.843·1).
Amoebiasis; anaerobic bacterial infections; giardiasis.

Ting *Heritage Consumer, USA.*
Miconazole nitrate (p.541·3).
Formerly contained tolnaftate.
Fungal skin infections.

Tingosan *Bittner, Austria.*
Homoeopathic preparation.

Tini *Codal Synto, Thai.†.*
Tinidazole (p.848·3).
Amoebiasis; anaerobic bacterial infections; giardiasis; trichomoniasis.

Tiniasil *Loeffler, Mex.*
Ketoconazole (p.539·1).
Vulvovaginal candidiasis.

Tiniazol *Liferpal, Mex.*
Ketoconazole (p.539·1).
Fungal skin, nail, and vaginal infections.

Tiniba *Zydus, India; Cadila, Rus.*
Tinidazole (p.848·3).
Amoebiasis; anaerobic bacterial infections; giardiasis; trichomoniasis.

Tinidafyl *Jagson, India.*
Tinidazole (p.848·3).
Anaerobic bacterial infections; protozoal infections.

Tinidafyl Plus *Jagson, India.*
Tinidazole (p.848·3); diloxanide furoate (p.832·2); dimeticone (p.2032·1).
Amoebiasis.

Tinidol *Ipca, India†.*
Tinidazole (p.848·3).
Anaerobic bacterial infections; protozoal infections.

Tinifas *Cipla, India.*
Tinidazole (p.848·3).
Fungal infections.

Tinkair *Italchimici, Cz.*
⊗ Budesonide (p.1520·1).
Allergic rhinitis; nasal polyps.

T-Inmun *Mediderm, Chile.*
Tacrolimus (p.1843·1).
Atopic eczema.

Tinnic *Nicholas, Indon.*
Loratadine (p.583·3).
Allergic rhinitis; allergic skin disorders; urticaria.

Tinnitin *Sanova, Austria.*
Caroverine hydrochloride (p.2277·3).
Smooth muscle spasm; tinnitus.

Tinok AF *Rekah, Israel.*
Sodium chloride (p.1686·1).
Nasal congestion.

Tinoral *Uniao Quimica, Braz.*
Tinidazole (p.848·3).
Fungal infections.

Tinox *Gynopharm, Chile; Vivax Gynopharm, Venez.*
⊗ Tibolone (p.2134·1).
Menopausal disorders.

Tinoxal *Loeffler, Mex.*
Tolnaftate (p.548·3).
Fungal skin infections.

Tinsenol *Medipharm, Chile†.*
Thioridazine (p.1031·2).
Attention-deficit disorder; behaviour disorders; sleep disorders.

Tinset *Janssen-Cilag, Arg.; Janssen-Cilag, Austria; Janssen-Cilag, Belg.†; Janssen-Cilag, Chile; Janssen-Cilag, Fr.; Janssen-Cilag, Gr.; Cilag, Hong Kong†; Janssen-Cilag, Indon.; Formenti, Ital.; Janssen-Cilag, Mex.; Janssen-Cilag, Neth.; Janssen-Cilag, Port.; Janssen-Cilag, S.Afr.; Janssen-Cilag, Thai.*
Oxatomide (p.587·1).
Allergic conjunctivitis; allergic rhinitis; asthma; dermatitis; hypersensitivity reactions; pruritus; urticaria.

Tinsole *Erfar, Gr.*
Povidone-iodine (p.1659·2).

Tintura Benjui *Orion, Fin.†.*
Camphor (p.2273·2); menthol (p.2340·1).
Respiratory-tract congestion.

Tintus *Orion, Fin.*
Guaifenesin (p.1561·3).
Coughs.

Tinver *Pilkington Barnes-Hind, USA.*
Sodium thiosulfate (p.1466·1); salicylic acid (p.1612·2); isopropyl alcohol (p.1650·3).
Pityriasis versicolor.

Tinvista *Cadila, India.*
Tinidazole (p.848·3).
Protozoal infections.

Tinvista-CF *Cadila, India.*
Tinidazole (p.848·3); ciprofloxacin (p.243·3).
Bacterial infections; protozoal infections.

Tinvista-NF *Cadila, India.*
Tinidazole (p.848·3); norfloxacin (p.309·2).
Bacterial infections; protozoal infections.

Tiobarbital *Braun, Spain.*
Thiopental sodium (p.1795·2).
Epilepsy; general anaesthesia.

Tiobec *Laborest, Ital.*
Thioctic acid (p.2400·2); vitamins (p.1922·1).
Neuropathies; nutritional supplement.

Tiobec Crema *Laborest, Ital.*
Thioctic acid (p.2400·2).
Premature skin ageing.

Tiocalmina *Polifarma, Ital.*
Sulfogaiacol (p.1573·2); dropropizine (p.1557·3).
Coughs.

Tiocan *Toprak, Turk.*
Tioconazole (p.548·2).
Fungal skin and nail infections.

Tiocell *Adilna, Turk.*
Tioconazole (p.548·2).
Fungal skin and nail infections.

Tiochax *Plusandex, Venez.*
Thiocolchicoside (p.1898·2).
Muscle spasm.

Tioconax *Delta, Braz.*
Tioconazole (p.548·2).
Fungal infections.

Tiocosol *OFF, Ital.*
Sulfogaiacol (p.1573·2); sodium benzoate (p.1630·2).
Catarrh; coughs.

Tioctan *Purissimus, Arg.; Rothpharma, Austria; Fujisawa, Jpn†.*
Thioctic acid (p.2400·2).
Diabetic neuropathy; subacute necrotising encephalomyelopathy; thioctic acid supplement; vestibular deafness.

Tioctan-S *Leiras, Fin.†.*
Vitamin B substances; ascorbic acid; dehydrocholic acid (p.1922·1).
Vitamin B deficiency.

Tiof *Saval, Chile; Columbia, Mex.†.*
⊗ Timolol maleate (p.1412·3).
Glaucoma; ocular hypertension.

Tiof Plus *Saval, Chile.*
⊗ Dorzolamide hydrochloride (p.1880·2); timolol maleate (p.1412·3).
Glaucoma; ocular hypertension.

Tiofen *Sanovel, Turk.*
Thiamphenicol (p.351·1).
Bacterial infections.

Tiofeniclin *Sanofi Synthelabo, Mex.*
Thiamphenicol (p.351·1).
Bacterial infections.

Tiofort *Amnol, Ital.*
Thioctic acid (p.2400·2); linoleic acid (p.2308·2); asparagine (p.1929·3); vitamins; minerals.
Nutritional supplement.

Tioguaialina *Montefarmaco, Ital.*
Sulfogaiacol (p.1573·2).
Catarrh; coughs.

Tiomicol *Panalab, Arg.*
Tioconazole (p.548·2).
Fungal skin and nail infections.

Tionamid *Kocak, Turk.*
Protionamide (p.320·1).
Tuberculosis.

Tionamil *Ideco, Ital.†.*
Sulfogaiacol (p.1573·2); sodium benzoate (p.1630·2); terpin hydrate (p.1573·3).
Coughs.

Tionazen *Cazi, Braz.*
Tioconazole (p.548·2).
Fungal infections.

Tioner *Gebro, Spain.*
Tramadol hydrochloride (p.130·3).
Pain.

Tiorfan *Bago, Braz.; Bioprojet, Fr.; Trommsdorff, Ger.; Ferrer, Port.; Ferrer, Spain.*
Racecadotril (p.1765·2).
Diarrhoea.

Tiorilene *Difass, Ital.*
Thiocolchicoside (p.1898·2).
Neuromuscular pain; parkinsonism; spasticity.

Tiosalis *Teva Tuteur, Arg.*
Ondansetron hydrochloride (p.1756·3).
Nausea and vomiting.

Tioside *Caber, Ital.*
Thiocolchicoside (p.1898·2).
Neuromuscular pain; parkinsonism; spasticity.

Tiotau *Damor, Ital.†.*
Taurosteine.
Respiratory-tract congestion.

Tiotil *Abigo, Swed.*
Propylthiouracil (p.2175·2).
Hyperthyroidism.

Tiova *Cipla, India.*
Tiotropium bromide (p.1148·3).
Obstructive airways disease.

Tiovalone *Juste, Spain†.*
⊗ Tixocortol pivalate (p.1544·2).
Nasal polyps; rhinitis.

Tioxad *Fahrenheit, Indon.*
Pentoxifylline (p.1367·2).
Intermittent claudication.

Tioxal *Solfran, Mex.†.*
Vitamin B ; vitamin B (p.1922·1).

Tipac *Mintlab, Chile.*
Ranitidine hydrochloride (p.1766·1).
Peptic ulcer.

Tiparol *AstraZeneca, Swed.*
Tramadol hydrochloride (p.130·3).
Pain.

Tiperal *Clonmel, Irl.†.*
⊗ Propranolol hydrochloride (p.1380·3).
Angina pectoris; anxiety; arrhythmias; essential tremor; hypertension; migraine; myocardial infarction; obstructive cardiomyopathy; phaeochromocytoma.

Tiperin *Sanitas, Chile.*
Amitriptyline (p.376·1); chlordiazepoxide (p.968·1).
Depression associated with anxiety.

Tipidin *DHA, Hong Kong; DHA, Malaysia; DHA, Singapore.*
Ticlopidine hydrochloride (p.1411·2).
Stroke prophylaxis.

Tipidine *Seven Stars, Thai.*
Ticlopidine hydrochloride (p.1411·2).
Diabetic retinopathy; intermittent claudication; thromboembolism prophylaxis; unstable angina pectoris.

Tipkin *TP, Thai.*
Amikacin sulfate (p.200·3).
Gram-negative bacterial infections.

Tiplac
Note.This name is used for preparations of different composition.
Euro-Labor, Port.†; Grunenthal, Port.†.
Lysine aspirin (p.79·1).
Thrombosis prophylaxis.

Roemmers, Venez.
Haloperidol (p.1000·2) or haloperidol decanoate (p.1000·2).
Behaviour disorders; psychoses.

Tipo II *Gerolymatos, Gr.*
Glimepiride (p.441·1).
Diabetes mellitus.

Tipodex *Ern, Spain.*
Famotidine (p.1730·1).
Gastric hyperacidity; gastro-oesophageal reflux; peptic ulcer; Zollinger-Ellison syndrome.

Tipotaf *Vitamed, Israel.*
Sodium chloride (p.1686·1).
Eye wash; nasal congestion.

Tipuric *Clonmel, Irl.*
Allopurinol (p.552·2).
Gout; prophylaxis of uric acid and calcium oxalate stones.

Tiq'Aouta *Omega, Fr.*
Diethyltoluamide (p.2041·1); dimethyl phthalate (p.2041·3); enoxolone (p.50·1).
Insect repellent.

Tirabicin *Kleva, Gr.*
Roxithromycin (p.331·1).
Bacterial infections.

Tiracaspa *Hexal, Braz.†.*
Cetrimonium bromide (p.1635·1).
Seborrhoeic dermatitis.

Tiracrin *Geymonat, Ital.*
Levothyroxine sodium (p.2171·2).
Hypothyroidism.

Tiradine *British Dispensary, Thai.*
Loratadine (p.583·3).
Allergic rhinitis; allergic skin disorders.

Tiralcol *Sidepal, Braz.†.*
Homoeopathic preparation.

Tiratosse *DM, Braz.†.*
Guaifenesin (p.1561·3); oxomemazine (p.587·1); paracetamol (p.108·1); sodium benzoate (p.1630·2).
Coughs.

Tirdicef *Bernofarm, Indon.*
Cefotaxime (p.229·1).
Bacterial infections.

Tirfen *Megat, Venez.†.*
Terfenadine (p.590·3).
Hypersensitivity reactions.

Tirgon *McNeil, Ger.*
Bisacodyl (p.1710·1).
Constipation.

Tiriz *Lapi, Indon.*
Cetirizine hydrochloride (p.570·3).
Rhinitis; urticaria.

Tirizin *Lannacher, Austria.*
Cetirizine hydrochloride (p.570·3).
Hypersensitivity reactions.

Tirlor *Sandoz, Gr.; Sandoz, Malaysia; Sandoz, Singapore; Sandoz, Thai.; Sandoz, Venez.*
Loratadine (p.583·3).
Allergic rhinitis; allergic skin disorders; asthma; hypersensitivity reactions.

Tirmaclo *Mersifarma, Indon.*
Diclofenac sodium (p.44·3).
Gout; musculoskeletal and joint disorders.

Tirocal *Cryopharma, Mex.*
Calcitriol (p.1986·2).
Hypocalcaemia; hypoparathyroidism; osteoporosis; renal osteodystrophy; rickets.

Tirocular *Angelini, Ital.; Lepori, Port.*
Acetylcysteine (p.1548·2).
Corneal disorders; dry eyes.

Tirodril *Estedi, Spain.*
Thiamazole (p.2176·3).
Hyperthyroidism.

Tiroide Amsa *Amsa, Ital.*
Levothyroxine sodium (p.2171·2); liothyronine sodium (p.2174·1).
Hypothyroidism.

Tiroide Vister *Teofarma, Ital.*
Thyroglobulin (p.2177·1).
Hypothyroidism.

Tiroidin *Neo Quimica, Braz.*
Levothyroxine sodium (p.2171·2).

Tiroidine *Rudefsa, Mex.*
Levothyroxine sodium (p.2171·2).
Hypothyroidism.

Tiroler Steinol *Tiroler, Austria.*
Yellow soft paraffin (p.2031·3); yellow beeswax (p.2028·1); hydrous wool fat (p.2033·3); white soft paraffin (p.2031·2).
Skin disorders.

Tiromel *Abdi, Turk.*
Liothyronine sodium (p.2174·1).
Hypothyroidism.

Tiropa *Rotta, Port.*
Ticlopidine hydrochloride (p.1411·2).

Tirosint *Amsa, Ital.*
Levothyroxine sodium (p.2171·2).
Hypothyroidism.

Tirotax *Sandoz, Austria; Sandoz, Hung.; Sandoz, Mex.; Sandoz, Neth.; Sandoz, Pol.; Sandoz, Venez.*
Cefotaxime sodium (p.228·1).
Lidocaine (p.1862·3) may be included in the intramuscular injection to alleviate the pain of injection.
Bacterial infections.

Tirotrin *Globo, Braz.†.*
Neomycin (p.305·1); tyrothricin (p.358·2).
Mouth and throat disorders.

Tirovarina *Biol, Arg.*
⊗ Tibolone (p.2134·1).
Menopausal disorders.

Tirovel *Duncan, Arg.*
Piroxicam (p.117·3).
Inflammation; pain.

Tirozol 5/10 *Merck, Chile†.*
Thiamazole (p.2176·3).
Hyperthyroidism.

Tirs *Skills, Ital.*
Benzalkonium chloride (p.1629·1); hypromellose (p.2144·2).
Dry eyes; eye disinfection.

Tisacef *Metiska, Indon.*
Cefadroxil (p.218·1).
Bacterial infections.

Tisacid *ICN, Hung.*
Hydrotalcite (p.1733·3).
Gastritis; gastro-oesophageal reflux; gastrointestinal hyperacidity; heartburn; peptic ulcer.

Tisadyne *ICN, Cz.†.*
Magnesium aluminium subcarbonate hexahydrate.
Gastric hyperacidity; gastro-oesophageal reflux; peptic ulcer.

Tisamid *Orion, Cz.†; Orion, Fin.*
Pyrazinamide (p.320·2).
Tuberculosis.

Tisana Kelemata
Note.This name is used for preparations of different composition.
Kelemata, Ital.
Granules; tablets: Senna (p.1769·2).
Constipation.

Kelemata, Ital.
Tea; teabags: Senna (p.1769·2); couch-grass (p.2288·2); guaiacum; hyssop (p.2323·3); parietaria; peppermint leaf (p.1761·2); sarsaparilla (p.2383·3); aniseed (p.2258·2); melissa (p.2339·3).
Constipation.

Tisane antirhumatismale *Sidroga, Switz.*
Spearmint (p.2391·3); passion flower (p.2363·2); salix (p.121·3).
Rheumatism.

Tisane calmante pour les enfants *Sidroga, Switz.*
Valerian (p.2410·1); lupulus (p.2335·2); melissa (p.2339·3); orange flowers (p.2357·1); passion flower (p.2363·2).
Nervous excitement; sleep disorders.

Tisane contre les refroidissements *Sidroga, Switz.*
Rose fruit (p.2381·2); sambucus (p.2383·1); chamomile (p.2279·3); tilia (p.2402·2); wild thyme (p.2415·3).
Cold symptoms.

Tisane Diuretique *Sidroga, Switz.*
Birch leaf (p.2266·3); bean pods; urtica (p.2409·3); equisetum (p.2299·3).
Urinary-tract disorders.

Tisane favorisant l'allaitement *Sidroga, Switz.*
Aniseed (p.2258·2); fennel (p.2302·3); caraway (p.2276·3); melissa (p.2339·3).
Lactation stimulant.

Tisane hepatique et biliaire *Sidroga, Switz.*
Cynara (p.2291·2); boldo (p.2267·2); taraxacum (p.2395·1); milk thistle (p.1452·1); peppermint leaf (p.1761·2); achillea (p.2245·2).
Digestive system disorders.

Tisane Hepatique de Hoerdt *Iderne, Fr.*
Absinthium (p.2244·1); achillea (p.2245·2); agrimony (p.2249·2); boldo (p.2267·2); centaury (p.2279·1); couch-grass (p.2288·2); menyanthes (p.2340·3); sage (p.2382·3).
Liver and biliary-tract disorders.

Tisane laxative *Sidroga, Switz.*
Fennel (p.2302·3); senna (p.1769·2); star anise (p.2392·1); liquorice (p.1740·3).
Constipation.

Tisane laxative H nouvelle formulation *Hanseler, Switz.*
Senna (p.1769·2).
Constipation.

Tisane pectorale et antitussive *Sidroga, Switz.*
Sage (p.2382·3); althaea (p.2253·3); fennel (p.2302·3); iceland moss (p.2324·1); red-poppy petal (p.1472·3); plantain (p.2369·3); star anise (p.2392·1); liquorice (p.1740·3); thyme (p.2401·1).
Coughs; respiratory-tract congestion.

Tisane pectorale pour les enfants *Sidroga, Switz.*
Althaea (p.2253·3); cowslip flower (p.2372·2); plantain (p.2369·3); liquorice (p.1740·3); thyme (p.2401·1).
Cold symptoms.

Tisane pour le coeur et la circulation *Sidroga, Switz.*
Birch leaf (p.2266·3); motherwort (p.2347·3); spearmint (p.2391·3); melissa (p.2339·3); crataegus (p.2289·1).
Cardiac and circulatory disorders.

Tisane pour l'estomac *Sidroga, Switz.*
Calamus (p.2271·3); chamomile (p.2279·3); spearmint (p.2391·3); melissa (p.2339·3); achillea (p.2245·2); centaury (p.2279·1).
Digestive-system disorders.

Tisane pour nourissons et enfants *Sidroga, Switz.*
Fennel (p.2302·3); chamomile (p.2279·3); tilia (p.2402·2); melissa (p.2339·3); peppermint leaf (p.1761·2); vervain (p.2413·3).
Flatulence.

Tisane pour les problemes de prostate *Sidroga, Switz.*
Urtica (p.2409·3); peppermint leaf (p.1761·2); ginger (p.1732·3); clove (p.2284·3); cinnamon (p.2283·1).
Prostate disorders.

Tisane pour les reins et la vessie *Sidroga, Switz.*
Bearberry (p.2263·3); birch leaf (p.2266·3); Java tea (p.2328·2); lovage root (p.2335·1); peppermint leaf (p.1761·2); juniper (p.2328·2).
Urinary-tract disorders.

Tisane pour le sommeil et les nerfs *Sidroga, Switz.*
Valerian (p.2410·1); lupulus (p.2335·2); spearmint (p.2391·3); melissa (p.2339·3); orange flower (p.2357·1).
Nervous excitation; sleep disorders.

Tisane Provencale No 1 *Tisane Provencale, Switz.*
Senna (p.1769·2); althaea (p.2253·3).
Constipation.

Tisane relaxante N *Sidroga, Switz.†.*
Valerian (p.2410·1); lavender flower (p.2331·1); melissa (p.2339·3); passion flower (p.2363·2).
Nervous tension.

Tisasen
ICN, Cz.†.
Senna (p.1769·2).
Constipation.

Valeant, Hung.
Sennosides A and B (p.1769·3).
Bowel evacuation; constipation.

Tisept *Seton, Israel; Medlock Medical, UK.*
Cetrimide (p.1634·1); chlorhexidine gluconate (p.1635·3).
Disinfection of burns and wounds; skin disinfection.

Tisercin
Egis, Cz.
Levomepromazine hydrochloride (p.1002·3) or levomepromazine maleate (p.1003·1).
Anxiety; depression; hiccups; insomnia; pain; premedication; psychoses; vomiting.

EGIS, Hung.
Levomepromazine maleate (p.1003·1).
Psychoses.

Egis, Pol.; Egis, Rus.
Levomepromazine (p.1002·3).
Anxiety disorders; epilepsy; general anaesthesia; insomnia; mixed anxiety depressive states; obsessive-compulsive disorder; pain; psychoses.

Tisit *Pfeiffer, USA.*
Pyrethrins (p.2049·3); piperonyl butoxide (p.2049·1).
Pediculosis.

Tismafam *Metiska, Indon.*
Famotidine (p.1730·1).
Pathological hypersecretory disorders; peptic ulcer.

Tismalin *Metiska, Indon.*
⊗ Terbutaline sulfate (p.1138·3).
Obstructive airways disease.

Tismamisin *Metiska, Indon.*
Lincomycin hydrochloride (p.293·2).
Bacterial infections.

Tismazol *Metiska, Indon.*
Metronidazole (p.837·1).
Amoebiasis; anaerobic bacterial infections; giardiasis; trichomoniasis.

Tisobrif *Chiesi, Spain.*
Isoniazid (p.288·1); rifampicin (p.325·3).
Pyridoxine hydrochloride (p.1978·2) is included in this preparation for the prophylaxis of peripheral neuropathy.
Tuberculosis.

Tisogen *Bioprofarma, Arg.*
Topotecan hydrochloride (p.780·1).
Ovarian cancer; small-cell lung cancer.

Tison
Note.This name is used for preparations of different composition.
Landson, Indon.
⊗ Methylprednisolone (p.1538·1).
Oral corticosteroid.

Veropharm, Rus.
Thioridazine (p.1031·2).
Agitation; alcohol withdrawal syndrome; behaviour disorders; bipolar disorder; depression; pruritus; psychoses; tics.

Tisorek *Microsules Bernabo, Arg.†.*
Celecoxib (p.34·2).
Osteoarthritis; rheumatoid arthritis.

Tispol Ibu-DD *McNeil, Ger.*
Ibuprofen lysine (p.64·2).
Fever; pain.

Tisseel
Baxter, Canad.; Baxter, Hong Kong; Immuno, Israel; Baxter, UK.
1 Vial, fibrinogen (p.1070·1); fibronectin (p.2304·1); factor XIII (p.1069·2); plasminogen (p.1373·2); 1 vial, aprotinin (p.1055·1); 2 vials, thrombin (p.1080·1); 1 vial, calcium chloride (p.1675·2);
On mixing this forms a fibrin glue (p.1069·3).
Dural sealing; haemorrhage; wounds.

Adcock Ingram Critical Care, S.Afr.
Clottable protein (fibrinogen) (p.1080·1).
Haemostatic; wounds.

Tisseel Duo *Baxter, Austral.*
1 syringe, aprotinin (p.1055·1); fibrinogen (p.1070·1); fibronectin (p.2304·1); factor XIII (p.1069·2); 1 syringe, calcium chloride (p.1675·2); thrombin (p.1080·1);
On mixing this forms a fibrin glue (p.1069·3).
Adjunct in colostomy closure; haemostasis during surgery.

Tisseel Duo Quick
Baxter, Denm.
1 Vial, fibrinogen (p.1070·1); fibronectin (p.2304·1); aprotinin (p.1055·1); factor XIII (p.1069·2); plasminogen (p.1373·2); 1 vial, thrombin (p.1080·1); calcium chloride (p.1675·2);
On mixing this forms a fibrin glue (p.1069·3).
Haemorrhage; wounds.

Baxter, Fin.
⊗ 1 Vial, plasma protein (p.1076·2); fibrinogen (p.1070·1); fibronectin (p.2304·1); factor XIII (p.1069·2); plasminogen (p.1373·2); aprotinin (p.1055·1); 1 vial, thrombin (p.1080·1); calcium chloride (p.1675·2)
On mixing this forms a fibrin glue (p.1069·3).
Haemorrhage.

Baxter, Swed.
⊗ 1 Vial, fibrinogen (p.1070·1); fibronectin (p.2304·1); factor XIII (p.1069·2); plasminogen (p.1373·2); aprotinin (p.1055·1); albumin (p.1052·1); 1 vial, thrombin (p.1080·1); plasma protein (p.1076·2); calcium chloride (p.1675·2);
On mixing this forms a fibrin glue (p.1069·3).
Haemorrhage.

Tisseel VH *Eczacibasi-Baxter, Turk.*
Fibrinogen (p.1070·1); aprotinin (p.1055·1); thrombin (p.1080·1); calcium chloride (p.1675·2).
Haemorrhage.

Tissucol
Baxter Immuno, Arg.
Fibrinogen (p.1070·1); factor XIII (p.1069·2); aprotinin (p.1055·1); thrombin (p.1080·1); calcium chloride (p.1675·2)
On mixing this forms a fibrin glue (p.1069·3).

Baxter, Austria; Baxter, Cz.; Baxter, Fr.; Baxter, Mex.†.
1 Ampoule, fibrinogen (p.1070·1); fibronectin (p.2304·1); factor XIII (p.1069·2); plasminogen (p.1373·2); 1 ampoule, aprotinin (p.1055·1); 2 ampoules, thrombin (p.1080·1); 1 ampoule, calcium chloride (p.1675·2);
On mixing this forms a fibrin glue (p.1069·3).
Haemorrhage; wounds.

Immuno, Braz.†.
1 Ampoule, fibrinogen (p.1070·1); 1 ampoule, aprotinin (p.1055·1); 2 ampoules, thrombin (p.1080·1); 1 ampoule, calcium chloride (p.1675·2)
On mixing this forms a fibrin glue (p.1069·3).
Haemorrhage.

Baxter, Ital.
⊗ Plasma protein fraction (p.1076·2); aprotinin (p.1055·1); thrombin (p.1080·1); calcium chloride (p.1675·2);
On mixing this forms a fibrin glue (p.1069·3).
Haemorrhage.

Baxter, Neth.
1 Vial, aprotinin (p.1055·1); 2 vials, calcium chloride (p.1675·2); thrombin (p.1080·1); 1 vial, fibrinogen (p.1070·1); factor XIII (p.1069·2); fibronectin (p.2304·1); 1 vial, calcium chloride;
On mixing this forms a fibrin glue (p.1069·3).
Haemorrhage.

Baxter, Switz.
1 Vial, fibrinogen (p.1070·1); fibronectin (p.2304·1); factor XIII (p.1069·2); plasminogen (p.1373·2); 1 vial, aprotinin (p.1055·1); 2 vials, thrombin (p.1080·1); 1 vial, calcium chloride (p.1675·2);
On mixing this forms a fibrin glue (p.1069·3).
Haemorrhage; wounds.

Tissucol Duo
Baxter, Belg.
1 Syringe, aprotinin (p.1055·1); factor XIII (p.1069·2); fibrinogen (p.1070·1); fibronectin (p.2304·1); plasminogen (p.1373·2); 1 syringe, calcium chloride (p.1675·2); thrombin (p.1080·1);
On mixing this forms a fibrin glue (p.1069·3).
Haemorrhage.

Baxter, Neth.
1 Vial, aprotinin (p.1055·1); fibrinogen (p.1070·1); factor XIII (p.1069·2); fibronectin (p.2304·1); 1 vial, calcium chloride (p.1675·2); thrombin (p.1080·1);
On mixing this forms a fibrin glue (p.1069·3).
Haemorrhage.

Baxter, Port.
1 Vial, aprotinin (p.1055·1); factor XIII (p.1069·2); fibrinogen (p.1070·1); 1 vial, calcium chloride (p.1675·2); thrombin (p.1080·1);
On mixing this forms a fibrin glue (p.1069·3).
Haemorrhage.

Baxter, Spain.
1 Vial, fibrinogen (p.1070·1); fibronectin (p.2304·1); factor XIII (p.1069·2); plasminogen (p.1373·2); aprotinin (p.1055·1); 1 vial, thrombin (p.1080·1); calcium chloride (p.1675·2);
On mixing this forms a fibrin glue (p.1069·3).
Haemorrhage.

Tissucol Duo Quick *Baxter Immuno, Arg.†; Baxter, Austria.*
1 Syringe, coagulable protein; fibrinogen (p.1070·1); fibronectin (p.2304·1); factor XIII (p.1069·2); plasminogen (p.1373·2); aprotinin (p.1055·1); 1 syringe, thrombin (p.1080·1); calcium chloride (p.1675·2)
On mixing this forms a fibrin glue (p.1069·3).
Wounds.

Tissucol Duo S *Baxter BioScience, Ger.; Baxter, Switz.*
⊗ 1 ampoule: plasma protein fraction (p.1076·2); fibrinogen (p.1070·1); fibronectin (p.2304·1); factor XIII (p.1069·2); plasminogen (p.1373·2); aprotinin (p.1055·1); 1 ampoule: thrombin (p.1080·1); calcium chloride (p.1675·2);
On mixing this forms a fibrin glue (p.1069·3).
Haemorrhage; wounds.

Tissucol-Kit *Baxter BioScience, Ger.; Baxter, Hung.*
⊗ 1 Ampoule: plasma protein fraction (p.1076·2); fibrinogen (p.1070·1); fibronectin (p.2304·1); factor XIII (p.1069·2); plasminogen (p.1373·2); 1 ampoule: aprotinin (p.1055·1); 2 ampoules: thrombin (p.1080·1); 1 ampoule: calcium chloride (p.1675·2)
On mixing this forms a fibrin glue (p.1069·3).
Haemorrhage; wounds.

TissuCone *Baxter BioScience, Ger.*
Collagen (p.2286·1).
Haemorrhage.

TissuFleece *Baxter BioScience, Ger.*
Collagen (p.2286·1).
Haemorrhage.

TissuFoil *Baxter BioScience, Ger.*
Collagen (p.2286·1).
Haemorrhage.

Tissulest *Liferpal, Mex.*
Pravastatin sodium (p.1374·3).
Atherosclerosis; cardiovascular risk reduction; cerebrovascular risk reduction; hypercholesterolaemia.

Tisuderma *Cinfa, Spain.*
⊗ Hydrocortisone acetate (p.1535·2); neomycin sulfate (p.305·1).
Skin infections with inflammation.

Tis-U-Sol *Baxter, USA.*
Electrolytes (p.1667·1).
Irrigation solution.

Titan *Barnes Hind, Arg.; Pilkington Barnes-Hind, USA.*
Cleansing solution for hard contact lenses (p.1622·2).

Titanoral *McNeil, Fr.*
Diosmin (p.2304·2).
Capillary fragility; haemorrhoids; venous insufficiency.

Titanorein *McNeil, Spain.*
Carrageenan (p.2142·3); titanium dioxide (p.1617·3); lidocaine (p.1862·3).
Haemorrhoids.

Titanoreine
Note.This name is used for preparations of different composition.
McNeil, Fr.
Carrageenan (p.2142·3); titanium dioxide (p.1617·3); zinc oxide (p.1621·2).
Anorectal disorders.

Martin, Cz.†.
Cream: Carrageenan (p.2142·3); titanium dioxide (p.1617·3); zinc oxide (p.1621·2); lidocaine (p.1862·3).
Anorectal disorders.

Martin, Switz.†.
Ointment: Carrageenan (p.2142·3); titanium dioxide (p.1617·3); zinc oxide (p.1621·2); lidocaine (p.1862·3).
Anorectal disorders.

Martin, Cz.†; Martin, Switz.†.
Suppositories: Carrageenan (p.2142·3); titanium dioxide (p.1617·3); zinc oxide (p.1621·2).
Anorectal disorders.

Titanoreine Lidocaine *McNeil, Fr.*
Carrageenan (p.2142·3); titanium dioxide (p.1617·3); zinc oxide (p.1621·2); lidocaine (p.1862·3).
Anorectal disorders.

Titanox *Demo, Gr.; Demo, Thai.†.*
Promethazine hydrochloride (p.588·2).
Hypersensitivity reactions; sedative.

Titenil *Geolab, Braz.†.*
Tenoxicam (p.128·2).
Gout; musculoskeletal, joint, and peri-articular disorders; pain.

Titralac *Benitol, Arg.†; 3M, Austral.; Cana, Gr.; 3M, Hong Kong; 3M, NZ; Nycomed, Norw.; 3M, S.Afr.; 3M, UK†; Zuoz, Venez.*
Calcium carbonate (p.1714·1); with or without glycine.
Antacid; calcium supplement; dyspepsia; gastric hyperacidity; gastritis; heartburn; hyperphosphataemia; peptic ulcer.

Titralac Extra Strength *3M, USA.*
Calcium carbonate (p.1714·1).
Hyperacidity.

Titralac Plus *3M, USA.*
Calcium carbonate (p.1714·1); simeticone (p.1770·2).
Hyperacidity.

Titralac-Sil *3M, Austral.†; 3M, Malaysia†; 3M, NZ†; 3M, Singapore†.*
Calcium carbonate (p.1714·1); simeticone (p.1770·2); glycine.
Dyspepsia; flatulence; gastric hyperacidity; gastritis; heartburn; peptic ulcer.

Titralgan *Berlin-Chemie, Ger.*
Aspirin (p.20·3); paracetamol (p.108·1); caffeine (p.1116·3).
Formerly contained phenazone, paracetamol, and caffeine.
Pain.

Ti-Tre *Teofarma, Ital.*
Liothyronine sodium (p.2174·1).
Hypothyroidism.

Titretta S *Berlin-Chemie, Ger.*
Propyphenazone (p.119·3); codeine phosphate (p.37·2).
Pain.

Titretta Schmerz *Berlin-Chemie, Ger.*
Paracetamol (p.108·1); codeine phosphate (p.37·2).
Pain.

Titus *Help, Gr.*
Lorazepam (p.1004·1).
Anxiety disorders; insomnia; status epilepticus.

Tivarun *Rafarm, Gr.*
Alendronate sodium (p.1088·1).
Osteoporosis.

Tivilac *Fahrenheit, Indon.*
Vitamin and mineral preparation (p.1922·1).
Nutritional supplement for pregnant and lactating women.

Tivirlon *Coup, Gr.*
Lisinopril (p.1325·2).
Hypertension.

Tivision *Bell, India.*
Lidocaine hydrochloride (p.1862·3).
Eye-strain.

Tivitis *Llorens, Spain.*
⊗ Gramicidin (p.286·1); methylthioninium chloride (p.1450·3); neomycin sulfate (p.305·1); polymyxin B sulfate (p.317·3); tetryzoline hydrochloride (p.1574·1).
Bacterial eye infections.

Tivomit *Berlico Mulia, Indon.*
Metoclopramide hydrochloride (p.1747·3).
Nausea and vomiting.

Tixair *Madaus, Fr.*
Acetylcysteine (p.1548·2).
Respiratory-tract congestion.

Tixobar *Justesa Imagen, Arg.; AstraZeneca, Austral.†.*
Barium sulfate (p.1477·2).
Radiography of gastrointestinal tract.

Tixycolds *Novartis Consumer, UK.*
Diphenhydramine hydrochloride (p.577·2); pseudoephedrine hydrochloride (p.1571·2).
Cold and influenza symptoms.

Tixycolds Cold and Allergy *Novartis Consumer, UK.*
⊗ Xylometazoline hydrochloride (p.1575·1).
Nasal congestion; rhinitis; sinusitis.

Tixylix
Note.This name is used for preparations of different composition.
Nicholas Piramal, India.
Promethazine hydrochloride (p.588·2); pholcodine citrate (p.1570·3); phenylpropanolamine hydrochloride (p.1569·3).
Cough.

Aventis, Malaysia†; Aventis, NZ.
Promethazine hydrochloride (p.588·2); pholcodine citrate (p.1570·3).
Coughs.

Pharmacare, S.Afr.
Promethazine hydrochloride (p.588·2); pholcodine (p.1570·2).
Coughs and cold symptoms.

Tixylix Baby Syrup *Novartis Consumer, UK.*
Glycerol (p.2314·2).
Coughs.

Tixylix Chest Rub *Aspen, Austral.†; Aventis, NZ.*
Cineole (p.2282·3); terpineol (p.2396·1); pine oil (p.2368·2); rosemary oil (p.2381·3); thyme oil (p.2401·2).
Nasal congestion.

Tixylix Chesty Cough *Novartis Consumer, Irl.; Novartis Consumer, UK.*
Guaifenesin (p.1561·3).
Coughs.

Tixylix Cough & Cold *Novartis Consumer, UK.*
Pseudoephedrine hydrochloride (p.1571·2); chlorphenamine maleate (p.571·3); pholcodine (p.1570·2).
Coughs and cold symptoms.

Tixylix Daytime *Novartis Consumer, UK.*
Pholcodine (p.1570·2).
Coughs.

Tixylix Daytime Childrens Decongestant *Aspen, Austral.*
Pseudoephedrine hydrochloride (p.1571·2); guaifenesin (p.1561·3).
Upper respiratory-tract congestion.

Tixylix Flu *Aspen Consumer, S.Afr.*
Triprolidine hydrochloride (p.592·3); pseudoephedrine hydrochloride (p.1571·2).
Nasal congestion.

Tixylix Nightime *Aspen, Austral.*
Promethazine hydrochloride (p.588·2); pholcodine (p.1570·2).
Cough.

Tixylix Night-Time *Novartis Consumer, UK.*
Promethazine hydrochloride (p.588·2); pholcodine (p.1570·2).
Coughs.

Tixyplus *Novartis Consumer, UK.*
Paracetamol (p.108·1); diphenhydramine hydrochloride (p.577·2).
Cold and influenza symptoms.

Tizan *Sun, Thai.*
Tizanidine hydrochloride (p.1898·2).
Skeletal muscle spasm; spasticity.

Tizine *Hua, Thai.*
Cetirizine hydrochloride (p.570·3).
Allergic conjunctivitis; allergic rhinitis; urticaria.

Tizonil M *Biofarma, Braz.†.*
Tinidazole (p.848·3); miconazole nitrate (p.541·3).
Vaginal infections.

Tizorol *Rudefsa, Mex.*
Thiamazole (p.2176·3).
Hyperthyroidism.

Tizos *Dexa, Indon.*
Ceftizoxime (p.236·3).
Bacterial infections.

Tizoxim *Richmond, Arg.†.*
Cefotaxime (p.229·1).
Bacterial infections.

TJ-15 Tsumura Oren-Gedoku-To *Tsumura, Cz.†.*
Scutellaria; hoelen; gardenia; phellodendron.
Cardiovascular disorders; respiratory-tract and gastrointestinal haemorrhage.

TJ-96 Tsumura Saiboku-To *Tsumura, Cz.†.*
Bupleuri; pinellia; hoelen; scutellaria; magnolia; suanzaorentang; ginseng; liquorice; perilla; ginger.
Anxiety; asthma; bronchitis; hypersensitivity reactions.

TJ-23 Tsumura Toki-Shakuyaku-San *Tsumura, Cz.†.*
Paeonia; atractylodis lanceae; alismatis; hoelen; cnidium; angelica.
Female infertility; menopausal disorders; menstrual disorders; oedema and haemorrhoids in pregnancy.

TKC *Royal, Chile.*
Ketoconazole (p.539·1).
Scalp disorders.

T-long *AWD, Ger.*
Tramadol hydrochloride (p.130·3).
Pain.

TMG Folic *Douglas, NZ†.*
Betaine; folic acid; vitamin B (p.1922·1).
Nutritional supplement.

Tmide *Cadila, India.*
Tropicamide (p.1886·2).

T-Minic *Novartis, India.*
Phenylephrine hydrochloride (p.1568·1); chlorphenamine maleate (p.571·3).
Cold symptoms; upper respiratory-tract congestion.

T-Minic Plus *Novartis, India.*
Phenylephrine hydrochloride (p.1568·1); paracetamol (p.108·1); chlorphenamine maleate (p.571·3).
Cold symptoms; upper respiratory-tract congestion.

TMP *Ratiopharm, Ger.†; Pacific, NZ.*
Trimethoprim (p.355·2).
Bacterial infections of the urinary tract.

TMS *TAD, Ger.*
Co-trimoxazole (p.258·1).
Bacterial infections.

T3Mycin *Hoe, Malaysia; Hoe, Singapore.*
Clindamycin phosphate (p.251·2).
Acne.

TNKase *Roche, Canad.; Genentech, USA.*
Tenecteplase (p.1410·1).
Myocardial infarction.

TO Gel *TO-Chemicals, Thai.*
Aluminium hydroxide (p.1706·2); magnesium hydroxide (p.1743·2); simeticone (p.1770·2).
Gastric hyperacidity; heartburn; peptic ulcer.

Toa *Wyeth Consumer, Mex.*
Dextromethorphan hydrobromide (p.1555·2); pseudoephedrine hydrochloride (p.1571·2).
Coughs; nasal congestion.

Tobacin *Aristo, India.*
Tobramycin (p.354·1).
Bacterial eye infections.

Tobacoff *Colfarm, Pol.*
Anise oil (p.2258·2); peppermint oil (p.1761·2); guarana (p.2416·1); tormentil (p.2403·2).
Aid to smoking withdrawal.

Tobazon *Bell, India.*
Tobramycin (p.354·1).
Bacterial eye infections.

Tobazon DM *Bell, India.*
⊗ Tobramycin sulfate (p.354·2); dexamethasone sodium phosphate (p.1526·2).
Inflammation and infection following cataract surgery.

Tobe *Laboratorios Chile, Chile.*
⊗ Tibolone (p.2134·1).
Menopausal disorders; osteoporosis.

Tobedoce *Jofrain, Mex.*
Vitamin B substances (p.1922·1).

Tobel *Nobel, Turk.*
Tobramycin (p.354·1).
Bacterial infections.

Tobi
Teva Tuteur, Arg.; MSD, Austral.; Croma, Austria; Solvay, Belg.; Novartis, Cz.; Chiron, Denm.; Orphan, Fin.; Chiron, Fr.; Chiron, Ger.; Novartis, Gr.; Novartis, Hung.; Novartis, Irl.; Chiron, Israel; Dompe, Ital.; Baxter, NZ†; Novartis, Neth.; Chiron, Norw.; Novartis, Port.; Chiron, Spain; Swedish Orphan, Swed.; Vifor, Switz.; Novartis, UK; Pathogenesis, USA.
Tobramycin (p.354·1).
Pseudomonal infections in cystic fibrosis.

Chiron, Canad.; Chiron, Pol.
Tobramycin sulfate (p.354·2).
Pseudomonal infections in cystic fibrosis.

Tobicor *Medika, Switz.*
Lisinopril (p.1325·2).
Diabetic nephropathy; heart failure; hypertension; myocardial infarction.

Tobicor Plus *Medika, Switz.*
⊗ Lisinopril (p.1325·2); hydrochlorothiazide (p.1307·3).
Hypertension.

Tobin *Medika, Switz.*
Cetirizine hydrochloride (p.570·3).
Allergic conjunctivitis; allergic rhinitis; urticaria.

Tobitil *Ranbaxy, India; Ranbaxy, S.Afr.†.*
Tenoxicam (p.128·2).
Dysmenorrhoea; gout; musculoskeletal, joint, peri-articular, and soft-tissue disorders.

Tobolacer *Lacer, Spain.*
⊗ Deflazacort (p.1524·3).
Corticosteroid.

Tobra *Lilly, Mex.†.*
Tobramycin sulfate (p.354·2).
Bacterial infections.

Tobra Gobens *Normon, Spain.*
Tobramycin sulfate (p.354·2).
Bacterial infections.

Tobrabact *Novartis, Ital.; Medicom, Neth.; Novartis, Spain.*
Tobramycin (p.354·1).
Bacterial eye infections.

Tobrabiotic *Denver, Arg.*
Tobramycin (p.354·1).
Bacterial eye infections.

Tobrabiotic D *Denver, Arg.*
⊗ Tobramycin (p.354·1); dexamethasone (p.1526·1).
Bacterial eye infections with inflammation.

Tobra-cell *Cell Pharm, Ger.*
Tobramycin sulfate (p.354·2).
Bacterial infections.

Tobracin *Latinofarma, Braz.*
Tobramycin (p.354·1).
Bacterial eye infections.

Tobracin D *Latinofarma, Braz.*
⊗ Tobramycin (p.354·1); dexamethasone (p.1526·1).
Infected eye disorders.

Tobracort *Tetrafarm, Arg.; Genom, Braz.; Antibioticos, Mex.; Vivax Optipharm, Venez.*
⊗ Tobramycin (p.354·1); dexamethasone (p.1526·1).
Infected eye disorders.

Tobradex *Alcon, Arg.; Alcon, Austria; Alcon, Belg.; Alcon, Braz.; Alcon, Canad.; Alcon, Chile; Alcon, Cz.; Alcon, Fr.; Alcon, Gr.; Alcon, Hong Kong; Alcon, Hung.; Alcon, Indon.; Alcon, Ital.; Alcon, Malaysia; Alcon, Mex.; Alcon, NZ; Alcon, Neth.; Alcon, Philipp.; Alcon, Pol.; Alcon, Rus.; Alcon, S.Afr.; Alcon, Singapore; Alcon Cusi, Spain; Gervasi, Spain; Alcon, Switz.; Alcon, Thai.; Alcon, UK; Alcon, USA; Alcon, Venez.*
⊗ Tobramycin (p.354·1); dexamethasone (p.1526·1).
Ear disorders; infected eye disorders.

Tobradiclo *Pharmadorf, Arg.*
Tobramycin (p.354·1); diclofenac sodium (p.44·3).
Eye inflammation and infection following cataract surgery.

Tobradistin *Dista, Spain†.*
Tobramycin sulfate (p.354·2).
Bacterial infections.

Tobradosa *Dosa, Arg.*
Tobramycin (p.354·1).
Bacterial infections.

Tobrafen *Zwitter, Gr.; Alcon, Switz.*
Diclofenac sodium (p.44·3); tobramycin (p.354·1).
Inflammatory eye disorders with infection; postoperative eye inflammation.

Tobragan *Allergan, Arg.; Allergan, Braz.; Allergan, Chile.*
Tobramycin (p.354·1).
Bacterial infections.

Tobragan D *Allergan, Arg.; Allergan, Chile; Allergan, Venez.*
⊗ Tobramycin (p.354·1); dexamethasone (p.1526·1).
Infected eye disorders.

Tobra-Gobens *Normon, Port.*
Tobramycin sulfate (p.354·2).
Bacterial infections.

Tobral *Alcon, Ital.*
Tobramycin (p.354·1).
Bacterial infections of the eye and external ear.

Tobralex *Alcon, Irl.†.*
Tobramycin (p.354·1).
Bacterial eye infections.

Tobra-M *Bausch & Lomb, Braz.†.*
Tobramycin (p.354·1).
Bacterial infections.

Tobramaxin *Alcon, Ger.*
Tobramycin (p.354·1).
Bacterial eye infections.

Tobramina *Lilly, Braz.*
Tobramycin sulfate (p.354·2).
Bacterial infections.

Tobranax *Vivax Optipharm, Venez.*
Tobramycin (p.354·1).
Bacterial eye infections.

Tobraneg *Elder, India.*
Tobramycin sulfate (p.354·2).
Bacterial infections.

Tobranet *Tetrafarm, Arg.*
Tobramycin (p.354·1).
Bacterial eye infections.

Tobranom *Genom, Braz.*
Tobramycin (p.354·1).
Bacterial eye infections.

Tobrased *Bilim, Turk.*
Tobramycin (p.354·1).
Bacterial eye infections.

Tobrasix *Lilly, Austria.*
Tobramycin sulfate (p.354·2).
Bacterial infections.

Tobrasol *Ocusoft, USA; Oftalmi, Venez.*
Tobramycin (p.354·1).
Bacterial eye infections.

Tobrasone *Cadila, Rus.*
⊗ Tobramycin sulfate (p.354·2); dexamethasone sodium phosphate (p.1526·2).
Infected inflammatory eye disorders.

Tobrastill *Bruschettini, Ital.*
Tobramycin (p.354·1).
Bacterial eye infections.

Tobratlas *Atlas, Arg.*
Diclofenac sodium (p.44·3); tobramycin (p.354·1).
Eye inflammation and infection following cataract surgery.

Tobrex *Alcon, Arg.; Alcon, Austral.; Alcon, Austria; Alcon, Belg.; Alcon, Braz.; Alcon, Canad.; Alcon, Chile; Alcon, Cz.; Alcon, Denm.; Alcon, Fin.; Alcon, Fr.; Alcon, Gr.; Alcon, Hong Kong; Alcon, Hung.; Alcon, Indon.; Alcon, Israel; Alcon, Malaysia; Alcon, Mex.; Pacific, NZ; Alcon, Neth.; Alcon, Norw.; Alcon, Philipp.; Alcon, Pol.; Alcon, Port.; Alcon, Rus.; Alcon, S.Afr.; Alcon, Singapore; Alcon Cusi, Spain; Alcon, Swed.; Alcon, Switz.; Alcon, Thai.; Alcon, Turk.; Alcon, USA; Alcon, Venez.*
Tobramycin (p.354·1).
Bacterial eye infections.

Tobrexan *Alcon, Port.; Alcon Cusi, Spain.*
Tobramycin (p.354·1).
Bacterial eye infections.

Tobridavi *Davi, Port.*
Tobramycin (p.354·1).
Bacterial eye infections.

Tobrin
Note. This name is used for preparations of different composition.
Laboratorios Chile, Chile.
Tobramycin (p.354·1).
Bacterial eye infections.

Solfran, Mex.
Ambroxol (p.1550·3).
Respiratory-tract congestion.

Tobrin-D *Laboratorios Chile, Chile.*
⊗ Tobramycin (p.354·1); dexamethasone (p.1526·1).
Bacterial eye infections with inflammation.

Tobrosopt *Polfa Warszawa, Pol.*
Tobramycin (p.354·1).
Bacterial eye infections.

Tobryne *Fahrenheit, Indon.*
Tobramycin sulfate (p.354·2).
Bacterial infections.

Tobsin *Ulagay, Turk.*
Tobramycin (p.354·1).
Bacterial eye infections.

Tobutol *General Drugs, Thai.*
Ethambutol hydrochloride (p.274·1).
Tuberculosis.

Tocalfa *Marvecs, Ital.*
dl-Alpha tocoferil acetate (p.1992·3); vitamin A (p.1971·2).
Vitamin A and E deficiency.

Tocalm *Prater, Chile.*
Ambroxol (p.1550·3).
Respiratory-tract congestion.

Tocasol *Mediderm, Chile.*
Imiquimod (p.881·3).
Anogenital warts.

Tocef *Bernofarm, Indon.*
Cefixime (p.224·3).
Bacterial infections.

Toclapekt *UCB, Fin.†.*
Carbocisteine (p.1553·2).
Respiratory-tract congestion.

Toclase
UCB, Denm.†; UCB, Fin.; UCB, Norw.; UCB, Swed.; UCB, Thai.
Pentoxyverine citrate (p.1567·3) or pentoxyverine hydrochloride (p.1567·3).
Coughs.

UCB, Hong Kong; UCB, Turk.
Pentoxyverine hydrochloride (p.1567·3).
Coughs.

UCB, Philipp.
Pentoxyverine citrate (p.1567·3).
Cough.

Toclase Expectorant
Note. This name is used for preparations of different composition.
UCB, Fin.
Pentoxyverine citrate (p.1567·3); terpin hydrate (p.1573·3).
Coughs.

UCB, Fr.†.
Carbocisteine (p.1553·2).
Respiratory-tract disorders.

Toclase Toux Seche *UCB, Fr.*
Pentoxyverine citrate (p.1567·3).
Coughs.

Tocline *Rontag, Arg.*
⊗ Tibolone (p.2134·1).
Menopausal disorders; osteoporosis.

Toco *Pharma 2000, Fr.*
Alpha tocoferil acetate (p.1992·3).
Vitamin E deficiency.

Tocobion *Medikon, Indon.*
Thiamine disulfide (p.1976·3); vitamin B (p.1979·1); vitamin B (p.1980·2); vitamin E (p.1992·2).
Digestive disorders; nausea and vomiting of pregnancy; nervous system disorders; neurasthenia; reduced appetite.

Tocoderm *Tocogino, Mex.*
Tretinoin (p.1618·1).
Hyperkeratosis.

Tocodrine *Medichemie, Switz.†.*
⊗ Buphenine hydrochloride (p.2270·2).
Inhibition of uterine contraction.

Toco-E *CCM, Malaysia.*
d-Tocotrienols (p.1992·2).
Nutritional supplement.

Tocolion *Sciencex, Fr.*
Alpha tocoferil acetate (p.1992·3).
Vitamin E deficiency.

Tocomizol *Tocogino, Mex.†.*
Ketoconazole (p.539·1).
Fungal infections.

Toconal *Cryopharma, Mex.*
Ketoconazole (p.539·1).
Fungal infections.

Tocopa *Arkopharma, Fr.*
Alpha tocoferil acetate (p.1992·3).
Vitamin E deficiency.

Tocopherine *Soho, Indon.*
Vitamin E (p.1992·2).
Fatigue; muscular dystrophy; recurrent miscarriage; vitamin E deficiency.

Tocorectal *Spedrog, Arg.*
⊗ Hydrocortisone acetate (p.1535·2); pramocaine hydrochloride (p.1868·1).
Anorectal disorders.

Tocorell *Sanorell, Ger.*
d-Alpha tocopherol (p.1992·2).
Vitamin E deficiency.

Tocovenos *Fresenius Kabi, Austria.*
dl-Alpha tocoferil acetate (p.1992·3).
Vitamin E deficiency.

Tocovid
Note. This name is used for preparations of different composition.
Hovid, Hong Kong; Hovid, Singapore.
Vitamin E; squalene; phytosterol complex; phyto-carotenoid complex (p.1922·1).
Vitamin E supplement.

Hovid, Malaysia.
Mixed tocotrienols (p.1992·2).
Dietary supplement.

Tocovid Emulsion Plus *Hovid, Malaysia.*
Evening primrose oil; carotenoids; omega-3 marine triglycerides; mixed tocotrienols (p.1922·1).
Dietary supplement.

Tocovid Suprabio *Hovid, Malaysia; Hovid, Philipp.*
Vitamin E; squalene; phytosterol complex; phytocarotenoid complex (p.1922·1).
Dietary supplement.

Tocovital *Steigerwald, Ger.*
d-Alpha tocopherol (p.1992·2).
Vitamin E deficiency.

Tocrat *Sanofi Synthelabo, Arg.†.*
Nitrendipine (p.1358·2).
Hypertension.

Today *Allendale, Canad.; Allendale, USA.*
Nonoxinol 9 (p.1917·2).
Contraceptive.

Today Ovulation Test *Omega, Irl.*
Fertility test (p.2372·1).

Todenac *Oftalmi, Venez.*
Tobramycin sulfate (p.354·2); diclofenac sodium (p.44·3).
Infected eye disorders.

Todex *Oftalmi, Venez.*
⊗ Tobramycin (p.354·1); dexamethasone (p.1526·1).
Infected eye disorders.

Todexin *Tomnus, Braz.†.*
Cefalexin (p.218·2).
Bacterial infections.

Todexona *SMB, Chile.*
⊗ Tobramycin (p.354·1); dexamethasone (p.1526·1).
Bacterial eye infections with inflammation.

Todolac *Norpharma, Denm.*
Etodolac (p.52·2).
Gout; inflammation; musculoskeletal and joint disorders.

Toepedo *Dendron, UK.*
Benzoic acid (p.1630·2); salicylic acid (p.1612·2).
Fungal skin infections.

Tofago *TO-Chemicals, Thai.*
Ergotamine tartrate (p.620·1); caffeine (p.1116·3).
Migraine and other vascular headache.

Tofen
Note. This name is used for preparations of different composition.
Beximco, Singapore†.
Ketotifen (p.582·2).
Asthma; hypersensitivity reactions.

Utopian, Thai.
Ibuprofen (p.64·2).
Inflammation; musculoskeletal and joint disorders; pain.

Toff MD *Panacea, India.*
Dextromethorphan hydrobromide (p.1555·2); phenylephrine hydrochloride (p.1568·1); chlorphenamine maleate (p.571·3).
Cold symptoms; coughs; sinus congestion.

Toflam *Lafedar, Arg.*
⊗ Tobramycin (p.354·1); betamethasone (p.1518·2); tetryzoline (p.1574·1).
Eye disorders.

Toflamixina *Novartis Ophthalmics, Arg.; Novartis Ophthalmics, Braz.†.*
Tobramycin (p.354·1).
Bacterial eye infections.

Toflamixina Plus *Novartis Ophthalmics, Arg.*
⊗ Tobramycin (p.354·1); dexamethasone (p.1526·1).
Infected eye disorders.

Toflex *TO-Chemicals, Thai.*
Cefalexin (p.218·2).
Bacterial infections.

Tofranil
Novartis, Arg.; Novartis, Austral.; Novartis, Austria; Novartis, Belg.; Novartis, Canad.; Novartis, Fr.; Dolorgiet, Ger.; Novartis, Hong Kong†; No-

vartis, Indon.; Novartis, Irl.; Novartis, Israel; Novartis, Ital.; Novartis, NZ; Novartis, Philipp.; Novartis, Port.; Novartis, S.Afr.; Novartis, Swed.†; Novartis, Switz.; Novartis, Turk.; Novartis, Venez.
Imipramine hydrochloride (p.400·3).
Chronic pain syndromes; depression; night terrors; nocturnal enuresis; pain; panic disorder.

Novartis, Braz.; Novartis, Mex.; Novartis, Spain; Novartis, USA.
Imipramine embonate (p.400·3) or imipramine hydrochloride (p.400·3).
Anxiety disorders; chronic pain syndrome; depression; nocturnal enuresis; pain; panic attacks; parasomnias; sleep disorders.

Novartis, UK†.
Imipramine (p.400·2) or imipramine hydrochloride (p.400·3).
Depression; nocturnal enuresis.

Tofupill *Se-cure, Singapore†.*
Tofu; linseed (p.2333·3).
Also known as Femarelle.
Menopausal disorders.

Togal
Note.This name is used for preparations of different composition.
Togal, Ger.
Paracetamol (p.108·1).
Fever; pain.

Togal, Neth.
Aspirin (p.20·3).
Fever; pain.

Togal Akut Ibuprofen *Togal, Ger.*
Ibuprofen (p.64·2).
Fever; pain.

Togal ASS *Togal, Ger.; Togal, Switz.*
Aspirin (p.20·3).
Fever; inflammation; pain.

Togal Classic *Togal, Ger.*
Aspirin (p.20·3); lithium citrate (p.401·3); quinine dihydrochloride (p.612·3).
Fever; inflammation; pain.

Togal Kopfschmerzbrause + Vitamin C *Togal, Ger.*
Aspirin (p.20·3); ascorbic acid (p.1983·3); caffeine (p.1116·3).
Pain.

Togal Mobil-Gel *Togal, Ger.†.*
Glycol salicylate (p.62·3); benzyl nicotinate (p.28·1).
Musculoskeletal and soft-tissue disorders.

Togal Mobil-Gel mit ketoprofen *Togal, Ger.*
Ketoprofen (p.73·1).
Peri-articular and soft-tissue disorders.

Togal Mono *Sanova, Austria.*
Aspirin (p.20·3).
Fever; pain.

Togamycin *Pharmacia, Arg.†; Pharmacia, Israel†.*
Spectinomycin hydrochloride (p.332·3).
Chancroid; gonorrhoea.

Togasan *Togal, Ger.*
d-Alpha tocopherol (p.1992·2).

Togine *Utopian, Thai.*
Codergocrine mesilate (p.363·3).
Cerebral and peripheral vascular disorders.

Togrel *Ivax, Arg.*
Levomepromazine maleate (p.1003·1).
Anxiety; psychoses.

Togrisol *Solfran, Mex.*
Aspirin (p.20·3); caffeine (p.1116·3).
Cold symptoms.

Toilax *Orion, Denm.; Orion, Fin.; Orion, Irl.; Sandoz, Neth.; Orion, Norw.; Orion, Swed.*
Bisacodyl (p.1710·1).
Bowel evacuation; constipation.

Tointex *GSK, Pol.*
Allantoin (p.1588·1); heparin sodium (p.1301·2).
Hyperkeratosis; keloids.

Tokakujokito *Tsumura, Jpn.*
Peach kernel; cinnamon bark; rhubarb; liquorice; mirabilitum.
Traditional Kampo medicine.

Token *Intendis, Ital.*
⊗ Calcipotriol (p.1591·3); betamethasone dipropionate (p.1518·3).
Psoriasis.

Toki-shakuyaku-san *Tsumura, Jpn.*
Peony root; atractylodes lancea rhizome; alisma rhizome; poria sclerotium; cnidium rhizome; angelica acutiloba root.
Traditional Kampo medicine.

Tokolirio *Tocogino, Mex.*
Zinc (p.1999·1); boric acid (p.2268·1).
Eye disorders.

Tokovit A + E *Hasco-Lek, Pol.*
Vitamin A palmitate (p.1973·1); *d*-alpha tocopherol (p.1992·2).
Vitamin A and E deficiency.

Tokovit E *Hasco-Lek, Pol.*
Tocopherol (p.1992·2).
Atherosclerosis; ischaemic heart disease; vitamin E deficiency.

Tokovitan *Orion, Fin.*
d-Alpha tocoferil acetate (p.1992·3).
Vitamin E deficiency.

Tol *Leti, Ger.; Novartis, Ger.; Eco, S.Afr.†.*
Allergen extracts (p.2250·2).
Hyposensitisation.

Tol 12 *Saval, Chile.*
Thiamine hydrochloride (p.1976·1); pyridoxine hydrochloride (p.1978·2); vitamin B (p.1980·2).
Neuralgia; neuritis; reduced appetite; tonic.

Tol 12 Plus *Saval, Chile.*
Thiamine hydrochloride (p.1976·1); pyridoxine hydrochloride (p.1978·2); cyanocobalamin (p.1980·2).
Lidocaine hydrochloride (p.1862·3) is included in this preparation to alleviate the pain of injection.
Vitamin B deficiency.

Tol Total *Saval, Chile.*
Vitamin preparation with or without minerals (p.1922·1).
Dietary supplement.

Tolan *Solfran, Mex.*
Methyl salicylate (p.85·3).
Soft-tissue injury.

Tolargin *GSK, Pol.*
Atropine methonitrate (p.1219·3); dipyrone (p.49·2); papaverine hydrochloride (p.2191·3).
Smooth muscle spasm.

Tolbetol *Pharmaniaga, Malaysia†; Raza, Malaysia†.*
⊗ Labetalol hydrochloride (p.1321·1).
Angina pectoris; hypertension.

Tolbin
Note.This name is used for preparations of different composition.
Elea, Arg.
Metronidazole (p.837·1).
Anaerobic bacterial infections; protozoal infections.

Unison, Hong Kong†; Unison, Malaysia; Unison, Singapore†.
⊗ Terbutaline sulfate (p.1138·3).
Obstructive airways disease; premature labour.

Unison, Thai.
Expectorant: ⊗ Terbutaline sulfate (p.1138·3); guaifenesin (p.1561·3).
Cough; obstructive airways disease.

Unison, Thai.
Syrup; tablets: ⊗ Terbutaline sulfate (p.1138·3).
Obstructive airways disease.

Tolchicine *TO-Chemicals, Thai.*
Colchicine (p.556·1).
Gout.

Tolcrem *Solfran, Mex.*
Ketoconazole (p.539·1).
Fungal infections.

Toldex *Bial, Port.*
Aspirin (p.20·3).
Fever; pain; thromboembolic disorders.

Tolectin
Janssen-Cilag, Austria†.
Tolmetin (p.130·3).
Musculoskeletal, joint, peri-articular, and soft-tissue disorders.

Janssen-Ortho, Canad.†; Janssen-Cilag, S.Afr.; Janssen-Cilag, Switz.†; Santa, Turk.; Ortho McNeil, USA.
Tolmetin sodium (p.130·2).
Musculoskeletal, joint, peri-articular, and soft-tissue disorders.

Janssen-Cilag, Mex.
Tolmetin (p.130·3) or tolmetin sodium (p.130·2).
Inflammation; musculoskeletal, joint, peri-articular, and soft-tissue disorders; pain.

Toledomin *Asahi, Jpn.*
Milnacipran hydrochloride (p.409·2).
Depression.

Tolep *Novartis, Ital.*
Oxcarbazepine (p.490·3).
Epilepsy.

Tolerade *Aspen, Austral.*
Imipramine hydrochloride (p.400·3).
Depression; nocturnal enuresis.

Tolerancia Extrema *Pierre Fabre Dermo-Cosmetique, Arg.*
Emollient; skin cleanser.
Skin irritation.

Tolerane
Note.This name is used for preparations of different composition.
Alcon, Arg.
Flurbiprofen (p.61·2).
Inflammatory eye disorders.

Bago, Chile.
Disulfiram (p.2296·2).
Alcoholism.

Tolerex *Procter & Gamble, USA.*
Lactose-free preparation for enteral nutrition (p.1922·1).

Toleriane *Roche-Posay, Arg.†; Roche-Posay, Braz.; Roche-Posay, Irl.*
Emollient.
Dry skin; skin irritation.

Tolestan *Roemmers, Arg.*
Cloxazolam (p.981·1).
Anxiety.

Tolexine *Biorga, Fr.*
Doxycycline (p.267·1).
Bacterial infections; rosacea.

Tolfamic *Medinova (Μεντινοβα), Gr.*
Tolfenamic acid (p.130·1).
Inflammation; musculoskeletal and joint disorders; pain.

Tolfrinic *Ascher, USA.*
Ferrous fumarate (p.1938·3); cyanocobalamin (p.1980·2).
Ascorbic acid (p.1983·3) is included in this preparation to increase the absorption and availability of iron.
Iron-deficiency anaemias.

Tolgin *Saval, Chile.*
Vitamins; minerals; ginseng (p.1922·1).
Asthenia; tonic.

Tolid *Dolorgiet, Ger.*
Lorazepam (p.1004·1).
Anxiety; premedication; sleep disorders.

Toliken *Pharmex (Φαρμεξ), Gr.*
Clindamycin (p.251·1).
Acne.

Toliman *Scharper, Ital.*
Cinnarizine (p.573·1).
Cerebral and peripheral vascular disorders.

Tolimed *Medifive, Thai.*
Mianserin hydrochloride (p.408·1).
Depression.

Tolinase *Pharmacia Upjohn, USA†.*
Tolazamide (p.462·3).
Diabetes mellitus.

Tolindol *Meuse, Belg.*
Proglumetacin maleate (p.119·1).
Musculoskeletal, joint, and peri-articular disorders.

Tollwutglobulin *Sanofi Pasteur, Ger.*
A rabies immunoglobulin (p.2233·3).
Passive immunisation.

Tollwut-Impfstoff (HDC) *Sanofi Pasteur, Ger.*
A rabies vaccine (human diploid cell) (p.2234·1).
Active immunisation.

Tolma *Pasteur, Philipp.*
Tramadol hydrochloride (p.130·3).
Pain.

Tolmex *Flupal, Venez.*
Bromhexine hydrochloride (p.1552·2); pentoxyverine citrate (p.1567·3).
Cough.

Tolmicen *Pharmacia, Ital.†; Pharmacia, NZ; Pharmacia Upjohn, Port.†.*
Tolciclate (p.548·3).
Fungal skin infections.

Tolmicil *Pharmacia-Upjohn, Gr.†.*
Tolciclate (p.548·3).
Fungal skin infections.

Tolmicol *Pharmacia, Braz.†.*
Tolciclate (p.548·3).
Fungal skin infections.

Tolmide *Beacons, Singapore.*
Tolbutamide (p.463·1).
Diabetes mellitus.

Tolmin *Sandoz, Denm.*
Mianserin hydrochloride (p.408·1).
Depression.

Tolmix *Rowe-Fleming, Venez.†.*
Bromhexine (p.1552·2).
Respiratory-tract congestion.

Tolnaderm *Sterfil, India; Hoe, Malaysia; Hoe, Philipp.; Marketlink, Philipp.*
Tolnaftate (p.548·3).
Fungal skin infections.

Tolnaftan *Roemmers Osmoph, Venez.*
Tolnaftate (p.548·3).
Fungal skin infections.

Tolodina *Estedi, Spain†.*
Amoxicillin trihydrate (p.202·2).
Bacterial infections.

Toloran *Rayere, Mex.*
Ketorolac trometamol (p.74·2).
Pain.

Toloxane *Beta, Arg.†.*
Rofecoxib (p.121·1).
Dysmenorrhoea; osteoarthritis.

Toloxim *Merck, Port.*
Mebendazole (p.148·3).
Worm infections.

Toloxin
Note.This name is used for preparations of different composition.
Biolab Sanus, Braz.†.
Metamizole magnesium (p.49·3).
Fever; pain.

TO-Chemicals, Thai.
Digoxin (p.1259·3).
Arrhythmias; heart failure.

Tolperis *ICN, Pol.*
Tolperisone hydrochloride (p.1899·3).
Intermittent claudication; skeletal muscle pain and spasm.

Tolrest *Biosintetica, Braz.*
Sertraline hydrochloride (p.421·3).
Depression; obsessive-compulsive disorder; panic disorder; post-traumatic stress; premenstrual dysphoric disorder; social phobia.

Toltem *Temis, Arg.*
Tolterodine tartrate (p.2198·1).
Bladder instability.

Toluidinblau *Kohler, Cz.; Kohler, Ger.*
Tolonium chloride (p.2403·1).
Methaemoglobinaemia.

Tolu-Sed DM *Scherer, USA.*
Dextromethorphan hydrobromide (p.1555·2); guaifenesin (p.1561·3).
Coughs.

Tolvin *Organon, Ger.*
Mianserin hydrochloride (p.408·1).
Depression.

Tolvon *Organon, Austral.; Organon, Austria; Organon, Braz.; Organon, Denm.; Organon, Fin.; Organon, Hong Kong; Organon, Hung.; Organon, Irl.; Organon, Mex.; Pharmaco, NZ; Organon, Neth.; Organon, Norw.; Organon, Port.; Organon, Swed.; Organon, Switz.; Organon, Thai.; Organon, Turk.*
Mianserin hydrochloride (p.408·1).
Depression; mixed anxiety depressive states; sleep disorders.

Tolydol *Ipca, India.*
Tramadol hydrochloride (p.130·3); paracetamol (p.108·1).
Pain.

Tolzep *Tolmann, Philipp.*
Cefradine (p.233·1).
Bacterial infections.

Tomaag *Yarindo, Indon.*
Aluminium hydroxide (p.1706·2); magnesium hydroxide (p.1743·2); simeticone (p.1770·2).
Gastric hyperacidity; gastritis; peptic ulcer.

Tomabef *Salus, Ital.†.*
Cefoperazone sodium (p.227·1).
Lidocaine hydrochloride (p.1862·3) is included in this preparation to alleviate the pain of injection.
Gram-negative bacterial infections.

Tomaflex *Boehringer Ingelheim, Cz.*
Ibuprofen (p.64·2).
Fever; pain.

Tomag *Temis, Arg.†.*
Ranitidine hydrochloride (p.1766·1).
Gastric hyperacidity.

Tomanil *Altana, Arg.*
Diclofenac diethylamine (p.44·3) or diclofenac sodium (p.44·3).
Gout; inflammation; musculoskeletal, joint, peri-articular, and soft-tissue disorders; neuritis; oedema.

Tomanil Flex *Altana, Arg.*
Diclofenac sodium (p.44·3); pridinol mesilate (p.1898·1).
Musculoskeletal, joint, peri-articular, and soft-tissue disorders.

Tomapyrin *Boehringer Ingelheim, Cz.*
Aspirin (p.20·3); paracetamol (p.108·1); caffeine (p.1116·3).
Fever; inflammation; pain.

Tomapyrin C *Boehringer Ingelheim, Cz.†.*
Aspirin (p.20·3); paracetamol (p.108·1); ascorbic acid (p.1983·3).
Fever; inflammation; pain.

Tomat *Apsen, Braz.*
Lycopene (Lyc-O-Mato); vitamin A; vitamin E (p.1922·1).
Lycopene and vitamin supplement.

Tomcin *General Drugs, Thai.*
Erythromycin estolate (p.269·3) or erythromycin stearate (p.270·1).
Bacterial infections.

Tomevit *Spyfarma, Spain.*
Adenosine triphosphate; arginine aspartate; glutathione; hydroxocobalamin acetate; lysine hydrochloride; pyritinol hydrochloride (p.1922·1).
Tonic.

Tomid *Gufic, India†.*
Metoclopramide hydrochloride (p.1747·3).
Motion sickness; vomiting.

Tomiko *Wermar, Mex.*
Ketoconazole (p.539·1).
Fungal infections.

Tomiporan *Toyama, Jpn.*
Cefbuperazone sodium (p.222·3).
Bacterial infections.

Tomiron *Toyama, Jpn.*
Cefteram pivoxil (p.235·2).
Bacterial infections.

Tomit *Interbat, Indon.*
Metoclopramide hydrochloride (p.1747·3).
Gastro-oesophageal reflux; nausea and vomiting.

Tomocat *Mallinckrodt, USA.*
Barium sulfate (p.1477·2).
Contrast medium for gastrointestinal radiography.

Tomoray *Varifarma, Arg.*
Meglumine amidotrizoate (p.1475·3) with/without sodium amidotrizoate (p.1475·3).
Radiographic contrast medium.

Tompril *Tomnus, Braz.†.*
Captopril (p.1239·2).
Heart failure; hypertension.

Tomudex *AstraZeneca, Arg.; AstraZeneca, Austral.; AstraZeneca, Austria; AstraZeneca, Belg.; AstraZeneca, Braz.; AstraZeneca, Canad.; AstraZeneca, Cz.; AstraZeneca, Fin.†; AstraZeneca, Fr.; AstraZeneca, Hong Kong†; AstraZeneca, Hung.; AstraZeneca, Irl.; AstraZeneca, Ital.; AstraZeneca, Mex.; AstraZeneca, Neth.; AstraZeneca, Norw.; AstraZeneca, Philipp.; AstraZeneca, Port.; Ben Venue, Rus.; AstraZeneca, S.Afr.†; AstraZeneca, Singapore; AstraZeneca, Spain; AstraZeneca, Switz.; AstraZeneca, Turk.; AstraZeneca, UK; AstraZeneca, Venez.†.*
Raltitrexed (p.766·1).
Colorectal cancer.

Tomycin *Orion, Fin.*
Tobramycin sulfate (p.354·2).
Bacterial infections.

Tomycine *Novartis Ophthalmics, Canad.†.*
Tobramycin (p.354·1).
Bacterial eye infections.

Ton Was *Chiesi, Spain.*
Vitamin B substances (p.1922·1); ginseng (p.2312·1).
Tonic.

† This preparation may no longer be actively marketed

⊗ Contains a substance whose use may be restricted in certain sports (see p.vii)

Ton-A *Mergers Drugfil, Philipp.*
Multivitamin and mineral preparation (p.1922·1) with calcium (oyster shell) (p.1675·2).
Calcium deficiency; nutritional supplement.

Tonacal D3 *Lifepharma, Ital.*
Calcium carbonate (p.1714·1); colecalciferol (p.1986·2).
Calcium and vitamin D deficiency; osteoporosis.

Tonactil *Arkomedika, Fr.†.*
Kola (p.2416·1); ginseng (p.2312·1).
Asthenia.

Tonaflan *Tomnus, Braz.†.*
Diclofenac (p.44·2).
Inflammation; pain.

Tonal *Beta, Arg.*
Ibuprofen (p.64·2).
Musculoskeletal and joint disorders; pain.

Tonalgen *Andromaco, Chile.*
Cyclobenzaprine hydrochloride (p.1895·2).
Musculoskeletal pain.

Tonalin *Knop, Chile.*
Essential fatty acids (p.1922·1).
Dietary supplement.

Tonamil *Ecobi, Ital.*
Thonzylamine (p.592·1).
Conjunctivitis; rhinitis; skin irritation.

Tonar *Sandoz, Indon.*
Amino-acid preparation (p.1922·1).
Chronic renal insufficiency.

Tonaril *Laboratorios Chile, Chile.*
Trihexyphenidyl (p.820·3).
Drug-induced extrapyramidal disorders; parkinsonism.

Tonaton *Sankyo, Braz.*
⊗ Yohimbine (p.2200·3); fevillea trilobata; labiadas; ephedrine hydrochloride (p.1558·2); atropine methonitrate (p.1219·3).
Erectile dysfunction.

Tonavir *Richmond, Arg.*
Stavudine (p.907·1).
HIV infection.

Tonavital *Recalcine, Chile.*
Amino acids; vitamins; minerals (p.1922·1).
Tonic.

Tonazox *Tomnus, Braz.†.*
Ketoconazole (p.539·1).
Fungal infections.

Toncard-Do *Grasler, Ger.*
Homoeopathic preparation.

Toncils *Vitabalans, Fin.*
Chlorhexidine hydrochloride (p.1635·3); benzocaine (p.1854·1).
Mouth and throat disorders.

Tondex *Hormona, Mex.*
Gentamicin sulfate (p.282·1).
Bacterial infections.

Tondinel H *Pfluger, Ger.*
Homoeopathic preparation.

Tonekin *Assistance, Arg.*
Chromium tripicolinate (p.1934·3).

Tonekin Plus *Assistance, Arg.†.*
Chromium tripicolinate (p.1934·3); levocarnitine (p.1932·2).
Dietary supplement.

Toneon *Raffo, Arg.†.*
Minoxidil (p.1342·1).
Alopecia.

Tonergon *Farmedia, Gr.*
Dihydroergocristine (p.364·2).
Peripheral vascular disorders.

Toness *Angelini, Ital.†.*
Proxazole citrate (p.2375·1).
Smooth muscle relaxant; vascular disorders.

Tonginal *Bittner, Austria; Bittner, Rus.*
Homoeopathic preparation.

Toniazol *Nicholas Piramal, India†.*
Vitamin B substances (p.1975·1); glucose (p.1945·3); bitter orange peel (p.2357·1); absinthium (p.2244·1).
Tonic.

Tonibral *GNR, Port.†.*
⊗ Deanol hemisuccinate (p.2152·3).
Tonic.

Tonic Yeast *Seven Seas, UK.*
Yeast (p.1998·3); vitamin B substances (p.1922·1).
Formerly known as Phillips P.T.Y. Yeast Tablets.

Tonicalcium *Bouchara-Recordati, Fr.*
-Lysine ascorbate (p.1984·3); calcium ascorbate (p.1984·1).
Asthenia.

Tonice
Note. This name is used for preparations of different composition.
Produfarma, Port.
Oral liquid: ⊗ Deanol pidolate (p.2152·3); magnesium aminobenzoate; ascorbic acid.
Tonic.

Produfarma, Port.
Syrup: ⊗ Deanol pidolate (p.2152·3); calcium gluceptate; lysine hydrochloride.
Tonic.

Tonico Blumen *Luper, Braz.†.*
Ferrous sulfate (p.1939·3); phosphoric acid; aloes; myrrh; mace; cinnamon.
Anaemias.

Tonico Juventus *Juventus, Spain.*
Cyproheptadine hydrochloride (p.575·1); cobamamide (p.1980·2).
Tonic.

Tonico Pasteur *Pasteur, Chile.*
Vitamin and mineral preparation (p.1922·1).
Tonic.

Tonicum *Terrapharm, Austria; SIT, Ital.†.*
Vitamins (p.1922·1); caffeine; lactic acid.
Tonic.

Tonicum B12 *SIT, Ital.*
Amino acids; vitamin B (p.1922·1).

Tonid *Milano, Thai.*
Tinidazole (p.848·3).
Amoebiasis; anaerobic bacterial infections; giardiasis; trichomoniasis.

Tonikum *Bayer, Indon.*
Vitamin B ; vitamin B ; nicotinamide (p.1975·1); alcohol.
Nutritional supplement.

Tonikum Bode *Bode, Indon.; Tempo Scan Pacific, Indon.*
Vitamin B substances; ascorbic acid; liver extract; sodium glycerophosphate; manganese sulfate; caffeine; potassium aspartate; magnesium aspartate (p.1922·1).
Tonic.

Tonilax *Merck Medication Familiale, Fr.*
Frangula bark (p.1732·2); aloes (p.1705·2).
Constipation.

Toniline *Nuvia, Fr.*
Amino-acid preparation (p.1922·1).
Nutritional supplement.

Tonimax *Soria Natural, Spain.*
Siberian ginseng (p.2386·3); rosemary oil (p.2381·3); savory oil (p.2394·3).
Fatigue.

Tonimed *Boehringer Ingelheim, Austria.*
Piroxicam (p.117·3).
Musculoskeletal, joint, and soft-tissue disorders.

Tonimer
Note. This name is used for preparations of different composition.
Ganassini, Fr.
Panthenol (p.2362·1); hyaluronic acid (p.2320·1); chondrus; gigartinia; ascophyllum; laminaria (p.2384·2); vitamin E (p.1992·2).
Nasal disorders.

Dermoteca, Port.†; Berko, Turk.
Sea water (p.1686·1).
Nasal cleansing; nasal congestion; nasal disorders.

Tonimer Baby *Ganassini, Fr.*
Sea water (p.1686·1).
Nasal disorders; nasal hygiene.

Tonimol *Herbes Universelles, Canad.*
Multivitamin preparation (p.1922·1).

Tonipan *Alpharma, Norw.*
Vitamin B substances with manganese (p.1922·1).
Vitamin B deficiency.

Tonique D *Vifor, Switz.*
Vitamins; minerals; ginseng; rutoside (p.1922·1).
Tonic.

Tonique D nouvelle formule *Vifor, Switz.*
Vitamins; minerals; ginseng; kola; caffeine citrate (p.1922·1).
Tonic.

Tonique Vegetal *Lehning, Fr.*
Homoeopathic preparation.

Tonizin *Betapharm, Ger.*
St John's wort (p.422·3).
Depression.

Tono *Milano, Thai.*
Tolnaftate (p.548·3).
Fungal skin infections.

Tonobexol *Novartis Ophthalmics, Arg.*
⊗ Betaxolol hydrochloride (p.1231·2).
Glaucoma.

Tonocalcin *Alfa Wassermann, Cz.; Alfa Wassermann, Gr.; Alfa Wassermann, Indon.; Tempo Scan Pacific, Indon.; Wassermann, Ital.†; Merck, Mex.†; Alfa Wassermann, Pol.; Alfa Wassermann, Thai.; Santa, Turk.*
Calcitonin (salmon) (p.1093·1).
Hypercalcaemia; osteolysis of malignancy; osteoporosis; Paget's disease of bone; pancreatitis; reflex sympathetic dystrophy.

Tonocaltin *Biara, Port.; Bama, Spain; Zambon, Spain.*
Calcitonin (salmon) (p.1093·1).
Hypercalcaemia; osteolysis of malignancy; osteoporosis; Paget's disease of bone.

Tonocard *Astra, USA†.*
Tocainide hydrochloride (p.1415·1).
Ventricular arrhythmias.

Tonocardin *Pliva, Rus.*
Doxazosin mesilate (p.1275·1).
Benign prostatic hyperplasia; hypertension.

Tono-Cis *Laboratorios Chile, Chile†.*
Cisapride (p.1720·3).
Gastro-oesophageal reflux; gastrointestinal motility disorders.

Tonofer *ABC, Ital.*
Vitamin and iron preparation (p.1922·1).

Tonoferon
Note. This name is used for preparations of different composition.
East India Pharma, India.
Oral drops: Colloidal iron hydroxide (p.1950·3); lysine hydrochloride (p.1955·1); vitamin B (p.1980·2); folic acid (p.1940·1).
Iron-deficiency anaemias.

East India Pharma, India.
Paediatric syrup; syrup: Colloidal iron hydroxide (p.1950·3); folic acid (p.1940·1); vitamin B (p.1980·2).
Iron-deficiency anaemias.

Tonoferrin *Ulagay, Turk.*
Ferric ammonium citrate (p.1938·1).
Iron deficiency; iron-deficiency anaemia.

Tonofit *Body Spring, Ital.*
Vitamins; magnesium; phenylalanine; ginkgo biloba; eleutherococcus (p.1922·1).
Tonic.

Tonoflex *Sanitas, Chile.*
Paracetamol (p.108·1); chlorzoxazone (p.1894·3).
Skeletal muscle spasm and pain.

Tonofolin *Teofarma, Ital.*
Calcium folinate (p.1943·3).
Megaloblastic anaemias.

Tonoftal *Essex, Ger.*
Tolnaftate (p.548·3).
Fungal skin infections.

Tonogen
Note. This name is used for preparations of different composition.
Gedeon Richter, Hung.
⊗ Adrenaline (p.1203·2).
Anaphylaxis; asthma; circulatory collapse; glaucoma; haemorrhage; nasal disorders.

ABC, Ital.
Haematoporphyrin hydrochloride (p.2318·1); cyanocobalamin (p.1980·2).
Tonic.

Tonogen S *ABC, Ital.*
Vitamin and mineral preparation with ginkgo biloba (p.1922·1).

Tonoglutal *Wild, Switz.*
Glutamic acid; sodium hydroxybenzylphosphinate; ascorbic acid; magnesium glycerophosphate; thiamine nitrate (p.1922·1).
Tonic.

Tonojug *Mallinckrodt, USA.*
Barium sulfate (p.1477·2).
Contrast medium for gastrointestinal radiography.

Tonoklen *Farmabraz, Braz.†.*
Muira-puama; erythroxylon catuaba.
Tonic.

Tonopan
Note. This name is used for preparations of different composition.
Novartis, Austria; Novartis, Braz.; Sandoz, Mex.; Novartis, Spain; Novartis Consumer, Switz.†.
Caffeine (p.1116·3); dihydroergotamine mesilate (p.618·2); propyphenazone (p.119·3).
Facial neuralgia; migraine and other vascular headaches.

Novartis Consumer, Switz.
Diclofenac potassium (p.44·3).
Fever; pain.

Tonopaque *Mallinckrodt, USA.*
Barium sulfate (p.1477·2).
Contrast medium for gastrointestinal radiography.

Tonoplus *IBC, Ital.†.*
⊗ Arginine oxoglurate (p.1928·3); aceglutamide (p.2244·2).
Tonic.

Tonopron ACD *Sanitas, Chile†.*
Vitamin and mineral preparation (p.1922·1).
Tonic.

Tonopron Fuerte Con Vit. B12 *Sanitas, Chile.*
Vitamin B substances with or without liver extract (p.1922·1).
Tonic.

Tonopron Ginseng *Sanitas, Chile.*
Vitamins; minerals; ginseng; rutoside; deanol tartrate (p.1922·1).
Tonic.

Tonopron Jarabe *Sanitas, Chile.*
Vitamins; inositol (p.1922·1).
Tonic.

Tonosol *Unifa, Port.*
Multivitamin preparation (p.1922·1).

Tonoten *Dollder, Venez.*
Lisinopril (p.1325·2).
Heart failure; hypertension.

Tonotensil *Laboratorios Chile, Chile.*
Lisinopril (p.1325·2).
Heart failure; hypertension.

Tonotensil D *Laboratorios Chile, Chile.*
⊗ Lisinopril (p.1325·2); hydrochlorothiazide (p.1307·3).
Hypertension.

Tonovit *Remek, Gr.*
Levocarnitine (p.1932·2).
Carnitine deficiency; myocardial ischaemia.

Tonovital Antioxidante *Bago, Arg.*
Tocopherol acetate; vitamin C; betacarotene; zinc; selenium (p.1922·1).
Antoxidant preparation.

Tonovital E *Bago, Arg.*
Tocopherol acetate (p.1992·2).

Tonovital Plus Antioxidante *Bago, Arg.*
Tocopherol acetate; vitamin C; betacarotene; zinc; copper; selenium; manganese (p.1922·1).
Antoxidant preparation.

Tonox *Utopian, Thai.*
Tenoxicam (p.128·2).
Gout; musculoskeletal, joint, and peri-articular disorders.

Tonsan akut *Bittner, Austria.*
Homoeopathic preparation.

Tonsan chronisch *Bittner, Austria.*
Homoeopathic preparation.

Tonsan-Akut *Bittner, Rus.*
Homoeopathic preparation.

Tonsan-K *Bittner, Austria.*
Homoeopathic preparation.

Tonsilgon *Bionorica, Ger.*
Althaea (p.2253·3); chamomile (p.2279·3); equisetum (p.2299·3); juglans regia; achillea (p.2245·2); oak bark (p.2355·3); taraxacum (p.2395·1).
Respiratory-tract infections.

Tonsilgon N *Bionorica, Rus.*
Althaea (p.2253·3); chamomile (p.2279·3); equisetum (p.2299·3); juglans regia; achillea (p.2245·2); oak bark (p.2355·3); taraxacum (p.2395·1).
Upper respiratory-tract disorders.

Tonsiline *Oakhurst, USA.*
Tolu balsam (p.1574·2); iron chloride; magnesium carbonate; glycerol; alcohol.
Mouth and throat disorders.

Tonsillitis PMD *Bionorica, Ger.†.*
Homoeopathic preparation.

Tonsillol *Ratiopharm, Austria.*
Dequalinium chloride (p.1641·3).
Mouth and throat infections.

Tonsillopas *Pascoe, Ger.*
Homoeopathic preparation.

Tonsillosyx *Syxyl, Ger.*
Homoeopathic preparation.

Tonsilotren *DHU, Rus.*
Homoeopathic preparation.

Tonsiotreen *VSM, Neth.*
Homoeopathic preparation.

Tonsiotren *Peithner, Austria.*
Homoeopathic preparation.

Tonsiotren H *DHU, Ger.*
Homoeopathic preparation.

Tonsipret *Bionorica, Ger.; Bionorica, Rus.*
Homoeopathic preparation.

Tonterin *Fortune, Hong Kong†.*
Caffeine (p.1116·3); propyphenazone (p.119·3); thiamine (p.1976·3).
Fever; pain.

Tonum *Almirall, Spain.*
Ketorolac trometamol (p.74·2).
Pain.

Tonun *Biotech, Venez.*
Domperidone (p.1726·2).
Gastro-oesophageal reflux.

Tonus *Lab, Port.†.*
Distigmine bromide (p.630·2).

Tonval *Saval, Chile.*
Vitamins; calcium gluconate; lysine (p.1922·1).
Tonic.

Toothache Drops *ICN, NZ†.*
Phenol (p.1656·1); benzocaine (p.1854·1); camphor (p.2273·2); peppermint oil (p.1761·2); clove oil (p.2285·1).
Toothache.

Toothache Gel *Roberts, USA.*
Benzocaine (p.1854·1); clove oil (p.2285·1).
Toothache.

Top C *Lane, UK.*
Rose fruit (p.2381·2); acerola; ascorbic acid (p.1983·3).
Vitamin C deficiency.

Top Calcium *Esseti, Ital.*
Calcium carbonate (p.1714·1).
Calcium depletion; calcium supplement.

Top dent fluor *Meda, Swed.*
Sodium fluoride (p.1962·2).
Dental caries prophylaxis.

Top Life Diet *Sidus, Arg.†.*
Garcinia cambogia (p.2309·2); chromium tripicolinate (p.1934·3); soya lecithin (p.2332·2).
Dietary supplement.

Top Life Energizante *Sidus, Arg.†.*
Ginseng; guarana; *dl*-alpha tocoferil acetate; magnesium oxide; levocarnitine; wheat-germ oil (p.1922·1).
Dietary supplement.

Top Life Memory *Sidus, Arg.†.*
Ginseng (p.2312·1); ginkgo biloba (p.2311·1).
Dietary supplement.

Top Life Relax *Sidus, Arg.†.*
Valerian (p.2410·1); passion flower (p.2363·2); tilia (p.2402·2).
Dietary supplement.

Top Life Superantioxidante *Sidus, Arg.†.*
dl-Alpha tocoferil acetate; calcium ascorbate; betacarotene; selenium (p.1922·1).
Dietary supplement.

Topaal *Pierre Fabre Sante, Fr.*
Alginic acid (p.2140·3); colloidal aluminium hydroxide (p.1706·2); magnesium carbonate (p.1743·1); silicon dioxide (p.2146·2).
Gastro-oesophageal reflux.

Topaben-N *British Dispensary, Thai.*
⊗ Betamethasone valerate (p.1519·1); neomycin sulfate (p.305·1).
Skin disorders.

Topace *Fawns & McAllan, Austral.*
Captopril (p.1239·2).
Hypertension.

Topaceta *Streuli, Switz.*
Aluminium acetotartrate (p.2255·1); chamomile (p.2279·3); arnica (p.2260·2).
Skin disorders; soft-tissue injury.

Topadol *Teva, Israel.*
Ketorolac trometamol (p.74·2).
Pain.

Topal *Pierre Fabre, UK.*
Aluminium hydroxide (p.1706·2); light magnesium carbonate (p.1743·1); alginic acid (p.2140·3).
Gastric hyperacidity; gastritis; gastro-oesophageal reflux.

Topalgic *Sanofi-Aventis, Fr.*
Tramadol hydrochloride (p.130·3).
Pain.

Topalgon *Lavipharm, Gr.*
Diclofenac sodium (p.44·3).
Inflammatory disorders.

Topalkan *Pierre Fabre Sante, Fr.*
Alginic acid (p.2140·3); aluminium hydroxide (p.1706·2); silicon dioxide (p.2146·2); magnesium carbonate (p.1743·1).
Gastro-oesophageal reflux.

Topamac *Janssen-Cilag, Arg.; Janssen-Cilag, Gr.; Janssen-Cilag, India.*
Topiramate (p.506·2).
Epilepsy.

Topamate *Cipla, India.*
Topiramate (p.506·2).
Epilepsy.

Topamax *Janssen-Cilag, Austral.; Janssen-Cilag, Austria; Janssen-Cilag, Belg.; Janssen-Cilag, Braz.; Janssen-Ortho, Canad.; Janssen-Cilag, Chile; Janssen-Cilag, Cz.; Janssen-Cilag, Ger.; Janssen, Hong Kong; Janssen-Cilag, Hung.; Janssen-Cilag, Indon.; Janssen-Cilag, Irl.; Janssen-Cilag, Israel; Janssen-Cilag, Ital.; Janssen-Cilag, Malaysia; Janssen-Cilag, Mex.; Janssen-Cilag, NZ; Janssen-Cilag, Neth.; Janssen, Philipp.; Janssen-Cilag, Pol.; Janssen-Cilag, Port.; Janssen-Cilag, Rus.; Janssen-Cilag, S.Afr.; Janssen-Cilag, Singapore; Janssen-Cilag, Spain; Janssen-Cilag, Switz.; Janssen-Cilag, Thai.; Janssen-Cilag, Turk.; Janssen-Cilag, UK; Ortho McNeil, USA; Janssen-Cilag, Venez.*
Topiramate (p.506·2).
Bipolar disorder; epilepsy; migraine; neuropathic pain.

Toparal *Novag, Mex.*
Methyldopa (p.1334·1).
Hypertension.

Topase *Medica Korea, Hong Kong†.*
Pancreatin (p.2360·1); ox bile (p.2266·2); dimethicone (p.1770·2); hemicellulase (p.2279·1).
Adjunct in radiological procedures; dyspepsia.

Topasel *Boehringer Ingelheim, Spain.*
Algestone acetophenide (p.2082·1); estradiol enantate (p.2097·3).
Combined injectable contraceptive.

Topazolam *Topgen, Belg.*
Alprazolam (p.960·1).
Anxiety.

Topcal D3 *Grunenthal, Belg.†.*
Calcium citrate (p.1675·3); colecalciferol (p.1986·2).

Top-Cat *Varifarma, Arg.*
Barium sulfate (p.1477·2).
Radiographic contrast medium.

Topcillin *Kalbe, Indon.*
Amoxicillin trihydrate (p.202·2).
Bacterial infections.

Topcoid *Uniao Quimica, Braz.*
A heparinoid (p.1305·2).

Topcort
Note. This name is used for preparations of different composition.
Cipla, Hong Kong; Cipla, India.
⊗ Mometasone furoate (p.1539·3).
Skin disorders.

Sanbe, Indon.
⊗ Desoximetasone (p.1525·2).
Skin disorders.

Top-Dal *Randall, Mex.*
Loperamide hydrochloride (p.1741·1).
Diarrhoea; ostomy management.

Topdent *Leti, Venez.†.*
Sodium monofluorophosphate (p.1964·3); sodium sulfate (p.1771·3).
Dental caries prophylaxis; oral hygiene.

Toperit *LKM, Arg.*
Erythromycin (p.269·2).
Acne.

Topestin *Labinca, Arg.†.*
Topotecan hydrochloride (p.780·1).
Malignant neoplasms.

Topfans *OP, Ital.*
Diclofenac sodium (p.44·3).
Musculoskeletal, joint, and peri-articular disorders.

Topfena *Zydus, Fr.*
Ketoprofen (p.73·1).
Musculoskeletal, joint, peri-articular, and soft-tissue disorders; pain.

Topgesic *Kimia, Indon.*
Mefenamic acid (p.80·1).
Pain.

Topher-E *Scherer, Hong Kong.*
α-Tocopherol (p.1992·2).
Vitamin E supplement.

Topialyse
Note. This name is used for preparations of different composition.
SVR, Ital.
Gamolenic acid (p.2308·2); borage oil (p.2267·3).
Nutritional supplement.

SVR, Fr.
Bath oil; capsules: Borage oil (p.2267·3); vitamin E (p.1992·2).
Skin disorders.

SVR, Fr.
Soap substitute: Glycine; borage oil (p.2267·3); vitamin E (p.1992·2).
Skin cleansing.

Topialyse Fluide *SVR, Fr.*
Shea butter; glycine; tocoferil acetate (p.1992·3); dipotassium glycyrrhizate (p.2316·2); borage oil (p.2267·3); cucurbitine; allantoin (p.1588·1).
Dry skin; skin irritation.

Topialyse Plus *SVR, Fr.*
Shea butter; glycine; tocoferil acetate (p.1992·3); dipotassium glycyrrhizate (p.2316·2); borage oil (p.2267·3); cucurbitine; allantoin (p.1588·1).
Dry skin; skin irritation.

Topic *Syntex, USA.*
Benzyl alcohol (p.1631·3); camphor (p.2273·2); menthol (p.2340·1).
Pruritus.

Topic 10 *Nigy, Fr.*
⊗ Urea (p.1620·2); lactic acid (p.2329·3).
Dry skin; skin irritation.

Topicaina *Braun, Spain†.*
Butyl aminobenzoate hydrochloride (p.1857·1); benzocaine (p.1854·1); tetracaine hydrochloride (p.1871·3).
Local anaesthesia.

Topicaine *Biomed, NZ.*
⊗ Tetracaine hydrochloride (p.1871·3); lidocaine hydrochloride (p.1862·3).
Adrenaline acid tartrate (p.1203·2) is included in this preparation as a vasoconstrictor to diminish absorption and localise the effect of the local anaesthetic.
Local anaesthesia.

Topical *Tecnimede, Port.*
Bifonazole (p.527·3).
Fungal infections.

Topicasone *Franco-Indian, India.*
⊗ Betamethasone benzoate (p.1518·3).
Skin disorders.

Topicasone with Neomycin *Franco-Indian, India.*
⊗ Betamethasone benzoate (p.1518·3); neomycin sulfate (p.305·1).
Infected skin disorders.

Topicide *Konimex, Indon.*
Lindane (p.2045·3); hexachlorophene (p.1646·1); salicylic acid (p.1612·2).
Scabies.

Topicil *Douglas, Hong Kong†; Douglas, Malaysia; Douglas, NZ; Douglas, Singapore.*
Clindamycin phosphate (p.251·2).
Acne.

Topico Dentición Vera *Labitec, Spain†.*
Sodium bromide (p.2269·2); borax (p.2268·1); ethylene glycol; musk; anemone pulsatilla; menthol.
Toothache.

Topicort *Dermik, Canad.; Taro, USA.*
⊗ Desoximetasone (p.1525·2).
Skin disorders.

Topicorte *Aventis, Neth.; Aventis, Thai.*
⊗ Desoximetasone (p.1525·2).
Skin disorders.

Topicorten V *Trima, Israel.*
⊗ Flumetasone pivalate (p.1531·1); clioquinol (p.254·1).
Infected skin disorders.

Topicorten-Tar *Trima, Israel.*
⊗ Flumetasone pivalate (p.1531·1); coal tar (p.1616·2); salicylic acid (p.1612·2).
Skin disorders.

Topicrem *Nigy, Singapore.*
⊗ Urea (p.1620·2); glycerol (p.2314·2).
Dry skin disorders.

Topicrem Traitement PV *Nigy, Fr.*
Piroctone olamine (p.1610·1).
Skin disorders.

Topictal *Raffo, Arg.*
Topiramate (p.506·2).
Epilepsy.

Topicycline *Shire, Irl.; Amdipharm, UK.*
Tetracycline hydrochloride (p.347·2).
Acne.

Topiderm *Olvos, Gr.*
Flutrimazole (p.535·2).
Fungal skin infections.

Topidexa *Kinder, Braz.*
⊗ Dexamethasone acetate (p.1526·1).
Skin disorders.

Topifort *Franco-Indian, India.*
⊗ Clobetasol propionate (p.1522·2).
Skin disorders.

Topifram *Aventis, Thai.*
⊗ Desoximetasone (p.1525·2); framycetin sulfate (p.279·1); gramicidin (p.286·1).
Infected skin disorders.

Topigel *Clarben, Port.*
Benzocaine (p.1854·1).
Local anaesthesia.

Topigen *Vendiz, Philipp.*
Gentamicin sulfate (p.282·1).
Bacterial infections.

Topiglos *Kinder, Braz.*
Cod-liver oil (p.1935·2); zinc oxide (p.1621·2).
Barrier preparation.

Topilact 12 *Fouchard, Chile†.*
Ammonium lactate (p.1589·2).
Dry skin.

Topilone *Chew, Thai.*
⊗ Triamcinolone acetonide (p.1544·3).
Skin disorders.

Topimax *Janssen-Cilag, Denm.; Janssen-Cilag, Fin.; Janssen-Cilag, Norw.; Janssen-Cilag, Swed.*
Topiramate (p.506·2).
Epilepsy; migraine.

Topionic *Almirall, Spain.*
Povidone-iodine (p.1659·2).
Skin, burn, and wound disinfection.

Topiragis *Egis, Cz.*
Topiramate (p.506·2).
Epilepsy; migraine.

Topirex *Indeco, Arg.*
Topiramate (p.506·2).
Epilepsy.

Topisalen *Trima, Israel.*
⊗ Flumetasone pivalate (p.1531·1); salicylic acid (p.1612·2).
Skin disorders.

Topisel *Galenium, Indon.*
Selenium sulfide (p.1613·1).
Fungal skin and scalp disorders.

Topisolon
Note. This name is used for preparations of different composition.
Aventis, Austria; Aventis, Irl.†; Abbott, Switz.
⊗ Desoximetasone (p.1525·2).
Burns; skin disorders.

Aventis, Ger.
Fatty ointment; ointment: ⊗ Desoximetasone (p.1525·2).
Burns; skin disorders.

Aventis, Ger.†.
Topical solution: ⊗ Desoximetasone (p.1525·2); salicylic acid (p.1612·2).
Scalp disorders; skin disorders.

Topisolon mit Salicylsaure *Aventis, Austria.*
⊗ Desoximetasone (p.1525·2); salicylic acid (p.1612·2).
Skin disorders.

Topison *Libbs, Braz.*
⊗ Mometasone furoate (p.1539·3).
Skin disorders.

Topisone *Technilab, Canad.†.*
⊗ Betamethasone dipropionate (p.1518·3).
Skin disorders.

Topi-Spray *Bial, Port.*
Camphor (p.2273·2); menthol (p.2340·1); methyl salicylate (p.85·3).

Topistin
Elpen (Ελπεν), Gr.
Ciprofloxacin (p.243·3).
Bacterial infections.

AFT, NZ.
Ciprofloxacin lactate (p.243·3).
Bacterial infections.

Topivate *Qestmed, S.Afr.*
⊗ Betamethasone valerate (p.1519·1).
Skin disorders.

Topix *Solas, Indon.*
Salicylic acid (p.1612·2); undecenoic acid (p.549·2); benzoic acid (p.1630·2).
Fungal akin infections.

Topixidil *Flupal, Venez.*
Minoxidil (p.1342·1).
Alopecia.

Topizol *Douglas, Austral.*
Clotrimazole (p.530·1).
Fungal skin infections.

Topkin *Biomet, Ger.*
Lactid caprolactone copolymer.
Wounds.

Topla *Cipla-Medpro, S.Afr.*
Lidocaine (p.1862·3); prilocaine (p.1868·2).
Local anaesthesia.

Toplexil
Note. This name is used for preparations of different composition.
Melisana, Belg.
Oxomemazine (p.587·1); guaifenesin (p.1561·3); sodium benzoate (p.1630·2); paracetamol (p.108·1).
Coughs.

Sanofi-Aventis, Braz.
Oxomemazine hydrochloride (p.587·1); guaifenesin (p.1561·3); paracetamol (p.108·1); sodium benzoate (p.1630·2).
Coughs.

Sanofi-Aventis, Fr.; Sanofi-Aventis, Neth.
Oxomemazine (p.587·1).
Formerly contained oxomemazine and guaifenesin in *Fr.*
Formerly contained oxomemazine, guaifenesin, and sodium benzoate in *Neth.*
Coughs.

Sanofi-Aventis, Indon.
Oxomemazine (p.587·1); guaifenesin (p.1561·3).
Cough in allergic disorders.

Aventis, Israel; Aventis, Switz.
Oxomemazine (p.587·1); guaifenesin (p.1561·3); sodium benzoate (p.1630·2).
Coughs.

Top-Mag *Aerocid, Fr.*
Magnesium pidolate (p.1679·3).
Magnesium deficiency.

Top-Nitro *Schering-Plough, Ital.*
Glyceryl trinitrate (p.1296·2).
Angina pectoris.

Topokebir *Aspen, Arg.*
Topotecan hydrochloride (p.780·1).
Ovarian cancer.

Toposar *Gensia, USA.*
Etoposide (p.718·1).
Small-cell lung cancer; testicular cancer.

Toposin *Pharmachemie, Neth.*
Etoposide (p.718·1).
Malignant neoplasms.

Topotag *Pharmacia, Arg.†.*
Topotecan hydrochloride (p.780·1).
Ovarian cancer; small cell lung cancer.

Topotel *Dabur, India; Dabur, Thai.*
Topotecan hydrochloride (p.780·1).
Ovarian cancer; small-cell lung cancer.

Toppyc *Johnson & Johnson, Braz.†.*
Permethrin (p.2048·2).

Topramine *Condrugs, Thai.*
Imipramine (p.400·2).
Depression; nocturnal enuresis.

Topramoxin *Toprak, Turk.*
Amoxicillin trihydrate (p.202·2).
Bacterial infections.

Toprec *Aventis, Cz.†; Grunenthal, Fr.*
Ketoprofen (p.73·1).
Fever; musculoskeletal, joint, peri-articular, and soft-tissue disorders; pain.

Toprek *Sanofi-Aventis, Ital.*
Ketoprofen (p.73·1).
Pain.

Toprel *Drugtech, Chile.*
Topiramate (p.506·2).
Epilepsy.

Topresid *Biomedis, Philipp.*
Etoposide (p.718·1).
Malignant neoplasms.

Toprilem *Lemery, Mex.*
Captopril (p.1239·2).
Diabetic nephropathy; heart failure; hypertension; myocardial infarction.

Toprim *TNP, Thai.†.*
Co-trimoxazole (p.258·1).
Bacterial infections.

Toprol *AstraZeneca, Austral.; AstraZeneca, USA.*
⊗ Metoprolol succinate (p.1338·1).
Angina pectoris; heart failure; hypertension.

Topron *Chinoin, Mex.*
Nifuroxazide (p.307·2).
Gastro-enteritis.

Top-Sabona *Sabona, Ger.†.*
Peppermint oil (p.1761·2); eucalyptus oil (p.2301·2); rosemary oil (p.2381·3).
Musculoskeletal and joint disorders; neuralgia.

Topsiton *Triomed, S.Afr.*
Vitamins; anhydrous caffeine; calcium gluconate; calcium citrate (p.1922·1).
Tonic.

Topstar *Leti, Venez.†.*
Ketoconazole (p.539·1).
Dandruff; seborrhoea.

Topster *Sofar, Ital.*
⊗ Beclometasone dipropionate (p.1516·2).
Inflammatory bowel disease.

Topsy *Galenium, Indon.*
Lidocaine (p.1862·3); prilocaine (p.1868·2).
Local anaesthesia.

Topsym *Grunenthal, Austria; Grunenthal, Ger.; Grunenthal, Switz.*
⊗ Fluocinonide (p.1532·1).
Skin disorders.

Topsym polyvalent
Note. This name is used for preparations of different composition.
Grunenthal, Austria; Grunenthal, Switz.
⊗ Fluocinonide (p.1532·1); gramicidin (p.286·1); neomycin sulfate (p.305·1); nystatin (p.543·2).
Infected skin disorders.

Grunenthal, Ger.
⊗ Fluocinonide (p.1532·1); neomycin sulfate (p.305·1); nystatin (p.543·2).
Infected skin disorders.

Topsymin *Grunenthal, Switz.*
⊗ Fluocinonide (p.1532·1).
Skin disorders.

Topsymin F *Grunenthal, Austria.*
⊗ Fluocinonide (p.1532·1).
Skin disorders.

Topsyn *Medicis, Canad.; Teofarma, Ital.; Syntex, Mex.*
⊗ Fluocinonide (p.1532·1).
Skin disorders.

Topsyn-Y *Syntex, Mex.*
⊗ Fluocinonide (p.1532·1); clioquinol (p.254·1).
Infected skin disorders.

Toptear *Poen, Chile; Roemmers Poen, Venez.*
Sodium hyaluronate (p.2320·1).
Dry eyes; eye irritation.

† This preparation may no longer be actively marketed

⊗ Contains a substance whose use may be restricted in certain sports (see p.vii)

Toptrix *Merck, Port.*
Topiramate (p.506·2).
Epilepsy; migraine.

Topzole *Altana Madaus, S.Afr.*
Pantoprazole (p.1760·1).
Gastro-oesophageal reflux; peptic ulcer; Zollinger-Ellison syndrome.

Toquilone compositum *Medichemie, Switz.†.*
Methaqualone (p.1007·2); diphenhydramine hydrochloride (p.577·2).
Sleep disorders.

Toracard *AWD, Ger.*
⊗ Torasemide (p.1415·3).
Heart failure; oedema.

Toracin *Sam Chun Dang, Hong Kong.*
Tobramycin (p.354·1).
Bacterial eye infections.

Toradiur *Roche, Ital.*
⊗ Torasemide sodium (p.1416·1).
Ascites; heart failure; oedema; renal failure.

Toradol *Roche, Austral.; Roche, Braz.; Roche, Canad.; Roche, Denm.; Roche, Fin.; Roche, Hong Kong; Roche, Indon.; Roche, Malaysia; Roche, Norw.; Roche, Philipp.; Roche, Port.; Roche, Singapore†; Roche, Spain; Roche, Swed.; Roche, UK; Roche, USA†.*
Ketorolac trometamol (p.74·2).
Pain.

Tora-Dol *Recordati, Ital.; Roche, S.Afr.; Roche, Switz.*
Ketorolac trometamol (p.74·2).
Musculoskeletal disorders; pain; renal and biliary colic.

Toragamma *Worwag, Ger.*
⊗ Torasemide (p.1415·3).
Heart failure; hypertension; oedema; renal failure.

Toragesic *Sigma, Braz.*
Ketorolac trometamol (p.74·2).
Inflammation; pain.

Toral *Ivax, Mex.*
Ketorolac trometamol (p.74·2).
Pain.

Toramide *Spirig, Switz.*
⊗ Torasemide (p.1415·3).
Ascites; hypertension; oedema.

Toramine *Otto, Indon.*
Ketorolac trometamol (p.74·2).
Pain.

Toranex *Alternavida, Mex.*
Topotecan hydrochloride (p.780·1).
Ovarian cancer.

Torasem *Mepha, Switz.*
⊗ Torasemide (p.1415·3).
Ascites; hypertension; oedema.

Toraseptol *Vita, Spain.*
Azithromycin (p.207·1).
Bacterial infections.

Torasic *Kalbe, Indon.*
Ketorolac trometamol (p.74·2).
Pain.

Torasid *Gry, Ger.*
⊗ Torasemide (p.1415·3).
Heart failure; hypertension; oedema.

Torasis *Ecosol, Switz.*
⊗ Torasemide (p.1415·3).
Hypertension; nephrotic syndrome; oedema; renal failure.

Toraxan *Schering-Plough, Arg.*
Loratadine (p.583·3); ambroxol hydrochloride (p.1550·3).
Allergic respiratory-tract disorders with excess mucous.

Torbetol
Note. This name is used for preparations of different composition.
Torbet, Irl.
Cetrimide (p.1634·1); benzalkonium chloride (p.1629·1); hexachlorophene (p.1646·1).
Acne.

Torbet Laboratories, UK.
Cetrimide (p.1634·1); chlorhexidine gluconate (p.1635·3).
Acne.

Torecan
Novartis, Austria.
Thiethylperazine malate (p.591·3) or thiethylperazine maleate (p.592·1).
Nausea; vertigo; vomiting.

Novartis, Chile; Novartis, Ital.; Novartis, Mex.; Novartis, Spain; Novartis, Swed.; Novartis, Switz.; Roxane, USA.
Thiethylperazine maleate (p.592·1).
Motion sickness; nausea; vertigo; vestibular disorders; vomiting.

KRKA, Cz.; KRKA, Pol.
Thiethylperazine malate (p.591·3).
Cerebrovascular atherosclerosis; nausea; vestibular disorders; vomiting.

EGIS, Hung.; KRKA, Rus.
Thiethylperazine (p.591·3).
Nausea and vomiting; vestibular disorders.

Torella *Pol-Nil, Cz.*
Amlodipine besilate (p.1214·1).
Angina pectoris; hypertension.

Torem
Roche, Arg.; Roche, Swed.; Roche, UK.
⊗ Torasemide (p.1415·3).
Hypertension; oedema.

Berlin-Chemie, Ger.; Roche, Switz.
⊗ Torasemide (p.1415·3) or torasemide sodium (p.1416·1).
Heart failure; hypertension; oedema; renal failure.

Toremol *Niadas, Gr.*
Glimepiride (p.441·1).
Diabetes mellitus.

Torendo *KRKA, Hung.*
Risperidone (p.1024·2).

Torental *Sanofi-Aventis, Belg.; Sanofi-Aventis, Fr.*
Pentoxifylline (p.1367·2).
Intermittent claudication; mental function impairment in the elderly; vascular disorders.

Torfan H *Abbott, Arg.†.*
Pseudoephedrine hydrochloride (p.1571·2); clofedanol (p.1554·2); guaifenesin (p.1561·3); carbinoxamine maleate (p.570·2); sodium benzoate (p.1630·2).
Formerly contained pseudoephedrine hydrochloride, dextromethorphan hydrobromide, guaifenesin, and carbinoxamine maleate.
Coughs.

Torgyn *Raffo, Arg.*
Clindamycin (p.251·1).
Vaginal bacterial infections.

Torgyn Duo *Monte Verde, Arg.*
Clindamycin (p.251·1); ketoconazole (p.539·1).
Vaginal infections.

Torid *Trima, Israel.*
Atorvastatin (p.1219·1).
Hypercholesterolaemia.

Toridran-N *Streger, Mex.*
Bromhexine (p.1552·2).
Respiratory-tract congestion.

Torimibe *Baliarda, Arg.*
Tablets, atorvastatin calcium (p.1218·3); tablets, ezetimibe (p.1284·3).
Hypercholesterolaemia.

Torin *Veropharm, Rus.*
Sertraline hydrochloride (p.421·3).
Depression; obsessive-compulsive disorder; panic disorder; post-traumatic stress disorder.

Torio *Unison, Thai.*
Simvastatin (p.1390·2).
Hypercholesterolaemia.

Toriol *Lesvi, Spain.*
Ranitidine hydrochloride (p.1766·1).
Acid aspiration; gastric hyperacidity; gastro-oesophageal reflux; gastrointestinal haemorrhage; peptic ulcer; Zollinger-Ellison syndrome.

Torisel *Wyeth, Cz.; Wyeth, Fr.; Wyeth Lederle, Port.; Wyeth, USA.*
Temsirolimus (p.777·2).
Renal cell carcinoma.

Torivas *Baliarda, Arg.*
Atorvastatin calcium (p.1218·3).
Hypercholesterolaemia.

Torkol *Sandoz, Mex.*
Ketorolac trometamol (p.74·2).
Pain.

Torlasporin *Torlan, Spain.*
Cefalexin (p.218·2).
Bacterial infections.

Torlos *Torrent, Braz.*
Losartan potassium (p.1326·1).
Hypertension.

Torlos H *Torrent, Braz.*
⊗ Losartan potassium (p.1326·1); hydrochlorothiazide (p.1307·3).
Hypertension.

Tormentan *Leros, Cz.*
Myrtillus (p.2349·3); tormentil (p.2403·2); burnet (p.2270·3); chamomile (p.2279·3); sage (p.2382·3); peppermint leaf (p.1761·2); liquorice (p.1740·3).
Diarrhoea; dyspepsia; meteorism.

Tormentile Forte *Farmina, Pol.*
Borax (p.2268·1); ichthammol (p.1599·1); tormentil (p.2403·2); zinc oxide (p.1621·2).
Burns; skin disorders; wounds.

Tormentiol *GSK, Pol.*
Borax (p.2268·1); ichthammol (p.1599·1); tormentil (p.2403·2); zinc oxide (p.1621·2).
Wounds.

Tornalate *Dura, USA.*
⊗ Bitolterol mesilate (p.1116·2).
Asthma; bronchospasm.

Tornix *Steierl, Ger.*
Crataegus (p.2289·1); valerian (p.2410·1); passion flower (p.2363·2); rutoside (p.2305·1).
Cardiac disorders.

Torocef *Torrent, Rus.*
Ceftriaxone (p.238·1).
Bacterial infections.

Torolac *Lupin, India.*
Ketorolac trometamol (p.74·2).
Pain.

Torpain *Ikapharmindo, Indon.*
Ketorolac trometamol (p.74·2).
Pain.

Torpas *Sanofi-Aventis, Venez.*
Tiaprofenic acid (p.129·2).
Inflammation; pain.

Torrat *Roche, Ger.†; Roche, Hong Kong†.*
⊗ Metipranolol (p.1883·2); butizide (p.1238·1).
Hypertension.

Torrem *Roche, Belg.*
⊗ Torasemide (p.1415·3).
Hypertension; oedema.

Torsilax *Neo Quimica, Braz.*
Caffeine (p.1116·3); carisoprodol (p.1894·1); diclofenac sodium (p.44·3); paracetamol (p.108·1).

Torva *Liferpal, Mex.*
Ambroxol (p.1550·3); dextromethorphan (p.1555·2).
Cough.

Torvacard *Zentiva, Cz.; Zentiva, Hung.; Zentiva, Pol.; Zentiva, Rus.*
Atorvastatin calcium (p.1218·3).
Hypercholesterolaemia.

Torval *Torrent, Braz.*
Sodium valproate (p.508·2); valproic acid (p.508·2).
Epilepsy.

Torvast *Pfizer, Ital.*
Atorvastatin calcium (p.1218·3).
Hyperlipidaemias.

Torvastin *Biomedica-Chemica, Gr.*
Atorvastatin (p.1219·1).
Hyperlipidaemias.

Torvic *Arlex, Mex.*
Clarithromycin (p.248·2).
Bacterial infections.

Torymycin *Chinta, Thai.*
Doxycycline hyclate (p.267·1).
Bacterial infections.

Tos Mai *Gayoso, Spain.*
Dextromethorphan hydrobromide (p.1555·2); benzocaine (p.1854·1); guaiacol (p.1561·2); sodium benzoate (p.1630·2).
Cough.

Tosambrex *Sertex, Arg.*
Ambroxol hydrochloride (p.1550·3).
Respiratory-tract disorders.

Toscacalm *Genepharm, Gr.*
Tenoxicam (p.128·2).
Gout; inflammation; osteoarthritis; pain; rheumatoid arthritis; spondyloarthropathies.

Toscalmin *Benitol, Arg.*
Bromhexine (p.1552·2).
Coughs.

Toscamycin-R *Genepharm, Gr.*
Roxithromycin (p.331·1).
Bacterial infections.

Toscof *Cipla, India.*
⊗ Bromhexine (p.1552·2); terbutaline sulfate (p.1138·3); ammonium chloride (p.1551·3); menthol (p.2340·1).
Coughs.

Tosdiazina *Clariana, Spain†.*
Tolu balsam (p.1574·2); erythromycin stearate (p.270·1); guaifenesin (p.1561·3).
Respiratory-tract infections.

Tosdrope *Schering-Plough, Port.*
Dexchlorpheniramine maleate (p.572·1); pseudoephedrine sulfate (p.1571·2); guaifenesin (p.1561·3).
Coughs.

Tosedrin Compuesto *Lafedar, Arg.*
Noscapine (p.1566·2); guaifenesin (p.1561·3).
Coughs.

Toseina *Italfarmaco, Port.; Italfarmaco, Spain.*
Codeine phosphate (p.37·2).
Cough.

Tosicalcin *Pharmanel, Gr.*
Calcitonin (p.1093·1).
Hypercalcaemia; osteoporosis; Paget's disease of bone.

Tosidrin *Fardi, Spain.*
Dihydrocodeine tartrate (p.48·1).
Cough.

Tosifan *Precimex, Mex.*
Dextromethorphan hydrobromide (p.1555·2).
Coughs.

Tosifar *Bial, Spain.*
Fominoben hydrochloride (p.1561·1).
Respiratory-tract disorders.

Tosilab *Labomed, Chile†.*
Codeine phosphate (p.37·2); pseudoephedrine hydrochloride (p.1571·2); chlorphenamine maleate (p.571·3).
Coughs.

Tosrhimatiol *Sanofi Synthelabo, Spain†.*
Dextromethorphan hydrobromide (p.1555·2).
Coughs.

Tossamine *Novartis Consumer, Switz.*
Codeine phosphate (p.37·2); noscapine (p.1566·2).
Coughs.

Tossamine plus *Novartis Consumer, Switz.*
⊗ White capsules (daytime), codeine phosphate (p.37·2); noscapine (p.1566·2); *dl*-methylephedrine hydrochloride (p.1564·3); blue capsules (nighttime), codeine phosphate; noscapine; diphenhydramine hydrochloride (p.577·2).
Coughs.

Tossanil *Galenogal, Braz.†.*
Sodium benzoate (p.1630·2); tolu balsam (p.1574·2); guaifenesin (p.1561·3); menthol (p.2340·1).
Coughs.

Tosse *Novartis, Gr.*
Ambroxol (p.1550·3).
Mucolytic.

Tossec *Klonal, Arg.*
Butamirate (p.1553·1).
Coughs.

Tossefluid *Ribex, Ital.†.*
Carbocisteine (p.1553·2).
Catarrh; coughs.

Tossemed *Iodosan, Ital.*
Dextromethorphan hydrobromide (p.1555·2); guaifenesin (p.1561·3).
Coughs.

Tosseque *Medinfar, Port.*
Bromhexine hydrochloride (p.1552·2).
Respiratory-tract congestion.

Tossex *Sarabhai Piramal, India.*
Codeine phosphate (p.37·2); chlorphenamine maleate (p.571·3); menthol (p.2340·1); sodium citrate (p.1673·3).
Coughs.

Tossex-S *Sarabhai Piramal, India.*
Chlorphenamine maleate (p.571·3); codeine phosphate (p.37·2).
Coughs.

Tossilerg *Bunker, Braz.*
Diphenhydramine hydrochloride (p.577·2); ammonium chloride (p.1551·3).
Coughs.

Tossin *Grunenthal, Chile†.*
Codeine (p.37·2); phenyltoloxamine (p.588·1).
Coughs.

Tossivitan *Sedabel, Braz.†.*
Guaifenesin (p.1561·3); potassium iodide (p.2169·2); oxeladin (p.1567·1).
Coughs.

Tossoral *Recordati, Ital.*
Dextromethorphan hydrobromide (p.1555·2).
Coughs.

Tostop *Fabop, Arg.*
Bromhexine (p.1552·2).
Cough.

Tostran *Ferring, Cz.; ProStrakan, Port.; ProStrakan, UK.*
⊗ Testosterone (p.2129·3).
Male hypogonadism.

Tostrex *ProStrakan, Swed.*
⊗ Testosterone (p.2129·3).
Hypogonadism.

Totacef *BMS, Hung.†; BMS, Israel†; BMS, Ital.*
Cefazolin sodium (p.222·1).
Bacterial infections.

Totaforte *Viatris, Neth.†; Sidefarma, Port.†.*
Multivitamin and mineral preparation (p.1922·1).

Total
Note. This name is used for preparations of different composition.
Allergan, Canad.†.
Polyvinyl alcohol (p.2145·3) (p.1622·2).
Cleansing, wetting, and soaking solution for hard and gas permeable contact lenses.

Allergan, USA.
Cleansing, soaking and wetting solution for hard contact lenses (p.1622·2).

Total Care *AMO, Austral.*
A range of preparations for care of hard and gas permeable contact lenses (p.1622·2).

Total Cover Sunblock *Clinique, Canad.*
SPF 30: Octinoxate (p.1608·2); homosalate (p.1598·1); octisalate (p.1608·2); oxybenzone (p.1608·3).
Sunscreen.

Total Eclipse *Triangle, USA.*
SPF 15: Padimate O (p.1609·1); oxybenzone (p.1608·3); lisadimate (p.1604·1).
Sunscreen.

Total Eclipse Moisturizing *Triangle, USA.*
SPF 15: Padimate O (p.1609·1); oxybenzone (p.1608·3); octisalate (p.1608·2).
Sunscreen.

Total Formula *Vitaline, USA.*
A range of vitamin preparations (p.1922·1).

Total Magnesiano *Temis, Arg.*
Magnesium (as halogen salts) (p.1922·1).
Tonic.

Total Magnesiano Antioxidante *Temis, Arg.*
Magnesium lactate; alpha-tocoferil acetate (p.1922·1).
Magnesium and vitamin E deficiency.

Total Magnesiano B6 *Temis, Arg.*
Magnesium citrate (p.1743·2); pyridoxine (p.1979·1).
Magnesium and vitamin B deficiency.

Total Magnesiano E *Temis, Arg.*
Oral powder, magnesium chloride; magnesium sulfate; magnesium phosphate; magnesium carbonate; ginseng; caffeine; tablets, vitamin E (p.1922·1).
Tonic.

Total Magnesiano Energizante *Temis, Arg.*
Vitamin B substances; ascorbic acid; calcium carbonate; magnesium carbonate; magnesium sulfate (p.1922·1).
Tonic.

Total Magnesiano Fem *Temis, Arg.*
Vitamin B substances; vitamin C; calcium carbonate; magnesium carbonate; magnesium sulfate (p.1922·1).
Dietary supplement.

Total Magnesiano con Ginseng *Temis, Arg.*
Magnesium chloride; magnesium sulfate; magnesium phosphate; magnesium carbonate (p.1678·3); ginseng (p.2312·1); caffeine (p.1116·3).

Total Magnesiano Limon *Temis, Arg.*
Magnesium chloride; magnesium fluoride; magnesium sulfate; magnesium phosphate (p.1922·1).
Magnesium deficiency; renal calculi.

Total Magnesiano NF *Temis, Arg.*
Magnesium oxide; vitamin E acetate (p.1922·1).
Magnesium and vitamin E supplement.

Total Magnesiano Sport *Temis, Arg.*
Magnesium (as halogen salts); ginseng; arginine aspartate; citrulline; B vitamins; ascorbic acid; trimethylxanthine; zinc sulfate; cobalt chloride (p.1922·1).
Dietary supplement.

Total Magnesiano Stress *Temis, Arg.*
Magnesium pidolate; thiamine hydrochloride; pyridoxine hydrochloride (p.1922·1).
Magnesium deficiency; renal calculi.

Total Magnesiano con Vit C *Temis, Arg.*
Vitamin C; magnesium carbonate or magnesium chloride; magnesium fluoride; magnesium sulfate; magnesium phosphate (p.1922·1).
Tonic.

Total Magnesiano con Vitaminas y Minerales *Temis, Arg.*
Vitamin and mineral preparation (p.1922·1) with ginseng (p.2312·1).
Tonic.

Total Man *Swiss Bio, Malaysia†.*
Ginseng (p.2312·1); saw palmetto (p.2192·3); sarsaparilla (p.2383·3); centella (p.1592·3); ginkgo biloba (p.2311·1); garlic (p.2309·2); parsley (p.2363·2); damiana (p.2292·1); ginger (p.1732·3); liquorice (p.1740·3); echinacea (p.2298·1); capsicum (p.2276·2).
Prostate disorders; tonic.

Total Solucion *Amo, Arg.; Visiontech, Arg.*
Polyvinyl alcohol (p.2145·3) (p.1622·2).
Cleansing, wetting, and soaking solution for hard and gas permeable contact lenses.

Total Vitamins *Natural Life, Arg.*
Vitamin and mineral preparation (p.1922·1).

Total Woman *Vitaglow, Austral.†.*
A range of multivitamin and mineral preparations (p.1922·1).
Dietary supplement.

Totalbloc Maximum Protection *Creative Brands, Austral.†.*
SPF 15+: Padimate O (p.1609·1); oxybenzone (p.1608·3); avobenzone (p.1589·3).
Sunscreen.

Totalens *Allergan, Braz.†.*
Polyvinyl alcohol (p.2145·3) (p.1622·2).
Cleaning solution for contact lenses.

Totalflora *Roux-Ocefa, Arg.*
Lactobacillus acidophilus (p.2372·3); *Lactobacillus bifidus*; *Bacillus subtilis*; yeast; bacteriophages.
Restoration of gastrointestinal flora.

Totalip *Guidotti, Ital.*
Atorvastatin calcium (p.1218·3).
Hyperlipidaemias.

Totalos Plus *Pierre Fabre, Arg.*
Collagen (p.2286·1); proteoglycans; amino acids; hydroxyapatite (p.2323·1).
Mineral supplement; osteogenesis imperfecta; osteomalacia; osteoporosis.

Totalprost *Teva, Hung.*
Tamsulosin hydrochloride (p.2197·1).
Benign prostatic hyperplasia.

Totam
Hikma, Port.
Cefotaxime sodium (p.228·1).
Bacterial infections.

Cipla-Medpro, S.Afr.†.
Cefotaxime (p.229·1).
Bacterial infections.

Totamine *Baxter, Fr.*
Amino-acid, electrolyte, and vitamin infusion (p.1922·1).
Parenteral nutrition.

Totapen *BMS, Fr.*
Ampicillin sodium (p.204·1) or ampicillin trihydrate (p.204·2).
Bacterial infections.

Totaretic *CP Pharmaceuticals, UK.*
⊗ Atenolol (p.1217·3); chlortalidone (p.1243·3).
These ingredients can be described by the British Approved Name Co-tenidone.
Hypertension.

Totasedan *Recalcine, Chile.*
Bromazepam (p.964·3).
Anxiety.

Totect *TopoTarget, USA.*
Dexrazoxane (p.1443·1).
Reduction of doxorubicin cardiotoxicity.

Totelle *Wyeth, Braz.; Wyeth, Chile; Wyeth, Denm.†; Wyeth Lederle, Ital.†; Wyeth Lederle, Swed.†.*
Estradiol (p.2097·2); trimegestone (p.2135·2).
Menopausal disorders; osteoporosis.

Totelle Ciclico *Wyeth, Arg.; Wyeth, Venez.*
Pink tablets, estradiol (p.2097·2); red tablets, estradiol; trimegestone (p.2135·2).
Menopausal disorders.

Totelle Ciclo *Wyeth, Braz.*
14 Tablets, estradiol (p.2097·2); 14 tablets, estradiol; trimegestone (p.2135·2).
Menopausal disorders; osteoporosis.

Totelle Continuo *Wyeth, Arg.; Wyeth, Chile; Wyeth, Mex.; Wyeth, Venez.*
Estradiol (p.2097·2); trimegestone (p.2135·2).
Menopausal disorders; osteoporosis.

Totelle Cycle *Wyeth Lederle, Belg.†.*
14 Tablets, estradiol (p.2097·2); 14 tablets, estradiol; trimegestone (p.2135·2).
Menopausal disorders; osteoporosis.

Totelle Secuencial *Wyeth, Mex.*
14 Tablets, estradiol (p.2097·2); 14 tablets, estradiol; trimegestone (p.2135·2).
Menopausal disorders; osteoporosis.

Totelle Sekvens *Wyeth, Fin.†; Wyeth Lederle, Norw.†; Wyeth Lederle, Swed.†.*
14 Tablets, estradiol (p.2097·2); 14 tablets, estradiol; trimegestone (p.2135·2).
Menopausal disorders; osteoporosis.

Totelmin *Dovalle, Braz.†.*
Albendazole (p.139·2).
Worm infections.

Totephan
Expanscience, Fr.
Cream: Glycerol; cholesterol; oleic acid; urea (p.1922·1).
Hair and nail tonic.

Expanscience, Fr.
Oral powder: Plant proteins; vitamins; minerals (p.1922·1).
Hair and nail tonic.

Tot'Hema *Innotech, Fr.; Confar, Port.; Innotech, Rus.*
Ferrous gluconate (p.1939·1); manganese gluconate (p.1956·2); copper gluconate (p.1922·1).
Iron-deficiency; iron-deficiency anaemia.

Totifen *Elpen (Ελπεν), Gr.*
Ketoprofen (p.73·1).
Inflammatory disorders.

Totilac *Kalbe, Indon.*
Sodium lactate (p.1673·3); potassium chloride (p.1684·3); calcium chloride (p.1675·2).
Resuscitation in post cardiac surgery.

Totocortin *Winzer, Ger.*
⊗ Dexamethasone sodium phosphate (p.1526·2).
Eye disorders.

Totonik *Pharmaceutical Enterprises, S.Afr.*
Vitamins; potassium glycerophosphate; caffeine; ferrous sulfate (p.1922·1).
Tonic.

Tottizim *SoSe, Ital.*
Ceftazidime (p.234·1).
Gram-negative bacterial infections.

Toularynx
Note. This name is used for preparations of different composition.
Qualiphar, Belg.
Codeine phosphate (p.37·2).
Coughs.

Qualiphar, Belg.
Codeine phosphate (p.37·2); euphorbia (p.2301·3).
Cough.

Touristil *Janssen-Cilag, Belg.*
Cinnarizine (p.573·1); domperidone maleate (p.1726·3).
Dyspepsia; motion sickness; nausea; sleep disorders; vertigo; vomiting.

Touro LA *Dartmouth, USA.*
Pseudoephedrine hydrochloride (p.1571·2); guaifenesin (p.1561·3).
Coughs and cold symptoms.

Touro A & H *Dartmouth, USA.*
Pseudoephedrine hydrochloride (p.1571·2); brompheniramine maleate (p.569·2).
Allergic rhinitis; nasal congestion.

Touro Allergy *Dartmouth, USA.*
Pseudoephedrine hydrochloride (p.1571·2); brompheniramine maleate (p.569·2).
Rhinitis; upper respiratory-tract congestion.

Touro CC *Dartmouth, USA.*
Pseudoephedrine hydrochloride (p.1571·2); dextromethorphan hydrobromide (p.1555·2); guaifenesin (p.1561·3).
Coughs; nasal congestion.

Touro DM *Dartmouth, USA.*
Dextromethorphan hydrobromide (p.1555·2); guaifenesin (p.1561·3).
Coughs.

Touro Ex *Dartmouth, USA†.*
Guaifenesin (p.1561·3).
Coughs.

Touxium Antitussivum *SMB, Belg.*
Dextromethorphan hydrobromide (p.1555·2).
Coughs.

Toux-San *Sandipro, Belg.*
Dextromethorphan hydrobromide (p.1555·2).
Coughs.

Tovalt *Biovail, USA.*
Zolpidem tartrate (p.1037·3).
Insomnia.

Tovene *Stada, Ger.*
Diosmin (p.2304·2).
Venous insufficiency.

Toverine *TO-Chemicals, Thai.*
Drotaverine hydrochloride (p.2298·1).
Smooth muscle spasm.

Toviaz
Pfizer, Cz.
Fesoterodine (p.2188·2).
Bladder hyperactivity.

Pfizer, Port.; Pfizer, UK.
Fesoterodine fumarate (p.2188·2).
Bladder hyperactivity; bladder instability.

T.O.Vir *TO-Chemicals, Thai.*
Zidovudine (p.913·3).
HIV infection.

Toxal *Rayere, Mex.†.*
Oxolamine (p.1567·1).
Coughs.

Toxam *LA, Arg.†.*
Bromhexine (p.1552·2); clofedanol (p.1554·2).
Cough.

Toxambay *LA, Arg.*
Bromhexine (p.1552·2); clofedanol (p.1554·2).
Cough.

Toxepasi *Roche, Ital.†.*
Cogalactoisomerase sodium (p.2285·3).
Hyperbilirubinaemia.

Toxex *Pekana, Ger.†.*
Homoeopathic preparation.

Toxicarb *SERB, Fr.; IFET (ΙΦΕΤ), Gr.*
Activated charcoal (p.1435·2).
Poisoning.

Toxicerna *Fides, Ger.†.*
Homoeopathic preparation.

Toxicol *Eagle, Austral.*
Vitamin B substances with mineral, herbal, and nutritional agents (p.1922·1).

toxi-loges
Note. This name is used for preparations of different composition.
Loges, Ger.
Injection; oral drops; tablets: Homoeopathic preparation.
The injection was formerly known as toxi-L 90 N.

Loges, Ger.
Oral liquid: Echinacea purpurea (p.2298·1).
Respiratory- and urinary-tract infections.

Toximer
Note. This name is used for preparations of different composition.
Ratiopharm, Austria.
Suppositories: Paracetamol (p.108·1); codeine phosphate (p.37·2).
Pain.

Ratiopharm, Austria.
Tablets: Propyphenazone (p.119·3); paracetamol (p.108·1); codeine phosphate (p.37·2).
Fever; pain.

Toximer C *Merckle, Ger.†.*
Paracetamol (p.108·1); caffeine (p.1116·3).
Pain.

Toxiselect *Dreluso, Ger.*
Homoeopathic preparation.

Toxogonin *Merck, Austria; Merck, Chile; Merck, Cz.; Merck, Ger.; Merck, Neth.; Merck, S.Afr.; Merck, Swed.*
Obidoxime chloride (p.1456·2).
Organophosphorus poisoning.

Toxogonine *Merck, Switz.*
Obidoxime chloride (p.1456·2).
Organophosphorus poisoning.

Toxol *Antibioticos, Mex.*
Amoxicillin trihydrate (p.202·2); ambroxol hydrochloride (p.1550·3).
Respiratory-tract infections.

Toxolen *Drovepat, Venez.†.*
Oxolamine (p.1567·1).
Cough.

Tozolden *Denver, Arg.*
⊗ Atenolol (p.1217·3).
Angina pectoris; arrhythmias; hypertension; myocardial infarction.

T+P *Lamda (Λαμδα), Gr.*
⊗ Timolol (p.1413·1); pilocarpine (p.1884·3).
Glaucoma.

TP-1 *Serono, Cz.†.*
Thymostimulin (p.2401·3).
Immunotherapy.

TPE 1800 GX *Baxter, Ger.†.*
Amino-acid, carbohydrate, and electrolyte infusion (p.1922·1).
Parenteral nutrition.

TPH *Baxter, Ital.*
Amino-acid infusion (p.1922·1).
Parenteral nutrition for neonates and infants.

T-Phyl *Purdue Frederick, USA.*
Theophylline (p.1140·1).
Asthma; bronchospasm.

TP-Ophtal *Winzer, Ger.*
⊗ Pilocarpine hydrochloride (p.1884·3); timolol maleate (p.1412·3).
Glaucoma; ocular hypertension.

TPT *Elvetium, Arg.†.*
Topotecan (p.780·2).
Malignant neoplasms.

Trabar *Mepha, Cz.†; Mepha, Israel.*
Tramadol hydrochloride (p.130·3).
Pain.

Trabecan *Teva, Hung.*
Alendronate sodium (p.1088·1).
Osteoporosis.

Trabex *Guidotti, Spain.*
Calcium phosphate (p.1676·2); colecalciferol (p.1986·2).
Calcium and vitamin D deficiency; osteoporosis.

Trabilin *Mepha, Braz.*
Tramadol hydrochloride (p.130·3).

Trabit
Note. This name is used for preparations of different composition.
Mepha, Thai.†.
Injection: ⊗ Ampoule A, phenylbutazone sodium (p.117·1); salamidacetic acid (p.121·2); dexamethasone (p.1526·1); ampoule B, vitamin B (p.1980·2).
Lidocaine hydrochloride (p.1862·3) is included in each ampoule to alleviate the pain of injection.
Musculoskeletal and joint disorders.

Mepha, Thai.†.
Rectal capsules: ⊗ Phenylbutazone (p.117·1); dexamethasone (p.1526·1); vitamin B (p.1980·2).
Musculoskeletal and joint disorders.

Trablok *Lemery, Mex.*
Atracurium besilate (p.1902·1).
Competitive neuromuscular blocker.

Trabona *Leiras, Fin.†.*
Diclofenac sodium (p.44·3).
Inflammation; musculoskeletal and joint disorders; pain.

Trac Tabs 2X *Hyrex, USA†.*
Methenamine (p.298·3); salol (p.122·1); atropine sulfate (p.1219·3); hyoscyamine sulfate (p.1736·1); benzoic acid (p.1630·2); methylthioninium chloride (p.1450·3).
Urinary-tract infections.

Tracefusin *Pisa, Mex.*
Trace-element preparation (p.1922·1).

Tracel *Fresenius Kabi, Denm.; Fresenius Kabi, Fin.; Fresenius Kabi, Norw.; Fresenius Kabi, Swed.*
Trace-element preparation (p.1922·1).
Parenteral nutrition.

Tracelyte *Sanderson, Chile.*
Trace element preparation (p.1922·1).
Parenteral nutrition.

Tracetin *Otto, Indon.*
Neomycin sulfate (p.305·1); bacitracin (p.210·3).
Skin infections.

Tracheo Fresh *Rappai, Switz.†.*
Sea salt (p.1686·1).
Tracheal lubricant; tracheostomy care.

Trachiform *Philopharm, Ger.†.*
Cetylpyridinium chloride (p.1635·1); benzocaine (p.1854·1); mint oil (p.2345·2); menthol (p.2340·1).
Mouth and throat disorders.

Trachisan
Note. This name is used for preparations of different composition.
Engelhard, Cz.
Lidocaine hydrochloride (p.1862·3).
Mouth and throat disorders.

Engelhard, Ger.†; Farmasyn, Gr.; Engelhard, Hong Kong†; Engelhard, Malaysia†; Engelhard, Switz.†.
Chlorhexidine gluconate (p.1635·3); lidocaine hydrochloride (p.1862·3); tyrothricin (p.358·2).
Mouth and throat disorders.

Engelhard, Singapore†.
Gargle: Chlorhexidine gluconate (p.1635·3); lidocaine hydrochloride (p.1862·3).
Mouth and throat disorders.

Engelhard, Singapore.
Lozenges: Chlorhexidine gluconate (p.1635·3); lidocaine (p.1862·3); tyrothricin (p.358·2).
Mouth and throat disorders.

Trachisan Halsschmerztabletten *Engelhard, Ger.*
Lidocaine hydrochloride (p.1862·3).
Sore throat.

Trachisan N *Engelhard, Ger.†.*
Chlorhexidine gluconate (p.1635·3).
Mouth and throat disorders.

Trachitol *Kernpharm, Neth.*
Lidocaine hydrochloride (p.1862·3); alum (p.2254·1); propyl hydroxybenzoate (p.1649·2).
Sore throat.

Trachon *Bernofarm, Indon.*
Itraconazole (p.536·3).
Fungal infections.

Tracidol *YSP, Malaysia.*
Tramadol hydrochloride (p.130·3).
Pain.

Tracilarin *Norma (Νορμα), Gr.†.*
Cefradine (p.233·1).
Bacterial infections.

Tracine *Medicine Products, Thai.*
Tramadol hydrochloride (p.130·3).
Pain.

Tracitrans *Fresenius Kabi, Fr.*
Electrolyte (p.1667·1) and trace element preparation (p.1922·1).
Parenteral nutrition.

Tracitrans Plus
Note. This name is used for preparations of different composition.
Fresenius Kabi, Chile; Fresenius Kabi, Ger.; Fresenius Kabi, Mex.
Electrolyte (p.1667·1) and trace-element preparation (p.1922·1).
Parenteral nutrition.

Fresenius Kabi, Neth.
Trace element preparation (p.1922·1).
Parenteral nutrition.

Tracleer *Actelion, Austral.; Pharma Logistics, Belg.; Actelion, Canad.; Actelion, Cz.; Actelion, Denm.; Orphan, Fin.; Actelion, Fr.; Actelion, Ger.; Actelion, Gr.; Actelion, Hung.; Actelion, Irl.; Actelion, Israel; Actelion, Ital.; Actelion, Malaysia; Healthcare Logistics, NZ; Actelion, Neth.; Actelion, Norw.; Actelion, Port.; Actelion, Singapore; Actelion, Spain; Actelion, Swed.; Actelion, Switz.; Actelion, Thai.; Pharmalink, Thai.; Actelion, UK; Actelion, USA.*
Bosentan (p.1235·2).
Pulmonary hypertension; systemic sclerosis.

Tracne *Interbat, Indon.*
Tretinoin (p.1618·1).
Acne.

Tracnox *Pharlab, Braz.†.*
Itraconazole (p.536·3).
Fungal infections.

Traconal *Ache, Braz.*
Itraconazole (p.536·3).
Fungal infections.

Traconax *Luper, Braz.†.*
Itraconazole (p.536·3).
Fungal infections.

Tracozon *Ariston, Braz.*
Itraconazole (p.536·3).
Fungal infections.

Tracrium *GSK, Arg.; GSK, Austral.; GSK, Austria; GSK, Belg.; GSK, Braz.; GSK, Chile; GSK, Cz.; GSK, Denm.†; GSK, Fr.; GSK, Ger.; GSK, Gr.; GSK, Hong Kong; GSK, Hung.; GSK, India; GSK, Indon.; GSK, Irl.; GSK, Israel; GSK, Ital.; GSK, Malaysia; GSK, Mex.; GSK, NZ; GSK, Neth.; GSK, Philipp.; GSK, Pol.; Wellcome, Port.; GSK, Rus.; GSK, S.Afr.; GSK, Singapore; GSK, Spain; GSK, Swed.; GSK, Switz.; GSK, Thai.; GSK, Turk.; GSK, UK; Glaxo Wellcome, USA.*
Atracurium besilate (p.1902·1).
Competitive neuromuscular blocker.

Tractil *Ronava, Venez.†.*
Thiocolchicoside (p.1898·2).
Muscle spasm.

Tractocile
Ferring, Arg.; Ferring, Austria; Ferring, Belg.; Ferring, Braz.†; Ferring, Cz.; Ferring, Denm.; Ferring, Fin.; Ferring, Fr.; Ferring, Ger.; Detsaves (Ντετσαβες), Gr.; Ferring, Hong Kong; Ferring, Hung.; Ferring, Irl.; Ferring, Ital.; Ferring, Malaysia; Ferring, Mex.; Pharmaco, NZ; Ferring, Neth.; Ferring, Norw.; Ferring, Pol.; Ferring, Port.; Ferring, S.Afr.; Ferring, Spain; Ferring, Swed.; Ferring, Switz.; Ferring, UK.
Atosiban acetate (p.2005·3).
Premature labour.

Tractoduo *Quesada, Arg.*
Bisacodyl (p.1710·1).
Bowel evacuation.

Tractoven
Amnol, Ital.
Capsules: Centella; melilot; rutoside; vitamin E (p.1922·1).
Nutritional supplement.

Amnol, Ital.†.
Cream: Hedera; birch; aesculus; equisetum; myrtillus; centella; vitamin E (p.1922·1).

Tracur *Cristalia, Braz.*
Atracurium besilate (p.1902·1).
Competitive neuromuscular blocker.

Tracurix *Richmond, Arg.*
Atracurium (p.1905·3).
Competitive neuromuscular blocker.

Tracuron *Scott-Cassara, Arg.*
Atracurium (p.1905·3).
Competitive neuromuscular blocker.

Tracutil *Braun, Arg.; Braun, Chile; Braun, Cz.; Braun, Fr.†; Braun, Ger.; Braun, Hung.; Braun, Pol.; Braun, Port.; Braun, Switz.; Braun, Turk.*
Mineral and trace element preparation (p.1922·1).
Parenteral nutrition.

Tracyclin *Phoinix Pharm (Φοινιξ Φαρμ), Gr.*
Tetracycline hydrochloride (p.347·2).
Acne.

Tracyne *Pharmaniaga, Malaysia†; Raza, Malaysia†.*
Tetracycline hydrochloride (p.347·2).
Bacterial infections.

Tradea *Psicofarma, Mex.*
⊗ Methylphenidate hydrochloride (p.2159·2).
Attention-deficit hyperactivity disorder; narcoleptic syndrome.

Tradef *Walmark, Cz.*
Tramadol hydrochloride (p.130·3).
Pain.

Tradelia *Wolff, Ger.*
Estradiol (p.2097·2).
Menopausal disorders.

Tradexol *Columbia, Mex.†.*
Ambroxol hydrochloride (p.1550·3).
Respiratory-tract congestion.

Tradil *Nordic, Swed.*
Dexibuprofen (p.39·2).
Inflammation; pain.

Tradiver *Aurora, Gr.†.*
⊗ Atenolol (p.1217·3).
Angina pectoris; hypertension.

Tradol *Alpharma-Isis, Ger.†; Rowex, Irl.; Grunenthal, Mex.; Shin Poong, Singapore†.*
Tramadol hydrochloride (p.130·3).
Pain.

Tradolan *Lannacher, Austria; Lannacher, Denm.; Nordic Drugs, Fin.; Lannacher, Norw.; Nordic, Swed.*
Tramadol hydrochloride (p.130·3).
Pain.

Tradolgesic *Bangkok Lab & Cosmetic, Thai.*
Tramadol hydrochloride (p.130·3).
Pain.

Tradon *Lilly, Ger.†.*
⊗ Pemoline (p.2161·2).
Hyperactivity in older children.

Tradonal *Meda, Belg.; Asta Medica, Cz.†; Temmler, Cz.†; Asta Medica, Hong Kong†; Viatris, Ital.; Viatris, Neth.; Transfarma, Philipp.; Viatris, Spain; Meda, Thai.; Pharmalink, Thai.*
Tramadol hydrochloride (p.130·3).
Pain.

Tradorec *Recordati, UK.*
Tramadol hydrochloride (p.130·3).
Pain.

Tradosik *Sanbe, Indon.*
Tramadol hydrochloride (p.130·3).
Pain.

Tradox *Andromaco, Chile.*
Lamotrigine (p.485·1).
Epilepsy.

Tradyl *Interbat, Indon.*
Tramadol hydrochloride (p.130·3).
Pain.

Traflan *Bayer, Venez.*
Etofenamate (p.53·1).
Inflammation; pain.

Traflash *Viatris, Ital.*
Tramadol hydrochloride (p.130·3).
Pain.

Trafloxal *Tramedico, Belg.; Tramedico, Neth.*
Ofloxacin (p.310·2).
Bacterial eye infections.

Trafuril *Faran, Gr.†.*
Buspirone hydrochloride (p.965·3).
Anxiety.

Tragesik *Kalbe, Indon.*
Tramadol hydrochloride (p.130·3).
Pain.

Traitement PV *Nigy, Fr.*
Piroctone olamine (p.1610·1).
Dandruff.

Tralen *Pfizer, Braz.; Pfizer, Venez.*
Tioconazole (p.548·2).
Fungal skin infections.

Tralgi *IPI, Indon.*
Mebhydrolin napadisilate (p.584·3).
Allergic disorders.

Tralgiol *Stada, Spain.*
Tramadol hydrochloride (p.130·3).
Pain.

Tralgit *Zentiva, Cz.*
Tramadol hydrochloride (p.130·3).
Pain.

Trali *Pfizer, Arg.*
Sodium picosulfate (p.1771·1).
Bowel evacuation; constipation.

Tralic *Andromaco, Mex.*
Tramadol hydrochloride (p.130·3).
Pain.

Tralinser *Interpharma, Chile.*
Sertraline (p.422·1).
Depression.

Tralodie *GiEnne, Ital.*
Tramadol hydrochloride (p.130·3).
Pain.

Trama *Kade, Ger.*
Tramadol hydrochloride (p.130·3).
Pain.

Tramabene *Ratiopharm, Austria; Ratiopharm, Cz.*
Tramadol hydrochloride (p.130·3).
Pain.

Tramabeta *Betapharm, Ger.*
Tramadol hydrochloride (p.130·3).
Pain.

Tramacet *Janssen-Cilag, Arg.; Janssen-Ortho, Canad.; Janssen-Cilag, Mex.; Janssen-Cilag, S.Afr.; Janssen-Cilag, UK.*
Tramadol hydrochloride (p.130·3); paracetamol (p.108·1).
Fever; pain.

Tramacip *Cipla, India.*
Tramadol hydrochloride (p.130·3).
Pain.

Tramacip Plus *Cipla, India.*
Tramadol hydrochloride (p.130·3); paracetamol (p.108·1).
Pain.

Tramada *Charoen Bhaesaj, Malaysia.*
Tramadol hydrochloride (p.130·3).
Pain.

Tramadex *Dexcel, Israel.*
Tramadol hydrochloride (p.130·3).
Pain.

Tramadil *Union Drug, Thai.*
Tramadol hydrochloride (p.130·3).
Pain.

Tramadin *Ratiopharm, Fin.*
Tramadol hydrochloride (p.130·3).
Pain.

Tramadoc *Docpharm, Ger.*
Tramadol hydrochloride (p.130·3).
Pain.

Tramadolor *Hexal, Austria; Hexal, Ger.; Sandoz, Hung.; Ilsan, Turk.*
Tramadol hydrochloride (p.130·3).
Pain.

Tramadon *Cristalia, Braz.*
Tramadol hydrochloride (p.130·3).
Pain.

Trama-Dorsch *Pharmaselect, Ger.†.*
Tramadol hydrochloride (p.130·3).
Pain.

Tramadura *Merck dura, Ger.*
Tramadol hydrochloride (p.130·3).
Pain.

Tramagetic *Leiras, Fin.; Azupharma, Ger.†; Nycomed, Neth.; Nycomed, Norw.*
Tramadol hydrochloride (p.130·3).
Pain.

Tramagit *Krewel Meuselbach, Cz.; Krewel, Ger.*
Tramadol hydrochloride (p.130·3).
Pain.

Tramahexal *Sandoz, Austral.; Hexal, Pol.; Hexal, S.Afr.*
Tramadol hydrochloride (p.130·3).
Pain.

Tramake *Galen, Irl.; koGen, UK.*
Tramadol hydrochloride (p.130·3).
Pain.

Trama-Klosidol *Bago, Arg.*
Tramadol hydrochloride (p.130·3).
Pain.

Tramal *Altana, Arg.; CSL, Austral.; Grunenthal, Austria; Pfizer, Braz.; Grunenthal, Chile; Grunenthal, Cz.; Leciva, Cz.; Orion, Fin.; Grunenthal, Ger.; Vianex (Βιανεξ), Gr.; Grunenthal, Hong Kong; Grunenthal, Indon.; Pharos, Indon.; Tec-O-Pharm, Israel; Sanofi Synthelabo, Malaysia†; CSL, NZ; Grunenthal, Neth.; Grunenthal, Philipp.; Sanofi Synthelabo, Philipp.; Grunenthal, Pol.; Grunenthal, Port.; Grunenthal, Rus.; Janssen-Cilag, S.Afr.; Grunenthal, Singapore; Grunenthal, Switz.; Sanofi Synthelabo, Thai.; Grunenthal, Venez.*
Tramadol hydrochloride (p.130·3).
Pain.

Tramalan *Hexal, Arg.†.*
Tramadol hydrochloride (p.130·3).
Pain.

Tramalgic *Nycomed, Hung.*
Tramadol hydrochloride (p.130·3).
Pain.

Tramalin *EG, Ital.*
Tramadol hydrochloride (p.130·3).
Pain.

Tramaliv *Teuto, Braz.*
Tramadol hydrochloride (p.130·3).
Pain.

Tramamed *S Med, Austria; Medifive, Thai.*
Tramadol hydrochloride (p.130·3).
Pain.

Tramapine *Pinewood, Irl.*
Tramadol hydrochloride (p.130·3).
Pain.

Tramastad *Stada, Austria.*
Tramadol hydrochloride (p.130·3).
Pain.

Tramax *Pond's, Thai.*
Tramadol hydrochloride (p.130·3).
Pain.

Tramazac *Cadila, India; Zydus, S.Afr.*
Tramadol hydrochloride (p.130·3).
Pain.

Trambo *Alpharma, Fin.*
Tramadol hydrochloride (p.130·3).
Pain.

Tramcod *Polfa Warszawa, Pol.*
Tramadol hydrochloride (p.130·3).
Pain.

Tramed *Bajamed, Mex.*
Tramadol (p.132·1).
Pain.

Tramedo *Alphapharm, Austral.; Pacific, NZ.*
Tramadol hydrochloride (p.130·3).
Pain.

Tramelene *Ethypharm, Neth.*
Tramadol hydrochloride (p.130·3).
Pain.

Tramex *Antigen, Irl.*
Tramadol hydrochloride (p.130·3).
Pain.

Tramic *TO-Chemicals, Thai.*
Tranexamic acid (p.1080·3).
Haemorrhagic disorders.

Tramil *Wyeth Consumer, Irl.*
Paracetamol (p.108·1); caffeine (p.1116·3).
Fever; pain.

Traminer *Ativus, Braz.*
Valerian (p.2410·1).
Anxiety.

Tramisal *Beaufour, Fr.*
Ginkgo biloba (p.2311·1).
Mental function impairment in the elderly; peripheral vascular disorders.

Tramium *SMB, Belg.; SMB, Singapore.*
Tramadol hydrochloride (p.130·3).
Pain.

Tramkor *Samjin, Philipp.; Unimex, Philipp.*
Tramadol hydrochloride (p.130·3).
Pain.

Tramo *Jean-Marie, Hong Kong.*
Tramadol hydrochloride (p.130·3).
Pain.

Tramoda *LBS, Thai.*
Tramadol hydrochloride (p.130·3).
Pain.

Tramsilone *Greater Pharma, Thai.*
⊗ Triamcinolone acetonide (p.1544·3).
Skin disorders.

Tramsone *Hoe, Malaysia.*
⊗ Triamcinolone acetonide (p.1544·3).
Skin disorders.

Tramulief *Sovereign, UK.*
Tramadol (p.132·1).
Pain.

Tramundal *Mundipharma, Austria.*
Tramadol hydrochloride (p.130·3).
Pain.

Tramundin *Mundipharma, Austria; Mundipharma, Cz.; Mundipharma, Ger.; Mundipharma, Malaysia; Mundipharma, Philipp.; Norpharma, Pol.; Mundipharma, Switz.*
Tramadol hydrochloride (p.130·3).
Pain.

Tramus *Dexa, Indon.*
Atracurium besilate (p.1902·1).
Competitive neuromuscular blocker.

Tramy *Neves, Port.*
Tramadol hydrochloride (p.130·3).
Pain.

Tran *Gal, Pol.; Vitamex, Pol.*
Cod-liver oil (p.1935·2).
Vitamin A, D, and E deficiency.

Tran z Olejem Wiesiolkowym *Gal, Pol.†.*
Cod-liver oil (p.1935·2); evening primrose oil (p.2302·1).
Atopic eczema; vitamin A and fatty acid supplement.

Tranalpha *Alphapharm, Austral.*
Trandolapril (p.1416·2).
Hypertension.

Tranarest *Zydus, India.*
Tranexamic acid (p.1080·3).
Fibrinolysis; menorrhagia.

Tranavan *Polipharm, Thai.†.*
Lorazepam (p.1004·1).
Anxiety.

Tranax *Cipla, India.*
Alprazolam (p.960·1).
Anxiety.

Tranazol *Farmasa, Braz.†.*
Itraconazole (p.536·3).
Fungal infections.

Trancap *TP, Thai.*
Dipotassium clorazepate (p.980·1).
Anxiety; dystonias; insomnia; mixed anxiety depressive states.

Tranclor *Siam Bheasach, Thai.*
Dipotassium clorazepate (p.980·1).
Anxiety; dystonias; mixed anxiety depressive states.

Trancolon *Fujisawa, Jpn†.*
Mepenzolate bromide (p.1745·1).
Irritable bowel syndrome.

Trancolon P *Fujisawa, Jpn†.*
Mepenzolate bromide (p.1745·1); phenobarbital (p.492·2).
Irritable bowel syndrome.

Trancon *Condrugs, Thai.*
Dipotassium clorazepate (p.980·1).
Anxiety; dystonias; mixed anxiety depressive states.

Trancopal Dolo *Kade, Ger.*
Flupirtine maleate (p.61·1).
Pain.

Trandate *Sigma, Austral.; GSK, Austria; GSK, Belg.; Shire, Canad.; GSK, Chile; GSK, Cz.; GSK, Denm.; GSK, Fr.; IFET (ΙΦΕΤ), Gr.; Sigma, Hong Kong; UCB, Irl.; GSK, Israel; Teofarma, Ital.; GSK, Malaysia; GSK, NZ; GSK, Neth.; GSK, Norw.; Glaxo Wellcome, Port.†; GSK, S.Afr.; GSK, Singapore; Kern, Spain; GSK, Swed.; GSK, Switz.; UCB, UK; Prometheus, USA; GSK, Venez.†.*
⊗ Labetalol hydrochloride (p.1321·1).
Angina pectoris; controlled hypotension; hypertension.

Trandiur *Teofarma, Ital.*
⊗ Labetalol hydrochloride (p.1321·1); chlortalidone (p.1243·3).
Hypertension.

Trandor *Biolab Sanus, Braz.†.*
Fenoprofen calcium (p.55·2).
Gout; inflammation; musculoskeletal, joint, and peri-articular disorders; pain.

Trandrozine *Asian Pharm, Thai.*
Hydroxyzine hydrochloride (p.581·2).
Anxiety; pruritus.

Trane *Omega, Arg.*
Chlorpropamide (p.438·3).
Diabetes mellitus.

Tranex *Malesci, Ital.*
Tranexamic acid (p.1080·3).
Haemorrhage.

Tranexid *Dexa, Indon.*
Tranexamic acid (p.1080·3).
Fibrinolysis; hereditary angioedema.

Tranfib *Cipla, India.*
Tranexamic acid (p.1080·3).

Tranfib MF *Cipla, India.*
Tranexamic acid (p.1080·3); mefenamic acid (p.80·1).

Trangina *Alpharma, UK.*
Isosorbide mononitrate (p.1318·3).
Formerly known as Monosorb.
Angina pectoris.

Trangorex *Sanofi-Aventis, Spain; Sanofi-Aventis, Venez.*
Amiodarone hydrochloride (p.1210·2).
Arrhythmias.

Tranimet *Royton, Braz.†.*
Cimetidine (p.1716·2).
Peptic ulcer.

Tranject *Merck, S.Afr.*
Diazepam (p.986·3).
Alcohol withdrawal syndrome; premedication; psychoses; status epilepticus; tetanus.

Trankil *Rotexmedica, Philipp.*
Diazepam (p.986·3).
Anxiety; delirium tremens; epilepsy; skeletal muscle spasm; tetanus.

Trankilium *Ni-The, Gr.*
Lorazepam (p.1004·1).
Anxiety disorders; insomnia; status epilepticus.

Trankimazin *Pfizer, Spain.*
Alprazolam (p.960·1).
Anxiety disorders.

Trankitec *Tecnofarma, Mex.*
Magnesium valproate (p.511·3).
Epilepsy.

Tranko-Buskas *Fako, Turk.*
Medazepam (p.1006·1); hyoscine butylbromide (p.1734·1).
Anxiety.

Tranon *Recip, Swed.*
Tranexamic acid (p.1080·3).
Haemorrhagic disorders; hereditary angioedema.

Tranoxy *Biolink, Philipp.*
Oxytocin (p.2015·2).
Labour induction; lactation induction; missed abortion; postpartum haemorrhage.

Tran-Q *Guardian, Indon.*
Buspirone (p.966·2).
Anxiety.

Tranqipam *Pharmacare, S.Afr.*
Lorazepam (p.1004·1).
Alcohol withdrawal syndrome; anxiety; premedication; sedative.

Tranquase *Azupharma, Ger.†.*
Diazepam (p.986·3).
Anxiety; premedication; skeletal muscle spasm.

Tranquil *Pharmadass, UK.*
Magnolia; valerian (p.2410·1); St John's wort (p.422·3).
Formerly contained crataegus, tilia flower, viburnum, and hawthorn oil.

Tranquilyn *Link, UK†.*
⊗ Methylphenidate hydrochloride (p.2159·2).
Attention-deficit hyperactivity disorder.

Tranquinal *Bago, Arg.; Bago, Braz.*
Alprazolam (p.960·1).
Anxiety; insomnia.

Tranquinal Soma *Bago, Arg.*
Alprazolam (p.960·1); sulpiride (p.1028·3).
Psychosomatic disorders.

Tranquirit *Sanofi-Aventis, Ital.*
Diazepam (p.986·3).
Anxiety; epilepsy; insomnia; psychoses.

Tranquital *Novartis Sante, Fr.*
Valerian (p.2410·1); crataegus (p.2289·1).
Insomnia; nervous disorders.

Tranquo *Boehringer Ingelheim, Belg.*
Oxazepam (p.1014·2).
Anxiety disorders.

Transacalm *Norgine, Fr.*
Trimebutine maleate (p.2404·3).
Gastrointestinal disorders.

TransAct *Boots Healthcare, S.Afr.*
Flurbiprofen (p.61·2).
Musculoskeletal, joint, and soft-tissue disorders.

Transact Lat *Abbott, Ital.; Abbott, Port.*
Flurbiprofen (p.61·2).
Musculoskeletal pain; musculoskeletal, joint, peri-articular, and soft-tissue disorders.

TransActLAT *Knoll, Cz.†.*
Flurbiprofen (p.61·2).
Musculoskeletal, joint, peri-articular, and soft-tissue disorders.

Transamin *Nikkho, Braz.; Nikolakopoulos (Νικολακοπουλος), Gr.; Daiichi, Hong Kong; Daiichi, Indon.; Otto, Indon.; Daiichi, Jpn; Daiichi, Malaysia; Daiichi, Thai.*
Tranexamic acid (p.1080·3).
Haemorrhage; inflammation.

Transamine *Fako, Turk.*
Tranexamic acid (p.1080·3).
Haemorrhagic disorders.

Transannon *Pharmacia, Ger.†; Pfizer, Switz.†.*
21 Tablets, conjugated oestrogens (p.2087·2); 7 tablets, inert.
Menopausal disorders; osteoporosis.

Transantor *Antor, Gr.*
Meloxicam (p.80·3).
Inflammatory disorders.

Transbronchin *Viatris, Ger.*
Carbocisteine (p.1553·2).
Respiratory-tract disorders associated with increased or viscous mucus.

Transbroncho *Kalbe, Indon.*
Ambroxol hydrochloride (p.1550·3).
Respiratory-tract disorders with excess or viscous mucus.

Transcalcium *Verisfield, Gr.*
Calcitonin (salmon) (p.1093·1).
Osteoporosis.

Transcop *Recordati, Ital.*
Hyoscine (p.1733·3).
Motion sickness.

TransCyte *Smith & Nephew, UK; Smith & Nephew, USA.*
Bioengineered human skin equivalent (p.1613·3).
Burns.

Transderm Scop *Novartis Consumer, USA.*
Hyoscine (p.1733·3).
Motion sickness.

Transderma B *Szama, Arg.*
⊗ Betamethasone valerate (p.1519·1).
Skin disorders.

Transderma H *Szama, Arg.*
⊗ Hydrocortisone (p.1535·2).
Skin disorders.

Transdermal-NTG *Warner Chilcott, USA.*
Glyceryl trinitrate (p.1296·2).
Angina pectoris.

Transderm-Nitro *Novartis, Canad.; Novartis, Philipp.; Novartis, USA.*
Glyceryl trinitrate (p.1296·2).
Angina pectoris; heart failure; phlebitis.

Transderm-V *Novartis, Canad.*
Hyoscine (p.1733·3).
Motion sickness.

Transdiol *Hexal, Arg.†.*
Estradiol (p.2097·2).
Menopausal disorders.

Transene *Sanofi-Aventis, Ital.*
Dipotassium clorazepate (p.980·1).
Anxiety; insomnia; nervous disorders.

Transfert *Piam, Ital.†.*
Carnitine (p.1932·2).
Carnitine deficiency.

Transformal *Schwabe, Arg.†.*
Ginseng (p.2312·1).
Tonic.

Transiderm-Nitro *Novartis, Austral.; Novartis, Fin.; Novartis, Irl.; Novartis, Neth.; Novartis, Norw.; Novartis, Swed.; Novartis, UK.*
Glyceryl trinitrate (p.1296·2).
Angina pectoris; prophylaxis of phlebitis and extravasation.

Transilane
Note. This name is used for preparations of different composition.
Innotech, Fr.
Ispaghula (p.1737·1).
Constipation.

Innotech, Hong Kong.
Psyllium hemicellulose (p.1737·1).
Constipation.

Transimune *Troikaa, India.*
Azathioprine (p.1818·2).
Auto-immune disorders; organ transplantation.

Transipeg
Note. This name is used for preparations of different composition.
Bayer Consumer, Arg.; Roche, Austria; Bayer, Belg.; Bayer, Fr.; Bayer, Neth.; Roche, Rus.; Mundipharma, Switz.
Macrogol 3350 (p.2336·3); electrolytes (p.1667·1).
Constipation.

Bayer, Port.; Roche, Turk.
Macrogol 3350 (p.2336·3).
Constipation.

Transipen *Demo, Gr.*
⊗ Indapamide (p.1314·1).
Hypertension.

Transix *Christiaens, Belg.*
Senna (p.1769·2).
Bowel evacuation; constipation.

Translipo-Triple *Centaur, India.*
⊗ Beclometasone dipropionate (p.1516·2); clotrimazole (p.530·1); gentamicin sulfate (p.282·1).
Infected skin disorders.

Transmer *Tradiphar, Fr.†.*
⊗ Promethazine hydrochloride (p.588·2); ephedrine hydrochloride (p.1558·2).
Motion sickness.

Transmetil
Boehringer Ingelheim, Arg.†.
Ademetionine (p.2247·1).

Abbott, Cz.; Abbott, Ital.
Ademetionine butanedisulfonate (p.2247·1).
Liver disorders.

Transmin *Vargas, Venez.*
Menthol (p.2340·1); cineole (p.2282·3); camphor (p.2273·2).

Transmuco *Kalbe, Indon.*
Ambroxol hydrochloride (p.1550·3).
Respiratory-tract disorders with excess or viscous mucus.

Transoddi *Lipha Sante, Fr.†.*
Cinametic acid (p.2282·2).
Dyspepsia.

Transorbin *Roche, Gr.†.*
Macrogol (p.2336·3).
Laxative.

Transoxyl *Ferraz, Lynce, Port.†.*
Almitrine dimesilate (p.2149·3); raubasine (p.1386·3).

Trans-Plantar *Westwood-Squibb, Canad.; Prater, Chile†.*
Salicylic acid (p.1612·2).
Keratinisation disorders; plantar warts.

Transpulmin
Note. This name is used for preparations of different composition.
Viatris, Cz.
Eucalyptus oil (p.2301·2); pumilio pine oil (p.2376·3).
Cold symptoms.

Transfarma, Thai.†.
Pipazetate hydrochloride (p.1570·3).
Coughs.

Asta Medica, Braz.†.
Aerosol: Cineole (p.2282·3); menthol (p.2340·1); camphor (p.2273·2).
Coughs.

Ache, Braz.
Suppositories: Camphor (p.2273·2); guaiacol (p.1561·2); cineole (p.2282·3); menthol (p.2340·1).
Respiratory-tract congestion.

Ache, Braz.
Syrup: Guaifenesin (p.1561·3).
Respiratory-tract congestion.

Transpulmin Baby *Viatris, Ger.*
Eucalyptus oil (p.2301·2); pine needle oil (p.2368·2).
Cold symptoms.

Transpulmin Balsam
Note. This name is used for preparations of different composition.
Viatris, Ger.
Cineole (p.2282·3); menthol (p.2340·1); camphor (p.2273·2).
Cold symptoms.

Transfarma, Philipp.
Camphor (p.2273·2); chamomile (p.2279·3); cineole (p.2282·3); menthol (p.2340·1); sage oil (p.2382·3).
Cold and influenza symptoms; cough; respiratory congestion.

Transpulmin Balsamo *Ache, Braz.*
Camphor (p.2273·2); guaiacol (p.1561·2); cineole (p.2282·3); menthol (p.2340·1).
Respiratory-tract congestion.

Transpulmin G *Transfarma, Philipp.*
Guaifenesin (p.1561·3).
Cough.

Transpulmin Kinderbalsam S *Viatris, Ger.*
Eucalyptus oil (p.2301·2); pine needle oil (p.2368·2).
Cold symptoms.

Transpulmin N *Meda, Switz.*
Camphor (p.2273·2); cineole (p.2282·3); menthol (p.2340·1).
Respiratory-tract congestion.

Transpulmina
Note. This name is used for preparations of different composition.
Meda, Port.
Adult and paediatric suppositories; adult ointment: Camphor (p.2273·2); cineole (p.2282·3); menthol (p.2340·1).
Respiratory-tract disorders.

Meda, Port.
Paediatric ointment: Camphor (p.2273·2); cineole (p.2282·3).
Respiratory-tract disorders.

Transpulmina Gola *Bayer, Ital.*
Dequalinium chloride (p.1641·3); menthol (p.2340·1); cineole (p.2282·3).
Mouth and throat infections.

Transpulmina Tosse
Note. This name is used for preparations of different composition.
Bayer, Ital.
Pastilles: Guaifenesin (p.1561·3); menthol (p.2340·1); cineole (p.2282·3); camphor (p.2273·2).
Catarrh; coughs.

Bayer, Ital.
Syrup: Guaifenesin (p.1561·3); menthol (p.2340·1); cineole (p.2282·3).
Catarrh; coughs.

Transtec *Grunenthal, Austria; Grunenthal, Belg.; Grunenthal, Chile; Grunenthal, Cz.; Grunenthal, Denm.; AWD, Ger.; Grunenthal, Ger.; Grunenthal, Hung.; Napp, Irl.; Formenti, Ital.; Grunenthal, Mex.; Grunenthal, Pol.; Grunenthal, Port.; Grunenthal, Rus.; Grunenthal, Spain; Grunenthal, Switz.; Napp, UK.*
⊗ Buprenorphine (p.29·1).
Pain.

Transulose *Axcan, Fr.; Pharmasearch, Neth.*
Lactulose (p.1738·2); liquid paraffin (p.2030·3); white soft paraffin (p.2031·2).
Constipation.

Transvane *Omega, Belg.*
Thurfyl salicylate (p.129·1); hexyl nicotinate (p.63·1); ethyl nicotinate (p.52·1); benzocaine (p.1854·1).
Musculoskeletal, joint, and soft-tissue disorders.

Transvasin *Thornton & Ross, Irl.*
Ethyl nicotinate (p.52·1); hexyl nicotinate (p.63·1); thurfyl salicylate (p.129·1).
Rheumatic and muscular pain; sprains; strains.

Transvasin Heat Rub *Thornton & Ross, UK.*
Ethyl nicotinate (p.52·1); hexyl nicotinate (p.63·1); thurfyl salicylate (p.129·1).
Musculoskeletal and joint pain; sprains; strains.

Transvasin Heat Spray *Thornton & Ross, UK.*
Glycol salicylate (p.62·3); diethylamine salicylate (p.47·2); methyl nicotinate (p.85·3).
Musculoskeletal and joint pain.

Transvercid *Pierre Fabre, Fr.; Pierre Fabre Dermo-Cosmetique, Port.*
Salicylic acid (p.1612·2).
Warts.

Trans-Ver-Sal *Westwood-Squibb, Canad.; Prater, Chile†; Difa, Ital.; Darier, Mex.*
Salicylic acid (p.1612·2).
Calluses; keratinisation disorders; verrucas; warts.

Trans-Ver-Sal AdultPatch *Doak, USA.*
Salicylic acid (p.1612·2).
Verrucas.

Trans-Ver-Sal PediaPatch *Doak, USA.*
Salicylic acid (p.1612·2).
Formerly known as PediaPatch.
Warts.

Trans-Ver-Sal PlantarPatch *Doak, USA.*
Salicylic acid (p.1612·2).
Formerly known as Trans-Plantar.
Warts.

Transvital *Gynopharm, Chile.*
Estradiol (p.2097·2).
Menopausal disorders; osteoporosis.

Transzone *Par, USA.*
Melatonin (p.2338·3).

Trant *Maver, Chile.*
Trazodone hydrochloride (p.424·3).
Depression.

Trantalol *Pinewood, Irl.*
⊗ Atenolol (p.1217·3).
Angina pectoris; arrhythmias; hypertension; myocardial infarction.

Tranvagal *Essex, Chile†.*
Parapenzolate bromide (p.1761·1); chlordiazepoxide (p.968·1).
Gastrointestinal disorders.

Tranvit *Gal, Pol.*
Cod-liver oil (p.1935·2); colecalciferol (p.1986·2); vitamin A (p.1971·2).
Vitamin A and D deficiency.

Tranxal *CTI, Israel.*
Dipotassium clorazepate (p.980·1).
Alcohol withdrawal syndrome; anxiety.

Tranxen *Sanofi-Aventis, Venez.*
Dipotassium clorazepate (p.980·1).
Anxiety.

Tranxene *Sanofi-Aventis, Belg.; Abbott, Canad.†; Sanofi Synthelabo, Cz.†; Sanofi-Aventis, Fr.; Sanofi-Aventis, Gr.; Sanofi Synthelabo, Hong Kong; Boehringer Ingelheim, Irl.†; Sanofi Synthelabo, Mex.; Sanofi Synthelabo, Neth.; Sanofi Synthelabo, Philipp.; Sanofi-Aventis, Pol.; Sanofi-Aventis, Port.; Sanofi Synthelabo, S.Afr.; Sanofi-Aventis, Singapore; Sanofi Synthelabo, Thai.; Boehringer Ingelheim, UK†; Ovation, USA.*
Dipotassium clorazepate (p.980·1).
Agitation; alcohol and drug withdrawal syndromes; anxiety; disturbed behaviour; epilepsy; insomnia; mixed anxiety depressive states; neuroses; premedication; psychoses; seizures; tension; tetanus; tetany.

Tranxilene *Sanofi-Aventis, Braz.; Sanofi Synthelabo, Turk.*
Dipotassium clorazepate (p.980·1).
Alcohol withdrawal syndrome; anxiety; epilepsy.

Tranxilium *Sanofi Synthelabo, Arg.; Sanofi Synthelabo, Austria; Rider, Chile; Sanofi Synthelabo, Ger.; Euro Registratie, Neth.; Sanofi-Aventis, Spain; Sanofi Synthelabo, Switz.*
Dipotassium clorazepate (p.980·1).
Agitation; alcohol withdrawal syndrome; anxiety; convulsions; delirium tremens; insomnia; premedication.

Tranxilium Digest *Sanofi Synthelabo, Arg.*
Dipotassium clorazepate (p.980·1); sulpiride (p.1028·3).
Anxiety; digestive disorders; peptic ulcer.

Tranxilium N *Sanofi Synthelabo, Ger.*
Nordazepam (p.1012·1).
Anxiety; sleep disorders.

Tranzicalm *Vocate, Gr.*
Nimesulide (p.95·3).
Inflammation; musculoskeletal disorders; pain.

Trapanal *Altana, Ger.; Altana, Hung.†.*
Thiopental sodium (p.1795·2).
General anaesthesia.

Trapax *Wyeth, Arg.*
Lorazepam (p.1004·1).
Anxiety; epilepsy; nausea and vomiting; premedication.

Traplicina *Degorts, Mex.†.*
Tetracycline (p.347·1).
Bacterial infections.

Trasedal *Elerte, Fr.†.*
Tramadol hydrochloride (p.130·3).
Pain.

Trasicor *Novartis, Austria; Novartis, Canad.; Novartis, Denm.†; Novartis, Fr.; Novartis, Ger.; Novartis, Gr.; Sanofi Synthelabo, Hung.†; Sandoz, Neth.; Novartis, Spain; Novartis, Switz.; Novartis, Turk.; Amdipharm, UK.*
⊗ Oxprenolol hydrochloride (p.1365·1).
Angina pectoris; anxiety; arrhythmias; hypertension; hyperthyroidism; hypertrophic obstructive cardiomyopathy; myocardial infarction; phaeochromocytoma.

Trasidrex *Goldshield, UK.*
⊗ Oxprenolol hydrochloride (p.1365·1); cyclopenthiazide (p.1254·1).
These ingredients can be described by the British Approved Name Co-prenozide.
Hypertension.

Trasik *Fahrenheit, Indon.*
Tramadol hydrochloride (p.130·3).
Pain.

Trasitensin *Novartis, Austria; Novartis, Ger.†; Novartis, Gr.; Teofarma, Ital.; Novartis, Spain.*
⊗ Oxprenolol hydrochloride (p.1365·1); chlortalidone (p.1243·3).
Hypertension.

Trasitensine *Novartis, Fr.*
⊗ Oxprenolol hydrochloride (p.1365·1); chlortalidone (p.1243·3).
Hypertension.

Traskolan *Jelfa, Pol.†.*
Aprotinin (p.1055·1).
Hyperfibrinolytic haemorrhage.

Trastocir *Ivax, Arg.*
Cilostazol (p.1245·2).
Peripheral vascular disorders.

Trasylol *Bayer, Austral.†; Bayer, Austria†; Bayer, Belg.†; Bayer, Braz.†; Bayer, Canad.†; Bayer, Chile†; Bayer, Cz.†; Bayer, Denm.†; Bayer, Fin.†; Bayer, Fr.†; Bayer, Ger.†; Bayer, Gr.†; Bayer, Hong Kong†; Bayer, Hung.†; Bayer, Indon.; Bayer, Malaysia†; Bayer, Mex.†; Bayer, NZ†; Bayer, Neth.†; Bayer, Pol.†; Bayer, Rus.†; Bayer, S.Afr.†; Bayer, Singapore†; Bayer, Spain†; Bayer, Swed.†; Bayer, Switz.†; Bayer, Thai.†; Bayer, Turk.†; Bayer, UK†; Bayer, USA†; Bayer, Venez.†.*
Aprotinin (p.1055·1).
Antidote to thrombolytic therapy; haemorrhage; reduction of blood loss or transfusion requirements in coronary bypass operations; shock.

Tratacne *Valeant, Arg.*
Tretinoin (p.1618·1); erythromycin (p.269·2).
Acne.

Tratenamin *Duncan, Arg.†.*
Lorazepam (p.1004·1).
Anxiety.

Tratfer *Cazi, Braz.†.*
Ferrous sulfate (p.1939·3).
Iron-deficiency anaemia.

Tratinal *Serral, Mex.*
Pravastatin (p.1375·1).
Hypercholesterolaemia.

Tratobes *Columbia, Arg.*
⊗ Diethylpropion hydrochloride (p.2154·3); fenproporex hydrochloride (p.2157·1); diazepam (p.986·3).
Obesity.

Tratomax
Note. This name is used for preparations of different composition.
Lafedar, Arg.
Pessaries: ⊗ Metronidazole (p.837·1); nystatin (p.543·2); dexamethasone (p.1526·1); lidocaine (p.1862·3); neomycin sulfate (p.305·1).
Vulvovaginal infections.

Lafedar, Arg.
Tablets: Metronidazole (p.837·1); nystatin (p.543·2).
Fungal infections; trichomoniasis.

Tratul *Gerot, Austria.*
Diclofenac (p.44·2) or diclofenac diethylamine (p.44·3) or diclofenac sodium (p.44·3).
Biliary and renal colic; fever; gout; inflammation; musculoskeletal, joint, and peri-articular disorders; pain.

Tratzol *Cazi, Braz.*
Itraconazole (p.536·3).
Fungal infections.

Trauma Relief *Brauer, Austral.†.*
Homoeopathic preparation.

Traumac *Catarinense, Braz.*
Benzocaine (p.1854·1); camphor (p.2273·2); lavender (p.2331·1); turpentine oil (p.2406·3); menthol (p.2340·1); methyl salicylate (p.85·3).
Musculoskeletal and joint disorders.

TraumaCal *Mead Johnson, Austral.†; Novartis Nutrition, Canad.; Mead Johnson, NZ†; Mead Johnson Nutritionals, USA.*
Preparation for enteral nutrition (p.1922·1).
Stress.

Traumacel P *Synapse, Irl.*
Calcium oxidised cellulose (p.1075·1).
Capillary bleeding.

Trauma-cyl *Liebermann, Ger.*
Chamomile oil (p.2279·3); sage oil (p.2382·3); arnica (p.2260·2); aesculus (p.2248·2); hamamelis (p.2318·2).
Soft-tissue injury; vascular disorders.

Trauma-cyl N Complex *Liebermann, Ger.*
Homoeopathic preparation.

Trauma-Dolgit *Dolorgiet, Ger.*
Ibuprofen (p.64·2).
Musculoskeletal and joint disorders; sports injuries.

Traumagel *Sanval, Braz.*
Methyl salicylate (p.85·3); camphor (p.2273·2); turpentine oil (p.2406·3).
Musculoskeletal and joint disorders.

Traumakatt *Kattwiga, Ger.*
Homoeopathic preparation.

Traumal *Novartis Consumer, Ital.†.*
Oxerutins (p.2304·3); a heparinoid (p.1305·2).
Bruises; sprains.

Traumalgyl *Pharmadeveloppement, Fr.*
Mephenesin (p.1897·2); diethylamine salicylate (p.47·2); lidocaine (p.1862·3).
Muscular pain.

Traumalitan *3M, Ger.†.*
Heparin sodium (p.1301·2).
Soft-tissue injury; superficial vascular disorders.

Traumalix *Drossapharm, Switz.*
Etofenamate (p.53·1).
Peri-articular and soft-tissue disorders.

TraumAmine *Eczacibasi-Baxter, Turk.*
Amino-acid infusion (p.1922·1).
Parenteral nutrition.

Traumanase *Cassella-med, Ger.; Aventis, Switz.*
Bromelains (p.2269·1).
Inflammation; oedema.

Traumaplant *Kwizda, Austria; Harras-Curarina, Cz.; Harras-Curarina, Ger.; Cofasa, Venez.*
Comfrey (p.2286·3).
Musculoskeletal, joint, and soft-tissue disorders; wounds.

Trauma-Puren *Alpharma-Isis, Ger.†.*
Heparin sodium (p.1301·2); menthol (p.2340·1); glycol salicylate (p.62·3).
Haematoma; inflammation; phlebitis.

Traumaril *Madaus, Cz.†.*
Sodium aescinate (p.2248·2).
Cerebral trauma; inflammation; oedema.

Trauma-Salbe kuhlend *Mayrhofer, Austria.*
Methyl salicylate (p.85·3); camphor (p.2273·2); menthol (p.2340·1).
Musculoskeletal, joint, and soft-tissue disorders.

Trauma-Salbe Rodler 301 N *Woelm, Ger.†.*
Camphor (p.2273·2); menthol (p.2340·1); methyl salicylate (p.85·3).
Cold symptoms; musculoskeletal, joint, and peri-articular disorders.

Trauma-Salbe Rodler 302 N *Woelm, Ger.†.*
Camphor (p.2273·2); turpentine oil (p.2406·3); eucalyptus oil (p.2301·2).
Muscle and joint injuries.

Trauma-Salbe warmend *Mayrhofer, Austria.*
Methyl salicylate (p.85·3); capsicum (p.2276·2); turpentine oil (p.2406·3).
Musculoskeletal, joint, and soft-tissue disorders.

Traumasenex *Riemser, Ger.*
Glycol salicylate (p.62·3).
Rheumatism; soft-tissue disorders.

Traumasept *Wolff, Ger.*
Povidone-iodine (p.1659·2).
Burns; skin and mucous membrane disinfection; skin infections; ulcers; vaginal infections; wounds.

Traumasik *Medikon, Indon.*
Tramadol (p.132·1).
Pain.

Traumasive *Hexal, Ger.*
Hydrocolloid dressing.
Burns; wounds.

Traumazol *Chinoin, Mex.*
Ethyl chloride (p.1861·2).
Local anaesthesia; muscle cramps; soft-tissue disorders.

Traumazym *Mucos, Austria.*
Rutoside (p.2305·1); bromelains (p.2269·1); trypsin (p.2405·3).
Inflammation; musculoskeletal and joint disorders; pain; thrombophlebitis.

Traumed *Herbarium, Braz.†.*
Arnica (p.2260·2); ginkgo biloba (p.2311·1); aesculus (p.2248·2); menthol (p.2340·1); camphor (p.2273·2).

Traumeel *Peithner, Austria; Heel, Cz.; Heel, Neth.; Heel, USA; Biotecnoquimica, Venez.*
Homoeopathic preparation.

Traumeel S *Heel, Ger.; Heel, S.Afr.*
Homoeopathic preparation.

Traumicid
Note. This name is used for preparations of different composition.
Sanofi Pasteur, Chile.
Clonixin lysine (p.37·1).
Inflammation; pain.

Montefarmaco, Ital.†.
Methylbenzethonium chloride (p.1653·1); chlorothymol (p.1640·1).
Wound disinfection.

Traumon *Kolassa, Austria; Bayer, Cz.; Tropon, Ger.; Goodwill, Hung.†; Bayer, Pol.*
Etofenamate (p.53·1).
Musculoskeletal, joint, peri-articular, and soft-tissue disorders.

Traumox *Medpro, S.Afr.*
Naproxen (p.92·3).
Dysmenorrhoea; gout; musculoskeletal, joint, and peri-articular disorders.

Traumselamin *Biosel, Turk.*
Amino-acid infusion (p.1922·1).
Parenteral nutrition.

Trausan *Vitoria, Port.*
Citicoline sodium (p.2283·3).
Cerebrovascular disorders.

Travacalm *Key, Austral.*
Dimenhydrinate (p.576·2); hyoscine hydrobromide (p.1734·1); caffeine (p.1116·3).
Motion sickness.

Travacalm HO *Key, Austral.*
Hyoscine hydrobromide (p.1734·1).
Motion sickness.

Travacalm Natural *Key, Austral.*
Ginger (p.1732·3).
Motion sickness.

Travad
Note. This name is used for preparations of different composition.
Baxter, Austral.†.
Monobasic sodium phosphate (p.1682·3); dibasic sodium phosphate (p.1682·3).
Bowel evacuation.

Baxter, Mex.†.
Sodium citrate (p.1673·3); sodium phosphate (p.1682·3).
Bowel evacuation.

Travahex *Baxter, Fin.*
Chlorhexidine acetate (p.1635·2).
Skin, wound, and mucous membrane disinfection.

Travamin *Rekah, Israel.*
Dimenhydrinate (p.576·2).
Motion sickness; radiation sickness.

Travamine *ICN, Canad.†.*
Dimenhydrinate (p.576·2).

Travasept *Baxter, Israel; Baxter, UK.*
Cetrimide (p.1634·1); chlorhexidine acetate (p.1635·2).
Disinfection of burns and wounds; skin disinfection.

Travasol *Baxter Immuno, Arg.; Baxter, Canad.; Teva, Israel; Baxter, Mex.†; Clintec, Neth.; Baxter, USA.*
Amino-acid infusion with or without carbohydrate and electrolytes (p.1922·1).
Parenteral nutrition.

Travasorb *Clintec, USA.*
A range of preparations for enteral nutrition (p.1922·1).

Travatan *Alcon, Arg.; Alcon, Austral.; Alcon, Austria; Alcon, Belg.; Alcon, Braz.; Alcon, Canad.; Alcon, Chile; Alcon, Cz.; Alcon, Denm.; Alcon, Fin.; Alcon, Fr.; Alcon, Ger.; Alcon, Gr.; Alcon, Hong Kong; Alcon, Hung.; Alcon, Indon.; Alcon, Irl.; Alcon, Israel; Alcon, Ital.; Alcon, Malaysia; Alcon, Mex.; Pacific, NZ; Alcon, Neth.; Alcon, Norw.; Alcon, Philipp.; Alcon, Pol.; Alcon, Port.; Alcon, Rus.; Alcon, S.Afr.; Alcon, Singapore; Alcon Cusi, Spain; Alcon, Swed.; Alcon, Switz.; Alcon, Thai.; Alcon, Turk.; Alcon, UK; Alcon, USA; Alcon, Venez.*
Travoprost (p.1886·1).
Glaucoma; ocular hypertension.

Travazol *Bilim, Turk.*
⊗ Isoconazole nitrate (p.536·2); diflucortolone valerate (p.1529·2).
Infected skin disorders.

Traveget *Cafar, Venez.*
Belladonna (p.2263·3); ergotamine tartrate (p.620·1); phenobarbital (p.492·2).

Travel Aid *WestCan, Canad.†.*
Dimenhydrinate (p.576·2).
Nausea; vomiting.

Travel Sickness
Note. This name is used for preparations of different composition.
Homeocan, Canad.
Homoeopathic preparation.

Cantassium Co., UK.
Ginger (p.1732·3).

Travel Sickness Cocculus L73 *Homeocan, Canad.†.*
Homoeopathic preparation.

Travel Well *M4, Spain.*
Dimenhydrinate (p.576·2).
Motion sickness.

Travelaide *Yauyip, Austral.†.*
Ginger (p.1732·3); cardamom (p.2277·1); slippery elm (p.2388·2).
Motion sickness.

Travelan *Anadis, Austral.*
Bovine colostrum (p.2208·1).
Travellers' diarrhoea.

Travelbac *Healthcare Innovations, UK.*
Bacterial extracts; vitamin B substances; yeast (p.1922·1).
Dietary supplement for travellers.

Traveleeze *Ernest Jackson, UK.*
Meclozine hydrochloride (p.584·3); ginger (p.1732·3).
Motion sickness.

Travel-Gum *Viatris, Austria; Meda, Cz.*
Dimenhydrinate (p.576·2).
Motion sickness; vertigo.

Travelgum *Health-Care, Gr.; Viatris, Ital.*
Dimenhydrinate (p.576·2).
Motion sickness; nausea and vomiting.

Travelin *VSM, Neth.*
Homoeopathic preparation.

Travella *Nelson, UK.*
Homoeopathic preparation.

Travello *Pharmacia, Denm.†; Pfizer, Norw.; Pfizer, Swed.*
Loperamide hydrochloride (p.1741·1).
Diarrhoea.

Travelmin *Roux-Ocefa, Arg.*
Betahistine hydrochloride (p.2265·1).
Ménière's disease; vertigo.

Travert *Baxter, USA.*
Invert sugar (p.1949·1); electrolytes (p.1667·1).
Carbohydrate source; fluid and electrolyte disorders.

Travex *Meda, Port.*
Tramadol hydrochloride (p.130·3).
Pain.

Travex One *Tropon, Ger.; Viatris, Ger.*
Tramadol hydrochloride (p.130·3).
Pain.

Traviata *Andromaco, Chile.*
Paroxetine hydrochloride (p.414·2).
Depression; obsessive-compulsive disorder; panic attacks; social phobia.

Travilan *Anfarm, Gr.*
Ceftriaxone sodium (p.237·1).
Bacterial infections.

Travisco *Farmalab, Braz.; Master Pharma, Ital.*
Trapidil (p.1416·3).
Ischaemic heart disease; prevention of restenosis following angioplasty; thromboembolism prophylaxis.

Travocort *Schering, Austria; Schering, Belg.; Intendis, Ger.; Schering, Gr.; Schering, Hong Kong; Schering, Indon.; Schering, Irl.; Intendis, Ital.; Bayer Schering, Malaysia; Schering, Philipp.; Intendis, Pol.; Intendis, Port.; Schering, Rus.; Schering, S.Afr.; Intendis, Singapore; Schering, Switz.; Schering, Thai.; Schering, Turk.*
⊗ Isoconazole nitrate (p.536·2); diflucortolone valerate (p.1529·2).
Skin disorders with fungal infection.

Travogen
Schering, Austria.
Isoconazole (p.536·2) or isoconazole nitrate (p.536·2).
Fungal skin and nail infections.

Schering, Belg.; Asche, Ger.†; Schering, Ger.†; Schering, Gr.; Schering, Hong Kong; Intendis, Ital.; Bayer Schering, Malaysia; Schering, Philipp.; Intendis, Pol.; Schering, Rus.; Intendis, Singapore; Schering, Switz.; Schering, Thai.; Schering, Turk.
Isoconazole nitrate (p.536·2).
Bacterial vaginosis; erythrasma; fungal infections of the skin, vulva, and vagina.

Travogyn *Ativus, Braz.*
Tioconazole (p.548·2); tinidazole (p.848·3).
Formerly contained tioconazole and tiabendazole.
Vaginal infections.

Trawell *Viatris, Switz.*
Dimenhydrinate (p.576·2).
Motion sickness.

Trawell compositum *Meda, Switz.*
Dimenhydrinate (p.576·2); caffeine (p.1116·3); pyridoxine hydrochloride (p.1978·2).
Motion sickness.

Trax *Arlex, Mex.*
Itraconazole (p.536·3).
Fungal infections.

Traxam *Goldshield, Irl.; Wyeth Lederle, Ital.; Goldshield, UK.*
Felbinac (p.54·3).
Musculoskeletal, joint, and peri-articular disorders; soft-tissue injuries.

Traxamic *Systopic, India†.*
Tranexamic acid (p.1080·3).
Fibrinolysis; menorrhagia.

Traxaton *Combustin, Ger.*
Oak bark (p.2355·3).
Diarrhoea.

Traxonol *Geolab, Braz.†.*
Itraconazole (p.536·3).
Fungal infections.

Tray-Te *Gray, Arg.*
Tetracaine hydrochloride (p.1871·3).
Local anaesthesia.

Trazec *Novartis, Cz.; Novartis, Neth.; Novartis, Port.*
Nateglinide (p.455·2).
Diabetes mellitus.

Trazel *Behrens, Venez.*
Trace element preparation (p.1922·1).
Parenteral nutrition.

Trazep *Fahrenheit, Indon.*
Diazepam (p.986·3).
Convulsions; premedication.

Trazer *Pulitzer, Ital.*
Itraconazole (p.536·3).
Fungal infections.

Trazidex *Sophia, Mex.; Elmor, Venez.*
⊗ Tobramycin sulfate (p.354·2); dexamethasone (p.1526·1).
Infected eye disorders.

Trazil
Sophia, Mex.
Tobramycin sulfate (p.354·2).
Bacterial eye infections.

Elmor, Venez.†.
Tobramycin (p.354·1).
Bacterial eye infections.

Trazinac *Sophia, Mex.; Elmor, Venez.*
Diclofenac sodium (p.44·3); tobramycin sulfate (p.354·2).
Adjunct to eye surgery; bacterial eye infections.

Trazo *Medifive, Thai.*
Trazodone hydrochloride (p.424·3).
Anxiety; depression.

Trazodil *Unipharm, Israel.*
Trazodone hydrochloride (p.424·3).
Depression.

Trazograf *Juste, Spain.*
Meglumine amidotrizoate (p.1475·3); sodium amidotrizoate (p.1475·3).
Radiographic contrast medium.

Trazograph *Unique, Rus.*
Meglumine amidotrizoate (p.1475·3) with or without sodium amidotrizoate (p.1475·3).
Radiographic contrast medium.

Trazolan *Continental Pharma, Belg.; Pfizer, Neth.*
Trazodone hydrochloride (p.424·3).
Depression.

Trazone *Tecnifar, Port.*
Trazodone hydrochloride (p.424·3).
Depression.

Trazorel *ICN, Canad.†.*
Trazodone hydrochloride (p.424·3).
Depression.

Trazoteva *Teva Tuteur, Arg.*
Docetaxel (p.710·3).
Breast cancer; non-small cell lung cancer.

Trazyl *Angelini, Ital.*
⊗ Ibopamine hydrochloride (p.1312·1).
Diagnosis of glaucoma; postoperative ocular hypotension; production of mydriasis.

TRD-Contin *Modi-Mundipharma, India.*
Tramadol hydrochloride (p.130·3).
Pain.

Treanda *Cephalon, USA.*
Bendamustine hydrochloride (p.684·1).
Chronic lymphocytic leukaemia.

Trebanol *Collins, Mex.*
⊗ Atenolol (p.1217·3).
Angina pectoris; hypertension; myocardial infarction.

Trebe *Diba, Mex.†.*
Vitamin B substances (p.1922·1).
Neuritis.

Trebon *Unipharma, Gr.*
Acetylcysteine (p.1548·2).
Respiratory disorders associated with viscous mucus.

Trecator *IFET (ΙΦΕΤ), Gr.; Wyeth-Ayerst, USA.*
Ethionamide (p.275·3).
Tuberculosis.

Trecifan *Vocate, Gr.*
Isotretinoin (p.1599·2).
Acne.

Trecloran *Collins, Mex.*
Chloramphenicol (p.239·3); tetracycline (p.347·1).
Bacterial infections.

Treda *Sanfer, Mex.*
Neomycin sulfate (p.305·1); pectin (p.2145·2); kaolin (p.1738·1).
Gastro-enteritis.

Tredalat *Bayer, Ger.*
⊗ Nifedipine (p.1350·1); acebutolol hydrochloride (p.1200·1).
Angina pectoris; hypertension.

Tredemine *Sanofi-Aventis, Fr.; IFET (ΙΦΕΤ), Gr.*
Niclosamide (p.151·1).
Tapeworm infections.

Tredol *Aegis, Hong Kong.*
⊗ Atenolol (p.1217·3).
Angina pectoris; arrhythmias; hypertension; myocardial infarction.

tregor *Hormosan, Ger.*
Amantadine sulfate (p.793·1).
Parkinsonism.

Trekpleister Anti-Worm *Marel, Neth.†.*
Mebendazole (p.148·3).
Worm infections.

Trekpleister APC *Marel, Neth.†.*
Aspirin (p.20·3); paracetamol (p.108·1); caffeine (p.1116·3).
Fever; pain.

Trekpleister Diarreeremmer *Marel, Neth.†.*
Loperamide hydrochloride (p.1741·1).
Diarrhoea.

Trekpleister Hoesttabletten *Marel, Neth.†.*
Bromhexine hydrochloride (p.1552·2).
Respiratory-tract congestion.

Trekpleister Laxeerdragees *Marel, Neth.†.*
Bisacodyl (p.1710·1).
Bowel evacuation; constipation.

Trekzalf *Boots Healthcare, Neth.*
Ichthammol (p.1599·1).
Pustules.

Trelibec *Mintlab, Chile.*
Co-trimoxazole (p.258·1).
Bacterial infections.

Trellium Plus *Breckenridge, USA.*
Phenazopyridine hydrochloride (p.116·2); hyoscyamine hydrobromide (p.1736·1); butalbital (p.967·2).

Treloc *AstraZeneca, Ger.; Promed, Ger.*
⊗ Metoprolol tartrate (p.1338·1); hydrochlorothiazide (p.1307·3); hydralazine hydrochloride (p.1305·3).
Hypertension.

Trelstar
Pfizer, Mex.†.
⊗ Triptorelin (p.2135·2).

Pharmacia, USA.
⊗ Triptorelin embonate (p.2135·3).
Prostatic cancer.

Tremac *Sanovel, Turk.*
Azithromycin (p.207·1).
Bacterial infections.

Tremafarm *Raffo, Chile†.*
Fluoxetine (p.397·3).
Mixed anxiety depressive states.

Tremaril *Novartis, Hung.; LPB, Ital.*
Metixene hydrochloride (p.811·3).
Parkinsonism.

Tremarit *AWD, Ger.*
Metixene hydrochloride (p.811·3).
Parkinsonism and other hyperkinetic disorders.

Tremax *Hexal, Mex.*
Gentamicin sulfate (p.282·1).
Bacterial infections.

Tremblex *Janssen-Cilag, Belg.; Janssen-Cilag, Neth.*
Dexetimide hydrochloride (p.803·2).
Drug-induced extrapyramidal disorders.

Tremenza *Sanbe, Indon.*
Pseudoephedrine hydrochloride (p.1571·2); triprolidine hydrochloride (p.592·3).
Influenza symptoms.

Tremesal *Grunenthal, Venez.*
Doxycycline (p.267·1).
Bacterial infections.

Tremexal *Cosmopharm, Gr.*
Flutamide (p.725·1).
Prostatic cancer.

Tremix *Pliva, Spain.*
Miconazole nitrate (p.541·3).
Fungal skin infections.

Tremoforat *Klein, Ger.†.*
Belladonna (p.2263·3).
Parkinsonism.

Tremonorm *Teva, Rus.*
Levodopa (p.804·3); carbidopa (p.803·1).
Parkinsonism.

Tremopar *Acis, Ger.†.*
Levodopa (p.804·3); carbidopa (p.803·1).
Parkinsonism.

Tremoquil *Astra, Swed.†.*
Metixene hydrochloride (p.811·3).
Parkinsonism.

Tren *YSP, Malaysia.*
Tranexamic acid (p.1080·3).
Haemorrhagic disorders; hereditary angioedema.

Trenantone *Takeda, Austria; Takeda, Ger.*
⊗ Leuprorelin acetate (p.2111·1).
Breast cancer; endometriosis; prostatic cancer; uterine fibroids.

Trenat *Interbat, Indon.*
Pentoxifylline (p.1367·2).
Cerebral and peripheral vascular disorders; vascular eye disorders.

Trenaxin *Yung Shin, Philipp.*
Tranexamic acid (p.1080·3).
Haemorrhagic disorders.

Trendar PMS *Whitehall-Robins, Canad.†.*
⊗ Paracetamol (p.108·1); pamabrom (p.1365·3); mepyramine maleate (p.585·2).
Premenstrual syndrome.

Trendinol *Vita, Spain†.*
Nitrendipine (p.1358·2).
Hypertension.

Trenelone *Schering-Plough, Port.*
Dexchlorpheniramine maleate (p.572·1).
Hypersensitivity reactions.

Trenfyl *Pharos, Indon.*
Pentoxifylline (p.1367·2).
Cerebral and peripheral vascular disorders.

Trenlin *CCM, Hong Kong; CCM, Malaysia; CCM, Singapore.*
Pentoxifylline (p.1367·2).
Cerebral and peripheral vascular disorders.

Trentadil *Christiaens, Belg.; UCB, Fr.*
Bamifylline hydrochloride (p.1116·1).
Asthma; obstructive airways disease.

Trental *Aventis, Arg.; Aventis, Austral.; Aventis, Austria; Sanofi-Aventis, Braz.; Aventis, Canad.; Sanofi-Aventis, Chile; Sanofi-Aventis, Cz.; Aventis, Denm.; Sanofi-Aventis, Fin.; Aventis, Ger.; Aventis, Hong Kong; Sanofi-Aventis, Hung.; Aventis, India; Sanofi-Aventis, Indon.; Sanofi-Aventis, Irl.; Aventis, Israel; Sanofi-Aventis, Ital.; Sanofi-Aventis, Malaysia; Aventis, Mex.; Aventis, NZ; Aventis, Neth.; Aventis, Norw.; Aventis, Philipp.; Sanofi-Aventis, Pol.; Sanofi-Aventis, Port.; Aventis, Rus.; Aventis, S.Afr.; Sanofi-Aventis, Singapore; Aventis, Switz.; Aventis, Thai.; Aventis, Turk.; Aventis, UK; Hoechst Marion Roussel, USA; Sanofi-Aventis, Venez.*
Pentoxifylline (p.1367·2).
Cerebral and peripheral vascular disorders; circulatory disorders of the eye or ear; inner ear disorders; intermittent claudication; otosclerosis; stroke.

Trentilin *Santa, Turk.*
Pentoxifylline (p.1367·2).
Vascular disorders.

Trentin *Ikapharmindo, Indon.*
Tretinoin (p.1618·1).
Acne.

Trentox *Ferron, Indon.*
Pentoxifylline (p.1367·2).
Intermittent claudication.

Trenxy *Darya-Varia? Danpac, Indon.*
Pentoxifylline (p.1367·2).
Peripheral vascular disorders.

Treo
Note. This name is used for preparations of different composition.
Pfizer, Denm.; Pfizer, Fin.; Pfizer, Swed.
Aspirin (p.20·3); caffeine (p.1116·3).
Fever; pain.

Biopharm, USA.
SPF 15; SPF 30; SPF 8: Octocrilene (p.1608·3); octinoxate (p.1608·2); oxybenzone (p.1608·3); octisalate (p.1608·2); citronella oil (p.2284·2).
Sunscreen.

Treo comp *Pfizer, Swed.*
Aspirin (p.20·3); codeine phosphate (p.37·2); caffeine (p.1116·3).
Pain.

Treomycin *Chew, Thai.*
Thiamphenicol (p.351·1).
Bacterial infections.

Trepal *Okasa, Thai.; TTN, Thai.*
Pentoxifylline (p.1367·2).
Vascular disorders.

Trepar *Korea United, Philipp.*
Dactinomycin (p.707·2).
Malignant neoplasms.

Treparin *NCSN, Ital.*
Sulodexide (p.1406·3).
Thrombosis prophylaxis.

Trepetan *Alpharma, Mex.*
Pancreatin (p.2360·1).
Pancreatic insufficiency.

Trepidan *Max Farma, Ital.*
Prazepam (p.1019·3).
Anxiety.

Trepiline *Pharmacare, S.Afr.*
Amitriptyline hydrochloride (p.376·1).
Mixed anxiety depressive states.

Trepina *Alpharma, Mex.*
Carbamazepine (p.471·3).
Alcohol withdrawal syndrome; bipolar disorder; diabetes insipidus; diabetic neuropathy; epilepsy; neuralgia.

Trepol *Lemery, Mex.*
Dipyridamole (p.1268·1).
Cardiovascular disorders.

Trepress *Novartis, Austria; Sandoz, Ger.*
⊗ Oxprenolol hydrochloride (p.1365·1); hydralazine hydrochloride (p.1305·3); chlortalidone (p.1243·3).
Hypertension.

Tres *Sandoz, Philipp.*
1 Tablet, rifampicin (p.325·3); isoniazid (p.288·1) (Rimactazid); 1 tablet, ethambutol (p.275·2).
Tuberculosis.

Tres Orix Forte *Almirall, Hong Kong; Almirall, Spain†.*
Cyproheptadine orotate (p.575·2); amino acids and vitamins (p.1922·1).
Anorexia; constitutional thinness; growth retardation; tonic; weight loss.

Tres-Be
Note. This name is used for preparations of different composition.
Cafar, Venez.
Capsules: Cobamamide (p.1980·2); benfotiamine (p.1975·2); pyridoxal phosphate (p.1978·2).
Neuritis.

Cafar, Venez.
Injection: Cobamamide (p.1980·2); thiamine hydrochloride (p.1976·1); pyridoxine hydrochloride (p.1978·2).
Neuritis.

Tresite F *Temis, Arg.*
⊗ Liothyronine (p.2174·2); flumetasone pivalate (p.1531·1).
Skin disorders.

Tresivac *Serum Institute, India.*
A live attenuated measles, mumps, and rubella vaccine (p.2223·1).
Active immunisation.

Tresleen *Pfizer, Austria.*
Sertraline hydrochloride (p.421·3).
Depression; obsessive-compulsive disorder; panic attacks; post-traumatic stress disorder; social phobia.

Tresos B *Eagle, Austral.*
Vitamin, amino-acid, and mineral preparation (p.1922·1).
Dietary supplement.

Tressliv *Cifarma, Braz.*
Multivitamin and mineral preparation (p.1922·1).

Tretax *Teva, Cz.†.*
Altretamine (p.678·2).
Ovarian cancer.

Tretin *Gerolymatos, Gr.*
Isotretinoin (p.1599·2).
Acne.

Tretinac *Spirig, Switz.*
Isotretinoin (p.1599·2).
Acne.

Tretinak *Medicine & Business, Hung.*
Isotretinoin (p.1599·2).
Acne.

Tretinax *Roemmers Rowe, Venez.*
Tretinoin (p.1618·1).
Acne.

Tretinex *Medana, Pol.*
Isotretinoin (p.1599·2).
Acne.

Tretinoderm *Defuen, Arg.*
Tretinoin (p.1618·1).
Acne; photodamaged skin.

Tretinon *YSP, Malaysia.*
Tretinoin (p.1618·1).
Acne.

Tretin-X *Triax, USA.*
Tretinoin (p.1618·1).
Acne.

Treupel Dolo Ibuprofen *Meda, Switz.*
Ibuprofen (p.64·2).
Fever; inflammation; pain.

Treupel Dolo Paracetamol *Viatris, Switz.*
Paracetamol (p.108·1).
Fever; pain.

Treupel Grippe *Meda, Switz.*
Aspirin (p.20·3); paracetamol (p.108·1); ascorbic acid (p.1983·3).
Cold symptoms.

Treupel sans codeine *Asta Medica, Switz.†.*
Aspirin (p.20·3); paracetamol (p.108·1).
Fever; pain.

Treupel simplex *Viatris, Switz.†.*
Aspirin (p.20·3); paracetamol (p.108·1); ascorbic acid (p.1983·3).
Cold symptoms.

Treuphadol *Treupha, Switz.*
Paracetamol (p.108·1).
Fever; pain.

Treuphadol Plus *Treupha, Switz.*
Paracetamol (p.108·1); codeine phosphate (p.37·2).
Pain.

Trevilor *Wyeth, Ger.*
Venlafaxine hydrochloride (p.427·3).
Anxiety; depression; panic disorder; social phobia.

Trevina *Orion, Denm.*
70 Tablets, estradiol valerate (p.2097·3); 14 tablets, estradiol valerate; medroxyprogesterone acetate (p.2113·1); 7 tablets, inert.
Menopausal disorders; osteoporosis.

Trev-Iron *Metro, Philipp.*
Ferrous fumarate (p.1938·3); vitamin B substances (p.1922·1).
Anaemias; dietary supplement.

Trevis *Kolassa, Austria; Unilab, Hung.*
Lactobacillus acidophilus (p.2372·3); *Bifidobacterium animalis*; *Lactobacillus bulgaricus* (p.2372·3); *Streptococcus thermophilus* (p.2372·3).
Diarrhoea.

Trex *Saval, Chile.*
Azithromycin (p.207·1).
Bacterial infections.

Trexall *Barr, USA.*
Methotrexate (p.745·2).
Malignant neoplasms; psoriasis; rheumatoid arthritis.

Trexan
Note. This name is used for preparations of different composition.
Orion, Fin.; Orion, Hung.; Orion, Pol.
Methotrexate (p.745·2).
Graft-versus-host disease; malignant neoplasms; psoriasis; psoriatic arthritis; rheumatoid arthritis; transplant rejection.

BMS, Malaysia†; BMS, Singapore†; Du Pont, USA.
Naltrexone hydrochloride (p.1455·2).
Opioid dependence.

Atafarm, Turk.
Methotrexate sodium (p.745·2).
Malignant neoplasms; psoriasis; rheumatoid arthritis.

Trexen *Asofarma, Mex.*
Clindamycin phosphate (p.251·2).
Bacterial vaginitis.

Trexen Duo *Asofarma, Mex.*
Clindamycin phosphate (p.251·2); ketoconazole (p.539·1).
Vaginal infections.

Trexeron *Itaca, Braz.†.*
Methotrexate (p.745·2).
Malignant neoplasms; rheumatoid arthritis.

Trexil *Medic+Aid, Philipp.*
Amoxicillin trihydrate (p.202·2).
Bacterial infections.

Trexina *Vitarum, Arg.*
Cefalexin (p.218·2).
Bacterial infections.

Trexirol NF *Armstrong, Arg.†.*
Amoxicillin trihydrate (p.202·2); ambroxol hydrochloride (p.1550·3).
Respiratory-tract infections.

Trexofin *Cheil, Singapore.*
Ceftriaxone sodium (p.237·1).
Bacterial infections.

Trexol *Atlantis, Mex.*
Tramadol hydrochloride (p.130·3).
Pain.

Trexydin *Ranbaxy, Malaysia†.*
Terfenadine (p.590·3); pseudoephedrine hydrochloride (p.1571·2).
Allergic rhinitis.

Trexyl *Ranbaxy, India†.*
Terfenadine (p.590·3).
Allergic rhinitis; urticaria.

Trezalka v Nalevovych Sacchich *Leros, Cz.*
St John's wort (p.422·3).
Depression; nervous disorders.

Trezalkova Nat *Megafyt-R, Cz.*
St John's wort (p.422·3).
Anxiety; depression.

Trezalkovy Caj *Megafyt-R, Cz.*
St John's wort (p.422·3).
Anxiety; depression.

Trezam *Glenmark, India†.*
Aztreonam (p.209·2).
Bacterial infections.

TRH *Ferring, Arg.; UCB, Belg.; Ferring, Braz.†; Berlin-Chemie, Cz.†; Ferring, Ger.; IFET (ΙΦΕΤ), Gr.; Ferring, Israel; Er-Kim, Turk.*
Protirelin (p.2175·3).
Assessment of hypothalamic-pituitary-thyroid function.

TRH Prem *Novartis Consumer, Spain.*
Protirelin (p.2175·3).
Evaluation of thyroid function.

Trhelea *Elea, Arg.*
Protirelin (p.2175·3).
Diagnosis of hypothalamic-pituitary-thyroid dysfunction.

Tri Act *Bernofarm, Indon.*
Aluminium hydroxide (p.1706·2); magnesium trisilicate (p.1744·1); dimeticone (p.1770·2).
Gastric hyperacidity; gastritis; peptic ulcer.

Tri Hachemina *Medea, Spain.*
Inositol (p.2325·2); calcium pantothenate (p.1959·3); aminobenzoic acid (p.1589·1) or sodium aminobenzoate (p.2388·3).
Infertility; skin disorders.

Tri Vit with Fluoride *Barre-National, USA†.*
Multivitamin preparation with fluoride (p.1962·2)(p.1922·1).
Dental caries prophylaxis; dietary supplement.

Triac *Ache, Braz.†.*
Tiratricol (p.2177·3).
Thyroid disorders.

Triacana *Sidus, Arg.; Andromaco, Chile†; Laphal, Fr.†.*
Tiratricol (p.2177·3).
Lipodystrophy; obesity; thyroid disorders; treatment of cellulite.

Triacef *Unison, Thai.*
Ceftriaxone (p.238·1).
Bacterial infections.

Triacel *Sanofi Pasteur, Arg.*
A diphtheria, tetanus, and pertussis vaccine (p.2210·3).
Active immunisation.

Triacet *Lemmon, USA.*
⊗ Triamcinolone acetonide (p.1544·3).
Skin disorders.

Triacid *Lampugnani, Ital.*
Lactobacillus acidophilus (p.2372·3); lactic acid (p.2329·3); soya (p.1965·3).
Restoration of vaginal and urinary-tract flora.

Triacomb *Ratiopharm, Canad.†; Technilab, Hong Kong; Technilab, Pol.*
⊗ Triamcinolone acetonide (p.1544·3); nystatin (p.543·2); neomycin sulfate (p.305·1); gramicidin (p.286·1).
Anal and vulvar pruritus; infected skin disorders.

Triacor *Aventis, Arg.; Sanofi-Aventis, Gr.; Aventis, Mex.*
Felodipine (p.1285·3); ramipril (p.1385·3).
Hypertension.

Triacort *Pharmatex, Ital.; Akrikhin, Rus.*
⊗ Triamcinolone acetonide (p.1544·3).
Corticosteroid.

Triad *Forest Pharmaceuticals, USA.*
Butalbital (p.967·2); paracetamol (p.108·1); caffeine (p.1116·3).
Tension headache.

Triada *Loren, Mex.†.*
Vitamin B substances (p.1922·1).
Lidocaine (p.1862·3) is included in this preparation to alleviate the pain of injection.

Tri-Adcortyl *BMS, UK.*
⊗ Nystatin (p.543·2); triamcinolone acetonide (p.1544·3); neomycin sulfate (p.305·1); gramicidin (p.286·1).
Bacterial and fungal skin infections; otitis externa.

Triadene *Bayer, UK.*
Ethinylestradiol (p.2101·3); gestodene (p.2105·2).
Triphasic oral contraceptive.

Triaderm
Note.This name is used for preparations of different composition.
Taro, Canad.
⊗ Triamcinolone acetonide (p.1544·3).
Skin disorders.

Ivax, Cz.
⊗ Triamcinolone acetonide (p.1544·3); chloroxine (p.242·2).
Infected skin disorders.

Triadex *Interbat, Indon.*
Diphenhydramine hydrochloride (p.577·2); guaifenesin (p.1561·3); sodium citrate (p.1673·3); phenylpropanolamine hydrochloride (p.1569·3).
Cold symptoms; cough.

Triafemi *Effik, Fr.*
Norgestimate (p.2121·1); ethinylestradiol (p.2101·3).
Triphasic oral contraceptive.

Triagynon *Schering, Spain.*
Levonorgestrel (p.2121·2); ethinylestradiol (p.2101·3).
Triphasic oral contraceptive.

Triaken *Kendrick, Mex.*
Ceftriaxone sodium (p.237·1).
Lidocaine hydrochloride (p.1862·3) is included in the intramuscular injection to alleviate the pain of injection.
Bacterial infections.

Triaklim *Gedeon Richter, Cz.†; Gedeon Richter, Hung.; Gedeon Richter, Rus.*
18 Tablets, estradiol (p.2097·2); 10 tablets, estradiol; norethisterone acetate (p.2119·3); pink tablets, estradiol.
Menopausal disorders; osteoporosis.

Trial AG *Zee, USA.*
Aluminium hydroxide (p.1706·2); magnesium hydroxide (p.1743·2); simeticone (p.1770·2).
Antacid; flatulence.

Trial Antacid *Zee, USA.*
Calcium carbonate (p.1714·1).
Antacid.

Trial Combi *Beta, Arg.*
2 Patches, estradiol (p.2097·2); 2 patches, estradiol; norethisterone acetate (p.2119·3).
Menopausal disorders; osteoporosis.

Trial Gel *Beta, Arg.*
Estradiol (p.2097·2).
Oestrogen deficiency.

Trial Gest *Beta, Arg.*
Estradiol (p.2097·2); norethisterone acetate (p.2119·3).
Menopausal disorders; osteoporosis.

Trial Pack *Beta, Arg.†.*
Patches, estradiol (p.2097·2); norethisterone acetate (p.2119·3).
Menopausal disorders.

Trial Sat *Beta, Arg.*
Estradiol (p.2097·2).
Menopausal disorders.

Trialix *Aventis, Austria; Sanofi-Aventis, Irl.; Aventis, Switz.*
⊗ Ramipril (p.1385·3); piretanide (p.1372·3).
Hypertension.

Triallin *Iromedica, Switz.*
Ginseng (p.2312·1); garlic (p.2309·2); ginkgo biloba (p.2311·1); crataegus (p.2289·1).
Mental function impairment; vertigo.

Trialmin *Menarini, Spain.*
Gemfibrozil (p.1295·3).
Hyperlipidaemias.

Trialona *Alter, Spain.*
⊗ Fluticasone propionate (p.1533·2).
Asthma.

Trialone *Janssen-Cilag, S.Afr.*
⊗ Miconazole nitrate (p.541·3); triamcinolone acetonide (p.1544·3); neomycin sulfate (p.305·1).
Infected skin disorders.

Trialyn *Trianon, Canad.*
Dextromethorphan hydrobromide (p.1555·2); diphenhydramine hydrochloride (p.577·2); ammonium chloride (p.1551·3).
Coughs.

Triam
Winthrop, Ger.
⊗ Triamcinolone (p.1544·2) or triamcinolone acetonide (p.1544·3).
Corticosteroid.

Denk, Hong Kong; Denk, Singapore†.
⊗ Triamcinolone acetonide (p.1544·3).
Corticosteroid.

Hyrex, USA†.
⊗ Triamcinolone diacetate (p.1544·3).
Corticosteroid.

Triam Tiazida R *Normal, Port.*
⊗ Triamterene (p.1417·2); hydrochlorothiazide (p.1307·3).
Hypertension.

Triama *Samakeephaesaj, Thai.†.*
⊗ Triamcinolone acetonide (p.1544·3).
Skin disorders.

Triam-A *Hyrex, USA.*
⊗ Triamcinolone acetonide (p.1544·3).
Corticosteroid.

Triamaxco *Ashbourne, UK†.*
⊗ Triamterene (p.1417·2); hydrochlorothiazide (p.1307·3).
These ingredients can be described by the British Approved Name Co-triamterzide.
Hypertension; oedema.

Triamcinal *Polychronus, Gr.*
⊗ Triamcinolone (p.1544·2).
Allergic rhinitis.

Triamcinolon Compositum *Galena, Cz.†.*
⊗ Triamcinolone acetonide (p.1544·3); chloroxine (p.242·2).
Skin disorders.

Triamcinolon E *Zentiva, Cz.*
⊗ Triamcinolone acetonide (p.1544·3); chloroxine (p.242·2).
Skin disorders.

Triamcinolon S *Zentiva, Cz.*
⊗ Triamcinolone acetonide (p.1544·3); salicylic acid (p.1612·2).
Skin disorders.

Triamcinolon-Galena *Galena, Cz.†; Ivax, Cz.†.*
Mousse: ⊗ Triamcinolone acetonide (p.1544·3); chloroxine (p.242·2).
Skin disorders.

Triamcinolon-Ivax
Note.This name is used for preparations of different composition.
Ivax, Cz.
Lotion: ⊗ Triamcinolone acetonide (p.1544·3).
Skin disorders.

Ivax, Cz.
Tincture: ⊗ Triamcinolone acetonide (p.1544·3); salicylic acid (p.1612·2); carbaethopendecinium bromide (p.1633·3).
Skin disorders.

Triamciterap
Note.This name is used for preparations of different composition.
Frasca, Arg.
⊗ Triamcinolone (p.1544·2).
Skin disorders.

Medica, Arg.†.
Emollient.

Triam-Co *Ivax, Hong Kong†; Norton, Rus.*
⊗ Hydrochlorothiazide (p.1307·3); triamterene (p.1417·2).
Hypertension; oedema.

Triamco *Ivax, UK.*
⊗ Hydrochlorothiazide (p.1307·3); triamterene (p.1417·2).
These ingredients can be described by the British Approved Name Co-triamterzide.
Hypertension; oedema.

Triamcort
Interbat, Indon.
⊗ Triamcinolone (p.1544·2).
Corticosteroid.

Helvepharm, Switz.
⊗ Triamcinolone acetonide (p.1544·3).
Corticosteroid.

TriamCreme *Winthrop, Ger.*
⊗ Triamcinolone acetonide (p.1544·3).
Skin disorders.

Triamer *Aventis Pasteur, Belg.†.*
An adsorbed diphtheria, tetanus, and pertussis vaccine (p.2210·3).
Active immunisation of infants and young children.

Triamgalen *Galen, Ger.*
⊗ Triamcinolone acetonide (p.1544·3).
Skin disorders.

Triamhexal *Hexal, Austria; Hexal, Ger.*
⊗ Triamcinolone acetonide (p.1544·3).
Corticosteroid.

Triamid *Beta, Arg.*
Azithromycin (p.207·1).
Bacterial infections.

Triaminic
Note.This name is used for preparations of different composition.
Novartis Consumer, Ital.
Nasal spray: ⊗ Chlorphenamine maleate (p.571·3); oxymetazoline hydrochloride (p.1567·2).
Nasal congestion.

Novartis, India†.
Syrup; tablets: Phenylephrine hydrochloride (p.1568·1); paracetamol (p.108·1); chlorphenamine maleate (p.571·3).
Triaminic Syrup formerly contained phenylpropanolamine hydrochloride and chlorphenamine maleate.
Cold symptoms; otitis media; rhinitis.

Novartis Consumer, Ital.
Tablets: Phenylpropanolamine hydrochloride (p.1569·3); pheniramine maleate (p.587·3); mepyramine maleate (p.585·2); caffeine (p.1116·3).
Cold symptoms.

Triaminic Allergy Congestion *Novartis Consumer, Canad.†; Novartis Consumer, USA.*
Pseudoephedrine hydrochloride (p.1571·2).
Nasal and sinus congestion.

Triaminic Allergy Sinus & Headache *Novartis, USA.*
Pseudoephedrine hydrochloride (p.1571·2); paracetamol (p.108·1).
Upper respiratory-tract disorders.

Triaminic AM Decongestant Formula *Novartis Consumer, USA†.*
Pseudoephedrine hydrochloride (p.1571·2).

Triaminic AM Non-Drowsy Cough & Decongestant *Novartis Consumer, USA.*
Pseudoephedrine hydrochloride (p.1571·2); dextromethorphan hydrobromide (p.1555·2).
Coughs.

Triaminic Batuk *Novartis, Indon.*
Pseudoephedrine hydrochloride (p.1571·2); dextromethorphan hydrobromide (p.1555·2).
Colds; coughs.

Triaminic Chest & Nasal Congestion *Novartis, USA.*
Pseudoephedrine hydrochloride (p.1571·2); guaifenesin (p.1561·3).
Coughs.

Triaminic Cold & Allergy *Novartis Consumer, Canad.; Novartis, USA.*
Chlorphenamine maleate (p.571·3); pseudoephedrine hydrochloride (p.1571·2).
Formerly contained chlorphenamine maleate and phenylpropanolamine hydrochloride.
Cold and allergy symptoms; nasal and sinus congestion.

Triaminic Cold & Cough *Novartis Consumer, Canad.; Novartis Consumer, Israel; Novartis, USA.*
Chlorphenamine maleate (p.571·3); pseudoephedrine hydrochloride (p.1571·2); dextromethorphan hydrobromide (p.1555·2).
Coughs; cold symptoms; upper respiratory-tract congestion.

Triaminic Cold, Cough & Fever *Novartis Consumer, Israel.*
Paracetamol (p.108·1); chlorphenamine maleate (p.571·3); pseudoephedrine hydrochloride (p.1571·2); dextromethorphan hydrobromide (p.1555·2).
Cold and influenza symptoms; coughs.

Triaminic Cold & Cough Thin Strips *Novartis, USA.*
Dextromethorphan hydrobromide (p.1555·2); phenylephrine hydrochloride (p.1568·1).
Cold symptoms; cough.

Triaminic Cold & Fever *Novartis Consumer, Canad.†.*
Pseudoephedrine hydrochloride (p.1571·2); dextromethorphan hydrobromide (p.1555·2); paracetamol (p.108·1).

Triaminic Cold & Nightime Cough *Novartis Consumer, Canad.*
Chlorphenamine maleate (p.571·3); pseudoephedrine hydrochloride (p.1571·2); dextromethorphan hydrobromide (p.1555·2).
Coughs and cold symptoms.

Triaminic Cold & Sore Throat *Novartis, USA.*
Pseudoephedrine hydrochloride (p.1571·2); dextromethorphan hydrobromide (p.1555·2); paracetamol (p.108·1).
Upper respiratory-tract disorders.

Triaminic Cough
Note.This name is used for preparations of different composition.
Novartis Consumer, Israel; Novartis, USA.
Pseudoephedrine hydrochloride (p.1571·2); dextromethorphan hydrobromide (p.1555·2).
Coughs; upper respiratory-tract congestion.

Novartis Consumer, Canad.
Chewable tablets; lozenges: Dextromethorphan hydrobromide (p.1555·2).
Coughs.

Novartis Consumer, Canad.†.
Syrup: Pseudoephedrine hydrochloride (p.1571·2); dextromethorphan hydrobromide (p.1555·2).
Coughs; nasal and sinus congestion.

Triaminic Cough & Cold *Novartis Consumer, Canad.*
Pseudoephedrine hydrochloride (p.1571·2); chlorphenamine maleate (p.571·3); dextromethorphan hydrobromide (p.1555·2).

Triaminic Cough & Congestion *Novartis Consumer, Canad.*
Pseudoephedrine hydrochloride (p.1571·2); dextromethorphan hydrobromide (p.1555·2).
Coughs; nasal congestion.

Triaminic Cough & Fever *Novartis Consumer, Canad.*
Paracetamol (p.108·1); chlorphenamine maleate (p.571·3); pseudoephedrine hydrochloride (p.1571·2); dextromethorphan hydrobromide (p.1555·2).
Formerly known as Triaminic Cold, Cough & Fever.
Cold and influenza symptoms; coughs.

Triaminic Cough with Mucous *Novartis Consumer, Israel.*
Pseudoephedrine hydrochloride (p.1571·2); guaifenesin (p.1561·3).
Coughs; upper respiratory-tract congestion.

Triaminic Cough & Runny Nose *Novartis, USA.*
Diphenhydramine hydrochloride (p.577·2).
Coughs.

Triaminic Cough & Sore Throat
Note.This name is used for preparations of different composition.
Novartis Consumer, USA.
Pseudoephedrine hydrochloride (p.1571·2); dextromethorphan hydrobromide (p.1555·2); paracetamol (p.108·1).
Coughs and cold symptoms.

Novartis Consumer, Canad.
Oral Liquid; tablets (chewable): Dextromethorphan hydrobromide (p.1555·2); paracetamol (p.108·1).

Novartis Consumer, Canad.
Syrup: Paracetamol (p.108·1); pseudoephedrine hydrochloride (p.1571·2); dextromethorphan hydrobromide (p.1555·2).
Coughs and cold symptoms.

Triaminic CS *Wander, India†.*
Dextromethorphan hydrobromide (p.1555·2); phenylpropanolamine (p.1569·2).
Cold symptoms; otitis media; rhinitis.

Triaminic Daytime Cough & Cold *Novartis Consumer, Canad.*
Dextromethorphan hydrobromide (p.1555·2); phenylephrine hydrochloride (p.1568·1).

Triaminic DM *Novartis Consumer, Canad.*
Dextromethorphan hydrobromide (p.1555·2).
Coughs.

Triaminic DM Expectorant *Novartis Consumer, Canad.†.*
Dextromethorphan hydrobromide (p.1555·2); pseudoephedrine hydrochloride (p.1571·2); chlorphenamine maleate (p.571·3); guaifenesin (p.1561·3).
Coughs; nasal congestion.

Triaminic DM Nighttime *Novartis Consumer, Canad.†.*
Dextromethorphan hydrobromide (p.1555·2); chlorphenamine maleate (p.571·3); pseudoephedrine hydrochloride (p.1571·2).
Coughs; nasal congestion.

Triaminic Expectorant
Note.This name is used for preparations of different composition.
Novartis Consumer, Canad.†.
Pseudoephedrine hydrochloride (p.1571·2); chlorphenamine maleate (p.571·3); guaifenesin (p.1561·3).
Coughs; nasal congestion.

Novartis, Indon.
Pseudoephedrine hydrochloride (p.1571·2); guaifenesin (p.1561·3).
Colds; coughs.

Triaminic Flu, Cough & Fever *Novartis Consumer, USA.*
Paracetamol (p.108·1); dextromethorphan hydrobromide (p.1555·2); chlorphenamine maleate (p.571·3).
Formerly contained paracetamol, pseudoephedrine hydrochloride, dextromethorphan hydrobromide, and chlorphenamine maleate.
Coughs and cold symptoms.

Triaminic Infant Decongestant Plus Cough *Novartis Consumer, USA.*
Dextromethorphan (p.1555·2); phenylephrine hydrochloride (p.1568·1).
Upper respiratory-tract disorders.

Triaminic Infant Oral Decongestant *Novartis, USA†.*
Pseudoephedrine hydrochloride (p.1571·2).
Nasal congestion.

Triaminic Infant Thin Strips Decongestant *Novartis Consumer, USA.*
Phenylephrine hydrochloride (p.1568·1).
Nasal congestion.

Triaminic Long Acting Cough *Novartis Consumer, Canad.; Novartis Consumer, USA.*
Dextromethorphan hydrobromide (p.1555·2).
Cough.

Triaminic Night Time Cold & Cough *Novartis Consumer, USA.*
Diphenhydramine hydrochloride (p.577·2); phenylephrine hydrochloride (p.1568·1).
Formerly contained pseudoephedrine hydrochloride, chlorphenamine maleate, and dextromethorphan hydrobromide.
Coughs and cold symptoms.

Triaminic Nighttime Cough & Cold *Novartis Consumer, Canad.*
Phenylephrine hydrochloride (p.1568·1); diphenhydramine hydrochloride (p.577·2).

Triaminic Nighttime Flu *Novartis Consumer, Canad.†.*
Paracetamol (p.108·1); chlorphenamine maleate (p.571·3); pseudoephedrine hydrochloride (p.1571·2); dextromethorphan hydrobromide (p.1555·2).

Triaminic Pediatric Drops *Novartis Consumer, Canad.*
Pseudoephedrine hydrochloride (p.1571·2).

Triaminic Pilek *Novartis, Indon.*
Pseudoephedrine hydrochloride (p.1571·2); chlorphenamine maleate (p.571·3).
Cold symptoms.

Triaminic Softchews *Novartis, USA.*
Pseudoephedrine hydrochloride (p.1571·2); chlorphenamine maleate (p.571·3).
Upper respiratory-tract disorders.

Triaminic Sore Throat Spray *Novartis Consumer, USA.*
Phenol (p.1656·1).
Sore throat.

Triaminic Thin Strips Cold *Novartis Consumer, USA.*
Phenylephrine hydrochloride (p.1568·1).
Nasal congestion.

Triaminic Thin Strips Cough & Congestion *Novartis Consumer, Canad.*
Phenylephrine hydrochloride (p.1568·1); dextromethorphan hydrobromide (p.1555·2).

Triaminic Thin Strips Nasal Congestion *Novartis Consumer, Canad.*
Phenylephrine hydrochloride (p.1568·1).

Triaminic Thin Strips Nighttime Cough & Runny Nose *Novartis Consumer, Canad.*
Diphenhydramine hydrochloride (p.577·2).

Triaminic Throat Pain & Cough *Novartis Consumer, Canad.; Novartis, USA.*
Paracetamol (p.108·1); pseudoephedrine hydrochloride (p.1571·2); dextromethorphan hydrobromide (p.1555·2).
Coughs; cold symptoms; sore throat.

Triaminic Toddler Congestion *Novartis Consumer, Canad.*
Phenylephrine hydrochloride (p.1568·1).

Triaminic Toddler Cough & Cold *Novartis Consumer, Canad.*
Phenylephrine hydrochloride (p.1568·1); dextromethorphan hydrobromide (p.1555·2).

Triaminic Vapor Patch *Novartis Consumer, USA.*
Camphor (p.2273·2); menthol (p.2340·1).

Triaminicflu *Novartis Consumer, Ital.*
Paracetamol (p.108·1); pheniramine maleate (p.587·3); phenylephrine hydrochloride (p.1568·1).
Cold and influenza symptoms.

Triaminicol DM *Novartis Consumer, Canad.†.*
Pseudoephedrine hydrochloride (p.1571·2); chlorphenamine maleate (p.571·3); dextromethorphan hydrobromide (p.1555·2).
Coughs; nasal congestion.

Triamizide *Pacific, NZ.*
⊗ Hydrochlorothiazide (p.1307·3); triamterene (p.1417·2).
Hypertension; oedema.

Triamonide *Forest Pharmaceuticals, USA.*
⊗ Triamcinolone acetonide (p.1544·3).
Corticosteroid.

Triampoen *Poen, Arg.*
⊗ Triamcinolone (p.1544·2).
Eye disorders.

Triampur Compositum *AWD, Ger.; Pliva, Rus.*
⊗ Triamterene (p.1417·2); hydrochlorothiazide (p.1307·3).
Heart failure; hypertension; oedema.

TriamSalbe *Winthrop, Ger.*
⊗ Triamcinolone acetonide (p.1544·3).
Skin disorders.

Triamsicort *Diba, Mex.*
⊗ Triamcinolone (p.1544·2).
Corticosteroid.

Triamteren comp *GenerICon, Austria; CT, Ger.; Ratiopharm, Ger.*
⊗ Triamterene (p.1417·2); hydrochlorothiazide (p.1307·3).
Heart failure; hypertension; oedema.

Triamteren HCT *Aliud, Ger.; Betapharm, Ger.; Sandoz, Ger.*
⊗ Triamterene (p.1417·2); hydrochlorothiazide (p.1307·3).
Heart failure; hypertension; oedema.

Triamteren tri-comp *Sandoz, Ger.*
⊗ Triamterene (p.1417·2); hydrochlorothiazide (p.1307·3); propranolol hydrochloride (p.1380·3).
Hypertension.

Triamteren-H *3M, Ger.†.*
⊗ Triamterene (p.1417·2); hydrochlorothiazide (p.1307·3).
Heart failure; hypertension; oedema.

Triamteril *Deva, Turk.*
⊗ Triamterene (p.1417·2); hydrochlorothiazide (p.1307·3).

Triamvirgi *Fisiopharma, Ital.*
⊗ Triamcinolone acetonide (p.1544·3).
Parenteral corticosteroid.

Trian *Demo, Gr.*
Levocarnitine (p.1932·2).
Carnitine deficiency; myocardial ischaemia.

Trianal
Note. This name is used for preparations of different composition.
Will-Pharma, Belg.; Will-Pharma, Neth.
⊗ Triamcinolone acetonide (p.1544·3); lidocaine hydrochloride (p.1862·3).
Anal eczema and pruritus; haemorrhoids.

Trianon, Canad.
Aspirin (p.20·3); caffeine (p.1116·3); butalbital (p.967·2).
Pain; sedative.

Trianal C *Trianon, Canad.*
Aspirin (p.20·3); caffeine (p.1116·3); butalbital (p.967·2); codeine phosphate (p.37·2).
Pain; sedative.

Triancil *Apsen, Braz.*
⊗ Triamcinolone acetonide (p.1544·3).
Corticosteroid.

Trianol
Note. This name is used for preparations of different composition.
Pharma Nutria, Philipp.
Allopurinol (p.552·2).
Hyperuricaemia.

Lek, Rus.
Pygeum africanum (p.2192·3).
Benign prostatic hyperplasia.

Triapin *Aventis, Austria; Sanofi-Aventis, Irl.; Aventis, Neth.; Aventis, Philipp.; Aventis, UK.*
Felodipine (p.1285·3); ramipril (p.1385·3).
Hypertension.

Triapten *Riemser, Ger.*
Foscarnet sodium (p.877·3).
Herpes simplex infections of the skin and mucous membranes.

Triarese *Hexal, Ger.*
⊗ Triamterene (p.1417·2); hydrochlorothiazide (p.1307·3).
Hypertension; oedema.

Triasox *Berna, Spain†.*
Tiabendazole (p.156·2).
Worm infections.

Triaspar *Beta, Arg.*
Cabergoline (p.802·1).
Parkinsonism.

Triasporin *Italfarmaco, Ital.*
Itraconazole (p.536·3).
Fungal infections.

Triastad HCT *Stada, Austria.*
⊗ Triamterene (p.1417·2); hydrochlorothiazide (p.1307·3).
Heart failure; hypertension; oedema.

Triastonal *Schwarz, Ger.*
Sitosterol (p.1373·2).
Benign prostatic hyperplasia.

Triasyn *Sanofi-Aventis, Austral.; Sanofi-Aventis, Cz.; Sanofi-Aventis, Hung.*
Felodipine (p.1285·3); ramipril (p.1385·3).
Hypertension.

Triatec *Sanofi-Aventis, Braz.; Sanofi-Aventis, Chile; Aventis, Denm.; Sanofi-Aventis, Fr.; Sanofi-Aventis, Gr.; Sanofi-Aventis, Indon.; Sanofi-Aventis, Ital.; Aventis, Norw.; Sanofi-Aventis, Port.; Aventis, Swed.; Aventis, Switz.*
Ramipril (p.1385·3).
Atherosclerosis; cardiovascular risk reduction; diabetic nephropathy; glomerular nephropathy; heart failure; hypertension; ischaemic heart disease; myocardial infarction; renal insufficiency.

Triatec-8 *Trianon, Canad.*
Paracetamol (p.108·1); codeine phosphate (p.37·2); caffeine citrate (p.1116·3).
Coughs; fever; pain.

Triatec-30 *Trianon, Canad.*
Paracetamol (p.108·1); codeine phosphate (p.37·2).
Coughs; fever; pain.

Triatec Comp *Aventis, Denm.; Aventis, Swed.; Aventis, Switz.*
⊗ Ramipril (p.1385·3); hydrochlorothiazide (p.1307·3).
Hypertension.

Triatec Composto *Sanofi-Aventis, Port.*
⊗ Ramipril (p.1385·3); hydrochlorothiazide (p.1307·3).
Hypertension.

Triatec D *Sanofi-Aventis, Braz.*
⊗ Ramipril (p.1385·3); hydrochlorothiazide (p.1307·3).
Hypertension.

Triatec HCT *Sanofi-Aventis, Ital.*
⊗ Ramipril (p.1385·3); hydrochlorothiazide (p.1307·3).
Hypertension.

Triatec Plus *Sanofi-Aventis, Gr.*
⊗ Ramipril (p.1385·3); hydrochlorothiazide (p.1307·3).
Hypertension.

Triativ *Ativus, Braz.*
St John's wort (p.422·3).
Agitation; depression; sleep disorders.

Triatop *Janssen-Cilag, Arg.†; Janssen-Cilag, Ital.; Janssen-Cilag, Mex.; Janssen-Cilag, Thai.†.*
Ketoconazole (p.539·1).
Scalp disorders.

Triatus *Kocak, Turk.*
Dextromethorphan hydrobromide (p.1555·2); pseudoephedrine hydrochloride (p.1571·2); chlorphenamine maleate (p.571·3).
Respiratory-tract congestion.

Triaval *Orion, Switz.*
70 Tablets, estradiol valerate (p.2097·3); 14 tablets, estradiol valerate; medroxyprogesterone acetate (p.2113·1); 7 tablets, inert.
Menopausal disorders; osteoporosis.

Triavil *Merck Frosst, Canad.†; Lotus, USA†.*
Perphenazine (p.1017·1); amitriptyline hydrochloride (p.376·1).
Mixed anxiety depressive states; schizophrenia.

Tri-A-Vite F *Major, USA.*
Multivitamin preparation with fluoride (p.1922·1).

Triax *Taro, Israel.*
Ceftriaxone sodium (p.237·1).
Bacterial infections.

Triaxis *Sanofi Pasteur, Neth.*
A diphtheria, tetanus, pertussis, and poliomyelitis vaccine (p.2211·3).
Active immunisation.

Triaxon *Teuto, Braz.*
Ceftriaxone sodium (p.237·1).
Bacterial infections.

Triaxone *Julphar, UAE.*
Ceftriaxone sodium (p.237·1).
Bacterial infections.

Triaxton *Ariston, Braz.*
Ceftriaxone sodium (p.237·1).
Bacterial infections.

Triaz *Medicis, USA.*
Benzoyl peroxide (p.1590·2).
Acne.

Triazi *Itaca, Braz.†.*
Azithromycin (p.207·1).
Bacterial infections.

triazid *CT, Ger.†.*
⊗ Triamterene (p.1417·2); hydrochlorothiazide (p.1307·3).
Heart failure; hypertension; oedema.

Triazine *Pharmacare, S.Afr.*
Cyclizine hydrochloride (p.574·2).
Motion sickness; vertigo.

Triazol
Note. This name is used for preparations of different composition.
Biolab Sanus, Braz.
Fluconazole (p.532·1).
Fungal infections.

Ducray, Fr.†.
Clotrimazole (p.530·1); crotamiton (p.1593·2); zinc salicylate (p.1612·3).
Dandruff.

Tribakin *Farcoral, Mex.*
Co-trimoxazole (p.258·1).
Bacterial infections.

Triban
Note. This name is used for preparations of different composition.
Solfran, Mex.
Vitamin B ; vitamin B (p.1922·1).
Anaemias; neuritis.

Great Southern, USA†.
Trimethobenzamide hydrochloride (p.592·2); benzocaine (p.1854·1).

Tribdoze *Labortecne, Braz.†.*
Vitamin and mineral preparation (p.1922·1).

Tribe 12 *Pharmacos, Mex.*
Vitamin B substances (p.1922·1).
Lidocaine hydrochloride (p.1862·3) is included in this preparation to alleviate the pain of injection.
Anaemias; neuritis.

Tribedoce *Bruluart, Mex.*
Hydroxocobalamin (p.1980·3); thiamine hydrochloride (p.1976·1); pyridoxine hydrochloride (p.1978·2).
Neuralgia; neuritis.

Tribedoce Compuesto *Bruluart, Mex.*
1 Ampoule, diclofenac sodium (p.44·3); 1 ampoule, thiamine hydrochloride (p.1976·1); pyridoxine hydrochloride (p.1978·2); cyanocobalamin (p.1980·2).
Neuralgia; neuritis.

Tribedoxyl
Note. This name is used for preparations of different composition.
Aventis, Mex.†.
Capsules: Cyanocobalamin (p.1980·2); benfotiamine (p.1975·2); pyridoxine hydrochloride (p.1978·2).
Anaemias; neuralgias; neuritis; neuropathies.

Aventis, Mex.†.
Injection: Hydroxocobalamin acetate (p.1980·3); thiamine hydrochloride (p.1976·1); pyridoxine hydrochloride (p.1978·2).
Lidocaine hydrochloride (p.1862·3) is included in this preparation to alleviate the pain of injection.
Anaemias; neuralgias; neuritis; neuropathies.

Tribeksol *Deva, Turk.*
Vitamin B (p.1976·3); vitamin B (p.1979·1); vitamin B (p.1980·2).
Vitamin B deficiency.

Tribemin *Sam-On, Israel.*
Vitamin B (p.1976·3); vitamin B (p.1979·1); vitamin B (p.1980·2).
Megaloblastic anaemia; neuralgias.

Tribena *Vitae, Mex.*
Vitamin preparation (p.1922·1).
Anaemias; neuritis.

Tribesian *Asian Pharm, Thai.*
Vitamin B (p.1976·3); vitamin B (p.1979·1); vitamin B (p.1980·2).
Anaemias; migraine; neuralgia; neuritis.

Tribesona *ITF, Chile.*
⊗ Clotrimazole (p.530·1); dexamethasone acetate (p.1526·1).
Infected skin disorders.

Tribestan *Teguhsindo, Indon.; Sopharma, Rus.*
Tribulus terrestris (p.2404·1).
Atherosclerosis; hypercholesterolaemia; male infertility; menopausal symptoms; stimulant.

Tribiocort *Biosintex, Arg.*
⊗ Betamethasone (p.1518·2); gentamicin (p.284·2); miconazole (p.541·2).
Infected skin disorders.

Tribion *Universal, Hong Kong.*
Vitamin B ; vitamin B ; vitamin B (p.1922·1).
Vitamin B supplement.

Tribiot *Grin, Mex.*
Neomycin sulfate (p.305·1); polymyxin B sulfate (p.317·3); bacitracin (p.210·3).
Bacterial eye infections.

Tribiotic *Kato, Pol.*
Bacitracin zinc (p.210·3); neomycin sulfate (p.305·1); polymyxin B sulfate (p.317·3).
Wounds.

Tri-Biozene *Reese, USA.*
Bacitracin (p.210·3); polymyxin B sulfate (p.317·3); neomycin sulfate (p.305·1); pramocaine hydrochloride (p.1868·1).

Triblix *Lamsa, Arg.*
Cefalexin (p.218·2).
Bacterial infections.

Tribonat *Fresenius Kabi, Norw.; Fresenius Kabi, Swed.*
⊗ Trometamol (p.2405·1); electrolytes (p.1667·1).
Buffer; metabolic and respiratory acidosis.

Tribost *Ethica, Indon.*
Echinacea (p.2298·1); phyllanthus niruri; black elderberry.
Immunostimulant.

Tribudat *Santa, Turk.*
Trimebutine maleate (p.2404·3).

Tri-Buffered ASA *Zee, Canad.*
Aspirin (p.20·3).
Calcium carbonate (p.1714·1), magnesium carbonate (p.1743·1), and magnesium oxide (p.1744·1) are included in this preparation in an attempt to limit adverse effects on the gastrointestinal mucosa.

Tributina *Lafedar, Arg.*
Trimebutine maleate (p.2404·3).
Gastrointestinal motility disorders.

Tribux *Biofarm, Pol.*
Trimebutine maleate (p.2404·3).
Gastrointestinal disorders.

TriBvit *Merck, Belg.*
Folic acid; cyanocobalamin; pyridoxine hydrochloride (p.1922·1).
Vitamin deficiency.

Tricaine-MPS *RPG, India.*
Oxetacaine (p.1867·2); simeticone (p.1770·2); aluminium hydroxide (p.1706·2); magnesium hydroxide (p.1743·2).
Gastric hyperacidity; gastritis; gastro-oesophageal reflux; peptic ulcer.

Trical-D
Note. This name is used for preparations of different composition.
Knop, Chile.
Calcium carbonate (p.1714·1); calcium phosphate (p.1676·2); calcium gluconate (p.1675·3); colecalciferol (p.1986·2).
Dietary supplement.

Svizera, India.
Calcium carbonate (p.1714·1); colecalciferol (p.1986·2).
Calcium deficiency.

Tricalma *Sanofi-Aventis, Chile.*
Alprazolam (p.960·1).
Anxiety; mixed anxiety depressive states; panic attacks.

Tricalvit *Gemballa, Braz.†.*
Vitamin and mineral preparation (p.1922·1).

Trican *Pfizer, Israel.*
Fluconazole (p.532·1).
Fungal infections.

Tricandil *Grunenthal, Belg.†; SPA, Ital.; Prospa, Port.*
Mepartricin (p.541·1).
Candidiasis; fungal vaginal infections; trichomoniasis.

Tricangine *Asta Medica, Braz.†.*
Mepartricin (p.541·1); tetracycline (p.347·1).
Bacterial and fungal vulvovaginal infections.

Tricardia *Meditec, Israel.*
Folic acid (p.1940·1); vitamin B (p.1979·1); vitamin B (p.1980·2).
Elevated homocysteine levels.

Tricban *Greenpharma, Braz.*
Co-trimoxazole (p.258·1).
Bacterial infections; pneumocystis pneumonia.

Tricef
Note. This name is used for preparations of different composition.
Merck, Austria; Merck, Chile; Bialport, Port.; Astra, Swed.†.
Cefixime (p.224·3).
Bacterial infections.

Eurofarmaco, Ital.†.
Cefatrizine propylene glycol (p.221·3).
Bacterial infections.

Tricefi *Roemmers-Klinos, Venez.*
Ceftriaxone (p.238·1).
Bacterial infections.

Tricefin *Dexa, Indon.; Dexa, Singapore.*
Ceftriaxone sodium (p.237·1).
Bacterial infections.

Tricen *Alter, Spain.*
Verapamil hydrochloride (p.1421·1); trandolapril (p.1416·2).
Hypertension.

Tricephin *Atlantic, Thai.*
Ceftriaxone sodium (p.237·1).
Bacterial infections.

Tricept *Cuprocept, S.Afr.†.*
Copper-wound plastic (p.1935·2).
Intra-uterine contraceptive device.

Tricerol *Pharmacia, Braz.; Armstrong, Mex.†.*
Etofibrate (p.1284·2).
Atherosclerosis; hyperlipidaemias.

Trichazole *Pharmacare, S.Afr.*
Metronidazole (p.837·1).
Anaerobic bacterial infections; protozoal infections.

Trichex *Gerot, Austria.*
Metronidazole (p.837·1).
Gardnerella vaginalis infections; trichomoniasis.

Tri-Chlor *Gordon, USA.*
Trichloroacetic acid (p.1620·1).
Warts.

Trichlorol *Lysoform, Ger.*
Tosylchloramide sodium (p.1665·1).
Surface disinfection.

Trichobiol *Therasophia, Fr.*
Amino-acid, mineral, vitamin, and herbal preparation (p.1922·1).
Skin, hair, and nail disorders.

Trichodazol *Sanbe, Indon.*
Metronidazole (p.837·1).
Anaerobic bacterial infections; protozoal infections.

Trichol *Galenium, Indon.*
Fenofibrate (p.1286·2).
Hyperlipidaemias.

Trichonas *Pharmasant, Thai.*
Tinidazole (p.848·3).
Amoebiasis; anaerobic bacterial infections; giardiasis; trichomoniasis.

Trichopol *Polpharma, Rus.*
Metronidazole (p.837·1).
Bacterial infections; protozoal infections.

Trichostatic *Pharos, Indon.*
Metronidazole (p.837·1); nystatin (p.543·2).
Vaginal infections.

Trichotine *Schwarz, USA.*
Sodium laurilsulfate (p.2138·3); sodium perborate (p.1662·1); sodium chloride (p.1686·1).
Vaginal disorders.

Trichovagil *Ni-The, Gr.*
Metronidazole (p.837·1).
Vaginal infections.

Trichozole *Pacific, NZ.*
Metronidazole (p.837·1).
Anaerobic bacterial infections; protozoal infections.

Tri-Ciclomex *Gynopharm, Chile.*
Gestodene (p.2105·2); ethinylestradiol (p.2101·3).
Triphasic oral contraceptive.

Triciclor *Wyeth, Spain.*
Levonorgestrel (p.2121·2); ethinylestradiol (p.2101·3).
Triphasic oral contraceptive.

Tri-Cidal *ICM, Singapore†.*
⊗ Alcohol (p.1625·2); isopropyl alcohol (p.1650·3); triclosan (p.1665·2).
Hand and skin disinfection.

Triciderm *Ni-The, Gr.*
Tyrothricin (p.358·2).
Skin infections.

Tricidine *Pfizer Consumer, Belg.†.*
Tyrothricin (p.358·2); lidocaine hydrochloride (p.1862·3).
Mouth and throat disorders.

Tricidine Dequalinium *Pfizer Consumer, Belg.†.*
Dequalinium chloride (p.1641·3); lidocaine hydrochloride (p.1862·3).
Mouth and throat disorders.

Tricifa *Richet, Arg.†.*
Piroxicam (p.117·3).
Inflammation.

Tricigel *Corsalud, Venez.†.*
Aluminium hydroxide (p.1706·2); magnesium hydroxide (p.1743·2).
Antacid.

TriCilest *Janssen-Cilag, Austria; Codepharma, Fr.; Janssen-Cilag, S.Afr.; Janssen-Cilag, Thai.*
Norgestimate (p.2121·1); ethinylestradiol (p.2101·3).
Acne; triphasic oral contraceptive.

Tricilon *Organon, Braz.†.*
Medroxyprogesterone (p.2113·3).
Injectable contraceptive.

Tricin *Catarinense, Braz.†.*
Diclofenac potassium (p.44·3).
Inflammation; pain.

Tricivir *GSK, Arg.; GSK, Chile.*
Abacavir sulfate (p.861·3); lamivudine (p.895·1); zidovudine (p.913·3).
HIV infection.

Tricker *Meprofarm, Indon.*
Ranitidine (p.1766·1).
Gastro-oesophageal reflux; peptic ulcer; Zollinger-Ellison syndrome.

Triclin *Solfran, Mex.†.*
Tetracycline (p.347·1).
Bacterial infections.

Tricloderm *APT, Hong Kong.*
Clotrimazole (p.530·1).
Fungal skin infections.

Triclofem *Tunggal Idaman, Indon.*
Medroxyprogesterone acetate (p.2113·1).
Injectable contraceptive.

Triclonam *CTI, Israel.*
Triclofos sodium (p.1034·1).
Insomnia; sedative.

Tricloryl
GSK, India.
Triclofos sodium (p.1034·1).
Insomnia; sedative.

Galen, Irl.†.
Triclofos (p.1034·2).
Hypnotic; sedative.

Triclose *Finderm, Ital.*
Azanidazole (p.830·3).
Vaginal trichomoniasis.

Tricocet *Legrand, Braz.*
Nystatin (p.543·2).
Fungal infections.

Tricocilin B *EMS, Braz.*
Tetracycline (p.347·1); amphotericin B (p.523·2).
Vaginal infections.

Tricodazole *Proel, Gr.*
Metronidazole (p.837·1).
Rosacea.

Tricodein *ICN, Austria; Valeant, Switz.†.*
Codeine phosphate (p.37·2).
Coughs.

Tricodene Cough & Cold *Pfeiffer, USA.*
Mepyramine maleate (p.585·2); codeine phosphate (p.37·2).
Coughs and cold symptoms.

Tricodene Sugar Free *Pfeiffer, USA.*
Chlorphenamine maleate (p.571·3); dextromethorphan hydrobromide (p.1555·2).
Coughs and cold symptoms.

Tricoderm F *Farmachimici, Ital.*
Salicylic acid (p.1612·2); piroctone olamine (p.1610·1); ichthammol (p.1599·1).
Scalp disorders.

Tricodex *Ecofarm, Ital.*
Amino-acid, vitamin, and mineral preparation (p.1922·1).
Hair and nail disorders.

Tricofarma *Valeant, Arg.*
⊗ Finasteride (p.2188·3).
Alopecia androgenetica.

Tricofin *Raymos, Arg.*
Metronidazole (p.837·1).
Anaerobic bacterial infections; protozoal infections.

Tricogyn *Pharmaland, Thai.*
Tinidazole (p.848·3).
Amoebiasis; giardiasis.

Tricolam *Farmasierra, Spain.*
Tinidazole (p.848·3).
Anaerobic bacterial infections; protozoal infections.

Tricolocion *Valeant, Arg.*
Minoxidil (p.1342·1).
Alopecia.

Tricolpex *Bunker, Braz.*
⊗ Metronidazole (p.837·1); nystatin (p.543·2); urea (p.1620·2).
Vulvovaginal infections.

Tricomax
Note. This name is used for preparations of different composition.
Cassara, Arg.
Copper; zinc; selenium (p.1922·1).
Dietary supplement.

Cazi, Braz.
⊗ Metronidazole (p.837·1); nystatin (p.543·2); muramidase hydrochloride (p.2348·1); urea (p.1620·2); benzalkonium chloride (p.1629·1).
Vaginal infections.

Tricomed *Hua, Thai.*
Metronidazole (p.837·1).
Trichomoniasis; vaginitis.

Tricomycin *Terramedic, Philipp.*
Metronidazole (p.837·1).
Anaerobic bacterial infections; protozoal infections.

Triconal *Valeant, Arg.*
Vitamin A; ascorbic acid; calcium pantothenate; methionine; arginine; pyridoxine hydrochloride; lecithin (p.1922·1).
Dietary supplement.

Triconazole *Quality, Hong Kong.*
⊗ Econazole nitrate (p.531·1); triamcinolone acetonide (p.1544·3).
Fungal skin infections with inflammation.

Triconex *Multicare, Philipp.*
Metronidazole (p.837·1).
Anaerobic bacterial infections; protozoal infections.

Triconidazol *Andromaco, Chile†.*
Tinidazole (p.848·3).
Anaerobic bacterial infections; protozoal infections.

Tricoplus *Defuen, Arg.*
Minoxidil (p.1342·1).
Alopecia.

Tricoplus Conef *Defuen, Arg.†.*
⊗ Lotion, minoxidil (p.1342·1); tablets, finasteride (p.2188·3).
Alopecia androgenetica.

Tricor
Note. This name is used for preparations of different composition.
Sanofi-Aventis, Chile.
Adenosine (p.1202·1).
Arrhythmias; diagnosis of arrhythmias.

Teijin, Jpn; Abbott, USA.
Fenofibrate (p.1286·2).
Hyperlipidaemias.

Tricort *Cadila, India.*
⊗ Triamcinolone (p.1544·2).
Corticosteroid.

Tricortin
Note. This name is used for preparations of different composition.
Fidia, Ital.
Phosphatides (p.2332·2); cyanocobalamin (p.1980·2).
Lidocaine hydrochloride (p.1862·3) is included in this preparation to alleviate the pain of injection.
Peripheral and central nervous system disorders.

Fidia, Thai.†.
Phospholipids; pyridoxine hydrochloride (p.1978·2); cyanocobalamin (p.1980·2).
Metabolic and circulatory disorders of the brain.

Tricortone *Fawns & McAllan, Austral.*
⊗ Triamcinolone acetonide (p.1544·3).
Skin disorders.

Tricovivax *Medinfar, Port.*
Minoxidil (p.1342·1).
Alopecia androgenetica.

Tricowas B *Chiesi, Spain.*
Metronidazole (p.837·1).
Anaerobic bacterial infections; protozoal infections.

Tricox *Themis Chemicals, India.*
Rifampicin (p.325·3); isoniazid (p.288·1); pyrazinamide (p.320·2).
Tuberculosis.

Tricoxane *ICN, Arg.†; ITF, Chile.*
Minoxidil (p.1342·1).
Alopecia.

Tricoxen *IDI, Ital.*
Ubidecarenone acetate (p.2407·2).

Tricoxidil *Pfizer Consumer, Ital.*
Minoxidil (p.1342·1).
Alopecia androgenetica.

Tricozole *Pharmasant, Thai.*
⊗ Econazole nitrate (p.531·1); triamcinolone acetonide (p.1544·3).
Fungal skin infections with inflammation.

Tricozone *Hua, Thai.*
Tinidazole (p.848·3).
Amoebiasis; giardiasis; trichomoniasis.

Tricur *Andromaco, Arg.*
⊗ Ketoconazole (p.539·1); hydrocortisone acetate (p.1535·2); gentamicin sulfate (p.282·1).
Infected skin disorders.

Tri-Cyclen *Janssen-Ortho, Canad.*
Norgestimate (p.2121·1); ethinylestradiol (p.2101·3).
Acne; triphasic oral contraceptive.

Tridanil-H *Ultra, Mex.*
Pravastatin sodium (p.1374·3).
Atherosclerosis; cardiovascular risk reduction; hypercholesterolaemia.

Tridecon *Medi-Rx, Philipp.*
Chlorphenamine maleate (p.571·3); phenylpropanolamine hydrochloride (p.1569·3).
Nasal congestion.

Tridel *Choongwae, Philipp.; Unimex, Philipp.*
Metronidazole (p.837·1).
Protozoal infections.

Tridelta *Ceccarelli, Ital.*
Colecalciferol (p.1986·2).
Vitamin D deficiency.

Trident *Adams, Canad.*
Xylitol (p.1998·2).
Dental caries prophylaxis.

Triderm
Note. This name is used for preparations of different composition.
Schering-Plough, Hong Kong; Schering-Plough, Israel; Schering-Plough, Mex.; Schering-Plough, Philipp.; Schering-Plough, Pol.; Schering-Plough, Rus.; Schering-Plough, Singapore; Essex, Switz.; Schering-Plough, Venez.
⊗ Betamethasone dipropionate (p.1518·3); clotrimazole (p.530·1); gentamicin sulfate (p.282·1).
Infected skin disorders.

Del-Ray, USA.
⊗ Triamcinolone acetonide (p.1544·3).
Skin disorders.

Triderm 5 *ICIM, Ital.*
Barrier preparation.

Triderm Crema *ICIM, Ital.*
Zinc oxide (p.1621·2).

Triderm Zeta *ICIM, Ital.*
Zinc oxide (p.1621·2).
Skin disorders.

Tridermal *Panalab, Arg.*
⊗ Ketoconazole (p.539·1); hydrocortisone acetate (p.1535·2); gentamicin sulfate (p.282·1).
Infected skin disorders.

Triderm-C *Schering-Plough, Malaysia.*
⊗ Betamethasone dipropionate (p.1518·3); clotrimazole (p.530·1).
Fungal skin infections.

Tridesilon
Note. This name is used for preparations of different composition.
Clay Park, USA†.
Cream; ointment: ⊗ Desonide (p.1525·1).
Skin disorders.

Clay Park, USA†.
Ear drops: ⊗ Desonide (p.1525·1); acetic acid (p.2244·2).
Superficial ear infections with inflammation.

Tridesonit *CS, Fr.*
⊗ Desonide (p.1525·1).
Skin disorders.

Tridestan N *Gador, Arg.*
Levonorgestrel (p.2121·2); ethinylestradiol (p.2101·3).
Triphasic oral contraceptive.

Tridestra *Orion, UK.*
70 Tablets, estradiol valerate (p.2097·3); 14 tablets, estradiol valerate; medroxyprogesterone acetate (p.2113·1); 7 tablets, inert.
Menopausal disorders; osteoporosis.

Tridetarmon *Roemmers Rowe, Venez.*
⊗ Betamethasone valerate (p.1519·1); gentamicin sulfate (p.282·1); clioquinol (p.254·1).
Infected skin disorders.

Tridette *Gador, Arg.*
Norgestimate (p.2121·1); ethinylestradiol (p.2101·3).
Triphasic oral contraceptive.

Tridez *Sandoz, Indon.*
⊗ Triamcinolone acetonide (p.1544·3).
Corticosteroid.

Tridigestivo Soubeiran *Chobet, Arg.*
Pancreatin (p.2360·1); takadiastase (p.2256·3); pepsin (p.2365·1).
Digestive disorders.

Tridil *Cristalia, Braz.; Boots, Hong Kong†; Du Pont, Hong Kong†; Sanofi Synthelabo, S.Afr.; Faulding, USA†; Zuoz, Venez.†.*
Glyceryl trinitrate (p.1296·2).
Angina pectoris; control of blood pressure during surgery; heart failure; ischaemic heart disease.

Tridin
Rottapharm, Chile†; Rottapharm, Cz.; Rotta, Hong Kong; Rottapharm, Hung.; Rottapharm, Ital.
Glutamine monofluorophosphate (p.1965·1); calcium gluconate (p.1675·3); calcium citrate (p.1675·3).
Osteoporosis.

Opfermann, Ger.
Sodium monofluorophosphate (p.1964·3); calcium gluconate (p.1675·3); calcium citrate (p.1675·3).
Osteoporosis.

Tridin Forte *Opfermann, Ger.*
Sodium monofluorophosphate (p.1964·3); calcium carbonate (p.1714·1).
Osteoporosis.

Triditol-G *Loyal Advance, Hong Kong.*
⊗ Triamcinolone acetonide (p.1544·3); gentamicin sulfate (p.282·1); diphenhydramine hydrochloride (p.577·2); tolnaftate (p.548·3).
Inflamed bacterial and fungal skin infections.

Tridocemine *Aventis, Port.†.*
Injection: Vitamin B (p.1980·3).
Anaemia; neuralgia; neuritis; tonic.

Tridol *Grunenthal, Austria.*
⊗ Buprenorphine (p.29·1).
Pain.

Tridomose *Aventis, S.Afr.*
⊗ Gestrinone (p.2106·1).
Endometriosis.

Tridyl *Condrugs, Thai.*
Trihexyphenidyl hydrochloride (p.820·2).
Drug-induced extrapyramidal disorders; parkinsonism.

Triefect *Geminis, Arg.†.*
⊗ Ketoconazole (p.539·1); gentamicin sulfate (p.282·1); hydrocortisone acetate (p.1535·2).
Infected skin disorders.

Triella *Codepharma, Fr.*
Norethisterone (p.2119·3); ethinylestradiol (p.2101·3).
Triphasic oral contraceptive.

Tri-Emcortina *Merck, Arg.†.*
⊗ Fluprednidene acetate (p.1533·1); neomycin sulfate (p.305·1); chloroquine (p.599·2).
Infected skin disorders.

Triene *Wassermann, Ital.*
Polyenacid (p.2308·2).
Barrier preparation; burns; skin irritation; wounds.

Trienter *Farmedia, Gr.*
Trimebutine (p.2404·3).
Gastrointestinal disorders.

Trienyl *Lek, Pol.*
Fish oil (p.1362·2).
Atherosclerosis; cardiovascular disorders; cerebrovascular disorders; hyperlipidaemias.

Triesence *Alcon, USA.*
⊗ Triamcinolone acetonide (p.1544·3).
Inflammatory eye disorders.

Triette *Stada, Ger.†.*
Levonorgestrel (p.2121·2); ethinylestradiol (p.2101·3).
Triphasic oral contraceptive.

Triexidyl *Cristalia, Braz.*
Trihexyphenidyl hydrochloride (p.820·2).
Parkinsonism.

Trifacilina *Bago, Arg.*
Ampicillin (p.204·1).
Bacterial infections.

Trifalac *Medicus, Gr.*
Dibasic sodium phosphate (p.1682·3); phosphoric acid (p.2367·1).
Constipation.

Trifamox
Note. This name is used for preparations of different composition.
Bago, Arg.
Amoxicillin (p.202·2).
Bacterial infections.

Bago, Braz.
Amoxicillin sodium (p.202·2) or amoxicillin trihydrate (p.202·2); pivsulbactam (p.335·1) or sulbactam sodium (p.335·1).
Bacterial infections.

Trifamox Bronquial *Bago, Arg.*
Amoxicillin trihydrate (p.202·2); brovanexine hydrochloride (p.1553·1).
Bacterial infections of the respiratory tract.

Trifamox Bronquial Duo *Bago, Arg.*
Amoxicillin trihydrate (p.202·2); ambroxol hydrochloride (p.1550·3).
Respiratory-tract infections.

Trifamox Duo *Bago, Arg.*
Amoxicillin trihydrate (p.202·2).
Bacterial infections.

Trifamox IBL *Bago, Arg.; Armstrong, Mex.; Bago, Rus.*
Amoxicillin sodium (p.202·2) or amoxicillin trihydrate (p.202·2); pivsulbactam (p.335·1) or sulbactam sodium (p.335·1).
Bacterial infections.

Trifas
Note. This name is used for preparations of different composition.
Silesia, Chile†.
Norgestimate (p.2121·1); ethinylestradiol (p.2101·3).
Triphasic oral contraceptive.

Berlin-Chemie, Cz.†.
⊗ Torasemide (p.1415·3) or torasemide sodium (p.1416·1).
Liver cirrhosis with ascites; oedema.

Berlin-Chemie, Pol.
⊗ Torasemide (p.1415·3).
Oedema.

Trifed *Hikma, Cz.†; Interbat, Indon.; Nakornpatana, Thai.*
Pseudoephedrine hydrochloride (p.1571·2); triprolidine hydrochloride (p.592·3).
Allergic rhinitis; cold symptoms; nasal congestion; sinusitis.

Trifed Expectorant *Hikma, Cz.†.*
Pseudoephedrine hydrochloride (p.1571·2); triprolidine hydrochloride (p.592·3); guaifenesin (p.1561·3).
Coughs.

Trifed-C Cough *Geneva, USA.*
Pseudoephedrine hydrochloride (p.1571·2); codeine phosphate (p.37·2); triprolidine hydrochloride (p.592·3).
Coughs and cold symptoms.

Trifedrin
Note. This name is used for preparations of different composition.
Farmoquimica, Braz.
Pseudoephedrine hydrochloride (p.1571·2); triprolidine hydrochloride (p.592·3); sulfogaiacol (p.1573·2).
Cough.

Otto, Indon.
Pseudoephedrine hydrochloride (p.1571·2); triprolidine hydrochloride (p.592·3).
Cold symptoms; sinusitis.

Trifeme *Wyeth, Austral.; Wyeth, NZ.*
21 Tablets, ethinylestradiol (p.2101·3); levonorgestrel (p.2121·2); 7 tablets, inert.
Triphasic oral contraceptive.

Tri-Femoden *Schering, Fin.*
Gestodene (p.2105·2); ethinylestradiol (p.2101·3).
Triphasic oral contraceptive.

Trifen
Note. This name is used for preparations of different composition.
Hertz, Braz.
Paracetamol (p.108·1).
Fever; pain.

Be-Tabs, S.Afr.
Triprolidine hydrochloride (p.592·3); pseudoephedrine hydrochloride (p.1571·2); codeine phosphate (p.37·2); guaifenesin (p.1561·3).
Coughs.

Aroma, Turk.
Co-trimoxazole (p.258·1).
Bacterial infections; pneumocystis pneumonia; toxoplasmosis.

Trifene *Medinfar, Port.*
Ibuprofen (p.64·2).
Fever; pain.

Triffadiane *Polinac, Venez.†.*
Centella (p.1592·3).
Stretch marks.

Trifibra Mix *Sanofi-Aventis, Braz.*
Bran (p.1712·3).
Constipation; dietary supplement.

Triflexor *Combiphar, Indon.*
Glucosamine (p.2313·2); chondroitin (p.2280·3); dimethyl sulfone (p.2294·1).
Osteoarthritis.

Triflucan *Pfizer, Arg.; Pfizer, Fr.; Pfizer, Israel; Pfizer, Turk.*
Fluconazole (p.532·1).
Fungal infections.

Trifluid *Otsuka, Jpn.*
Carbohydrate and electrolyte infusion (p.1922·1).
Parenteral nutrition.

Triflumann *Mann, Ger.*
Trifluridine (p.910·3).
Herpesvirus keratitis.

Triflumed *Medifive, Thai.*
Trifluoperazine (p.1034·3).
Anxiety; nausea and vomiting; psychoses.

Triflux *Scharper, Ital.*
Triflusal (p.1418·3).
Thromboembolic disorders.

Trifolium Complex *Blackmores, Austral.†.*
Yellow dock (p.2416·3); taraxacum (p.2395·1); red clover (p.2285·1); lappa (p.2330·3); zinc amino acid chelate (p.2000·1); vitamin A acetate (p.1973·1).
Skin disorders.

Triforam *Foramen, Philipp.*
Co-trimoxazole (p.258·1).
Bacterial infections.

Triforte *Rafarm, Gr.†.*
Vitamin B substances (p.1922·1).

Trifosfaneurina *Lepori, Port.*
Cocarboxylase chloride (p.1976·3).
Neuralgia; neuritis; neuromuscular disorders.

Trifosfaneurina B2 B12 *Farma Lepori, Spain†.*
Cyanocobalamin; riboflavin phosphate sodium; thiamine phosphate (p.1922·1).
Vitamin B deficiency.

Trifyba *Sanofi Synthelabo, Irl.†.*
Wheat grain extract (p.1712·3).
Bowel disorders; constipation; haemorrhoids; stoma management.

Trigan *Cadila, Rus.*
Dicycloverine hydrochloride (p.1722·3).

Trigan-D *Cadila, India; Cadila, Rus.*
Dicycloverine hydrochloride (p.1722·3); paracetamol (p.108·1).

Trigastril *Pfizer, Austria; Pfizer Consumer, Ger.*
Aluminium hydroxide gel (p.1706·2); magnesium hydroxide (p.1743·2); calcium carbonate (p.1714·1).
Gastric hyperacidity; gastritis; gastro-oesophageal reflux; heartburn; peptic ulcer.

Tri-Gel *Vida, Hong Kong.*
⊗ Triamcinolone acetonide (p.1544·3); lidocaine (p.1862·3); cetrimide (p.1634·1).
Oral lesions.

Trigen *Rimsa, Mex.*
Ciprofloxacin hydrochloride (p.243·3).
Bacterial infections.

Trigesico *BMS, Chile.*
Paracetamol (p.108·1); aspirin (p.20·3); caffeine (p.1116·3).
Cold symptoms; pain.

Triginet *KRKA, Cz.; KRKA, Pol.*
Lamotrigine (p.485·1).
Bipolar disorder; epilepsy.

Trigliceril CM *Support, Braz.*
Preparation for enteral nutrition (p.1922·1).

Triglide *Sciele, USA.*
Fenofibrate (p.1286·2).
Hypercholesterolaemia.

Triglistab *Arkomedika, Fr.*
Omega-3 marine triglycerides (p.1362·2).
Hyperlipidaemias.

Triglobe *AstraZeneca, Braz.; AstraZeneca, Malaysia†; AstraZeneca, Philipp.*
Sulfadiazine (p.336·2); trimethoprim (p.355·2).
Bacterial infections.

Triglyx *Ingers, Cz.*
Atorvastatin calcium (p.1218·3).
Hypercholesterolaemia.

Trigoa *Wyeth, Ger.*
Levonorgestrel (p.2121·2); ethinylestradiol (p.2101·3).
Triphasic oral contraceptive.

Trigogine *Atlantic, Hong Kong; Atlantic, Singapore; Atlantic, Thai.*
Codergocrine mesilate (p.363·3).
Cerebral and peripheral vascular disorders; mental function impairment.

Trigolax *Coup, Gr.*
Potassium sodium tartrate (p.1764·1).
Laxative.

Trigon Depot *BMS, Spain.*
⊗ Triamcinolone acetonide (p.1544·3).
Corticosteroid.

Trigon Rectal *BMS, Spain.*
⊗ Lidocaine (p.1862·3); triamcinolone acetonide (p.1544·3).
Anorectal disorders.

Trigon Topico *BMS, Spain.*
⊗ Amphotericin B (p.523·2); gramicidin (p.286·1); neomycin sulfate (p.305·1); triamcinolone acetonide (p.1544·3).
Infected skin disorders.

Trigrip *Stada, Cz.*
Paracetamol (p.108·1); ascorbic acid (p.1983·3); caffeine (p.1116·3); chlorphenamine maleate (p.571·3).
Cold and influenza symptoms.

Trigyn *Continental Pharma, Thai.†.*
Tinidazole (p.848·3).
Amoebiasis; anaerobic bacterial infections; giardiasis; trichomoniasis.

Trigynera *Schering, Gr.*
Ethinylestradiol (p.2101·3); gestodene (p.2105·2).
Combined oral contraceptive.

Tri-Gynera *Bayer, Port.*
Gestodene (p.2105·2); ethinylestradiol (p.2101·3).
Triphasic oral contraceptive.

Trigynon *Schering, Austria; Schering, Belg.; Schering, Ital.; Schering, Neth.*
Levonorgestrel (p.2121·2); ethinylestradiol (p.2101·3).
Triphasic oral contraceptive.

Trigynovin *Schering, Spain.*
Gestodene (p.2105·2); ethinylestradiol (p.2101·3).
Triphasic oral contraceptive.

TriHEMIC
Wyeth, Philipp.
Ferrous fumarate (p.1938·3); vitamin B (p.1980·2); intrinsic factor concentrate (p.2326·3); folic acid (p.1940·1); vitamin E.
Vitamin C (p.1983·3) is included in this preparation to increase the absorption and availability of ferrous fumarate. Docusate sodium (p.1725·1) is included to reduce the constipating effects of ferrous fumarate.
Anaemias.

Lederle, USA.
Ferrous fumarate (p.1938·3); vitamin B substances (p.1980·2); intrinsic factor concentrate (p.2326·3); folic acid (p.1940·1); vitamin E.
Vitamin C (p.1983·3) is included in this preparation to increase the absorption and availability of ferrous fumarate; docusate sodium (p.1725·1) is included to reduce the constipating effects of ferrous fumarate.
Anaemias.

Triherpine *Novartis Ophthalmics, Cz.†; Novartis Ophthalmics, Hong Kong†; Novartis Ophthalmics, Hung.†; Novartis, Ital.; Novartis, Switz.†; Novartis, Thai.*
Trifluridine (p.910·3).
Herpes simplex infections of the eye.

Trihexy *Geneva, USA.*
Trihexyphenidyl hydrochloride (p.820·2).
Parkinsonism.

TriHIBit *Sanofi Pasteur, USA.*
A diphtheria, tetanus, acellular pertussis, and haemophilus influenzae vaccine (p.2211·1).
Active immunisation.

Trihistalex *Wolfs, Belg.*
Diphenhydramine hydrochloride (p.577·2); cinchocaine hydrochloride (p.1857·3); nicotinamide (p.1957·3).
Cutaneous hypersensitivity reactions; pain.

Trihistan *Gea, Denm.†; Weifa, Norw.†.*
Chlorcyclizine hydrochloride (p.571·2).
Hypersensitivity reactions; motion sickness; nausea; urticaria; vertigo.

Tri-Hydroserpine *Rugby, USA†.*
⊗ Hydrochlorothiazide (p.1307·3); reserpine (p.1387·3); hydralazine hydrochloride (p.1305·3).
Hypertension.

Triiodothyronine Injection *Goldshield, UK.*
Liothyronine sodium (p.2174·1).
Myxoedema coma.

Trijec *Landson, Indon.*
Ceftriaxone sodium (p.237·1).
Bacterial infections.

Tri-K *Century, USA.*
Potassium acetate (p.1684·2); potassium bicarbonate (p.1673·1); potassium citrate (p.1673·2).
Hypokalaemia; potassium depletion.

Trikacide *Pharmascience, Canad.*
Metronidazole (p.837·1).
Bacterial infections; protozoal infections.

Trikal *IBN, Ital.*
Calcitriol (p.1986·2).
Hypoparathyroidism; osteoporosis; pseudohypoparathyroidism; renal osteodystrophy; rickets.

Tri-Kort *Keene, USA.*
⊗ Triamcinolone acetonide (p.1544·3).
Corticosteroid.

Trikozol *Orion, Fin.*
Metronidazole (p.837·1).
Anaerobic bacterial infections; antibiotic-associated colitis; Crohn's disease; eradication of Helicobacter pylori in peptic ulcer; protozoal infections.

Trikvilar *Schering, Fin.*
Levonorgestrel (p.2121·2); ethinylestradiol (p.2101·3).
Triphasic oral contraceptive.

Trilac
Note. This name is used for preparations of different composition.
Novell, Indon.
⊗ Triamcinolone acetonide (p.1544·3).
Corticosteroid.

Allergon, Pol.
Bifidobacterium bifidum (p.2372·3); *Lactobacillus acidophilus* (p.2372·3); *Lactobacillus delbrueckii*.
Constipation; restoration of gastrointestinal flora.

Trilafon
Schering-Plough, Belg.†; Schering, Canad.; Schering-Plough, Indon.; Schering-Plough, Mex.†; Schering-Plough, Philipp.; Essex, Switz.; Schering, USA†.
Perphenazine (p.1017·1).
Anxiety; hiccup; nausea; pain; premedication; pruritus; psychoses; vomiting.

Schering-Plough, Denm.; Schering-Plough, Norw.
Perphenazine (p.1017·1) or perphenazine decanoate (p.1017·1).
Alcohol or opioid withdrawal syndromes; anxiety; hiccups; nausea; psychoses; vomiting.

Schering-Plough, Ital.; Schering-Plough, Pol.
Perphenazine (p.1017·1) or perphenazine enantate (p.1017·2).
Anxiety; depression; hiccups; nausea and vomiting; pain; psychoses.

Schering-Plough, Neth.; Schering-Plough, S.Afr.†.
Perphenazine enantate (p.1017·2).
Anxiety; nausea; psychoses; tension; vomiting.

Schering-Plough, Swed.
Perphenazine (p.1017·1), perphenazine decanoate (p.1017·1), or perphenazine enantate (p.1017·2).
Nausea; psychoses; vomiting.

Trilagavit *Lagap, Switz.*
Thiamine hydrochloride (p.1976·1) or thiamine nitrate (p.1976·2); pyridoxine hydrochloride (p.1978·2); cyanocobalamin (p.1980·2).
Peripheral neuropathies.

Trilam *Gerard, Irl.*
Triazolam (p.1033·2).
Insomnia.

Trilax *Hexal, Braz.†.*
Carisoprodol (p.1894·1); diclofenac sodium (p.44·3); paracetamol (p.108·1); caffeine (p.1116·3).

Tri-Legest *Barr, USA.*
21 Tablets, norethisterone acetate (p.2119·3); ethinylestradiol (p.2101·3); 7 tablets, ferrous fumarate (p.1938·3).
28-Day packs also contain 7 inert tablets.
Triphasic oral contraceptive.

Trileptal *Novartis, Arg.; Novartis, Austral.; Novartis, Austria; Novartis, Belg.; Novartis, Braz.; Novartis, Canad.; Novartis, Chile; Novartis, Cz.; Novartis, Denm.; Novartis, Fin.; Novartis, Fr.; Novartis, Ger.; Novartis, Gr.; Novartis, Hong Kong; Novartis, Hung.; Novartis, Indon.; Novartis, Irl.; Novartis, Malaysia; Novartis, Mex.; Novartis, NZ; Novartis, Neth.; Novartis, Norw.; Novartis, Philipp.; Novartis, Pol.; Novartis, Rus.; Novartis, S.Afr.; Novartis, Spain; Novartis, Swed.; Novartis, Switz.; Novartis, Thai.; Novartis, Turk.; Novartis, UK; Novartis, USA; Novartis, Venez.*
Oxcarbazepine (p.490·3).
Bipolar disorder; epilepsy; neuropathic pain.

Trileptin *Novartis, Israel.*
Oxcarbazepine (p.490·3).
Epilepsy.

Tri-Levlen *Berlex, USA.*
Levonorgestrel (p.2121·2); ethinylestradiol (p.2101·3).
28-Day packs also contain 7 inert tablets.
Triphasic oral contraceptive.

Trilifan *Schering-Plough, Fr.*
Perphenazine enantate (p.1017·2).
Psychoses.

Trilip *Elea, Arg.*
Ezetimibe (p.1284·3).
Hypercholesterolaemia.

Trilisate *Purdue, Canad.†; Purdue Frederick, USA†.*
Choline magnesium trisalicylate (p.36·2).
Musculoskeletal and joint disorders.

Triliver *Northia, Arg.*
⊗ Betamethasone (p.1518·2); gentamicin (p.284·2); miconazole (p.541·2).
Infected skin disorders.

Triloc *AstraZeneca, Austria.*
⊗ Metoprolol tartrate (p.1338·1); hydrochlorothiazide (p.1307·3); hydralazine hydrochloride (p.1305·3).
Hypertension.

Trilog *Hauck, USA.*
⊗ Triamcinolone acetonide (p.1544·3).
Corticosteroid.

Trilombrin *Farmasierra, Spain.*
Pyrantel embonate (p.155·1).
Worm infections.

Trilone *Hauck, USA†.*
⊗ Triamcinolone diacetate (p.1544·3).
Corticosteroid.

Trilor
Note. This name is used for preparations of different composition.
Loren, Mex.†.
Oral suspension: Furazolidone (p.834·3); clioquinol (p.254·1); homatropine (p.1881·2); kaolin (p.1738·1); pectin (p.2145·2).
Diarrhoea.

Loren, Mex.†.
Tablets: Furazolidone (p.834·3); clioquinol (p.254·1); homatropine (p.1881·2).
Diarrhoea.

Trilosil *Silom, Thai.†.*
⊗ Triamcinolone acetonide (p.1544·3).
Skin disorders.

Triloxane *Vickmans, Hong Kong.*
Magnesium hydroxide (p.1743·2) or magnesium trisilicate (p.1744·1); aluminium hydroxide (p.1706·2); simeticone (p.1770·2).
Gastrointestinal disorders.

Triludan *Aventis, Port.†; Aventis, S.Afr.†.*
Terfenadine (p.590·3).
Allergic rhinitis; asthma; cutaneous hypersensitivity reactions; hypersensitivity reactions.

Tri-Luma
Galderma, Arg.; Galderma, Braz.; Galderma, Chile; Galderma, Hong Kong; Galderma, Malaysia; Galderma, Mex.; Galderma, Philipp.; Galderma, Singapore; Galderma, Thai.; Galderma, Venez.
⊗ Hydroquinone (p.1598·2); tretinoin (p.1618·1); fluocinolone acetonide (p.1531·3).
Facial melasma; skin hyperpigmentation.

Galderma, USA.
⊗ Hydroquinone (p.1598·2); tretinoin (p.1618·1); fluocinolone (p.1531·3).
Facial melasma.

TriLyte *Schwarz, USA.*
Macrogol 3350 (p.2336·3); electrolytes (p.1667·1).
Bowel evacuation.

Trim
Note. This name is used for preparations of different composition.
Saval, Chile.
Trimebutine maleate (p.2404·3).
Gastrointestinal disorders.

M & H, Malaysia†; M & H, Thai.
⊗ Triamcinolone acetonide (p.1544·3).
Oral lesions.

Trima *Jin Yang, Malaysia.*
Trimebutine maleate (p.2404·3).
Gastritis; irritable bowel syndrome.

Tri-Mactex *Gynopharm, Chile.*
Norgestimate (p.2121·1); ethinylestradiol (p.2101·3).
Triphasic oral contraceptive.

Trimadan *Dankos, Indon.*
Clotrimazole (p.530·1).
Fungal skin infections.

Trimag *Uniao Quimica, Braz.†.*
Tiratricol (p.2177·3).
Thyroid disorders.

Trimate-Ace *Sankyo, Thai.†.*
Vitamin B substances with vitamin E (p.1922·1).

Trimate-E *Kimia, Indon.*
Benfotiamine (p.1975·2); pyridoxine hydrochloride (p.1978·2); hydroxocobalamin (p.1980·3); *dl*-alpha tocoferil acetate (p.1992·3).
Anaemia; musculoskeletal pain; neuralgia; neuritis; tonic.

Trimaxazole *Beacons, Singapore.*
Co-trimoxazole (p.258·1).
Bacterial infections; pneumocystis pneumonia.

Trimaze *Garec, S.Afr.*
Clotrimazole (p.530·1).
Fungal skin infections.

Trimazide *Major, USA†.*
Trimethobenzamide hydrochloride (p.592·2).
Nausea and vomiting.

Trimazol *Vannier, Arg.; Upha, Malaysia†.*
Clotrimazole (p.530·1).
Fungal skin infections.

Trimeba *Bajamed, Mex.*
Clarithromycin (p.248·2).
Bacterial infections.

Trimecor *Corsalud, Venez.*
Co-trimoxazole (p.258·1).
Bacterial infections; pneumocystis pneumonia.

Trimecryton *Leciva, Cz.†.*
⊗ Dihydroergocristine mesilate (p.364·2); chlortalidone (p.1243·3); metipranolol (p.1883·2).
Hypertension.

Trimedal *Novartis, Braz.*
Dimetindene maleate (p.576·3); rutoside (p.2305·1); paracetamol (p.108·1); ascorbic acid (p.1983·3); phenylephrine hydrochloride (p.1568·1).
Cold and influenza symptoms.

Trimedat *Italfarmaco, Ital.†.*
Trimebutine maleate (p.2404·3).
Gastrointestinal spasm; irritable bowel disease; oesophageal motility disorders.

Trimedil *Novartis Consumer, Austria.*
Paracetamol (p.108·1); phenylephrine hydrochloride (p.1568·1); dimetindene maleate (p.576·3); ascorbic acid (p.1983·3); oxerutins (p.2304·3).
Cold symptoms.

Trimedin *Kleva, Gr.*
Trimetazidine (p.1419·2).
Angina pectoris.

Trimedor *Biomedica-Chemica, Gr.*
Trimetazidine (p.1419·2).
Angina pectoris.

Trim-Elim *Reese, USA†.*
Caffeine (p.1116·3); potassium salicylate; salicylamide (p.121·2).

Trimelot *Rafarm, Gr.*
Oxaprozin (p.105·3).
Inflammatory disorders.

Trimepaz *Master, Chile†.*
Doxylamine succinate (p.578·2).
Insomnia.

Trimephar *Am-Europharma, Philipp.*
Co-trimoxazole (p.258·1).
Urinary-tract infections.

Trimepol *Ingens, Arg.*
Trimethoprim (p.355·2); polymyxin B (p.318·2).
Bacterial eye infections.

Trimepol D *Ingens, Arg.*
⊗ Trimethoprim (p.355·2); polymyxin B (p.318·2); dexamethasone sodium phosphate (p.1526·2).
Bacterial eye infections.

Trimepranol *Medicamenta, Cz.*
⊗ Metipranolol (p.1883·2) or metipranolol fumarate (p.1883·2).
Angina pectoris; arrhythmias; hypertension; myocardial infarction; tremor.

Tri-Merci *Organon, Rus.*
Desogestrel (p.2093·2); ethinylestradiol (p.2101·3).
Triphasic oral contraceptive.

Trimesan *Sun-Farm, Pol.*
Trimethoprim (p.355·2).
Bacterial infections; pneumocystis pneumonia.

Trime/Sulfa *Quimica y Farmacia, Mex.†.*
Co-trimoxazole (p.258·1).
Bacterial infections.

Trimetabol
Note.This name is used for preparations of different composition.
Arrow, Braz.; Uriach, Spain.
Cyproheptadine acefyllinate (p.575·2); lysine hydrochloride; carnitine hydrochloride; vitamin B substances (p.1922·1).
Reduced appetite; tonic.
Zimaia, Port.†.
Cyproheptadine acefyllinate (p.575·2).
Appetite stimulant.

Trimetaratio *Ratiopharm, Pol.*
Trimetazidine hydrochloride (p.1419·2).
Ischaemic eye disorders; ischaemic heart disease; ischaemic vestibular disorders.

Trimetazide *Pabianice, Rus.*
Trimetazidine (p.1419·2).
Angina pectoris; vascular eye disorders; vestibular disorders.

Trimetho comp *Strallhofer, Austria.*
Co-trimoxazole (p.258·1).
Bacterial infections.

Trimethox *Caps, S.Afr.*
Co-trimoxazole (p.258·1).
Bacterial infections.

Trimetin *Vitabalans, Fin.*
Trimethoprim (p.355·2).
Urinary-tract infections.

Trimetin Duplo *Vitabalans, Fin.*
Sulfadiazine (p.336·2); trimethoprim (p.355·2).
Respiratory-tract and urinary-tract infections.

Trimetoger *Streger, Mex.*
Co-trimoxazole (p.258·1).
Bacterial infections.

Trimeton *Schering-Plough, Ital.*
Chlorphenamine maleate (p.571·3).
Hypersensitivity reactions; motion sickness; vomiting.

Trimetoprim Sulfa *Calox, Venez.†; SM, Venez.†.*
Co-trimoxazole (p.258·1).
Bacterial infections.

Trimetoprim-Sulfa *Gea, Norw.†.*
Co-trimoxazole (p.258·1).
Bacterial infections; pneumocystis pneumonia.

Trimetox *Rimsa, Mex.*
Co-trimoxazole (p.258·1).
Bacterial infections.

Trimetrox *Richmond, Arg.*
⊗ Tamoxifen (p.775·1).
Breast cancer.

Trimetyl-HIDA *Rez, Cz.*
Technetium-99m mefenin (p.2055·3).
Radionuclide imaging of the biliary tract and liver.

Trimevert *Med-One, Gr.*
Trimetazidine (p.1419·2).
Angina pectoris.

Trimex *Ratiopharm, Fin.*
Trimethoprim (p.355·2).
Urinary-tract infections.

Trimexazol *Sanofi-Aventis, Braz.; Valeant, Mex.*
Co-trimoxazole (p.258·1).
Bacterial infections; pneumocystis pneumonia; protozoal infections.

Trimexazole *CCM, Malaysia; Pharmasant, Thai.*
Co-trimoxazole (p.258·1).
Bacterial infections.

Trimexine *Valeant, Mex.*
Ambroxol hydrochloride (p.1550·3).
Respiratory-tract congestion.

Trimexole *Rayere, Mex.*
Co-trimoxazole (p.258·1).
Bacterial infections; pneumocystis pneumonia.

Trimexole Compositum *Rayere, Mex.*
Co-trimoxazole (p.258·1); guaifenesin (p.1561·3).
Respiratory-tract infections.

Trimezol *Biofarma, Braz.†; Mugi, Indon.*
Co-trimoxazole (p.258·1).
Bacterial infections; pneumocystis pneumonia.

Trimezole *Malayan, Singapore†.*
Co-trimoxazole (p.258·1).
Bacterial infections.

Trim-Fit *Quest, Canad.*
Bitter orange; enzyme blend; camelia sinensis; kelp; lipoic acid; hypericum; tonalin (p.1922·1).

Tri-Micon *Beacons, Singapore.*
⊗ Betamethasone valerate (p.1519·1); miconazole nitrate (p.541·3); gentamicin sulfate (p.282·1).
Infected skin disorders.

Trimicon *Unison, Thai.*
⊗ Miconazole nitrate (p.541·3); triamcinolone acetonide (p.1544·3).
Infected skin disorders.

Trimicro *Microsules, Arg.*
Ampicillin trihydrate (p.204·2).
Bacterial infections.

Trimidura *Merck dura, Ger.*
Trimipramine maleate (p.426·3).
Depression.

Trimin sulfa *AstraZeneca, Swed.†.*
Sulfadiazine (p.336·2); trimethoprim (p.355·2).
Urinary-tract infections.

Trimine *Ecosol, Switz.*
Trimipramine maleate (p.426·3).
Depression; pain.

Triminetta *Sandoz, Denm.*
Ethinylestradiol (p.2101·3); levonorgestrel (p.2121·2).
Triphasic oral contraceptive.

Trimineurin *Hexal, Ger.*
Trimipramine maleate (p.426·3).
Depression.

Triminex *Konimex, Indon.*
Co-trimoxazole (p.258·1).
Bacterial infections.

Tri-Minulet *Wyeth, Austral.†; Wyeth Lederle, Austria; Wyeth, Belg.; Wyeth, Cz.; Wyeth, Denm.†; Wyeth, Fin.†; Wyeth, Fr.; Wyeth, Gr.; Wyeth, Hung.†; Wyeth, Irl.; Wyeth Lederle, Ital.; Wyeth, Neth.†; Wyeth, Pol.; Wyeth Lederle, Port.; Akromed, S.Afr.; Wyeth, Spain; Wyeth, Switz.; Wyeth, UK†.*
Gestodene (p.2105·2); ethinylestradiol (p.2101·3).
28-day packs also contain 7 inert tablets.
Triphasic oral contraceptive.

Trimiron *Pharmaco, NZ†; Organon, Swed.*
Desogestrel (p.2093·2); ethinylestradiol (p.2101·3).
Triphasic oral contraceptive.

TriMix
Note. A similar name is used for preparations of different composition (see below).
Fresenius Kabi, Austria.
Amino-acid, carbohydrate, and lipid (from soya oil (p.1965·3)) infusions (p.1922·1).
Contains egg lecithin.
Parenteral nutrition.

Tri-Mix
Note. A similar name is used for preparations of different composition (see above).
Wedgewood, USA.
Papaverine (p.2191·3); alprostadil (p.2183·2); phentolamine (p.1370·3).
Erectile dysfunction.

Trimline *Lane, Pol.*
Xanthogenic fibre; vitamins; trace elements (p.1922·1).
Obesity.

Trimocom *Jumont, Philipp.*
Co-trimoxazole (p.258·1).
Bacterial infections.

Trimoks *Atabay, Turk.*
Co-trimoxazole (p.258·1).
Bacterial infections; pneumocystis pneumonia; toxoplasmosis.

Trimol *Julphar, UAE.*
Co-trimoxazole (p.258·1).
Bacterial infections; nocardiosis; pneumocystis pneumonia; toxoplasmosis.

Trimol-A *Julphar, UAE.*
Trimethoprim (p.355·2).
Bacterial infections; pneumocystis pneumonia.

Trimonase *Mipharm, Ital.*
Tinidazole (p.848·3).
Amoebiasis; giardiasis; trichomoniasis.

Trimonil *Desitin, Denm.; Desitin, Norw.; Desitin, Swed.*
Carbamazepine (p.471·3).
Alcohol withdrawal syndrome; benzodiazepine withdrawal syndrome; bipolar disorder; diabetes insipidus; diabetic neuropathy; epilepsy; mania; neuralgias.

Trimonit *Sanofi-Aventis, Pol.*
Glyceryl trinitrate (p.1296·2).
Angina pectoris.

Trimopan *Orion, Denm.; Orion, Fin.; Berk, UK.*
Trimethoprim (p.355·2).
Urinary-tract and respiratory-tract infections.

Trimo-San *Cooper, USA.*
Hydroxyquinoline sulfate (p.2323·1); boric acid (p.2268·1); borax (p.2268·1); sodium laurilsulfate (p.2138·3); glycerol (p.2314·2).
Vaginal deodoriser.

Trimovate *GSK, UK.*
⊗ Clobetasone butyrate (p.1522·3); oxytetracycline calcium (p.312·3); nystatin (p.543·2).
Skin disorders with bacterial or fungal infection.

Trimovax *Sanofi Pasteur, Arg.; Aventis Pasteur, Braz.†; Pasteur Merieux, Cz.†; Sanofi Pasteur, Hong Kong; Sanofi Pasteur, Indon.; Aventis Pasteur, Philipp.; Aventis Pasteur, Pol.†; Aventis, S.Afr.; Sanofi Pasteur, Thai.; Aventis Pasteur, Turk.; Zuoz, Venez.†.*
A measles, mumps, and rubella vaccine (Schwarz, Urabe Am 9, and Wistar RA 27/3M strains, respectively) (p.2223·1).
Active immunisation.

Trimox
Delta, Braz.
Amoxicillin (p.202·2).
Bacterial infections.
Apothecon, USA.
Amoxicillin trihydrate (p.202·2).
Bacterial infections.

Trimoxal *Elmor, Venez.*
Amoxicillin trihydrate (p.202·2).
Bacterial infections.

Trimoxazole *Sandoz, Austral.*
Co-trimoxazole (p.258·1).
Bacterial infections.

Trimoxis *Genesis, Philipp.*
Co-trimoxazole (p.258·1).
Bacterial infections.

Trimoxsul *Interbat, Indon.*
Co-trimoxazole (p.258·1).
Bacterial infections.

Trimpex *Roche, USA.*
Trimethoprim (p.355·2).
Urinary-tract infections.

Trim-S *Dynamic, Philipp.*
Co-trimoxazole (p.258·1).
Bacterial infections.

Trimstat *Fada, Arg.†.*
Metronidazole (p.837·1).
Bacterial infections; protozoal infections.

Trimulex *Medi-Rx, Philipp.*
Carbocisteine (p.1553·2).
Respiratory-tract congestion.

Trimycin *BioFemme, Philipp.*
Bacitracin (p.210·3); neomycin (p.305·1); polymyxin B sulfate (p.317·3).
Bacterial skin infections.

Trimycin-H *BioFemme, Philipp.*
⊗ Bacitracin (p.210·3); hydrocortisone (p.1535·2); neomycin (p.305·1); polymyxin B sulfate (p.317·3).
Skin infections.

Trimzol *Randall, Mex.; Schwulst, S.Afr.*
Co-trimoxazole (p.258·1).
Bacterial infections.

Trinagesic *Adcock Ingram, S.Afr.*
Meprobamate (p.1006·2); paracetamol (p.108·1); codeine phosphate (p.37·2).
Pain and associated tension.

Trinalin
Note.This name is used for preparations of different composition.
Schering, Canad.; Schering-Plough, Mex.†; Key, USA†.
Azatadine maleate (p.568·1); pseudoephedrine sulfate (p.1571·2).
Allergic rhinitis; nasal congestion; respiratory-tract congestion.
Norma (Νορμα), Gr.
Levocarnitine (p.1932·2).
Carnitine deficiency; myocardial ischaemia.

Trinalion *Neo-Farmaceutica, Port.*
Nimodipine (p.1357·2).
Cerebral ischaemia; cerebral vasospasm following subarachnoid haemorrhage.

Tri-Nasal *Muro, USA.*
⊗ Triamcinolone acetonide (p.1544·3).
Allergic rhinitis.

Trinate *Cypress, USA.*
Multivitamin and mineral preparation with iron and folic acid (p.1922·1).

Trinavet *Collins, Mex.†.*
Vitamin B substances (p.1922·1).
Neuritis.

Trinelax *Protein, Mex.†.*
Co-trimoxazole (p.258·1).
Bacterial infections.

Trinell Pro *Beres, Hung.*
Paracetamol (p.108·1); propyphenazone (p.119·3); caffeine (p.1116·3).
Fever; pain.

Trinergic *Unichem, India.*
Vitamin preparation with ginseng and zinc (p.1922·1).
Tonic.

Trinergot *Atlantis, Mex.*
Caffeine (p.1116·3); ergotamine tartrate (p.620·1).
Migraine and other vascular headaches.

TriNessa *Watson, USA.*
21 Tablets, norgestimate (p.2121·1); ethinylestradiol (p.2101·3); 7 tablets, inert.
Triphasic oral contraceptive.

Trinestril *Sanofi-Aventis, Braz.*
⊗ Estradiol hexahydrobenzoate (p.2097·3); testosterone hexahydrobenzoate (p.2131·3); hydroxyprogesterone enantate (p.2110·3).
Menopausal disorders.

Trineurin *Orion, Fin.*
Vitamin B substances (p.1922·1).
Vitamin B deficiency.

Trineurovita *Maver, Mex.*
Hydroxocobalamin acetate (p.1980·3); thiamine hydrochloride (p.1976·1); pyridoxine hydrochloride (p.1978·2).
Neuralgias; neuritis; neuropathy; vitamin B deficiency.

Trineurovita Compuesto *Maver, Mex.*
⊗ 1 Ampoule, hydroxocobalamin acetate (p.1980·3); thiamine hydrochloride (p.1976·1); pyridoxine hydrochloride (p.1978·2); 1 ampoule, dexamethasone sodium phosphate (p.1526·2); lidocaine hydrochloride (p.1862·3).
Inflammation; neuralgias; neuritis.

Trinevrina B6 *Guidotti, Ital.*
Thiamine hydrochloride (p.1976·1); pyridoxine hydrochloride (p.1978·2); cyanocobalamin (p.1980·2).
Lidocaine hydrochloride (p.1862·3) is included in the intramuscular injection to alleviate the pain of injection.
Neuralgias; neuritis; radiation sickness; toxicosis.

Trinicalm *Torrent, India.*
Trifluoperazine (p.1034·3).
Anxiety; mixed anxiety depressive states; schizophrenia; senile agitation.

Trinicalm Forte *Torrent, India.*
Chlorpromazine hydrochloride (p.969·2); trifluoperazine hydrochloride (p.1034·2); trihexyphenidyl hydrochloride (p.820·2).
Schizophrenia.

Trinicalm Plus *Torrent, India.*
Trifluoperazine hydrochloride (p.1034·2); trihexyphenidyl hydrochloride (p.820·2).
Schizophrenia.

Trinidex *Diaco, Ital.*
Glucose, vitamin, and sodium chloride infusion (p.1922·1).
Carbohydrate source; fluid and electrolyte disorders.

Trinigyn *Grunenthal, Mex.*
Tinidazole (p.848·3).
Anaerobic bacterial infections; protozoal infections.

Trinipatch *Solvay, Belg.; Sanofi-Aventis, Fr.; Sanofi-Aventis, Gr.; Lavipharm, Israel†; Sanofi Synthelabo, Neth.; Helsinn, Port.†; Vita, Spain.*
Glyceryl trinitrate (p.1296·2).
Angina pectoris; heart failure.

Triniplas *Novartis, Ital.*
Glyceryl trinitrate (p.1296·2).
Angina pectoris.

Trinispray *Sanofi-Aventis, Spain.*
Glyceryl trinitrate (p.1296·2).
Angina pectoris.

Triniton *Apogepha, Ger.*
⊗ Dihydralazine sulfate (p.1264·3); hydrochlorothiazide (p.1307·3); reserpine (p.1387·3).
Hypertension.

Trinitrina *Pharmafar, Ital.*
Glyceryl trinitrate (p.1296·2).
Angina pectoris.

Trinitrine *Sanofi, Switz.*
Glyceryl trinitrate (p.1296·2).
Angina pectoris; heart failure; pulmonary oedema.

Trinitrine Simple Laleuf *Santa, Gr.†.*
Glyceryl trinitrate (p.1296·2).
Angina pectoris; heart failure.

Trinitron *Quesada, Arg.*
Glyceryl trinitrate (p.1296·2); caffeine (p.1116·3).
Angina pectoris.

Trinitrosan *Merck, Ger.*
Glyceryl trinitrate (p.1296·2).
Angina pectoris; controlled hypotension; heart failure; hypertensive crisis; myocardial infarction.

Trinizol *UCI, Braz.†.*
Tinidazole (p.848·3).
Anaerobic bacterial infections; protozoal infections.

Trinizol M *UCI, Braz.†.*
Tinidazole (p.848·3); miconazole nitrate (p.541·3).
Vulvovaginal infections.

Trinolon *Kimia, Indon.*
⊗ Triamcinolone (p.1544·2).
Corticosteroid.

Trinolone *Nida, Singapore.*
⊗ Triamcinolone acetonide (p.1544·3).
Oral lesions.

Trinordiol
Note.This name is used for preparations of different composition.
Wyeth, Arg.; Wyeth Lederle, Austria; Wyeth, Belg.; Wyeth, Braz.; Wyeth, Chile; Wyeth, Cz.; Wyeth, Denm.; Wyeth, Fin.†; Wyeth, Fr.; Wyeth, Ger.†; Wyeth, Gr.†; Wyeth, Hong Kong†; Wyeth, Hung.; Sunthi Sepuri, Indon.; Wyeth, Indon.; Wyeth, Irl.; Wyeth-Ayerst, Israel†; Wyeth Lederle, Ital.†; Wyeth, Malaysia; Wyeth, Mex.; Wyeth, Neth.; Wyeth, Norw.; Wyeth, Philipp.; Wyeth, Pol.; Wyeth Lederle, Port.; Wyeth, Singapore; Wyeth, Swed.; Wyeth, Switz.; Wyeth, UK†; Wyeth, Venez.
Levonorgestrel (p.2121·2); ethinylestradiol (p.2101·3). 28-Day packs also contain 7 inert tablets.
Combined oral contraceptive; menstrual disorders; triphasic oral contraceptive.

Chiesi, Spain.
Delapril hydrochloride (p.1256·2).
Hypertension.

Tri-Norinyl *Searle, USA.*
Norethisterone (p.2119·3); ethinylestradiol (p.2101·3). 28-Day packs also contain 7 inert tablets.
Triphasic oral contraceptive.

Trinorm *Nycomed, Denm.†.*
18 Tablets, estradiol (p.2097·2); 10 tablets, estradiol; norethisterone (p.2119·3).
Menopausal disorders; osteoporosis.

TRI-Normin *Teofarma, Ger.*
⊗ Atenolol (p.1217·3); chlortalidone (p.1243·3); hydralazine hydrochloride (p.1305·3).
Hypertension.

Trinotecan *Filaxis, Arg.*
Irinotecan hydrochloride (p.737·1).
Colorectal cancer.

Trinotrex *Faria, Braz.†.*
Tetracycline (p.347·1); muramidase (p.2348·1).
Bacterial infections.

Trinovin *Novogen, Austral.*
Red clover (p.2285·1).
Prostate disorders.

Trinovum
Janssen-Cilag, Austria; Janssen-Cilag, Belg.; Janssen-Cilag, Braz.†; Janssen-Cilag, Cz.; Janssen-Cilag, Denm.; Janssen-Cilag, Ger.; Cilag, Hong Kong†; Janssen-Cilag, Neth.; Janssen-Cilag, S.Afr.; Janssen-Cilag, Swed.; Janssen-Cilag, Switz.; Janssen-Cilag, UK.
Norethisterone (p.2119·3); ethinylestradiol (p.2101·3). 28-Day packs also contain 7 inert tablets.
Triphasic oral contraceptive.

Janssen-Cilag, Pol.
Ethinylestradiol (p.2101·3); norethisterone acetate (p.2119·3).
Triphasic oral contraceptive.

Trinsicon
Lilly, Thai.†.
Cobalamin (p.1980·2); ferrous fumarate (p.1938·3); folic acid (p.1940·1) liver (p.2337·3) and stomach (p.2337·3) concentrate.
Vitamin C (p.1983·3) is included in this preparation to increase the absorption and availability of iron.
Anaemias.

UCB, USA.
Ferrous fumarate (p.1938·3); vitamin B substances (p.1980·2); intrinsic factor (liver-stomach preparation) (p.2326·3); folic acid (p.1940·1).
Ascorbic acid (p.1983·3) is included in this preparation to increase the absorption and availability of iron.
Anaemias.

Trintek *Goldshield, UK.*
Glyceryl trinitrate (p.1296·2).
Angina pectoris.

Trio D *LED, Fr.†.*
Liquorice (p.1740·3).
Hyperpigmentation disorders.

Trio S *LED, Fr.†.*
SPF 50: Ensulizole (p.1597·1); octocrilene (p.1608·3); octinoxate (p.1608·2); titanium dioxide (p.1617·3).
Sunscreen.

Trio Val *Saval, Chile.*
Paracetamol (p.108·1); pseudoephedrine hydrochloride (p.1571·2); chlorphenamine maleate (p.571·3).
Cold and influenza symptoms.

Trio Val Dia y Noche *Saval, Chile.*
Night tablets, paracetamol (p.108·1); pseudoephedrine (p.1571·2); chlorphenamine (p.572·2); day tablets, paracetamol; pseudoephedrine.
Cold and influenza symptoms.

TrioBe *Recip, Denm.; Recip, Fin.; Recip, Norw.; Recip, Swed.*
Folic acid; cyanocobalamin; pyridoxine hydrochloride (p.1922·1).
Vitamin B and folic acid deficiency.

Triocaps *Vifor, Switz.*
Chlorphenamine maleate (p.571·3); phenylephrine hydrochloride (p.1568·1).
Upper respiratory-tract disorders.

Triocetin *OFF, Ital.†.*
Troleandomycin (p.357·1).
Bacterial infections.

Trio-D *Fouchard, Chile†.*
Hydroquinone (p.1598·2); alpha hydroxy acids; ascorbic acid (p.1983·3).
Skin pigmentation disorders.

Triodanin *Norma (Νορμα), Gr.†.*
Amoxicillin trihydrate (p.202·2).
Bacterial infections.

Triodeen *Schering, Neth.*
Gestodene (p.2105·2); ethinylestradiol (p.2101·3).
Triphasic oral contraceptive.

Trioden *Schering, Austral.*
Gestodene (p.2105·2); ethinylestradiol (p.2101·3). 28-Day packs also contain 7 inert tablets.
Triphasic oral contraceptive.

Triodena *Schering, Austria; Bayer Schering, Hung.*
Gestodene (p.2105·2); ethinylestradiol (p.2101·3).
Triphasic oral contraceptive.

Triodene *Schering, Belg.; Schering, Irl.†; Schering, S.Afr.*
Gestodene (p.2105·2); ethinylestradiol (p.2101·3).
Triphasic oral contraceptive.

Triofan *Vifor, Switz.*
⊗ Xylometazoline hydrochloride (p.1575·1); carbocisteine (p.1553·2).
Upper respiratory-tract disorders.

Triofed *Pharmasant, Thai.; Barre-National, USA.*
Triprolidine hydrochloride (p.592·3); pseudoephedrine hydrochloride (p.1571·2).
Allergic rhinitis; cold symptoms; nasal congestion.

Triofix *Medichem, Philipp.*
Rifampicin (p.325·3); isoniazid (p.288·1); pyrazinamide (p.320·2).
Tuberculosis.

Triofusin *Kalbe, Indon.*
Carbohydrate infusion (p.1922·1).
Parenteral nutrition.

Triofusin E *Kalbe, Indon.*
Carbohydrate, electrolyte, and vitamin infusion (p.1922·1).
Parenteral nutrition.

Triolip *Sofar, Ital.*
Omega-3 triglycerides (p.1362·1).
Dietary supplement.

Triomar
Note.This name is used for preparations of different composition.
Aroma Life, Israel.
Omega-3 triglycerides (p.1362·1); omega-9 triglycerides.
Hyperlipidaemias; joint disorders; skin disorders; ulcerative colitis.

Pharmagic, Ital.
Omega-3 marine triglycerides (p.1362·2).
Hyperlipidaemias; joint disorders; skin disorders.

Triomer *Vifor, Switz.*
Sterile sea water (p.1686·1).
Nasal disorders.

Triomin *Xixia, S.Afr.*
Minocycline hydrochloride (p.300·3).
Bacterial infections.

Triomune *Cipla, India; Cipla-Medpro, S.Afr.; Cipla, Venez.*
Lamivudine (p.895·1); stavudine (p.907·1); nevirapine (p.899·1).
HIV infection.

Trionetta *Schering, Norw.; Schering, Swed.*
Levonorgestrel (p.2121·2); ethinylestradiol (p.2101·3). 28-Day packs also contain 7 inert tablets.
Triphasic oral contraceptive.

Trioptec *Dergam, Fr.*
Vitamins; minerals; evening primrose oil; fish oil (p.1922·1).
Aid in preventing ocular degeneration.

Trioral/HCT *Aliud, Austria.*
⊗ Triamterene (p.1417·2); hydrochlorothiazide (p.1307·3).
Heart failure; hypertension; oedema.

Triostat *Jones, USA.*
Liothyronine sodium (p.2174·1).
Evaluation of thyroid function; hypothyroidism.

Triostee *Tropica Mas, Indon.*
Glucosamine hydrochloride (p.2313·2); chondroitin sulfate (p.2280·3); dimethyl sulfone (p.2294·1).
Osteoarthritis.

Triosules *Microsules, Arg.*
Fluorouracil (p.722·2).
Malignant neoplasms.

Triotann *Prasco, USA.*
Phenylephrine tannate (p.1568·3); mepyramine tannate (p.585·2); chlorphenamine tannate (p.572·2).
Allergic rhinitis; nasal congestion.

Tri-Otic *Pharmics, USA†.*
⊗ Chloroxylenol (p.1640·2); pramocaine hydrochloride (p.1868·1); hydrocortisone (p.1535·2).
Inflammatory ear infections.

Triovit *KRKA, Rus.*
Betacarotene; tocopherol acetate; ascorbic acid; selenium (p.1922·1).

Triox *Solara, Mex.*
Ceftriaxone sodium (p.237·1).
Bacterial infections.

Triox NF *Andromaco, Chile.*
Naproxen sodium (p.92·3).
Fever; musculoskeletal, joint, and soft-tissue disorders; pain.

Trioxal *Polpharma, Pol.*
Itraconazole (p.536·3).
Fungal infections.

Trioxazin *Extractum, Hung.*
Trimetozine (p.1035·2).
Alcohol withdrawal syndrome; anxiety disorders; neuropathies; premenstrual syndrome.

Trioxina *Uniao Quimica, Braz.*
Ceftriaxone sodium (p.237·1).
Bacterial infections.

Triozine *Pharmasant, Thai.*
Trifluoperazine hydrochloride (p.1034·2).
Anxiety; nausea and vomiting; psychoses.

Tripac-Cyano *Adcock Ingram, S.Afr.*
4 Vials, sodium thiosulfate (p.1466·1); 2 vials, sodium nitrite (p.1464·3); 6 vials, amyl nitrite (p.1437·3).
Cyanide poisoning.

Tripacel *Aventis Pasteur, Austral.; Sanofi Pasteur, Hong Kong; Sanofi Pasteur, Indon.; Aventis Pasteur, Malaysia†; CSL, NZ; Connaught, NZ; Aventis Pasteur, Philipp.; Aventis Pasteur, Pol.; Sanofi Pasteur, Singapore; Sanofi Pasteur, Thai.; Aventis Pasteur, Turk.*
An adsorbed diphtheria, tetanus, and acellular pertussis vaccine (p.2210·3).
Active immunisation.

Tripanzym *Sanbe, Indon.*
Pancreatin (p.2360·1); simeticone (p.1770·2).
Flatulence; meteorism.

Triparen *Otsuka, Indon.; Otsuka, Jpn.*
Carbohydrate and electrolyte infusion (p.1922·1).
Parenteral nutrition.

Triparsean *Pantofarma, Spain.*
Piketoprofen hydrochloride (p.117·2).
Formerly contained piketoprofen or piketoprofen hydrochloride.
Peri-articular and soft-tissue disorders.

Tripe P *Universal, Hong Kong.*
Promethazine hydrochloride (p.588·2); pholcodine (p.1570·2); phenylpropanolamine hydrochloride (p.1569·3).
Coughs and cold symptoms.

Tripedia *Sanofi Pasteur, USA.*
A diphtheria, tetanus, and acellular pertussis vaccine (p.2210·3).
Active immunisation of infants and young children.

Tripel *Corsa, Indon.*
Tripelennamine hydrochloride (p.592·2).
Allergic skin disorders; insect bites; pruritus; sunburn.

Tripenem *Dexa, Indon.*
Meropenem (p.297·2).
Bacterial infections.

Triperidol *Ethnor, India.*
Trifluperidol (p.1035·1) or trifluperidol hydrochloride (p.1035·1).
Psychoses.

Triphasil *Wyeth, Austral.; Wyeth, Canad.; Wyeth, NZ; Akromed, S.Afr.; Wyeth-Ayerst, USA.*
Levonorgestrel (p.2121·2); ethinylestradiol (p.2101·3). 28-Day packs also contain 7 inert tablets.
Triphasic oral contraceptive.

Triphidus *Motima, Fr.*
Lactobacillus acidophilus; bifidobacterium; lactobacillus bulgaricus (p.2372·3).
Maintenance of gastrointestinal flora.

Triphimox *Lloyd, Philipp.*
Co-trimoxazole (p.258·1).
Bacterial infections.

Tripid *Teguhsindo, Indon.*
Turmeric (p.1473·2); ginseng (p.2312·1); essential phospholipids; vitamin E (p.1922·1).
Liver disorders.

Tripirol *Tecnofarma, Mex.*
Piroxicam (p.117·3).
Inflammation.

Triple Antigen *Commonwealth Serum, Hong Kong†; GSK, India; Haffkine, India; Serum Institute, India; CSL, NZ.*
A diphtheria, tetanus and pertussis vaccine (p.2210·3).
Active immunisation.

Triple Blend Echinacea *Swiss Herbal, Canad.*
Echinacea angustifolia; echinacea purpurea; echinacea pallida (p.2298·1).

Triple Care Cleanser *Smith & Nephew, Austral.†; Smith & Nephew, Canad.†.*
Emollient and skin cleanser.
Skin disorders associated with incontinence.

Triple Care Cream *Smith & Nephew, Canad.†.*
Zinc oxide (p.1621·2).

Triple Paste *Summers, USA.*
Zinc oxide (p.1621·2).
Nappy rash.

Triple Protection Moisture Lotion *Beiersdorf, Canad.†.*
SPF 15: Octinoxate (p.1608·2); octisalate (p.1608·2); oxybenzone (p.1608·3).
Sunscreen.

Triple-B *Hua, Thai.*
Vitamin B ; vitamin B ; vitamin B (p.1922·1).
Vitamin B deficiency.

Tri-Plen *Aventis, S.Afr.*
Ramipril (p.1385·3); felodipine (p.1285·3).
Hypertension.

Triplex
Note.This name is used for preparations of different composition.
LKM, Arg.
⊗ Miconazole (p.541·2); betamethasone valerate (p.1519·1); gentamicin (p.284·2).
Infected skin disorders.

Sriprasit, Thai.
Trifluoperazine hydrochloride (p.1034·2).
Anxiety; nausea and vomiting; psychoses.

Triplex AD *Breckenridge, USA.*
Chlorphenamine maleate (p.571·3); phenylephrine hydrochloride (p.1568·1); mepyramine maleate (p.585·2).
Upper respiratory-tract disorders.

Tripo *Hua, Thai.*
Triprolidine hydrochloride (p.592·3); pseudoephedrine hydrochloride (p.1571·2).
Cold symptoms; hay fever; rhinitis; upper respiratory-tract congestion.

Tripohist D *Breckenridge, USA.*
Pseudoephedrine hydrochloride (p.1571·2); triprolidine hydrochloride (p.592·3).
Upper respiratory-tract disorders.

Tripondil *Alphrema, Ital.*
Day tablets, levocarnitine tartrate; fennel; faseolamina; chromium polynicotinate; calcium phosphate; pyridoxine hydrochloride; night tablets, pineapple; selenium-rich yeast; bioflavonoids; equisetum (p.1922·1).
Obesity.

Triposed *Halsey, USA.*
Pseudoephedrine hydrochloride (p.1571·2); triprolidine hydrochloride (p.592·3).
Upper respiratory-tract symptoms.

Tripote *Dexa, Indon.*
Damiana (p.2292·1); Siberian ginseng (p.2386·3); muira-puama.
Infertility; tonic.

Tripoten *Dexa, Pol.*
Siberian ginseng (p.2386·3); ptychopetalum olocoides; damiana (p.2292·1).
Erectile dysfunction.

Tripress *Pacific, NZ.*
Trimipramine maleate (p.426·3).
Depression.

Tri-Previfem *Teva, USA.*
21 Tablets, norgestimate (p.2121·1); ethinylestradiol (p.2101·3); 7 tablets, inert.
Triphasic oral contraceptive.

Triprim
Note.This name is used for preparations of different composition.
Sigma, Austral.; Ratiopharm, Austria; Ratiopharm, Cz.; GSK, NZ†; Roche, S.Afr.†.
Trimethoprim (p.355·2).
Bacterial infections.

Pharmaland, Thai.
Co-trimoxazole (p.258·1).
Bacterial infections.

Triprodrine *Asian Pharm, Thai.*
Triprolidine hydrochloride (p.592·3); pseudoephedrine hydrochloride (p.1571·2).
Cold symptoms; hay fever; respiratory-tract congestion; rhinitis.

Tri-Profen *3M, Austral.*
Ibuprofen (p.64·2).
Fever; inflammation; musculoskeletal and joint disorders; pain.

Tri-Profen Cold & Flu *3M, Austral.†.*
Ibuprofen (p.64·2); pseudoephedrine hydrochloride (p.1571·2).
Cold and influenza symptoms.

Tripsol *Cazi, Braz.*
Amitriptyline hydrochloride (p.376·1).
Depression.

Tripsor *Orion, Fin.*
Trioxysalen (p.1620·1).
Lichen obtusus; lichen planus; psoriasis.

Tripsyline *Polipharm, Thai.†.*
Amitriptyline (p.376·1).
Depression.

Tripta *Atlantic, Malaysia; Atlantic, Singapore; Atlantic, Thai.*
Amitriptyline hydrochloride (p.376·1).
Depression.

Triptafen *Goldshield, UK.*
Amitriptyline hydrochloride (p.376·1); perphenazine (p.1017·1).
Mixed anxiety depressive states.

Triptagic *Tempo Scan Pacific, Indon.*
Sumatriptan succinate (p.625·2).
Migraine.

Triptilin *Ulagay, Turk.*
Amitriptyline hydrochloride (p.376·1).
Depression; nocturnal enuresis.

Triptizol *SIT, Ital.*
Amitriptyline hydrochloride (p.376·1).
Depression.

Tript-OH *Sigma-Tau, Cz.; Sigma-Tau, Ital.; Sigma-Tau, Switz.*
Oxitriptan (p.414·1).
Depression; migraine; myoclonus; sleep disorders.

Triptone *Del, USA.*
Dimenhydrinate (p.576·2).
Motion sickness.

Triptyl *Orion, Fin.*
Amitriptyline hydrochloride (p.376·1).
Depression; insomnia; migraine; muscle spasm; pain.

Triptyline *Medifive, Thai.*
Amitriptyline hydrochloride (p.376·1).
Depression.

Tripulmin *Hexal, Braz.†.*
Sodium camsilate (p.2388·3); oxeladin citrate (p.1567·1); guaifenesin (p.1561·3); menthol (p.2340·1); cineole (p.2282·3).
Respiratory-tract congestion.

Tripulmin Balsamico *Hexal, Braz.†.*
Camphor (p.2273·2); cineole (p.2282·3); guaiacol (p.1561·2); menthol (p.2340·1).
Cough.

Tripur *Galeno, Venez.*
Co-trimoxazole (p.258·1).
Bacterial infections.

Tripvac *Biological E, India.*
A diphtheria, tetanus, and pertussis vaccine (p.2210·3).
Active immunisation.

Triquilar *Schering, Arg.; Schering, Austral.; Schering, Braz.; Berlex, Canad.; Schering, Chile; Schering, Cz.; Schering, Denm.; Schering, Ger.; Shepa, Gr.†; Schering, Hong Kong†; Bayer Schering, Hung.; German Remedies, India; Schering, Indon.; Schering, Malaysia†; Schering, Mex.; Bayer, NZ; Schering, Pol.; Bayer, Port.; Schering, Rus.; Schering, Singapore†; Schering, Switz.; Schering, Thai.; Schering, Turk.; Schering, Venez.*
Levonorgestrel (p.2121·2); ethinylestradiol (p.2101·3). 28-day packs also contain 7 inert tablets.
Triphasic oral contraceptive.

Tri-Regol *Gedeon Richter, Cz.; Gedeon Richter, Hong Kong; Gedeon Richter, Hung.; Gedeon Richter, Malaysia†; Richter, Pol.; Gedeon Richter, Rus.; Aciprosalud, Venez.*
Levonorgestrel (p.2121·2); ethinylestradiol (p.2101·3). 28-Day packs also contain 7 inert tablets or 7 tablets ferrous fumarate.
Triphasic oral contraceptive.

Triregol *Sandoz, Swed.*
Ethinylestradiol (p.2101·3); levonorgestrel (p.2121·2).
Triphasic oral contraceptive.

Triresid K *Pliva, Rus.*
⊗ Reserpine (p.1387·3); dihydralazine sulfate (p.1264·3); hydrochlorothiazide (p.1307·3); potassium chloride (p.1684·3).

Trirubin *Uniao Quimica, Braz.†.*
Vitamin B (p.1980·2); vitamin B (p.1976·3); vitamin B (p.1979·1).
Megaloblastic anaemia; vitamin B deficiency.

Tris *Fresenius Kabi, Austria; Braun, Ger.*
⊗ Trometamol (p.2405·1).
Citrate intoxication following blood transfusion; metabolic acidosis; respiratory acidosis.

Trisan *Dermtek, Canad.†.*
Triclosan (p.1665·2).
Skin cleanser.

Trisekvens *Novo Nordisk, Denm.; Novo Nordisk, Fin.; Novo Nordisk, Norw.; Novo Nordisk, Swed.*
18 Tablets, estradiol (p.2097·2); 10 tablets, estradiol; norethisterone acetate (p.2119·3).
Menopausal disorders; osteoporosis.

Trisel *Klonal, Arg.*
Vitamin B ; pyridoxine; thiamine (p.1922·1).

Trisenox *Cell Therapeutics, Austria; Infarmed, Belg.; Cephalon, Cz.; Cephalon, Fr.; Cell Therapeutics, Gr.; Cell Therapeutics, Ital.; Shinyaku, Jpn; Cell Therapeutics, Neth.; Cell Therapeutics, Spain; Cephalon, UK; Cephalon, USA.*
Arsenic trioxide (p.2260·2).
Acute promyelocytic leukaemia.

Triseptil
Note. This name is used for preparations of different composition.
Gedis, Ital.
Chlorhexidine gluconate (p.1635·3).
Hand disinfection.

Degorts, Mex.
Tinidazole (p.848·3).
Amoebiasis; giardiasis; trichomoniasis.

Trisequens *Novo Nordisk, Arg.; Novo Nordisk, Austral.; Novo Nordisk, Austria; Novo Nordisk, Belg.; Medley, Braz.; Silesia, Chile; Novo Nordisk, Cz.; Novo Nordisk, Fr.; Novo Nordisk, Ger.; Novo Nordisk, Gr.; Novo Nordisk, Hong Kong; Novo Nordisk, Hung.; Novo Nordisk, Irl.; Novo Nordisk, Israel; Novo Nordisk, Ital.; Novo Nordisk, Malaysia†; Novo Nordisk, NZ; Novo Nordisk, Neth.; Novo Nordisk, Pol.; Isdin, Port.; Novo Nordisk, Rus.; Novo Nordisk, S.Afr.; Novo Nordisk, Singapore; Isdin, Spain; Novo Nordisk, Switz.; Novo Nordisk, Turk.; Novo Nordisk, UK.*
18 Tablets, estradiol (p.2097·2); 10 tablets, estradiol; norethisterone acetate (p.2119·3).
Hormone replacement therapy; menopausal disorders; oestrogen deficiency; osteoporosis.

Trisiston *Jenapharm, Cz.†; Jenapharm, Ger.; Jenapharm, Pol.; Jenapharm, Rus.*
Levonorgestrel (p.2121·2); ethinylestradiol (p.2101·3).
Triphasic oral contraceptive.

Trisofort *Westmont, Philipp.*
Isoniazid (p.288·1).
Vitamin B substances (p.1975·1) are included in this preparation for the prophylaxis of peripheral neuropathy.
Tuberculosis.

Trisolaren *Pharmex (Φαρμεξ), Gr.*
Trioxysalen (p.1620·1).

Trisoralen *ICN, Arg.†.*
Trioxysalen (p.1620·1).
Vitiligo.

Trisorb *Alcon, Braz.*
⊗ Dextran 70 (p.1059·3); hypromellose (p.2144·2); glycerol (p.2314·2).
Dry eyes; eye irritation.

Trisorcin *Merckle, Ger.†.*
Penicillamine (p.1456·2).
Cystinuria; heavy-metal poisoning; polyarthritis; scleroderma; Wilson's disease.

Trisporal *Janssen-Cilag, Neth.*
Itraconazole (p.536·3).
Fungal infections.

Tri-Sprintec *Barr, USA.*
21 Tablets, norgestimate (p.2121·1); ethinylestradiol (p.2101·3); 7 tablets, inert.
Triphasic oral contraceptive.

Tristan *Medikon, Indon.*
Tribulus terrestris (p.2404·1); damiana (p.2292·1); ginseng (p.2312·1).
Tonic.

Tri-Statin II *Rugby, USA.*
⊗ Triamcinolone acetonide (p.1544·3); nystatin (p.543·2).
Skin disorders.

TriStep *Schering, Ger.†.*
Levonorgestrel (p.2121·2); ethinylestradiol (p.2101·3).
Triphasic oral contraceptive.

Tristina *Mac, India†.*
Diphenhydramine hydrochloride (p.577·2); ammonium chloride (p.1551·3); sodium citrate (p.1673·3); menthol (p.2340·1).
Coughs.

Trisufin *Loren, Mex.†.*
Co-trimoxazole (p.258·1).
Bacterial infections.

Trisul *Pacific, NZ.*
Co-trimoxazole (p.258·1).
Bacterial infections; pneumocystis pneumonia; toxoplasmosis.

Trisulfa *Berlico Mulia, Indon.*
Sulfadiazine (p.336·2); sulfadimidine (p.338·1); sulfamerazine (p.339·3).
Bacterial infections.

Trisulfose *Wyeth, India.*
Co-trimoxazole (p.258·1).
Bacterial infections; pneumocystis pneumonia; toxoplasmosis.

Trisulprim *Pharmaniaga, Malaysia†; Raza, Malaysia†.*
Sulfadiazine (p.336·2); trimethoprim (p.355·2).
Urinary-tract infections.

Tritab
Note. This name is used for preparations of different composition.
Sidus, Arg.
Azithromycin (p.207·1).
Bacterial infections.

Medichem, Philipp.
Rifampicin (p.325·3); isoniazid (p.288·1); ethambutol hydrochloride (p.274·1).
Tuberculosis.

Tritace *Aventis, Arg.; Sanofi-Aventis, Austral.; Aventis, Austria; Sanofi-Aventis, Belg.; Sanofi-Aventis, Cz.; Sanofi-Aventis, Hong Kong; Sanofi-Aventis, Hung.; Sanofi-Aventis, Irl.; Aventis, Israel; Sanofi-Aventis, Malaysia; Aventis, Mex.; Aventis, NZ; Aventis, Neth.; Aventis, Philipp.; Sanofi-Aventis, Pol.; Aventis, S.Afr.; Sanofi-Aventis, Singapore; Aventis, Thai.; Aventis, UK.*
Ramipril (p.1385·3).
Cardiovascular risk reduction; diabetic nephropathy; heart failure; hypertension; myocardial infarction; nephropathy; stroke prophylaxis.

Tritace Comp *Aventis, Israel.*
⊗ Ramipril (p.1385·3); hydrochlorothiazide (p.1307·3).
Hypertension.

Tritace-HCT *Aventis, Arg.; Sanofi-Aventis, Hung.*
⊗ Ramipril (p.1385·3); hydrochlorothiazide (p.1307·3).
Hypertension.

Tritan *Eon, USA.*
Chlorphenamine tannate (p.572·2); mepyramine tannate (p.585·2); phenylephrine tannate (p.1568·3).
Allergic rhinitis; nasal congestion.

Tri-Tannate *Rugby, USA.*
Phenylephrine tannate (p.1568·3); chlorphenamine tannate (p.572·2); mepyramine tannate (p.585·2).
Upper respiratory-tract symptoms.

Tri-Tannate Plus Pediatric *Rugby, USA.*
⊗ Phenylephrine tannate (p.1568·3); ephedrine tannate (p.1559·1); chlorphenamine tannate (p.572·2); pentoxyverine tannate (p.1567·3).
Coughs and cold symptoms.

Tritanrix HB *GSK, India; GSK, Indon.; GSK, Malaysia; GSK, Mex.; GSK, Philipp.; GSK, S.Afr.; GSK, Spain; GSK, Thai.; GSK, Turk.; GSK, Venez.†.*
A diphtheria, tetanus, pertussis, and hepatitis B vaccine (p.2211·2).
Active immunisation.

Tritanrix HB + HIB *GSK, NZ.*
Tritanrix-HB, a diphtheria, tetanus, pertussis, and hepatitis B vaccine; Hiberix, a haemophilus influenzae conjugate vaccine (p.2211·2).
Active immunisation.

Tritanrix HB + Hiberix *GSK, Mex.*
A diphtheria, tetanus, pertussis, hepatitis B, and haemophilus influenzae vaccine (p.2211·2).
Active immunisation.

Tritanrix HB-HIB *GSK, Arg.*
A diphtheria, tetanus, pertussis, haemophilus influenzae, and hepatitis B vaccine (p.2211·2).
Active immunisation.

Tritanrix HEPB *GSK, Cz.*
A diphtheria, tetanus, pertussis, and hepatitis B vaccine (p.2211·2).
Active immunisation of infants and young children.

Tritanrix-HepB *GSK, Neth.*
A diphtheria, tetanus, pertussis, and hepatitis B vaccine (p.2211·2).
Active immunisation.

Tritazide *Aventis, Austria; Sanofi-Aventis, Belg.; Sanofi-Aventis, Cz.; Aventis, Mex.; Aventis, Neth.*
⊗ Ramipril (p.1385·3); hydrochlorothiazide (p.1307·3).
Hypertension.

Tritenk *Biotenk, Arg.*
Co-trimoxazole (p.258·1).
Bacterial infections; pneumocystis pneumonia.

Tritet *Akromed, S.Afr.*
Tetracycline hydrochloride (p.347·2); chlortetracycline hydrochloride (p.243·1); demeclocycline hydrochloride (p.264·3).
Bacterial infections.

Tri-Thiazid *Stada, Ger.*
⊗ Triamterene (p.1417·2); hydrochlorothiazide (p.1307·3).
Heart failure; hypertension; oedema.

Tri-Thiazid Reserpin *Stada, Ger.†.*
⊗ Triamterene (p.1417·2); hydrochlorothiazide (p.1307·3); reserpine (p.1387·3).
Hypertension.

Triticum *Lepori, Port.*
Trazodone hydrochloride (p.424·3).
Depression.

Tritopan *Klonal, Arg.*
Bromazepam (p.964·3).
Anxiety.

Tri-Torrat *Roche, Ger.†.*
⊗ Metipranolol (p.1883·2); butizide (p.1238·1); dihydralazine sulfate (p.1264·3).
Hypertension.

Trittico
CSC, Austria; Faran, Gr.; Angelini, Hong Kong; CSC, Hung.; Aziende, Israel; Angelini, Ital.; Angelini, Pol.; Angelini, Rus.; Angelini, Singapore; ACRAF, Switz.; Elmor, Venez.
Trazodone hydrochloride (p.424·3).
Anxiety; benzodiazepine withdrawal; depression; erectile dysfunction; insomnia; neuroleptanalgesia; pain; premedication.

Laboratorios Chile, Chile.
Trazodone (p.426·1) or trazodone hydrochloride (p.424·3).
Alcohol withdrawal syndrome; anxiety; depression; schizophrenia.

Trittico AC *Medicom, Cz.*
Trazodone hydrochloride (p.424·3).
Depression.

TriTuss *Everett, USA.*
Guaifenesin (p.1561·3); dextromethorphan hydrobromide (p.1555·2); phenylephrine hydrochloride (p.1568·1).
Upper respiratory-tract disorders.

Trituss-A *Everett, USA.*
Carbinoxamine maleate (p.570·2); phenylephrine hydrochloride (p.1568·1); dextromethorphan hydrobromide (p.1555·2).
Coughs and cold symptoms.

Triv *Boyle, USA.*
Hydroxyquinoline sulfate (p.2323·1); alkyl aryl sulfonate; edetic acid (p.1445·1); sodium sulfate (p.1771·3).
Vaginal disorders.

Tri-V Plus *Sagmel, Rus.*
Betacarotene; alpha-tocoferil acetate; ascorbic acid; zinc oxide; sodium selenate; copper oxide (p.1922·1).

Trivagel N *Marjan, Braz.*
⊗ Dexamethasone phosphate (p.1526·2); neomycin sulfate (p.305·1); nystatin (p.543·2); tyrothricin (p.358·2).
Vulvovaginal disorders.

Trivanex *Pharmasant, Thai.*
Griseofulvin (p.535·2).
Fungal infections.

Trivastal
Servier, Arg.; Servier, Braz.; Servier, Ger.; Servier, Gr.; Serdia, India; Servier, Malaysia; Servier, Philipp.; Servier, Port.; Servier, Singapore; Servier, Thai.; Servier, Turk.; Servier, Venez.
Piribedil (p.813·3).
Cerebral and peripheral vascular disorders; intermittent claudication; mental function impairment; parkinsonism; vascular eye disorders; vestibular disorders.

Eutherapie, Fr.
Piribedil (p.813·3) or piribedil mesilate (p.813·3).
Mental function impairment in the elderly; parkinsonism; peripheral vascular disorders; vascular eye disorders.

Trivastan *Stroder, Ital.*
Piribedil (p.813·3).
Vascular disorders.

Trivax-AD *Chiron Vaccines, UK.*
An adsorbed diphtheria, tetanus, and pertussis vaccine (p.2210·3).
Active immunisation of infants and young children.

Trive-1000 *Baxter, Gr.†.*
Amino-acid infusion (p.1922·1).
Parenteral nutrition.

Trivedon *Cipla, India.*
Trimetazidine hydrochloride (p.1419·2).
Angina pectoris.

Trivemil *Baxter, Ital.†.*
An amino-acid, lipid (from soya oil (p.1965·3)), and carbohydrate preparation (p.1922·1).
Parenteral nutrition.

Tri-Vi-Flor *Mead Johnson Nutritionals, Canad.†; Mead Johnson Nutritionals, USA.*
Multivitamin preparation (p.1922·1) with fluoride (p.1962·2).
Dental caries prophylaxis; vitamin supplement.

Tri-Vi-Fluor *BMS, Arg.; Mead Johnson, Braz.*
Sodium fluoride (p.1962·2); vitamin A; vitamin D; vitamin C (p.1922·1).
Dental caries prophylaxis; vitamin supplement.

Trivimine *Remek, Gr.*
Vitamin B substances (p.1922·1).

Trivina *Pharmacia, Belg.†; Aspen, S.Afr.; Orion, Swed.*
70 White tablets, estradiol valerate (p.2097·3); 14 blue tablets, estradiol valerate; medroxyprogesterone acetate (p.2113·1); 7 yellow tablets, inert.
Menopausal disorders; osteoporosis.

Triviraten *Scott-Cassara, Arg.; Berna, Hong Kong†; Berna, Malaysia†; Berna, NZ; Berna, Philipp.; Berna, Spain†; Berna, Switz.; Berna, Thai.†; Berna, Turk.*
A measles, mumps, and rubella vaccine (p.2223·1).
Active immunisation.

Tri-Vi-Sol *BMS, Arg.; Mead Johnson, Braz.; Mead Johnson Nutritionals, Canad.; Mead Johnson, Hong Kong†; BMS, Mex.; Mead Johnson Nutritionals, USA; Mead Johnson, Venez.*
Vitamin preparation (p.1922·1).
Formerly known as Enfalac Tri-Vi-Sol in *Canad*.
Vitamin supplement.

Trivisol *Mead Johnson, Chile.*
Vitamin A; vitamin C; vitamin D (p.1922·1).
Vitamin supplement.

Tri-Vi-Sol with Fluoride *Mead Johnson Nutritionals, Canad.*
Vitamins, A, D, and C (p.1922·1); potassium fluoride. Formerly known as Enfalac Tri-Vi-Sol with Fluoride.
Dental caries prophylaxis; vitamin supplement.

Tri-Vi-Sol with Iron *Mead Johnson Nutritionals, USA.*
Multivitamin preparation with iron (p.1922·1).

Tri-Vitamin *Schein, USA.*
Vitamins A, C, and D (p.1922·1).

Trivitamin Fluoride Drops *Schein, USA.*
Multivitamin preparation with fluoride (p.1962·2)(p.1922·1).

Trivitana DM *Merck, Chile.*
Vitamin A; vitamin B ; vitamin E (p.1922·1).
Dietary supplement.

Trivitana Q10 *Merck, Chile.*
Vitamin A; vitamin B; vitamin E; ubidecarenone (p.1922·1).
Dietary supplement.

Trivit-B *TP, Thai.*
Vitamin B (p.1976·3); vitamin B (p.1979·1); vitamin B (p.1980·2).
Neuritis; vitamin B deficiency.

Trivivac *Sevapharma, Cz.*
A measles, mumps, and rubella vaccine (Schwarz, Jeryl Lynn, and Wistar RA 27/3 strains, respectively) (p.2223·1).
Active immunisation.

Trivon *Great Eastern, Thai.; Therapharma, Thai.*
Vitamin B ; vitamin B ; vitamin B   (p.1922·1).
Tonic.

Trivora *Watson, USA.*
Levonorgestrel (p.2121·2); ethinylestradiol (p.2101·3). 28-Day packs also contain 7 inert tablets.
Triphasic oral contraceptive.

Trivorin *Lemery, Mex.*
Ribavirin (p.902·3).
Viral infections.

Trivudin *Richmond, Arg.*
Lamivudine (p.895·1); zidovudine (p.913·3); abacavir (p.861·3).
HIV infection.

Tri-Wycillina *Pharmacia, Ital.†.*
Benzathine benzylpenicillin (p.212·1); benzylpenicillin potassium (p.213·1); procaine benzylpenicillin (p.319·2).
Bacterial infections.

Trixate *Rontag, Arg.*
Methotrexate (p.745·2).
Gestational trophoblastic disorders; psoriasis; rheumatoid arthritis.

Trixera *Silesia, Chile; Avene, Fr.; Medifarm, Venez.*
Emollient.
Dry skin disorders.

Trixicam *Vitarum, Arg.*
Piroxicam (p.117·3).
Inflammation; pain.

Trixilan *Chrispa (Χρισπα), Gr.*
Cefatrizine propylene glycol (p.221·3).
Bacterial infections.

Trixilem *Laboratorios Chile, Chile; Lemery, Mex.; Lemery, Rus.†; Lemery, Thai.*
Methotrexate (p.745·2).
Malignant neoplasms; mycosis fungoides; rheumatoid arthritis.

Trixne *Pharmatrix, Arg.*
Erythromycin (p.269·2).
Acne.

Trixol *Ferro, Arg.†.*
Hyoscyamus (p.2323·3); belladonna (p.2263·3); boldo (p.2267·2); valerian (p.2410·1); atropine sulfate (p.1219·3); phenobarbital sodium (p.492·2); papaverine hydrochloride (p.2191·3).

Trixone *LBS, Malaysia; LBS, Thai.*
Ceftriaxone sodium (p.237·1).
Bacterial infections.

Trixophin *Shenzhen, Philipp.*
Ceftriaxone sodium (p.237·1).
Bacterial infections.

Trixotene *Labinca, Arg.†.*
Docetaxel (p.710·3).
Malignant neoplasms.

Trixzol *Westmont, Indon.; Great Eastern, Thai.; Westmont, Thai.*
Co-trimoxazole (p.258·1).
Bacterial infections.

Triyosom *Justesa Imagen, Arg.*
Meglumine amidotrizoate (p.1475·3); and/or sodium amidotrizoate (p.1475·3).
Radiographic contrast medium.

Triyotex *Medix, Mex.*
Liothyronine sodium (p.2174·1).
Hypothyroidism.

Triz *Indoco, Thai.*
Cetirizine hydrochloride (p.570·3).
Allergic conjunctivitis; allergic rhinitis; allergic skin disorders.

Trizedon *Servier, Indon.*
Trimetazidine hydrochloride (p.1419·2).
Angina pectoris.

Trizidine *Pharmasant, Thai.*
Trimetazidine hydrochloride (p.1419·2).
Angina pectoris; tinnitus; vertigo.

Trizina *Francia, Ital.*
Cefatrizine propylene glycol (p.221·3).
Bacterial infections.

Trizine *DHA, Malaysia; Phoenix, Philipp.*
Sulfadiazine (p.336·2); trimethoprim (p.355·2).
Bacterial infections.

Trizinet *Ivax, Mex.*
Cetirizine (p.571·1).
Hypersensitivity reactions.

Trizivar *GSK, S.Afr.*
Abacavir sulfate (p.861·3); lamivudine (p.895·1); zidovudine (p.913·3).
HIV infection.

Trizivir *GSK, Austral.; GSK, Austria; GSK, Belg.; GSK, Canad.; GSK, Cz.; GSK, Denm.; GSK, Fin.; GSK, Fr.; GSK, Ger.; GSK, Gr.; GSK, Hong Kong; GSK, Hung.; GSK, Irl.; GSK, Israel; GSK, Ital.; GSK, Mex.; GSK, NZ; GSK, Neth.; GSK, Norw.; GSK, Pol.; GSK, Port.; GSK, Rus.; GSK, Singapore†; GSK, Spain; GSK, Swed.; GSK, Switz.; GSK, UK; Glaxo Wellcome, USA; GSK, Venez.*
Abacavir sulfate (p.861·3); lamivudine (p.895·1); zidovudine (p.913·3).
HIV infection.

Trizol
Note. This name is used for preparations of different composition.
Royal, Chile.
Lamotrigine (p.485·1).
Epilepsy.

Kocak, Turk.
Fluconazole (p.532·1).
Fungal infections.

Trizole *Medifarma, Indon.; Pediatrica, Philipp.*
Co-trimoxazole (p.258·1).
Bacterial infections; pneumocystis pneumonia.

Trizolin *Remedica, Malaysia; Remedica, Singapore†; Remedica, Thai.†.*
Norfloxacin (p.309·2).
Bacterial infections.

Trobicin *Pharmacia, Austral.; Pfizer, Austria; Pfizer, Belg.; Pharmacia, Braz.†; Pfizer, Hong Kong; Pharmacia, India; Pharmacia, Ital.; Pfizer, Mex.; Pfizer, Port.†; Pfizer, Rus.†; Pharmacia, S.Afr.; Pfizer, Singapore; Pfizer, Switz.; Pfizer, Thai.; Pharmacia, Venez.†.*
Spectinomycin hydrochloride (p.332·3).
Chancroid; gonorrhoea.

Trobicine *Pfizer, Fr.*
Spectinomycin hydrochloride (p.332·3).
Gonorrhoea.

Troc *Melisana, Belg.*
Aspirin (p.20·3); caffeine hydrate (p.1117·1); paracetamol (p.108·1).
Fever; pain.

Troca Cationi *Laborest, Ital.*
Magnesium; potassium; zinc (p.1667·1).
Mineral deficiencies; stress; viral infections.

Troca Donna *Laborest, Ital.*
Vitamin and mineral preparation (p.1922·1).

Troca Flu *Laborest, Ital.*
Zinc; magnesium; potassium; vitamin C; vitamin A (p.1922·1).
Candidiasis; viral infections.

Troca Flu Rino *Laborest, Ital.*
Zinc gluconate (p.1999·2).
Cold symptoms.

Troca Flu Spray Nasale *Laborest, Ital.*
Sodium chloride (p.1686·1); sulfur (p.1614·1).
Nasal cleansing.

Trocacin *Nakornpatana, Thai.*
Tyrothricin (p.358·2); benzocaine (p.1854·1).
Mouth and throat disorders.

Trocaine *Roberts, USA.*
Benzocaine (p.1854·1).
Obesity; sore throat.

Trocal *Roberts, USA.*
Dextromethorphan hydrobromide (p.1555·2).
Coughs.

Trochain *Adcock Ingram, S.Afr.*
Cetrimide (p.1634·1); benzocaine (p.1854·1).
Mouth and throat disorders.

Trociletas *Streger, Mex.*
Cetylpyridinium (p.1635·1).
Mouth and throat infections.

Trociletas B *Streger, Mex.*
Cetylpyridinium (p.1635·1); benzocaine (p.1854·1).
Mouth and throat disorders.

Trocium *Strand, Malaysia†.*
Calcium lactate (p.1676·1).
Calcium deficiency.

Trodeb *Tropica Mas, Indon.*
Glibenclamide (p.440·1).
Diabetes mellitus.

Trodex *Tropica Mas, Indon.*
⊗ Dexamethasone (p.1526·1); dexchlorpheniramine maleate (p.572·1).
Allergic disorders.

Trodorol *Andromaco, Mex.*
Ketorolac trometamol (p.74·2).
Pain.

Trodrine *Malayan, Singapore†.*
Triprolidine hydrochloride (p.592·3); pseudoephedrine hydrochloride (p.1571·2).
Allergic rhinitis; cold symptoms.

Trofalgon *Madariaga, Spain.*
Cyanocobalamin (p.1980·2); muramidase hydrochloride (p.2348·1).
Anorexia; tonic; weight loss.

Trofen *TP, Thai.*
Ibuprofen (p.64·2).
Fever; musculoskeletal and joint disorders; pain.

Trofentyl *Troikaa, India.*
⊗ Fentanyl citrate (p.55·3).
Adjunct in general anaesthesia; analgesia in anaesthesia; neuroleptanalgesia.

Troferit *Chinoin, Mex.*
Dropropizine (p.1557·3).
Coughs.

Trofesil *Solfran, Mex.*
Multivitamin preparation (p.1922·1).

Trofina *Rowe-Fleming, Venez.†.*
Amino acids; vitamins (p.1922·1).
Dietary supplement.

Trofinan *Biol, Arg.*
⊗ Dexamethasone phosphate (p.1526·2).
Corticosteroid.

Trofinerv *Bausch & Lomb, Ital.*
Omega-3 marine triglycerides (p.1362·2); vitamins (p.1922·1).
Nutritional supplement.

Trofinerv Antiox *Bausch & Lomb, Ital.*
Omega-3 triglycerides (p.1362·1); gamolenic acid (p.2308·2); vitamins; minerals (p.1922·1).
Nutritional supplement.

Trofo 5 *Uniderm, Ital.*
Zinc oxide (p.1621·2); cod-liver oil (p.1935·2); hyaluronic acid (p.2320·1); chamomile oil (p.2279·3).
Skin disorders.

Trofocalcium *Fournier, Ital.†.*
Vitamin D and calcium preparation (p.1922·1).
Calcium depletion; metabolic bone disorders.

Trofocard *Unipharma, Gr.*
Magnesium aspartate (p.1679·1); magnesium chloride (p.1679·1).
Hypomagnesaemia.

Trofocell *SoSe, Ital.*
Multivitamin preparation (p.1922·1).

Trofodermin
Note. This name is used for preparations of different composition.
Pfizer, Braz.; Chefaro, Ital.; Pfizer, Thai.†.
⊗ Clostebol acetate (p.2087·1); neomycin sulfate (p.305·1).
Burns; skin infections; skin trauma; skin ulcers; wounds.

Pfizer, Chile.
⊗ Clostebol (p.2087·1).
Skin disorders.

Trofodermin Neomicina *Pfizer, Chile.*
⊗ Clostebol acetate (p.2087·1); neomycin sulfate (p.305·1).
Infected skin disorders.

Trofodermin-S *Pfizer, Mex.†.*
⊗ Clostebol (p.2087·1).
Skin disorders.

Trofogin *Farmigea, Ital.*
Estriol (p.2101·1).
Cervicitis; menopausal disorders; oestrogen deficiency.

Troforex Pepsico *Reig Jofre, Spain.*
Cyproheptadine hydrochloride (p.575·1); amino acids and hydroxocobalamin (p.1922·1); pepsin (p.2365·1).
Anorexia; tonic; weight-loss.

Trofoseptine *Boehringer Ingelheim, Fr.†.*
Sodium acexamate (p.2245·2); neomycin sulfate (p.305·1).
Infected ulcers.

Trofselamin *Biosel, Turk.*
Amino-acid infusion (p.1922·1).
Parenteral nutrition.

Trogiar *Tropica Mas, Indon.*
Metronidazole (p.837·1).
Amoebiasis; bacteroides fragilis infections; giardiasis; trichomoniasis.

Trogyl *Otto, Indon.*
Metronidazole (p.837·1).
Anaerobic bacterial infections; protozoal infections.

Trojan *Church & Dwight, Canad.*
Nonoxinol 9 (p.1917·2).
Contraceptive.

Trok *Eurofarma, Braz.*
⊗ Ketoconazole (p.539·1); betamethasone dipropionate (p.1518·3).
Fungal skin infections.

Troken *Bago, Arg.*
Clopidogrel bisulfate (p.1250·2).
Thromboembolic disorders.

Trok-N *Eurofarma, Braz.*
⊗ Ketoconazole (p.539·1); betamethasone dipropionate (p.1518·3); neomycin sulfate (p.305·1).
Infected skin disorders.

Trolab *Hermal, Neth.*
A range of allergen extract (p.2250·2).
Diagnosis of allergic contact dermatitis.

Trolac *Bernofarm, Indon.*
Ketorolac trometamol (p.74·2).
Postoperative pain.

Trolip *Dexa, Hong Kong†; Dexa, Indon.; Dexa, Philipp.*
Fenofibrate (p.1286·2).
Hyperlipidaemias.

Trolit *Silesia, Chile.*
Levonorgestrel (p.2121·2); ethinylestradiol (p.2101·3).
Menstrual disorders; triphasic oral contraceptive.

Trolovol *Asta Medica, Cz.†; Dexo, Fr.; Dexo, Port.*
Penicillamine (p.1456·2).
Chronic hepatitis; cystinuria; heavy-metal poisoning; rheumatoid arthritis; scleroderma; Wilson's disease.

Tromadil *Biolab, Thai.*
Bromhexine hydrochloride (p.1552·2).
Respiratory-tract disorders associated with increased or viscous mucus.

Tromagesic *Themis Chemicals, India.*
Diclofenac sodium (p.44·3).
Gout; musculoskeletal and joint disorders.

Tromalyt *Neo-Farmaceutica, Port.; Madaus, Spain.*
Aspirin (p.20·3).
Stroke prophylaxis; thrombosis prophylaxis.

Tromasin *Elea, Arg.†.*
Papain (p.2362·3).
Inflammation.

Tromasin con Aspirina *Parke, Davis, Arg.†.*
Papain (p.2362·3); aspirin (p.20·3).
Inflammation; pain.

Tromax *Aristo, India.*
Diclofenac sodium (p.44·3).
Musculoskeletal and joint disorders; pain.

Trombenal *Bago, Arg.*
Ticlopidine hydrochloride (p.1411·2).
Thromboembolic disorders.

Trombex *Leciva, Cz.†.*
Heparin sodium (p.1301·2).
Soft-tissue disorders; superficial vascular disorders.

Trombless *Nizpharm, Rus.*
Heparin sodium (p.1301·2).
Soft-tissue disorders; superficial vascular disorders.

Trombofob
Note. This name is used for preparations of different composition.
Knoll, Braz.
Ointment: Heparin sodium (p.1301·2); benzyl nicotinate (p.28·1).
Soft-tissue injury; superficial vascular disorders.

Knoll, Braz.
Topical gel: Heparin sodium (p.1301·2).
Superficial vascular disorders.

Tromboject *Omega, Canad.*
Sodium tetradecyl sulfate (p.2139·2).
Varicose veins.

Trombolisin *Proge, Ital.*
Heparin calcium (p.1301·2).
Thromboembolic disorders.

Tromboliz *Kocak, Turk.*
Dipyridamole (p.1268·1).
Thromboembolic disorders.

Trombonot *Penn, Arg.*
Cilostazol (p.1245·2).

Tromboparin
Baxter Immuno, Arg.†; Gerolimatos (Γερολυματος), Gr.†; Elmor, Venez.
Parnaparin (p.1366·1).
Thromboembolic disorders.

BioSaude, Port.
Parnaparin sodium (p.1366·1).

Trombopat *Pentafarma, Port.*
Ticlopidine hydrochloride (p.1411·2).
Extracorporeal circulation; stoke prophylaxis; thrombosis prophylaxis.

Trombosol *Orion, Fin.*
Heparin sodium (p.1301·2); benzyl nicotinate (p.28·1).
Soft-tissue injury; superficial vascular disorders.

Trombovar *E-Z-EM, Canad.†; Innothera, Fr.; Bouty, Ital.; Promedica, Malaysia†; Innothera, Neth.; Promedica, Rus.*
Sodium tetradecyl sulfate (p.2139·2).
Cysts; oesophageal varices; varicose veins.

Trombyl *Pfizer, Swed.*
Aspirin (p.20·3).
Angina pectoris; myocardial infarction; prevention of cerebrovascular ischaemia.

Tromcardin *Trommsdorff, Cz.; Trommsdorff, Ger.; Trommsdorff, Hung.*
Potassium aspartate (p.1684·2); magnesium aspartate (p.1679·1).
Angina pectoris; arrhythmias; heart failure; myocardial infarction; potassium and magnesium deficiency.

Tromcor *Integrated Pharmaceutical, Philipp.*
Aspirin (p.20·3).
Thromboembolic disorders.

Tromderm *Silesia, Chile.*
Sertaconazole nitrate (p.546·1).
Fungal skin infections; seborrhoeic dermatitis.

Tromedal *Farcoral, Mex.*
Ketorolac trometamol (p.74·2).
Pain.

Tromicina *Offenbach, Mex.*
Azithromycin (p.207·1).
Bacterial infections.

Tromix *Ariston, Braz.*
Azithromycin (p.207·1).
Bacterial infections.

Tromlipon *Trommsdorff, Ger.*
⊗ Thioctic acid (p.2400·2) or trometamol thioctate (p.2400·2).
Diabetic neuropathy.

Trommcardin *Jacoby, Austria.*
Potassium aspartate (p.1684·2); magnesium aspartate (p.1679·1).
Arrhythmias; digitalis intoxication; heart failure; myocardial infarction; potassium and magnesium deficiency.

Trommgallol *Jacoby, Austria.*
Cyclobutyrol sodium (p.2290·3); cynarine (p.2291·2); sorbitol (p.1965·1); magnesium sulfate (p.1679·3).
Hepatobiliary disorders.

Trompersantin *Boehringer Ingelheim, Mex.†.*
Dipyridamole (p.1268·1).
Thromboembolic disorders.

Tromphyllin *Trommsdorff, Ger.*
Theophylline (p.1140·1).
Obstructive airways disease.

Troneo *TNP, Thai.†.*
Tyrothricin (p.358·2); benzocaine (p.1854·1).
Mouth and throat infections.

Tronex *Tocogino, Mex.*
Ampicillin (p.204·1).
Bacterial infections.

Tronolane
Note. This name is used for preparations of different composition.
Lee, USA.
Cream: Pramocaine hydrochloride (p.1868·1); zinc oxide (p.1621·2).
Haemorrhoids.

Monticello, USA.
Suppositories: Phenylephrine hydrochloride (p.1568·1).
Formerly contained zinc oxide.
Haemorrhoids.

Tronotene *Teofarma, Ital.*
Pramocaine hydrochloride (p.1868·1).
Burns; haemorrhoids; pruritus.

Tronothane *Abbott, Fr.; Abbott, USA.*
Pramocaine hydrochloride (p.1868·1).
Anal pain and pruritus; local anaesthesia.

Tronoxal *Prasfarma, Spain.*
Ifosfamide (p.731·3).
Malignant neoplasms.

Tronsalan *Medipharm, Chile.*
Trazodone hydrochloride (p.424·3).
Bulimia; depression; diabetic neuropathy; migraine.

Tropamid *Bilim, Turk.*
Tropicamide (p.1886·2).
Production of mydriasis and cycloplegia.

Tropargal *Sanofi-Aventis, Spain.*
Diazepam (p.986·3); nortriptyline hydrochloride (p.413·2).
Depression with anxiety or agitation.

Troparin *Sandoz, Austria; Biochemie, Cz.†.*
Certoparin sodium (p.1242·3).
Thromboembolism prophylaxis.

Troparin compositum *Sandoz, Austria.*
Certoparin sodium (p.1242·3); dihydroergotamine mesilate (p.618·2).
Lidocaine hydrochloride (p.1862·3) is included in this preparation to alleviate the pain of injection.
Thromboembolism prophylaxis.

Troparinum *Extractum, Hung.*
Papaverine hydrochloride (p.2191·3); phenobarbital (p.492·2); homatropine methylbromide (p.1881·3).
Asthma; gastrointestinal disorders.

Tropaverin *Etifar, Venez.†.*
Papaverine (p.2191·3).

Tropex
Note. This name is used for preparations of different composition.
Rowa, Hong Kong; Rowa, Irl.
Phenazone (p.116·1).
Ear wax removal; inflammatory ear disorders; otitis media.

Rowa, Singapore.
Phenazone (p.116·1); glycerol (p.2314·2).
Ear wax removal; otitis media.

Tropfen bei Regelbeschwerden Nr 36 *Doskar, Austria.*
Homoeopathic preparation.

Tropfen bei Verletzungen *Jacoby, Austria.*
Homoeopathic preparation.

Tropfen gegen Akne *Jacoby, Austria.*
Homoeopathic preparation.

Tropfen gegen Insektenstiche *Jacoby, Austria.*
Homoeopathic preparation.

Tropfen gegen Kreislaufbeschwerden *Jacoby, Austria.*
Homoeopathic preparation.

† This preparation may no longer be actively marketed
⊗ Contains a substance whose use may be restricted in certain sports (see p.vii)

Tropfen gegen Leber-Galle Beschwerden *Jacoby, Austria.*
Homoeopathic preparation.

Tropfen gegen Prostatabeschwerden *Jacoby, Austria.*
Homoeopathic preparation.

Tropfen gegen Venenbeschwerden *Jacoby, Austria.*
Homoeopathic preparation.

Tropfen zur unspezifischen Abwehrsteigerung Nr 9 *Doskar, Austria.*
Homoeopathic preparation.

TrophaAmine *Eczacibasi-Baxter, Turk.*
Amino-acid infusion (p.1922·1).
Parenteral nutrition.

Trophamine *Braun, Hong Kong†; Pisa, Mex.; Braun, Spain; McGaw, USA; Victus, Venez.*
Amino-acid infusion (p.1922·1).
Parenteral nutrition; parenteral nutrition in children.

Tropharma *Alpharma, Mex.*
Erythromycin stearate (p.270·1).
Bacterial infections.

Trophicard *Kohler, Ger.; Kohler-Pharma, Ger.*
Potassium aspartate (p.1684·2); magnesium aspartate (p.1679·1).
Cardiac disorders; magnesium or potassium deficiency.

Trophicreme *Grunenthal, Fr.*
Estriol (p.2101·1).
Postmenopausal vulvovaginal disorders.

Trophigil *Grunenthal, Fr.*
Lactobacillus casei var *rhamnosus* (p.2372·3); estriol (p.2101·1); progesterone (p.2125·1).
Atrophic vaginitis; pre- and postoperative gynaecological care.

Trophires
Note. This name is used for preparations of different composition.
Sanofi Synthelabo, Spain†.
Nasal drops: Cineole (p.2282·3); cypress oil (p.2291·2); myrtle oil (p.2349·3); thenoate sodium (p.351·1).
Nasal cleansing.

Sanofi-Aventis, Fr.
Suppositories: Eucalyptus oil (p.2301·2); thenoate sodium (p.351·1).
Respiratory-tract disorders.

Sanofi Synthelabo, Spain†.
Suppositories; syrup: Pholcodine (p.1570·2).
Cough.

Sanofi-Aventis, Fr.
Syrup: Pholcodine (p.1570·2); thenoate sodium (p.351·1); eucalyptus oil (p.2301·2).
Coughs.

Trophires Compose *Sanofi-Aventis, Fr.*
Paracetamol (p.108·1); eucalyptus oil (p.2301·2); thenoate sodium (p.351·1).
Fever; respiratory-tract disorders.

Trophoseptine *Theramex, Port.*
Promestriene (p.2127·3); chlorquinaldol (p.242·3).
Vaginal infections.

Trophox *Raptakos, India.*
High-protein dietary supplement (p.1922·1).

Trophysan *Baxter, Fr.†.*
Amino-acid, glycine, mineral, and vitamin infusion (p.1922·1).
Parenteral nutrition.

Tropicacyl *Akorn, USA.*
Tropicamide (p.1886·2).
Induction of mydriasis and cycloplegia.

Tropical Blend Dark Tanning
Note. This name is used for preparations of different composition.
Schering-Plough, USA.
Lotion SPF 4: Octinoxate (p.1608·2); oxybenzone (p.1608·3).
Sunscreen.

Schering-Plough, USA.
Oil SPF 4: Padimate O (p.1609·1); oxybenzone (p.1608·3).
Sunscreen.

Schering-Plough, USA.
SPF 2: Homosalate (p.1598·1).
Sunscreen.

Tropical Blend Dry Oil
Note. This name is used for preparations of different composition.
Schering-Plough, USA.
SPF 2: Homosalate (p.1598·1).
Sunscreen.

Schering-Plough, USA.
SPF 4: Homosalate (p.1598·1); oxybenzone (p.1608·3).
Sunscreen.

Tropical Blend Tan Magnifier *Schering-Plough, USA.*
SPF 2; SPF 4: Trolamine salicylate (p.132·3).
Sunscreen.

Tropical Gold Dark Tanning
Note. This name is used for preparations of different composition.
Goldline, USA.
SPF 2: Octinoxate (p.1608·2); padimate O (p.1609·1).
Sunscreen.

Goldline, USA.
SPF 4: Octinoxate (p.1608·2); oxybenzone (p.1608·3).
Sunscreen.

Tropical Gold Sunblock
Note. This name is used for preparations of different composition.
Goldline, USA.
SPF 15: Octinoxate (p.1608·2); oxybenzone (p.1608·3).
Sunscreen.

Goldline, USA.
SPF 30: Octinoxate (p.1608·2); octisalate (p.1608·2); homosalate (p.1598·1); oxybenzone (p.1608·3).
Sunscreen.

Tropical Gold Sunscreen *Goldline, USA.*
SPF 8: Octinoxate (p.1608·2); oxybenzone (p.1608·3).
Sunscreen.

Tropicee Plus *Multicare, Philipp.*
Ascorbic acid; taurine; lysine hydrochloride (p.1922·1).
Nutritional supplement; vitamin C deficiency.

Tropicil Top *Edol, Port.*
Tropicamide (p.1886·2).
Production of mydriasis and cycloplegia.

Tropico
Note. This name is used for preparations of different composition.
Bell, India.
Tropicamide (p.1886·2).
Production of mydriasis and cycloplegia.

Perez Gimenez, Spain†.
Menthol (p.2340·1); eucalyptus oil (p.2301·2).
Nasal congestion.

Tropico Plus *Bell, India.*
Phenylephrine hydrochloride (p.1568·1); tropicamide (p.1886·2).
Production of mydriasis and cycloplegia.

Tropicol *Thea, Belg.*
Tropicamide (p.1886·2).
Production of mydriasis.

Tropicur *Roche, Arg.*
Mefloquine hydrochloride (p.605·3).
Malaria.

Tropidene *Tropica Mas, Indon.*
Piroxicam (p.117·3).
Gout; musculoskeletal and joint disorders; pain.

Tropidrol *Tropica Mas, Indon.*
⊗ Methylprednisolone (p.1538·1).
Corticosteroid.

Tropidryl Plus *Tropica Mas, Indon.*
Diphenhydramine hydrochloride (p.577·2); dextromethorphan hydrobromide (p.1555·2); ammonium chloride (p.1551·3); sodium citrate (p.1673·3); menthol (p.2340·1).
Cough.

Tropifen *Organifar, Venez.†.*
Papaverine hydrochloride (p.2191·3); hyoscyamus (p.2323·3); phenobarbital sodium (p.492·2).
Muscle spasm.

Tropifer *Tropica Mas, Indon.*
Ferrous gluconate (p.1939·1); manganese sulfate; copper sulfate; folic acid; vitamin B (p.1922·1).
Ascorbic acid (p.1983·3) is included in this preparation to increase the absorption and availability of iron.
Iron supplement; iron-deficiency anaemia.

Tropilex *Prafa, Indon.*
Piracetam (p.368·2).
Behavioural disorders in children; cerebral trauma; chronic alcoholism; enuresis; mental function impairment.

Tropimil *Farmigea, Ital.*
Tropicamide (p.1886·2).
Production of mydriasis and cycloplegia.

Tropinal *Sigma, Braz.*
Dipyrone (p.49·2); homatropine methylbromide (p.1881·3); hyoscine butylbromide (p.1734·1); hyoscyamine hydrobromide (p.1736·1).
Smooth muscle spasm.

Tropindol *Lans, Rus.†.*
Tropisetron hydrochloride (p.1777·2).
Nausea and vomiting.

Tropineuron *Tropica Mas, Indon.*
Dipyrone (p.49·2); vitamin B (p.1976·3); vitamin B (p.1979·1); vitamin B (p.1980·2).
Neuralgia; neuritis.

Tropinom *Genom, Braz.*
Tropicamide (p.1886·2).
Production of mydriasis and cycloplegia.

Tropioftal F *Denver, Arg.*
Tropicamide (p.1886·2); phenylephrine hydrochloride (p.1568·1).
Production of cycloplegia and mydriasis.

Tropisol *Protein, Mex.†.*
Captopril (p.1239·2).
Hypertension.

Tropistan *Tropica Mas, Indon.*
Mefenamic acid (p.80·1).
Pain.

Tropium *DDSA Pharmaceuticals, UK.*
Chlordiazepoxide hydrochloride (p.968·2).
Alcohol withdrawal syndrome; anxiety.

Tropivag *Finadiet, Arg.*
Lactobacillus rhamnosus (p.2372·3).
Restoration of vaginal flora.

Tropivag Plus *Finadiet, Arg.*
Lactobacillus rhamnosus (p.2372·3); progesterone (p.2125·1); estriol (p.2101·1).
Vaginal disorders.

Tropixal *Demo, Gr.*
Tropicamide (p.1886·2).
Production of mydriasis.

Tropix-HC *Alpharma, Mex.*
Captopril (p.1239·2).
Heart failure; hypertension; myocardial infarction.

Tropocer *Megat, Venez.*
Nimodipine (p.1357·2).
Dementia; neurological deficit following subarachnoid haemorrhage; vertigo.

Tropoderm *Kolassa, Austria.*
⊗ Neomycin sulfate (p.305·1); diphenylpyraline hydrochloride (p.578·2); buphenine hydrochloride (p.2270·2); hydrocortisone (p.1535·2).

Tropofin *Coup, Gr.*
Meloxicam (p.80·3).
Inflammatory disorders.

Tropyn *Zafiro, Mex.*
Atropine sulfate (p.1219·3).
Gastrointestinal disorders; organophosphorus pesticide poisoning; premedication.

Trorix *Baxter, Chile.*
Ondansetron (p.1756·3).
Nausea and vomiting.

Trosderm *Chefaro, Spain.*
Tioconazole (p.548·2).
Fungal skin infections.

Trosic *General Drugs, Thai.*
Tramadol hydrochloride (p.130·3).
Pain.

Trosid *Pfizer, Spain; Sankyo, Spain.*
Tioconazole (p.548·2).
Fungal skin and nail infections; vulvovaginal candidiasis.

Trospi *Medac, Ger.*
Trospium chloride (p.2198·3).
Bladder instability.

Trosycort *Pfizer, Fin.*
⊗ Tioconazole (p.548·2); hydrocortisone acetate (p.1535·2).
Inflammatory fungal skin infections with secondary bacterial infection.

Trosyd
Note. This name is used for preparations of different composition.
Pfizer, Arg.; Pfizer, Austria; Pfizer Consumer, Canad.†; Pfizer, Fin.; Teofarma, Fr.; Pfizer, Hong Kong; Pfizer, Indon.; Pfizer Consumer, Ital.; Pfizer, Malaysia; Pfizer, Philipp.; Pfizer, Port.; Pfizer, S.Afr.; Pfizer, Singapore; Pfizer, Thai.
Tioconazole (p.548·2).
Fungal and Gram-positive bacterial infections of the skin, nails, and vagina.

Pfizer Consumer, Switz.
Cream; topical spray: Tioconazole (p.548·2).
Fungal and bacterial skin infections.

Pfizer, Switz.†.
Topical solution: Tioconazole (p.548·2); undecenoic acid (p.549·2).
Fungal and bacterial infections of the skin and nails.

Trosyl *Pfizer, Irl.; Pfizer, UK.*
Tioconazole (p.548·2).
Fungal and bacterial infections of the nails.

Trotil *Globo, Braz.†.*
Mebendazole (p.148·3).
Worm infections.

Trovan
Note. This name is used for preparations of different composition.
Pfizer, Gr.†; Pfizer, Mex.†.
Trovafloxacin mesilate (p.357·2).
Bacterial infections.

Pfizer, Canad.†; Pfizer, USA†.
Injection: Alatrofloxacin mesilate (p.200·2).
Bacterial infections.

Pfizer, Canad.†; Pfizer, USA†.
Tablets: Trovafloxacin mesilate (p.357·2).
Bacterial infections.

Troviakol *Tropica Mas, Indon.*
Thiamphenicol (p.351·1).
Bacterial infections.

Troxeratio *Ratiopharm, Pol.*
Troxerutin (p.2305·1).
Venous insufficiency.

Troxescorbin *Synteza, Pol.*
Troxerutin (p.2305·1); ascorbic acid (p.1983·3).
Cold and influenza symptoms; vascular disorders.

Troxevazin *Balkanpharma, Rus.*
Troxerutin (p.2305·1).

Troxeven
Note. This name is used for preparations of different composition.
Typen, Arg.†.
Troxerutin (p.2305·1) aescin (p.2248·2).
Oedema; venous disorders.

Kreussler, Ger.
Troxerutin (p.2305·1).
Venous disorders.

Troxxil *Laboratorios Chile, Chile.*
Tinidazole (p.848·3).
Anaerobic bacterial infections; protozoal infections.

Troxyderm *Ecofarm, Ital.*
Multivitamin, amino-acid, and mineral preparation with myrtillus (p.1922·1).
Nutritional supplement; skin disorders.

Trozet *Dabur, India.*
⊗ Letrozole (p.740·2).
Breast cancer.

Trozocina *Sigma-Tau, Ital.*
Azithromycin (p.207·1).
Bacterial infections.

Trozolet *Tecnofarma, Chile; Nolver, Venez.*
⊗ Anastrozole (p.681·2).
Breast cancer.

Trozolite *Raffo, Arg.*
⊗ Anastrozole (p.681·2).
Malignant neoplasms.

Trozyman *IQB, Braz.*
Azithromycin (p.207·1).
Bacterial infections.

Tru
Note. This name is used for preparations of different composition.
Elea, Arg.
Pyrvinium embonate (p.155·3).
Oxyuriasis.

Pasteur, Chile.
Sulfathiazole sodium (p.343·3); lidocaine hydrochloride (p.1862·3).
Otitis.

Tru Compuesto *Elea, Arg.*
Mebendazole (p.148·3); tinidazole (p.848·3).
Worm infections.

Tructum *Nolver, Venez.*
Ondansetron (p.1756·3).
Nausea and vomiting.

Trudexa *Abbott, Neth.*
Adalimumab (p.15·2).
Ankylosing spondylitis; psoriatic arthritis; rheumatoid arthritis.

True Test *Mekos, Denm.; Gamida-Medequip, Israel; Glaxo Wellcome, Mex.†; CSL, NZ; NZ Medical & Scientific, NZ; Glaxo Wellcome, USA.*
A range of allergen-impregnated patches (p.2250·2).
Diagnosis of allergic contact dermatitis.

Truetest *Mekos, Port.*
A range of allergen-impregnated patches (p.2250·2).
Diagnosis of allergic contact dermatitis.

Trufree
Nutricia Dietary, UK.
Gluten-free, wheat-free flours and foods for special diets (p.1922·1).
Gluten sensitivity.

Cantassium Co., UK.
Tablets: Multivitamin and mineral preparation (p.1922·1).

Trumsal *Centrum, Spain.*
Diltiazem hydrochloride (p.1265·1).
Angina pectoris; hypertension.

Trunal *Ferron, Indon.; Heumann, Indon.*
Tramadol hydrochloride (p.130·3).
Pain.

Truoxin *Helsinn Birex, Irl.*
Ciprofloxacin hydrochloride (p.243·3).
Bacterial infections.

Truphylline *G & W, USA†.*
Aminophylline (p.1114·2).
Asthma; bronchospasm.

Trusil *Unipharma, Gr.*
Carbocisteine (p.1553·2).
Respiratory-tract congestion.

Trusopt *MSD, Arg.; MSD, Austral.; MSD, Austria; MSD, Belg.; MSD, Braz.; Merck Frosst, Canad.; MSD, Chile; MSD, Cz.; MSD, Denm.; MSD, Fin.; MSD-Chibret, Fr.; Chibret, Ger.; Vianex (Βιανεξ), Gr.; MSD, Hong Kong; MSD, Hung.; MSD, Irl.; MSD, Israel; MSD, Ital.; MSD, Malaysia; MSD, Mex.; MSD, NZ; MSD, Neth.; MSD, Norw.; Pharmalink, Philipp.; MSD, Pol.; Chibret, Port.; MSD, Rus.; MSD, S.Afr.; MSD, Singapore; MSD, Spain; MSD, Swed.; MSD, Switz.; MSD, Thai.; MSD, Turk.; MSD, UK; Merck, USA; MSD, Venez.*
⊗ Dorzolamide hydrochloride (p.1880·2).
Glaucoma; ocular hypertension; raised intra-ocular pressure.

Trust Pill *Pond's, Philipp.*
21 Tablets, ethinylestradiol (p.2101·3); levonorgestrel (p.2121·2); 7 tablets, ferrous fumarate (p.1938·3).
Combined oral contraceptive; menstrual disorders.

Truvada *Gador, Arg.; Gilead, Austral.; Gilead, Cz.; Orphan, Fin.; Gilead, Fr.; Gilead, Ger.; Gilead, Gr.; Gilead, Irl.; Gilead, Ital.; Stendhal, Mex.; Gilead, NZ; Gilead, Neth.; Gilead, Port.; Gilead, Spain; Swedish Orphan, Swed.; Gilead, UK; Gilead, USA.*
Emtricitabine (p.873·3); tenofovir disoproxil fumarate (p.908·3).
HIV infection.

Truvit *Solas, Indon.*
Vitamins; calcium gluconate; docosahexaenoic acid; lysine hydrochloride; bovine colostrum (p.1922·1).
Nutritional supplement.

Truxa
Note. This name is used for preparations of different composition.
Raffo, Arg.†.
Piroxicam (p.117·3).
Inflammation.

Asofarma, Mex.
Azithromycin (p.207·1).
Bacterial infections.

Truxa R *Raffo, Arg.†.*
Piroxicam (p.117·3).
Aluminium hydroxide (p.1706·2) is included in this preparation in an attempt to limit adverse effects on the gastrointestinal mucosa.
Inflammation.

Truxal
Lundbeck, Austria; Lundbeck, Denm.; Lundbeck, Neth.; Lundbeck, Norw.; Lundbeck, Rus.; Lundbeck, Swed.; Lundbeck, Switz.
Chlorprothixene hydrochloride (p.977·2).
Agitation; alcohol and drug withdrawal syndromes; anxiety; behaviour disorders; depression; mania; neuroses; pain; psychoses; sleep disorders; vomiting.

Lundbeck, Fin.
Chlorprothixene (p.977·2).
Anxiety; pain; psychoses; sedative.

Lundbeck, Ger.
Chlorprothixene (p.977·2) or chlorprothixene hydrochloride (p.977·2).
Psychoses.

Lundbeck, Hung.
Chlorprothixene acetate (p.977·2) or chlorprothixene hydrochloride (p.977·2).
Alcohol withdrawal syndrome; anxiety disorders; behaviour disorders in the elderly; epilepsy; opioid withdrawal syndrome; psychoses.

Truxaletten *Lundbeck, Austria; Lundbeck, Switz.*
Chlorprothixene hydrochloride (p.977·2).
Alcohol and drug withdrawal syndromes; anxiety disorders; behaviour disorders in children; depression; mania; neuroses; pain; psychoses; sleep disorders; vomiting.

Try *Roche Nicholas, Fr.*
Vaginal lubricant.

Tryasol *Wernigerode, Ger.*
Codeine phosphate (p.37·2).
Coughs.

Trycam *Douglas, Thai.†; TTN, Thai.†.*
Triazolam (p.1033·2).
Insomnia.

Trycet *Auriga, USA; Tryon, USA.*
Dextropropoxyphene napsilate (p.40·1); paracetamol (p.108·1).
Pain.

Trymo *Raptakos, India.*
Tripotassium dicitratobismuthate (p.1711·2).
Peptic ulcer.

Trypsin *PannonPharma, Hung.†.*
Trypsin (p.2405·3); procaine hydrochloride (p.1869·1); calcium acetate (p.1675·2).
Ulcers; wounds.

Trypsone *Grifols, Cz.; Grifols, Spain.*
Alpha -proteinase inhibitor (p.2253·2).
Congenital alpha antitrypsin deficiency.

Tryptal *Unipharm, Israel.*
Amitriptyline hydrochloride (p.376·1).
Depression; nocturnal enuresis.

Tryptan *Valeant, Canad.*
Tryptophan (p.427·1).
Adjunct in treatment of depression and bipolar disorder.

Tryptanol *MSD, Arg.; MSD, Austral.; MSD, Braz.; MSD, Hong Kong†; MSD, Malaysia; MSD, Mex.; MSD, S.Afr.; M & H, Thai.; MSD, Venez.*
Amitriptyline hydrochloride (p.376·1).
Depression; nocturnal enuresis.

Tryptizol *MSD, Austria; MSD, Belg.; MSD, Denm.†; MSD, Neth.; MSD, Norw.†; MSD, Port.; Neurogard, Spain; MSD, Swed.; MSD, Switz.*
Amitriptyline hydrochloride (p.376·1).
Bulimia; depression; neuropathic pain; nocturnal enuresis; postherpetic neuralgia.

Tryptoferm *Gaschler, Ger.†.*
Pancreatin (p.2360·1).
Inflammatory disorders.

Tryptomer *Merind, India.*
Amitriptyline hydrochloride (p.376·1).
Depression; nocturnal enuresis.

Tryptonat *Safetynat, Fr.*
Griffonia (p.2317·2); chamomile (p.2279·3); magnesium (p.1678·3).
Appetite disorders; mood disorders.

Tryptozen 5-HTP *Erjean, Fr.*
Preparation for enteral nutrition (p.1922·1).

T-Samag *Vargas, Venez.*
Thyme (p.2401·1); castanea vulgaris.
Cough.

T-Stat *Westwood-Squibb, Canad.†; BMS, Mex.; BMS, Singapore†; Westwood-Squibb, USA†.*
Erythromycin (p.269·2).
Acne.

TT 380 *CCD, Fr.*
Copper-wound plastic (p.1935·2).
Intra-uterine contraceptive device.

TT Vaccine *Bio Farma, Malaysia; Bio Farma, Thai.*
An adsorbed tetanus vaccine (p.2240·1).
Active immunisation.

TTC *Investigaciones Filosoficas y Cientificas, Mex.†.*
Thiamine (p.1976·3).
Irritability; nervous disorders.

TTD-B$_3$-B$_4$ *Tradiphar, Fr.*
Disulfiram (p.2296·2); nicotinamide (p.1957·3); adenine (p.2247·2).
Alcoholism.

Tuaplex *Cetus, Arg.*
Pyridoxine; phosphoserine; glutamine (p.1922·1).
Tonic.

Tuaredon *IFET (ΙΦΕΤ), Gr.†.*
Sodium aurothiomalate (p.122·2).

Tuba *Kurtsan, Turk.*
Salicylic acid (p.1612·2); acetic acid (p.2244·2).
Calluses.

Tubarine
Note. This name is used for preparations of different composition.
Spedrog, Arg.
Troxerutin (p.2305·1); aescin (p.2248·2).
Haemorrhoids; venous insufficiency.

Wellcome, Israel†.
Tubocurarine chloride (p.1912·3).
Competitive neuromuscular blocker.

Tuberbut *LKM, Arg.*
Tobramycin (p.354·1).
Bacterial infections.

Tubergen-Test *Chiron Behring, Ger.†.*
Tuberculin (p.2405·3).
Sensitivity test.

Tubersol *Sanofi Pasteur, Canad.; Aventis, NZ; Sanofi Pasteur, USA.*
Tuberculin purified protein derivative (p.2405·3).
Diagnosis of tuberculosis.

Tubersol PPD *Parisis, Spain†.*
Tuberculins (p.2405·3).
Diagnostic agent.

Tubertest *Sanofi Pasteur, Fr.*
Tuberculin (p.2405·3).
Test for tuberculin sensitivity.

Tubial *SVR, Fr.†.*
Titanium dioxide (p.1617·3); zinc oxide (p.1621·2).
Sunscreen.

Tubilux *Transdermal, UK.*
Sodium chloride (p.1686·1).
Nasal dryness; nasal hygiene.

Tubilysin *Orion, Fin.*
Isoniazid (p.288·1).
Tuberculosis.

Tubocin *Antibiotic, Cz.†.*
Rifampicin (p.325·3).
Bacterial infections.

Tucks
Note. This name is used for preparations of different composition.
Pfizer Consumer, Canad.
Hamamelis (p.2318·2); glycerol (p.2314·2).
Haemorrhoids; vaginal cleansing.

Warner-Lambert, USA.
Gel; pads: Hamamelis (p.2318·2); glycerol (p.2314·2).
Perianal cleansing.

Pfizer Consumer, USA.
Ointment: Pramocaine hydrochloride (p.1868·1); zinc oxide (p.1621·2).
Formerly known as Anusol-HC and contained hydrocortisone acetate.
Anorectal disorders; skin disorders.

Pfizer Consumer, USA.
Suppositories: Benzyl alcohol (p.1631·3); soybean oil (p.1965·3); tocoferil acetate (p.1992·3).
Formerly known as Anusol.
Anorectal disorders.

Tuclase
UCB, Belg.; UCB, Gr.; UCB, Ital.
Pentoxyverine hydrochloride (p.1567·3).
Cough.

UCB, Neth.
Pentoxyverine citrate (p.1567·3) or pentoxyverine hydrochloride (p.1567·3).
Coughs.

Tudcabil *Pharmacia, Ital.†.*
Tauroursodeoxycholic acid (p.2408·2).
Biliary disorders.

Tuderm-N *Meprofarm, Indon.*
⊗ Betamethasone valerate (p.1519·1); neomycin sulfate (p.305·1).
Infected skin disorders.

Tudiab *Meprofarm, Indon.*
Metformin hydrochloride (p.453·2).
Diabetes mellitus.

Tueor *Sofar, Ital.*
Barrier cream.

Tugesal *Meprofarm, Indon.*
Tramadol hydrochloride (p.130·3).
Pain.

Tuinal *Flynn, UK; Lilly, USA.*
Secobarbital sodium (p.1027·3); amobarbital sodium (p.961·3).
Insomnia; sedative.

Tukol *Atlantis, Mex.*
Guaifenesin (p.1561·3).
Coughs.

Tukol-D *Atlantis, Mex.*
Guaifenesin (p.1561·3); dextromethorphan hydrobromide (p.1555·2).
Coughs.

Tukson *Sons, Mex.†.*
Oxolamine (p.1567·1).
Coughs.

Tulgrasum Antibiotico *Desma, Spain.*
Bacitracin zinc (p.210·3) neomycin sulfate (p.305·1); polymyxin B sulfate (p.317·3).
Burns; skin disorders; skin ulcers; wounds.

Tulgrasum Cicatrizante *Desma, Spain.*
Glycine; benzyl benzoate (p.2036·1); benzalkonium chloride (p.1629·1); amino acids.
Burns; skin disorders; skin ulcers; wounds.

Tulip
Note. This name is used for preparations of different composition.
Lek, Cz.; Lek, Pol.; Lek, Rus.
Atorvastatin calcium (p.1218·3).
Hypercholesterolaemia.

Wermar, Mex.
Simvastatin (p.1390·2).
Atherosclerosis; cardiovascular risk reduction; hypercholesterolaemia.

Tulipe-R *Coup, Gr.†.*
Astemizole (p.567·2).
Allergic conjunctivitis; allergic rhinitis; pruritus.

Tulita *Gedeon Richter, Hung.*
Estradiol (p.2097·2); norethisterone acetate (p.2119·3).
Menopausal disorders; osteoporosis.

Tulle Gras *Solvay, Fr.*
White soft paraffin (p.2031·2).
Burns; ulcers; wounds.

Tulle Gras Lumiere *Solvay, Fr.†.*
Peru balsam (p.2365·3).
Burns.

Tulle Vaseline *Stella, Belg.†.*
Yellow soft paraffin (p.2031·3); liquid paraffin (p.2030·3).
Burns; wounds.

Tulotract *Ardeypharm, Ger.*
Lactulose (p.1738·2).
Constipation; hepatic encephalopathy.

Tulox *Mintlab, Chile.*
Oxolamine (p.1567·1).
Coughs.

Tulzol *Bentley, Cz.*
Omeprazole (p.1753·1).
Gastro-oesophageal reflux; peptic ulcer; Zollinger-Ellison syndrome.

Tuma *Robugen, Ger.*
Ivy (p.2328·1).
Respiratory-tract disorders.

Tumarol *Robugen, Ger.*
Eucalyptus oil (p.2301·2); camphor (p.2273·2); menthol (p.2340·1).
Cold symptoms.

Tumarol Kinderbalsam *Robugen, Ger.*
Eucalyptus oil (p.2301·2); pine silvestris oil (p.2368·2).
Cold symptoms.

Tumarol N *Iromedica, Switz.†.*
Eucalyptus oil (p.2301·2); camphor (p.2273·2); menthol (p.2340·1).
Cold symptoms.

Tumarol-N *Robugen, Ger.*
Camphor (p.2273·2); menthol (p.2340·1); eucalyptus oil (p.2301·2).
Cold symptoms.

Tumax *Sriprasit, Thai.*
Chlordiazepoxide hydrochloride (p.968·2); clidinium bromide (p.1722·1).
Gastrointestinal disorders; peptic ulcer; smooth muscle spasm.

Tumdi *Sriprasit, Thai.*
Paracetamol (p.108·1).
Fever; pain.

Tumetil *Boehringer Ingelheim, Venez.*
Mexiletine hydrochloride (p.1339·2).
Arrhythmias.

Tummy Ease *Cadila, India.*
Ferula asafetida (p.2261·3); trachyspermum ammi; gardenia gummifera; ginger (p.1732·3); black pepper (p.2364·3).
Stomach disorders.

Tumoglin *Pfluger, Ger.*
Homoeopathic preparation.

Tums
Note. This name is used for preparations of different composition.
GSK Consumer, Canad.; GSK, Gr.; GSK Consumer, Irl.†; GSK, Israel; GSK, Mex.; GSK, Philipp.; GSK Consumer, Port.; Group, S.Afr.; GSK Consumer, UK; GSK, USA; GSK Consumer, Venez.
Calcium carbonate (p.1714·1).
Calcium deficiency; calcium supplement; dyspepsia; flatulence; gastric hyperacidity; heartburn; nausea.

GSK Consumer, Cz.
Calcium carbonate (p.1714·1); heavy magnesium carbonate (p.1743·1).
Dyspepsia; gastric hyperacidity; peptic ulcer.

Tums Plus *SmithKline Beecham, USA.*
Calcium carbonate (p.1714·1); simeticone (p.1770·2).

Tundra *Frasca, Arg.*
Naproxen (p.92·3).
Inflammation.

Tuneluz *Baldacci, Port.*
Fluoxetine hydrochloride (p.391·2).
Bulimia nervosa; depression; obsessive-compulsive disorder.

Tunelzin *Rafarm, Gr.†.*
Paracetamol (p.108·1).
Fever; pain.

Tunik *Baliarda, Arg.*
Ademetionine (p.2247·1).
Lidocaine hydrochloride (p.1862·3) is included in this preparation to alleviate the pain of injection.
Depression; osteoarthritis.

Tunik B12 *Baliarda, Arg.*
Ademetionine (p.2247·1); vitamin B   (p.1980·2).
Lidocaine hydrochloride (p.1862·3) is included in this preparation to alleviate the pain of injection.
Depression; liver disorders; osteoarthritis.

Tunitol-BX *Streger, Mex.*
Ambroxol hydrochloride (p.1550·3).
Respiratory-tract congestion.

Tuosomin *Schering, Thai.*
⊗ Tamoxifen citrate (p.772·3).
Anovulatory infertility; breast cancer; endometrial cancer.

Tupast *Kleva, Gr.*
Ranitidine hydrochloride (p.1766·1).
Conditions where gastric acid reduction is beneficial; gastric hypersecretion including Zollinger-Ellison syndrome; peptic ulcer.

Turbaund *Rafarm, Gr.*
Tolfenamic acid (p.130·1).
Inflammation; musculoskeletal and joint disorders; pain.

Turbinal *Valeas, Ital.*
⊗ Beclometasone dipropionate (p.1516·2).
Rhinitis.

Turbocalcin *GSK, Ital.†.*
Elcatonin (p.1093·2).
Hypercalcaemia; osteoporosis; Paget's disease of bone; reflex sympathetic dystrophy.

Turbogesic *Laboratorios Chile, Chile.*
Diclofenac diethylamine (p.44·3).
Musculoskeletal, joint, peri-articular, and soft-tissue disorders.

Turbonatal *Medipharm, Chile.*
Vitamin and mineral preparation (p.1922·1).
Dietary supplement.

Turbovit *Medipharm, Chile.*
Multivitamin preparation with or without minerals (p.1922·1).
Tonic.

Turexan Capilla *Turimed, Switz.*
⊗ Cetrimonium bromide (p.1635·1); urea (p.1620·2); dexpanthenol (p.2362·1).
Scalp disorders.

Turexan Creme *Turimed, Switz.*
Undecenoic acid (p.549·2); zinc undecenoate (p.549·3).
Barrier cream; skin disorders.

Turexan Douche *Turimed, Switz.*
Undecenoic acid (p.549·2).
Skin disorders; soap substitute.

Turexan Emulsion *Turimed, Switz.†.*
Undecenoic acid (p.549·2); zinc undecenoate (p.549·3); triclosan (p.1665·2).
Skin disorders; soap substitute.

Turexan Lotion *Turimed, Switz.*
⊗ Urea (p.1620·2); dexpanthenol (p.2362·1).
Skin disorders.

Turfa *Worwag, Ger.*
⊗ Triamterene (p.1417·2); hydrochlorothiazide (p.1307·3).
Hypertension; oedema.

Turgent Colageno *Stiefel, Arg.*
⊗ Collagen (p.2286·1); octinoxate (p.1608·2); urea (p.1620·2).
Dry skin disorders.

Turgent Emulsion *Stiefel, Arg.*
⊗ Octinoxate (p.1608·2); urea (p.1620·2).
Dry skin.

Turifam *Reuffer, Mex.*
Rifampicin (p.325·3).
Bacterial infections.

Turimonit *Jenapharm, Ger.*
Isosorbide mononitrate (p.1318·3).
Angina pectoris; heart failure; pulmonary hypertension.

Turimycin *Jenapharm, Ger.*
Clindamycin hydrochloride (p.251·1).
Bacterial infections.

Turinal *Gedeon Richter, Cz.†; Gedeon Richter, Hong Kong; Gedeon Richter, Malaysia†; Richter, Philipp.; Gedeon Richter, Rus.; Gedeon Richter, Singapore.*
Allylestrenol (p.2082·2).
Premature labour; threatened or recurrent miscarriage.

Turineurin *Jenapharm, Cz.†; Jenapharm, Ger.*
St John's wort (p.422·3).
Depression; nervous disorders.

Turiplex *Jenapharm, Cz.†.*
Cucurbita (p.2290·2).
Benign prostatic hyperplasia.

Turisan *Turimed, Switz.*
Cetrimonium bromide (p.1635·1).
Acne; skin disinfection.

Turisteron *Jenapharm, Ger.†.*
Ethinylestradiol propanesulphonate (p.2102·1).
Prostatic cancer.

Turixin *GSK, Ger.*
Mupirocin calcium (p.302·3).
Nasal carriage of staphylococci.

Turm *Biores, Ital.*
⊗ Flunisolide (p.1531·1).
Asthma; bronchitis; rhinitis.

Turmerik *Knop, Chile.*
Turmeric (p.1473·2).
Liver disorders; musculoskeletal and joint disorders.

Turnera comp *Pfluger, Ger.†.*
Homoeopathic preparation.

Turoptin *Bausch & Lomb, Ital.; Novartis, Switz.†; Novartis, Turk.*
⊗ Metipranolol (p.1883·2).
Glaucoma; ocular hypertension.

Turox *Farmacox, Port.*
Etoricoxib (p.53·1).
Gout; osteoarthritis; rheumatoid arthritis.

Turpan *Corsa, Indon.*
Paracetamol (p.108·1).
Fever; pain.

† This preparation may no longer be actively marketed

⊗ Contains a substance whose use may be restricted in certain sports (see p.vii)

Turresis *Winthrop, Port.*
Ethambutol hydrochloride (p.274·1).
Tuberculosis.

Turulington Tincture *Lennon, S.Afr.*
Benzoin (p.2394·2); storax (p.2392·3); tolu balsam (p.1574·2); aloes (p.1705·2).
Bronchitis; coughs; minor wounds.

Tusabron *Bago, Chile.*
⊗ Clobutinol hydrochloride (p.1554·1); orciprenaline sulfate (p.1129·1); ammonium chloride (p.1551·3).
Coughs.

Tusana-D *Cypress, USA.*
Hydrocodone tartrate (p.63·1); chlorphenamine maleate (p.571·3); phenylephrine hydrochloride (p.1568·1).
Upper respiratory-tract disorders.

Tusant *Lupin, India†.*
Terfenadine (p.590·3); dextromethorphan hydrobromide (p.1555·2).
Coughs.

Tusapres *Sandoz, Indon.*
Theophylline (p.1140·1); guaifenesin (p.1561·3); diphenhydramine hydrochloride (p.577·2).
Bronchospasm; cough; respiratory-tract disorders with excess mucus.

Tusben *Benedetti, Ital.*
Dimemorfan phosphate (p.1557·1).
Coughs.

Tuscalman
Note. This name is used for preparations of different composition.
Kwizda, Austria; Desma, Switz.
Oral drops; suppositories: Noscapine hydrochloride (p.1566·3); guaifenesin (p.1561·3).
Bronchitis; catarrh; coughs; laryngitis; sore throat.

Desma, Spain.
Suppositories; syrup: Noscapine hydrochloride (p.1566·3).
Coughs.

Kwizda, Austria.
Syrup: Noscapine hydrochloride (p.1566·3); guaifenesin (p.1561·3); althaea (p.2253·3); sambucus (p.2383·1).
Bronchitis; catarrh; coughs; laryngitis; sore throat.

Desma, Switz.
Syrup: Noscapine hydrochloride (p.1566·3); guaifenesin (p.1561·3); althaea (p.2253·3).
Respiratory-tract disorders.

Tusco *Hua, Thai.*
Dextromethorphan hydrobromide (p.1555·2).
Coughs.

Tuscolgen *Great Eastern, Thai.; Westmont, Thai.*
Dextromethorphan hydrobromide (p.1555·2); guaifenesin (p.1561·3); chlorphenamine maleate (p.571·3).
Coughs.

Tusdec-DM *Cypress, USA.*
Brompheniramine maleate (p.569·2); phenylephrine hydrochloride (p.1568·1); dextromethorphan hydrobromide (p.1555·2).
Upper respiratory-tract disorders.

Tusdec-HC *Cypress, USA.*
Hydrocodone tartrate (p.63·1); phenylephrine hydrochloride (p.1568·1).
Coughs.

Tuselin Descongestivo *Korhispana, Spain.*
Dextromethorphan hydrobromide (p.1555·2); phenylephrine hydrochloride (p.1568·1).
Coughs; nasal congestion.

Tuseptil *Munir, Turk.*
Guaifenesin (p.1561·3); diphenhydramine hydrochloride (p.577·2); phenylpropanolamine hydrochloride (p.1569·3).
Respiratory-tract congestion.

Tuseran
Note. This name is used for preparations of different composition.
Medichem, Hong Kong.
Dextromethorphan hydrobromide (p.1555·2); phenylpropanolamine hydrochloride (p.1569·3); paracetamol (p.108·1).
Formerly contained dextromethorphan hydrobromide, guaifenesin, phenylpropanolamine hydrochloride, chlorphenamine maleate, and paracetamol.
Coughs and cold symptoms.

Medifarma, Indon.
Dextromethorphan hydrobromide (p.1555·2); guaifenesin (p.1561·3); phenylpropanolamine hydrochloride (p.1569·3); chlorphenamine maleate (p.571·3).
Cold symptoms; cough.

Tuseran Forte *Medifarma, Indon.*
Dextromethorphan hydrobromide (p.1555·2); guaifenesin (p.1561·3); phenylpropanolamine hydrochloride (p.1569·3); chlorphenamine maleate (p.571·3); paracetamol (p.108·1).
Cold symptoms; cough.

Tuseran Forte (Reformulated) *United Laboratories, Philipp.*
Dextromethorphan hydrobromide (p.1555·2); phenylpropanolamine hydrochloride (p.1569·3); paracetamol (p.108·1).
Cold symptoms; cough.

Tuseran Pedia DMP *Medifarma, Indon.; UAP, Indon.*
Dextromethorphan hydrobromide (p.1555·2); chlorphenamine maleate (p.571·3); pseudoephedrine hydrochloride (p.1571·2).
Cough; nasal congestion; rhinitis.

Tuseran (Reformulated) *Medichem, Philipp.*
Dextromethorphan hydrobromide (p.1555·2); phenylpropanolamine hydrochloride (p.1569·3); guaifenesin (p.1561·3).
Cough.

Tusibron
Note. This name is used for preparations of different composition.
Kener, Mex.
Ambroxol hydrochloride (p.1550·3).
Respiratory-tract congestion.

Kenwood, USA.
Guaifenesin (p.1561·3).
Coughs.

Tusibron-DM *Kenwood, USA.*
Guaifenesin (p.1561·3); dextromethorphan hydrobromide (p.1555·2).
Coughs.

Tusical *Andromaco, Mex.*
Benzonatate (p.1552·1).
Coughs.

Tusigen
Note. This name is used for preparations of different composition.
Bago, Chile.
Chlorphenamine maleate (p.571·3); pseudoephedrine hydrochloride (p.1571·2); codeine phosphate (p.37·2).
Coughs.

Liomont, Mex.
Zipeprol hydrochloride (p.1575·3).
Coughs.

Tusilan *Landson, Indon.*
Chlorphenamine maleate (p.571·3); dextromethorphan hydrobromide (p.1555·2).
Cough.

Tusilen *Allen, Mex.*
Dextromethorphan hydrobromide (p.1555·2); guaifenesin (p.1561·3); phenylephrine hydrochloride (p.1568·1).
Coughs; respiratory-tract congestion.

Tusilen Pediatrico *Allen, Mex.*
Dextromethorphan hydrobromide (p.1555·2); guaifenesin (p.1561·3); paracetamol (p.108·1).
Coughs; fever.

Tusilin *Mecom, Turk.*
Ambroxol hydrochloride (p.1550·3).
Respiratory-tract congestion.

Tusitato *Ivax, Mex.*
Benzonatate (p.1552·1).
Cough.

Tusitinas *Pensa, Spain†.*
Dextromethorphan hydrobromide (p.1555·2).
Coughs.

Tusminal *Medipharm, Chile.*
Dextromethorphan hydrobromide (p.1555·2).
Coughs.

Tusminal Compuesto *Medipharm, Chile†.*
Paracetamol (p.108·1); pseudoephedrine hydrochloride (p.1571·2); dextromethorphan hydrobromide (p.1555·2).
Cough and cold symptoms.

Tusnel-HC *Llorens, USA.*
Hydrocodone tartrate (p.63·1); brompheniramine maleate (p.569·2); phenylephrine hydrochloride (p.1568·1).
Upper respiratory-tract disorders.

Tusno *Milano, Thai.*
Dextromethorphan hydrobromide (p.1555·2); guaifenesin (p.1561·3); bromhexine hydrochloride (p.1552·2).
Coughs.

Tusolven *Vedim, Port.†.*
Ambroxol acefyllinate (p.1114·2).
Obstructive airways disease.

Tusorama *Quimifar, Spain.*
Dextromethorphan hydrobromide (p.1555·2).
Coughs.

Tuspel *Indoco, India.*
Diphenhydramine hydrochloride (p.577·2); ammonium chloride (p.1551·3); sodium citrate (p.1673·3); menthol (p.2340·1).
Coughs.

Tuspel Plus *Indoco, India.*
⊗ Bromhexine hydrochloride (p.1552·2); terbutaline (p.1139·1); ammonium chloride (p.1551·3); menthol (p.2340·1).
Coughs associated with obstructive airways disease.

Tuspress *Indoco, India.*
Dextromethorphan hydrobromide (p.1555·2); phenylpropanolamine hydrochloride (p.1569·3); chlorphenamine maleate (p.571·3); menthol (p.2340·1).
Cold symptoms; coughs; nasal congestion.

Tusquit *Xixia, S.Afr.*
Diphenhydramine hydrochloride (p.577·2); ammonium chloride (p.1551·3).
Coughs.

tuss *Rentschler, Ger.†.*
Ambroxol hydrochloride (p.1550·3).
Respiratory-tract disorders associated with increased mucus.

Tuss Hustenstiller *Rentschler, Ger.†.*
Dextromethorphan hydrobromide (p.1555·2).
Coughs.

Tussa *Silom, Thai.*
Guaifenesin (p.1561·3).
Coughs.

Tussafed HC *Everett, USA†.*
Hydrocodone tartrate (p.63·1); phenylephrine hydrochloride (p.1568·1); guaifenesin (p.1561·3).
Coughs.

Tussafed-EX *Everett, USA.*
Dextromethorphan hydrobromide (p.1555·2); phenylephrine hydrochloride (p.1568·1); guaifenesin (p.1561·3).
Coughs; respiratory-tract congestion.

Tussafed-HCG *Everett, USA.*
Hydrocodone tartrate (p.63·1); phenylephrine hydrochloride (p.1568·1); guaifenesin (p.1561·3).
Allergic rhinitis; cold symptoms; coughs.

Tussafin Expectorant *Rugby, USA.*
Pseudoephedrine hydrochloride (p.1571·2); guaifenesin (p.1561·3); hydrocodone tartrate (p.63·1).
Coughs.

Tussafug *Robugen, Ger.*
Benproperine phosphate (p.1552·1).
Coughs.

Tussal Antitussicum *Biofarm, Pol.*
Dextromethorphan hydrobromide (p.1555·2).
Cough.

Tussal Expectorans *Biofarm, Pol.*
Ambroxol hydrochloride (p.1550·3).
Respiratory-tract congestion.

Tussall *Everett, USA.*
Phenylephrine hydrochloride (p.1568·1); dextromethorphan hydrobromide (p.1555·2); dexbrompheniramine maleate (p.569·2).
Coughs; nasal congestion.

Tussalpront *Pfizer Consumer, Switz.*
Dextromethorphan hydrobromide (p.1555·2).
Coughs.

Tussamag
Note. This name is used for preparations of different composition.
Teofarma, Ital.
Wild thyme (p.2415·3); castanea leaves.
Respiratory-tract congestion.

CT, Rus.; Ratiopharm, Rus.
Thyme (p.2401·1).
Cough.

Montavit, Austria.
Ointment: Spike lavender oil (p.2392·1); eucalyptus oil (p.2301·2); turpentine oil (p.2406·3); camphor (p.2273·2).
Bronchitis; catarrh; coughs.

Montavit, Austria.
Oral liquid: Thyme (p.2401·1); castanea vulgaris.
Bronchitis; catarrh; coughs.

Tussamag Balsam *CT, Rus.*
Pine oil (p.2368·2); eucalyptus oil (p.2301·2).

Tussamag Complex *Teofarma, Ital.*
Wild thyme (p.2415·3); dropropizine (p.1557·3).
Coughs.

Tussamag Erkaltungsbalsam N *CT, Ger.†.*
Eucalyptus oil (p.2301·2); pine needle oil (p.2368·2).
Catarrh.

Tussamag Hustenlosung *CT, Ger.*
Thyme (p.2401·1).
Formerly Tussamag Hustentropfen N.
Bronchitis; catarrh.

Tussamag Hustensaft N *CT, Ger.*
Thyme (p.2401·1).
Bronchitis; catarrh.

Tussamag Nasenspray *CT, Ger.*
⊗ Xylometazoline hydrochloride (p.1575·1).
Nasal congestion.

Tussanil Compositum *Vifor, Switz.†.*
Noscapine (p.1566·2); drosera (p.2297·3); liquorice (p.1740·3); eucalyptus oil (p.2301·2); peppermint oil (p.1761·2).
Coughs.

Tussanil DH *Misemer, USA.*
Phenylephrine hydrochloride (p.1568·1); chlorphenamine maleate (p.571·3); hydrocodone tartrate (p.63·1).
Coughs and cold symptoms.

Tussanil N *Vifor, Switz.*
Noscapine hydrochloride (p.1566·3).
Coughs.

Tussanil Plain *Misemer, USA.*
Phenylephrine hydrochloride (p.1568·1); chlorphenamine maleate (p.571·3).
Upper respiratory-tract symptoms.

Tussantiol *Medisa, Switz.*
Carbocisteine (p.1553·2).
Respiratory-tract disorders with increased mucus.

Tussanyl *Giovanardi, Ital.*
Sulfogaiacol (p.1573·2); grindelia (p.2317·2).
Catarrh; coughs.

Tussar-2 *Rhone-Poulenc Rorer, USA.*
Codeine phosphate (p.37·2); guaifenesin (p.1561·3); pseudoephedrine hydrochloride (p.1571·2).
Coughs.

Tussar DM *Rhone-Poulenc Rorer, USA.*
Dextromethorphan hydrobromide (p.1555·2); chlorphenamine maleate (p.571·3); pseudoephedrine hydrochloride (p.1571·2).
Coughs and cold symptoms.

Tussar SF *Rhone-Poulenc Rorer, USA.*
Codeine phosphate (p.37·2); guaifenesin (p.1561·3); pseudoephedrine hydrochloride (p.1571·2).
Coughs.

Tusscodin *Lannacher, Austria.*
Nicocodine hydrochloride (p.1566·2).
Coughs.

Tuss-DM *Hyrex, USA†.*
Dextromethorphan hydrobromide (p.1555·2); guaifenesin (p.1561·3).
Coughs.

Tussed *Hexal, Ger.†.*
Clobutinol hydrochloride (p.1554·1).
Coughs.

Tussefar *Faran, Gr.*
Ambroxol hydrochloride (p.1550·3).
Respiratory disorders associated with viscous mucus.

Tusselin *Faran, Gr.*
Erdosteine (p.1560·1).
Mucolytic.

Tussend *Monarch, USA.*
Hydrocodone tartrate (p.63·1); pseudoephedrine hydrochloride (p.1571·2); chlorphenamine maleate (p.571·3).
Coughs.

Tussi-12 *Wallace, USA.*
Pentoxyverine tannate (p.1567·3); chlorphenamine tannate (p.572·2); phenylephrine tannate (p.1568·3).
Coughs.

Tussi-12 D *Wallace, USA.*
Pentoxyverine tannate (p.1567·3); mepyramine tannate (p.585·2); phenylephrine tannate (p.1568·3).
Coughs.

Tussibron *Sella, Ital.*
Oxolamine citrate (p.1567·1).
Coughs.

Tussicare DG *ST, Thai.*
Guaifenesin (p.1561·3); dextromethorphan hydrobromide (p.1555·2).
Coughs.

Tussicom *Sanofi-Aventis, Pol.*
Acetylcysteine (p.1548·2).
Cystic fibrosis; respiratory-tract congestion.

Tussi-12D S *Wallace, USA.*
Pentoxyverine tannate (p.1567·3); mepyramine tannate (p.585·2); phenylephrine tannate (p.1568·3).
Upper respiratory-tract disorders.

Tussidane *Elerte, Fr.*
Dextromethorphan hydrobromide (p.1555·2).
Coughs.

Tussidermil N *Li-il, Ger.*
Eucalyptus oil (p.2301·2).
Catarrh; musculoskeletal and joint disorders.

Tussidex *Hasco-Lek, Pol.; Xepa-Soul Pattinson, Singapore†.*
Dextromethorphan hydrobromide (p.1555·2).
Cough.

Tussidex Forte *Xepa-Soul Pattinson, Malaysia†.*
Dextromethorphan hydrobromide (p.1555·2).
Coughs.

Tussidoron *Weleda, Fr.*
Thyme (p.2401·1); drosera (p.2297·3).
Coughs.

Tussidrill *Pierre Fabre, Cz.; Pierre Fabre, Spain.*
Dextromethorphan hydrobromide (p.1555·2).
Cough.

TussiDrill *Pierre Fabre, Pol.*
Dextromethorphan hydrobromide (p.1555·2).
Cough.

Tussifen *Hexal, Braz.†.*
Belladonna (p.2263·3); jaborandi; eucalyptus (p.2301·2); ginger (p.1732·3); siparuna guyanensis; lantana camara; mikania glomerata.
Respiratory-tract congestion.

Tussiflex D *Abbott, Braz.*
Dropropizine (p.1557·3).
Coughs.

Tussiflorin forte *Pascoe, Ger.†.*
Ivy (p.2328·1); primula root (p.2372·2); thyme (p.2401·1).
Asthma; bronchitis.

Tussiflorin Hustensaft *Pascoe, Ger.†.*
Vogelknoterichkraut; sanikelkraut; hohlzahnkraut; primula root (p.2372·2).
Asthma; bronchitis; coughs.

Tussiflorin Hustenstiller *Pascoe, Ger.†.*
Thyme (p.2401·1); drosera (p.2297·3).
Cold symptoms; coughs.

Tussiflorin Hustentropfen *Pascoe, Ger.†.*
Vogelknoterichkraut; sanikelkraut; hohlzahnkraut; primula root (p.2372·2).
Asthma; bronchitis; coughs.

Tussiflorin Thymian *Pascoe, Ger.*
Thyme (p.2401·1).
Bronchitis; respiratory-tract congestion.

Tussigon
Note. This name is used for preparations of different composition.
Novell, Indon.
Dextromethorphan hydrobromide (p.1555·2); guaifenesin (p.1561·3); pseudoephedrine (p.1571·2); sodium citrate (p.1673·3).
Cold symptoms; cough.

King, USA.
Hydrocodone tartrate (p.63·1); homatropine methylbromide (p.1881·3).
Cough.

Tussikind *VSM, Neth.†.*
Homoeopathic preparation.

Tussilen *Ivax, Cz.*
⊗ Drosera (p.2297·3); thyme oil (p.2401·2); gypsophila saponin; ephedrine hydrochloride (p.1558·2).
Respiratory-tract inflammation.

Tussilene
Note. This name is used for preparations of different composition.
Zydus, Fr.†.
Carbocisteine (p.1553·2).
Respiratory-tract disorders.

Azevedos, Port.
Dextromethorphan hydrobromide (p.1555·2).
Coughs.

Tussilinct *Adcock Ingram, S.Afr.*
Diphenhydramine hydrochloride (p.577·2); codeine phosphate (p.37·2); ammonium chloride (p.1551·3); sodium citrate (p.1673·3).
Coughs.

Tussiliv *Delta, Braz.*
⊗ Salbutamol sulfate (p.1131·3).
Obstructive airways disease.

Tussils *Boots, Hong Kong; Reckitt Benckiser, Malaysia; Reckitt Benckiser, Singapore; Boots, Thai.*
Dextromethorphan hydrobromide (p.1555·2).
Cough.

Tussimag Codein *Montavit, Austria.*
Codeine phosphate (p.37·2); castanea vulgaris.
Bronchitis; catarrh; coughs.

Tussimont *Pharmonta, Austria.*
Senega (p.1572·3); thyme (p.2401·1); bitter-orange (p.2357·1).
Coughs.

Tussin
Note. This name is used for preparations of different composition.
Ivax, Cz.
Butamirate citrate (p.1553·1).
Coughs.

Sagmel, Rus.
Guaifenesin (p.1561·3).
Cough.

Tussin Antitussive *Stanley, Canad.†.*
Dextromethorphan hydrobromide (p.1555·2).
Cough.

Tussin Antitussive, Expectorant, Decongestant *Stanley, Canad.†.*
Pseudoephedrine hydrochloride (p.1571·2); dextromethorphan hydrobromide (p.1555·2); guaifenesin (p.1561·3).

Tussin Children's DM *Stanley, Canad.†.*
Pseudoephedrine hydrochloride (p.1571·2); dextromethorphan hydrobromide (p.1555·2).

Tussin Expectorant *Stanley, Canad.†.*
Guaifenesin (p.1561·3).

Tussin Plus *Sagmel, Rus.*
Guaifenesin (p.1561·3); dextromethorphan hydrobromide (p.1555·2).
Cough.

TUSSinfant N *Rubiepharm, Ger.†.*
Primula root (p.2372·2); thyme (p.2401·1).
Cold symptoms.

Tussinol *Johnson & Johnson, Austral.*
Pholcodine (p.1570·2).
Cough.

Tussinol for Dry Coughs *Pfizer Consumer, Austral.†.*
Dextromethorphan hydrobromide (p.1555·2).
Coughs.

Tussinol Expectorant *Johnson & Johnson, Austral.*
Bromhexine hydrochloride (p.1552·2); guaifenesin (p.1561·3).
Cough.

Tussionex *Aventis, Canad.*
Hydrocodone resin complex (p.63·2); phenyltoloxamine resin complex (p.588·1).
Coughs.

Tussionex Pennkinetic *Celltech, USA.*
Hydrocodone polistirex (p.63·2); chlorphenamine polistirex (p.572·2).
Coughs and cold symptoms.

Tussi-Organidin DM NR *Victory, USA.*
Guaifenesin (p.1561·3); dextromethorphan hydrobromide (p.1555·2).
Coughs.

Tussi-Organidin NR *Victory, USA.*
Codeine phosphate (p.37·2); guaifenesin (p.1561·3).
Coughs.

Tussipax
Note. This name is used for preparations of different composition.
Bailleul, Fr.
Oral solution; tablets: Ethylmorphine hydrochloride (p.52·2); codeine (p.37·2).
Coughs.

Bailleul, Fr.
Syrup: Ethylmorphine hydrochloride (p.52·2); codeine (p.37·2); tolu balsam (p.1574·2); pectoral concentrate.
Coughs.

Tussipect
Note. This name is used for preparations of different composition.
Qualiphar, Belg.; Qualiphar, Neth.
Dextromethorphan hydrobromide (p.1555·2).
Cough; coughs.

Herbapol Poznan, Pol.
Syrup: ⊗ Ephedrine hydrochloride (p.1558·2); thyme (p.2401·1); saponin.
Cough and associated respiratory-tract disorders.

Herbapol Poznan, Pol.
Tablets: ⊗ Ephedrine hydrochloride (p.1558·2); liquorice (p.1740·3); saponin.
Cough and associated respiratory-tract disorders.

Tussiplex *Vifor, Switz.†.*
Chlorphenamine maleate (p.571·3); phenylephrine hydrochloride (p.1568·1); pholcodine (p.1570·2); guaifenesin (p.1561·3).
Coughs; upper respiratory-tract inflammation.

Tussi-Pres *Kramer, USA.*
Dextromethorphan hydrobromide (p.1555·2); guaifenesin (p.1561·3); phenylephrine hydrochloride (p.1568·1).
Cough.

Tussirex *Scot-Tussin, USA.*
Codeine phosphate (p.37·2); pheniramine maleate (p.587·3); phenylephrine hydrochloride (p.1568·1); sodium citrate (p.1673·3); sodium salicylate (p.124·2); caffeine citrate (p.1116·3); menthol (p.2340·1).
Coughs.

Tussisana N *Muller Goppingen, Ger.*
Homoeopathic preparation.

Tussisedal *Elerte, Fr.*
Noscapine (p.1566·2); promethazine (p.588·2); polysorbate 85 (Tween 85).
Coughs.

Tussistin *DHU, Ger.; VSM, Neth.*
Homoeopathic preparation.

Tussistin N *DHU, Ger.*
Homoeopathic preparation.

Tussitot *Adcock Ingram, S.Afr.*
Diphenhydramine hydrochloride (p.577·2); codeine phosphate (p.37·2); ammonium chloride (p.1551·3); sodium citrate (p.1673·3).
Coughs.

Tussivit *Ducto, Braz.†.*
Potassium iodide (p.2169·2); guaifenesin (p.1561·3).
Coughs.

Tussizone *Mallinckrodt, USA.*
Pentoxyverine tannate (p.1567·3); chlorphenamine tannate (p.572·2).
Upper respiratory-tract disorders.

Tuss-LA *Hyrex, USA.*
Pseudoephedrine hydrochloride (p.1571·2); guaifenesin (p.1561·3).
Coughs.

Tusso Rhinathiol *Sanofi-Aventis, Belg.*
Dextromethorphan hydrobromide (p.1555·2).
Formerly known as Rhinathiol Antitussivum.
Coughs.

Tussocal *Agis, Israel†.*
Dextromethorphan hydrobromide (p.1555·2); phenylephrine hydrochloride (p.1568·1).
Coughs; nasal congestion.

Tussodan DM *Odan, Canad.*
Dextromethorphan hydrobromide (p.1555·2); pseudoephedrine hydrochloride (p.1571·2).

Tusso-DF *Everett, USA.*
Hydrocodone tartrate (p.63·1); guaifenesin (p.1561·3).
Coughs.

Tussodina *Dovalle, Braz.†.*
Sodium dibunate (p.1573·1); sodium benzoate (p.1630·2); sulfogaiacol (p.1573·2).
Cough.

Tusso-HC *Everett, USA.*
Hydrocodone tartrate (p.63·1); guaifenesin (p.1561·3).
Cough.

Tussol
Note. This name is used for preparations of different composition.
Ibefar, Braz.†.
Oxomemazine hydrochloride (p.587·1); sodium benzoate (p.1630·2); guaifenesin (p.1561·3); potassium iodide (p.2169·2); ipecacuanha (p.1562·3).
Cough.

Amnol, Ital.
Myrtillus (p.2349·3); thyme (p.2401·1); tilia (p.2402·2); liquorice (p.1740·3).
Respiratory-tract disorders.

Tussolvina *Pfizer, Ital.*
Nepinalone hydrochloride (p.1566·1).
Coughs.

Tussophedrine New Formula *Trima, Israel.*
⊗ Ephedrine hydrochloride (p.1558·2); dextromethorphan hydrobromide (p.1555·2); sulfogaiacol (p.1573·2); sodium benzoate (p.1630·2).
Tussophedrine formerly contained codeine phosphate, ephedrine hydrochloride, sulfogaiacol, and sodium benzoate.
Coughs.

Tussoret *Maxmedic, Ger.*
Codeine phosphate (p.37·2).
Coughs.

Tussoretardin *Fujisawa, Austria.*
⊗ White day capsules, pentoxyverine citrate (p.1567·3); methylephedrine hydrochloride (p.1564·3); blue night capsules, pentoxyverine citrate; diphenhydramine hydrochloride (p.577·2).
Coughs.

Tussosedan *Teva, Israel.*
⊗ Pheniramine maleate (p.587·3); ephedrine hydrochloride (p.1558·2); codeine phosphate (p.37·2); ammonium chloride (p.1551·3).
Coughs.

Tussplex *Breckenridge, USA.*
Hydrocodone tartrate (p.63·1); mepyramine maleate (p.585·2); phenylephrine hydrochloride (p.1568·1).
Cold symptoms; cough.

Tuss-Tan *Econolab, USA.*
⊗ Pentoxyverine tannate (p.1567·3); chlorphenamine tannate (p.572·2); ephedrine tannate (p.1559·1).
Upper respiratory-tract symptoms.

Tusstat *Century, USA.*
Diphenhydramine hydrochloride (p.577·2).
Coughs.

Tussucalman *Ibefar, Braz.†.*
Sulfogaiacol (p.1573·2); sodium benzoate (p.1630·2); ammonium chloride (p.1551·3); ipecacuanha (p.1562·3); liquorice (p.1740·3); belladonna (p.2263·3).
Cough.

Tussycalm *Sanofi-Aventis, Ital.*
Dextromethorphan hydrobromide (p.1555·2).
Coughs.

Tutofusin *Baxter, Ger.*
Electrolyte infusion (p.1667·1).
Fluid and electrolyte disorders; peritoneal irrigation.

Tutofusin BG *Baxter, Ger.*
Electrolyte infusion with glucose (p.1667·1).
Carbohydrate source; fluid and electrolyte disorders.

Tutofusin BX *Baxter, Ger.*
Electrolyte infusion with xylitol (p.1667·1).
Carbohydrate source; fluid and electrolyte disorders.

Tutofusin G5 *Baxter, Ger.*
Electrolyte infusion with glucose (p.1667·1).
Carbohydrate source; fluid and electrolyte disorders.

Tutofusin H G5 *Baxter, Ger.*
Electrolyte infusion with glucose (p.1667·1).
Carbohydrate source; fluid and electrolyte disorders.

Tutofusin K 10 *Baxter, Ger.†.*
Electrolyte infusion (p.1667·1).
Fluid and electrolyte disorders.

Tutofusin K 80 *Baxter, Ger.†.*
Electrolyte infusion with xylitol and glucose (p.1667·1).
Potassium deficiency in cardiac disorders.

Tutofusin LC *Kalbe, Indon.*
Amino-acids; electrolytes; sorbitol; vitamins (p.1922·1).
Liver disorders.

Tutofusin NS X *Baxter, Ger.†.*
Electrolyte infusion with xylitol (p.1667·1).
Fluid and electrolyte disorders.

Tutofusin OP *Baxter, Ger.*
Electrolyte infusion (p.1667·1).
Fluid and electrolyte disorders.

Tutofusin OP X *Baxter, Ger.†.*
Electrolyte infusion with xylitol (p.1667·1).
Carbohydrate source; fluid and electrolyte disorders.

Tutofusin OP G *Baxter, Ger.*
Electrolyte infusion with glucose (p.1667·1).
Carbohydrate source; fluid and electrolyte disorders.

Tutofusin OpS *Kalbe, Indon.*
Electrolyte infusion with sorbitol (p.1667·1).
Carbohydrate source; fluid and electrolyte disorders.

Tutofusin S *Baxter, Ger.†.*
Sodium chloride (p.1686·1); sodium acetate (p.1673·2); sorbitol (p.1965·1).
Fluid retention; renal failure.

Tutoplast Dura *Tutogen, Ger.*
Absorbable collagen from dehydrated human dura mater (p.2286·1).
Repair or closure of body tissue.

Tutoplast Fascia lata *Tutogen, Ger.*
Dehydrated human fascia lata (p.2286·1).
Repair of joints and tendons.

Tutoseral *Streuli, Switz.*
Electrolyte infusion (p.1667·1).
Fluid and electrolyte disorders.

Tuttozem N *Strathmann, Ger.*
⊗ Dexamethasone (p.1526·1).
Skin disorders.

Tuulix *Verman, Fin.*
Loratadine (p.583·3).
Allergic rhinitis; urticaria.

Tux *Pfizer Consumer, Belg.†.*
⊗ Ethylmorphine hydrochloride (p.52·2); codeine phosphate (p.37·2); ephedrine hydrochloride (p.1558·2); guaifenesin (p.1561·3); sodium benzoate (p.1630·2); sodium camsilate (p.2388·3); senega (p.1572·3); senna (p.1769·2); tolu balsam (p.1574·2).
Colds; coughs; respiratory disorders.

Tuxi *Leiras, Fin.; Weifa, Norw.*
Pholcodine (p.1570·2).
Coughs.

Tuxium *Galephar, Fr.†.*
Dextromethorphan hydrobromide (p.1555·2).
Coughs.

Tuzalos *Sanbe, Indon.*
Paracetamol (p.108·1); dextromethorphan hydrobromide (p.1555·2); phenylpropanolamine hydrochloride (p.1569·3); chlorphenamine maleate (p.571·3).
Cough; fever; nasal congestion; pain.

Tuzanil *Bohm, Spain.*
Pygeum africanum (p.2192·3).
Benign prostatic hyperplasia.

Tuzzil *IQFA, Mex.*
Benzonatate (p.1552·1).
Coughs.

T-Vites *Freeda, USA.*
Multivitamin preparation with minerals (p.1922·1).

TVMox *T Man, Thai.*
Amoxicillin trihydrate (p.202·2).
Bacterial infections.

Twelve Resin-K *Key, USA.*
Vitamin B (p.1980·2).

Twice *Angelini, Ital.*
⊗ Morphine sulfate (p.86·3).
Pain.

Twice-A-Day *Major, USA.*
⊗ Oxymetazoline hydrochloride (p.1567·2).
Nasal congestion.

Twilite *Pfeiffer, USA.*
Diphenhydramine hydrochloride (p.577·2).
Insomnia.

Twina *T Man, Thai.*
⊗ Clotrimazole (p.530·1); betamethasone valerate (p.1519·1).
Inflammatory skin disorders.

Twinject *Paladin, Canad.*
⊗ Adrenaline (p.1203·2).
Anaphylaxis.

Twin-K *Boots, USA†.*
Potassium gluconate (p.1684·3); potassium citrate (p.1673·2).
Hypokalaemia; potassium depletion.

Twinkle Calamine *Pharmaniaga, Malaysia.*
Calamine (p.1591·2); zinc oxide (p.1621·2).
Dermatitis.

Twinline *Otsuka, Jpn.*
Preparation for enteral nutrition (p.1922·1).

Twinrix *GSK, Arg.; GSK, Austral.; GSK, Austria; GSK, Belg.; GSK, Braz.†; GSK, Canad.; GSK, Chile; GSK, Cz.; GSK, Denm.; GSK, Fin.; GSK, Fr.; GSK, Ger.; GSK, Gr.; GSK, Hong Kong; GSK, Hung.; GSK, Indon.; GSK, Irl.; GSK, Israel; GSK, Ital.; GSK, Malaysia; GSK, Mex.; GSK, NZ; GSK, Neth.; GSK, Norw.; GSK, Philipp.; GSK, Pol.; GSK, Port.; GSK, S.Afr.; GSK, Singapore; GSK, Spain; GSK, Swed.; GSK, Switz.; GSK, Thai.; GSK, Turk.; GSK, UK; SmithKline Beecham, USA; GSK, Venez.*
An inactivated hepatitis A and recombinant hepatitis B vaccine (p.2217·1).
Separate preparations are available for infants and children and for adults.
Active immunisation.

TwinVisc *Ioltech, Ger.*
Sodium hyaluronate (p.2320·1).
Aid in eye surgery.

Two Cal HN *Abbott, Austral.; Abbott, Irl.; Abbott, Mex.; Abbott, NZ.*
Preparation for enteral nutrition (p.1922·1).

TwoCal *Abbott, Ital.*
Preparation for enteral nutrition (p.1922·1).

TwoCal HN *Abbott, Hong Kong; Abbott Nutrition, UK; Ross, USA.*
Preparation for enteral nutrition (p.1922·1).

Two-Septol *Cyntfarm, Pol.*
Co-trimoxazole (p.258·1).
Bacterial infections; pneumocystis pneumonia.

Tyason *Combiphar, Indon.*
Ceftriaxone sodium (p.237·1).
Bacterial infections.

Tyavax *Sanofi Pasteur, Fr.*
An inactivated hepatitis A and typhoid (Vi capsular polysaccharide) vaccine (p.2217·2).
Active immunisation.

Tybikin *M & H, Thai.*
Amikacin sulfate (p.200·3).
Gram-negative bacterial infections.

Tycoytycoy *Bouzen, Arg.*
Povidone-iodine (p.1659·2).
Disinfection.

Tycveolum *Europe Biofarm, Rus.*
Cucurbita oil (p.2290·2).
Atherosclerosis; benign prostatic hyperplasia; burns; colitis; gastritis; haemorrhoids; liver and biliary-tract disorders; skin disorders; vaginal disorders.

Tydadex *Lennon, S.Afr.*
Tolbutamide (p.463·1).
Diabetes mellitus.

Tydamine *Pharmacare, S.Afr.*
Trimipramine maleate (p.426·3).
Depression; nocturnal enuresis; obsessive-compulsive disorder.

Tyflen *Brasterapica, Braz.†.*
Paracetamol (p.108·1).
Fever; pain.

Tygacil *Wyeth, Arg.; Wyeth, Austral.; Wyeth, Braz.; Wyeth, Chile; Wyeth, Cz.; Wyeth, Gr.; Wyeth, Hung.; Wyeth, Indon.; Wyeth, Malaysia; Wyeth, Mex.; Wyeth, Pol.; Wyeth Lederle, Port.; Wyeth, UK; Wyeth, USA; Wyeth, Venez.*
Tigecycline (p.353·2).
Intra-abdominal infections; skin and skin structure infections.

Tykerb
GSK, Austral.; GSK, USA.
Lapatinib tosilate (p.739·1).
Breast cancer.

GSK, Malaysia.
Lapatinib.
Breast cancer.

Tyklid *Sanofi Torrent, India.*
Ticlopidine hydrochloride (p.1411·2).
Thromboembolic disorders.

Tylalgin *Geolab, Braz.†.*
Paracetamol (p.108·1).
Fever; pain.

Tyleflan *Eversil, Braz.†.*
Paracetamol (p.108·1).
Fever; pain.

Tylenol *Johnson & Johnson, Arg.†; Johnson & Johnson, Austral.†; Janssen-Cilag, Braz.; McNeil Consumer, Canad.; Johnson & Johnson, Hong Kong†; Johnson & Johnson, Irl.†; Janssen-Cilag, Mex.; Johnson & Johnson, Neth.; Janssen, Philipp.; Janssen-Cilag, Port.; Janssen-Cilag, S.Afr.; Johnson & Johnson, Singapore; McNeil, Spain; Janssen-Cilag, Switz.; Janssen-Cilag, Thai.; McNeil Consumer, USA; Johnson & Johnson, Venez.*
Paracetamol (p.108·1).
Cold symptoms; fever; pain.

Tylenol Aches & Strains *McNeil Consumer, Canad.*
Chlorzoxazone (p.1894·3); paracetamol (p.108·1).
Muscular aches and strains.

† This preparation may no longer be actively marketed

⊗ Contains a substance whose use may be restricted in certain sports (see p.vii)

Tylenol Allergy Complete Multi-Symptom *McNeil Consumer, USA.*
Pseudoephedrine hydrochloride (p.1571·2); chlorphenamine maleate (p.571·3); paracetamol (p.108·1).
Formerly known as Tylenol Allergy Sinus Maximum Strength.
Upper respiratory-tract symptoms.

Tylenol Allergy Complete NightTime *McNeil Consumer, USA.*
Pseudoephedrine hydrochloride (p.1571·2); diphenhydramine hydrochloride (p.577·2); paracetamol (p.108·1).
Formerly known as Tylenol Allergy Sinus NightTime Maximum Strength.

Tylenol Allergy Multi-Symptom *McNeil Consumer, USA.*
Phenylephrine hydrochloride (p.1568·1); chlorphenamine maleate (p.571·3); paracetamol (p.108·1).
Upper respiratory-tract disorders.

Tylenol Allergy Sinus *Johnson & Johnson, Austral.†.*
Paracetamol (p.108·1); chlorphenamine maleate (p.571·3); pseudoephedrine hydrochloride (p.1571·2).
Upper respiratory-tract symptoms.

Tylenol Allergy Sinus Day & Night *McNeil, USA.*
Day capsules, pseudoephedrine hydrochloride (p.1571·2); chlorphenamine maleate (p.571·3); paracetamol (p.108·1); night capsules, pseudoephedrine hydrochloride; diphenhydramine hydrochloride (p.577·2); paracetamol.
Upper respiratory-tract disorders.

Tylenol Allergy Sinus (Multi-Symptom Relief) *McNeil Consumer, Canad.*
Paracetamol (p.108·1); chlorphenamine maleate (p.571·3); pseudoephedrine hydrochloride (p.1571·2).
Allergy symptoms; sinus pain and congestion.

Tylenol Allergy Sinus (Nighttime) *McNeil Consumer, Canad.*
Paracetamol (p.108·1); diphenhydramine hydrochloride (p.577·2); pseudoephedrine hydrochloride (p.1571·2).
Allergy symptoms; sinus pain and congestion.

Tylenol Allergy-D *McNeil Consumer, Canad.†.*
Paracetamol (p.108·1); diphenhydramine hydrochloride (p.577·2); pseudoephedrine hydrochloride (p.1571·2).
Allergy symptoms; sinus pain and congestion.

Tylenol Chest Congestion Daytime *McNeil Consumer, USA.*
Paracetamol (p.108·1); guaifenesin (p.1561·3).
Upper respiratory-tract disorders.

Tylenol Children's Cold *McNeil Consumer, USA.*
Pseudoephedrine hydrochloride (p.1571·2); chlorphenamine maleate (p.571·3); paracetamol (p.108·1).
Upper respiratory-tract symptoms.

Tylenol Children's Cold Plus Cough *McNeil Consumer, USA.*
Paracetamol (p.108·1); dextromethorphan hydrobromide (p.1555·2); chlorphenamine maleate (p.571·3); pseudoephedrine hydrochloride (p.1571·2).
Coughs and cold symptoms.

Tylenol Childrens Plus Cold Nighttime *McNeil Consumer, USA.*
Pseudoephedrine hydrochloride (p.1571·2); chlorphenamine maleate (p.571·3); paracetamol (p.108·1).
Cold symptoms.

Tylenol with Codeine *Janssen-Ortho, Canad.; McNeil Consumer, Canad.; Janssen-Cilag, Thai.; McNeil, USA.*
Paracetamol (p.108·1); codeine phosphate (p.37·2).
Fever; pain.

Tylenol Cold *McNeil, Hong Kong†.*
Paracetamol (p.108·1); pseudoephedrine hydrochloride (p.1571·2); dextromethorphan hydrobromide (p.1555·2); chlorphenamine maleate (p.571·3).
Allergic rhinitis; cold symptoms.

Tylenol Cold (Chest Congestion) *McNeil Consumer, Canad.†.*
Paracetamol (p.108·1); pseudoephedrine hydrochloride (p.1571·2); guaifenesin (p.1561·3); dextromethorphan hydrobromide (p.1555·2).
Upper respiratory-tract symptoms.

Tylenol Cold Children's *McNeil Consumer, Canad.*
Paracetamol (p.108·1); chlorphenamine maleate (p.571·3); pseudoephedrine hydrochloride (p.1571·2).
Allergy symptoms; cold symptoms.

Tylenol Cold Complete Formula *McNeil Consumer, USA.*
Chlorphenamine maleate (p.571·3); dextromethorphan hydrobromide (p.1555·2); paracetamol (p.108·1); pseudoephedrine hydrochloride (p.1571·2).
Coughs and cold symptoms.

Tylenol Cold (Daytime) *McNeil Consumer, Canad.*
Paracetamol (p.108·1); pseudoephedrine hydrochloride (p.1571·2); dextromethorphan hydrobromide (p.1555·2).
Cold symptoms.

Tylenol Cold DM *McNeil Consumer, Canad.*
Paracetamol (p.108·1); chlorphenamine maleate (p.571·3); pseudoephedrine hydrochloride (p.1571·2); dextromethorphan hydrobromide (p.1555·2).
Cold symptoms.

Tylenol Cold & Flu
Note. This name is used for preparations of different composition.
Johnson & Johnson, Austral.†.
Paracetamol (p.108·1); chlorphenamine maleate (p.571·3); pseudoephedrine hydrochloride (p.1571·2); dextromethorphan hydrobromide (p.1555·2).
Cold and influenza symptoms.

Janssen-Cilag, S.Afr.
Paracetamol (p.108·1); chlorphenamine maleate (p.571·3); pseudoephedrine hydrochloride (p.1571·2).
Allergic rhinitis; cold symptoms.

Tylenol Cold & Flu (Nighttime Relief) *McNeil Consumer, Canad.†.*
Paracetamol (p.108·1); chlorphenamine maleate (p.571·3); pseudoephedrine hydrochloride (p.1571·2); dextromethorphan hydrobromide (p.1555·2).
Cold symptoms.

Tylenol Cold & Flu Non-Drowsy *Johnson & Johnson, Austral.†.*
Paracetamol (p.108·1); pseudoephedrine hydrochloride (p.1571·2); dextromethorphan hydrobromide (p.1555·2).
Cold and influenza symptoms.

Tylenol Cold and Flu Powder *McNeil Consumer, Canad.†.*
Paracetamol (p.108·1); chlorphenamine maleate (p.571·3); pseudoephedrine hydrochloride (p.1571·2); dextromethorphan hydrobromide (p.1555·2).
Cold symptoms.

Tylenol Cold Infant's *McNeil Consumer, Canad.*
Paracetamol (p.108·1); chlorphenamine maleate (p.571·3); pseudoephedrine hydrochloride (p.1571·2).
Allergy symptoms; cold symptoms.

Tylenol Cold Medication *McNeil Consumer, Canad.†.*
Paracetamol (p.108·1); chlorphenamine maleate (p.571·3); pseudoephedrine hydrochloride (p.1571·2).
Cold symptoms.

Tylenol Cold (Nighttime) *McNeil Consumer, Canad.*
Paracetamol (p.108·1); chlorphenamine maleate (p.571·3); pseudoephedrine hydrochloride (p.1571·2); dextromethorphan hydrobromide (p.1555·2).
Cold symptoms.

Tylenol Cold Non-Drowsy *McNeil Consumer, USA.*
Paracetamol (p.108·1); pseudoephedrine hydrochloride (p.1571·2); dextromethorphan hydrobromide (p.1555·2).
Coughs and cold symptoms.

Tylenol Cold Severe Congestion *McNeil Consumer, USA.*
Paracetamol (p.108·1); pseudoephedrine hydrochloride (p.1571·2); dextromethorphan hydrobromide (p.1555·2); guaifenesin (p.1561·3).
Coughs and cold symptoms.

Tylenol Cough *McNeil Consumer, Canad.*
Paracetamol (p.108·1); dextromethorphan hydrobromide (p.1555·2).
Coughs; fever; pain; sore throat.

Tylenol Cough with Decongestant *McNeil Consumer, Canad.†.*
Paracetamol (p.108·1); dextromethorphan hydrobromide (p.1555·2); pseudoephedrine hydrochloride (p.1571·2).
Coughs; fever; nasal congestion; pain; sore throat.

Tylenol DC *Janssen-Cilag, Braz.*
Paracetamol (p.108·1); caffeine (p.1116·3).
Pain.

Tylenol Decongestant *McNeil Consumer, Canad.*
Paracetamol (p.108·1); pseudoephedrine hydrochloride (p.1571·2).
Cold and influenza symptoms.

Tylenol Flu (Daytime Relief) *McNeil Consumer, Canad.*
Paracetamol (p.108·1); pseudoephedrine hydrochloride (p.1571·2); dextromethorphan hydrobromide (p.1555·2).
Influenza symptoms.

Tylenol Flu Maximum Strength *McNeil Consumer, USA.*
Pseudoephedrine hydrochloride (p.1571·2); diphenhydramine hydrochloride (p.577·2); paracetamol (p.108·1).
Upper respiratory-tract disorders.

Tylenol Flu Maximum Strength Non-Drowsy *McNeil Consumer, USA.*
Paracetamol (p.108·1); dextromethorphan hydrobromide (p.1555·2); pseudoephedrine hydrochloride (p.1571·2).

Tylenol Flu NightTime *McNeil Consumer, USA.*
Paracetamol (p.108·1); diphenhydramine hydrochloride (p.577·2); pseudoephedrine hydrochloride (p.1571·2).

Tylenol Flu (Nighttime Relief) *McNeil Consumer, Canad.*
Paracetamol (p.108·1); pseudoephedrine hydrochloride (p.1571·2); diphenhydramine hydrochloride (p.577·2).
Influenza symptoms.

Tylenol Infants Drops Plus Cold *McNeil Consumer, USA.*
Paracetamol (p.108·1); pseudoephedrine hydrochloride (p.1571·2).
Congestion; fever; pain.

Tylenol Menstrual *McNeil Consumer, Canad.*
⊗ Paracetamol (p.108·1); pamabrom (p.1365·3); mepyramine maleate (p.585·2).
Premenstrual syndrome.

Tylenol Night Pain *Janssen-Cilag, S.Afr.*
Paracetamol (p.108·1); diphenhydramine hydrochloride (p.577·2).
Insomnia with pain.

Tylenol No 1 *Janssen-Ortho, Canad.; McNeil Consumer, Canad.*
Paracetamol (p.108·1); caffeine (p.1116·3); codeine phosphate (p.37·2).
Pain.

Tylenol No 4 with Codeine *Janssen-Ortho, Canad.; McNeil Consumer, Canad.*
Paracetamol (p.108·1); codeine phosphate (p.37·2).
Fever; pain.

Tylenol No 2 with Codeine or Tylenol No 3 with Codeine *Janssen-Ortho, Canad.; McNeil Consumer, Canad.*
Paracetamol (p.108·1); caffeine (p.1116·3); codeine phosphate (p.37·2).
Fever; pain.

Tylenol Plus Cold & Cough Infants *McNeil, USA.*
Pseudoephedrine hydrochloride (p.1571·2); dextromethorphan hydrobromide (p.1555·2); paracetamol (p.108·1).
Formerly known as Tylenol Infants Cold Decongestant & Fever Reducer Plus Cough.
Cold symptoms; cough.

Tylenol PM *Janssen-Cilag, S.Afr.*
Paracetamol (p.108·1); diphenhydramine hydrochloride (p.577·2).
Insomnia with pain.

Tylenol PM Extra Strength *McNeil Consumer, USA.*
Diphenhydramine hydrochloride (p.577·2); paracetamol (p.108·1).
Insomnia.

Tylenol Severe Allergy *McNeil Consumer, USA.*
Paracetamol (p.108·1); diphenhydramine hydrochloride (p.577·2).
Hypersensitivity symptoms.

Tylenol Sinus
Note. This name is used for preparations of different composition.
Johnson & Johnson, Austral.†; McNeil Consumer, Canad.
Paracetamol (p.108·1); pseudoephedrine hydrochloride (p.1571·2).
Cold symptoms; sinus and nasal congestion; sinus pain; sinusitis.

Janssen-Cilag, Mex.
Paracetamol (p.108·1); pseudoephedrine hydrochloride (p.1571·2); chlorphenamine maleate (p.571·3).
Respiratory-tract congestion; rhinitis; rhinopharyngitis.

Tylenol Sinus Children's *McNeil Consumer, Canad.*
Paracetamol (p.108·1); pseudoephedrine hydrochloride (p.1571·2).
Nasal congestion; sinusitis.

Tylenol Sinus Congestion & Pain Nighttime Caplets *McNeil Consumer, USA.*
Phenylephrine hydrochloride (p.1568·1); chlorphenamine maleate (p.571·3); paracetamol (p.108·1).
Cold and influenza symptoms.

Tylenol Sinus Congestion & Pain Severe Daytime Caplets *McNeil Consumer, USA.*
Phenylephrine hydrochloride (p.1568·1); guaifenesin (p.1561·3); paracetamol (p.108·1).
Upper respiratory-tract disorders.

Tylenol Sinus (Daytime Relief) *McNeil Consumer, Canad.*
Paracetamol (p.108·1); pseudoephedrine hydrochloride (p.1571·2).
Cold symptoms; sinusitis.

Tylenol Sinus (Nighttime Relief) *McNeil Consumer, Canad.*
Paracetamol (p.108·1); pseudoephedrine hydrochloride (p.1571·2); doxylamine succinate (p.578·2).
Cold symptoms; sinusitis.

Tylenol Sinus Non-Drowsy *McNeil Consumer, USA.*
Pseudoephedrine hydrochloride (p.1571·2); paracetamol (p.108·1).
Upper respiratory-tract symptoms.

Tylenol Sore Throat Daytime *McNeil Consumer, USA.*
Paracetamol (p.108·1).
Sore throat.

Tylenol Sore Throat Nighttime *McNeil Consumer, USA.*
Diphenhydramine hydrochloride (p.577·2); paracetamol (p.108·1).
Sore throat.

Tylenol Ultra Relief *McNeil Consumer, Canad.*
Paracetamol (p.108·1); caffeine (p.1116·3).
Fever; pain.

Tylephen *IQB, Braz.*
Paracetamol (p.108·1).
Fever; pain.

Tylex
Note. This name is used for preparations of different composition.
Janssen-Cilag, Braz.; Schwarz, Irl.; UCB, UK.
Paracetamol (p.108·1); codeine phosphate (p.37·2).
These ingredients can be described by the British Approved Name Co-codamol 30/500.
Pain.

Janssen-Cilag, Mex.; Janssen-Cilag, Venez.
Paracetamol (p.108·1).
Fever; pain.

Tylex CD *Janssen-Cilag, Mex.; Janssen-Cilag, Venez.*
Paracetamol (p.108·1); codeine phosphate (p.37·2).
Fever; pain.

Tylex Flu *Janssen-Cilag, Mex.*
Paracetamol (p.108·1); pseudoephedrine hydrochloride (p.1571·2); chlorphenamine maleate (p.571·3); dextromethorphan hydrobromide (p.1555·2).
Cold and influenza symptoms; coughs.

Tylidol *Teuto, Braz.*
Paracetamol (p.108·1).
Fever; pain.

Tylol *Nobel, Turk.*
Paracetamol (p.108·1).
Fever; pain.

Tylol Hot *Nobel, Turk.*
Paracetamol (p.108·1); chlorphenamine maleate (p.571·3); pseudoephedrine (p.1571·2).
Respiratory-tract congestion.

Tylol Plus *Nobel, Turk.*
Paracetamol (p.108·1); caffeine (p.1116·3).
Fever; pain.

Tylonic *Metiska, Indon.*
Allopurinol (p.552·2).
Hyperuricaemia.

Tylox *Ortho McNeil, USA.*
⊗ Oxycodone hydrochloride (p.106·2); paracetamol (p.108·1).
Pain.

Tymedon *Ace, Philipp.*
Loperamide hydrochloride (p.1741·1).
Colostomy or ileostomy management; diarrhoea.

Tymelyt *Lundbeck, Cz.†; Lundbeck, Denm.†; Lundbeck, Swed.†.*
Lofepramine hydrochloride (p.407·1).
Depression.

Tymol *Pharmaland, Thai.*
Paracetamol (p.108·1).
Fever; pain.

Tympagesic *Savage, USA†.*
Phenylephrine hydrochloride (p.1568·1); phenazone (p.116·1); benzocaine (p.1854·1).
Earache.

Tympalgine *Therabel, Belg.†.*
Phenazone (p.116·1); lidocaine hydrochloride (p.1862·3).
Formerly contained phenazone and procaine hydrochloride.
Otitis.

Tymsal *Herbapol Krakow, Pol.*
Sage (p.2382·3); thyme (p.2401·1).
Upper respiratory-tract disorders.

Tynostan *Tynor, Philipp.*
Mefenamic acid (p.80·1).
Fever; musculoskeletal and joint disorders; pain.

Typherix *GSK, Austral.; GSK, Austria; GSK, Belg.; GSK, Canad.; GSK, Cz.; GSK, Fin.; GSK, Fr.; GSK, Ger.; GSK, Gr.; GSK, Hung.; GSK, Indon.; GSK, Irl.; GSK, Israel; GSK, Ital.; GSK, Malaysia; GSK, NZ; GSK, Neth.; GSK, Norw.; GSK, Philipp.; GSK, S.Afr.; GSK, Singapore; GSK, Spain; GSK, Swed.; GSK, UK.*
A typhoid vaccine (Vi capsular polysaccharide) (p.2241·2).
Active immunisation.

Typhim *Aventis Pasteur, Turk.*
A typhoid vaccine (Vi capsular polysaccharide) (p.2241·2).
Active immunisation.

Typhim Vi *Sanofi Pasteur, Arg.; Aventis Pasteur, Austral.; Aventis Pasteur, Austria; Sanofi Pasteur, Belg.; Sanofi Pasteur, Canad.; Sanofi Pasteur, Chile; Sanofi Pasteur, Cz.; Sanofi Pasteur, Denm.; Aventis Pasteur, Fin.†; Sanofi Pasteur, Fr.; Sanofi Pasteur, Ger.; Sanofi Pasteur, Hong Kong; Sanofi Pasteur, Hung.; Cadila, India; Sanofi Pasteur, Indon.; Sanofi Pasteur, Irl.; Pasteur Merieux, Israel; Sanofi Pasteur, Ital.; Sanofi Pasteur, Malaysia; MSD, NZ; Sanofi Pasteur, Neth.; Sanofi Pasteur, Norw.; Aventis Pasteur, Philipp.; Aventis Pasteur, Pol.; Aventis, S.Afr.; Sanofi Pasteur, Singapore; Sanofi Pasteur, Spain; Sanofi Pasteur, Swed.; Sanofi Pasteur, Thai.; Aventis Pasteur, UK; Sanofi Pasteur, USA; Zuoz, Venez.†.*
A typhoid vaccine (Vi capsular polysaccharide) (p.2241·2).
Active immunisation.

Typhoral *Aventis, India.*
An oral typhoid vaccine (attenuated Ty21a Berna strain) (p.2241·2).
Active immunisation.

Typhoral L *Chiron Vaccines, Ger.*
A live oral typhoid vaccine (p.2241·2).
Active immunisation.

Typhovax *Green Cross, Malaysia†.*
A typhoid vaccine (Vi capsular polysaccharide) (p.2241·2).
Active immunisation.

Typh-Vax *CSL, Austral.; CSL, NZ.*
An oral typhoid vaccine (attenuated Ty21a Berna strain) (p.2241·2).
Active immunisation.

Typofen *Kleva, Gr.*
⊗ Atenolol (p.1217·3); chlortalidone (p.1243·3).
Hypertension.

TYR *Medifood, Ital.*
Food for special diets (p.1922·1).
Tyrosinaemia.

TYR 1 and 2 *Nutricia-Bago, Arg.*
Food for special diets (p.1922·1).
Metabolic disorders.

TYR Express *Vitaflo, UK.*
Food for special diets (p.1922·1).
Tyrosinaemia.

Tyrazol *Astellas, Fin.*
Carbimazole (p.2167·3).
Hyperthyroidism.

Tyrenol *Remedina, Gr.†.*
Astemizole (p.567·2).
Allergic conjunctivitis; allergic rhinitis; pruritus.

Tyrex *Ross, USA.*
Phenylalanine- and tyrosine-free preparation for enteral nutrition (p.1922·1).
Tyrosinaemia types I, II, and III.

Tyricine *Christo, Hong Kong.*
Tyrothricin (p.358·2); benzocaine (p.1854·1).
Bacterial mouth and throat infections.

Tyrocaine *Synco, Hong Kong.*
Tyrothricin (p.358·2); benzocaine (p.1854·1).
Mouth and throat infections.

Tyrocombine *Hanseler, Switz.*
Tyrothricin (p.358·2); neomycin sulfate (p.305·1); benzethonium chloride (p.1630·1).
Infected skin disorders; infected wounds.

Tyrodone *Major, USA.*
Hydrocodone tartrate (p.63·1); pseudoephedrine hydrochloride (p.1571·2).

Tyro-Drops *Centrapharm, Belg.*
Tyrothricin (p.358·2); lidocaine hydrochloride (p.1862·3).
Mouth and throat disorders.

Tyroplus *Enila, Braz.†.*
Liothyronine sodium (p.2174·1); levothyroxine (p.2173·2).
Thyroid disorders.

Tyroqualine *Spirig, Switz.*
Tyrothricin (p.358·2); dequalinium chloride (p.1641·3); lidocaine hydrochloride (p.1862·3).
Mouth and throat disorders.

Tyros *Mead Johnson, Fr.*
Food for special diets (p.1922·1).
Alkaptonuria; tyrosinaemia.

Tyroseng *Eagle, Austral.†.*
Tyrosine (p.1971·1); eleutherococcus senticosis (p.2386·3); calcium glycerophosphate (p.1676·1); phosphatidyl choline (p.2367·1); vitamin B substances (p.1922·1).
Dietary supplement.

Tyrosin TU *Bencard, Ger.*
Mixed allergen extracts (p.2250·2).
Allergen immunotherapy.

Tyrosolvetten *Altana, Ger.†.*
Cetylpyridinium chloride (p.1635·1); benzocaine (p.1854·1).
Mouth and throat disorders.

Tyrosolvetten-C *Altana, Ger.†.*
Cetylpyridinium chloride (p.1635·1); ascorbic acid (p.1983·3).
Mouth and throat infections.

Tyrosum *Summers, USA.*
Skin cleanser.

Tyrosur
Note. This name is used for preparations of different composition.
Engelhard, Hong Kong†.
Tyrothricin (p.358·2).
Infected skin disorders; infected wounds.

Engelhard, Hung.
Tyrothricin (p.358·2); cetylpyridinium chloride (p.1635·1).
Infected skin disorders; infected wounds.

Engelhard, Ger.
Topical gel: Tyrothricin (p.358·2); cetylpyridinium chloride (p.1635·1).
Infected wounds.

Engelhard, Ger.
Topical powder: Tyrothricin (p.358·2).
Infected skin disorders; infected wounds and burns.

Tyrothricin *Streuli, Switz.*
Tyrothricin (p.358·2); ethacridine lactate (p.1625·1); lidocaine hydrochloride (p.1862·3); menthol (p.2340·1); mint oil (p.2345·2).
Mouth and throat disorders.

Tyrothricin Co *Jean-Marie, Hong Kong.*
Tyrothricin (p.358·2); codeine phosphate (p.37·2); benzocaine (p.1854·1).
Sore throat.

Tyrothricin comp *Provita, Austria.*
Tyrothricin (p.358·2); neomycin sulfate (p.305·1); benzalkonium chloride (p.1629·1); benzocaine (p.1854·1).
Mouth and throat disorders.

Tyrothricin compositum *Provita, Austria.*
Tyrothricin (p.358·2); neomycin sulfate (p.305·1); benzocaine (p.1854·1); camphor (p.2273·2).
Ear disorders.

Tyrothricine + Gramicidine *Vifor, Switz.*
Tyrothricin (p.358·2); gramicidin (p.286·1); tetracaine hydrochloride (p.1871·3); benzethonium chloride (p.1630·1).
Mouth and throat disorders.

Tyrozets *MSD, Irl.; Johnson & Johnson MSD Consumer, UK.*
Tyrothricin (p.358·2); benzocaine (p.1854·1).
Mouth and throat disorders.

Tysabri *Biogen, Austral.; Elan, Cz.; Genesis, Gr.; Biogen, Port.; Biogen, UK; Biogen, USA†; Elan, USA.*
Natalizumab (p.2350·2).
Crohn's disease; multiple sclerosis.

Tytanoreina
Note. This name is used for preparations of different composition.
Martin, Pol.†.
Cream: Carrageenan (p.2142·3); lidocaine hydrochloride (p.1862·3); titanium dioxide (p.1617·3); zinc oxide (p.1621·2).
Anorectal disorders.

Martin, Pol.†.
Suppositories: Carrageenan (p.2142·3); titanium dioxide (p.1617·3); zinc oxide (p.1621·2).
Anorectal disorders.

Tytin *Merind, India.*
Tyrothricin (p.358·2); benzocaine (p.1854·1); phenazone (p.116·1); hexylresorcinol (p.1647·1).
Ear infections.

Tyvera *Auden McKenzie, UK.*
Thiamine hydrochloride (p.1976·1).
Thiamine deficiency.

Tyverb *GSK, Fr.; GSK, Switz.; GSK, UK.*
Lapatinib tosilate (p.739·1).
Breast cancer.

Tyzeka *Novartis, USA.*
Telbivudine (p.908·1).
Chronic hepatitis B.

Tyzine *Mack, Cz.†; Pfizer, Denm.; Pfizer, Ger.†; Pfizer, Hung.; Pfizer, Rus.; Kenwood, USA.*
⊗ Tetryzoline hydrochloride (p.1574·1).
Conjunctivitis; eye irritation; hay fever; nasal congestion; pharyngitis; rhinitis; sinusitis.

Tyzine Xylo *Pfizer, Rus.*
⊗ Xylometazoline hydrochloride (p.1575·1).

T-ZA *Siam Bheasach, Thai.*
Zidovudine (p.913·3).
HIV infection.

Tzarevet X *CTI, Israel.*
Calcium carbonate (p.1714·1).
Antacid; calcium supplement.

Tzoali *Kendrick, Mex.†.*
Diphenhydramine hydrochloride (p.577·2).
Insomnia.

U Lactin *Cosmofarma, Port.*
⊗ Urea (p.1620·2); alpha hydroxy acids.
Dry skin disorders.

UAA *Econo Med, USA.*
Methenamine (p.298·3); salol (p.122·1); atropine sulfate (p.1219·3); hyoscyamine sulfate (p.1736·1); benzoic acid (p.1630·2); methylthioninium chloride (p.1450·3).
Urinary-tract infections.

UAD-Otic *UAD, USA.*
⊗ Hydrocortisone (p.1535·2); neomycin sulfate (p.305·1); polymyxin B sulfate (p.317·3).
Bacterial ear infections.

Ubenzima *Pentafarma, Port.*
Ubidecarenone (p.2407·2).
Cardiac disorders.

Ubicardio *Tosi, Ital.†.*
Ubidecarenone (p.2407·2).
Cardiac disorders; coenzyme Q10 deficiency.

Ubicondrial *Medicamed, Port.†.*
Ubidecarenone (p.2407·2).
Cardiac disorders.

Ubicor *Magis, Ital.*
Ubidecarenone (p.2407·2).
Coenzyme Q10 deficiency.

Ubidenone *Esseti, Ital.*
Ubidecarenone (p.2407·2).
Cardiac disorders; coenzyme Q10 deficiency.

Ubidex *OFF, Ital.*
Ubidecarenone (p.2407·2).
Cardiac disorders; coenzyme Q10 deficiency.

Ubimaior *Chiesi, Ital.*
Ubidecarenone (p.2407·2).
Coenzyme Q10 deficiency.

Ubi-Q *Eisai, Indon.; Fourtts, Singapore.*
Ubidecarenone (p.2407·2).
Antoxidant; nutritional supplement.

Ubistesin *Espe, Austria; 3M Espe, Belg.†; 3M Espe, Cz.; 3M, Denm.; 3M, Fin.; 3M Espe, Ger.; 3M Espe, Hong Kong; 3M, Hung.; Espe, Ital.; 3M, Neth.; 3M, Port.; Espe, Switz.*
⊗ Articaine hydrochloride (p.1854·1).
Adrenaline (p.1203·2) or adrenaline hydrochloride (p.1203·3) may be included in this preparation as a vasoconstrictor to diminish absorption and localise the effect of the local anaesthetic.
Local anaesthesia.

Ubistesin Adrenalinee *3M, Fr.*
⊗ Articaine hydrochloride (p.1854·1).
Adrenaline hydrochloride (p.1203·3) is included in this preparation as a vasoconstrictor to diminish absorption and localise the effect of the local anaesthetic.
Local anaesthesia.

Ubit *Otsuka, Port.*
⊗ Carbon-13 urea (p.2277·1).
Diagnosis of Helicobacter pylori infection.

Ubiten
Note. This name is used for preparations of different composition.
Labomed, Chile.
Levocarnitine; ubidecarenone; magnesium; vitamin C; aspartic acid (p.1922·1).
Dietary supplement.

Lifepharma, Ital.†.
Ubidecarenone (p.2407·2).
Cardiac disorders; coenzyme Q10 deficiency.

Ubivis *AGIPS, Ital.*
Ubidecarenone (p.2407·2).
Cardiac disorders; coenzyme Q10 deficiency.

Ubizol *Alodial, Port.*
⊗ Fluticasone propionate (p.1533·2).
Skin disorders.

Ublosid *Costec, Arg.†.*
Triclosan (p.1665·2); aluminium chlorohydrate (p.1588·3).

Ubretid *Nycomed, Austria; Nycomed, Cz.; Nycomed, Fin.†; Apogepha, Ger.; Nycomed, Ger.; IFET, Gr.; Nycomed, Hong Kong; Amersham Health, Hung.†; Nycomed, Neth.; Nycomed, Pol.; Nycomed, Rus.; Nycomed, Singapore; Nycomed, Switz.; Aventis, UK.*
Distigmine bromide (p.630·2).
Atonic constipation; myasthenia gravis; neurogenic bladder; postoperative gastrointestinal motility disorders; postoperative urinary retention; skeletal muscle paralysis; urinary incontinence.

UBTest *Otsuka, Neth.*
⊗ Carbon-13 (p.2277·1) labelled urea.
Diagnosis of Helicobacter pylori infection.

Ubtest *Otsuka, Spain.*
⊗ Carbon-13-labelled urea (p.2277·1).
Test for Helicobacter pylori infection.

UCD 1and 2 *Nutricia-Bago, Arg.*
Food for special diets (p.1922·1).
Metabolic disorders.

Ucecal *UCB, Austria; UCB, Cz.†; UCB, Spain†; UCB, Turk.*
Calcitonin (salmon) (p.1093·1).
Hypercalcaemia; metastatic bone pain; osteoporosis; Paget's disease of bone; pancreatitis; reflex sympathetic dystrophy.

Ucee D *Merck, Ger.†.*
Dexpanthenol (p.2362·1).
Skin lesions.

Ucemine PP *UCB, Belg.*
Nicotinamide (p.1957·3).
Nicotinamide deficiency.

Ucephan *Ucyclyd, USA.*
Sodium benzoate (p.1630·2); sodium phenylacetate (p.2390·2).
Hyperammonaemia.

Ucerax *UCB, UK.*
Hydroxyzine hydrochloride (p.581·2).
Anxiety; pruritus.

Ucetal *Serral, Mex.*
Omeprazole (p.1753·1).
Peptic ulcer.

UCG-Slide *Wampole, USA.*
Pregnancy test (p.2372·1).

Ucholine *M & H, Thai.*
Bethanechol chloride (p.2265·3).
Neurogenic bladder; urinary retention.

U-Closone *Hoe, Malaysia.*
⊗ Clobetasone butyrate (p.1522·3).
Skin disorders.

Ucort
Note. A similar name is used for preparations of different composition (see below).
YSP, Malaysia.
⊗ Urea (p.1620·2); hydrocortisone acetate (p.1535·2).
Dry skin disorders.

U-Cort
Note. A similar name is used for preparations of different composition (see above).
Taro, USA.
⊗ Hydrocortisone acetate (p.1535·2).
Skin disorders.

UDC *Hexal, Ger.*
Ursodeoxycholic acid (p.2408·1).
Biliary disorders; cholesterol gallstones; dyspepsia.

UDCA *Ferring, Arg.*
Ursodeoxycholic acid (p.2408·1).
Liver and biliary-tract disorders.

Udesogel *Faran, Gr.*
⊗ Budesonide (p.1520·1).
Skin disorders.

Udesospray *Faran, Gr.*
⊗ Budesonide (p.1520·1).
Allergic rhinitis.

Udicil *Pharmacia, Ger.*
Cytarabine (p.705·1).
Leukaemias; non-Hodgkin's lymphoma.

Udihep *Win-Medicare, Thai.*
Ursodeoxycholic acid (p.2408·1).
Biliary-tract disorders; dyspepsia; hepatitis.

Udiliv *Solvay, India.*
Ursodeoxycholic acid (p.2408·1).
Cholestatic liver disease; cholesterol gallstones.

Udima *Dermapharm, Austria; Dermapharm, Ger.*
Minocycline hydrochloride (p.300·3).
Bacterial infections.

Udocaine *Umeda, Thai.*
Lidocaine hydrochloride (p.1862·3).
Arrhythmias; local anaesthesia.

Udramil *Aventis, Ger.†.*
Verapamil hydrochloride (p.1421·1); trandolapril (p.1416·2).
Hypertension.

Udrik *Abbott, Ger.*
Trandolapril (p.1416·2).
Heart failure following myocardial infarction; hypertension.

Udzapen *Terramedic, Philipp.*
Ketoprofen (p.73·1).
Osteoarthritis; pain; rheumatoid arthritis.

U-Enema *Unison, Thai.*
Sodium chloride (p.1686·1).
Bowel evacuation; constipation.

Ufarin *Schering, Chile.*
Isoconazole nitrate (p.536·2).
Fungal and Gram-positive bacterial vaginal infections; fungal skin infections.

Ufexil
Demo, Gr.
Ciprofloxacin hydrochloride (p.243·3) or ciprofloxacin lactate (p.243·3).
Bacterial infections.

Naveh, Israel; Multichem, NZ.
Ciprofloxacin lactate (p.243·3).
Bacterial infections.

Uflahex *Hexal, Philipp.; Salutas, Philipp.*
Fluorouracil (p.722·2).
Malignant neoplasms.

Ufocard *Proel, Gr.*
Nitrendipine (p.1358·2).
Hypertension.

Ufocollyre *Proel, Gr.*
Sodium cromoglicate (p.1136·3).
Eye allergy.

Ufonitren *Proel, Gr.*
Omeprazole (p.1753·1).
Acid aspiration; eradication of Helicobacter pylori in combination with antimicrobials; gastro-oesophageal reflux; peptic ulcer; Zollinger-Ellison syndrome.

Ufor *Valdecasas, Mex.*
Aluminium hydroxide (p.1706·2); magnesium hydroxide (p.1743·2).
Gastric hyperacidity.

Ufoxillin *Proel, Gr.†.*
Cefaclor (p.217·2).
Bacterial infections.

UFT *BMS, Arg.; BMS, Austria; BMS, Belg.; BMS, Braz.; Merck, Cz.; Merck-Lipha, Fr.; Merck, Ger.; Merck, Gr.; BMS, Hong Kong; Merck, Hung.; BMS, Israel†; BMS, Ital.; Taiho, Jpn; Taiho, Malaysia; BMS, Mex.; Merck, Neth.; BMS, Norw.; Merck, Philipp.; Merck, Port.; Taiho, Rus.; BMS, S.Afr.; Taiho, Singapore; BMS, Spain; BMS, Swed.; BMS, Thai.; BMS, Turk.*
Tegafur (p.776·1); uracil (p.2407·3).
Malignant neoplasms.

Uftoral *BMS, Denm.; BMS, UK.*
Tegafur (p.776·1); uracil (p.2407·3).
Colorectal cancer.

UFUR *American Taiwan, Thai.*
Tegafur (p.776·1); uracil (p.2407·3).
Breast cancer; colorectal cancer; gastric cancer.

Ugal *Diba, Mex.†.*
Cimetoxine.
Peptic ulcer.

Ugotrex *Rafarm, Gr.*
Ceftriaxone sodium (p.237·1).
Bacterial infections.

Ugurol *Rottapharm, Ital.*
Tranexamic acid (p.1080·3).
Haemorrhagic disorders.

Ujostabil *Felgentrager, Ger.†.*
Ammonium polystyrene sulfonate (p.1465·3); potassium polystyrene sulfonate (p.1460·2); magnesium polystyrene sulfonate (p.1465·3); sodium polystyrene sulfonate (p.1465·1).
Renal calculi.

Ukel *Gray, Arg.*
Midazolam maleate (p.1007·3).

Ukidan *Serono, Gr.†; Serum Institute, India†; Serono, Port.†.*
Urokinase (p.1420·1).
Thromboembolic disorders.

UL 250 *Merck, Port.†.*
Saccharomyces boulardii (p.2372·3).
Restoration of normal gastrointestinal flora.

U-Lactin *Allerderm, Singapore.*
⊗ Lactic acid (p.2329·3); urea (p.1620·2).
Dry skin disorders.

U-Lactin Foot Cream *Fischer, Israel.*
⊗ Urea (p.1620·2); lactic acid (p.2329·3); salicylic acid (p.1612·2).
Skin disorders of the foot.

U-Lactin Forte *Fischer, Israel.*
⊗ Urea (p.1620·2); lactic acid (p.2329·3).
Skin disorders.

Ulax-C *Ultra, Mex.*
⊗ Salbutamol sulfate (p.1131·3); ambroxol hydrochloride (p.1550·3).
Obstructive airways disease.

Ulax-F *Ultra, Mex.*
Ambroxol hydrochloride (p.1550·3).
Respiratory-tract congestion.

Ulcaid
Ranbaxy, Austral.
Ranitidine (p.1766·1).

Ranbaxy, S.Afr.
Ranitidine hydrochloride (p.1766·1).
Gastric hyperacidity; heartburn.

Ulcar *Sanofi-Aventis, Fr.*
Sucralfate (p.1772·2).
Peptic ulcer.

Ulcecaps *INQ, Braz.†.*
Omeprazole (p.1753·1).
Acid aspiration; gastro-oesophageal reflux; peptic ulcer; Zollinger-Ellison syndrome.

Ulcecur *Ferring, Port.†.*
Ranitidine hydrochloride (p.1766·1).
Gastro-oesophageal reflux; peptic ulcer; Zollinger-Ellison syndrome.

Ulcedin
Note. This name is used for preparations of different composition.
AGIPS, Ital.
Cimetidine (p.1716·2).
Gastric hyperacidity; gastro-oesophageal reflux; gastrointestinal haemorrhage; peptic ulcer; Zollinger-Ellison syndrome.

Sons, Mex.†.
Ranitidine hydrochloride (p.1766·1).
Acid aspiration; gastro-oesophageal reflux; gastrointestinal haemorrhage; peptic ulcer; Zollinger-Ellison syndrome.

Ulcedine *Sanofi-Aventis, Braz.; UAP, Indon.; ICN, Mex.†; Great Eastern, Thai.; Westmont, Thai.*
Cimetidine (p.1716·2).
Acid aspiration; gastro-oesophageal reflux; gastrointestinal haemorrhage; peptic ulcer; systemic mastocytosis; Zollinger-Ellison syndrome.

Ulcefam *Unison, Philipp.*
Famotidine (p.1730·1).
Gastro-oesophageal reflux; peptic ulcer; Zollinger-Ellison syndrome.

Ulcefate *Siam Bheasach, Thai.*
Sucralfate (p.1772·2).
Gastritis; gastro-oesophageal reflux; peptic ulcer.

Ulcefor *Elofar, Braz.*
Omeprazole (p.1753·1).
Peptic ulcer.

Ulcegel *TO-Chemicals, Thai.*
Dried aluminium hydroxide gel (p.1706·2); magnesium hydroxide (p.1743·2); simeticone (p.1770·2).
Gastric hyperacidity; heartburn; peptic ulcer.

Ulcekon *FDC, India†.*
Sucralfate (p.1772·2).
Gastritis; peptic ulcer.

Ulcelac
Note. This name is used for preparations of different composition.
Bago, Arg.
Famotidine (p.1730·1).
Gastritis; gastro-oesophageal reflux; peptic ulcer; Zollinger-Ellison syndrome.

Bago, Chile.
Omeprazole (p.1753·1).
Gastro-oesophageal reflux; peptic ulcer; Zollinger-Ellison syndrome.

Ulcemed *Medica Korea, Philipp.; Unimex, Philipp.*
Ranitidine hydrochloride (p.1766·1).
Acid aspiration; gastro-oesophageal reflux; peptic ulcer; Zollinger-Ellison syndrome.

Ulcemet *TO-Chemicals, Thai.*
Cimetidine (p.1716·2).
Gastro-oesophageal reflux; peptic ulcer; Zollinger-Ellison syndrome.

Ulcemex *Recalcine, Chile.*
Pantoprazole sodium (p.1760·1).
Gastro-oesophageal reflux; peptic ulcer.

Ulcenol *Elmor, Venez.*
Famotidine (p.1730·1).
Gastritis; oesophagitis; peptic ulcer; Zollinger-Ellison syndrome.

Ulcenon *Legrand, Braz.; Unison, Philipp.*
Cimetidine (p.1716·2).
Gastritis; gastro-oesophageal reflux; gastrointestinal haemorrhage; peptic ulcer; Zollinger-Ellison syndrome.

Ulcepraz *Novartis, Philipp.*
Pantoprazole (p.1760·1).
Gastro-oesophageal reflux; peptic ulcer.

Ulcerac *Delta, Braz.*
Cimetidine (p.1716·2).
Peptic ulcer.

Ulceracid *Luper, Braz.†.*
Cimetidine (p.1716·2).
Gastro-oesophageal reflux; gastrointestinal haemorrhage; peptic ulcer; Zollinger-Ellison syndrome.

Ulceragon *Torrent, Philipp.*
Ranitidine hydrochloride (p.1766·1).
Gastro-oesophageal reflux; peptic ulcer; Zollinger-Ellison syndrome.

Ulceral
Note. This name is used for preparations of different composition.
Aliud, Austria.
Sucralfate (p.1772·2).
Gastro-oesophageal reflux; peptic ulcer.

Vamsler, Philipp.
Ranitidine hydrochloride (p.1766·1).
Acid aspiration; gastritis; gastro-oesophageal reflux; peptic ulcer; Zollinger-Ellison syndrome.

Tedec Meiji, Spain.
Omeprazole (p.1753·1).
Gastro-oesophageal reflux; peptic ulcer; Zollinger-Ellison syndrome.

Ulceran
Note. This name is used for preparations of different composition.
Medochemie, Cz.†; Medochemie, Hong Kong†; Medochemie, Malaysia; Medochemie, Rus.; Medochemie, Singapore; Medochemie, Thai.
Famotidine (p.1730·1).
Acid aspiration; gastric hyperacidity; gastro-oesophageal reflux; gastrointestinal haemorrhage; pancreatic disorders; peptic ulcer; Zollinger-Ellison syndrome.

Teva, Hung.
Ranitidine hydrochloride (p.1766·1).
Acid aspiration; dyspepsia; gastro-oesophageal reflux; peptic ulcer; Zollinger-Ellison syndrome.

Sandoz, Indon.
Lansoprazole (p.1739·2).
Gastro-oesophageal reflux; peptic ulcer.

Ulceranin *Otto, Indon.*
Ranitidine hydrochloride (p.1766·1).
Gastro-oesophageal reflux; peptic ulcer; Zollinger-Ellison syndrome.

Ulcerase *Smith & Nephew, Port.*
Collagenase (p.2286·2).
Burns; ulcers; wounds.

Ulcerease *Med-Derm, USA.*
Liquefied phenol (p.1656·1).
Mouth and throat pain.

Ulcerfen *Finadiet, Arg.*
Cimetidine (p.1716·2).
Gastritis; peptic ulcer.

Ulcergo *ACME, Philipp.*
Ranitidine hydrochloride (p.1766·1).
Acid aspiration; dyspepsia; gastro-oesophageal reflux; peptic ulcer.

Ulcerid *Lapi, Indon.*
Famotidine (p.1730·1).
Endocrine adenoma; peptic ulcer; Zollinger-Ellison syndrome.

Ulceridina *Kinder, Braz.*
Ranitidine hydrochloride (p.1766·1).
Peptic ulcer.

Ulceridine *Normal, Port.†.*
Cimetidine (p.1716·2).

Ulcerit *Hexal, Braz.†.*
Ranitidine hydrochloride (p.1766·1).
Peptic ulcer.

Ulcerix *Oboi, Philipp.*
Ranitidine hydrochloride (p.1766·1).
Gastro-oesophageal reflux; peptic ulcer; Zollinger-Ellison syndrome.

Ulcerlmin *Chugai, Jpn.*
Sucralfate (p.1772·2).
Gastritis; peptic ulcer.

Ulcermate *Jaba Recordati, Port.*
Sucralfate (p.1772·2).
Gastro-oesophageal reflux; peptic ulcer; variceal haemorrhage.

Ulcermin *Jaba Recordati, Port.*
Sucralfate (p.1772·2).
Gastritis; gastro-oesophageal reflux; gastrointestinal haemorrhage; peptic ulcer.

Ulcerocin *Cimed, Braz.*
Ranitidine (p.1766·1).
Peptic ulcer.

Ulcerol *APS, Port.†.*
Ranitidine hydrochloride (p.1766·1).
Gastrointestinal hyperacidity; peptic ulcer.

Ulcertec
Note. This name is used for preparations of different composition.
DHA, Malaysia; DHA, Singapore.
Sucralfate (p.1772·2).
Peptic ulcer.

Tecnimede, Port.
Lansoprazole (p.1739·2).
Gastro-oesophageal reflux; peptic ulcer; Zollinger-Ellison syndrome.

Ulcesep *Centrum, Spain.*
Omeprazole (p.1753·1).
Gastro-oesophageal reflux; peptic ulcer; Zollinger-Ellison syndrome.

Ulcetab *Lennon, S.Afr.*
Sucralfate (p.1772·2).
Gastritis; gastro-oesophageal reflux; peptic ulcer.

Ulcetal *Colfarm, Pol.*
Hydrotalcite (p.1733·3).
Gastric hyperacidity; gastro-oesophageal reflux; heartburn; peptic ulcer.

Ulcetrax *Salvat, Spain†.*
Famotidine (p.1730·1).
Gastric hyperacidity; gastro-oesophageal reflux; peptic ulcer; Zollinger-Ellison syndrome.

Ulcevarin *Bajer, Arg.†.*
Oxerutin (p.2304·3); vitamin A palmitate (p.1973·1).
Inflammation; phlebitis; skin disorders.

Ulcevit *Bruluart, Mex.*
Ranitidine hydrochloride (p.1766·1).
Gastro-oesophageal reflux; peptic ulcer; Zollinger-Ellison syndrome.

Ulcex *Guidotti, Ital.*
Ranitidine hydrochloride (p.1766·1).
Gastritis or duodenitis associated with acid hypersecretion; gastro-oesophageal reflux; peptic ulcer; Zollinger-Ellison syndrome.

Ulcid
Note. This name is used for preparations of different composition.
Sandoz, Indon.
Aluminium hydroxide (p.1706·2); magnesium hydroxide (p.1743·2); simeticone (p.1770·2).
Dyspepsia; flatulence; gastric hyperacidity; heartburn.

Astellas, Irl.
Omeprazole (p.1753·1).
Gastro-oesophageal reflux; peptic ulcer; Zollinger-Ellison syndrome.

Ulcidine
Note. This name is used for preparations of different composition.
ICN, Canad.†.
Famotidine (p.1730·1).

Pharmaniaga, Malaysia†; Raza, Malaysia†.
Cimetidine (p.1716·2).
Acid aspiration; gastro-oesophageal reflux; peptic ulcer; Zollinger-Ellison syndrome.

Spirig, Switz.
Ranitidine hydrochloride (p.1766·1).
Dyspepsia; gastro-oesophageal reflux; gastrointestinal haemorrhage; peptic ulcer; Zollinger-Ellison syndrome.

Ulcim *Quatromed, S.Afr.*
Cimetidine hydrochloride (p.1716·3).
Gastro-oesophageal reflux; gastrointestinal haemorrhage; peptic ulcer; Zollinger-Ellison syndrome.

Ulcimax *Cipla, India.*
Famotidine (p.1730·1).
Peptic ulcer.

Ulcimer *Labesfal, Port.*
Sucralfate (p.1772·2).
Peptic ulcer.

Ulcimet *Farmasa, Braz.; Polipharm, Thai.*
Cimetidine (p.1716·2).
Acid aspiration; gastro-oesophageal reflux; gastrointestinal haemorrhage; peptic ulcer; Zollinger-Ellison syndrome.

Ulcin *Biolab, Philipp.*
Ranitidine hydrochloride (p.1766·1).
Acid aspiration; gastro-oesophageal reflux; gastrointestinal haemorrhage; peptic ulcer; Zollinger-Ellison syndrome.

Ulcinax *Neo Quimica, Braz.*
Cimetidine (p.1716·2).
Peptic ulcer.

Ulcinil *Farmoz, Port.*
⊗ Tibolone (p.2134·1).
Menopausal disorders; osteoporosis.

Ulciram *Vargas, Venez.*
Sucralfate (p.1772·2).
Gastro-oesophageal reflux; peptic ulcer.

Ulcitag *Sedabel, Braz.†.*
Cimetidine (p.1716·2).
Gastro-oesophageal reflux; gastrointestinal haemorrhage; peptic ulcer; Zollinger-Ellison syndrome.

Ulcitrat *Bunker, Braz.*
Cimetidine (p.1716·2).
Peptic ulcer.

Ulco-cyl L Ho-Len-Complex *Liebermann, Ger.*
Homoeopathic preparation.

Ulcoderma *Abbott, Mex.*
Collagenase (p.2286·2); chloramphenicol (p.239·3).
Burns; skin ulcers; wounds.

Ulcodina *SoSe, Ital.†.*
Cimetidine (p.1716·2).
Gastritis and duodenitis associated with acid hypersecretion; gastro-oesophageal reflux; peptic ulcer; Zollinger-Ellison syndrome.

Ulcofam *Codal Synto, Thai.†.*
Famotidine (p.1730·1).
Peptic ulcer; Zollinger-Ellison syndrome.

Ulcogant *Merck, Austria; Merck, Belg.; Merck, Cz.; Merck, Ger.; Merck, Hung.; Merck, Neth.; Merck, Switz.*
Sucralfate (p.1772·2).
Gastro-oesophageal reflux; gastrointestinal haemorrhage; peptic ulcer.

Ulcogastrin *Biospray, Gr.†.*
Nizatidine (p.1751·2).
Peptic ulcer.

Ulcoid *Valdecasas, Mex.*
Diphenhydramine hydrochloride (p.577·2).
Hypersensitivity; sleep disorders.

Ulcoid-Zol *Valdecasas, Mex.†.*
Astemizole (p.567·2).
Hypersensitivity.

Ulcomedina *De Salute, Ital.†.*
Cimetidine (p.1716·2).
Gastritis and duodenitis associated with acid hypersecretion; gastro-oesophageal reflux; peptic ulcer; Zollinger-Ellison syndrome.

Ulcomet *Medochemie, Hong Kong.*
Cimetidine (p.1716·2).
Acid aspiration; adjunct in pancreatic insufficiency; gastric hypersecretion; gastro-oesophageal reflux; gastrointestinal haemorrhage; peptic ulcer.

Ulcometin *Ratiopharm, Austria.*
Cimetidine (p.1716·2) or cimetidine hydrochloride (p.1716·3).
Acid aspiration; gastro-oesophageal reflux; gastrointestinal haemorrhage; hypersensitivity reactions; peptic ulcer; Zollinger-Ellison syndrome.

Ulcometion *Reig Jofre, Spain.*
Omeprazole (p.1753·1).
Gastro-oesophageal reflux; peptic ulcer; Zollinger-Ellison syndrome.

Ulcon *Farma, Venez.*
Sucralfate (p.1772·2).
Gastritis; gastro-oesophageal reflux; peptic ulcer.

Ulcoprotect *Azupharma, Ger.†.*
Pirenzepine hydrochloride (p.1762·3).
Gastrointestinal disorders.

Ulcoren *Medley, Braz.*
Ranitidine hydrochloride (p.1766·1).
Gastro-oesophageal reflux; gastrointestinal haemorrhage; peptic ulcer; Zollinger-Ellison syndrome.

Ulcosan *Ivax, Cz.*
Ranitidine hydrochloride (p.1766·1).
Gastro-oesophageal reflux; peptic ulcer; Zollinger-Ellison syndrome.

Ulcosin *Ivax, Hung.*
Ranitidine hydrochloride (p.1766·1).
Gastro-oesophageal reflux; peptic ulcer; Zollinger-Ellison syndrome.

Ulcostad *Stada, Austria.*
Cimetidine (p.1716·2) or cimetidine hydrochloride (p.1716·3).
Acid aspiration; gastro-oesophageal reflux disease; gastrointestinal haemorrhage; hypersensitivity reactions; peptic ulcer; Zollinger-Ellison syndrome.

Ulcotenal *Recordati, Spain.*
Pantoprazole sodium (p.1760·1).
Gastro-oesophageal reflex; peptic ulcer; Zollinger-Ellison syndrome.

Ulcotenk *Biotenk, Arg.*
Ranitidine hydrochloride (p.1766·1).
Acid aspiration; gastro-oesophageal reflux; peptic ulcer; Zollinger-Ellison syndrome.

Ulcourona *Neuropharma, Arg.†.*
Idebenone (p.367·1).
Cerebrovascular disorders.

Ulc-Out *Raffo, Chile.*
Omeprazole (p.1753·1).
Gastro-oesophageal reflux; peptic ulcer; Zollinger-Ellison syndrome.

Ulcozol
Bago, Arg.
Omeprazole (p.1753·1) or omeprazole sodium (p.1753·1).
Acid aspiration; gastro-oesophageal reflux; peptic ulcer; Zollinger-Ellison syndrome.

Merck Bago, Braz.†.
Omeprazole (p.1753·1).
Peptic ulcer.

Ulcrafate *Polipharm, Thai.*
Sucralfate (p.1772·2).
Gastritis; gastro-oesophageal reflux; peptic ulcer.

Ulcrast *Boniscontro & Gazzone, Ital.*
Sucralfate (p.1772·2).
Gastritis; gastro-oesophageal reflux; peptic ulcer.

Ulcratex *Recalcine, Chile.*
Esomeprazole magnesium (p.1729·2).
Gastro-oesophageal reflux; peptic ulcer.

Ulcrux *Prater, Chile†.*
Omeprazole (p.1753·1).
Peptic ulcer.

Ulcumaag *Pyridam, Indon.*
Sucralfate (p.1772·2).
Gastritis; peptic ulcer.

Ulcumet *Soho, Indon.*
Cimetidine (p.1716·2).
Duodenitis; gastritis; gastro-oesophageal reflux; gastrointestinal haemorrhage; peptic ulcer; Zollinger-Ellison syndrome.

Ulcu-Pasc *Pascoe, Ger.†.*
Liquorice (p.1740·3); chamomile (p.2279·3).
Gastrointestinal disorders.

Ulcuran *Abfar, Turk.*
Ranitidine hydrochloride (p.1766·1).

Ulcurilen *Austroplant, Austria.*
Allantoin (p.1588·1); neomycin sulfate (p.305·1); chlorocresol (p.1640·1); alpha tocoferil acetate (p.1992·3).
Ulcers; wounds.

Ulcurilen N
Note. This name is used for preparations of different composition.
Spitzner, Ger.†.
Ointment: Allantoin (p.1588·1); chlorocresol (p.1640·1); neomycin sulfate (p.305·1).
Infected skin disorders; wounds.

Spitzner, Ger.†.
Topical powder: Allantoin (p.1588·1); neomycin sulfate (p.305·1); alpha tocoferil acetate (p.1992·3).
Infected skin disorders; wounds.

Ulcusan
Note. This name is used for preparations of different composition.
Kwizda, Austria.
Famotidine (p.1730·1).
Acid aspiration; gastro-oesophageal reflux; gastrointestinal haemorrhage; peptic ulcer; stress-related ulcer; Zollinger-Ellison syndrome.

Pyridam, Indon.
Cimetidine (p.1716·2).
Pathological hypersecretory disorders; peptic ulcer.

Ulcyte *Alphapharm, Austral.*
Sucralfate (p.1772·2).
Peptic ulcer.

Uldadin *Collins, Mex.†.*
Nizatidine (p.1751·2).
Peptic ulcer.

Uldapril *Collins, Mex.*
Lansoprazole (p.1739·2).
Gastro-oesophageal reflux; peptic ulcer; Zollinger-Ellison syndrome.

Ulfam *Soho, Indon.*
Famotidine (p.1730·1).
Pathological hypersecretory disorders; peptic ulcer.

Ulfamet *TO-Chemicals, Thai.*
Famotidine (p.1730·1).
Gastro-oesophageal reflux; peptic ulcer; Zollinger-Ellison syndrome.

Ulfamid *KRKA, Cz.; KRKA, Pol.; KRKA, Rus.*
Famotidine (p.1730·1).
Acid aspiration; gastric hyperacidity; gastro-oesophageal reflux; gastrointestinal haemorrhage; hiatus hernia; pancreatic disorders; peptic ulcer; Zollinger-Ellison syndrome.

Ulfaprim *Hexpharm, Indon.*
Co-trimoxazole (p.258·1).
Bacterial infections.

Ul-Flam *Ultra, Mex.*
Nimesulide (p.95·3).
Fever; inflammation; pain.

Ulflex *Utopian, Thai.*
Cefalexin (p.218·2).
Bacterial infections.

Ulgamax *Jelfa, Pol.*
Calcium carbonate (p.1714·1); dimeticone (p.1770·2); magnesium carbonate (p.1743·1).
Gastric hyperacidity.

Ulgarine *Sandoz, Spain.*
Famotidine (p.1730·1).
Gastric hyperacidity; gastro-oesophageal reflux; peptic ulcer; Zollinger-Ellison syndrome.

Ulgastran *Polfa Grodzisk, Pol.*
Sucralfate (p.1772·2).
Peptic ulcer.

Ulgastrin
Note.This name is used for preparations of different composition.
Biomep, Mex.
Ranitidine (p.1766·1).
Peptic ulcer.

Diedenhofen, Thai.
Liquorice (p.1740·3); bismuth subnitrate (p.1711·2); aluminium sodium silicate (p.1707·3); anhydrous sodium sulfate (p.1771·3).
Gastritis; heartburn; peptic ulcer.

Ulgel
Note.This name is used for preparations of different composition.
Dabur, India†.
Magaldrate (p.1742·3); simeticone (p.1770·2).
Flatulence; gastritis; gastrointestinal hyperacidity; peptic ulcer.

Liferpal, Mex.
Aluminium (p.2254·1); magnesium (p.1678·3); dimeticone (p.1770·2).
Flatulence; gastric hyperacidity.

Ulgut *Shionogi, Jpn.*
Benexate hydrochloride betadex (p.1710·1).
Gastritis; peptic ulcer.

Ulis *Globalpharma, Ital.*
Cimetidine (p.1716·2).
Gastritis and duodenitis associated with acid hypersecretion; gastro-oesophageal reflux; gastrointestinal haemorrhage; peptic ulcer; Zollinger-Ellison syndrome.

Ulkodin *Precimex, Mex.*
Ranitidine hydrochloride (p.1766·1).
Gastritis; gastro-oesophageal reflux; gastrointestinal haemorrhage; peptic ulcer; Zollinger-Ellison syndrome.

Ulkowis *Temmler, Ger.†.*
Bismuth subnitrate (p.1711·2).
Dyspepsia; peptic ulcer.

Ullus Kapseln N *Polypharm, Ger.†.*
Liquorice (p.1740·3); chamomile (p.2279·3).
Gastrointestinal disorders.

Ulmarin *Precimex, Mex.*
Cimetidine (p.1716·2).
Peptic ulcer.

Ulmely *Ultra, Mex.*
Fluoxetine hydrochloride (p.391·2).
Bulimia nervosa; depression; mixed anxiety depressive states; obsessive-compulsive disorder; premenstrual dysphoric disorder.

Ulmicy *Ultra, Mex.*
Clindamycin hydrochloride (p.251·1).
Bacterial infections.

Ulmo *Pyridam, Indon.*
Famotidine (p.1730·1).
Pathological hypersecretory disorders; peptic ulcer.

Ulmodhyl *Sons, Mex.*
Ranitidine hydrochloride (p.1766·1).
Acid aspiration; gastro-oesophageal reflux; gastrointestinal haemorrhage; peptic ulcer; Zollinger-Ellison syndrome.

Ulone *3M, Canad.*
Clofedanol hydrochloride (p.1554·2).
Coughs.

Ulpafie *Ultra, Mex.*
Paracetamol (p.108·1).
Fever; pain.

Ulpafie Compuesto *Ultra, Mex.*
Paracetamol (p.108·1); pseudoephedrine hydrochloride (p.1571·2); dextromethorphan hydrobromide (p.1555·2).
Allergic rhinitis; hay fever; sinusitis.

Ulpafie-N *Ultra, Mex.*
Paracetamol (p.108·1); naproxen (p.92·3).
Fever; pain.

Ulpax *Hormona, Mex.*
Lansoprazole (p.1739·2).
Gastro-oesophageal reflux; peptic ulcer; Zollinger-Ellison syndrome.

Ulprazole *Polipharm, Thai.*
Omeprazole (p.1753·1).
Gastro-oesophageal reflux; peptic ulcer; Zollinger-Ellison syndrome.

Ulran *KRKA, Cz.†; Pasteur, Philipp.; KRKA, Rus.†.*
Ranitidine hydrochloride (p.1766·1).
Acid aspiration; dyspepsia; gastric hyperacidity; gastro-oesophageal reflux; gastrointestinal haemorrhage; pancreatic disorders; peptic ulcer; Zollinger-Ellison syndrome.

Ulsafate *Combiphar, Indon.*
Sucralfate (p.1772·2).
Gastritis; peptic ulcer.

Ulsal *Gebro, Austria.*
Ranitidine hydrochloride (p.1766·1).
Acid aspiration; gastro-oesophageal reflux; gastrointestinal haemorrhage; peptic ulcer; stress-related ulcer; Zollinger-Ellison syndrome.

Ulsanic *Chugai, Hong Kong; Teva, Israel; Pharmacare, S.Afr.; Chugai, Thai.*
Sucralfate (p.1772·2).
Gastritis; gastro-oesophageal reflux; peptic ulcer.

Ulsaven *Collins, Mex.*
Ranitidine hydrochloride (p.1766·1).
Gastro-oesophageal reflux; hyperchlorhydria; peptic ulcer; Zollinger-Ellison syndrome.

Ulsek *Standard, Philipp.*
Omeprazole (p.1753·1).
Acid aspiration; dyspepsia; gastro-oesophageal reflux; peptic ulcer; Zollinger-Ellison syndrome.

Ulsen *Senosiain, Mex.*
Omeprazole (p.1753·1).
Gastritis; gastro-oesophageal reflux; peptic ulcer; Zollinger-Ellison syndrome.

Ulserch *Serch, Arg.†.*
Pantoprazole (p.1760·1).

Ulserral *Serral, Mex.*
Cimetidine (p.1716·2).
Peptic ulcer.

Ulsicral *Ikapharmindo, Indon.*
Sucralfate (p.1772·2).
Duodenal ulcer.

Ulsidex *Dexa, Indon.*
Sucralfate (p.1772·2).
Peptic ulcer.

Ulsikur *Hexpharm, Indon.*
Cimetidine (p.1716·2).

Ultac *Cipla, India.*
Ranitidine (p.1766·1).
Peptic ulcer.

Ultacit *Aventis, Neth.*
Hydrotalcite (p.1733·3).
Gastric hyperacidity.

Ultak *Cipla-Medpro, S.Afr.*
Ranitidine hydrochloride (p.1766·1).
Acid aspiration; gastro-oesophageal reflux; peptic ulcer; Zollinger-Ellison syndrome.

Ultane *Abbott, S.Afr.; Abbott, USA.*
Sevoflurane (p.1793·2).
General anaesthesia.

Ultec *Berk, UK†.*
Cimetidine (p.1716·2).
Dyspepsia; heartburn.

Ulticadex *Rafarm, Gr.*
Enalapril maleate (p.1276·1).
Heart failure; hypertension.

Ulticer *Medreich, Hong Kong.*
Ranitidine hydrochloride (p.1766·1).
Acid aspiration; dyspepsia; gastro-oesophageal reflux; peptic ulcer; Zollinger-Ellison syndrome.

Ultidin
Note.This name is used for preparations of different composition.
Geolab, Braz.
Ranitidine hydrochloride (p.1766·1).
Peptic ulcer.

Gelcaps, Mex.
Famotidine (p.1730·1).
Gastro-oesophageal reflux; peptic ulcer; Zollinger-Ellison syndrome.

Ultilac N *Bittermedizin, Ger.*
Almasilate (p.1705·1); calcium carbonate (p.1714·1); skimmed milk powder.
Gastrointestinal disorders.

Ultilap *Ultra, Mex.*
Ketorolac trometamol (p.74·2).
Pain.

Ultilox *Coronet, Indon.*
Aluminium hydroxide (p.1706·2); magnesium hydroxide (p.1743·2); simeticone (p.1770·2).
Flatulence; gastric hyperacidity; gastritis; gastro-oesophageal reflux.

Ultimag *Mirren, S.Afr.*
Magnesium chloride (p.1679·1); zinc oxide (p.1621·2).
Magnesium and zinc supplement.

Ultiva *GSK, Arg.; GSK, Austral.; GSK, Austria; GSK, Belg.; GSK, Braz.; Abbott, Canad.; GSK, Chile; GSK, Cz.; GSK, Denm.; GSK, Fin.; GSK, Fr.; GSK, Ger.; GSK, Gr.; GSK, Hong Kong; GSK, Hung.†; Elan, Irl.†; GSK, Israel; GSK, Ital.; GSK, Mex.; GSK, NZ; GSK, Neth.; GSK, Norw.; GSK, Pol.; GSK, Port.; GSK, S.Afr.; GSK, Singapore; GSK, Spain; GSK, Swed.; GSK, Switz.; GSK, Turk.; GSK, UK; Abbott, USA; GSK, Venez.*
⊗ Remifentanil hydrochloride (p.120·1).
Adjunct to anaesthesia; analgesia and sedation in mechanically ventilated patients; analgesia in anaesthesia; postoperative pain.

Ultizol *Vitae, Mex.*
Omeprazole (p.1753·1).
Gastro-oesophageal reflux; peptic ulcer; Zollinger-Ellison syndrome.

Ultop *KRKA, Cz.; KRKA, Rus.*
Omeprazole (p.1753·1).
Gastro-oesophageal reflux; peptic ulcer; Zollinger-Ellison syndrome.

Ultra Adsorb *Lainco, Spain.*
Activated charcoal (p.1435·2).
Diarrhoea.

Ultra Augenschutz *Provita, Austria.*
Actinoquinol sodium (p.2246·3).
Protection of the eyes from ultraviolet radiation.

Ultra Chloraseptic
Note.This name is used for preparations of different composition.
Prestige, UK.
Gargle: Phenol (p.1656·1).
Sore throat.

Prestige, UK.
Throat spray: Benzocaine (p.1854·1).
Sore throat.

Ultra Clearasil *Boots, Philipp.*
Benzoyl peroxide (p.1590·2).
Acne.

Ultra Corega *GSK, Braz.; Stafford-Miller, Braz.*
Denture fixative.

Ultra Derm *Reese, USA†.*
Emollient and moisturiser.

Ultra Energizer *Equilibre Attitude, Fr.†.*
Guarana; mate; kola; avena; ginseng; ginkgo biloba; minerals; vitamins; octacosanol; sodium molybdate (p.1922·1).
Tonic.

Ultra Heartburn Relief *Galpharm, UK.*
Famotidine (p.1730·1).
Dyspepsia; heartburn.

Ultra Mega Softgels without Iron *General Nutrition, Canad.*
Multivitamin and mineral preparation (p.1922·1).

Ultra Mide *Pharmascience, Canad.; Baker Cummins, USA.*
⊗ Urea (p.1620·2).
Dry skin; hyperkeratosis.

Ultra Quercitin *Jamieson, Canad.*
Urtica (p.2409·3); perilla fruit; quercetin (p.2305·1).

Ultra Strength Heat Rub *Hyde, Canad.†.*
Methyl salicylate (p.85·3); menthol (p.2340·1).

Ultra Stress *Nutrifarma, Turk.*
Vitamin B substances; vitamin C (p.1922·1).

Ultra Tears *Alcon, USA.*
Hypromellose (p.2144·2).
Dry eyes.

Ultra TechneKow *Mallinckrodt, Neth.*
Technetium-99m (p.2055·3).
Diagnostic radionuclide scintigraphy.

Ultra Technekow FM *Mallinckrodt, Cz.*
Technetium-99m as sodium pertechnetate (p.2055·3).
Radionuclide imaging of the thyroid gland, saliva gland, stomach, and brain.

Ultra TechneKow FM *Mallinckrodt, Port.*
Technetium-99m pertechnetate (p.2055·3).

Ultra Vita Time *Nature's Bounty, USA.*
Multivitamin and mineral preparation with iron and folic acid (p.1922·1).

Ultra Vita-Min *Equilibre Attitude, Fr.†.*
Nutritional supplement (p.1922·1).

Ultrabase *Schering, S.Afr.†; Valeant, UK.*
Emollient.
Dry skin; pharmaceutical diluent.

Ultrabeta *Vitoria, Port.*
⊗ Salmeterol xinafoate (p.1135·1).
Obstructive airways disease.

Ultrabiotic *Bago, Chile.*
Mupirocin (p.302·3).
Bacterial skin infections; infected burns and wounds.

Ultrabiotique *Nutrisante, Fr.*
Lactococcus lactis (p.2372·3); *Lactobacillus casei* (p.2372·3); *Bifidobacterium bifidum* (p.2372·3).
Restoration of gastrointestinal flora.

ULTRAbrom *WE, USA.*
Pseudoephedrine hydrochloride (p.1571·2); brompheniramine maleate (p.569·2).
Upper respiratory-tract symptoms.

Ultrac *Tecnofarma, Chile.*
Vitamins; minerals; ginseng; rutoside; deanol tartrate (p.1922·1).
Dietary supplement; tonic.

Ultrac E *Tecnofarma, Chile.*
Vitamins; minerals; ginseng; rutoside; deanol tartrate (p.1922·1).
Dietary supplement; tonic.

Ultrac Q10 *Tecnofarma, Chile.*
Vitamins; minerals; ginseng; rutoside; ubidecarenone (p.1922·1).
Dietary supplement.

Ultracain *Aventis, Cz.†; Aventis, Ger.; Sanofi-Aventis, Rus.; Normon, Spain; Aventis, Turk.*
Articaine hydrochloride (p.1854·1).
Adrenaline hydrochloride (p.1203·3) is included in some injections as a vasoconstrictor to diminish absorption and localise the effect of the local anaesthetic.
Local anaesthesia.

Ultracain Dental *Aventis, Austria.*
⊗ Articaine hydrochloride (p.1854·1).
Adrenaline hydrochloride (p.1203·3) is included in this preparation as a vasoconstrictor to diminish absorption and localise the effect of the local anaesthetic.
Local anaesthesia.

Ultracain D-S *Aventis, Cz.†; Aventis, Ger.; Sanofi-Aventis, Hung.; Aventis, Neth.*
⊗ Articaine hydrochloride (p.1854·1).
Adrenaline hydrochloride (p.1203·3) is included in this preparation as a vasoconstrictor to diminish absorption and localise the effect of the local anaesthetic.
Local anaesthesia.

Ultracain D-Suprarenin *Sanofi-Aventis, Fin.*
⊗ Articaine hydrochloride (p.1854·1).
Adrenaline hydrochloride (p.1203·3) is included in this preparation as a vasoconstrictor to diminish absorption and localise the effect of the local anaesthetic.
Local anaesthesia.

Ultracain hyperbar *Aventis, Ger.†.*
Articaine hydrochloride (p.1854·1).
Local anaesthesia.

Ultracain Suprarenin *Aventis, Ger.*
⊗ Articaine hydrochloride (p.1854·1).
Adrenaline hydrochloride (p.1203·3) is included in this preparation as a vasoconstrictor to diminish absorption and localise the effect of the local anaesthetic.
Local anaesthesia.

Ultracaine D-S *Aventis, Switz.*
⊗ Articaine hydrochloride (p.1854·1).
Adrenaline hydrochloride (p.1203·3) is included in this preparation as a vasoconstrictor to diminish absorption and localise the effect of the local anaesthetic.
Local anaesthesia.

Ultracal
Note.This name is used for preparations of different composition.
Baliarda, Arg.
Saw palmetto (p.2192·3); pygeum africanum (p.2192·3).
Prostate disorders.

Mead Johnson, Austral.†; Novartis Nutrition, Hong Kong; Mead Johnson, NZ; Mead Johnson, Philipp.; Mead Johnson Nutritionals, USA.
Preparation for enteral nutrition (p.1922·1).

Ultracalcium *Temis, Arg.*
Calcium carbonate (p.1714·1).
Calcium supplement; osteoporosis.

Ultracalcium D3 *Temis, Arg.*
Calcium carbonate (p.1714·1); colecalciferol (p.1986·2).
Calcium and vitamin D deficiency; osteoporosis.

Ultracarbon *Merck, Ger.; Merck Consumer, Singapore; Merck, Thai.*
Activated charcoal (p.1435·2).
Acute poisoning; diarrhoea; drug overdosage; flatulence.

UltraCare
Note. A similar name is used for preparations of different composition (see below).
AMO, Canad.; Allergan, USA.
Disinfecting solution, hydrogen peroxide solution 3% (p.1647·3); neutralising tablets, catalase (p.2278·2) (p.1622·2).
Contact lens care.

Ultracare
Note. A similar name is used for preparations of different composition (see above).
Optident, UK.
Benzocaine (p.1854·1).
Local anaesthesia.

UltraCare Daily Cleaner *Allergan, Canad.†.*
Cleaning solution for soft contact lenses (p.1622·2).

Ultracef *BMS, Irl.*
Cefadroxil (p.218·1).
Bacterial infections.

Ultracele *Ultratech, India†.*
Celecoxib (p.34·2).

Ultracet *Janssen-Cilag, Braz.; Janssen, Hong Kong; Janssen-Cilag, Malaysia; Janssen-Cilag, Singapore; Janssen-Cilag, Thai.; Ortho McNeil, USA; Janssen-Cilag, Venez.*
Tramadol hydrochloride (p.130·3); paracetamol (p.108·1).
Pain.

Ultracillin *Caps, S.Afr.*
Benzathine benzylpenicillin (p.212·1); benzylpenicillin sodium (p.213·1); procaine benzylpenicillin (p.319·2).
Bacterial infections.

Ultracod *Zentiva, Cz.*
Paracetamol (p.108·1); codeine phosphate (p.37·2).
Pain.

Ultracortene H *Novartis, Switz.†.*
⊗ Prednisolone sodium tetrahydrophthalate (p.1542·1).
Corticosteroid.

Ultracortenol
Novartis, Arg.; Novartis, Austria; Novartis, Hong Kong.
⊗ Prednisolone acetate (p.1541·1).
Inflammatory eye disorders.

Novartis, Belg.; Novartis, Israel; Novartis, Switz.
⊗ Prednisolone pivalate (p.1541·1).
Inflammatory eye disorders.

Novartis Ophthalmics, Cz.; Novartis, Denm.; Novartis, Fin.; Novartis, Ger.; Novartis Ophthalmics, Hung.; Novartis, Neth.; Novartis, Norw.; Novartis Ophthalmics, Swed.
⊗ Prednisolone acetate (p.1541·1) or prednisolone pivalate (p.1541·1).
Inflammatory eye disorders.

Ultracortin *Collins, Mex.*
⊗ Clioquinol (p.254·1); hydrocortisone (p.1535·2).
Inflammation.

Ultracur S *Schering, Arg.*
⊗ Fluocortolone (p.1532·2); fluocortolone caproate (p.1532·2).
Skin disorders.

Ultra-Demoplas *Godecke, Ger.†.*
⊗ Dexamethasone (p.1526·1); prednisolone (p.1540·3); lidocaine hydrochloride (p.1862·3).
Musculoskeletal and joint disorders.

Ultraderm
Note. A similar name is used for preparations of different composition (see below).
Ecobi, Ital.
⊗ Fluocinolone acetonide (p.1531·3).
Skin disorders.

Ultraderme
Note. A similar name is used for preparations of different composition (see above).
Richelet, Fr.†.
Saccharomyces boulardii (p.2372·3).
Seborrhoea.

† This preparation may no longer be actively marketed
⊗ Contains a substance whose use may be restricted in certain sports (see p.vii)

Ultradermis *ICN, Arg.†.*
Gentamicin sulfate (p.282·1).
Bacterial skin infections.

Ultradina *Brasmedica, Braz.†.*
Silver (p.2387·1).
Diarrhoea.

Ultradol *Procter & Gamble, Canad.†.*
Etodolac (p.52·2).
Osteoarthritis; pain; rheumatoid arthritis.

Ultrafastin *Medana, Pol.*
Ketoprofen lysine (p.73·3).
Musculoskeletal, joint, and peri-articular pain.

Ultrafen
Note. This name is used for preparations of different composition.
Beximco, Singapore.
Diclofenac (p.44·2).
Gout; musculoskeletal and joint disorders; pain.

Dinctas, Turk.
Ibuprofen (p.64·2).
Fever; inflammation; pain.

Ultrafer *Farmoquimica, Braz.*
Iron polymaltose (p.1953·1).
Iron-deficiency anaemia.

Ultrafil *Grunenthal, Venez.†.*
Sweet birch oil (p.86·2).
Musculoskeletal, joint, and soft-tissue disorders.

Ultrafina *Ultratech, India†.*
⊗ Finasteride (p.2188·3).

Ultraflox *Bal, Thai.*
Ciprofloxacin hydrochloride (p.243·3).
Bacterial infections.

Ultraflu *Pliva, Ital.*
Acetylcysteine (p.1548·2).
Respiratory-tract congestion.

Ultrafort *Brasmedica, Braz.†.*
Multivitamin, amino-acid, and mineral preparation (p.1922·1).

Ultra-Freeda *Freeda, USA.*
Multivitamin and mineral preparation (p.1922·1).

Ultragesic *Medic+Aid, Philipp.*
Paracetamol (p.108·1).
Fever; pain.

Ultragin *Wyeth, India.*
Paracetamol (p.108·1).
Fever; pain.

Ultragrip
Note. This name is used for preparations of different composition.
Mugi, Indon.
Caplets: Paracetamol (p.108·1); phenylpropanolamine hydrochloride (p.1569·3); dexchlorpheniramine maleate (p.572·1); dextromethorphan hydrobromide (p.1555·2).
Allergic symptoms; colds; coughs; fever; influenza.

Mugi, Indon.
Syrup: Paracetamol (p.108·1); phenylpropanolamine maleate (p.1570·2); dextromethorphan hydrobromide (p.1555·2).
Colds and influenza symptoms; cough.

Ultra-K *Melisana, Belg.*
Potassium gluconate (p.1684·3).
Potassium depletion.

Ultralan
Note. This name is used for preparations of different composition.
Schering, Chile†; Schering, Philipp.
⊗ Fluocortolone (p.1532·2) or fluocortolone pivalate (p.1532·3); fluocortolone caproate (p.1532·2).
Skin disorders.

Intendis, Fr.; Schering, Hong Kong.
⊗ Fluocortolone (p.1532·2); fluocortolone caproate (p.1532·2).
Skin disorders.

Galagen, USA.
Lactose-free, gluten-free preparation for enteral nutrition (p.1922·1).

Schering, Austria; Intendis, Ital.; Schering, Mex.†.
Cream: ⊗ Fluocortolone pivalate (p.1532·3); fluocortolone caproate (p.1532·2).
Skin disorders.

Schering, Ger.†.
Cream; lotion: ⊗ Fluocortolone pivalate (p.1532·3); fluocortolone caproate (p.1532·2).
Skin disorders.

Schering, Israel.
Cream; ointment: ⊗ Fluocortolone (p.1532·2); fluocortolone caproate (p.1532·2).
Skin disorders.

Schering, Turk.
Cream; ointment: ⊗ Fluocortolone pivalate (p.1532·3); fluocortolone caproate (p.1532·2).
Skin disorders.

Schering, Austria.
Fatty ointment; ointment: ⊗ Fluocortolone (p.1532·2); fluocortolone caproate (p.1532·2).
Skin disorders.

Schering, Ger.†; Intendis, Ital.; Intendis, Mex.†.
Ointment: ⊗ Fluocortolone (p.1532·2); fluocortolone caproate (p.1532·2).
Skin disorders.

Schering, Austria; Asche Chiesi, Ger.; Schering, Ger.; Schering, Ital.; Schering, Turk.
Tablets: ⊗ Fluocortolone (p.1532·2).
Corticosteroid.

Ultralan Crilane *Schering, Turk.*
⊗ Fluocortolone pivalate (p.1532·3); salicylic acid (p.1612·2).
Skin disorders.

Ultralan M *Intendis, Spain.*
⊗ Fluocortolone (p.1532·2).
Skin disorders.

Ultralanum Plain *Meadow, UK.*
⊗ Fluocortolone (p.1532·2) or fluocortolone pivalate (p.1532·3); fluocortolone caproate (p.1532·2).
Skin disorders.

Ultralente *Novo Nordisk, USA.*
⊗ Insulin zinc suspension (bovine) (p.443·2).
Diabetes mellitus.

Ultra-Levura *BMS, Spain; Gervasi, Spain.*
Saccharomyces boulardii (p.2372·3).
Restoration of the gastrointestinal flora.

Ultra-Levure *Biocodex, Fr.; Petsiavas (Πετσιαβας), Gr.; Biocodex, Switz.*
Saccharomyces boulardii (p.2372·3).
Diarrhoea; restoration of gastrointestinal flora.

Ultram *Ortho McNeil, USA.*
Tramadol hydrochloride (p.130·3).
Pain.

Ultra-Mag *Germania, Austria.*
Magnesium gluconate (p.1679·2).
Magnesium deficiency.

Ultra-Mg *Melisana, Belg.*
Magnesium gluconate (p.1679·2).
Magnesium deficiency; neuromuscular hyperexcitability.

Ultramicina
Note. This name is used for preparations of different composition.
Q-Pharma, Arg.
Ciprofloxacin (p.243·3).
Bacterial infections.

Lisapharma, Ital.†.
Fosfomycin calcium (p.278·2) or fosfomycin sodium (p.278·2).
Lidocaine hydrochloride (p.1862·3) is included in the intramuscular injection to alleviate the pain of injection.
Bacterial infections.

Q Pharma, Spain.
Ciprofloxacin hydrochloride (p.243·3).
Bacterial infections.

Ultramicina Plus *Dom, Spain†.*
⊗ Ciprofloxacin (p.243·3); fluocinolone acetonide (p.1531·3).
Otitis externa.

Ultramidol *Winthrop, Port.*
Bromazepam (p.964·3).
Anxiety.

Ultramol *Sterwin, UK.*
Paracetamol (p.108·1); codeine phosphate (p.37·2); caffeine (p.1116·3).
Fever; pain.

Ultramop *Canderm, Canad.*
Methoxsalen (p.1605·1).
Psoriasis; vitiligo.

Ultramox *Royton, Braz.†.*
Amoxicillin (p.202·2).
Bacterial infections.

Ultran *Randall, Mex.*
Ranitidine (p.1766·1).
Acid aspiration; gastric hypersecretion; gastro-oesophageal reflux; gastrointestinal haemorrhage; peptic ulcer; Zollinger-Ellison syndrome.

Ultra-Natal *Ethex, USA.*
Multivitamin and mineral preparation with carbonyl iron (p.1949·1) (p.1922·1).
Nutritional supplement in pregnancy and postnatal period.

Ultraneural *Raffo, Arg.*
Gabapentin (p.482·3).
Epilepsy.

Ultrapen *UAP, Indon.*
Ampicillin trihydrate (p.204·2).
Bacterial infections.

Ultrapenil *Vir, Spain.*
Ampicillin sodium (p.204·1); ampicillin benzathine (p.205·1).
Bacterial infections.

Ultraproct
Note. This name is used for preparations of different composition.
Schering, Arg.; Schering, Austral.; Schering, Austria; Schering, Belg.; Schering, Chile; Intendis, Fr.; Asche, Ger.†; Schering, Ger.†; Schering, Irl.; Intendis, Ital.; Intendis, Mex.; CSL, NZ; Schering, Philipp.; Schering, Turk.; Meadow, UK.
⊗ Fluocortolone pivalate (p.1532·3); fluocortolone caproate (p.1532·2); cinchocaine hydrochloride (p.1857·3).
Anorectal disorders; haemorrhoids.

Intendis, Braz.; Schering, Hong Kong†; Schering, Indon.
⊗ Fluocortolone pivalate (p.1532·3); fluocortolone caproate (p.1532·2); cinchocaine hydrochloride (p.1857·3); clemizole undecylate (p.574·1).
Anorectal disorders.

Intendis, Port.
⊗ Fluocortolone pivalate (p.1532·3); lidocaine hydrochloride (p.1862·3).
Anorectal disorders.

Schering, Rus.
⊗ Fluocortolone pivalate (p.1532·3); cinchocaine hydrochloride (p.1857·3).
Anorectal disorders.

Ultraproct N *Schering, Hong Kong; Schering, Indon.*
⊗ Fluocortolone pivalate (p.1532·3); lidocaine hydrochloride (p.1862·3).
Anorectal disorders.

Ultraquin
Note. This name is used for preparations of different composition.
Panalab, Arg.
Levofloxacin (p.292·2).
Bacterial infections.

Canderm, Canad.
Hydroquinone (p.1598·2); padimate O (p.1609·1); oxybenzone (p.1608·3).
Skin hyperpigmentation; sunscreen.

Ultraquin Plain *Canderm, Canad.*
Hydroquinone (p.1598·2).
Skin hyperpigmentation.

Ultrase *Axcan, Canad.; Axcan, USA.*
Pancrelipase (p.2360·1).
Pancreatic enzyme deficiency.

Ultraskin *Albephar, Venez.*
Octinoxate (p.1608·2); oxybenzone (p.1608·3); titanium dioxide (p.1617·3); zinc oxide (p.1621·2).
Sunscreen.

Ultrasol-F *Fresenius Kabi, Ger.*
Formaldehyde (p.1644·2); glyoxal (p.1646·1); glutaral (p.1645·2); benzalkonium chloride (p.1629·1).
Surface disinfection.

Ultrassol *Cosmofarma, Port.†.*
Octinoxate (p.1608·2); avobenzone (p.1589·3); octisalate (p.1608·2); oxybenzone (p.1608·3); octocrilene (p.1608·3); zinc oxide (p.1621·2); titanium dioxide (p.1617·3).
Sunscreen.

UltraTag *Mallinckrodt, Neth.*
Technetium-99m (p.2055·3) stannous chloride.
Red blood cell labelling.

UltraTag RBC *Mallinckrodt, Cz.*
Technetium-99m labelled stannous chloride (p.2055·3).
Red blood cell labelling.

Ultratard *Novo Nordisk, Austral.†; Novo Nordisk, Belg.†; Novo Nordisk, Fin.†; Novo Nordisk, Fr.†; Novo Nordisk, Ger.; Novo Nordisk, Gr.; Novo Nordisk, Irl.†; Novo Nordisk, Ital.; Novo Nordisk, NZ; Novo Nordisk, Neth.; Novo Nordisk, Norw.†; Novo Nordisk, Port.†; Novo Nordisk, Spain†; Novo Nordisk, Swed.; Novo Nordisk, UK†.*
⊗ Insulin zinc suspension (crystalline) (human, pyr, monocomponent) (p.443·2).
Formerly known as Human Ultratard.
Diabetes mellitus.

Ultratard HM *Novo Nordisk, Austria; Novo Nordisk, Cz.†; Novo Nordisk, Hong Kong; Novo Nordisk, Malaysia†; Novo Nordisk, Pol.; Novo Nordisk, S.Afr.†; Novo Nordisk, Singapore†; Novo Nordisk, Switz.*
⊗ Insulin zinc suspension (crystalline) (human) (p.443·2).
Diabetes mellitus.

Ultravate *Westwood-Squibb, Canad.; Westwood-Squibb, USA.*
⊗ Ulobetasol propionate (p.1546·2).
Skin disorders.

Ultra-Vinca *Tecnimede, Port.*
Vinpocetine (p.2414·2).
Cerebral and peripheral vascular disorders.

Ultraviral *Raffo, Arg.*
Lamivudine (p.895·1).
HIV infection.

Ultraviral Duo *Raffo, Arg.*
Lamivudine (p.895·1); zidovudine (p.913·3).
HIV infection.

Ultravisin *Farmigea, Ital.*
Myrtillus (p.2349·3); *dl*-alpha tocoferil acetate (p.1992·3).
Vascular retinopathy; vision disorders.

Ultravist *Schering, Austral.; Schering, Austria; Schering, Belg.; Berlex, Canad.†; Schering, Cz.; Schering, Denm.; Schering, Fin.; Schering, Fr.; Schering, Ger.; Schering, Gr.; Bayer Schering, Hung.; Schering, Israel; Schering, Ital.; Bayer, NZ; Schering, Neth.; Schering, Norw.; Bayer, Port.; Schering, Rus.; Schering, S.Afr.; Schering, Spain; Schering, Swed.; Schering, Switz.; Schering, UK; Berlex, USA.*
Iopromide (p.1485·1).
Contrast medium for computerised tomography.

Ultravite *Stanley, Canad.†.*
Vitamin and mineral preparation (p.1922·1).

Ultraxime *Pediatrica, Philipp.*
Cefixime (p.224·3).
Bacterial infections.

Ultrazac *Zydus, India.*
Tramadol hydrochloride (p.130·3); paracetamol (p.108·1).
Pain.

Ultrazyme *Visiontech, Arg.; AMO, Austral.; Farmasa, Braz.†; AMO, Canad.; Allergan, NZ; Allergan, USA.*
Subtilisin A (p.2393·3) (p.1622·2).
Cleanser for contact lenses.

Ultren *Sanova, Austria.*
Vitamin A acetate (p.1973·1); ascorbic acid (p.1983·3).
Cold and influenza symptoms; vitamin deficiency.

Ultreon *Pfizer, Ger.*
Azithromycin (p.207·1).
Mycobacterial infections.

Ultrepyl *Ultra, Mex.*
Carbamazepine (p.471·3).
Diabetic neuropathy; epilepsy; neuralgias.

Ultrex *Carrington, USA.*
Acemannan (p.2244·2).
Wounds.

Ultrimin *Mintlab, Chile.*
Ergotamine tartrate (p.620·1); dipyrone (p.49·2); chlorphenamine maleate (p.571·3); caffeine (p.1116·3).
Migraine.

Ultromep *Ultra, Mex.*
Omeprazole (p.1753·1).
Acid aspiration; gastro-oesophageal reflux; peptic ulcer; Zollinger-Ellison syndrome.

Ulxit *Sandoz, Austria.*
Nizatidine (p.1751·2).
Gastro-oesophageal reflux; peptic ulcer.

Ulzec *Triomed, S.Afr.*
Omeprazole (p.1753·1).
Gastro-oesophageal reflux; peptic ulcer; Zollinger-Ellison syndrome.

Ulzol *Pliva, Hung.; Dabur, India†; Ethica, Indon.; Pliva Krakow, Pol.; Pliva, Rus.*
Omeprazole (p.1753·1).
Gastro-oesophageal reflux; peptic ulcer; Zollinger-Ellison syndrome.

Um Instante *Farmabraz, Braz.†.*
Tetracaine (p.1871·2); eugenol (p.2301·2); phenol (p.1656·1); menthol (p.2340·1).
Mouth disorders.

Umafen *Umeda, Thai.*
Ibuprofen (p.64·2).
Fever; musculoskeletal and joint disorders; pain.

Umamett *Umeda, Thai.*
Cimetidine (p.1716·2).
Gastro-oesophageal reflux; peptic ulcer; Zollinger-Ellison syndrome.

Uman-Big *Kedrion, Ital.†.*
A hepatitis B immunoglobulin (p.2214·3).
Passive immunisation.

Uman-Cig *Kedrion, Ital.†.*
A cytomegalovirus immunoglobulin (p.2208·3).
Passive immunisation.

Uman-Complex DI *Kedrion, Ital.*
A factor IX preparation (p.1068·3).
Deficiency of factors II, IX or X.

Uman-Cry DI *Kedrion, Ital.†.*
Factor VIII (p.1067·1).
Factor VIII deficiency.

Uman-Gamma *Kedrion, Ital.†.*
A normal immunoglobulin (p.2225·3).
Hypogammaglobulinaemia; passive immunisation.

Uman-Serum *Kedrion, Ital.*
⊗ Plasma protein fraction (p.1076·2).
Hypoproteinaemia; shock.

Uman-Vzig *Kedrion, Ital.†.*
A varicella-zoster immunoglobulin (p.2242·1).
Passive immunisation.

Umaren *EGIS, Hung.*
Ranitidine hydrochloride (p.1766·1).
Acid aspiration; gastro-oesophageal reflux; peptic ulcer; Zollinger-Ellison syndrome.

Umasam *Szama, Arg.*
Undecenoic acid monoethanolamide (p.549·3).
Fungal skin infections; seborrhoea.

Umatrope *Lilly, Fr.*
⊗ Somatropin (p.1799·3).
Growth disorders in renal failure; growth hormone deficiency; Turner's syndrome.

Umbrella
Note. This name is used for preparations of different composition.
Medihealth, Mex.
Zinc oxide (p.1621·2); octinoxate (p.1608·2); oxybenzone (p.1608·3); enzacamene (p.1597·1).
Sunscreen.

Roemmers Medihe, Venez.
A range of sunscreen preparations.

Umbrella Plus *Medihealth, Mex.*
SPF 30+: Octinoxate (p.1608·2); bisoctrizole (p.1591·2); enzacamene (p.1597·1); avobenzone (p.1589·3).
Sunscreen.

Umbrium *Kwizda, Austria.*
Diazepam (p.986·3).
Anxiety disorders; skeletal muscle spasm; sleep disorders.

Umckaloabo *Iso, Ger.; Farmasa, Mex.*
Pelargonium reniforme/sidoides (p.2311·1).
Respiratory-tract infections; upper respiratory-tract infections.

Umckalor *Schwabe, Rus.*
Pelargonium sidoides (p.2311·1).
Upper respiratory-tract infections.

Umckan *Farmoquimica, Braz.*
Pelargonium sidoides (p.2311·1).
Respiratory-tract infections.

Umecta *JSJ, USA.*
⊗ Urea (p.1620·2).
Nail and skin disorders.

Umeda Para-J *Umeda, Thai.*
Paracetamol (p.108·1).
Lidocaine hydrochloride (p.1862·3) is included in this preparation to alleviate the pain of injection.
Fever; pain.

Umine *Douglas, NZ†; Douglas, Singapore†.*
⊗ Phentermine hydrochloride (p.2162·2).
Obesity.

Umoder *Rafarm, Gr.*
⊗ Atenolol (p.1217·3).
Angina pectoris; arrhythmias; hypertension.

Umolit *Rafarm, Gr.*
Buspirone hydrochloride (p.965·3).
Anxiety.

Umprel *Novartis, Austria.*
Bromocriptine mesilate (p.798·1).
Parkinsonism.

Umuline NPH *Lilly, Fr.*
⊗ Isophane insulin injection (human, prb) (p.443·2).
Formerly known as Umuline Protamine Isophane (NPH).
Diabetes mellitus.

Umuline Profil 30 *Lilly, Fr.*
⊗ A mixture of neutral insulin injection (human, prb) 30% and isophane insulin injection (human, prb) 70% respectively (p.443·2).
Diabetes mellitus.

Umuline Rapide *Lilly, Fr.*
⊗ Neutral insulin injection (human, prb) (p.443·2).
Diabetes mellitus.

Umuline Zinc *Lilly, Fr.†.*
⊗ Insulin zinc suspension (human, prb) (crystalline) (p.443·2).
Diabetes mellitus.

Umuline Zinc Compose *Lilly, Fr.†.*
⊗ Insulin zinc suspension (human, prb) (amorphous 30%, crystalline 70%) (p.443·2).
Diabetes mellitus.

Una A Gel *Kowa, Jpn.*
⊗ Dexamethasone acetate (p.1526·1); crotamiton (p.1593·2); cinchocaine hydrochloride (p.1857·3).

Una De Gato *Hochstetter, Chile†.*
Uncaria tomentosa.
Inflammation.

Una Repellent *Kowa, Jpn.*
Diethyltoluamide (p.2041·1); N-(2-ethylhexyl)-bicyclo(2,2,1)-hepta-5-en-2,3-dicarboxyimide.
Insect repellent.

Unacefin *Fako, Turk.*
Ceftriaxone (p.238·1).
Lidocaine (p.1862·3) is included in the intramuscular injection to alleviate the pain of injection.
Bacterial infections.

Unacid *Pfizer, Ger.*
Sulbactam sodium (p.335·1); ampicillin sodium (p.204·1).
Bacterial infections.

Unacid PD *Pfizer, Ger.*
Sultamicillin (p.344·1) or sultamicillin tosilate (p.344·1).
Bacterial infections.

Unacim *Pfizer, Fr.*
Sulbactam sodium (p.335·1); ampicillin sodium (p.204·1).
Lidocaine hydrochloride (p.1862·3) is included in the intramuscular injection to alleviate the pain of injection.
Bacterial infections.

Unagen *Medifarma, Indon.*
Dipyrone (p.49·2).
Pain.

Unakalm *Tecnifar, Port.*
Ketazolam (p.1002·2).
Anxiety.

Un-Alfa *Leo, Fr.*
Alfacalcidol (p.1986·1).
Hypocalcaemia; hypoparathyroidism; renal osteodystrophy; rickets.

Unalium *Guardian, Indon.*
Flunarizine (p.580·3).
Cerebral and peripheral vascular disorders; vestibular disorders.

Unalmes *Biofarma, Braz.†; Andromaco, Chile.*
Algestone acetophenide (p.2082·1); estradiol enantate (p.2097·3).
Combined injectable contraceptive.

Unamine *Unison, Thai.*
Hydroxyzine hydrochloride (p.581·2).
Anxiety; hypersensitivity reactions; pruritus.

Unamol *Senosiain, Mex.*
Cisapride (p.1720·3).
Constipation; dyspepsia; gastro-oesophageal reflux; gastrointestinal motility disorders; gastroparesis.

Unaril *Unison, Thai.*
Enalapril (p.1276·1).
Heart failure; hypertension.

Unasal *Senosiain, Mex.*
Terbinafine hydrochloride (p.546·3).
Fungal infections of the skin, nails, and scalp.

UN-Aspirin *Zee, USA.*
Paracetamol (p.108·1).
Fever; pain.

Unasyn
Note. This name is used for preparations of different composition.
Pfizer, Chile; Pfizer, Israel; Pfizer, Rus.; Pfizer, USA.
Sulbactam sodium (p.335·1); ampicillin sodium (p.204·1).
Bacterial infections.

Pfizer, Indon.
Sultamicillin (p.344·1).
Bacterial infections.

Pfizer, Austria; Pfizer, Braz.; Pfizer, Cz.; Pfizer, Hong Kong; Pfizer, Hung.; Pfizer, Ital.; Pfizer, Malaysia; Pfizer, Philipp.; Pfizer, Singapore; Farmasierra, Spain; Pfizer, Thai.; Pfizer, Venez.
Injection: Sulbactam sodium (p.335·1); ampicillin sodium (p.204·1).
Lidocaine hydrochloride (p.1862·3) is included in some intramuscular injections to alleviate the pain of injection.
Bacterial infections.

Pfizer, Pol.
Injection: Ampicillin (p.204·1); sulbactam (p.335·1).
Bacterial infections.

Pfizer, Ital.
Oral suspension: Sultamicillin (p.344·1).
Bacterial infections.

Pfizer, Braz.; Pfizer, Philipp.; Farmasierra, Spain†.
Oral suspension; tablets: Sultamicillin tosilate (p.344·1).
Bacterial infections.

Pfizer, Cz.; Pfizer, Hung.
Oral suspension; tablets: Sultamicillin (p.344·1) or sultamicillin tosilate (p.344·1).
Bacterial infections.

Pfizer, Hong Kong; Pfizer, Malaysia; Pfizer, Pol.; Pfizer, Singapore; Pfizer, Venez.
Oral suspension; tablets: Sultamicillin (p.344·1).
Bacterial infections.

Pfizer, Austria; Pfizer, Ital.
Tablets: Sultamicillin tosilate (p.344·1).
Bacterial infections.

Pfizer, Thai.
Tablets: Sultamicillin (p.344·1).
Bacterial infections.

Unasyna
Note. This name is used for preparations of different composition.
Pfizer, Chile.
Sultamicillin (p.344·1).
Bacterial infections.

Pfizer, Arg.; Pfizer, Mex.
Injection: Sulbactam sodium (p.335·1); ampicillin sodium (p.204·1).
Bacterial infections.

Pfizer, Mex.
Oral suspension: Sultamicillin (p.344·1).
Bacterial infections.

Pfizer, Arg.
Tablets: Sultamicillin tosilate (p.344·1).
Bacterial infections.

Unasyn-S *Pfizer, Jpn†.*
Ampicillin sodium (p.204·1); sulbactam sodium (p.335·1).
Bacterial infections.

Unat
Roche, Austria; Roche, Ger.
⊗ Torasemide (p.1415·3) or torasemide sodium (p.1416·1).
Heart failure; hypertension; oedema; renal insufficiency.

Roche, Chile†; Roche, Hong Kong; Roche, S.Afr.; Roche, Thai.
⊗ Torasemide (p.1415·3).
Cirrhosis with ascites; heart failure; hypertension; nephrotic syndrome; oedema.

Unathene *Streuli, Switz.*
Dexpanthenol (p.2362·1); mint oil (p.2345·2); camphor oil (p.2273·3).
Nasal disorders.

Unatol *Streuli, Switz.*
Vitamin A palmitate (p.1973·1); dexpanthenol (p.2362·1); allantoin (p.1588·1); mint oil (p.2345·2); camphor oil (p.2273·3).
Nasal disorders.

Unava *Sandoz, Arg.*
Gliclazide (p.440·3).
Diabetes mellitus.

Uncadol *Knop, Chile.*
Uncaria tomentosa.
Inflammation; musculoskeletal, joint, and peri-articular disorders.

Uncough *Yung Shin, Hong Kong.*
Cloperastine (p.1554·3).
Coughs.

Undecyl *Kimia, Indon.; Rekah, Israel.*
Undecenoic acid (p.549·2); zinc undecenoate (p.549·3).
Fungal skin infections.

Undelenic *Gordon, USA.*
Undecenoic acid (p.549·2).
Fungal skin infections.

Underacid *Pliva, Spain.*
Ranitidine hydrochloride (p.1766·1).
Acid aspiration; gastric hyperacidity; gastro-oesophageal reflux; peptic ulcer; Zollinger-Ellison syndrome.

Underan *Saval, Chile.*
Mupirocin (p.302·3).
Bacterial skin infections.

Undestor *Organon, Arg.; Organon, Belg.†; Organon, Cz.; Organon, Pol.; Organon, Swed.*
⊗ Testosterone undecylate (p.2130·2).
Male hypogonadism; male infertility; osteoporosis.

Undex *Melisana, Switz.*
Clotrimazole (p.530·1).
Fungal foot infections.

Undofen *GSK, Pol.*
Cetylpyridinium chloride (p.1635·1); undecenoic acid (p.549·2).
Fungal and bacterial skin infections.

Undo-Pate *Ilsan, Turk.*
Undecenoic acid (p.549·2); zinc undecenoate (p.549·3).
Fungal skin and nail infections.

Undo-Talk *Ilsan, Turk.*
Undecenoic acid (p.549·2); zinc undecenoate (p.549·3); boric acid (p.2268·1); salicylic acid (p.1612·2).
Fungal skin infections.

Unex Amarum *Repha, Ger.†.*
Gentian (p.2310·3); absinthium (p.2244·1); ginger (p.1732·3).
Appetite loss; dyspepsia; meteorism.

Unexym MD S *Repha, Ger.*
Pancreatin (p.2360·1); betaine hydrochloride (p.2265·2).
Digestive disorders.

Unexym mono *Repha, Ger.*
Pancreatin (p.2360·1).
Pancreatic disorders.

Ung Vernleigh *Adcock Ingram, S.Afr.*
Sulfanilamide (p.343·1); merbromin (p.1652·1); peru balsam (p.2365·3); cod-liver oil (p.1935·2).
Burns; ulcers; wounds.

Ungava *Aerokure, Canad.*
Diethyltoluamide (p.2041·1).
Insect repellent.

Ungel *Stiefel, Arg.*
Triclocarban (p.1665·2).
Dandruff.

Ungolen *Slovakofarma, Cz.†.*
Milk thistle (p.1452·1); cnicus benedictus (p.2285·2); peppermint leaf (p.1761·2); agrimony (p.2249·2); achillea (p.2245·2); fennel (p.2302·3); taraxacum (p.2395·1).
Biliary disorders; digestive disorders.

Unguentacid *Mucos, Ger.*
Linoleic acid triglyceride (p.2308·2); vitamin A palmitate (p.1973·1); *dl*-alpha tocoferil acetate (p.1992·3).
Skin disorders.

Unguentine *Mentholatum, USA.*
Phenol (p.1656·1); zinc oxide (p.1621·2); eucalyptus oil (p.2301·2); thyme oil (p.2401·2).
Pain in minor burns.

Unguentine Maximum Strength *Lee, USA.*
Benzocaine (p.1854·1); resorcinol (p.1612·1).

Unguentine Plus *Mentholatum, USA.*
Lidocaine hydrochloride (p.1862·3); chloroxylenol (p.1640·2); phenol (p.1656·1).
Skin disorders.

Unguento del Bebe *Nordin, Mex.*
Zinc (p.1999·1).
Skin disorders.

Unguento Callicida Naion *Puerto Galiano, Spain.*
Lactic acid (p.2329·3); salicylic acid (p.1612·2).
Callosities.

Unguento Cruz *Tocogino, Mex.*
Sulfathiazole (p.343·2); zinc (p.1999·1).

Unguento Dermico Antibiotico
Note. This name is used for preparations of different composition.
Drag, Chile†.
Neomycin (p.305·1); polymyxin B (p.318·2).
Bacterial skin infections.

Laboratorios Chile, Chile.
Neomycin (p.305·1); bacitracin (p.210·3).
Bacterial skin infections.

Unguento Leon *Beiersdorf, Chile.*
Methyl salicylate (p.85·3); camphor (p.2273·2).
Musculoskeletal and joint disorders.

Unguento de la Madre *Nordin, Mex.*
Vitamins; allantoin (p.1588·1); zinc (p.1999·1).
Skin disorders.

Unguento Morry *Teofarma, Spain.*
Salicylic acid (p.1612·2).
Calluses.

Unguento Picrato de Butesin *Abbott, Braz.*
Butyl aminobenzoate picrate (p.1857·1).
Skin disorders.

Unguento Sulfatiazol Rojtier *Nordin, Mex.*
Sulfathiazole (p.343·2); zinc (p.1999·1).
Skin infections.

Unguentolan
Note. This name is used for preparations of different composition.
Heyl, Ger.
Cod-liver oil (p.1935·2).
Wounds.

Gebro, Switz.
Cod-liver oil (p.1935·2); vitamin A acetate (p.1973·1).
Burns; superficial wounds.

Unguentum contra haemorrhoides PCH
Pharmachemie, Neth.
Lidocaine hydrochloride (p.1862·3).
Haemorrhoids.

Unguentum lymphaticum *PGM, Ger.*
Hemlock; colchicum (p.558·1); digitalis (p.1258·3); podophyllum (p.1610·2); hyoscyamus (p.2323·3); calendula (p.2273·1).
Lymphatic disorders.

Unguentum M *Boots Healthcare, Irl.; Crookes Healthcare, UK.*
Emollient.
Barrier cream; dry skin; nappy rash; pharmaceutical vehicle.

Unguentum Molle *Profarma, Cz.†.*
Emollient.
Dry skin disorders.

Unguentum Simplex L *Lachema, Cz.†.*
Emollient.
Dry skin disorders.

Unguentum Undecylenicum *Chema-Elektromet, Pol.*
Undecenoic acid (p.549·2); zinc undecenoate (p.549·3).
Fungal skin infections.

Ungvita
Note. This name is used for preparations of different composition.
Bayer Consumer, Austral.†.
Cream: Zinc oxide (p.1621·2).
Minor cuts and abrasions; skin disorders.

Bayer Consumer, Austral.; Roche, NZ.
Ointment: Vitamin A palmitate (p.1973·1).
Chafed skin; cracked heels; cracked nipples; dry skin; minor burns; skin trauma.

Uni Amox *Uniao Quimica, Braz.*
Amoxicillin trihydrate (p.202·2).
Bacterial infections.

Uni B Complex Poliv *Uniao Quimica, Braz.†.*
Vitamin B substances (p.1922·1).

Uni Bromazepax *Uniao Quimica, Braz.*
Bromazepam (p.964·3).
Anxiety.

Uni Carbamaz *Uniao Quimica, Braz.*
Carbamazepine (p.471·3).
Epilepsy; neuritis.

Uni Cetotifen *Uniao Quimica, Braz.†.*
Ketotifen fumarate (p.582·2).

Uni Clonazepax *Uniao Quimica, Braz.*
Clonazepam (p.478·2).
Anxiety; epilepsy.

Uni Dexa *Uniao Quimica, Braz.*
⊗ Dexamethasone acetate (p.1526·1) or dexamethasone phosphate (p.1526·2).
Formerly known as Uni Dexametason.
Corticosteroid.

Uni Diamicron *Servier, Belg.; Servier, Spain.*
Gliclazide (p.440·3).
Diabetes mellitus.

Uni Diazepax *Uniao Quimica, Braz.*
Diazepam (p.986·3).
Anxiety.

Uni Doxiciclin *Uniao Quimica, Braz.*
Doxycycline hyclate (p.267·1).
Bacterial infections.

Uni Fenicol *Genom, Braz.*
Chloramphenicol (p.239·3).
Bacterial eye infections.

Uni Gliben *Uniao Quimica, Braz.†.*
Glibenclamide (p.440·1).
Diabetes mellitus.

Uni Haloper *Uniao Quimica, Braz.*
Haloperidol (p.1000·2).
Psychoses.

Uni Hioscin *Uniao Quimica, Braz.*
Hyoscine butylbromide (p.1734·1).
Muscle spasm.

Uni Imiprax *Uniao Quimica, Braz.*
Imipramine (p.400·2).
Depression; nocturnal enuresis; pain.

Uni Masdil *Esteve, Spain.*
Diltiazem hydrochloride (p.1265·1).
Angina pectoris; hypertension.

Uni Propralol *Uniao Quimica, Braz.*
⊗ Propranolol hydrochloride (p.1380·3).
Arrhythmias; hypertension.

Uni Salve *Smith & Nephew, Austral.†.*
Soft paraffin (p.2031·3).
Barrier cream; minor skin irritations.

Uni Timolol *Unimed, Cz.*
⊗ Timolol maleate (p.1412·3).
Glaucoma.

Uni Vir *Uniao Quimica, Braz.*
Aciclovir (p.862·3).
Herpesvirus infections.

Uni-Ace *URL, USA.*
Paracetamol (p.108·1).

Uniakum
Note. This name is used for preparations of different composition.
Gache, Venez.
Oral drops: Paracetamol (p.108·1); chlorphenamine maleate (p.571·3).
Cold and influenza symptoms.

Gache, Venez.
Tablets: Paracetamol (p.108·1); caffeine (p.1116·3); chlorphenamine maleate (p.571·3).
Cold and influenza symptoms.

Unibac *Lilly, Belg.†.*
Dirithromycin (p.266·2).
Bacterial infections.

Unibaryt-R *IFET (ΙΦΕΤ), Gr.*
Barium sulfate (p.1477·2).
Radiographic contrast medium.

Unibase *Warner Chilcott, USA.*
Vehicle for topical preparations.

Unibasis *Pampa, Pol.*
White soft paraffin (p.2031·2); liquid paraffin (p.2030·3); glycerol (p.2314·2).
Skin disorders.

Unibenestan *Sanofi-Aventis, Spain.*
Alfuzosin hydrochloride (p.2183·1).
Benign prostatic hyperplasia.

Unibios Simple *Fabra, Arg.*
Dipyrone (p.49·2).
Fever; inflammation; pain.

Unibron *Unipharm, Mex.*
⊗ Salbutamol (p.1131·2).
Asthma.

† This preparation may no longer be actively marketed

⊗ Contains a substance whose use may be restricted in certain sports (see p.vii)

Unicaine
Note. This name is used for preparations of different composition.
Thea, Belg.
Oxybuprocaine hydrochloride (p.1867·3).
Local anaesthesia.

Unipharm, Mex.
⊗ Lidocaine hydrochloride (p.1862·3).
Adrenaline acid tartrate (p.1203·2) is included in some preparations as a vasoconstrictor to diminish absorption and localise the effect of the local anaesthetic.
Local anaesthesia.

Unical Sooft, Ital.†.
Calcium carbonate (p.1714·1).
Calcium deficiency; calcium supplement.

Unicalm Raffo, Arg.
Ketorolac (p.75·2).
Formerly contained rofecoxib.
Inflammation; pain.

Unicap
Note. This name is used for preparations of different composition.
Pharmacia, Braz.; Pharmacia, Cz.†; Ferrosan, Rus.†; Upjohn, USA; Pharmacia, Venez.†.
Vitamin preparations with or without minerals (p.1922·1).

Unison, Thai.
Paracetamol (p.108·1).
Fever; pain.

Unicap M Pfizer, Philipp.
Vitamin and mineral preparation (p.1922·1).
Nutritional supplement.

Unicap T Eczacibasi, Turk.
Vitamin and mineral preparation (p.1922·1).

Unicarbazan Unichem, India.
Diethylcarbamazine citrate (p.143·1); chlorphenamine maleate (p.571·3).
Filariasis; tropical eosinophilia.

Unicet Bal, Thai.
Cetirizine hydrochloride (p.570·3).
Allergic rhinitis; allergic skin disorders.

Uni-Check Exxe, Ital.
Test for glucose in blood (p.2314·1).

Unichol Merck, Austria.
Hymecromone (p.2323·2).
Biliary-tract disorders.

Unicid Prospa, Ital.†.
Cefonicid sodium (p.226·2).
Lidocaine hydrochloride (p.1862·3) is included in the intramuscular injection to alleviate the pain of injection.
Gram-negative bacterial infections.

Unicide Unison, Thai.
Niclosamide (p.151·1).
Cestode infections.

Unicil 3/1 Unipharm, Mex.
Procaine benzylpenicillin (p.319·2); benzylpenicillin sodium (p.213·1).
Bacterial infections.

Unicil 6:3:3 Unipharm, Mex.
Benzathine benzylpenicillin (p.212·1); procaine benzylpenicillin (p.319·2); benzylpenicillin sodium (p.213·1).
Bacterial infections.

Unicil L-A Unipharm, Mex.
Benzathine benzylpenicillin (p.212·1).
Bacterial infections.

Unicil Mega Unipharm, Mex.
Benzylpenicillin sodium (p.213·1).
Bacterial infections.

Unicilina Reig Jofre, Spain.
Benzylpenicillin sodium (p.213·1).
Bacterial infections.

Uniclar Schering-Plough, Arg.; Essex, Chile; Essex, Ital.†; Schering-Plough, Mex.; Schering-Plough, Venez.†.
⊗ Mometasone furoate (p.1539·3).
Allergic rhinitis; nasal polyps; sinusitis.

Uniclonax Unison, Philipp.
Diclofenac sodium (p.44·3).
Gout; inflammation; musculoskeletal and joint disorders; pain.

Uniclophen Unimed, Cz.
Diclofenac sodium (p.44·3).
Inflammatory eye disorders; intraoperative miosis inhibition; ocular pain; prevention of postoperative cystoid macular oedema.

Uniclor Solfran, Mex.
Chloramphenicol (p.239·3).
Bacterial infections.

Uni-Colex Universal, Hong Kong.
Guaifenesin (p.1561·3).
Coughs.

Unicomplex-T & M Rugby, USA.
Multivitamin and mineral preparation with iron and folic acid (p.1922·1).

Unicontin Modi-Mundipharma, India; Meda, Port.
Theophylline (p.1140·1).
Obstructive airways disease.

Unicordium Organon, Fr.
Bepridil hydrochloride (p.1225·1).
Angina pectoris.

Unidasa Roux-Ocefa, Arg.
Hyaluronidase (p.2321·1).

Unidazol Zuoz, Venez.
Secnidazole (p.846·3).
Protozoal infections.

Uniderm
Note. This name is used for preparations of different composition.
Smith & Nephew, Austral.†.
Moisturiser.

Schering-Plough, Denm.; Schering-Plough, Swed.
⊗ Hydrocortisone (p.1535·2).
Anogenital pruritus; eczema; skin disorders.

Unison, Hong Kong; Unison, Malaysia; Unison, Singapore; Unison, Thai.
⊗ Clobetasol propionate (p.1522·2).
Skin disorders.

Pharmaniaga, Malaysia†; Raza, Malaysia†.
Miconazole nitrate (p.541·3).
Fungal skin and nail infections.

Unipharm, Mex.
Sodium fusidate (p.279·3).
Bacterial skin infections.

Unidermo Uniderm, Ital.
Lactic acid (p.2329·3); collagen (p.2286·1).
Skin cleansing.

Unidet Pfizer, Canad.
Tolterodine tartrate (p.2198·1).
Bladder instability.

Unidie Fournier SA, Spain.
Cefonicid sodium (p.226·2).
Bacterial infections.

Unidor Sanofi-Aventis, Spain.
Aspirin (p.20·3); caffeine (p.1116·3).
Fever; pain.

Unidoscor Biotech, Venez.†.
Amlodipine besilate (p.1214·1).
Angina pectoris; hypertension.

Unidox
Note. A similar name is used for preparations of different composition (see below).
Yamanouchi, Cz.†; Astellas, Neth.; Astellas, Pol.; Yamanouchi, Rus.
Doxycycline (p.267·1).
Bacterial infections.

Uni-Dox
Note. A similar name is used for preparations of different composition (see above).
Unipharm, Mex.
Diclofenac sodium (p.44·3); thiamine hydrochloride (p.1976·1); pyridoxine hydrochloride (p.1978·2); cyanocobalamin (p.1980·2).
Neuralgia; neuritis; neuropathy.

Unidrin D Unipharm, Mex.
Pseudoephedrine (p.1571·2); chlorphenamine (p.572·2).
Influenza symptoms.

Unidrol Unichem, India†.
⊗ Methylprednisolone acetate (p.1538·2).
Corticosteroid.

Unidrox ACRAF, Cz.; Angelini, Ital.
Prulifloxacin (p.320·1).
Bacterial infections.

Uni-Dur Schering-Plough, Cz.†; Schering-Plough, Mex.†.
Theophylline (p.1140·1).
Obstructive airways disease.

Unienzyme
Note. This name is used for preparations of different composition.
Unichem, India.
Oral liquid: Amylase (p.2256·3); papain (p.2362·3).
Dyspepsia; flatulence.

Unichem, India.
Tablets: Amylase (p.2256·3); papain (p.2362·3); simeticone (p.1770·2); nicotinamide (p.1957·3); activated charcoal (p.1435·2).
Dyspepsia; flatulence.

Unif Tek, Thai.
⊗ Triamcinolone acetonide (p.1544·3).
Skin and scalp disorders.

Uni-Febrin Universal, Hong Kong.
Paracetamol (p.108·1).
Fever; pain.

Unifed Altaire, USA.
Pseudoephedrine hydrochloride (p.1571·2).
Nasal congestion.

Uni-Fedra Compound Universal, Hong Kong.
Triprolidine hydrochloride (p.592·3); pseudoephedrine hydrochloride (p.1571·2); codeine phosphate (p.37·2).
Coughs; nasal congestion.

Unifedrine Uniao Quimica, Braz.
⊗ Ephedrine sulfate (p.1558·2).

Uni-Fenil Unipharm, Mex.†.
Diclofenac (p.44·2).
Inflammation; pain.

Unifenitoin Uniao Quimica, Braz.
Phenytoin (p.495·2) or phenytoin sodium (p.495·2).
Epilepsy.

Unifenobarb Uniao Quimica, Braz.
Phenobarbital (p.492·2).
Epilepsy.

Unifer
Note. This name is used for preparations of different composition.
Rider, Chile.
Ferrous gluceptate (p.1938·3).
Iron deficiency; iron-deficiency anaemia.

Tosi, Ital.†.
Iron sucrose (p.1953·2).
Iron-deficiency anaemia.

Grossman, Mex.
Iron carbonyl (p.1950·3).
Iron deficiency; iron-deficiency anaemia.

Uniferfol Grossman, Mex.
Iron carbonyl (p.1950·3); folic acid (p.1940·1).
Folic acid deficiency; iron-deficiency anaemia.

Unifiber Niche, USA.
Powdered cellulose (p.2143·1).
Constipation.

Unifibre Niche, Singapore†.
Dietary fibre supplement (p.1922·1).
Constipation.

Unifilin Uniao Quimica, Braz.
Aminophylline (p.1114·2).
Asthma.

Uniflex Xepa-Soul Pattinson, Malaysia†; Xepa-Soul Pattinson, Singapore†.
⊗ Betamethasone valerate (p.1519·1).
Skin disorders.

Uniflex-N Xepa-Soul Pattinson, Malaysia†.
⊗ Betamethasone valerate (p.1519·1); neomycin sulfate (p.305·1).
Infected skin disorders.

Uniflox
Note. This name is used for preparations of different composition.
Raffo, Arg.
Levofloxacin (p.292·2).
Bacterial infections.

Bayer, Fr.
Ciprofloxacin hydrochloride (p.243·3).
Cystitis; gonococcal urethritis.

Uniflu with Gregovite C Alliance, UK.
Uniflu tablets, phenylephrine hydrochloride (p.1568·1); caffeine (p.1116·3); codeine phosphate (p.37·2); diphenhydramine hydrochloride (p.577·2); paracetamol (p.108·1); Gregovite C tablets, ascorbic acid (p.1983·3).
Cold and influenza symptoms; nasal congestion.

Unifluid Thea, Fr.
Povidone (p.2146·1).
Dry eyes.

Unifungicid Unia, Pol.
Chlormidazole hydrochloride (p.529·1).
Fungal and bacterial skin and nail infections.

Unifungin Unipharma, Gr.
Econazole (p.531·1).
Fungal skin infections.

Unifyl Mundipharma, Austria; Mundipharma, Switz.
Theophylline (p.1140·1).
Obstructive airways disease.

Unigamol Norgine, Ger.†.
Evening primrose oil (p.2302·1).
Atopic eczema.

Unigan Unison, Hong Kong; Unison, Thai.
Hyoscine butylbromide (p.1734·1); paracetamol (p.108·1).
Smooth muscle pain and spasm.

Unigo Unison, Hong Kong; Unison, Thai.
Metronidazole (p.837·1).
Amoebiasis; anaerobic bacterial infections; trichomoniasis; vaginosis.

Uni-Gold hCG Kora, Irl.
Pregnancy test (p.2372·1).

Unigrip Uniao Quimica, Braz.
Paracetamol (p.108·1).
Fever; pain.

Unigyn
Note. This name is used for preparations of different composition.
Sigma, Braz.
Secnidazole (p.846·3).
Protozoal infections.

Uniderm, Ital.
Lactic acid (p.2329·3).
Personal hygiene; vaginal douche.

Unihep Leo, Irl.†.
Heparin sodium (p.1301·2).
Thromboembolic disorders.

Unihist Unison, Hong Kong; Unison, Thai.
Brompheniramine maleate (p.569·2); phenylephrine hydrochloride (p.1568·1).
Allergic rhinitis; asthma; cold symptoms.

Unihype Samjin, Philipp.; Unimex, Philipp.
Captopril (p.1239·2).
Hypertension.

Unijab Rotexmedica, Singapore.
Algestone acetophenide (p.2082·1); estradiol benzoate butyrate.
Combined injectable contraceptive.

Uni-Kaotin Universal, Hong Kong.
Kaolin (p.1738·1); pectin (p.2145·2).
Diarrhoea.

Uniket Lacer, Spain.
Isosorbide mononitrate (p.1318·3).
Angina pectoris.

Uni-Kinase Unichem, India.
Urokinase (p.1420·1).
Thromboembolic disorders.

Uniklar Nevzat, Turk.
Clarithromycin (p.248·2).
Bacterial infections.

Unikpef Unique, Rus.
Pefloxacin mesilate (p.313·3).
Bacterial infections.

Unil Umeda, Thai.
Glibenclamide (p.440·1).
Diabetes mellitus.

Unilair 3M, Cz.†; 3M, Ger.
Theophylline (p.1140·1).
Obstructive airways disease.

Unilan Laquifa, Port.
Alprazolam (p.960·1).
Anxiety; panic disorder.

Unilarm Novartis Ophthalmics, Hung.†; Europhta, Mon.
Sodium chloride (p.1686·1).
Dry eye.

Uniloc Nycomed, Denm.; Nycomed, Norw.; Nycomed, Swed.†.
⊗ Atenolol (p.1217·3).
Angina pectoris; arrhythmias; hypertension; hyperthyroidism; migraine; myocardial infarction.

Unilong Altana, Spain†.
Theophylline (p.1140·1).
Heart failure; obstructive airways disease; paroxysmal dyspnoea.

Unilux Sanochemia, Ger.
Iopamidol (p.1483·3).
Radiographic contrast medium.

Unima Unison, Hong Kong; Unison, Malaysia.
Monobasic sodium phosphate (p.1682·3); dibasic sodium phosphate (p.1682·3).
Bowel evacuation; constipation.

Uni-Ma Unison, Thai.
Monobasic sodium phosphate (p.1682·3); dibasic sodium phosphate (p.1682·3).
Bowel evacuation; constipation.

Unimax AstraZeneca, Austria; AstraZeneca, Cz.†; AstraZeneca, Fin.; AstraZeneca, Ger.; Promed, Ger.; AstraZeneca, Neth.; AZ, Port.; AstraZeneca, Switz.
Felodipine (p.1285·3); ramipril (p.1385·3).
Hypertension.

Unimazole Unipharma, Gr.
Thiamazole (p.2176·3).
Hyperthyroidism.

Unimedrol Uniao Quimica, Braz.
⊗ Methylprednisolone sodium succinate (p.1538·2).
Corticosteroid.

Unimer LDPSA, Fr.
Sea water.
Nasal cleansing.

Unimezol Unichem, India†.
Metronidazole (p.837·1).
Anaerobic bacterial infections; protozoal infections; ulcerative gingivitis.

Unimicebrina Sanofi Synthelabo, Spain†.
Ascorbic acid (p.1983·3).
Adjunct in iron therapy; vitamin C deficiency.

Unimol Unison, Thai.
Paracetamol (p.108·1).
Fever; pain.

Unimox Unison, Hong Kong; Unison, Singapore; Unison, Thai.
Amoxicillin trihydrate (p.202·2).
Bacterial infections.

Uninapro Unifarm, Ital.
Naproxen sodium (p.92·3).
Fever; pain.

Uniparin Aventis, Austral.†.
Heparin sodium (p.1301·2).
Thromboembolic disorders.

Uni-Per Unimex, Philipp.; Yuhan, Philipp.
Simvastatin (p.1390·2).
Hyperlipidaemias.

Uni-Phen Universal, Hong Kong.
Ammonium chloride (p.1551·3); sodium citrate (p.1673·3); diphenhydramine hydrochloride (p.577·2); menthol (p.2340·1).
Coughs; nasal congestion.

Uni-Pholco Universal, Hong Kong.
Pholcodine (p.1570·2).
Coughs.

Uniphyl Purdue, Canad.; Adcock Ingram, S.Afr.; Purdue Frederick, USA.
Theophylline (p.1140·1).
Bronchospasm; obstructive airways disease.

Uniphyllin Mundipharma, Ger.; Unipharma, Gr.
Theophylline (p.1140·1).
Asthma; neonatal apnoea and bradycardia; obstructive airways disease.

Uniphyllin Continus Napp, Irl.; Napp, UK.
Theophylline (p.1140·1).
Asthma; bronchospasm; heart failure; obstructive airways disease.

Uniplex
Note. This name is used for preparations of different composition.
Cimed, Braz.
Amino-acid, vitamin, and mineral preparation (p.1922·1).

Aristopharma, Hong Kong.
Vitamin B substances (p.1922·1).
Vitamin B supplement.

Unipharma, Gr.†.
Aciclovir (p.862·3).
Herpes simplex infections.

Uni-Plex
Note. A similar name is used for preparations of different composition (see above).
Universal, Hong Kong.
Vitamin B substances (p.1922·1).
Vitamin B supplement.

Uniplus Angelini, Ital.
Oxolamine citrate (p.1567·1); propyphenazone (p.119·3).
Influenza symptoms; oral inflammation; otorhinolaryngeal inflammation; tracheobronchitis.

Uniprazol *Uniao Quimica, Braz.*
Omeprazole (p.1753·1).
Peptic ulcer.

Unipred *Osoth, Thai.*
⊗ Prednisolone (p.1540·3); neomycin sulfate (p.305·1).
Infected skin disorders.

Unipres *KRKA, Cz.; KRKA, Hung.*
Nitrendipine (p.1358·2).
Hypertension.

Unipril *AstraZeneca, Ital.*
Ramipril (p.1385·3).
Heart failure; hypertension; renal insufficiency.

Uniprildiur *AstraZeneca, Ital.*
⊗ Ramipril (p.1385·3); hydrochlorothiazide (p.1307·3).
Hypertension.

Uniprofen *Uniao Quimica, Braz.*
Ibuprofen (p.64·2).
Inflammation; pain.

Unique PH *Alcon, Braz.*
Cleansing and wetting solution for hard contact lenses (p.1622·2).

Unique Plus *Eurofarma, Braz.*
Sodium monofluorophosphate (p.1964·3).
Dental caries prophylaxis.

Uniquin *Biochemie, Austria; Madaus, Ital.; Medinfar, Port.; GSK, S.Afr.*
Lomefloxacin hydrochloride (p.295·2).
Bacterial infections.

Uni-Ramine *Universal, Hong Kong.*
Chlorphenamine maleate (p.571·3).
Hypersensitivity reactions.

Uni-Ramine CE *Universal, Hong Kong.*
⊗ Codeine phosphate (p.37·2); ephedrine hydrochloride (p.1558·2); ammonium chloride (p.1551·3); chlorphenamine maleate (p.571·3).
Coughs.

Uni-Ramine Expectorant *Universal, Hong Kong.*
Chlorphenamine maleate (p.571·3); ammonium chloride (p.1551·3); sodium citrate (p.1673·3).
Coughs.

Uniranz *Unimex, Philipp.; Yungjin, Philipp.*
Ceftazidime (p.234·1).
Bacterial infections.

Unirelaxed *Alpharma, Mex.*
Naproxen (p.92·3).
Fever; inflammation; pain.

Uniren
Unison, Hong Kong.
Diclofenac sodium (p.44·3).
Musculoskeletal, joint, and soft-tissue disorders.

Unison, Malaysia; Unison, Singapore.
Diclofenac diethylamine (p.44·3).
Musculoskeletal, joint, peri-articular, and soft-tissue disorders.

Unison, Thai.
Diclofenac diethylamine (p.44·3) or diclofenac sodium (p.44·3).
Musculoskeletal, joint, peri-articular, and soft-tissue disorders.

Uniretic *Schwarz, Philipp.; Schwarz, USA.*
⊗ Moexipril hydrochloride (p.1343·2); hydrochlorothiazide (p.1307·3).
Hypertension.

Uniroid-HC *Chemidex, UK.*
⊗ Cinchocaine hydrochloride (p.1857·3); hydrocortisone (p.1535·2).
Anorectal disorders.

Unisal *MSD, Switz.†*
Diflunisal (p.47·2).
Inflammation; pain.

Uniscrub *Seton, Israel†.*
Chlorhexidine gluconate (p.1635·3).
Skin disinfection.

Unisedil *Laquifa, Port.*
Diazepam (p.986·3).
Anxiety disorders; skeletal muscle spasm.

Unisedyl *Union, Singapore†.*
⊗ Codeine phosphate (p.37·2); promethazine hydrochloride (p.588·2); ephedrine hydrochloride (p.1558·2).
Coughs.

Unisept *Seton, Israel†; Medlock Medical, UK.*
Chlorhexidine gluconate (p.1635·3).
Disinfection of burns, mucous membranes, skin, and wounds.

Unisol *Alcon, USA.*
Rinsing and storage solutions for soft contact lenses (p.1622·2).

Unisolve *Smith & Nephew, Austral.†*
Dipropylene glycol methyl ether; isopropyl alcohol (p.1650·3); isoparaffin.
Medical adhesive remover.

Unisom
Note.This name is used for preparations of different composition.
Pfizer Consumer, Austral.; Pfizer Consumer, Canad.; Pfizer, Hong Kong; Pfizer Consumer, Mex.†; Pfizer Consumer, NZ.
Diphenhydramine hydrochloride (p.577·2).
Insomnia.

Pfizer, Israel; Pfizer, Philipp.; Pfizer, Turk.
Doxylamine succinate (p.578·2).
Insomnia.

Unisom-2 *Pfizer Consumer, Canad.*
Doxylamine succinate (p.578·2).
Insomnia.

Unisom Natural Source *Pfizer Consumer, Canad.†.*
Valerian (p.2410·1).
Insomnia.

Unisom with Pain Relief *Pfizer Consumer, USA.*
Paracetamol (p.108·1); diphenhydramine hydrochloride (p.577·2).
Insomnia; pain.

Unisom SleepTabs *Pfizer Consumer, USA.*
Doxylamine succinate (p.578·2).
Insomnia.

Unison Enema
Note.This name is used for preparations of different composition.
Unison, Hong Kong.
Sodium chloride (p.1686·1).
Bowel evacuation; constipation.

Unison, Thai.
Macrogol (p.2336·1); sodium chloride.
Constipation.

Unison Ointment *Unison, Thai.*
Chloramphenicol (p.239·3).
Bacterial skin infections.

Unistep hCG *Orion, USA.*
Pregnancy test (p.2372·1).

Unistin *BPL-Meizler, Braz.†.*
Cisplatin (p.698·2).
Malignant neoplasms.

Unitaxel *Korea United, Philipp.*
Paclitaxel (p.759·1).
Breast cancer; ovarian cancer.

United American Tiki Tiki Plus *General Drug, Philipp.*
Vitamin preparation (p.1922·1).
Nutritional supplement.

United American Tiki Tiki Star *General Drug, Philipp.*
Vitamins; taurine; lysine (p.1922·1).
Nutritional supplement.

United Home Burn Ointment *General Drug, Philipp.*
Benzocaine (p.1854·1); eucalyptus oil (p.2301·2); boric acid (p.2268·1).
Burns; itching.

United Home Calactate *General Drug, Philipp.*
Calcium lactate (p.1676·1).
Calcium supplement; osteoporosis.

United Home Fersulfate Iron *General Drug, Philipp.*
Ferrous sulfate (p.1939·3).
Iron-deficiency anaemia.

United Home Glydolax *General Drug, Philipp.*
Glycerol (p.2314·2).
Constipation.

United Home Whitfield's Ointment *United Laboratories, Philipp.*
Salicylic acid (p.1612·2); benzoic acid (p.1630·2).
Ringworm; tinea infections.

Unitens *AstraZeneca, Gr.*
Felodipine (p.1285·3); ramipril (p.1385·3).
Hypertension.

Unithroid *Lannett, USA.*
Levothyroxine sodium (p.2171·2).
Hypothyroidism.

Unitidazin *Uniao Quimica, Braz.*
Thioridazine hydrochloride (p.1031·2).

Unitifed
Note.This name is used for preparations of different composition.
Union, Singapore†.
Linctus: Codeine phosphate (p.37·2); triprolidine hydrochloride (p.592·3); pseudoephedrine hydrochloride (p.1571·2).
Formerly known as Unitifed Compound.
Allergic rhinitis; cold symptoms; coughs; nasal and upper respiratory-tract congestion; sinusitis.

Union, Singapore†.
Syrup: Triprolidine hydrochloride (p.592·3); pseudoephedrine hydrochloride (p.1571·2).
Allergic rhinitis; cold symptoms; coughs; nasal and upper respiratory-tract congestion; sinusitis.

Unitin *Unipharm, Mex.*
Ranitidine (p.1766·1).
Peptic ulcer.

Unitinase *BPL-Meizler, Braz.†.*
Streptokinase (p.1402·3).
Thromboembolic disorders.

Unitone
Note.This name is used for preparations of different composition.
D & M, Chile; Darier, Mex.
Betacarotene (p.1930·3); avobenzone (p.1589·3); octinoxate (p.1608·2).
Skin pigmentation disorders.

Roemmers-Klinos, Venez.†.
SPF 15: Betacarotene (p.1930·3); nanotalasferase; sunscreens.
Skin pigmentation disorders.

Unitone 4 *D & M, Chile.*
Hydroquinone (p.1598·2); kojic acid (p.1603·3).
Skin pigmentation disorders.

Unitrac *Kalbe, Indon.; Dankos, Malaysia.*
Itraconazole (p.536·3).
Fungal infections.

Unitral *Unison, Philipp.*
Tramadol hydrochloride (p.130·3).
Pain.

Uni-Tranxene *Sanofi-Aventis, Belg.*
Dipotassium clorazepate (p.980·1).
Anxiety; mixed anxiety depressive states.

Unitrexate *BPL-Meizler, Braz.†.*
Methotrexate (p.745·2).
Malignant neoplasms.

Unitril *Kener, Mex.†.*
Dimenhydrinate (p.576·2).
Motion sickness; vertigo.

Unitrim *Unipharma, Gr.*
Metronidazole (p.837·1).
Rosacea.

Unitron PEG *Schering, Canad.*
Peginterferon alfa-2b (p.888·3).
Chronic hepatitis C.

Unitul Complex *Bama, Spain†.*
Sodium acexamate (p.2245·2); sulfadiazine silver (p.337·2).
Burns; ulcers; wounds.

Unitulle *Aventis, Austral.†.*
White soft paraffin (p.2031·2).
Burns; skin ulcers; wounds.

Unituss *Unison, Thai.*
Diphenhydramine hydrochloride (p.577·2); ammonium chloride (p.1551·3); sodium citrate (p.1673·3); menthol (p.2340·1).
Coughs; nasal congestion.

Unituss HC *URL, USA.*
Hydrocodone tartrate (p.63·1); phenylephrine hydrochloride (p.1568·1); chlorphenamine maleate (p.571·3).
Upper respiratory-tract symptoms.

Uni-tussin DM *URL, USA.*
Dextromethorphan hydrobromide (p.1555·2); guaifenesin (p.1561·3).
Coughs.

Unival
Note.This name is used for preparations of different composition.
Recalcine, Chile.
Lansoprazole (p.1739·2).
Peptic ulcer.

Senosiain, Mex.
Sucralfate (p.1772·2).
Gastritis; peptic ulcer.

Univasc *Schwarz, Philipp.; Adeka, Turk.; Schwarz, USA.*
Moexipril hydrochloride (p.1343·2).
Hypertension.

Uni-Vasin *Universal, Hong Kong.*
Chlorphenamine maleate (p.571·3); phenylephrine hydrochloride (p.1568·1); phenylpropanolamine hydrochloride (p.1569·3).
Upper respiratory-tract disorders.

Univate *Xepa-Soul Pattinson, Malaysia†; Xepa-Soul Pattinson, Singapore.*
⊗ Clobetasol propionate (p.1522·2).
Skin disorders.

Univer *Cephalon, UK.*
Verapamil hydrochloride (p.1421·1).
Angina pectoris; hypertension.

Universal Earache Drops *Universal, S.Afr.*
Phenazone (p.116·1); procaine hydrochloride (p.1869·1); potassium hydroxyquinoline sulfate (p.2323·2).
Ear disorders.

Universal Eye Drops *Universal, S.Afr.*
Phenylephrine hydrochloride (p.1568·1); boric acid (p.2268·1).
Eye inflammation; eye irritation.

Universal Nasal Drops *Universal, S.Afr.*
⊗ Phenylephrine hydrochloride (p.1568·1); naphazoline nitrate (p.1565·2).
Allergic rhinitis; sinusitis.

Universal Throat Lollies *Universal, S.Afr.*
Cetylpyridinium chloride (p.1635·1).
Mouth and throat infections.

Uni-Vico *Universal, Hong Kong.*
Vitamin preparation (p.1922·1).

Univit *Unifarm, Ital.*
Ascorbic acid (p.1983·3).
Vitamin C deficiency.

Univol *Carter Horner, Canad.†.*
Aluminium hydroxide (p.1706·2); magnesium hydroxide (p.1743·2).
Gastrointestinal disorders associated with hyperacidity.

Uniwarfin *Unichem, India.*
Warfarin sodium (p.1425·2).
Thromboembolic disorders.

Uniwash *Smith & Nephew, Austral.†.*
Skin cleanser.

UniXan *Norpharma, Denm.*
Theophylline (p.1140·1).
Obstructive airways disease.

Unixime *FIRMA, Ital.*
Cefixime (p.224·3).
Bacterial infections.

Unizef *Samjin, Philipp.; Unimex, Philipp.*
Cetirizine hydrochloride (p.570·3).
Allergic rhinitis; conjunctivitis; urticaria.

Unizen *Unison, Hong Kong; Unison, Malaysia; Unison, Singapore†; Unison, Thai.*
Serrapeptase (p.2385·3).
Adjunct in antibacterial therapy; alveolar abscess; breast engorgement; cystitis; epididymitis; respiratory-tract congestion; sinusitis; wisdom tooth pericoronitis; wounds.

Unizink *Kohler, Ger.; Kohler-Pharma, Ger.*
Zinc aspartate (p.2000·1).
Zinc deficiency.

Unizitro *Tecnimede, Port.*
Azithromycin (p.207·1).
Bacterial infections.

Unizol *Farmoquimica, Braz.*
Fluconazole (p.532·1).
Fungal infections.

Unizox *Korea United, Philipp.*
Ceftizoxime sodium (p.236·2).
Bacterial infections.

Unizuric *Quimica y Farmacia, Mex.*
Allopurinol (p.552·2).
Gout; hyperuricaemia.

Unizyme *Ciba Vision, Canad.*
Subtilisin (p.2393·3) (p.1622·2).
Protein removal from contact lenses.

Unkei-to *Tsumura, Jpn.*
Ophiopogon tuber; pinellia tuber; angelica acutiloba root; liquorice; cinnamon bark; peony root; cnidium rhizome; ginseng; moutan bark; evodia fruit; ginger; gelatin.
Traditional Kampo medicine.

Uno *Ratiopharm, Cz.*
Diclofenac sodium (p.44·3).
Rheumatoid arthritis.

Uno-Ciclo *Biochimico, Braz.†.*
Algestone acetophenide (p.2082·1); estradiol enantate (p.2097·3).
Injectable contraceptive.

Uno-Enantone *Takeda, Ger.†.*
⊗ Leuprorelin acetate (p.2111·1).
Prostatic cancer.

Uno-Lin *3M, Denm.†.*
Theophylline hydrate (p.1140·2).
Obstructive airways disease.

Unoplex *Offenbach, Mex.*
Vitamin preparation (p.1922·1).

Unoprost
Note.This name is used for preparations of different composition.
Apsen, Braz.
Doxazosin mesilate (p.1275·1).
Benign prostatic hyperplasia.

Guidotti, Ital.
Terazosin hydrochloride (p.1410·2).
Benign prostatic hyperplasia.

Unorox *Centaur, India†.*
Roxithromycin (p.331·1).
Bacterial infections.

Unotex *Truw, Ger.†.*
Homoeopathic preparation.

Uno-Vit *Wiedemann, Ger.*
dl-Alpha tocopherol (p.1992·2).
Vitamin E deficiency.

Unoximed *Tai Yu, Philipp.*
Cefuroxime sodium (p.238·2).
Bacterial infections.

Unprozy *Condrugs, Thai.*
Fluoxetine hydrochloride (p.391·2).
Mixed anxiety depressive states; obsessive-compulsive disorder.

Unsayna
Note.This name is used for preparations of different composition.
Pfizer, Arg.†.
Injection: Sulbactam sodium (p.335·1); ampicillin sodium (p.204·1).
Bacterial infections.

Pfizer, Arg.†.
Tablets: Sultamicillin tosilate (p.344·1).
Bacterial infections.

Unseiin *Tsumura, Jpn.*
Rehmannia root; peony root; cnidium rhizome; Japanese angelica root; scutellaria root; phellodendron bark; coptis rhizome; gardenia fruit.
Traditional Kampo medicine.

Untano *Rafarm, Gr.*
Miconazole nitrate (p.541·3).
Fungal skin infections.

Unthecol *Bernofarm, Indon.*
Dipyrone (p.49·2); hyoscine butylbromide (p.1734·1).
Smooth muscle spasm.

Unwind Herbal Nytol *GSK Consumer, UK.*
Valerian (p.2410·1); lupulus (p.2335·2); wild lettuce (p.2415·2).
Insomnia; stress.

UO *YSP, Malaysia; Yung Shin, Singapore.*
⊗ Urea (p.1620·2).
Dry skin disorders.

Uonin *Unison, Hong Kong; Unison, Malaysia; Unison, Thai.*
Roxithromycin (p.331·1).
Bacterial infections; meningitis prophylaxis.

U-Oscine *Umeda, Thai.*
Hyoscine butylbromide (p.1734·1).
Smooth muscle spasm.

U-Pasta *Kowa, Jpn.*
Sucrose (p.1969·2); povidone-iodine (p.1659·2).
Skin ulcers.

Upbutol *Unique, Rus.*
Ethambutol hydrochloride (p.274·1).

Upderm *Genepharm, Gr.*
Clindamycin phosphate (p.251·2).
Bacterial skin and vaginal infections.

Upelva *Pekana, Ger.†.*
Homoeopathic preparation.

† This preparation may no longer be actively marketed

⊗ Contains a substance whose use may be restricted in certain sports (see p.vii)

Upfen *UPSA Conseil, Fr.*
Ibuprofen (p.64·2).
Fever; pain.

Upha C *CCM, Malaysia.*
Vitamin C (p.1983·3).
Vitamin C deficiency.

Upha Dextrophan *CCM, Malaysia.*
Dextromethorphan hydrobromide (p.1555·2).
Coughs.

Upha Lozenges *CCM, Malaysia.*
Dequalinium chloride (p.1641·3); tyrothricin (p.358·2).
Mouth and throat infections.

Uphacol *Upha, Malaysia†.*
Dicycloverine hydrochloride (p.1722·3); simeticone (p.1770·2).
Flatulence; gastrointestinal spasm.

Uphadeq *CCM, Malaysia†.*
Dequalinium chloride (p.1641·3).
Mouth and throat infections.

Uphadyl CD *Upha, Malaysia†.*
Diphenhydramine hydrochloride (p.577·2); ammonium chloride (p.1551·3); codeine phosphate (p.37·2).
Coughs.

Uphadyl Forte *CCM, Malaysia.*
Diphenhydramine hydrochloride (p.577·2); ammonium chloride (p.1551·3).
Coughs.

Uphageron *CCM, Malaysia.*
Cinnarizine (p.573·1).
Cerebral and peripheral vascular disorders; migraine; nausea; vertigo.

Uphalexin *CCM, Malaysia; Upha, Singapore.*
Cefalexin (p.218·2).
Bacterial infections.

Uphalyte *CCM, Malaysia; Upha, Singapore.*
Glucose; sodium chloride; sodium bicarbonate; potassium chloride (p.1672·2).
Diarrhoea; oral rehydration therapy.

Uphamol *CCM, Malaysia.*
Paracetamol (p.108·1).
Fever; pain.

Uphamol Flu *CCM, Malaysia.*
Paracetamol (p.108·1); chlorphenamine maleate (p.571·3).
Influenza symptoms.

Uphanormin *Upha, Malaysia†.*
⊗ Atenolol (p.1217·3).
Angina pectoris; arrhythmias; hypertension; myocardial infarction.

Uphastatin *Upha, Malaysia†.*
Nystatin (p.543·2).
Candidiasis.

Uphavit *CCM, Malaysia.*
Vitamin preparation (p.1922·1).
Dietary supplement.

Uphavit Plus *CCM, Malaysia.*
Multivitamin and mineral preparation (p.1922·1).

Uphaxicam *CCM, Malaysia.*
Piroxicam (p.117·3).
Gout; musculoskeletal and joint disorders.

Uphazhexol *Upha, Malaysia†.*
Trihexyphenidyl hydrochloride (p.820·2).
Drug-induced extrapyramidal disorders; parkinsonism.

Upixon *Bayer, Indon.*
Piperazine (p.152·3).
Ascariasis; oxyuriasis.

Uplores *Sanbe, Indon.*
Roxithromycin (p.331·1).
Bacterial infections.

Upodine *Umeda, Thai.*
Povidone-iodine (p.1659·2).
Disinfection of skin, wounds, and burns.

Upperzin *Randril, Philipp.*
Erythromycin ethyl succinate (p.269·3).
Bacterial infections.

Upren *Casel, Turk.*
Ibuprofen (p.64·2).
Fever; inflammation; pain.

Uprima *Abbott, Arg.†; Abbott, Austria†; Abbott, Belg.†; Abbott, Braz.; Abbott, Chile†; Abbott, Cz.†; Abbott, Denm.†; Abbott, Fin.†; Abbott, Fr.†; Abbott, Ger.†; Abbott, Gr.†; Abbott, Hong Kong†; Abbott, Hung.†; Abbott, Irl.†; Abbott, Ital.†; Abbott, NZ†; Abbott, Neth.†; Abbott, Norw.†; Abbott, Port.†; Abbott, S.Afr.†; Abbott, Spain†; Abbott, Swed.†; Abbott, Switz.†; Abbott, UK†; Abbott, Venez.†.*
Apomorphine hydrochloride (p.795·1).
Erectile dysfunction.

Uprox *United Pharma, Pol.*
Tamsulosin hydrochloride (p.2197·1).
Benign prostatic hyperplasia.

U-Proxyn *Unison, Thai.*
Naproxen (p.92·3).
Gout; musculoskeletal and joint disorders.

Upsa C *BMS, Belg.*
Ascorbic acid (p.1983·3).
Methaemoglobinaemia; vitamin C deficiency.

Upsalgin-N *BMS, Gr.*
Aspirin (p.20·3).
Fever; inflammation; pain.

Upsarin *UPSA, Cz.†; BMS, Pol.*
Aspirin (p.20·3).
Fever; pain; thrombosis prophylaxis.

Upsarin C *BMS, Cz.; BMS, Hung.†; BMS, Pol.*
Aspirin (p.20·3); ascorbic acid (p.1983·3).
Cold and influenza symptoms; fever; pain; thrombosis prophylaxis.

Upsaton *BMS, Gr.*
Magnesium aspartate; potassium aspartate; calcium fructoheptonate; lysine; vitamin B ; vitamin C (p.1922·1).
Tonic.

Upsavit C *BMS, Belg.*
Ascorbic acid (p.1983·3).
Methaemoglobinaemia; vitamin C deficiency.

Upsavit Tonic *UPSA, Cz.†.*
Calcium fructoheptonate; magnesium aspartate; potassium aspartate; ascorbic acid; pyridoxine hydrochloride; nicotinamide (p.1922·1).
Dietary supplement; tonic.

Upset Stomach *Homeocan, Canad.†.*
Homoeopathic preparation.

Uracet *Umeda, Thai.*
Paracetamol (p.108·1).
Fever; pain.

Uracid *Wesley, USA.*
Methionine (p.1450·1).
Odour, dermatitis, and ulceration in incontinent adults.

Uraciflor *Medicus, Gr.*
Fluorouracil (p.722·2).
Malignant neoplasms.

Uracil *Pharmasant, Thai.*
Propylthiouracil (p.2175·2).
Hyperthyroidism.

Uractone *SPA, Cz.†; SPA, Ital.*
⊗ Spironolactone (p.1400·1).
Hyperaldosteronism; hypertension; oedema.

Uractonum *Medochemie, Singapore.*
⊗ Spironolactone (p.1400·1).
Heart failure; hyperaldosteronism; hypertension; liver cirrhosis with oedema; nephrotic syndrome.

Uracyst *Stellar, Canad.*
Chondroitin sulfate sodium (p.2280·3).
Replacement of glycosaminoglycan layer in the bladder.

Uracyst Test Kit *Stellar, Canad.*
Chondroitin sulfate sodium (p.2280·3); potassium chloride (p.1684·3).
Test for and treatment of bladder-wall glycosaminoglycan deficiency.

Urader Lactato *Medihealth, Mex.*
⊗ Urea (p.1620·2); lactic acid (p.2329·3).
Dry skin disorders.

Ural *Sigma, Austral.; Abbott, Malaysia; Abbott, NZ.*
Sodium bicarbonate (p.1673·2); sodium citrate (p.1673·3); anhydrous citric acid (p.2284·1); tartaric acid (p.2395·2).
Dyspepsia; dysuria; gout; urinary alkalinisation; urinary-tract infections.

Uralyt Urato *Madaus, Spain.*
Citric acid (p.2284·1); potassium citrate (p.1673·2).
Hypocitraturia; renal calculi; renal tubular acidosis.

Uralyt-U *Madaus, Austria; Madaus, Belg.; Madaus, Cz.; Madaus, Ger.; Madaus, Israel; Madaus, Ital.; Neo-Farmaceutica, Port.; Altana Madaus, S.Afr.; Madaus, Switz.†; Madaus, Thai.*
Potassium sodium hydrogen citrate (p.1674·2).
Cystinuria; porphyria cutanea tarda; renal calculi; urinary alkalinisation.

Uramilon *Biomedica-Chemica, Gr.*
Roxithromycin (p.331·1).
Bacterial infections.

Uramol *Stiefel, Chile; Stiefel, Mex.*
⊗ Urea (p.1620·2).
Dry skin.

Uramox *Taro, Israel.*
⊗ Acetazolamide (p.1875·1).
Acute mountain sickness; glaucoma; oedema.

Urandil *Zentiva, Cz.†; Zentiva, Pol.*
⊗ Chlortalidone (p.1243·3).
Hypertension; oedema.

Uraplex *Madaus, Cz.; Arriani, Gr.; Wassermann, Ital.; Madaus, Spain.*
Trospium chloride (p.2198·3).
Bladder instability; urinary incontinence.

Urapro *Eagle, Austral.†.*
Saw palmetto (p.2192·3); lycopersicon esculentum; hydrastis (p.2321·3); urtica (p.2409·3); zinc gluconate (p.1999·2); nickel; ferrous phosphate.
Nutritional supplement.

Urarthone *Homeocan, Canad.; Lehning, Fr.*
Homoeopathic preparation.

Urasal *Carter Horner, Canad.†.*
Methenamine (p.298·3).
Urinary-tract infections.

Urasin *TNP, Thai.†.*
⊗ Furosemide (p.1292·1).
Forced diuresis; heart failure; oedema.

Urasix *HB, Braz.*
⊗ Furosemide (p.1292·1).

Urazol *Tecnofarma, Chile.*
Oxybutynin hydrochloride (p.2190·3).
Bladder instability.

Urbal *Merck, Spain.*
Sucralfate (p.1772·2).
Gastrointestinal haemorrhage; peptic ulcer.

Urbanil *Sanofi-Aventis, Braz.; Aventis, Port.†.*
Clobazam (p.477·2).
Anxiety; epilepsy.

Urbanol *Sanofi Synthelabo, S.Afr.*
Clobazam (p.477·2).
Alcohol withdrawal syndrome; anxiety; premedication.

Urbanyl *Sanofi-Aventis, Fr.; Aventis, Switz.*
Clobazam (p.477·2).
Alcohol withdrawal syndrome; anxiety; epilepsy.

Urbason
Aventis, Austria; Aventis, Cz.†; Aventis, Ger.; Sanofi-Aventis, Ital.; Sanofi-Aventis, Spain.
⊗ Methylprednisolone (p.1538·1) or methylprednisolone sodium succinate (p.1538·2).
Corticosteroid.

Sanofi-Aventis, Indon.
⊗ Methylprednisolone (p.1538·1).
Corticosteroid.

Urcyston Planta *Leros, Cz.*
Chamomile (p.2279·3); sambucus (p.2383·1); bearberry (p.2263·3); equisetum (p.2299·3); myrtillus (p.2349·3); solidago (p.2391·1); thyme (p.2401·1).
Urinary-tract disorders.

Urdafalk *Darya-Varia, Indon.; Falk, Indon.*
Ursodeoxycholic acid (p.2408·1).
Cholesterol gallstones; liver disorders.

Urdahex *Kalbe, Indon.*
Ursodeoxycholic acid (p.2408·1).
Gallstones; hepatitis.

Urdes *Errekappa, Ital.*
Ursodeoxycholic acid (p.2408·1).
Biliary disorders.

Urdox *CP Pharmaceuticals, UK.*
Ursodeoxycholic acid (p.2408·1).
Cholesterol gallstones.

Urdrim *Urbion, Spain†.*
Astemizole (p.567·2).
Hypersensitivity reactions.

Ureacin *Pedinol, USA.*
⊗ Urea (p.1620·2).
Dry skin; hyperkeratosis.

Ureacort *Orva, Turk.*
⊗ Hydrocortisone acetate (p.1535·2); urea (p.1620·2).
Skin disorders.

Ureaderm Lactato *Medihealth, Mex.; Roemmers Medihe, Venez.*
⊗ Urea (p.1620·2); sodium lactate (p.1673·3).
Dry skin; hyperkeratosis.

Ureadin
Note. This name is used for preparations of different composition.
Isdin, Arg.; Medley, Braz.
⊗ Urea (p.1620·2).
Dry skin; hyperkeratotic skin disorders.

Isdin, Port.
⊗ Urea (p.1620·2); glycolic acid (p.1598·1); salicylic acid (p.1612·2).
Hyperkeratotic skin disorders.

Ureadin 10 and 20 *Isdin, Chile; Isdin, Port.*
⊗ Urea (p.1620·2).
Hyperkeratotic skin disorders.

Ureadin 30 *Isdin, Chile.*
⊗ Urea (p.1620·2); dimeticone (p.2032·1); arginine (p.1928·2); lactic acid (p.2329·3); allantoin (p.1588·1).
Dry skin; hyperkeratotic skin disorders.

Ureadin Facial
Note. This name is used for preparations of different composition.
Isdin, Chile.
⊗ Urea (p.1620·2); borage oil (p.2267·3); ceramide; sunscreens.
Dry skin.

Isdin, Arg.
SPF 10: ⊗ Urea (p.1620·2); borage oil (p.2267·3); ceramide 3; glycerol (p.2314·2); vitamin E acetate; lactic acid (p.2329·3); octinoxate (p.1608·2); enzacamene (p.1597·1); avobenzone (p.1589·3).
Face cream containing sunscreens.

Isdin, Port.
SPF 10: ⊗ Urea (p.1620·2); glycerol (p.2314·2); borage oil (p.2267·3); sunscreens.
Dry skin.

Ureadin Forte *Isdin, Chile; Isdin, Port.*
⊗ Urea (p.1620·2); glycolic acid (p.1598·1); nicotinamide (p.1957·3); salicylic acid (p.1612·2).
Dry skin disorders; hyperkeratotic skin disorders.

Ureadin Maos *Isdin, Port.*
⊗ Urea (p.1620·2); glycerol (p.2314·2); lactic acid (p.2329·3).
Dry skin.

Ureadin Pediatrics *Isdin, Chile.*
⊗ Urea (p.1620·2); gamolenic acid (p.2308·2).
Skin disorders.

Ureadin 10 Plus *Isdin, Port.*
⊗ Urea (p.1620·2); dexpanthenol (p.2362·1).
Dry skin disorders.

Ureadin Rx DB *Isdin, Chile.*
⊗ Urea (p.1620·2); Ureadyl; glycerol (p.2314·2); lauromacrogol 400 (p.1916·1); rosa mosqueta oil; centella triterpenes (p.1592·3); allantoin (p.1588·1); panthenol (p.2362·1); arginine; bioecolia; dextran sulfate (p.2293·1); vitamin E acetate; carnosita; aloe vera (p.1588·2).
Dry skin; hyperkeratotic foot disorders.

Ureadin Rx PS *Isdin, Chile.*
⊗ Urea (p.1620·2); Ureadyl; salicylic acid (p.1612·2); lauromacrogol 400 (p.1916·1); allantoin (p.1588·1); sorbitol; nicotinamide (p.1957·3).
Psoriasis.

Ureadin Rx RD *Isdin, Chile.*
⊗ Urea (p.1620·2); Ureadyl; panthenol (p.2362·1); hyaluronic acid (p.2320·1); glycerol (p.2314·2); lauromacrogol 400 (p.1916·1); allantoin (p.1588·1); panthenol (p.2362·1); arginine; vitamin E; aloe vera (p.1588·2); nicotinamide (p.1957·3).
Dry skin; skin irritation.

Ureaphil *Abbott, USA.*
⊗ Urea (p.1620·2).
Cerebral oedema; raised intra-ocular pressure.

Ureata S *Fides, Ger.†.*
⊗ Urea (p.1620·2); alpha tocoferil acetate (p.1992·3).
Skin disorders; ulcers.

Ureax *Cellofarm, Braz.†.*
Hydroxycarbamide (p.729·1).
Malignant neoplasms.

Urecare *Orion, Austral.; Orion, Hong Kong; Delta West, Malaysia†; Pfizer Consumer, Singapore†.*
⊗ Urea (p.1620·2).
Dry skin disorders; eczema.

Urecholine *MSD, Israel†; MSD, Thai.†; Barr, USA; Duramed, USA.*
Bethanechol chloride (p.2265·3).
Congenital megacolon; neurogenic bladder; postoperative abdominal distension; urinary retention.

Urecortin *Proel, Gr.*
⊗ Dexamethasone (p.1526·1); urea (p.1620·2).
Skin disorders.

Urecrem *Ethicus, Arg.*
⊗ Urea (p.1620·2).
Dry skin disorders.

Urecrem Hidro *Ethicus, Arg.*
⊗ Urea (p.1620·2); ammonium lactate (p.1589·2).
Dry skin disorders.

Urederm *Hamilton, Austral.; Hamilton, Hong Kong; Roi Surya, Indon.; Orva, Turk.*
⊗ Urea (p.1620·2).
Dry skin; hyperkeratotic skin disorders; skin irritation.

Uree *Boiron, Canad.; Riva, Canad.*
⊗ Urea (p.1620·2).

Uregyt
Egis, Cz.†; Egis, Rus.
⊗ Etacrynic acid (p.1283·1).
Oedema.

PannonPharma, Hung.
⊗ Sodium etacrynate (p.1283·2).
Oedema.

Ureina *Confar, Port.†.*
Parietaria officinalis.

Urekolin *Grunenthal, Chile†.*
Norfloxacin (p.309·2).
Bacterial urinary-tract infections.

Urelief Plus *Cypress, USA.*
Phenazopyridine hydrochloride (p.116·2); hyoscyamine hydrobromide (p.1736·1); secbutabarbital sodium (p.1027·2).
Lower urinary-tract disorders.

Urelium Neu *Europharm, Austria.*
Ammi visnaga fruit (p.2256·1); solidago virgaurea (p.2391·1); taraxacum (p.2395·1); aescin (p.2248·2).
Renal calculi.

Urelle *Pharmelle, USA.*
Methenamine (p.298·3); monobasic sodium phosphate (p.1682·3); salol (p.122·1); methylthioninium chloride (p.1450·3); hyoscyamine sulfate (p.1736·1).
Urinary-tract infections.

Urem *Mayrhofer, Austria†; Kade, Ger.*
Ibuprofen (p.64·2).
Fever; musculoskeletal, joint, peri-articular, and soft-tissue disorders; pain.

Uremide *Alphapharm, Austral.*
⊗ Furosemide (p.1292·1).
Hypertension; oedema.

Uremol *Stiefel, Arg.; Trans Canaderm, Canad.*
⊗ Urea (p.1620·2).
Dry skin disorders.

Uremol-HC *Trans Canaderm, Canad.*
⊗ Hydrocortisone acetate (p.1535·2); urea (p.1620·2).
Skin disorders.

Uren *Laboratorios Chile, Chile.*
⊗ Hydrochlorothiazide (p.1307·3); triamterene (p.1417·2).
Hypertension; oedema.

Ureotop *Dermapharm, Ger.*
⊗ Urea (p.1620·2).
Skin disorders.

Ureotop + VAS *Dermapharm, Ger.*
⊗ Urea (p.1620·2); tretinoin (p.1618·1).
Keratinisation disorders.

Urequin *Craveri, Arg.*
Oxybutynin (p.2190·3).
Bladder instability.

Uresan *Menarini, Gr.*
⊗ Captopril (p.1239·2); hydrochlorothiazide (p.1307·3).
Hypertension.

Uresix *Sanbe, Indon.*
⊗ Furosemide (p.1292·1).
Ascites; hypertension; oedema.

Uretic *Merck, S.Afr.*
⊗ Furosemide (p.1292·1).
Hepatic cirrhosis; oedema.

Uretren Comp *Orion, Fin.*
⊗ Triamterene (p.1417·2); trichlormethiazide (p.1418·3).
Hypertension; oedema.

Uretron *Marin, USA.*
Methenamine (p.298·3); monobasic sodium phosphate (p.1682·3); salol (p.122·1); methylthioninium chloride (p.1450·3); hyoscyamine sulfate (p.1736·1).
Urinary-tract infections.

Urex
Note.This name is used for preparations of different composition.
Fawns & McAllan, Austral.; Fawns & McAllan, Hong Kong; Biosel, Turk.
⊗ Furosemide (p.1292·1).
Hypertension; oedema; oliguria; renal failure.

Vatring, USA.
Methenamine hippurate (p.298·3).
Urinary-tract infections.

Urezol *Euromex, Mex.*
Phenazopyridine (p.116·3).
Urinary-tract disorders.

Urfadyn PL *Zambon, Belg.*
Nifurtoinol (p.307·3).
Urinary-tract infections.

Urfamycin
Zambon, Hong Kong; Sermmitr, Thai.; Zambon, Thai.
Thiamphenicol (p.351·1) or thiamphenicol glycinate hydrochloride (p.351·1).
Bacterial infections.

Zambon, Indon.; Zambon, Spain†; Bilim, Turk.
Thiamphenicol (p.351·1).
Bacterial infections.

Urfamycine
Zambon, Belg.
Thiamphenicol (p.351·1) or thiamphenicol glycinate hydrochloride (p.351·1).
Bacterial infections.

Zambon, Switz.
Thiamphenicol glycinate hydrochloride (p.351·1).
Bacterial infections.

Urfekol *Medikon, Indon.*
Thiamphenicol (p.351·1).
Bacterial infections.

Urgendol *Win-Medicare, India.*
Tramadol hydrochloride (p.130·3).
Pain.

Urgenin
Note.This name is used for preparations of different composition.
Thursday, Austral.†; Madaus, Austria; Madaus, Belg.; Madaus, Hong Kong; Madaus, Israel.
Echinacea purpurea (p.2298·1); saw palmetto (p.2192·3).
Benign prostatic hyperplasia; bladder instability; bladder irritability; prostatic disorders.

Madaus, Spain.
Echinacea angustifolia (p.2298·1); saw palmetto (p.2192·3); esculoside (p.2248·2).
Prostatic and urinary-tract disorders.

Urgenin Cucurbitae oleum *Madaus, Ger.*
Cucurbita seed oil (p.2290·2).
Benign prostatic hyperplasia; urinary-tract disorders.

Urginol *Panalab, Arg.*
Tolterodine tartrate (p.2198·1).
Bladder instability.

Urgis *Cetus, Arg.*
Ranitidine (p.1766·1).
Peptic ulcer.

Urgo *Urgo, Cz.*
Ibuprofen (p.64·2).
Musculoskeletal, joint, peri-articular, and soft-tissue disorders.

Urgo Activ Huhneraugenpflaster *Urgo, Ger.†.*
Salicylic acid (p.1612·2).
Calluses; corns.

Urgo Cor *Urgo, Pol.*
Salicylic acid (p.1612·2).
Calluses; corns.

Urgocall *Faes, Spain†.*
Salicylic acid (p.1612·2).
Calluses; corns.

Urgocor *Urgo, Cz.; Crefar, Port.*
Salicylic acid (p.1612·2).
Calluses; corns.

Urgofroid *Urgo, Fr.*
Butane isobutane propane; menthol (p.2340·1).
Peri-articular and soft-tissue disorders.

Urgomed *Urgo, Fr.*
Carmellose (p.2142·1).
Burns; wounds.

Urgosorb
Note.This name is used for preparations of different composition.
Urgo, Fr.
Calcium alginate (p.1058·1); carmellose (p.2142·1).
Ulcers; wounds.

Urgo, Ger.
Calcium alginate (p.1058·1).
Wounds.

Urgotul
Urgo, Fr.
Carmellose (p.2142·1).
Burns; ulcers; wounds.

Urgo, Ger.
Carmellose sodium (p.2142·1).
Burns; wounds.

Urgotul S.Ag
Note.This name is used for preparations of different composition.
Urgo, Fr.
Carmellose (p.2142·1); sulfadiazine silver (p.337·2).
Burns.

Urgo, Ger.
Sulfadiazine silver (p.337·2).
Burns.

Uriage *Saninter, Port.*
A range of emollients, moisturisers, and soap substitutes.

Uriage Crema Extrema *D & M, Chile.*
SPF 90: Titanium dioxide (p.1617·3); aluminium hydroxide (p.1706·2); octinoxate (p.1608·2); zinc oxide (p.1621·2).
Sunscreen.

Uriage Desodorante Tri-Actif *D & M, Chile.*
Aluminium chlorohydrate (p.1588·3); ethylhexylglycerin (p.1644·1); triethyl citrate (p.2404·1).
Hyperhidrosis.

Uriage Extreme *Saninter, Port.*
SPF 60: Cinnamate; titanium dioxide (p.1617·3).
Sunscreen.

Uriage IP 90 *Uriage, Fr.†.*
SPF 100: Octinoxate (p.1608·2); titanium dioxide (p.1617·3); zinc oxide (p.1621·2).
Sunscreen.

Uriage IP 60 Mineral *Uriage, Fr.†.*
SPF 100: Titanium dioxide (p.1617·3); zinc oxide (p.1621·2).

Uriage Protector Solar *D & M, Chile.*
SPF 60: Bisoctrizole (p.1591·2); octinoxate (p.1608·2); avobenzone (p.1589·3); octil triazone (p.1608·1).
Sunscreen.

Uriage Stick Levres *Uriage, Fr.†.*
SPF 35: Octinoxate (p.1608·2); titanium dioxide (p.1617·3).
Sunscreen.

Uriage Stick Solaire Extreme *Uriage, Fr.†.*
SPF 90: Octinoxate (p.1608·2); titanium dioxide (p.1617·3).
Sunscreen.

Uri-Alk *Medchem, S.Afr.*
Sodium citrate (p.1673·3); sodium bicarbonate (p.1673·2); tartaric acid (p.2395·2); anhydrous citric acid (p.2284·1).
Gastrointestinal hyperacidity; urinary alkalinisation.

Uribac *Precimex, Mex.†.*
Pipemidic acid (p.315·1).
Urinary-tract infections.

Uriben *Rosemont, UK.*
Nalidixic acid (p.303·3).
Urinary-tract infections.

Uribenz *RAN, Ger.*
Allopurinol (p.552·2).
Gout; hyperuricaemia; renal calculi.

Uribeta *Probiomed, Mex.*
Interferon beta-1b (p.891·2).
Multiple sclerosis.

Urica *Sandoz, Indon.*
Allopurinol (p.552·2).
Gout; hyperuricaemia.

Uricad *Great Eastern, Thai.; Westmont, Thai.*
Allopurinol (p.552·2).
Gout; hyperuricaemia; renal calculi.

Uricalm *Cipla, Austral.†.*
Sodium bicarbonate (p.1673·2); anhydrous sodium citrate (p.1673·2); anhydrous citric acid (p.2284·1); tartaric acid (p.2395·2).
Urinary alkalinisation.

Uricemil *Cristalia, Braz.†; Molteni, Ital.†.*
Allopurinol (p.552·2).
Gout; hyperuricaemia; renal calculi.

UriCheck 2 *Sekunjalo, S.Afr.*
Test for ketones and glucose in urine.

UriCheck 3 *Sekunjalo, S.Afr.*
Test for protein, blood, and glucose in urine.

UriCheck 5 *Sekunjalo, S.Afr.*
Test for protein, pH, blood, ketones, and glucose in urine.

UriCheck 9 *Sekunjalo, S.Afr.*
Test for leucocytes, nitrite, urobilinogen, protein, pH, blood, ketones, bilirubin, and glucose in urine.

UriCheck 10 *Sekunjalo, S.Afr.*
Test for leucocytes, nitrite, urobilinogen, protein, pH, blood, specific gravity, ketones, bilirubin, and glucose in urine.

UriCheck Glucose *Sekunjalo, S.Afr.*
Test for glucose in urine.

UriCheck 3L *Sekunjalo, S.Afr.*
Test for leucocytes, protein, blood, and glucose in urine.

UriCheck 4L *Sekunjalo, S.Afr.*
Test for leucocytes, nitrite, protein, blood, and glucose in urine.

UriCheck 5N *Sekunjalo, S.Afr.*
Test for nitrite, protein, pH, blood, ketones, and glucose in urine.

UriCheck 2S *Sekunjalo, S.Afr.*
Test for protein and glucose in urine.

Uricine *Millimed, Thai.*
Hyoscine butylbromide (p.1734·1).
Gastro-duodenitis; peptic ulcer; postoperative nausea and vomiting; smooth muscle spasm.

Uricleanse *Douglas, Austral.†.*
Cranberry (p.2289·1).
Urinary-tract disorders.

Uriclin *Astellas, Neth.; Astellas, Port.*
Solifenacin succinate (p.2196·1).
Bladder hyperactivity.

Uricnol *Kimia, Indon.*
Allopurinol (p.552·2).
Gout; uric acid and calcium oxalate renal stones.

Uricodue *Benedetti, Ital.*
Allopurinol (p.552·2); benziodarone (p.555·3).
Hyperuricaemia.

Uricon *Altana Madaus, S.Afr.*
Trospium chloride (p.2198·3).
Bladder instability.

Uriconorme *Streuli, Switz.*
Allopurinol (p.552·2).
Gout; hyperuricaemia; renal calculi.

Uricont *Rider, Chile.*
Oxybutynin hydrochloride (p.2190·3).
Neurogenic bladder; urinary incontinence.

Uricosal *Biotech, Austral.†.*
Citric acid monohydrate (p.2284·1); potassium citrate (p.1673·2).
Urinary alkalinisation.

Uricosyx *Syxyl, Ger.†.*
Homoeopathic preparation.

Uricovac *Sanofi Synthelabo, Austria.*
Benzbromarone (p.555·2).
Gout; hyperuricaemia; psoriasis; psoriatic arthritis.

Uricozyme *Sanofi Synthelabo, Ital.†.*
Urate oxidase (p.560·2).
Hyperuricaemia.

Uricrim *Mediphar, Venez.*
⊗ Urea (p.1620·2).
Keratolytic.

Uridactone *Faran, Gr.†.*
⊗ Spironolactone (p.1400·1).
Heart failure; liver cirrhosis; malignant ascites; nephrotic syndrome; oedema; primary hyperaldosteronism.

Urideal *Dolisos, Fr.†.*
Pilosella.
Gastrointestinal disorders; renal disorders.

Uridon *Panalab, Arg.*
Cranberry (p.2289·1); ascorbic acid (p.1983·3).
Dietary supplement.

Uridon Modified *Rugby, USA†.*
Methenamine (p.298·3); salol (p.122·1); atropine sulfate (p.1219·3); hyoscyamine sulfate (p.1736·1); benzoic acid (p.1630·2); methylthioninium chloride (p.1450·3).
Urinary-tract infections.

Uridoz *Therabel, Fr.*
Fosfomycin trometamol (p.278·2).
Cystitis.

Uriduct *TAD, Ger.*
Doxazosin mesilate (p.1275·1).
Benign prostatic hyperplasia.

Urief *Daiichi, Jpn; Kissei, Jpn.*
Silodosin (p.2196·1).
Benign prostatic hyperplasia.

Uriflex C *SSL, UK.*
Chlorhexidine gluconate (p.1635·3).
Urinary catheter care.

Uriflex G *Coloplast, UK.*
Citric acid (p.2284·1); sodium bicarbonate (p.1673·2); light magnesium oxide (p.1744·1); disodium edetate (p.1463·3).
Urinary catheter care.

Uriflex R *Coloplast, UK.*
Citric acid (p.2284·1); light magnesium carbonate (p.1743·1); gluconolactone (p.2313·1); disodium edetate (p.1463·3).
Urinary catheter care.

Uriflex S *Coloplast, UK.*
Sodium chloride (p.1686·1).
Urinary catheter care.

Uriflex W *Coloplast, UK.*
Sterile pyrogen free water (p.2414·3).
Urinary catheter care.

Uri-Flor *AGIPS, Ital.*
Nalidixic acid (p.303·3).
Gram-negative bacterial infections of the urinary tract.

Urifron *Probiomed, Mex.*
Interferon alfa-2b (p.885·1).
Hepatitis B; hepatitis C; malignant neoplasms.

Urigon *Demo, Gr.*
Diclofenac sodium (p.44·3).
Inflammation; musculoskeletal and joint disorders; pain.

Urihexal *Hexal, S.Afr.*
Oxybutynin hydrochloride (p.2190·3).
Neurogenic bladder; nocturnal enuresis.

Urikal *Rafa, Israel.*
Sodium citrate (p.1673·3); sodium bicarbonate (p.1673·2); citric acid (p.2284·1); sodium carbonate (p.2389·1).
Urinary-tract infections.

Uriken *Kener, Mex.†.*
Pipemidic acid (p.315·1).

Urikoliz *Ilsan, Turk.*
Allopurinol (p.552·2).
Gout; hyperuricaemia; renal calculi.

Urilin *Faria, Braz.†.*
Oxolinic acid (p.312·2).
Urinary-tract infections.

Urimar-T *Marnel, USA.*
Methenamine (p.298·3); monobasic sodium phosphate (p.1682·3); salol (p.122·1); methylthioninium chloride (p.1450·3); hyoscyamine sulfate (p.1736·1).
Urinary-tract infections.

Urimax
Note.This name is used for preparations of different composition.
Bros, Gr.†.
Ofloxacin (p.310·2).
Bacterial infections.

Cipla, India.
Tamsulosin hydrochloride (p.2197·1).
Benign prostatic hyperplasia.

Xanodyne, USA.
Methenamine (p.298·3); monobasic sodium phosphate (p.1682·3); salol (p.122·1); methylthioninium chloride (p.1450·3); hyoscyamine sulfate (p.1736·1).
Lower urinary-tract disorders.

Urimax F *Cipla, India.*
⊗ Tamsulosin hydrochloride (p.2197·1); finasteride (p.2188·3).
Benign prostatic hyperplasia.

Urimet *Roemmers-Klinos, Venez.†.*
SPF 15: ⊗ Urea (p.1620·2); sunscreen.
Emollient; sunscreen.

Urinase *Eagle, Austral.†.*
Saw palmetto (p.2192·3); echinacea (p.2298·1); maize (p.2288·1); buchu (p.2269·3); hydrastis (p.2321·3); sassafras (p.2383·3); bearberry (p.2263·3); minerals.
Prostatitis; urinary bladder disorders.

Urinefrol *Lafage, Arg.†.*
Sarsaparilla (p.2383·3); liquorice (p.1740·3).

Urineg *Armoxindo, Indon.*
Nalidixic acid (p.303·3).
Urinary-tract infections.

Urinex *Kern, Switz.*
Birch leaf (p.2266·3); buchu (p.2269·3); barbiflore; bearberry (p.2263·3); haricot bean; equisetum (p.2299·3); solidago virgaurea (p.2391·1); meadowsweet (p.2338·1); calamus (p.2271·3); calendula (p.2273·1).
Urinary-tract disorders.

Urinol *Lennon, S.Afr.*
Allopurinol (p.552·2).
Gout; hyperuricaemia.

Urinorm *Torii, Jpn; OTL, Spain.*
Benzbromarone (p.555·2).
Gout; hyperuricaemia.

Urinox *Charoen Bhaesaj, Malaysia; Charoen, Thai.*
Norfloxacin (p.309·2).
Bacterial infections.

Urinter *Interbat, Indon.*
Pipemidic acid (p.315·1).
Urinary-tract infections.

Urion *Altana, Austria†; Zambon, Fr.; Altana, Ger.; Sanofi-Aventis, Neth.*
Alfuzosin hydrochloride (p.2183·1).
Benign prostatic hyperplasia.

Uripax *YSP, Malaysia.*
Flavoxate hydrochloride (p.2190·1).
Urinary-tract disorders.

Uripiser *Serral, Mex.*
Pipemidic acid (p.315·1).
Urinary-tract infections.

Uri-Plus Rubia L3 *Homeocan, Canad.†.*
Homoeopathic preparation.

Uriprim *Bial, Port.*
Allopurinol (p.552·2).
Gout; hyperuricaemia.

Uripurinol *Azupharma, Ger.†.*
Allopurinol (p.552·2).
Gout; hyperuricaemia; renal calculi.

Urirex-K *Aspen, S.Afr.*
⊗ Hydrochlorothiazide (p.1307·3); potassium chloride (p.1684·3).
Hypertension; oedema.

Urisalic *Mediphar, Venez.†.*
⊗ Betamethasone (p.1518·2); salicylic acid (p.1612·2); urea (p.1620·2).
Skin disorders.

Urisan *Tedec Meiji, Spain.*
Pipemidic acid (p.315·1).
Urinary-tract infections.

Uriscreen *Medical Industries, Austral.†.*
Test for bacteriuria, haematuria, and pyuria.

Urisec *Odan, Canad.*
⊗ Urea (p.1620·2).
Dry skin conditions.

Urised *PolyMedica, USA.*
Methenamine (p.298·3); salol (p.122·1); methylthioninium chloride (p.1450·3); benzoic acid (p.1630·2); atropine sulfate (p.1219·3); hyoscyamine sulfate (p.1736·1).
Lower urinary-tract infection or spasm.

Urisedon *Unipharma, Gr.†.*
Saw palmetto (p.2192·3).
Benign prostatic hyperplasia.

Urisept NF *Schering-Plough, Arg.*
Co-trimoxazole (p.258·1).
Formerly contained co-trimoxazole and phenazopyridine hydrochloride.
Bacterial infections; pneumocystis pneumonia.

Uriseptic *SDA, USA.*
Methenamine (p.298·3); salol (p.122·1); methylthioninium chloride (p.1450·3); benzoic acid (p.1630·2); atropine sulfate (p.1219·3); hyoscyamine sulfate (p.1736·1).
Urinary-tract infections.

Uriseptin *Mulda, Turk.*
Nitrofurantoin (p.308·1); phenazopyridine hydrochloride (p.116·2).
Urinary-tract infections.

Urisoda *Omni-Protech, India.*
Sodium bicarbonate (p.1673·2); tartaric acid (p.2395·2); citric acid (p.2284·1).
Urinary alkalinisation.

Urisol *Stadmed, India.*
Flavoxate hydrochloride (p.2190·1).
Urinary-tract disorders.

Urisor *Soria Natural, Spain†.*
Bearberry (p.2263·3); calluna vulgaris; java tea (p.2328·2).
Urinary-tract infections.

Urispadol *Abigo, Denm.*
Flavoxate hydrochloride (p.2190·1).
Neurogenic bladder.

Urispas *Altana, Austria; Altana, Belg.; Paladin, Canad.†; Recordati, Cz.†; Negma, Fr.; Shire, Hong Kong; Bushnell, India; Shire, Irl.; Shire, Malaysia; Altana, Neth.; Jaba Recordati, Port.; Pharmacia, S.Afr.; Shire, Singapore; Robapharm, Switz.; Fako, Turk.; Shire, UK; SmithKline Beecham, USA.*
Flavoxate hydrochloride (p.2190·1).
Bladder disorders; female genital-tract spasm; urinary-tract disorders; urinary-tract spasm.

Uristix *Bayer, Austral.; Bayer Diagnostics, Irl.; Bayer Diagnostics, UK; Bayer, USA.*
Test for glucose and protein in urine.

Uristix 4 *Bayer, USA.*
Test for glucose, protein, nitrite, and leucocytes in urine.

UriSym *Vindex, USA†.*
Methenamine (p.298·3); salol (p.122·1); monobasic sodium phosphate (p.1682·3); methylthioninium chloride (p.1450·3); hyoscyamine sulfate (p.1736·1).
Urinary-tract disorders.

Uritab *Pharmaniaga, Malaysia†; Raza, Malaysia†.*
Allopurinol (p.552·2).
Hyperuricaemia.

Uritact *Cypress, USA.*
Hyoscyamine sulfate (p.1736·1); methenamine (p.298·3); salol (p.122·1); atropine sulfate (p.1219·3); methylthioninium chloride (p.1450·3); benzoic acid (p.1630·2).
Lower urinary-tract disorders.

Uritest *Bayer Diagnostics, Fr.*
Test for glucose, protein, nitrite, and leucocytes in urine.

Uritest 2 *Bayer Diagnostics, Fr.; Bayer Diagnostici, Ital.*
Test for leucocytes and nitrites in urine.

Uritos *Kyorin, Jpn.*
Imidafenacin (p.2190·2).
Bladder hyperactivity.

Uritracin *BioFemme, Philipp.; Great Eastern, Thai.; United American, Thai.*
Norfloxacin (p.309·2).
Bacterial infections.

Uritrat *Libbs, Braz.*
Norfloxacin (p.309·2).
Bacterial infections.

Urixin *Abbott, Indon.; Abbott, Malaysia†; Abbott, Philipp.*
Pipemidic acid (p.315·1).
Bacterial infections.

Urizine *Unison, Singapore†; Unison, Thai.*
Cinnarizine (p.573·1).
Cerebral and peripheral vascular disorders; migraine; motion sickness; vertigo; vestibular disorders.

Urizone *Adcock Ingram, S.Afr.*
Fosfomycin trometamol (p.278·2).
Urinary-tract Escherichia coli infections.

Urlix *Precimex, Mex.†.*
Nalidixic acid (p.303·3).
Urinary-tract infections.

Uro Angiografin *Schering, Spain.*
Meglumine amidotrizoate (p.1475·3).
Radiographic contrast medium.

Uro Blue *McNeil, USA.*
Methenamine (p.298·3); monobasic sodium phosphate (p.1682·3); salol (p.122·1); methylthioninium chloride (p.1450·3); hyoscyamine sulfate (p.1736·1).
Urinary-tract infections.

Uroalquine *Rider, Chile.*
Sodium citrate (p.1673·3); potassium citrate (p.1673·2); anhydrous citric acid (p.2284·1).
Acidosis; gout; renal calculi.

Urobacid *Tyrol, Austria†; Sandoz, Gr.; Sandoz, Malaysia; Sandoz, Philipp.; Biochemie, Singapore†.*
Norfloxacin (p.309·2).
Bacterial infections.

Urobactam *Bristol-Myers, Spain†.*
Aztreonam (p.209·2).
Bacterial infections.

Uro-Bactrim *Roche, Arg.†.*
Co-trimoxazole (p.258·1); phenazopyridine (p.116·3).
Urinary-tract infections.

Uro-Baxapril *Brasmedica, Braz.†.*
Co-trimoxazole (p.258·1); phenazopyridine (p.116·3).
Urinary-tract infections.

Urobine *Eschol, Singapore†.*
Yohimbine hydrochloride (p.2200·2).
Erectile dysfunction.

Urobiotic *Hexal, Braz.†.*
Phenazopyridine hydrochloride (p.116·2); ampicillin (p.204·1).
Urinary-tract infections.

Urobiotic-250 *Pfizer, USA.*
Oxytetracycline hydrochloride (p.312·3); sulfamethizole (p.339·3); phenazopyridine hydrochloride (p.116·2).
Genito-urinary infections.

Uroc *Lampugnani, Ital.*
Cinoxacin (p.243·2).
Urinary-tract infections.

Urocalun *Shinyaku, Hong Kong; Shinyaku, Jpn; Shinyaku, Singapore.*
Quercus salicina (p.2355·3).
Renal calculi.

Urocarb *Hamilton, Austral.*
Bethanechol chloride (p.2265·3).
Neurogenic bladder; urinary retention.

Urocard *Stada, Austria.*
Terazosin hydrochloride (p.1410·2).
Benign prostatic hyperplasia; hypertension.

Uro-Cephoral *Merck, Ger.*
Cefixime (p.224·3).
Bacterial infections.

Urochinasi *IFET (ΙΦΕΤ), Gr.*
Urokinase (p.1420·1).
Thromboembolic disorders.

Urocid-K *Aymed, Turk.*
Potassium citrate (p.1673·2).
Hyperchloraemic acidosis.

UroCiproxin *Bayer, Turk.*
Ciprofloxacin (p.243·3).
Bacterial infections.

Urocit-K *Orphan, Austral.; Mission Pharmacal, Hong Kong; Mission Pharmacal, Malaysia; Mission Pharmacal, Singapore†; Mission Pharmacal, USA.*
Potassium citrate (p.1673·2).
Renal calculi; urinary alkalinising agent.

Uroclar *Eurodrug, Philipp.*
Rufloxacin hydrochloride (p.331·3).
Urinary-tract infections.

Uroclasio NF *Italmex, Mex.*
Potassium citrate (p.1673·2); citric acid (p.2284·1).
Renal calculi; urinary alkalinisation.

Uroctal *Almirall, Hong Kong; Almirall, Spain.*
Norfloxacin (p.309·2).
Urinary-tract infections.

Uroctrin *Legrand, Braz.*
Co-trimoxazole (p.258·1); phenazopyridine hydrochloride (p.116·2).
Urinary-tract infections.

Urodene *OFF, Ital.*
Pipemidic acid (p.315·1).
Urinary-tract infections.

Urodie *Keryos, Ital.*
Terazosin hydrochloride (p.1410·2).
Benign prostatic hyperplasia.

Urodil phyto *Selz, Ger.†.*
Birch leaf (p.2266·3); solidago virgaurea (p.2391·1); java tea (p.2328·2).
Urinary-tract disorders.

Urodin *Streuli, Switz.*
Nitrofurantoin (p.308·1).
Urinary-tract infections.

Urodixin *Santa, Gr.*
Ciprofloxacin (p.243·3).
Bacterial infections.

Urodonal *Farmabraz, Braz.†.*
Theobromine (p.1140·1); methenamine (p.298·3).
Hyperuricaemia.

Urofen *Teuto, Braz.†.*
Sulfamethoxypyridazine (p.342·1); nitrofurantoin (p.308·1); phenazopyridine hydrochloride (p.116·2).
Urinary-tract infections.

Urofin *Mertens, Arg.*
⊗ Finasteride (p.2188·3).
Benign prostatic hyperplasia.

Uroflo *Abbott, Austria.*
Terazosin hydrochloride (p.1410·2).
Benign prostatic hyperplasia.

Uroflox
Note. This name is used for preparations of different composition.
Farmion, Braz.†; Bialfar, Port.
Norfloxacin (p.309·2).
Bacterial infections.

Armstrong, Mex.; Eurodrug, Thai.
Rufloxacin hydrochloride (p.331·3).
Bacterial infections.

Urofort *Leki Natury, Pol.*
Bearberry (p.2263·3); solidago (p.2391·1); urtica (p.2409·3).
Urinary-tract disorders.

Urofos *Panalab, Arg.*
Norfloxacin (p.309·2).
Bacterial infections.

Urofossat *Dreluso, Ger.*
Homoeopathic preparation.

Urogem *Prodotti, Braz.*
Nitrofurantoin (p.308·1).
Urinary-tract infections.

Urogesic *Atlantic, Singapore; Edwards, USA.*
Phenazopyridine hydrochloride (p.116·2).
Irritation of the lower urinary tract; urinary-tract disorders.

Urogesic Blue *Edwards, USA.*
Methenamine (p.298·3); monobasic sodium phosphate (p.1682·3); salol (p.122·1); methylthioninium chloride (p.1450·3); hyoscyamine sulfate (p.1736·1).
Urinary-tract infections.

Urogetix *Ifars, Indon.*
Phenazopyridine hydrochloride (p.116·2).
Urinary-tract pain.

Urogliss *Montavit, Neth.*
Chlorhexidine hydrochloride (p.1635·3); lidocaine hydrochloride (p.1862·3).
Catheterisation.

Urogliss-S *Montavit, Neth.*
Chlorhexidine hydrochloride (p.1635·3).
Catheterisation.

Urogotan A *Silesia, Chile.*
Allopurinol (p.552·2).
Gout; hyperuricaemia.

Urografin
Bayer, Austral.; Schering, Austria†; Schering, Denm.; German Remedies, India; Schering, Israel†; Bayer, NZ; Schering, Neth.; Schering, S.Afr.; Schering, Spain; Schering, Swed.; Schering, Switz.†.
Meglumine amidotrizoate (p.1475·3); sodium amidotrizoate (p.1475·3).
Radiographic contrast medium.

Schering, Cz.†.
Meglumine amidotrizoate (p.1475·3).
Radiographic contrast medium.

Urografin 150 and 370 *Bayer, UK.*
Meglumine amidotrizoate (p.1475·3); sodium amidotrizoate (p.1475·3).
Radiographic contrast medium.

Urografin Meglumin *Schering, Denm.*
Meglumine amidotrizoate (p.1475·3).
Radiographic contrast medium.

Urografina *Schering, Arg.; Schering, Braz.; Bayer, Port.*
Meglumine amidotrizoate (p.1475·3); sodium amidotrizoate (p.1475·3).
Radiographic contrast medium.

Urografine *Schering, Belg.†.*
Meglumine amidotrizoate (p.1475·3); sodium amidotrizoate (p.1475·3).
Radiographic contrast medium.

Urographin *Schering, Rus.*
Meglumine amidotrizoate (p.1475·3); sodium amidotrizoate (p.1475·3).
Radiographic contrast medium.

Urogutt *Farmasa, Mex.; Pharmalink, Thai.; Schwabe, Thai.*
Saw palmetto (p.2192·3).
Benign prostatic hyperplasia.

Uro-Hytrin *Abbott, Belg.*
Terazosin hydrochloride (p.1410·2).
Benign prostatic hyperplasia.

Urokatt *Kattwiga, Ger.*
Homoeopathic preparation.

Urokit *Casasco, Arg.*
Potassium citrate (p.1673·2).
Renal calculi.

Uroknop *Knop, Chile.*
Lithium carbonicum; colchicum; methenamine (p.298·3); tartaric acid (p.2395·2).
Gout; hyperuricaemia.

Uro-KP-Neutral *Star, USA.*
Mineral preparation (p.1922·1).
Phosphorus supplement.

Urol *Apogepha, Ger.*
Solidago virgaurea (p.2391·1).
Urinary-tract disorders.

Urol methin *Apogepha, Ger.*
Methionine (p.1450·1).
Urinary acidification in antibiotic therapy.

Urol pros *Apogepha, Ger.*
Urtica (p.2409·3).
Benign prostatic hyperplasia.

Urolene Blue *Star, USA.*
Methylthioninium chloride (p.1450·3).
Cyanide poisoning; cystitis: urethritis; drug-induced methaemoglobinaemia.

Urolin *Polfa Grodzisk, Pol.*
Pipemidic acid (p.315·1).
Bacterial infections of the urinary tract.

Uro-Linfol *Omega, Arg.*
Norfloxacin (p.309·2).
Bacterial infections of the urinary tract.

uro-loges *Loges, Ger.*
Homoeopathic preparation.
Formerly known as uro-L 90 N.

Urologicka Cajova Smes *Megafyt-R, Cz.*
Birch leaf (p.2266·3); bearberry (p.2263·3); peppermint leaf (p.1761·2); ononis (p.2357·1); parsley (p.2363·2); herniaria (p.2319·1).
Urinary-tract disorders.

Urologicum-Echtroplex *Weber & Weber, Ger.†.*
Homoeopathic preparation.

Urologin *Delta, Braz.*
Phenazopyridine hydrochloride (p.116·2).
Urinary-tract disorders.

Urolosin *Boehringer Ingelheim, Spain.*
Tamsulosin hydrochloride (p.2197·1).
Benign prostatic hyperplasia.

Urolux *Sanochemia, Ger.*
Meglumine amidotrizoate (p.1475·3).
Radiographic contrast medium.

Urolux Retro *Sanochemia, Ger.*
Meglumine amidotrizoate (p.1475·3); sodium amidotrizoate (p.1475·3).
Contrast medium for urinary-tract radiography.

Uro-Mag *Blaine, USA.*
Magnesium oxide (p.1744·1).
Hyperacidity; magnesium deficiency.

Uromed *Cimed, Braz.*
Bearberry (p.2263·3).

Uromes *Sanfer, Mex.*
Mesna (p.1449·2).
Prevention of urotoxicity due to oxazaphosphorine antineoplastics.

Uromethin *Apogepha, Ger.†.*
Methionine (p.1450·1).
Phosphate calculi; urinary acidification.

Uro-Micinovo *Bago, Chile.*
Co-trimoxazole (p.258·1); phenazopyridine (p.116·3).
Urinary-tract infections.

Uromil *IPRAD, Fr.*
Bearberry (p.2263·3); green tea (p.2416·1).
Urinary-tract disorders.

Uromiro *Gerot, Austria; Bracco, Switz.†.*
Meglumine iodamide (p.1481·3).
Radiographic contrast medium.

Uromiro 24%, 36%, and 300 *Bracco, Ital.†.*
Meglumine iodamide (p.1481·3).
Radiographic contrast medium.

Uromiro 340 and 420 *Bracco, Ital.†.*
Meglumine iodamide (p.1481·3); sodium iodamide (p.1482·1).
Radiographic contrast medium.

Uromiro 300 Sodico *Bracco, Ital.†.*
Sodium iodamide (p.1482·1).
Radiographic contrast medium.

Uromiron *Schering, Venez.*
Meglumine iodamide (p.1481·3).
Radiographic contrast medium.

Uromitexan *Sandoz, Arg.†; Baxter, Austral.; Baxter, Austria; Baxter, Belg.; Baxter, Canad.; Baxter, Chile; Baxter, Cz.; Baxter, Denm.; Baxter, Fin.; Baxter Oncology, Fr.; Baxter Oncology, Ger.; Baxter, Gr.; Baxter, Hong Kong; Baxter, Hung.; German Remedies, India; Baxter, Indon.; Asta Medica, Irl.; Baxter, Ital.; Shionogi, Jpn; Baxter Oncology, Malaysia†; Baxter, Mex.†; Baxter, NZ; Baxter, Neth.; Baxter Oncology, Norw.; Baxter, Philipp.; Baxter Oncology, Pol.; Baxter, Port.; Aventis, S.Afr.; Baxter Oncology, Singapore; Prasfarma, Spain; Baxter, Swed.; Baxter, Switz.; Baxter, Thai.; Eczacibasi-Baxter, Turk.; Baxter Oncology, UK†.*
Mesna (p.1449·2).
Now known as Mesna in the *UK*.
Reduction of oxazaphosphorine urotoxicity.

Uromix *Agropharm, Pol.*
Betula; orthosiphon aristatus; solidago (p.2391·1).
Gout; rheumatism; skin disorders; urinary-tract disorders.

Uromont *Montavit, Austria.*
⊗ Dexamethasone (p.1526·1); chlorhexidine hydrochloride (p.1635·3); lidocaine hydrochloride (p.1862·3).
Stricture prevention following transurethral procedures.

Uro-Munal *Medice, Ger.†.*
Escherichia coli.
Urinary-tract infections.

Uromunal *Leti, Venez.*
Escherichia coli.
Immunostimulant.

Uromykol *Maxmedic, Ger.*
Clotrimazole (p.530·1).
Fungal skin infections.

Uron *Aksu, Turk.*
Methenamine anhydromethylenecitrate (p.299·1).
Urinary-tract infections.

Uronalin *Vitae, Mex.*
Nalidixic acid (p.303·3).
Urinary-tract infections.

Uronase *Mochida, Jpn.*
Urokinase (p.1420·1).
Myocardial infarction.

Uro-Nebacetin N *Altana, Ger.*
Neomycin sulfate (p.305·1).
Urinary-tract infections.

Uronefrex *Robert, Spain.*
Acetohydroxamic acid (p.2245·1).
Renal calculi due to bacterial urease.

Uronid *Euro Registratie, Neth.; Recordati, Spain.*
Flavoxate hydrochloride (p.2190·1).
Bladder instability; urinary-tract disorders.

Uronor *Abbott, Ger.†.*
Potassium citrate (p.1673·2); potassium bicarbonate (p.1673·1); anhydrous citric acid (p.2284·1).
Renal calculi.

Uronorm *Wassermann, Ital.†.*
Cinoxacin (p.243·2).
Urinary-tract infections.

Uronovag
Note. This name is used for preparations of different composition.
Gobbi, Arg.
Norfloxacin (p.309·2).
Bacterial infections.

Novag, Mex.
Pipemidic acid (p.315·1).
Urinary-tract infections.

Uropac *EMS, Braz.*
Sulfamethoxypyridazine (p.342·1); nitrofurantoin (p.308·1); phenazopyridine hydrochloride (p.116·2).
Urinary-tract infections.

Uropan *Kocak, Turk.*
Oxybutynin hydrochloride (p.2190·3).
Bladder instability; nocturnal enuresis.

Urophytum *Arkomedika, Fr.†.*
Buchu (p.2269·3); bearberry (p.2263·3).
Urinary-tract disorders.

Uropielon *Legrand, Braz.*
Ampicillin (p.204·1); phenazopyridine hydrochloride (p.116·2).
Urinary-tract infections.

Uropimid *CT, Ital.*
Pipemidic acid (p.315·1).
Urinary-tract infections.

Uropimide *Rider, Chile.*
Pipemidic acid (p.315·1).
Urinary-tract infections.

Uropipedil *Viamedica, Spain.*
Pipemidic acid (p.315·1).
Urinary-tract infections.

Uropipemid *AF, Mex.*
Pipemidic acid (p.315·1).
Urinary-tract infections.

Uroplant *Biomo, Ger.†.*
Solidago virgaurea (p.2391·1).
Urinary-tract disorders.

Uroplex *Sintofarma, Braz.†.*
Norfloxacin (p.309·2).
Bacterial infections.

Uropol *IMA, Braz.*
Co-trimoxazole (p.258·1).
Formerly contained co-trimoxazole and phenazopyridine.
Urinary-tract infections.

Uropol-S *Pohl, Ger.*
Chondroitin sulfate sodium (p.2280·3).
Interstitial cystitis.

Uro-POS *Croma, Austria; Ursapharm, Ger.*
Urtica (p.2409·3).
Micturition disorders in males; prostatic hyperplasia.

Uro-Pract *Ebewe, Austria†.*
Sodium chloride (p.1686·1).
Bladder irrigation; maintenance of bladder catheters.

Uroprost *Hasco-Lek, Pol.*
Arnica (p.2260·2); shepherd's purse (p.2386·2); St John's wort (p.422·3); solidago (p.2391·1); valerian (p.2410·1); rapeseed.
Benign prostatic hyperplasia.

Uroprot *Laboratorios Chile, Chile; Lemery, Mex.*
Mesna (p.1449·2).
Prevention of urotoxicity due to oxazaphosphorine antineoplastics.

Uropurat *Kwizda, Austria.*
Bearberry (p.2263·3); herniaria (p.2319·1); equisetum (p.2299·3); ononis (p.2357·1).
Urinary-tract disorders.

Uropyrine *Sterop, Belg.*
Phenazopyridine hydrochloride (p.116·2).
Urinary-tract disorders.

Uroquidan *UCB, Spain.*
Urokinase (p.1420·1).
Intra-ocular haemorrhage; thromboembolic disorders.

Urorenal *Schwabe, Ger.†.*
Birch leaf (p.2266·3).
Urinary-tract disorders.

Urosal *Vis, Pol.*
Methenamine (p.298·3); salol (p.122·1).
Biliary-tract disorders; gastrointestinal disorders; urinary-tract disorders.

Urosan *AGIPS, Ital.*
Pipemidic acid (p.315·1).
Urinary-tract infections.

Urosedac *Eurolab, Arg.*
Cranberry (p.2289·1); vitamin C (p.1983·3).
Vitamin C supplement.

Uroselect *Dreluso, Ger.*
Homoeopathic preparation.

Urosept *Herbapol Poznan, Pol.*
Birch (p.2266·3); chamomile (p.2279·3); petroselinum sativum; phaseolus vulgaris; cranberry (p.2289·1); potassium citrate (p.1673·2); sodium citrate (p.1673·3).
Urinary-tract disorders.

Uroseptal *Bago, Arg.; Bago, Braz.*
Norfloxacin (p.309·2).
Bacterial infections.

Uroseptol *Fresenius Kabi, Ger.†.*
Ethacridine lactate (p.1625·1).
Urinary-tract infections.

Urosetic *Finmedical, Ital.*
Pipemidic acid (p.315·1).
Urinary-tract infections.

Urosin
Note. This name is used for preparations of different composition.
Roche, Austria.
Allopurinol (p.552·2).
Gout; hyperuricaemia; renal calculi.

YSP, Malaysia.
⊗ Atenolol (p.1217·3).
Angina pectoris; hypertension.

Yeni, Turk.
Ofloxacin (p.310·2).
Bacterial infections.

Urosiphon *Pierre Fabre Sante, Fr.*
Java tea (p.2328·2).
Diuretic; slimming aid.

Urospasmon *Heumann, Ger.†.*
Nitrofurantoin (p.308·1); sulfadiazine (p.336·2); phenazopyridine hydrochloride (p.116·2).
Urinary-tract infections.

Urospasmon sine *Heumann, Ger.†.*
Nitrofurantoin (p.308·1); sulfadiazine (p.336·2).
Urinary-tract infections.

Urospes-N *Specifar (Σπεσιφαρ), Gr.*
Norfloxacin (p.309·2).
Bacterial infections.

Urostad *Stada, Cz.; Stada, Hung.; Stada, Pol.*
Tamsulosin hydrochloride (p.2197·1).
Benign prostatic hyperplasia.

Uro-Stilloson *Farco, Ger.†.*
⊗ Dexamethasone (p.1526·1); lidocaine hydrochloride (p.1862·3); chlorhexidine gluconate (p.1635·3).
Urinary-tract disorders.

Urostix *Bayer, India.*
Test for glucose and protein in urine.

Uro-Tablinen *Winthrop, Ger.*
Nitrofurantoin (p.308·1).
Urinary-tract infections.

Uro-Tainer
Note. This name is used for preparations of different composition.
Braun, Belg.†.
Chlorhexidine acetate (p.1635·2).
Urinary catheter care; urinary-bladder lavage.

Isramedcom, Israel†.
Sodium chloride (p.1686·1).
Maintenance of indwelling urinary catheters.

Uro-Tainer M *Braun, UK.*
Sodium chloride (p.1686·1).
Vehicle for intravesical administration of drugs.

Uro-Tainer Solution R *Braun, UK.*
Citric acid (p.2284·1); gluconolactone (p.2313·1); light magnesium carbonate (p.1743·1).
Urinary catheter care.

Uro-Tainer Suby G *Braun, UK.*
Citric acid (p.2284·1); light magnesium oxide (p.1744·1); sodium bicarbonate (p.1673·2).
Urinary catheter care.

Uro-Tarivid *Aventis, Ger.; Aventis, Israel.*
Ofloxacin (p.310·2).
Bacterial infections.

Urotem *Temis, Arg.*
Norfloxacin (p.309·2).
Bacterial infections of the urinary tract.

Urotem Dol *Temis, Arg.*
10 Tablets, norfloxacin (p.309·2); 10 tablets, phenazopyridine (p.116·3).
Bacterial infections of the urinary tract.

Uroton *Biovena, Pol.*
Oxybutynin hydrochloride (p.2190·3).
Neurogenic bladder.

Urotone *Samarth, India.*
Bethanechol chloride (p.2265·3).
Neurogenic bladder; urinary retention.

Urotonine *VHB, India†.*
Bethanechol chloride (p.2265·3).
Neurogenic bladder; urinary retention.

Urototal *Fortbenton, Arg.*
⊗ Finasteride (p.2188·3).
Benign prostatic hyperplasia.

Urotractan *Klinge, Ger.*
Methenamine hippurate (p.298·3).
Urinary-tract infections.

Urotractin *Eurodrug, Hong Kong; Sanbe, Indon.; Zambeletti, Indon.; Teofarma, Ital.; Eurodrug, Malaysia†; Eurodrug, Singapore; Eurodrug, Thai.*
Pipemidic acid (p.315·1).
Genito-urinary-tract infections.

Urotricef *Merck, Chile.*
Cefixime (p.224·3).
Bacterial infections.

Urotril *Hexal, Braz.†.*
Phenazopyridine hydrochloride (p.116·2).
Urinary-tract infections.

Urotrim *Medana, Pol.*
Trimethoprim (p.355·2).
Bacterial infections of the urinary tract.

Urotrol *Almirall, Spain.*
Tolterodine tartrate (p.2198·1).
Bladder instability.

Uro-Vaxom *Altana, Austria; Solvay, Belg.; OM, Cz.; Sanofi Synthelabo, Ger.; Gap, Gr.; Grunenthal, Mex.; OM, Philipp.; Pharmalink, Philipp.; OM, Pol.; OM, Port.; OM, Rus.; OM, Switz.*
Escherichia coli.
Bacterial infections of the urinary tract.

Urovec *Collins, Mex.*
Phenazopyridine (p.116·3); sulfafurazole (p.338·3); tetracycline (p.347·1).
Urinary-tract infections.

Urovison *Schering, Ger.†; Schering, Neth.†.*
Meglumine amidotrizoate (p.1475·3); sodium amidotrizoate (p.1475·3).
Radiographic contrast medium.

Urovisona *Schering, Arg.*
Meglumine amidotrizoate (p.1475·3); sodium amidotrizoate (p.1475·3).
Contrast medium for urography.

Uroxacin
Note. This name is used for preparations of different composition.
Lazar, Arg.
Norfloxacin (p.309·2).
Bacterial infections of the genito-urinary tract.

Malesci, Ital.†.
Cinoxacin (p.243·2).
Urinary-tract infections.

Uroxal
Note. This name is used for preparations of different composition.
Fournier, Cz.; Fournier, Hung.
Oxybutynin hydrochloride (p.2190·3).
Bladder instability; nocturnal enuresis; urge incontinence; urinary incontinence.

Sandoz, Indon.
Flavoxate hydrochloride (p.2190·1).
Urinary-tract disorders.

Uroxate *General Drugs, Thai.*
Flavoxate hydrochloride (p.2190·1).
Urinary-tract disorders.

UroXatral *Sanofi Synthelabo, Arg.; Sanofi-Aventis, Chile; Sanofi Synthelabo, Ger.; Fisher, Neth.; Sanofi Synthelabo, USA.*
Alfuzosin hydrochloride (p.2183·1).
Benign prostatic hyperplasia.

Uroxazol-N *Bunker, Braz.*
Norfloxacin (p.309·2).
Bacterial infections.

Uroxin
Note. This name is used for preparations of different composition.
Unison, Hong Kong; Unison, Singapore.
Ciprofloxacin hydrochloride (p.243·3).
Bacterial infections.

Unison, Thai.
Ciprofloxacin (p.243·3).
Bacterial infections.

Julphar, UAE.
Norfloxacin (p.309·2).
Bacterial infections.

Uroxina *Farmalab, Braz.*
Pipemidic acid (p.315·1).
Urinary-tract infections.

Urpem *Zwitter, Gr.*
Ketotifen (p.582·2).
Allergic eye disorders.

Ursacol *Zambon, Braz.; Zambon, Ital.*
Ursodeoxycholic acid (p.2408·1).
Biliary-tract disorders.

Ursa-Fenol *Farmex, Gr.*
Chloramphenicol (p.239·3).
Bacterial eye infections.

Ursa-Fin *Farmex, Gr.*
⊗ Tetryzoline (p.1574·1).
Eye inflammation.

Ursidesox *Duncan, Arg.*
Ursodeoxycholic acid (p.2408·1).
Renal calculi.

Ursilon *IBI, Ital.*
Ursodeoxycholic acid (p.2408·1).
Biliary-tract disorders.

Ursinus Inlay-Tabs *Novartis, USA.*
Pseudoephedrine hydrochloride (p.1571·2); aspirin (p.20·3).
Upper respiratory-tract symptoms.

Urso *Axcan, Canad.; Heumann, Ger.†; Mitsubishi, Jpn; Axcan, USA.*
Ursodeoxycholic acid (p.2408·1).
Cholestatic liver disorders; cholesterol gallstones; liver disorders; primary biliary cirrhosis.

Urso Mix *Stada, Ger.†.*
Chenodeoxycholic acid (p.2280·1); ursodeoxycholic acid (p.2408·1).
Cholesterol gallstones.

Ursobil *ABC, Ital.*
Ursodeoxycholic acid (p.2408·1) or sodium sulfate ursodeoxycholate.
Biliary-tract disorders.

Ursobilane *Estedi, Spain.*
Ursodeoxycholic acid (p.2408·1).
Gallstones.

Ursocam *Polfarmex, Pol.*
Ursodeoxycholic acid (p.2408·1).
Gallstones; hepatobiliary cirrhosis.

Ursochol *Zambon, Belg.; Zambon, Cz.; Zambon, Ger.; Zambon, Neth.; Zambon, Spain; Zambon, Switz.*
Ursodeoxycholic acid (p.2408·1).
Biliary dyspepsia; cholesterol gallstones; dyspepsia; gallstones; hepatopathy with cholestasis; primary biliary cirrhosis.

Ursodamor *Damor, Ital.*
Sodium succinate ursodeoxycholate (p.2408·2).
Biliary-tract disorders.

Ursodexil *EG, Ital.†.*
Ursodeoxycholic acid (p.2408·1).
Biliary-tract disorders.

Ursodiol *Bioprogress, Ital.*
Ursodeoxycholic acid (p.2408·1).
Biliary-tract disorders.

Ursofalk *Orphan, Austral.; Merck, Austria; Codali, Belg.; Biotoscana, Chile; Falk, Cz.; Falk, Ger.; Galenica, Gr.; Falk, Hong Kong; Falk, Hung.; Falk, Irl.; Rafa, Israel; Abbott, Ital.†; Falk, Malaysia; Farmasa, Mex.; St Ives, NZ; Tramedico, Neth.; Falk, Norw.; Falk, Philipp.; Pharmalink, Philipp.; Falk, Pol.; Falk, Port.; Falk, Singapore; Meda, Swed.; Vifor, Switz.; Falk, Thai.; Ali, Turk.; Provalis, UK.*
Ursodeoxycholic acid (p.2408·1).
Biliary obstruction; cholestatic liver disorders; cholesterol gallstones; dyspepsia; gastric reflux; gastritis; hepatitis; primary biliary cirrhosis; sclerosing cholangitis.

Ursoflor *SoSe, Ital.*
Ursodeoxycholic acid (p.2408·1).
Biliary-tract disorders.

Ursogal *Galen, UK.*
Ursodeoxycholic acid (p.2408·1).
Cholesterol gallstones.

Ursolac *Biomedica, Ital.†.*
Ursodeoxycholic acid (p.2408·1).
Biliary-tract disorders.

Ursolin *Berlin Pharm, Thai.*
Ursodeoxycholic acid (p.2408·1).
Biliary-tract disorders; dyspepsia; liver disorders.

Ursolisin *Magis, Ital.*
Ursodeoxycholic acid (p.2408·1).
Biliary-tract disorders.

Ursolit *CTI, Israel.*
Ursodeoxycholic acid (p.2408·1).
Gallstones; liver disorders.

Ursolvan *Sanofi-Aventis, Fr.*
Ursodeoxycholic acid (p.2408·1).
Cholestasis; cholesterol gallstones.

Ursomax *Altius, Arg.*
Ursodeoxycholic acid (p.2408·1).
Biliary-tract disorders; cholesterol gallstones.

Ursopol *ICN, Pol.*
Ursodeoxycholic acid (p.2408·1).
Cholesterol gallstones; hepatobiliary cirrhosis.

Ursoproge *Proge, Ital.†.*
Ursodeoxycholic acid (p.2408·1).
Biliary-tract disorders.

Ursosan *ProMed, Cz.; Mitsubishi-Tokyo, Hong Kong; Mitsubishi, Jpn†; Pro.Med, Rus.*
Ursodeoxycholic acid (p.2408·1).
Biliary-tract disorders; cholesterol gallstones; liver disorders.

Ursotan *Aventis, S.Afr.†.*
Ursodeoxycholic acid (p.2408·1).
Cholesterol gallstones.

Urticalcin *Bioforce, Ger.†; Bioforce, Switz.*
Homoeopathic preparation.

Urticaprostat uno *Azupharma, Ger.†.*
Urtica (p.2409·3).
Benign prostatic hyperplasia.

Urtigen *Sons, Mex.*
Astemizole (p.567·2).
Hypersensitivity.

Urtikalma *Fecofar, Arg.*
Calamine (p.1591·2); diphenhydramine hydrochloride (p.577·2).
Pruritus.

Urtipret *Bionorica, Ger.†.*
Urtica (p.2409·3).
Benign prostatic hyperplasia.

Urtivac *Darrow, Braz.*
Allergen extracts (p.2250·2).
Allergen immunotherapy.

Urtivit *Ruhrpharm, Ger.*
Urtica (p.2409·3).
Benign prostatic hyperplasia.

Urtix *Labofarm, Pol.*
Urtica (p.2409·3).
Benign prostatic hyperplasia.

Urtotre *Lafare, Ital.*
Calcium carbonate (p.1714·1); colecalciferol (p.1986·2).
Calcium and vitamin D deficiency; osteoporosis.

Urupan *Merckle, Ger.†.*
Dexpanthenol (p.2362·1).
Wounds.

Urzac *Quesada, Arg.*
Ursodeoxycholic acid (p.2408·1).
Gallstones.

Usaltron *Maver, Mex.*
Omeprazole (p.1753·1).
Peptic ulcer.

Usamema *Icon, Philipp.*
Methylergometrine maleate (p.2011·1).
Postpartum haemorrhage; uterine bleeding.

Usana AO Pro *Usana, Mex.*
Multivitamin preparation (p.1922·1).

Usana Min *Usana, Mex.*
Mineral preparation (p.1922·1).

Usanatal *Icon, Philipp.*
Vitamin and mineral preparation with ferrous fumarate and folic acid (p.1922·1).
Nutritional supplement for pregnancy and lactation.

Usanimals
Usana, Hong Kong†.
Multivitamin and mineral preparation with hesperidin (p.1922·1).

Usana, Mex.
Vitamin and mineral preparation (p.1922·1).

Usana, Singapore.
Vitamins; minerals; polynutrients (p.1922·1).

† This preparation may no longer be actively marketed
⊗ Contains a substance whose use may be restricted in certain sports (see p.vii)

Usar Fibras *Phoenix, Arg.†.*
Liquid paraffin (p.2030·3); cellulose (p.2143·1); agar (p.2140·3).
Constipation.

Usedent *Neckerman, Braz.†.*
Procaine (p.1869·2); phenol (p.1656·1); menthol (p.2340·1).
Local anaesthesia.

Usix *Pharmaniaga, Malaysia†; Raza, Malaysia†.*
⊗ Furosemide (p.1292·1).
Ascites; hypertension; oedema.

Uskan *Desitin, Ger.*
Oxazepam (p.1014·2).
Anxiety; sleep disorders.

Usneabasan *Sanum-Kehlbeck, Ger.*
Homoeopathic preparation.

Usnicon *Eczane, Arg.†.*
Benzalkonium chloride (p.1629·1).
Disinfection.

U-Spa *Sriprasit, Thai.*
Flavoxate hydrochloride (p.2190·1).
Urinary-tract disorders.

Ustilakehl *Sanum-Kehlbeck, Ger.*
Homoeopathic preparation.

Ustimon *Sigmapharm, Austria.*
Hexobendine hydrochloride (p.1305·2).
Cardiac disorders.

Ustiosan *Kelemata, Ital.*
Procaine hydrochloride (p.1869·1); lidocaine hydrochloride (p.1862·3); hydroxyquinoline sulfate (p.2323·1).
Minor wounds and burns; skin irritation.

Usualix *Phoenix, Arg.*
⊗ Ephedrine hydrochloride (p.1558·2); phenazone (p.116·1).
Allergic conjunctivitis; eye irritation.

UT 380 *CCD, Fr.; Amnol, Ital.*
Copper-wound plastic (p.1935·2).
Intra-uterine contraceptive device.

Utabon *Uriach, Singapore; Uriach, Spain.*
⊗ Oxymetazoline hydrochloride (p.1567·2).
Nasal congestion.

Utac *Millimed, Thai.*
Ranitidine hydrochloride (p.1766·1).
Acid aspiration; dyspepsia; gastro-oesophageal reflux; peptic ulcer; Zollinger-Ellison syndrome.

Utahzone *Daewon, Hong Kong.*
Ciprofloxacin hydrochloride (p.243·3).
Bacterial infections.

Utalk *Kurtsan, Turk.*
Undecenoic acid (p.549·2); zinc undecenoate (p.549·3).
Fungal skin infections.

Utefos *Prasfarma, Spain.*
Tegafur (p.776·1).
Malignant neoplasms.

Utel *Farmex, Gr.*
Loratadine (p.583·3).
Allergic disorders.

Uteplex *Biodim, Fr.*
Trisodium uridine triphosphate (p.2408·1).
Musculoskeletal disorders.

Utergin *Svizera, India.*
Methylergometrine maleate (p.2011·1).
Postpartum haemorrhage; puerperal sepsis; uterine bleeding; uterine subinvolution.

Uterine *Omega, Arg.*
Isoxsuprine hydrochloride (p.2327·3).
Premature labour; threatened miscarriage.

Uterjin *Biofarma, Turk.*
Methylergometrine maleate (p.2011·1).
Postpartum haemorrhage.

Uterone *Jagson, India.*
Progesterone (p.2125·1).
Assisted conception; dysfunctional uterine bleeding; premenstrual syndrome; puerperal depression; recurrent miscarriage.

Utiblack *Rafarm, Gr.*
Lidocaine (p.1862·3).
Mouth disorders.

Uticina *SoSe, Ital.*
Norfloxacin (p.309·2).
Bacterial urinary-tract infections.

Uticox *Yer, Spain.*
Meloxicam (p.80·3).
Ankylosing spondylitis; osteoarthritis; rheumatoid arthritis.

Utidol *Diba, Mex.*
Dipyrone (p.49·2).
Fever; pain.

Utiflox *Blue Sky, Philipp.*
Norfloxacin (p.309·2).
Bacterial infections.

Utilin *Sanum-Kehlbeck, Ger.*
Bacillus subtilis.
Immunotherapy.

Utilin H *Sanum-Kehlbeck, Ger.*
Homoeopathic preparation.

Utilin N *Sanum-Kehlbeck, Ger.†.*
Bacillus subtilis.
Gout; musculoskeletal and joint disorders; skin disorders.

Utilin S *Sanum-Kehlbeck, Ger.*
Mycobacterium phlei.
Immunotherapy.

Utin *Cipla-Medpro, S.Afr.*
Norfloxacin (p.309·2).
Urinary-tract infections.

Utinor *Neopharmed, Ital.; Unison, Philipp.; MSD, UK.*
Norfloxacin (p.309·2).
Bacterial infections.

Utira *Hawthorn, USA.*
Hyoscyamine sulfate (p.1736·1); methylthioninium chloride (p.1450·3); monobasic sodium phosphate (p.1682·3); methenamine (p.298·3); salol (p.122·1).
Urinary-tract pain and irritation.

Utisept *ST, Thai.*
Trimethoprim (p.355·2).
Urinary-tract infections.

utk *TAD, Ger.*
Urtica (p.2409·3).
Benign prostatic hyperplasia.

Utoin *Umeda, Thai.*
Phenytoin sodium (p.495·2).
Arrhythmias; epilepsy; seizures following neurosurgery; status epilepticus.

Utolid *Utopian, Thai.*
Roxithromycin (p.331·1).
Bacterial infections.

Utolincomycin *Utopian, Thai.*
Lincomycin hydrochloride (p.293·2).
Gram-positive bacterial infections.

Utoral *BPL-Meizler, Braz.†; Korea United, Philipp.*
Fluorouracil (p.722·2).
Malignant neoplasms.

Utovlan *Pharmacia, UK.*
Norethisterone (p.2119·3).
Breast cancer; endometriosis; menstrual disorders.

Utrex *Sandoz, Indon.*
Pipemidic acid (p.315·1).
Urinary-tract infections.

Utrogest *Besins, Ger.; Kade, Ger.*
Progesterone (p.2125·1).
Menopausal disorders.

Utrogestan *Pfizer, Arg.; Viatris, Austria; Besins, Belg.; Farmoquimica, Braz.; Besins, Cz.; Besins, Fr.; Faran, Gr.; Besins, Hong Kong; Besins, Hung.; Sanofi-Aventis, Irl.; Besins International, Israel; Besins-Iscovesco, Malaysia†; CORNE, Mex.; Jaba Recordati, Port.; Besins, Rus.; Medi Challenge, S.Afr.; Besins, Singapore†; Seid, Spain; Vifor, Switz.; Besins, Thai.; Ferring, UK; Biopas, Venez.*
Progesterone (p.2125·1).
Benign breast disorders; endometriosis; female infertility; menopausal disorders; menstrual disorders; premature labour; premenstrual syndrome; progesterone deficiency; recurrent and threatened miscarriage; uterine fibroids.

UV IX *Sons, Mex.†.*
⊗ Ciprofloxacin (p.243·3); dexamethasone (p.1526·1).
Infected eye disorders.

UV Derm *Cipla, India†.*
Titanium dioxide (p.1617·3).
Sunscreen.

UV Protectant *Norwood, Canad.*
SPF 15: Avobenzone (p.1589·3); octinoxate (p.1608·2); oxybenzone (p.1608·3).
Sunscreen.

UV Protective *Kiehls, USA.*
Avobenzone (p.1589·3); ecamsule (p.1596·1); octocrilene (p.1608·3).
Sunscreen.

UV Sport Gel *Boots, Austral.†.*
SPF 15+: Octinoxate (p.1608·2); octisalate (p.1608·2); octocrilene (p.1608·3); avobenzone (p.1589·3).
Sunscreen.

UV Triplegard
Note. This name is used for preparations of different composition.
Boots Healthcare, Austral.
SPF 15: Octinoxate (p.1608·2); oxybenzone (p.1608·3); avobenzone (p.1589·3).
Sunscreen.

Boots Healthcare, Austral.
SPF 30+: Octinoxate (p.1608·2); enzacamene (p.1597·1); avobenzone (p.1589·3); zinc oxide (p.1621·2).
Sunscreen.

UV Triplegard Hydrating Face Lotion *Boots Healthcare, Austral.*
SPF 20: Octinoxate (p.1608·2); oxybenzone (p.1608·3); avobenzone (p.1589·3).
Sunscreen.

UV Triplegard Kids *Boots Healthcare, Austral.*
SPF 30+: Octinoxate (p.1608·2); enzacamene (p.1597·1); avobenzone (p.1589·3); zinc oxide (p.1621·2).
Sunscreen.

UV Triplegard Sensitive Skin *Boots Healthcare, Austral.†.*
SPF 20: Titanium dioxide (p.1617·3).
Sunscreen.

UV Triplegard Sunstick & Lip Balm *Boots Healthcare, Austral.*
SPF 30+: Octinoxate (p.1608·2); octocrilene (p.1608·3); zinc oxide (p.1621·2).
Sunscreen.

UV Triplegard Watersports *Boots Healthcare, Austral.†.*
SPF 30 +: Octinoxate (p.1608·2); titanium dioxide (p.1617·3).
Sunscreen.

UV Ultrablock *Boots Healthcare, NZ†.*
SPF 15; SPF 20; SPF 30+: Padimate O (p.1609·1); oxybenzone (p.1608·3).
Sunscreen.

Uva Ursi Complexe no 9 *Lehning, Fr.*
Homoeopathic preparation.
Formerly known as Complexe no 9.

Uvacin *Lichtwer, UK.*
Taraxacum (p.2395·1); bearberry (p.2263·3).
Female bladder discomfort.

Uvadex *Johnson & Johnson, Cz.; Therakos, Fr.; Therakos, USA.*
Methoxsalen (p.1605·1).
Cutaneous T-cell lymphoma.

Uvagen *Medifarm, Venez.*
Resveratrol; vitamins A, C, and E; zinc; selenium; ubidecarenone; yeast (p.1922·1).
Antoxidant.

Uvalysat *Ysatfabrik, Ger.*
Bearberry leaf (p.2263·3).
Urinary-tract infections.

Uvamin *Mepha, Israel.*
Nitrofurantoin (p.308·1).
Urinary-tract infections.

Uvamine retard *Mepha, Switz.*
Nitrofurantoin (p.308·1).
Urinary-tract infections.

Uvanox *Knop, Chile.*
Grape (p.2316·3).
Lymphoedema; sight disorders; venous insufficiency.

Uvasal *GSK, Arg.*
Sodium bicarbonate (p.1673·2); citric acid (p.2284·1); sodium carbonate (p.2389·1).
Formerly contained tartaric acid, sodium bicarbonate, citric acid, caffeine, and magnesium sulfate.
Dyspepsia.

Uvasal Tums *GSK, Arg.*
Calcium carbonate (p.1714·1).
Formerly known as Tums.
Gastric hyperacidity.

Uva-Ursi Complex *Blackmores, Austral.†.*
Taraxacum (p.2395·1); clivers (p.2284·3); bearberry (p.2263·3); buchu (p.2269·3).
Bloating; dysuria; fluid retention; prostatitis; renal calculi; urethritis.

Uva-Ursi Plus *Eagle, Austral.†.*
Bearberry (p.2263·3); parsley (p.2363·2); taraxacum (p.2395·1); zanthoxylum (p.2417·1).
Cystitis; fluid retention.

Uvavid *Naturex, Mex.†.*
Bearberry (p.2263·3).
Antoxidant.

Uvavit *Kolassa, Austria.*
Multivitamin and mineral preparation (p.1922·1).
Nutritional supplement in pregnancy.

Uveblock *Roemmers-Klinos, Venez.†.*
Titanium dioxide (p.1617·3); zinc oxide (p.1621·2).
Sunscreen.

Uvedose *Crinex, Fr.*
Colecalciferol (p.1986·2).
Vitamin D deficiency.

Uvega *Hormona, Mex.*
Lidocaine hydrochloride (p.1862·3).
Otitis externa.

Uveil PS *Medihealth, Mex.; Roemmers Medihe, Venez.*
Titanium dioxide (p.1617·3).
Sunscreen.

Uveline *Martin-Johnson & Johnson, Fr.†.*
Methylhydroxyquinoline metilsulfate (p.2343·3).
UV-induced eye irritation.

Uversan *Medana, Pol.*
Bearberry (p.2263·3).
Disturbances of gastrointestinal flora; urinary-tract infections.

Uvestat *Thea, Belg.*
Methylhydroxyquinoline metilsulfate (p.2343·3).
Light-induced eye irritation.

Uvesterol *Crinex, Fr.*
Multivitamin preparation (p.1922·1).

Uvesterol D *Crinex, Fr.*
Ergocalciferol (p.1987·1).
Vitamin D deficiency.

Uvicel *Degorts, Mex.†.*
Multivitamin and mineral preparation (p.1922·1).

Uvicin *Steigerwald, Ger.†.*
Homoeopathic preparation.

Uvicol *Alcon, Fr.*
⊗ Actinoquinol (p.2246·3); oxedrine hydrochloride (p.1364·3).
Eye congestion.

Uvimag B_6 *Zambon, Fr.*
Magnesium glycerophosphate (p.1679·2); pyridoxine hydrochloride (p.1978·2).
Vitamin and mineral supplementation.

Uvirgan mono *Abbott, Ger.*
Cucurbita (p.2290·2).
Urinary-tract disorders.

Uvirgan N *Abbott, Ger.†.*
Urtica (p.2409·3); cucurbita (p.2290·2); ononis (p.2357·1).
Urinary-tract disorders.

Uvistat
Note. This name is used for preparations of different composition.
LPC, UK†.
SPF 15: Octinoxate (p.1608·2); avobenzone (p.1589·3).
Sunscreen.

LPC, UK.
SPF 20; SPF 30: Octinoxate (p.1608·2); avobenzone (p.1589·3); titanium dioxide (p.1617·3); octocrilene (p.1608·3); bisoctrizole (p.1591·2).
Sunscreen.

LPC, UK.
SPF 50: Octinoxate (p.1608·2); avobenzone (p.1589·3); titanium dioxide (p.1617·3); octocrilene (p.1608·3); bisoctrizole (p.1591·2); amiloxate (p.1589·1).
Sunscreen.

Uvistat Eye Drops *LPC, UK.*
Hypromellose (p.2144·2); dexpanthenol (p.2362·1).
Dry eyes.

Uvistat Lipscreen
Note. This name is used for preparations of different composition.
Boehringer Ingelheim, Irl.
SPF 25; SPF 30: Avobenzone (p.1589·3); titanium dioxide (p.1617·3).
Sunscreen.

LPC, UK.
SPF 50: Octinoxate (p.1608·2); avobenzone (p.1589·3); titanium dioxide (p.1617·3); octocrilene (p.1608·3); bemotrizinol (p.1590·2).
Sunscreen.

Uvistat Lotion *Boehringer Ingelheim, Irl.*
SPF 15; SPF 20; SPF 30; SPF 50: Octinoxate (p.1608·2); avobenzone (p.1589·3); titanium dioxide (p.1617·3).
Sunscreen.

Uvless *Theraskin, Braz.*
Panthenol (p.2362·1).
Skin disorders.

UV-Luar *Luar, Arg.*
Hydroxymethylquinoline.
Sunscreen.

Uvox *Solvay, India.*
Fluvoxamine maleate (p.399·3).
Depression; obsessive-compulsive disorder.

Uwobletten novum *Hevert, Ger.*
Homoeopathic preparation.

Uxalun *Sandoz, Arg.; Novartis, Braz.*
Oxaliplatin (p.757·3).
Colorectal cancer; malignant neoplasms.

Uxen *Aventis, Arg.*
Amitriptyline hydrochloride (p.376·1).
Depression.

Uxicolin *Pisa, Mex.*
Suxamethonium chloride (p.1909·3).
Depolarising neuromuscular blocker.

Uzara *Hertz, Braz.†.*
Dipyrone (p.49·2); hyoscine (p.1733·3).
Pain; smooth muscle spasm.

Uze Active *Biosintex, Arg.*
Quassia (p.2377·1); acetic acid (p.2244·2).
Pediculosis.

Uzel *Taiho, Jpn.*
Folinic acid (p.1943·3).

Uzix *Rafarm, Gr.*
Amikacin sulfate (p.200·3).
Bacterial infections.

3V *Julphar, UAE.*
Thiamine nitrate (p.1976·2); pyridoxine hydrochloride (p.1978·2); cyanocobalamin (p.1980·2).
Migraine; neuralgia; neuritis; neuropathy; rheumatic pain.

V Day 1612 *PP Lab, Thai.†.*
Prosultiamine; vitamin B ; vitamin B (p.1922·1).
Vitamin B deficiency.

V Day Lozenges *PP Lab, Thai.†.*
Dequalinium chloride (p.1641·3).
Mouth and throat infections.

V Day Milk *PP Lab, Thai.†.*
Aluminium hydroxide (p.1706·2); magnesium hydroxide (p.1743·2); simeticone (p.1770·2).
Gastric hyperacidity.

V Day Zepam *PP Lab, Thai.†.*
Diazepam (p.986·3).
Anxiety; insomnia.

V Infusionslosung *Baxter, Ger.†.*
Electrolyte infusion (p.1667·1).
Fluid and electrolyte disorders.

Vaben *Rafa, Israel.*
Oxazepam (p.1014·2).
Agitation; anxiety.

Vabeta *Edol, Port.*
⊗ Betamethasone valerate (p.1519·1).
Skin disorders.

Vabicin *Atlantic, Thai.*
Spectinomycin hydrochloride (p.332·3).
Gonorrhoea.

Vabon *Biolab, Malaysia†; Biolab, Thai.*
⊗ Danazol (p.2090·2).
Benign breast disorders; endometriosis; gynaecomastia; hereditary angioedema; menorrhagia; precocious puberty.

Vac Antigripal *Leti, Spain.*
Inactivated polyvalent influenza vaccines (whole virion or split virion) (p.2218·2).
Active immunisation.

Vac Antiparotiditis *Aventis Pasteur, Spain†.*
A mumps vaccine (p.2225·1).
Active immunisation.

Vac Antipolio Or *Celltech, Spain†.*
An oral poliomyelitis vaccine (p.2232·1).
Active immunisation.

Vac Antirrubeola *Aventis Pasteur, Spain†; SmithKline Beecham, Spain†.*
A rubella vaccine (RA 27/3) (p.2236·3).
Active immunisation.

Vac Polio Sabin *GSK, Spain.*
An oral poliomyelitis vaccine (p.2232·1).
Active immunisation.

Vac Poliomielitica *Berna, Spain.*
A poliomyelitis vaccine (p.2232·1).
Active immunisation.

Vacanyl *Vana, Thai.†.*
⊗ Terbutaline sulfate (p.1138·3).
Obstructive airways disease.

Vacciflu *Solvay, Austria; Solvay, Neth.*
An influenza vaccine (surface antigen) (p.2218·2).
Active immunisation.

Vaccin DTP *Pasteur Vaccins, Fr.†.*
A diphtheria, tetanus, and poliomyelitis (inactivated) vaccine (p.2212·2).
Active immunisation.

Vaccin Meningococcique *Vianex (Βιανεξ), Gr.*
A meningococcal vaccine (groups A and C, or A, C, Y, and W135) (p.2224·1).
Active immunisation.

Vaccin Rubeole *Vianex (Βιανεξ), Gr.*
A rubella vaccine (p.2236·3).
Active immunisation.

Vaccin TP *Pasteur Vaccins, Fr.†.*
A tetanus and poliomyelitis (inactivated) vaccine (p.2241·1).
Active immunisation.

Vaccine Antipoliomyelitique/Merieux *Vianex (Βιανεξ), Gr.†.*
An oral poliomyelitis vaccine (Sabin) (p.2232·1).
Active immunisation.

Vaccino Antipiogeno *Bruschettini, Ital.†.*
A vaccine prepared from *Staphylococcus aureus*, *Pseudomonas aeruginosa*, *Escherichia coli*, *Streptococcus pyogenes*, and *Streptococcus pneumoniae*.
Active immunisation against pyogenic bacterial infections.

Vaccino Antipneumocatarrale *Bruschettini, Ital.†.*
A vaccine prepared from *Streptococcus pneumoniae*, *Streptococcus pyogenes*, *Haemophilus influenzae*, and *Moraxella catarrhalis*.
Bacterial infections of the respiratory tract.

Vacer *Sandoz, Mex.*
Nimodipine (p.1357·2).
Ischaemic neurological deficit following subarachnoid haemorrhage; mental function impairment; vertigo.

Vacidox *Gynopharm, Chile.*
Estriol (p.2101·1).
Menopausal vulvovaginal disorders.

Vacillin *Atlantic, Thai.*
Ampicillin trihydrate (p.204·2).
Bacterial infections.

Vacina Acel Ads Contra Dif, Tet, Coq e Polio Inat Comb C/Vac Conj Contra Hib *Sanofi Pasteur, Braz.*
An adsorbed diphtheria, tetanus, pertussis, poliomyelitis, and haemophilus influenzae vaccine (p.2211·3).
Active immunisation.

Vacina Acel Ads Contra Dif, Tet e Coq *Sanofi Pasteur, Braz.*
An adsorbed diphtheria, tetanus, and acellular pertussis vaccine (p.2210·3).
Active immunisation.

Vacina Adsorvida Contra Dif, Tet, Coq Acel, Polio Inat Hepat B (Rec) e Hib Conj *Sanofi Pasteur, Braz.*
A diphtheria, tetanus, pertussis, hepatitis B, poliomyelitis and haemophilus influenzae vaccine (p.2211·2).
Active immunisation.

Vacina Anti-Rabica Humana *Sanofi Pasteur, Braz.*
A rabies vaccine (p.2234·1).
Active immunisation.

Vacina Catarral *Berna, Port.†.*
Pneumococci; *Staphylococcus aureus*; *Staphylococcus albus*; streptococci; *Klebsiella pneumoniae*; *Moraxella catarrhalis*; *Haemophilus influenzae*.

Vacina Comb. Contra Dif.-Tet,-Pert. Acel *GSK, Braz.*
A diphtheria, tetanus and acellular pertussis vaccine (p.2210·3).
Active immunisation.

Vacina Comb. Contra Dif.-Tet,-Pert. Acel e HIB *GSK, Braz.*
A diphtheria, tetanus, acellular pertussis, and haemophilus influenzae vaccine (p.2211·1).
Active immunisation.

Vacina Comb. Contra Dif.-Tet,-Pert. Acel Hepat.B r-DNA, Polio Inat e HIB *GSK, Braz.*
A diphtheria, tetanus, acellular pertussis, hepatitis B, poliomyelitis, and haemophilus influenzae vaccine (p.2211·2).
Active immunisation.

Vacina Comb. Contra Dif.-Tet,-Pert. Acel, Polio Inat e HIB *GSK, Braz.*
A diphtheria, tetanus, pertussis, poliomyelitis, and haemophilus influenzae vaccine (p.2212·1).
Active immunisation.

Vacina Comb. Contra Dif.-Tet.-Pert.Acel e Hepat.B *GSK, Braz.*
A diphtheria, tetanus, acellular pertussis, and hepatitis B (recombinant) vaccine (p.2211·2).
Active immunisation.

Vacina Comb. Contra Dift.-Tet.-Coq.Acel *GSK, Braz.*
A diphtheria, tetanus, and acellular pertussis vaccine (p.2210·3).
Active immunisation.

Vacina Comb. Contra Hepatite A e B *GSK, Braz.*
An inactivated hepatitis A and recombinant hepatitis B vaccine (p.2217·1).
Active immunisation.

Vacina Comb. Contra Sarampo, Caxumba e Rubeola *GSK, Braz.*
A measles, mumps, and rubella vaccine (p.2223·1).
Active immunisation.

Vacina Conj Contra Haemophilus Influenzae Tipo B *GSK, Braz.*
A haemophilus influenzae vaccine (tetanus toxoid conjugate) (p.2213·2).
Active immunisation.

Vacina Conj Com Proteina Tetanica Contra Haemophilus influenzae Tipo B *Sanofi Pasteur, Braz.*
A haemophilus influenzae vaccine (tetanus protein conjugate) (p.2213·2).
Active immunisation.

Vacina Contra A Varicela (Virus Atenuado) *MSD, Braz.*
A varicella-zoster (Oka/Merck) vaccine (p.2242·2).
Active immunisation.

Vacina Contra Gripe *GSK, Braz.; Sanofi Pasteur, Braz.; Solvay, Braz.*
An influenza vaccine (p.2218·2).
Active immunisation.

Vacina Contra Hepatite A *GSK, Braz.; MSD, Braz.; Sanofi Pasteur, Braz.*
An inactivated hepatitis A vaccine (p.2214·2).
Active immunisation.

Vacina Contra Hepatite B *GSK, Braz.; MSD, Braz.; Sanofi Pasteur, Braz.*
A recombinant hepatitis B vaccine (p.2215·2).
Active immunisation.

Vacina Contra Sarampo, Caxumba e Rubeola *Sanofi Pasteur, Braz.*
A measle, mumps, and rubella vaccine (p.2223·1).
Active immunisation.

Vacina Contra Varicela *GSK, Braz.; Sanofi Pasteur, Braz.*
A varicella-zoster (Oka strain) vaccine (p.2242·2).
Active immunisation.

Vacina Meningococica A+C *Sanofi Pasteur, Braz.*
A meningococcal vaccine (groups A and C) (p.2224·1).
Active immunisation.

Vacina Meningococica Conjugada Grupo C *Asta Oncologia, Braz.; Wyeth, Braz.*
A meningococcal C conjugate vaccine (diphtheria CRM protein conjugate) (p.2224·1).
Active immunisation.

Vacina Oral Contra Colera e Diarrreia Causada Por ETEC *Sanofi Pasteur, Braz.*
An inactivated oral cholera vaccine (p.2208·1).
Active immunisation.

Vacina Pneumococica Conjugada 7-valate *Wyeth, Braz.*
A pneumococcal conjugate vaccine (7-valent, diphtheria CRM protein conjugate) (p.2231·2).
Active immunisation.

Vacina Pneumococica Polivalente *MSD, Braz.*
A pneumococcal vaccine (23-valent) (p.2231·2).
Active immunisation.

Vacina Pneumococica Polivalente Pneumo 23 *Sanofi Pasteur, Braz.*
A pneumococcal vaccine (23-valent) (p.2231·2).
Active immunisation.

Vacina Poliomielitica *Aventis Pasteur, Braz.†.*
An oral poliomyelitis vaccine (p.2232·1).
Active immunisation.

Vacina de Virus Inativado Contra Gripe *GSK, Braz.*
An influenza vaccine (p.2218·2).
Active immunisation.

Vacina de Virus Vivos de Sarampo, Caxumba e Rubeola *MSD, Braz.*
Measles, mumps, and rubella vaccine (p.2223·1).
Active immunisation.

Vacinolone *Atlantic, Thai.*
⊗ Triamcinolone acetonide (p.1544·3).
Skin disorders.

Vaclox *Atlantic, Thai.*
Cloxacillin (p.256·1).
Bacterial infections.

Vacolax *Atlantic, Thai.*
Bisacodyl (p.1710·1).
Constipation.

Vacontil *Medochemie, Hong Kong†; Medochemie, Malaysia; Medochemie, Singapore.*
Loperamide hydrochloride (p.1741·1).
Diarrhoea.

Vacopan *Atlantic, Malaysia; Atlantic, Singapore; Atlantic, Thai.*
Hyoscine butylbromide (p.1734·1).
Gastro-duodenitis; nausea and vomiting; peptic ulcer; smooth muscle spasm.

Vacrax *Samchully, Malaysia; Samchully, Singapore.*
Aciclovir (p.862·3).
Herpesvirus infections.

Vacromil *Gynopharm, Chile.*
⊗ Goserelin acetate (p.2108·2).

Vactyph *Zydus, India.*
A typhoid vaccine (Vi capsular polysaccharide) (p.2241·2).
Active immunisation of adults and children.

Vacudol *Xixia, S.Afr.*
Paracetamol (p.108·1); codeine phosphate (p.37·2); promethazine hydrochloride (p.588·2).
Fever; pain.

Vacudol Forte *Xixia, S.Afr.*
Paracetamol (p.108·1); codeine phosphate (p.37·2); caffeine (p.1116·3); meprobamate (p.1006·2).
Pain and associated tension.

Vacu-Mix Plus with CMW gentamicin *Johnson & Johnson, NZ.*
Polymethylmethacrylate (p.2343·3); gentamicin sulfate (p.282·1).
Bone cement for orthopaedic surgery.

Vacuna Adsorbida Pentavalente *Sanofi Pasteur, Venez.*
A diphtheria, tetanus, pertussus, poliomyelitis, and haemophilus influenzae vaccine (p.2212·1).
Active immunisation.

Vacuna Adsorbida Tetravalente *Sanofi Pasteur, Venez.*
A diphtheria, tetanus, pertussus, and poliomyelitis vaccine (p.2211·3).
Active immunisation.

Vacuna Antigripal *Sanofi Pasteur, Spain.*
An influenza vaccine (p.2218·2).
Active immunisation.

Vacuna Antimeningococic A+C *Sanofi Pasteur, Spain.*
A meningococcal vaccine (groups A and C) (p.2224·1).
Active immunisation.

Vacuna Antipiogena *Biol, Arg.*
A vaccine containing micro-organisms responsible for skin infections.
Active immunisation.

Vacuna Antirrabica *Sanofi Pasteur, Spain.*
A rabies vaccine (p.2234·1).
Active immunisation.

Vacuna Doble *Biol, Arg.*
A diphtheria and tetanus vaccine (p.2210·1).
Active immunisation.

Vacuna Haptenica *Puebla, Arg.*
Polysaccharides from *Pseudomonas aeruginosa*; proteins from *Klebsiella pneumoniae*.
Immunotherapy.

Vacuna Liofilizadas Broncopulmonar *Casasco, Arg.*
A vaccine prepared from micro-organisms responsible for respiratory-tract infections.
Active immunisation.

Vacuna Liofilizadas Piodermitis *Casasco, Arg.*
A vaccine prepared from micro-organisms responsible for skin infections.
Active immunisation.

Vacuna Purificada *Sanofi Pasteur, Venez.*
An influenza vaccine (p.2218·2).
Active immunisation.

Vacuna Sabin *Zuoz, Venez.†.*
A poliomyelitis vaccine (p.2232·1).
Active immunisation.

Vacuna Tetract-HIB *Zuoz, Venez.†.*
A diphteria, tetanus, pertussis, and haemophilus influenzae vaccine (p.2211·1).
Active immunisation.

Vacuna Triple *Biol, Arg.; Purissimus, Arg.*
A diphtheria, tetanus, and pertussis vaccine (p.2210·3).
Active immunisation.

Vacuna Triple MSD *Sanofi Pasteur, Spain.*
A measles, mumps, and rubella vaccine (attenuated Enders, Jeryl Lynn, and Wistar RA 27/3 strains respectively) (p.2223·1).
Active immunisation.

Vacuobil *Ivax, Arg.*
Methylenedioxycinnamic acid (p.2343·3).
Liver and biliary-tract disorders.

Vacuobil Plus *Ivax, Arg.*
Methylenedioxycinnamic acid (p.2343·3); metoclopramide hydrochloride (p.1747·3); simeticone (p.1770·2).
Gastrointestinal disorders.

Vadarex *Bell, UK.*
Methyl salicylate (p.85·3); menthol (p.2340·1); sweet birch oil (p.86·2); cajuput oil (p.2271·2); eucalyptus oil (p.2301·2).
Musculoskeletal pain.

Vadel *Ivax, Arg.*
Ezetimibe (p.1284·3).
Hyperlipidaemias.

Vademin-Z *Hauck, USA; Roberts, USA.*
Multivitamin and mineral preparation (p.1922·1).

Vaden *Help, Gr.†.*
Acetylcysteine (p.1548·2).
Mucolytic.

Vadicate *Inkeysa, Spain†.*
Vincamine hydrochloride (p.2414·1).
Cerebral trauma; cerebrovascular disorders; circulatory disorders of the eye, ear, nose, and throat; vestibular disorders.

Vadilex *Sanofi-Aventis, Fr.*
Ifenprodil tartrate (p.1313·1).
Arteriopathy.

Vadinar *Serral, Mex.*
Dipyridamole (p.1268·1).
Thromboembolic disorders.

Vadiral *Mediderm, Chile.*
Valaciclovir (p.911·2).
Viral infections.

Vaditon *Euro Registratie, Neth.; Madaus, Spain.*
Fluvastatin sodium (p.1290·2).
Atherosclerosis; hypercholesterolaemia.

Vadolax *Ogna, Ital.†.*
Cascara (p.1715·2); cynara (p.2291·2).
Constipation.

Vadosilan *BMS, Mex.*
Isoxsuprine (p.2327·3).
Peripheral and cerebral vascular disorders; premature labour.

Vaff *Shin Poong, Philipp.*
Clotrimazole (p.530·1).
Vulvovaginal candidiasis.

Vafluson *Kleva, Gr.†.*
Ketoconazole (p.539·1).
Fungal infections.

Vag Oral *IQB, Braz.*
Allergen extracts (p.2250·2).
Allergen immunotherapy.

Vagaka *Vana, Thai.†.*
Mebendazole (p.148·3).
Worm infections.

Vagantin *Riemser, Ger.*
Methanthelinium bromide (p.1747·2).
Gastrointestinal disorders.

Vagantyl *Sidus, Arg.*
Mosapride citrate (p.1750·3).
Dyspepsia; gastritis; gastro-oesophageal reflux.

Vagarne
Note.This name is used for preparations of different composition.
Organon, Arg.†.
Pessaries: Nimorazole (p.842·2); clotrimazole (p.530·1).
Fungal infections; protozoal infections.
Organon, Arg.†.
Tablets: Nimorazole (p.842·2).
Fungal infections; protozoal infections.

Vagarsol *Aspen, S.Afr.*
Diiodohydroxyquinoline (p.832·1); cetylpyridinium chloride (p.1635·1); aminoacridine hydrochloride (p.1625·1); boric acid (p.2268·1).
Vaginal infections.

Vagi Biotic *Cimed, Braz.*
⊗ Nystatin (p.543·2); metronidazole (p.837·1); benzalkonium chloride (p.1629·1); urea (p.1620·2).
Vulvovaginal infections.

Vagi C *Marjan, Braz.*
Ascorbic acid (p.1983·3).
Vaginal disorders.

Vagi-C *Taurus, Ger.*
Ascorbic acid (p.1983·3).
Vaginal disorders.

Vagicillin *Schur, Ger.*
Neomycin sulfate (p.305·1).
Vaginal infections.

Vagicin *Charoen, Thai.*
Diiodohydroxyquinoline (p.832·1); nystatin (p.543·2); chloramphenicol (p.239·3).
Vaginal infections.

Vagiclin *Mediapharm, Gr.*
Clindamycin (p.251·1).
Bacterial vaginal infections.

Vagicural *Raymos, Arg.*
⊗ Hydrocortisone (p.1535·2); neomycin (p.305·1); nitrofurazone (p.309·1); vitamin A (p.1971·2); thymol (p.1664·3); tyrothricin (p.358·2).
Vaginal infections.

Vagicural Plus *Raymos, Arg.*
Centella (p.1592·3); metronidazole (p.837·1); miconazole (p.541·2); neomycin (p.305·1); polymyxin B (p.318·2).
Vaginal infections.

Vagifem *Novo Nordisk, Austral.; Novo Nordisk, Austria; Novo Nordisk, Belg.; Novo Nordisk, Canad.; Silesia, Chile; Novo Nordisk, Cz.; Novo Nordisk, Denm.; Novo Nordisk, Fin.; Novo Nordisk, Ger.; Novo Nordisk, Gr.; Novo Nordisk, Hong Kong; Novo Nordisk, Hung.; Novo Nordisk, Irl.; Novo Nordisk, Israel; Novo Nordisk, Ital.; Novo Nordisk, NZ; Novo Nordisk, Neth.; Novo Nordisk, Norw.; Novo Nordisk, Philipp.; Novo Nordisk, Pol.; Isdin, Port.; Novo Nordisk, S.Afr.; Novo Nordisk, Singapore; Isdin, Spain; Novo Nordisk, Swed.; Novo Nordisk, Switz.; Novo Nordisk, Thai.; Novo Nordisk, Turk.; Novo Nordisk, UK; Novo Nordisk, USA.*
Estradiol (p.2097·2).
Atrophic vaginitis; menopausal disorders; osteoporosis; vulvovaginal disorders.

Vagiflor *Asche Chiesi, Ger.*
Lactobacillus acidophilus (p.2372·3).
Disorders of the vaginal flora; vaginitis.

Vagi-Gard Medicated Cream *Lake, USA.*
Benzocaine (p.1854·1); benzalkonium chloride (p.1629·1).
Vaginal irritation.

Vagi-Gard Personal Lubricating Gel *Lake, USA.*
Vaginal lubricant.

Vagi-Hex *Drossapharm, Ger.; Drossapharm, Switz.*
Hexetidine (p.1647·1).
Vaginitis.

Vagiklin *Kinder, Braz.*
Tetracycline hydrochloride (p.347·2); amphotericin B (p.523·2).

Vagil *PP Lab, Thai.†*
Metronidazole (p.837·1).
Anaerobic bacterial infections.

Vagilen *Farmigea, Ital.*
Metronidazole (p.837·1).
Trichomoniasis.

Vagimax *Prodotti, Braz.*
Metronidazole (p.837·1); nystatin (p.543·2).
Vulvovaginal infections.

Vagimid *Apogepha, Ger.*
Metronidazole (p.837·1).
Anaerobic bacterial infections; protozoal infections.

Vagimycin *BMS, Philipp.*
Amphotericin B (p.523·2); tetracycline (p.347·1).
Vaginitis.

Vaginex *QHP, USA.*
Tripelennamine hydrochloride (p.592·2).
External vaginal irritation.

Vaginyl *DDSA Pharmaceuticals, UK.*
Metronidazole (p.837·1).

Vagisan
Note. This name is used for preparations of different composition.
Sidus, Arg.
Dihydrostreptomycin sulfate (p.266·1); tyrothricin (p.358·2); nitrofurazone (p.309·1).
Vaginal infections.
Wolff, Ger.
Lactic acid (p.2329·3); sodium lactate (p.1673·3).
Vaginitis.

Vagisan Compuesto *Sidus, Arg.*
Dihydrostreptomycin sulfate (p.266·1); tyrothricin (p.358·2); nitrofurazone (p.309·1); clotrimazole (p.530·1).
Vaginal infections.

Vagisil
Note. This name is used for preparations of different composition.
Combe, Canad.
Benzocaine (p.1854·1); resorcinol (p.1612·1).
External vaginal irritation.
Combe, Ital.
Lidocaine (p.1862·3); chlorothymol (p.1640·1).
Anal and vulvar pruritus.
Combe, UK.
Lidocaine (p.1862·3).
Vaginal and rectal pruritus.
Combe, USA.
Cream: Benzocaine (p.1854·1); resorcinol (p.1612·1).
Skin disorders.
Combe, USA.
Topical powder: Aloes (p.1705·2); liquid paraffin (p.2030·3); benzethonium chloride (p.1630·1).
Vaginal disorders.

Vagistat-1 *Novartis, USA.*
Tioconazole (p.548·2).
Vulvovaginal candidiasis.

Vagistat-3 *Novartis, USA.*
Miconazole nitrate (p.541·3).
Fungal vaginal infections.

Vagistin *Combiphar, Indon.*
Metronidazole (p.837·1); nystatin (p.543·2).
Vaginal infections.

Vagi-Sulfa *Janssen-Cilag, Braz.*
⊗ Sulfathiazole (p.343·2); sulfacetamide (p.335·3); sulfabenzamide (p.335·2); urea (p.1620·2).
Vaginal infections.

Vagitrene *Eurofarma, Braz.*
Wheat germ (p.2415·1).
Vulvovaginal disorders.

Vagitrin-N *Bunker, Braz.*
⊗ Dexamethasone phosphate (p.1526·2); nystatin (p.543·2); neomycin sulfate (p.305·1); tyrothricin (p.358·2); sodium propionate (p.545·3); boric acid (p.2268·1).
Vulvovaginal infections.

Vagitrol-V *Bayer Consumer, Mex.*
⊗ Fluocinolone acetonide (p.1531·3); metronidazole (p.837·1); nystatin (p.543·2).
Cervicitis; vaginitis; vulvitis.

Vagizol *Kimia, Indon.*
Metronidazole (p.837·1).
Vaginal trichomoniasis.

Vagmycin *BMS, S.Afr.*
Tetracycline (p.347·1); amphotericin B (p.523·2).
Vaginal infections.

Vagoclyss *Grossmann, Switz.*
Lactic acid (p.2329·3).
Vaginal infections and irritation.

Vagomine *Qualiphar, Belg.†*
Dimenhydrinate (p.576·2).
Motion sickness; nausea; vertigo; vomiting.

Vagopax *Jaba Recordati, Port.*
Pargeverine (p.1761·1).
Smooth muscle spasm.

Vagoplex *Makros, Braz.†*
Reserpine (p.1387·3); homatropine methylbromide (p.1881·3); hyoscine hydrobromide (p.1734·1).
Smooth muscle spasm.

Vagostabil *Cristalfarma, Ital.*
Crataegus (p.2289·1); melissa (p.2339·3); magnesium (p.1678·3).
Anxiety disorders.

Vagostabyl *Leurquin, Fr.*
Crataegus (p.2289·1); calcium lactate (p.1676·1); melissa (p.2339·3); magnesium thiosulfate (p.1466·1).
Insomnia; nervous disorders.

Vagostal *Gynea, Spain.*
Famotidine (p.1730·1).
Gastric hyperacidity; gastro-oesophageal reflux; peptic ulcer; Zollinger-Ellison syndrome.

Vagostesyl *Gross, Braz.*
Atropine sulfate (p.1219·3); papaverine hydrochloride (p.2191·3); phenobarbital (p.492·2); leptolobium elegans; passion flower (p.2363·2).
Smooth muscle spasm.

Vagothyl *Polfa, Cz.; Pabianice, Hung.; Polfa Pabianice, Pol.; Pabianice, Rus.*
Policresulen (p.1077·2).
Burns; capillary bleeding; haemorrhage; inflammatory skin disorders; mouth and throat disorders; nipple care in lactation; ulcers; urinary-tract infections; urological disorders; vulvovaginal disorders; wounds.

Vagran
Note. This name is used for preparations of different composition.
Finadiet, Arg.
Loratadine (p.583·3).
Formerly contained astemizole.
Allergic rhinitis; urticaria.
Dollder, Venez.
Vancomycin hydrochloride (p.358·3).
Bacterial infections.

Vagran D *Finadiet, Arg.*
Loratadine (p.583·3); pseudoephedrine sulfate (p.1571·2).
Formerly contained astemizole and pseudoephedrine sulfate.
Rhinitis; sinusitis.

Vagyl *Atlantic, Thai.*
Metronidazole (p.837·1).
Amoebiasis; giardiasis; trichomoniasis.

Valamin 12 *Pisa, Mex.†*
Hydroxocobalamin (p.1980·3).

Valaplex *Laboratorios Chile, Chile.*
Valsartan (p.1420·2).
Hypertension.

Valaplex-D *Laboratorios Chile, Chile.*
⊗ Valsartan (p.1420·2); hydrochlorothiazide (p.1307·3).
Hypertension.

Valavir *Orion, Fin.; Alodial, Port.*
Valaciclovir hydrochloride (p.911·1).
Herpesvirus infections.

Valaxona *Actavis, Denm.*
Diazepam (p.986·3).
Alcohol withdrawal syndrome; anxiety; spasticity.

Valbet
Note. This name is used for preparations of different composition.
Delta, Braz.; Biolab, Thai.
⊗ Betamethasone valerate (p.1519·1).
Skin disorders.
Lupin, India.
Cream: ⊗ Betamethasone valerate (p.1519·1); miconazole nitrate (p.541·3); neomycin sulfate (p.305·1).
Infected skin disorders.
Lupin, India.
Scalp application: ⊗ Betamethasone valerate (p.1519·1).
Infected scalp disorders.

Valbet-N *Biolab, Thai.*
⊗ Betamethasone (p.1518·2); neomycin (p.305·1).
Infected skin disorders.

Valbil *CHR, Ger.; CPH, Port.*
Febuprol (p.2302·2).
Biliary-tract disorders; dyspepsia.

Valcatil *Panalab, Arg.*
Methionine; cystine; gelatin (p.1922·1).
Hair and nail disorders.

Valcatil Plus *Panalab, Arg.*
Biotin; cystine; methionine; gelatin; pyridoxine hydrochloride; calcium pantothenate; zinc (p.1922·1).

Valcivir *Cipla, India.*
Valaciclovir hydrochloride (p.911·1).
Herpesvirus infections.

Valclair *Durbin, UK.*
Diazepam (p.986·3).
Alcohol withdrawal syndrome; anxiety; epilepsy; premedication; skeletal muscle spasm.

Valclan *Wandel, Mex.*
Amoxicillin (p.202·2); clavulanic acid (p.250·2).
Bacterial infections.

Valcontin *Modi-Mundipharma, India.*
Sodium valproate (p.508·2); valproic acid (p.508·2).
Epilepsy.

Valcote
Abbott, Arg.; Abbott, Chile.
Valproic acid (p.508·2) or valproate semisodium (p.508·2).
Bipolar disorder; epilepsy; migraine.
Abbott, Venez.
Valproate semisodium (p.508·2).
Epilepsy; mania; migraine.

Valcox *Unichem, India.*
Parecoxib sodium (p.111·3).
Postoperative pain.

Valcyte *Roche, Austral.; Roche, Austria; Roche, Belg.; Roche, Braz.; Roche, Canad.; Roche, Cz.; Roche, Denm.; Roche, Fin.; Roche, Ger.; Roche, Gr.; Roche, Hong Kong; Roche, Hung.; Roche, Indon.; Roche, Irl.; Roche, Israel; Roche, Ital.; Roche, Mex.; Roche, NZ; Roche, Neth.; Roche, Norw.; Roche, Philipp.; Roche, Pol.; Roche, S.Afr.; Roche, Singapore; Roche, Spain; Roche, Swed.; Roche, Switz.; Roche, Thai.; Roche, UK; Roche, USA.*
Valganciclovir hydrochloride (p.911·3).
Cytomegalovirus infection.

Valda
Note. This name is used for preparations of different composition.
Canonne, Braz.†
Menthol (p.2340·1); cineole (p.2282·3); thymol (p.1664·3); terpineol (p.2396·1).
Mouth disorders.
Bayer Consumer, Canad.
Menthol (p.2340·1); cineole (p.2282·3); thymol (p.1664·3); terpin hydrate (p.1573·3); guaiacol (p.1561·2).
Coughs.
GSK Sante, Fr.; GSK, Hong Kong†; SmithKline Beecham Consumer, Irl.†; GSK Consumer, Port.†
Menthol (p.2340·1); cineole (p.2282·3); thymol (p.1664·3); terpineol (p.2396·1); guaiacol (p.1561·2).
Throat disorders.
Sterling, Indon.
Chlorphenamine maleate (p.571·3); phenylephrine hydrochloride (p.1568·1); guaifenesin (p.1561·3).
Cold symptoms; cough.

Valda Propoli
Note. This name is used for preparations of different composition.
Valda, Ital.
Pastilles: Propolis (p.2373·3); menthol (p.2340·1); eucalyptus oil (p.2301·2).
Sore throat.
Valda, Ital.
Throat spray: Propolis (p.2373·3); peppermint oil (p.1761·2); eucalyptus oil (p.2301·2); cinnamon oil (p.2283·2); coriander oil (p.2288·1); rosemary oil (p.2381·3).
Throat disorders.

Valda Respiraverde *Valda, Ital.*
Levomenthol; eucalyptus oil (p.2301·2).
Sore throat.

Valda Timo e Limone *Valda, Ital.*
Lemon oil (p.2332·3); eucalyptus oil (p.2301·2); thyme oil (p.2401·2); menthol (p.2340·1).
Sore throat.

Valdefer *Valdecasas, Mex.*
Ferrous sulfate (p.1939·3).
Iron-deficiency anaemia.

Valderma
Note. This name is used for preparations of different composition.
Roche Consumer, Irl.†; Ransom, UK.
Cream: Potassium hydroxyquinoline sulfate (p.2323·2); chlorocresol (p.1640·1).
Acne; skin disorders.
Roche Consumer, UK.
Soap: Triclocarban (p.1665·2).
Acne.

Valdiff *Ipca, India†.*
Valdecoxib (p.132·3).
Dysmenorrhoea; osteoarthritis; rheumatoid arthritis.

Valdig-N Burger *Ysatfabrik, Ger.†*
Convallaria (p.2287·3).
Heart failure.

Valdimex *Mersifarma, Indon.*
Diazepam (p.986·3).
Alcohol withdrawal syndrome; anxiety; premedication; sedative; skeletal muscle spasm.

Valdispert *Solvay, Belg.†; Solvay, Cz.†; Solvay, Ger.†; Solvay, Neth.; Solvay, Port.; Solvay, Spain; Solvay, Switz.*
Valerian (p.2410·1).
Anxiety; insomnia; nervous disorders.

Valdispert comp *Solvay, Ger.†*
Valerian (p.2410·1); lupulus (p.2335·2).
Anxiety; sleep disorders.

Valdispert Complex *Solvay, Spain.*
Passion flower (p.2363·2); valerian (p.2410·1).
Insomnia; nervous disorders.

Valditas *Solvay, Port.*
Valerian (p.2410·1).

Valdixx
Note. This name is used for preparations of different composition.
Cipla, India.
Injection: Parecoxib sodium (p.111·3).
Pain.
Cipla, India†.
Tablets: Valdecoxib (p.132·3).
Pain.

Valdone *Cadila, India†.*
Valdecoxib (p.132·3).

Valdone-P *Cadila, India.*
Parecoxib (p.112·1).

Valdorm
Note. This name is used for preparations of different composition.
Barrenne, Braz.
Valerian (p.2410·1).
Anxiety; insomnia.
Valeas, Ital.
Flurazepam monohydrochloride (p.999·1).
Insomnia.

Valdren *MH Consulting, Cz.*
Mirtazapine (p.409·2).
Depression.

Valeans *Valeas, Ital.*
Alprazolam (p.960·1).
Anxiety.

Valecid *Depofarma, Ital.*
Cefonicid sodium (p.226·2).
Lidocaine hydrochloride (p.1862·3) is included in this preparation to alleviate the pain of injection.
Gram-negative bacterial infections.

Valeclor *Francia, Ital.*
Cefaclor (p.217·2).
Bacterial infections.

Valederm *Stiefel, Arg.*
⊗ Betamethasone valerate (p.1519·1).
Skin disorders.

Valemia *Sanbe, Indon.*
Simvastatin (p.1390·2).
Hypercholesterolaemia.

Valemine *Vamsler, Philipp.*
Chlorphenamine maleate (p.571·3).
Hypersensitivity reactions.

Valenium *Kenyaku, Thai.†*
Diazepam (p.986·3).
Anxiety.

Valerbet *Polipharm, Thai.†*
⊗ Betamethasone valerate (p.1519·1).
Skin disorders.

Valerecen *Abigo, Swed.*
Valerian (p.2410·1).
Sedative.

Valergen *Hyrex, USA.*
Estradiol valerate (p.2097·3).
Female castration; female hypogonadism; menopausal vasomotor symptoms; prevention of breast engorgement; primary ovarian failure; prostatic cancer; vulval and vaginal atrophy.

Valerial *Zambon, Belg.*
Valerian (p.2410·1).
Nervous disorders; sleep disorders.

Valerian *Vitaplex, Austral.†*
Motherwort (p.2347·3); valerian (p.2410·1); skullcap (p.2388·2); populus (p.2371·1); capsicum (p.2276·2).
Herbal sedative.

Valerian Passiflora and Hops *Lifeplan, UK.*
Vitamins; minerals; kava kava; passion flower; motherwort; wild lettuce; scullcap; lupulus; valerian (p.1922·1).
Herbal supplement.

Valerian Plus Herbal Plus Formula 12 *Vitelle, Austral.†*
Valerian (p.2410·1); passion flower (p.2363·2); dibasic potassium phosphate (p.1682·2); magnesium oxide (p.1744·1).
Insomnia; smooth muscle spasm.

Valeriana comp novum *Hevert, Ger.*
Diphenhydramine hydrochloride (p.577·2); valerian (p.2410·1).
Valeriana comp formerly contained diphenhydramine hydrochloride, bitter-orange peel, chamomile, lupulus, kava, valerian, and peppermint oil.
Anxiety; nervous disorders.

Valeriana Diates *Provefarma, Arg.*
Valerian (p.2410·1); thiamine (p.1976·3).
Herbal supplement.

Valeriana forte N *Hevert, Ger.†*
Diphenhydramine hydrochloride (p.577·2); valerian (p.2410·1).
Sedative.

Valeriana mild *Hevert, Ger.†*
Valerian (p.2410·1); passion flower (p.2363·2); lupulus (p.2335·2).
Nervous disorders; sleep disorders.

Valeriana Oligoplex *Madaus, Arg.*
Melissa (p.2339·3); valerian (p.2410·1); avena (p.2262·1).
Sedative.

Valeriana Orto *Normon, Spain.*
Valerian (p.2410·1).
Insomnia; nervous disorders.

Valeriana Relax Diates *Provefarma, Arg.*
Valerian (p.2410·1); melissa (p.2339·3); calcium pantothenate (p.1959·3).
Herbal supplement.

Valeriana (Specie Composta) *Dynacren, Ital.†*
Valerian (p.2410·1); lupulus (p.2335·2); melissa (p.2339·3); peppermint leaf (p.1761·2); bitter-orange peel (p.2357·1).
Insomnia.

Valerianaheel *Peithner, Austria.*
Homoeopathic preparation.

Valeriane *Nikkho, Braz.*
Valerian (p.2410·1).
Sleep disorders.

Valeric *Atlantic, Singapore†; Atlantic, Thai.†*
Allopurinol (p.552·2).
Gout; hyperuricaemia.

Valerimed *Cimed, Braz.*
Valerian (p.2410·1).
Sleep disorders.

Valerin *Fontovit, Braz.; Aflofarm, Pol.*
Valerian (p.2410·1).
Anxiety; insomnia; nervous disorders.

Valerina Day Time *Lichtwer, UK.*
Valerian (p.2410·1); melissa (p.2339·3).
Strain; stress.

Valerina Night-Time *Lichtwer, UK.*
Valerian (p.2410·1); lupulus (p.2335·2); melissa (p.2339·3).
Insomnia.

Valerix *Ativus, Braz.*
Valerian (p.2410·1).
Anxiety; sleep disturbances.

Valerocalma *Piam, Ital.†.*
Centranthus ruber.
Insomnia; sedative.

Valeron *Konimex, Indon.*
⊗ Diflucortolone valerate (p.1529·2).
Skin disorders.

Valesono *Neves, Port.†.*
Valerian (p.2410·1); passion flower (p.2363·2).
Alcohol withdrawal syndrome; anxiety disorders; insomnia; smoking cessation.

Valetol *Herbacos, Cz.*
Propyphenazone (p.119·3); paracetamol (p.108·1); caffeine (p.1116·3).
Pain.

Valeton *Rekah, Israel.*
Valerian (p.2410·1).
Nervous disorders.

Valette *Schering, Austral.; Schering, Austria; Jenapharm, Ger.; Berlifarma, Port.*
Dienogest (p.2094·1); ethinylestradiol (p.2101·3).
Androgen-dependent acne in females; combined oral contraceptive.

Valexime *Depofarma, Ital.*
Ceftriaxone sodium (p.237·1).
Lidocaine (p.1862·3) is included in this preparation to alleviate the pain of injection.
Gram-negative bacterial infections.

Valezen *Teuto, Braz.*
Valerian (p.2410·1).
Anxiety.

Valfam *Valdecasas, Mex.*
Loperamide (p.1741·3).
Diarrhoea.

Valfiran *Sanval, Braz.*
Sulfiram (p.2050·3).
Pediculosis; scabies.

Valflex *Sanval, Braz.*
Cefalexin (p.218·2).
Bacterial infections.

Valherpes *GSK, Spain.*
Valaciclovir hydrochloride (p.911·1).
Herpesvirus infections.

Validol
Note. This name is used for preparations of different composition.
Farmak, Pol.
Menthyl valerate.
Gastrointestinal spasm; migraine; motion sickness; neurosis; neurovegetative disorders.

Hakay, Turk.
Hydroxyzine hydrochloride (p.581·2).
Anxiety; pruritus.

Valiflox *Baliarda, Arg.*
Levofloxacin (p.292·2).
Bacterial infections.

Valifol *Valdecasas, Mex.*
Isoniazid (p.288·1).
Tuberculosis.

Valin Baldrian *Sanova, Austria.*
Valerian (p.2410·1); citronella oil (p.2284·2).
Nervous disorders; sleep disorders.

Valinor *Baxter, Fr.*
Amino-acid infusion (p.1922·1).
Parenteral nutrition.

Valiquid *Roche, Ger.*
Diazepam (p.986·3).
Anxiety disorders; premedication; skeletal muscle spasm; sleep disorders.

Valirem *Genepharm, Gr.*
Sulpiride (p.1028·3).
Psychoses.

Valisanbe *Sanbe, Indon.*
Diazepam (p.986·3).
Alcohol withdrawal syndrome; muscular disorders; neuroses; premedication; psychosomatic disorders; sedative; status epilepticus.

Valisone *Schering, Canad.; Schering, USA.*
⊗ Betamethasone valerate (p.1519·1).
Scalp disorders; skin disorders.

Valisone-G *Schering, Canad.*
⊗ Betamethasone valerate (p.1519·1); gentamicin sulfate (p.282·1).
Infected skin disorders.

Valium *Roche, Arg.; Roche, Austral.; Roche, Austria; Roche, Belg.; Roche, Braz.; Roche, Canad.; Roche, Denm.; Roche, Fr.; Roche, Ger.; Piramal, India; Roche, Indon.; Roche, Irl.; Roche, Ital.; Roche, Malaysia; Roche, Mex.; Roche, Neth.; Roche, Norw.; Roche, Philipp.; Roche, Port.; Roche, S.Afr.; Roche, Spain; Roche, Switz.; Roche, Thai.; Roche, USA; Roche, Venez.†.*
Diazepam (p.986·3).
Agitation; alcohol withdrawal syndrome; childhood nightmares and somnambulism; convulsions; delirium tremens; eclampsia; epilepsy; febrile convulsions; insomnia; panic attacks; premedication; sedative; skeletal muscle spasm; spasticity; status epilepticus; tetanus.

Valix *Sintofarma, Braz.†.*
Diazepam (p.986·3).
Anxiety.

Valixa
Roche, Arg.; Roche, Venez.
Valganciclovir (p.912·1).
Cytomegalovirus retinitis.

Roche, Chile; Roche, Neth.
Valganciclovir hydrochloride (p.911·3).
Cytomegalovirus retinitis.

Vallergan *Aventis, Austral.; Sanofi-Aventis, Irl.; Sanofi-Aventis, NZ; Aventis, Norw.; Aventis, S.Afr.; Castlemead, UK.*
Alimemazine tartrate (p.566·2).
Adjunct in anaesthesia; premedication; pruritus; sedative; sleep disorders; urticaria.

Vallup *Herbapol Lodz, Pol.*
Lupulus (p.2335·2); valerian (p.2410·1).
Insomnia; nervous disorders.

Valmane
Note. This name is used for preparations of different composition.
Pharmaselect, Austria; Solvay, Gr.
Valepotriates (p.2410·1).
Anxiety disorders; nervous disorders.

Solvay, Braz.
Valerian (p.2410·1).
Anxiety disorders.

Valmecon *Valmor, Venez.†.*
Aluminium hydroxide (p.1706·2); magnesium hydroxide (p.1743·2); simeticone (p.1770·2).
Antacid; flatulence.

Valmetrol-3 *Valdecasas, Mex.*
Calcitriol (p.1986·2); colecalciferol (p.1986·2).
Hyperparathyroidism; hypocalcaemia; hypoparathyroidism; osteomalacia; osteoporosis; rickets.

Valmicin *Sanval, Braz.*
Erythromycin estolate (p.269·3).
Bacterial infections.

Valmocel *IAE, Philipp.*
Amoxicillin trihydrate (p.202·2); potassium clavulanate (p.250·2).
Bacterial infections.

Valmox *IAE, Philipp.*
Amoxicillin trihydrate (p.202·2).
Bacterial infections.

Valnar *Ivax, Arg.*
Valproate semisodium (p.508·2).
Bipolar disorder; epilepsy; migraine.

Valocordin-Diazepam *Krewel, Ger.*
Diazepam (p.986·3).
Anxiety disorders; sleep disorders.

Valofyt Neo *Leros, Cz.*
Valerian (p.2410·1); crataegus (p.2289·1); lupulus (p.2335·2); lavender (p.2331·1); melissa (p.2339·3); avena (p.2262·1); salix (p.121·3); angelica (p.2258·1); peppermint leaf (p.1761·2).
Insomnia; nervous disorders.

Valoid
GSK, Hong Kong†.
Cyclizine (p.574·2).
Acid aspiration; nausea; vestibular disorders; vomiting.

Amdipharm, Irl.; GSK, S.Afr.; CeNeS, UK.
Cyclizine hydrochloride (p.574·2) or cyclizine lactate (p.574·2).
Motion sickness; nausea; vestibular disorders; vomiting.

AFT, NZ.
Cyclizine lactate (p.574·2).
Acid aspiration; nausea; vestibular disorders; vomiting.

Valonorm *Zenith, UK.*
Atropine sulfate (p.1219·3); peppermint oil (p.1761·2); magnesium carbonate (p.1743·1); magnesium trisilicate (p.1744·1); calcium carbonate (p.1714·1); sodium bicarbonate (p.1673·2); aluminium hydroxide (p.1706·2).
Dyspepsia; gastrointestinal spasm.

Valontan *Recordati, Ital.*
Dimenhydrinate (p.576·2).
Motion sickness.

Valopin *Julphar, UAE.*
Sodium valproate (p.508·2).
Epilepsy.

Valopon *Biomedica-Chemica, Gr.†.*
Piroxicam (p.117·3).
Inflammatory disorders.

Valopride *Pharmafar, Ital.*
Bromopride (p.1713·3).
Gastrointestinal disorders.

Valoran *Medochemie, Hong Kong; Medochemie, Thai.†.*
Cefotaxime sodium (p.228·1).
Bacterial infections.

Valorel *Royal, Chile.*
Etofenamate (p.53·1).
Peri-articular and soft-tissue disorders.

Valoron *Parke, Davis, Belg.†; Galena, Cz.†; Ivax, Cz.†; Pfizer, S.Afr.; Pfizer, Switz.*
Tilidine hydrochloride (p.129·3).
Pain.

Valoron N *Godecke, Ger.; Parke, Davis, Ger.; Pfizer, Ger.*
Tilidine hydrochloride (p.129·3) or tilidine phosphate (p.130·1).
Naloxone hydrochloride (p.1453·2) is included in this preparation to discourage abuse.
Pain.

Valosin *Svizera, India.*
Valethamate bromide (p.1778·3).
Colic; labour induction.

Valoxin
Note. This name is used for preparations of different composition.
Sanval, Braz.
Digoxin (p.1259·3).
Arrhythmias; heart failure.

Plus, Gr.
Meloxicam (p.80·3).
Inflammatory disorders.

Valpakine *Sanofi-Aventis, Braz.*
Sodium valproate (p.508·2).
Bipolar disorder; epilepsy.

Valpam *Arrow, Austral.; Arrow, Hong Kong.*
Diazepam (p.986·3).
Alcohol withdrawal syndrome; anxiety disorders; skeletal muscle spasm; spasticity.

Valpar *Valdecasas, Mex.*
Metronidazole benzoate (p.837·1).
Amoebiasis; giardiasis; trichomoniasis.

Valparin *Torrent, India; Torrent, Singapore; Torrent, Thai.*
Sodium valproate (p.508·2).
Epilepsy.

Valparin XR *Torrent, Rus.*
Sodium valproate (p.508·2); valproic acid (p.508·2).
Epilepsy.

Valparina *Valdecasas, Mex.*
Pyridoxine (p.1979·1).
Vitamin deficiency.

Valpax *Drugtech, Chile.*
Clonazepam (p.478·2).
Epilepsy; panic disorder.

Valpeda *Ransom, UK.*
Halquinol (p.286·2).
Skin infections.

Valpex *Ivax, Arg.*
Donepezil hydrochloride (p.364·3).
Alzheimer's disease.

Valpiform *General Dietary, UK.*
A range of gluten-free foods (p.1922·1).

Valpin *Recalcine, Chile.*
Octatropine methylbromide (p.1752·1); phenobarbital (p.492·2).
Colic; vomiting in infants.

Valpinax *Crinos, Ital.*
Octatropine methylbromide (p.1752·1); diazepam (p.986·3).
Gastrointestinal spasm.

Val-Plus *Edmond Pharma, Ital.†.*
Valerian (p.2410·1); passion flower (p.2363·2).
Insomnia; sedative.

Valporal *Teva, Israel.*
Valproic acid (p.508·2) or sodium valproate (p.508·2).
Epilepsy.

Valprene *Teuto, Braz.*
Sodium valproate (p.508·2).
Epilepsy.

Valpression *Menarini, Ital.*
Valsartan (p.1420·2).
Hypertension.

Valpro *Alphapharm, Austral.; Aliud, Ger.; TAD, Ger.; Alphapharm, Hong Kong.*
Sodium valproate (p.508·2).
Epilepsy; mania.

Valpro Beta *Betapharm, Ger.*
Sodium valproate (p.508·2).
Epilepsy.

Valprodura *Merck dura, Ger.*
Sodium valproate (p.508·2).
Epilepsy.

Valproflux *Hennig, Ger.†.*
Sodium valproate (p.508·2).
Epilepsy.

Valprolept *Hexal, Ger.†.*
Sodium valproate (p.508·2).
Epilepsy.

Valprolim *Winthrop, Port.*
Sodium valproate (p.508·2).
Epilepsy.

Valpron *Farma, Venez.*
Valproic acid (p.508·2) or sodium valproate (p.508·2).
Epilepsy.

ValproNa *Teva, Ger.†.*
Sodium valproate (p.508·2).
Epilepsy.

Valprosid *Armstrong, Mex.†.*
Valproic acid (p.508·2) or sodium valproate (p.508·2).
Epilepsy.

Valrate CR *Ipca, India.*
Sodium valproate (p.508·2).
Epilepsy.

Valrian *Leiras, Fin.*
Valerian (p.2410·1).
Nervous disorders; sleep disorders.

Vals *Esteve, Spain.*
Valsartan (p.1420·2).
Heart failure; hypertension; myocardial infarction.

Valsacor *KRKA, Cz.*
Valsartan (p.1420·2).
Heart failure; hypertension; myocardial infarction.

Valsartan/HCTZ *Novartis, Austria†.*
⊗ Valsartan (p.1420·2); hydrochlorothiazide (p.1307·3).
Hypertension.

Valsedan *Cederroth, Spain.*
Valerian (p.2410·1).
Insomnia; nervous disorders.

Valsera *Polifarma, Ital.*
Flunitrazepam (p.996·2).
Insomnia.

Valstar *Anthra, Israel; Celltech, USA†.*
Valrubicin (p.784·2).
Bladder cancer.

Valsweet *Valma, Chile.*
Aspartame (p.1930·1).
Sugar substitute.

Valtaxin *Indevus, Canad.*
Valrubicin (p.784·2).
Bladder cancer.

Valtec *Cipla, India.*
Sodium valproate (p.508·2).
Epilepsy.

Valto *Nufarindo, Indon.*
Diclofenac sodium (p.44·3).
Musculoskeletal, joint, and peri-articular disorders.

Valtran *Pfizer, Belg.*
Tilidine hydrochloride (p.129·3).
Naloxone hydrochloride (p.1453·2) is included in this preparation to discourage abuse.
Pain.

Valtrax *Valeas, Ital.*
Diazepam (p.986·3); isopropamide iodide (p.1736·3).
Gastrointestinal spasm.

Valtrex *GSK, Arg.; GSK, Austral.; GSK, Austria; GSK, Braz.; GSK, Canad.; GSK, Chile; GSK, Cz.; GSK, Fin.; GSK, Ger.; GSK, Gr.; GSK, Hong Kong; GSK, Indon.; GSK, Irl.; GSK, Israel; GSK, Malaysia; GSK, Norw.; GSK, Philipp.; Wellcome, Port.; GSK, Rus.; GSK, Singapore; GSK, Spain; GSK, Swed.; GSK, Switz.; GSK, Thai.; GSK, Turk.; GSK, UK; Glaxo Wellcome, USA; GSK, Venez.*
Valaciclovir hydrochloride (p.911·1).
Herpesvirus infections.

Valtrian *Medley, Braz.*
Losartan potassium (p.1326·1).
Hypertension.

Valtropin *BioPartners, Cz.; BioPartners, Port.*
⊗ Somatropin (p.1799·3).
Growth disorders in renal failure; growth hormone deficiency; Turner's syndrome.

Valublock V *Valuge, Arg.*
SPF 29: Bisoctrizole (p.1591·2); octinoxate (p.1608·2).
Sunscreen.

Val-Uno *Edmond Pharma, Ital.†.*
Valerian (p.2410·1).
Insomnia; sedative.

Valupass *Knop, Chile.*
Valerian (p.2410·1); lupulus (p.2335·2); passiflora coerulea.
Depression; insomnia; nervous disorders.

Valus *Glenmark, India†.*
Valdecoxib (p.132·3).
Dysmenorrhoea; osteoarthritis; rheumatoid arthritis.

Valus Insta *Glenmark, India†.*
Valdecoxib (p.132·3); methyl salicylate (p.85·3).
Musculoskeletal, joint, and soft-tissue disorders.

Valused *Hasco-Lek, Pol.*
Lupulus (p.2335·2); passion flower (p.2363·2); valerian (p.2410·1).
Insomnia; nervous disorders; vegetative neurosis.

Valus-P *Glenmark, India†.*
Parecoxib sodium (p.111·3).
Pain.

Valus-XT *Glenmark, India†.*
Valdecoxib (p.132·3); tizanidine hydrochloride (p.1898·2).
Musculoskeletal pain and spasm.

Valved *GMP, Indon.*
Triprolidine hydrochloride (p.592·3); pseudoephedrine hydrochloride (p.1571·2).
Allergic rhinitis; cold and influenza symptoms.

Valved DM *GMP, Indon.*
Triprolidine hydrochloride (p.592·3); pseudoephedrine hydrochloride (p.1571·2); dextromethorphan hydrobromide (p.1555·2).
Cough.

Valverde Artischocke *Novartis Consumer, Ger.†.*
Cynara (p.2291·2).
Digestive disorders.

Valverde Baldrian Hopfen bei Einschlafstorungen und zur Beruhigung *Novartis Consumer, Ger.†.*
Valerian (p.2410·1); lupulus (p.2335·2).
Nervous disorders; sleep disorders.

Valverde Boutons de fievre creme *Sidroga, Switz.*
Melissa (p.2339·3).
Herpes labialis.

Valverde Coeur
Note. This name is used for preparations of different composition.
Novartis Consumer, Switz.†.
Oral drops: Crataegus leaves, flowers, and fruit (p.2289·1); passion flower (p.2363·2).
Cardiac disorders.

Sidroga, Switz.
Tablets: Crataegus leaves and fruit (p.2289·1); passion flower (p.2363·2); lupulus (p.2335·2); valerian (p.2410·1).
Cardiac disorders.

Valverde Constipation dragees *Sidroga, Switz.*
Fig (p.1731·3); senna (p.1769·2); butterbur root (p.2271·1).
Formerly know as Valverde Dragées laxatives.
Constipation.

Valverde Constipation sirop *Sidroga, Switz.*
Fig (p.1731·3); senna (p.1769·2).
Formerly known as Valverde Sirop laxatif.
Constipation.

Valverde Detente dragees *Sidroga, Switz.*
Butterbur root (p.2271·1); passion flower (p.2363·2); valerian (p.2410·1); melissa (p.2339·3).
Nervous disorders.

† This preparation may no longer be actively marketed ⊗ Contains a substance whose use may be restricted in certain sports (see p.vii)

Valverde Monchspfeffer bei Menstruationsbeschwerden Novartis Consumer, Ger.†.
Agnus castus (p.2249·1).
Mastalgia; menstrual disorders.

Valverde Prostate capsules Sidroga, Switz.
Urtica (p.2409·3).
Prostate disorders.

Valverde regulateur du transit intestinal granules Novartis Consumer, Switz.†.
Ispaghula (p.1737·1).
Constipation.

Valverde Sommeil
Note. This name is used for preparations of different composition.
Novartis Consumer, Switz.†.
Syrup: Valerian (p.2410·1).
Sleep disorders.
Sidroga, Switz.
Tablets: Lupulus (p.2335·2); valerian (p.2410·1).
Sleep disorders.

Valverde Traubensilberkerze Novartis Consumer, Ger.†.
Cimicifuga (p.2282·1).
Menopausal disorders.

Valverde Vitalite dragees Novartis Consumer, Switz.†.
Ginkgo biloba (p.2311·1).
Memory function impairment; tonic.

Valvexin EuroHealth, Philipp.
⊗ Metoprolol tartrate (p.1338·1).
Angina pectoris; arrhythmias; hypertension; hyperthyroidism; migraine; myocardial infarction.

Valvir Soho, Indon.
Valaciclovir hydrochloride (p.911·1).
Herpesvirus infections.

Valviska Tentan, Switz.
Valerian (p.2410·1); melissa (p.2339·3); mint leaf.
Nervous disorders; sleep disorders.

Vamazole Nakornpatana, Thai.
Clotrimazole (p.530·1).
Fungal skin infections.

Vamcee Vamsler, Philipp.
Ascorbic acid (p.1983·3).
Vitamin C deficiency.

Vamcloxil Vamsler, Philipp.
Cloxacillin (p.256·1).
Bacterial infections.

Va-Mengoc-BC Caif, Arg.; Enila, Braz.†.
A meningococcal vaccine (groups B and C) (p.2224·1).
Active immunisation.

Vamgesic Vamsler, Philipp.
Mefenamic acid (p.80·1).
Fever; pain.

Vamin Pharmatel, Austral.; Fresenius Kabi, Austria; Baxter, Canad.†; Fresenius Kabi, Cz.; Fresenius Kabi, Denm.; Fresenius Kabi, Gr.; Fresenius Kabi, Hong Kong; Pharmacia Upjohn, Israel; Fresenius Kabi, Malaysia; Baxter, NZ†; Fresenius Kabi, NZ†; Fresenius Kabi, Neth.; Fresenius Kabi, Norw.; Fresenius Kabi, Pol.; Fresenius Kabi, Port.; Fresenius Kabi, Swed.; Fresenius Kabi, UK.
Amino-acid infusion with or without electrolytes (p.1922·1).
Parenteral nutrition.

Vamin EF Fresenius Kabi, Ital.†.
Amino-acid infusion (p.1922·1).
Parenteral nutrition.

Vamin con Glucosa Fresenius Kabi, Spain.
Amino-acid infusion with glucose and electrolytes (p.1922·1).
Parenteral nutrition.

Vamin Glucose Pharmatel, Austral.; Fresenius Kabi, Gr.†; Fresenius Kabi, Hong Kong; Fresenius Kabi, Indon.; Fresenius Kabi, Irl.; Pharmacia Upjohn, Israel; Fresenius Kabi, Malaysia; Fresenius Kabi, Neth.; Fresenius Kabi, Port.; Fresenius Kabi, Thai.†; Fresenius Kabi, UK.
Amino-acid, glucose, and electrolyte infusion (p.1922·1).
Parenteral nutrition.

Vamin Glukos Fresenius Kabi, Denm.; Fresenius Kabi, Fin.; Fresenius Kabi, Norw.; Fresenius Kabi, Swed.
Amino-acid, carbohydrate, and electrolyte infusion (p.1922·1).
Parenteral nutrition.

Vamin Glukos Combi Fresenius Kabi, Fin.†.
1 infusion, amino-acid, glucose, and electrolyte infusion (Vamin Glukos) (p.1922·1); 1 infusion, soya oil (Intralipid) (p.1965·3).
Parenteral nutrition.

Vamin mit Glukose Fresenius Kabi, Austria.
Amino-acid, glucose, and electrolyte infusion (p.1922·1).
Parenteral nutrition.

Vamin N/I Fresenius Kabi, Fin.
Amino-acid infusion (p.1922·1).
Parenteral nutrition.

Vamina Fresenius Kabi, Switz.
Amino-acid infusion (p.1922·1).
Parenteral nutrition.

Vamina Glucose Fresenius Kabi, Switz.
Amino-acid, carbohydrate, and electrolyte infusion (p.1922·1).
Parenteral nutrition.

Vamine Fresenius Kabi, Turk.
Amino-acid infusion (p.1922·1).
Parenteral nutrition.

Vamine Glucose Fresenius Kabi, Fr.
Amino-acid, glucose, and electrolyte infusion (p.1922·1).
Parenteral nutrition.

Vamine Glukoz Fresenius Kabi, Turk.
Amino-acid and glucose infusion (p.1922·1).
Parenteral nutrition.

Vamin-Glu+Intralipid Fresenius Kabi, Gr.
Amino-acid, lipid, carbohydrate, and electrolyte infusion (p.1922·1).
Parenteral nutrition.

Vaminolac Fresenius Kabi, Denm.; Fresenius Kabi, Fin.; Fresenius Kabi, Norw.; Fresenius Kabi, Swed.
Amino-acid infusion (p.1922·1).
Parenteral nutrition.

Vaminolact Fresenius Kabi, Austria; Fresenius Kabi, Cz.†; Fresenius Kabi, Fr.; Fresenius Kabi, Hong Kong; Pharmacia, Irl.; Pharmacia Upjohn, Israel; Fresenius Kabi, Malaysia; Baxter, NZ†; Fresenius Kabi, NZ†; Fresenius Kabi, Neth.; Fresenius Kabi, Pol.; Fresenius Kabi, Port.; Fresenius Kabi, Singapore†; Fresenius Kabi, Switz.; Fresenius Kabi, Thai.; Fresenius Kabi, UK.
Amino-acid infusion (p.1922·1).
Parenteral nutrition.

Vamistol Demo, Gr.†.
Vancomycin hydrochloride (p.358·3).
Bacterial infections.

Vamlo Ranbaxy, Malaysia.
Amlodipine besilate (p.1214·1).
Angina pectoris; hypertension.

Vamogyl Vamsler, Philipp.
Metronidazole (p.837·1).
Amoebiasis; trichomoniasis.

Vamosef Vamsler, Philipp.
Cefradine (p.233·1).
Bacterial infections.

Vamsoxid Vamsler, Philipp.
Isoniazid (p.288·1).
Vitamin B (p.1979·1) is included in this preparation for the prophylaxis of peripheral neuropathy.
Tuberculosis.

Vamysin Teva, Belg.
Vancomycin (p.358·3).
Antibiotic-associated colitis; Gram-positive bacterial infections.

Vanadiol Simoes, Braz.†.
Vitamin B substances with sodium and calcium glycerophosphates (p.1922·1).
Vitamin B deficiency; vitamin B supplement.

Vanadyl Best, Mex.
Co-trimoxazole (p.258·1).
Bacterial infections; pneumocystis pneumonia.

Vanafen Atlantic, Thai.
Chloramphenicol (p.239·3).
Bacterial eye or ear infections.

Vanafen-S Atlantic, Singapore†.
Chloramphenicol (p.239·3).
Eye infections.

Vanamide Dermik, USA.
⊗ Urea (p.1620·2).
Dry skin.

Vanaurus Pisa, Mex.
Vancomycin hydrochloride (p.358·3).
Antibiotic-associated colitis due to Clostridium difficile; bacterial infections.

Vancam Abbott, Mex.†.
Vancomycin hydrochloride (p.358·3).
Antibiotic-associated colitis due to Clostridium difficile; bacterial infections.

Vancel Darrow, Braz.
Carboplatin (p.693·1).
Malignant neoplasms.

Vancenase Schering, USA†.
⊗ Beclometasone dipropionate (p.1516·2).
Nasal polyps; rhinitis.

Vancep Fahrenheit, Indon.
Vancomycin hydrochloride (p.358·3).
Staphylococcal infections.

Vanclomin Teuto, Braz.
Vancomycin hydrochloride (p.358·3).
Bacterial infections.

Vanco Cell Pharm, Ger.; Bayer, Ital.
Vancomycin hydrochloride (p.358·3).
Bacterial infections.

Vancoabbott Abbott, Braz.
Vancomycin hydrochloride (p.358·3).
Bacterial infections.

Vancobehr Behrens, Venez.†.
Vancomycin hydrochloride (p.358·3).
Bacterial infections.

Vancocid Biochimico, Braz.†.
Vancomycin hydrochloride (p.358·3).
Bacterial infections.

Vancocin Lilly, Arg.†; Lilly, Austral.; Lilly, Belg.; Lilly, Canad.; Lilly, Cz.; Lilly, Denm.†; Lilly, Fin.†; Lilly, Hong Kong; Hungaro-Gen, Hung.; AstraZeneca, India; Flynn, Irl.; Lilly, Israel†; Lilly, Malaysia†; Sandoz, Mex.; Lilly, NZ†; Lilly, Neth.; Lilly, Norw.†; GSK, Philipp.; Lilly, Pol.; Lilly, Rus.; Sandoz, S.Afr.; NordMedica, Swed.; Medika, Switz.; Lilly, Thai.†; Lilly, UK; ViroPharma, USA.
Vancomycin hydrochloride (p.358·3).
Antibiotic-associated colitis; bacterial infections.

Vancocina ABL, Braz.; Lilly, Braz.; Lilly, Chile†; Lilly, Ital.; Lilly, Port.†.
Vancomycin hydrochloride (p.358·3).
Bacterial infections.

Vancocine Lilly, Fr.†.
Vancomycin hydrochloride (p.358·3).
Bacterial infections.

Vancogen Alkem, Thai.
Vancomycin hydrochloride (p.358·3).
Gram-positive bacterial infections.

Vancogram Biochem, India.
Vancomycin (p.358·3).
Bacterial infections.

Vancoled Wyeth, Cz.†; Lederle, Israel†; Lederle, USA.
Vancomycin hydrochloride (p.358·3).
Bacterial infections.

Vancolon Julphar, UAE.
Vancomycin hydrochloride (p.358·3).
Bacterial infections.

Vancomax Klonal, Arg.†.
Vancomycin (p.358·3).

Vanconorth Itaca, Braz.†.
Vancomycin (p.358·3).
Bacterial infections.

Vancoplus Royton, Braz.†.
Vancomycin hydrochloride (p.358·3).
Bacterial infections.

Vancorin Hemat, Turk.
Vancomycin hydrochloride (p.358·3).
Bacterial infections.

Vanco-saar MIP, Ger.
Vancomycin hydrochloride (p.358·3).
Bacterial infections.

Vancoscand Scand Pharm, Swed.†.
Vancomycin hydrochloride (p.358·3).
Gram-positive bacterial infections.

Vancoson Ariston, Braz.
Vancomycin hydrochloride (p.358·3).
Bacterial infections.

Vancotenk Biotenk, Arg.
Vancomycin hydrochloride (p.358·3).
Bacterial infections.

Vanco-Teva Teva, Israel.
Vancomycin hydrochloride (p.358·3).
Bacterial infections.

Vancotex Pharmatex, Ital.; Pharmatex, Malaysia.
Vancomycin hydrochloride (p.358·3).
Bacterial infections; staphylococcal infections.

Vancotrat Uniao Quimica, Braz.
Vancomycin hydrochloride (p.358·3).
Bacterial infections.

Vancox Lemery, Mex.
Vancomycin hydrochloride (p.358·3).
Bacterial infections.

Vandazole Upsher-Smith, USA.
Metronidazole (p.837·1).
Vaginal infections.

Vanderbumin Ivax, Mex.
⊗ Albumin (p.1052·1).
Hypovolaemia; shock.

Vanderm Agis, Israel†.
⊗ Methylprednisolone aceponate (p.1539·1).
Eczema; neurodermatitis.

Vandifen Crisdy-Na, Philipp.
Mefenamic acid (p.80·1).
Pain.

Vandisul Vannier, Arg.†.
Disulfiram (p.2296·2).
Alcoholism.

Vandix Wandel, Mex.
Amoxicillin (p.202·2).
Bacterial infections.

Vandol Schering-Plough, Philipp.; Schering-Plough, S.Afr.†; Schering-Plough, Venez.
Vitamin A (p.1971·2); vitamin D (p.1986·1).
Burns; skin disorders; skin irritation; wounds.

Vandral Wyeth, Spain.
Venlafaxine hydrochloride (p.427·3).
Anxiety; depression; social phobia.

Vanesin Biostam (Βιοσταμ), Gr.
Carbocisteine (p.1553·2); sobrerol (p.1572·3).
Mucolytic.

Vanesten Atlantic, Singapore†; Atlantic, Thai.
Clotrimazole (p.530·1).
Fungal skin infections.

Vanestrin-V Loeffler, Mex.
Metronidazole (p.837·1).
Vaginal infections.

Vaneular Medichem, Philipp.
Vitamin B substances (p.1975·1).
Neuralgia; neuropathy; vitamin B deficiency.

Vanex Expectorant Abana, USA.
Pseudoephedrine hydrochloride (p.1571·2); guaifenesin (p.1561·3); hydrocodone tartrate (p.63·1).
Coughs.

Vanex-HD Abana, USA.
Phenylephrine hydrochloride (p.1568·1); chlorphenamine maleate (p.571·3); hydrocodone tartrate (p.63·1).
Coughs and cold symptoms.

Vanicream
Note. This name is used for preparations of different composition.
Pharmaceutical Specialties, USA.
Vehicle for topical preparations; moisturiser.
Pharmaceutical Specialties, USA.
Lip protectant SPF 30: Titanium dioxide (p.1617·3).
Sunscreen.
Pharmaceutical Specialties, USA.
SPF 15; SPF 30; SPF 35; SPF 60: Titanium dioxide (p.1617·3); zinc oxide (p.1621·2).
Sunscreen.

Vanid Unison, Thai.
Flunarizine (p.580·3).
Cerebral and peripheral vascular disorders; migraine; vertigo.

Vaniqa CSL Biotherapies, Austral.; Shire, Cz.; Shire, Fr.; Shire, Ger.; Shire, Irl.; Shire, Ital.; Shire, Neth.; Shire, Port.; Shire, Spain; Shire, UK; SkinMedica, USA.
Eflornithine hydrochloride (p.833·1).
Facial hirsutism in women.

Vanish Silesia, Chile.
Desogestrel (p.2093·2).
Progestogen-only oral contraceptive.

Vanlid Cipla, India.
Vancomycin (p.358·3).
Staphylococcal infections.

Vanmoxol Wandel, Mex.
Amoxicillin (p.202·2); ambroxol (p.1550·3).
Respiratory-tract infections.

Vanmycetin FDC, India.
Chloramphenicol (p.239·3).
Bacterial eye infections; corneal ulcer; trachoma.

Vanocin Stratus, USA.
Sulfacetamide sodium (p.335·3).
Acne; rosacea; seborrhoeic dermatitis.

Vanogel Faran, Gr.
Buflomedil hydrochloride (p.1236·3).
Peripheral vascular disorders.

Vanos Medicis, USA.
⊗ Fluocinonide (p.1532·1).
Skin disorders.

Vanoxide-HC Dermik, USA.
⊗ Benzoyl peroxide (p.1590·2); hydrocortisone (p.1535·2).
Acne; seborrhoea.

Vanquin Pfizer Consumer, Canad.†; Pfizer, Denm.; Pfizer, Norw.; Pfizer, Swed.
Pyrvinium embonate (p.155·3).
Enterobiasis.

Vanquish Glenbrook, USA.
Aspirin (p.20·3); paracetamol (p.108·1); caffeine (p.1116·3).
Aluminium hydroxide (p.1706·2) and magnesium hydroxide (p.1743·2) are included in this preparation in an attempt to limit adverse effects on the gastrointestinal mucosa.
Pain.

Vansame Valuge, Arg.
⊗ Vitamin A (p.1971·2); alpha tocopherol (p.1992·2); urea (p.1620·2).
Dry skin disorders.

Vansame G Valuge, Arg.
Glycolic acid (p.1598·1).
Dry skin disorders.

Vansame GS Valuge, Arg.
Glycolic acid (p.1598·1); salicylic acid (p.1612·2).
Acne.

Vansame Plus Valuge, Arg.
Glycolic acid (p.1598·1); vitamin A (p.1971·2); salicylic acid (p.1612·2).
Dry skin disorders.

Vansil IFET (ΙΦΕΤ), Gr.†.
Oxamniquine (p.151·3).
Schistosomiasis.

Vantal Grossman, Mex.
Benzydamine hydrochloride (p.27·3).
Mouth and throat inflammation; peri-articular disorders; soft-tissue disorders; vulvovaginitis.

Vantas Indevus, Malaysia; Valeras, USA.
⊗ Histrelin acetate (p.2109·2).
Prostatic cancer.

Vantelin Kowa, Jpn.
Indometacin (p.66·3); levomenthol.

Vanticon Phoenix, Arg.†.
Zafirlukast (p.1150·2).
Asthma.

Vantin
Note. This name is used for preparations of different composition.
Best, Mex.
Naproxen (p.92·3).
Inflammation; musculoskeletal, joint, and peri-articular disorders; pain.
Pharmacia Upjohn, USA.
Cefpodoxime proxetil (p.232·1).
Bacterial infections.

Vantoxyl Bruluart, Mex.
Pentoxifylline (p.1367·2).
Cerebral, ocular, and peripheral vascular disorders.

Vantux Grunenthal, Chile†; Royal, Chile.
Zinc sulfate; gelatin; amino acids (p.1922·1).
Dietary supplement; hair and nail disorders.

Vantux Plus Royal, Chile.
Methionine; cystine; zinc chelate; biotin (p.1922·1).
Dietary supplement.

Vaopin N Riemser, Ger.
Camphor (p.2273·2).
Insect stings; pruritus.

Vapesin Boehringer Ingelheim, Venez.
Feprazone (p.60·2).
Inflammation.

Vapoflu Recalcine, Chile.
⊗ Clobutinol (p.1554·2); orciprenaline (p.1129·2); ammonium chloride (p.1551·3).
Coughs.

Vapolatum Inhalador *Maver, Chile.*
Camphor (p.2273·2); methyl salicylate (p.85·3); menthol (p.2340·1).

Vapolatum Labial *Maver, Chile†.*
Camphor (p.2273·2); methyl salicylate (p.85·3).

Vapolatum Unguento *Maver, Chile.*
Methyl salicylate (p.85·3); camphor (p.2273·2).

Vaponefrin *Aventis, Canad.*
⊗ Racepinefrine hydrochloride (p.1204·2).
Bronchospasm.

Vapores Pyt *Fardi, Spain.*
Peru balsam (p.2365·3); cypress (p.2291·2); eucalyptus oil (p.2301·2); niaouli oil (p.2351·3); diplotaxis tenuifolia; abies pectinata; pine silvestris oil (p.2368·2); beech.
Upper respiratory-tract congestion.

Vaporil *Gestafarma, Port.*
Belladonna (p.2263·3); eucalyptus oil (p.2301·2); benzoin (p.2394·2); thyme oil (p.2401·2); lavender oil (p.2331·2); camphor (p.2273·2).
Nasal congestion.

Vaporisateur Medicamente *Multi-Pro, Canad.*
Camphor (p.2273·2); eucalyptus oil (p.2301·2); menthol (p.2340·1); thymol (p.1664·3).

Vaporizing Colds Rub *Lander, Canad.*
Camphor (p.2273·2); eucalyptus oil (p.2301·2); menthol (p.2340·1).

Vaporizing Ointment *Prodemdis, Canad.*
Camphor (p.2273·2); cedar; eucalyptus oil (p.2301·2); menthol (p.2340·1); nutmeg oil (p.2355·3); thymol (p.1664·3); turpentine.

Vaposyrup *Phamar (Φαμαρ), Gr.†.*
Dextromethorphan (p.1555·2).
Cough.

Vapour Rub *Numark, UK.*
Eucalyptus oil (p.2301·2); camphor (p.2273·2); menthol (p.2340·1).

Vaprasil *Loeffler, Mex.*
Pravastatin (p.1375·1).
Atherosclerosis; cardiovascular risk reduction; cerebrovascular risk reduction; hypercholesterolaemia.

Vapresan *Temis, Arg.*
Enalapril maleate (p.1276·1).
Heart failure; hypertension.

Vapresan Diur *Temis, Arg.*
⊗ Enalapril maleate (p.1276·1); hydrochlorothiazide (p.1307·3).
Hypertension.

Vaprisol *Astellas, USA.*
Conivaptan hydrochloride (p.2287·2).
Hyponatraemia.

VAQTA *MSD, Arg.; CSL, Austral.; Aventis Pasteur, Belg.†; MSD, Braz.†; Merck Frosst, Canad.; MSD, Cz.; Aventis Pasteur, Fin.†; Sanofi Pasteur, Fr.†; Sanofi Pasteur, Ger.; Vianex (Βιανεξ), Gr.; MSD, Hong Kong; MSD, Hung.; MSD, Indon.; Aventis Pasteur, Irl.†; MSD, Israel; Sanofi Pasteur, Ital.; MSD, Malaysia†; MSD, Mex.; MSD, NZ; MSD, Neth.; Aventis Pasteur, Norw.†; MSD, Pol.; Sanofi Pasteur, Port.; MSD, Rus.; MSD, Singapore; Sanofi Pasteur, Spain; Aventis Pasteur, Swed.†; Pro Vaccine, Switz.†; MSD, Thai.; MSD, Turk.; Aventis Pasteur, UK; Merck, USA.*
An inactivated hepatitis A vaccine (p.2214·2).
Separate preparations are available for children and adolescents and for adults.
Active immunisation.

Varaxil *Merck, Mex.*
Captopril (p.1239·2).
Hypertension.

Vardolin *Help, Gr.*
Buflomedil hydrochloride (p.1236·3).
Peripheral vascular disorders.

Varedet *Fada, Arg.*
Vancomycin (p.358·3).
Staphylococcal infections.

Varemoid *Novartis, Philipp.*
Oxerutins (p.2304·3).
Haemorrhoids.

Varexan *Novartis, Hung.*
Valsartan (p.1420·2).
Hypertension.

Varexan HCT *Novartis, Hung.*
⊗ Valsartan (p.1420·2); hydrochlorothiazide (p.1307·3).
Hypertension.

Varfine *Teofarma, Port.*
Warfarin sodium (p.1425·2).
Thromboembolic disorders.

Varginko *Infinity, Venez.*
Ginkgo biloba (p.2311·1).
Tonic.

Variargil *Logogen, Spain.*
Alimemazine tartrate (p.566·2).
Hypersensitivity reactions.

Varicare *Andromaco, Chile†.*
Aesculus (p.2248·2); hamamelis (p.2318·2).
Haemorrhoids; venous insufficiency.

Varicela Biken *Sanofi Pasteur, Arg.; Sanofi Pasteur, Chile.*
A live attenuated varicella-zoster vaccine (OKA strain) (p.2242·2).
Active immunisation.

Varicell *Eversil, Braz.†.*
Partially hydrolysed keratin; senna (p.1769·2); sublimed sulfur (p.1614·1); potassium acid tartrate (p.1764·1).

Varicellon *ZLB, Ger.*
A varicella-zoster immunoglobulin (p.2242·1).
Passive immunisation.

Varicex *Lohmann, Ital.*
Zinc oxide (p.1621·2).
Medicated dressing.

Varicid *Lacer, Spain.*
Aesculus (p.2248·2).
Diarrhoea; skin disorders; venous insufficiency.

Varicofit *Body Spring, Ital.*
Ginkgo biloba (p.2311·1); myrtillus (p.2349·3); pungitopo; taraxacum (p.2395·1); centella (p.1592·3); bioflavonoids (p.2304·1); vitamin C (p.1983·3).
Circulatory disorders.

Varicogel *Wassermann, Ital.†.*
Aesculus (p.2248·2); hamamelis (p.2318·2).
Peripheral vascular disorders.

Varicose Ointment *Potter's, UK.*
Cade oil (p.1616·1); hamamelis (p.2318·2); zinc oxide (p.1621·2).
Skin irritation due to varicosity.

Varicoss *Cifarma, Braz.*
Coumarin (p.2288·2); troxerutin (p.2305·1).
Vascular disorders.

Varicylum N *Liebermann, Ger.*
Homoeopathic preparation.

Varicylum-S *Liebermann, Ger.*
Chamomile oil (p.2279·3); sage oil (p.2382·3); arnica (p.2260·2); aesculus (p.2248·2); hamamelis (p.2318·2).
Haemorrhoids; soft-tissue injury; vascular disorders.

Varidasa *Wyeth, Arg.†; Wyeth, Mex.; Wyeth Lederle, Port.†; Cantabria, Spain.*
Streptokinase (p.1402·3); streptodornase (p.2393·1).
Extravasation; inflammation; local removal of blood clots; oedema; tissue damage.

Varidase *Wyeth, Austral.†; Dermapharm, Austria; Meda, Denm.; Meda, Fin.; Riemser, Ger.; Wyeth, Irl.†; Wyeth Lederle, Ital.†; Meda, Norw.; Meda, Swed.; Wyeth, UK†.*
Streptokinase (p.1402·3); streptodornase (p.2393·1).
Bruising; burns; haematoma; inflammation; local removal of blood clots, fibrin, and purulent matter; oedema; skin ulcers; wounds.

Variderm *Profarm, Pol.*
Benzocaine (p.1854·1); menthol (p.2340·1); zinc oxide (p.1621·2).
Burns; pruritus; skin irritation.

Varidoid *General Drugs, Thai.*
A heparinoid (p.1305·2).
Haematoma; oedema; phlebitis; scars; sunburn; thrombosis; varicose veins.

Varidoxo *Varifarma, Arg.*
Doxorubicin (p.712·2).
Malignant neoplasms.

Varigestrol *Varifarma, Arg.*
Megestrol (p.2115·1).

Varigloban *Kreussler, Ger.†.*
Sodium iodide (p.2169·2); iodine (p.2169·2).
Haemorrhoids; varicose veins.

Variglobin *Globopharm, Switz.†.*
Sodium iodide (p.2169·2); iodine (p.2169·2).
Varicose veins.

Varihes *Fresenius Kabi, Austria; Fresenius Kabi, Switz.†; Eczacibasi-Baxter, Turk.*
⊗ Hetastarch (p.1065·1).
Fluid depletion; hypovolaemia; shock.

Varihesive *Convatec, Port.†.*
⊗ Carmellose sodium (p.2142·1); gelatin (p.1072·1); pectin (p.2145·2).
Skin ulcers; wounds.

Varikromo *Geyer, Braz.†.*
Glycerol (p.2314·2); chrome alum (p.2280·3).

Varilise *Ativus, Braz.*
Aesculus (p.2248·2).
Haemorrhoids; varices.

Varilrix *GSK, Arg.; GSK, Austral.; GSK, Austria; GSK, Belg.; GSK, Braz.†; GSK, Canad.; GSK, Chile; GSK, Cz.; GSK, Denm.; GSK, Fin.; GSK, Fr.; GSK, Ger.; GSK, Gr.; GSK, Hong Kong; GSK, Hung.; GSK, India; GSK, Indon.; GSK, Israel; GSK, Ital.; GSK, Malaysia; GSK, Mex.; GSK, NZ; GSK, Norw.; GSK, Philipp.; GSK, Pol.; GSK, Port.; GSK, S.Afr.; GSK, Singapore; GSK, Spain; GSK, Swed.; GSK, Switz.; GSK, Thai.; GSK, Turk.; GSK, UK; GSK, Venez.*
A live attenuated varicella-zoster vaccine (OKA strain) (p.2242·2).
Active immunisation.

Varimer *Varifarma, Arg.*
Mercaptopurine (p.744·1).
Malignant neoplasms.

Varimesna *Varifarma, Arg.*
Mesna (p.1449·2).

Varimine *Atral, Port.*
Multivitamin and mineral preparation (p.1922·1).

Varipan *Danene, S.Afr.*
Paracetamol (p.108·1).
Fever; pain.

Variplant *Knop, Chile.*
Homoeopathic preparation.

Variplex *Knop, Chile.*
Homoeopathic preparation.

Varipox *Zydus, India.*
A live attenuated varicella-zoster vaccine (OKA strain) (p.2242·2).
Active immunisation.

VariQuin *Sanquin, Neth.*
A varicella zoster immunoglobulin (p.2242·1).
Passive immunisation.

Varisedan *Monserrat, Arg.*
Rutoside (p.2305·1); garlic (p.2309·2).
Peripheral vascular disorders.

Varisedan Gel *Wierhom, Arg.*
Ivy (p.2328·1); bladderwrack (p.2384·2); camphor (p.2273·2); menthol (p.2340·1).
Venous insufficiency.

Varison
Note. This name is used for preparations of different composition.
Euro-Labor, Port.†; Grunenthal, Port.†.
Myrtillus (p.2349·3).
Haemorrhoids; metrorrhagia; venous insufficiency.

Grunenthal, Port.
Aesculus (p.2248·2).
Venous insufficiency.

Varitect *Biogam, Arg.; Biotest, Austria; Biotest, Cz.†; Biotest, Ger.; IFET (ΙΦΕΤ), Gr.; Biotest, Hong Kong; Intra Pharma, Irl.; Biotest, Israel; Biotest, Ital.; Biotest, Pol.; Boehringer Ingelheim, Port.; Biotest, Singapore; Biotest, Switz.; Biotest, Thai.; Rak, Turk.*
A varicella-zoster immunoglobulin (p.2242·1).
Passive immunisation.

Variton *Hormona, Mex.*
Diosmin (p.2304·2); hesperidin (p.2304·3).
Haemorrhoids; venous insufficiency.

Varivax *CSL, Austral.; MSD, Braz.†; Merck Frosst, Canad.; Sanofi Pasteur, Fr.; Sanofi Pasteur, Ger.; Vianex (Βιανεξ), Gr.; MSD, Hong Kong; Sanofi Pasteur, Irl.; Sanofi Pasteur, Ital.; MSD, Malaysia†; MSD, Mex.; MSD, NZ; Sanofi Pasteur, Port.; MSD, Singapore†; Sanofi Pasteur, Spain; Sanofi Pasteur, Switz.; Aventis Pasteur, UK; Merck, USA.*
A live, attenuated varicella-zoster vaccine (Oka/Merck strain) (p.2242·2).
Active immunisation.

VariZIG *Cangene, Canad.*
A varicella-zoster immunoglobulin (p.2242·1).
Passive immunisation.

Varizol
Note. This name is used for preparations of different composition.
Simoes, Braz.†.
Oral solution: Rutoside (p.2305·1); calcium pantothenate (p.1959·3); hamamelis (p.2318·2).
Haemorrhoids.

Simoes, Braz.†.
Topical gel: Rutoside (p.2305·1); panthenol (p.2362·1); aesculus (p.2248·2); hamamelis (p.2318·2); lidocaine (p.1862·3).
Haemorrhoids.

Varlane *Schering, Belg.†.*
⊗ Fluocortin butyl (p.1532·2).
Burns; skin disorders; stings.

Varlex *Arlex, Mex.*
Pravastatin (p.1375·1).
Hyperlipidaemias.

Varmec *Kleva, Gr.*
Fluconazole (p.532·1).
Fungal infections.

Varnoline *Organon, Fr.*
Desogestrel (p.2093·2); ethinylestradiol (p.2101·3).
28-Day packs also contain 7 inert tablets.
Combined oral contraceptive.

Varoc *Pyridam, Indon.*
Spiramycin (p.333·1).
Bacterial infections.

Varson *Almirall, Spain.*
Nicergoline (p.2352·1).
Vascular disorders.

Vartalan *Drugtech, Chile.*
Valsartan (p.1420·2).
Hypertension.

Vartalan D *Drugtech, Chile.*
⊗ Valsartan (p.1420·2); hydrochlorothiazide (p.1307·3).
Hypertension.

Vartalon
Note. This name is used for preparations of different composition.
Labinca, Arg.†.
Low-molecular-weight polypeptides; amino acids (p.1922·1).
Osteoarthritis.

Asofarma, Mex.
Glucosamine sulfate (p.2313·2).
Musculoskeletal and joint disorders.

Nolver, Venez.
Glucosamine (p.2313·2).
Osteoarthritis.

Vartalon Complemento *Sandoz, Arg.*
Glucosamine sulfate (p.2313·2).
Lidocaine hydrochloride (p.1862·3) is included in the injection to alleviate the pain of injection.
Joint disorders; osteoarthritis.

Vartalon Compositum *Asofarma, Mex.*
Glucosamine sulfate (p.2313·2); chondroitin sulfate sodium (p.2280·3).
Musculoskeletal, joint, and peri-articular disorders.

Vartalon Duo *Sandoz, Arg.*
Chondroitin sulfate sodium (p.2280·3); glucosamine sulfate (p.2313·2).
Joint disorders.

Vartalon K *Sandoz, Arg.*
Glucosamine sulfate potassium chloride (p.2313·2).
Musculoskeletal and joint disorders.

Vartelon *Christo, Hong Kong.*
Diclofenac sodium (p.44·3).
Inflammation; musculoskeletal, joint, and peri-articular disorders; pain.

Vartelon-B *Christo, Hong Kong.*
Diclofenac sodium (p.44·3); vitamin B ; vitamin B ; vitamin B (p.1922·1).
Inflammation; musculoskeletal and joint disorders; pain.

Vas
Note. A similar name is used for preparations of different composition (see below).
Geymonat, Ital.
Suleparoid (p.1406·3).
Thrombosis prophylaxis.

V-AS
Note. A similar name is used for preparations of different composition (see above).
Medicine Products, Thai.
Aspirin (p.20·3).
Fever; osteoarthritis; pain; rheumatoid arthritis.

Vasactife *Ferring, Port.*
Ginkgo biloba (p.2311·1).
Vascular disorders.

Vasactin *Ebewe, Austria.*
Calcium dobesilate (p.2272·1).
Capillary disorders; venous insufficiency.

Vasa-Gastreu N R63 *Reckeweg, Ger.*
Homoeopathic preparation.

Vasalen *Millimed, Thai.*
Diclofenac sodium (p.44·3).
Biliary colic; gout; inflammation; musculoskeletal, joint, peri-articular, and soft-tissue disorders; pain; renal colic.

Vasalgin *Extractum, Hung.*
Proxibarbal (p.1022·1).
Headache; migraine; Raynaud's syndrome.

Vasaprostan *Schwarz, Rus.*
Alprostadil alfadex (p.2183·3).
Arterial occlusion.

Vasaten *Leti, Venez.*
Valsartan (p.1420·2).
Hypertension.

Vasaten HCT *Leti, Venez.*
⊗ Valsartan (p.1420·2); hydrochlorothiazide (p.1307·3).
Hypertension.

Vascace *Roche, Irl.; Roche, Israel; Roche, Philipp.; Roche, UK.*
Cilazapril (p.1244·3).
Heart failure; hypertension.

Vascace Plus *Roche, Israel; Roche, Philipp.*
⊗ Cilazapril (p.1244·3); hydrochlorothiazide (p.1307·3).
Hypertension.

Vascal
Note. This name is used for preparations of different composition.
Viatris, Austria.
Carbasalate calcium (p.33·3).
Thromboembolism prophylaxis.

Schwarz, Ger.
Isradipine (p.1319·2).
Hypertension.

Vascalpha *Alpharma, UK.*
Felodipine (p.1285·3).
Hypertension.

Vascard *Adcock Ingram, S.Afr.*
Nifedipine (p.1350·1).
Angina pectoris; hypertension.

Vascardin *Nicholas, Indon.*
Isosorbide dinitrate (p.1317·3).
Angina pectoris; heart failure; myocardial infarction.

Vascase *Roche, Braz.; Roche, Gr.; Roche, Neth.; Pfizer, Port.*
Cilazapril (p.1244·3).
Heart failure; hypertension.

Vascase Plus *Roche, Braz.; Roche, Gr.; Pfizer, Port.*
⊗ Cilazapril (p.1244·3); hydrochlorothiazide (p.1307·3).
Hypertension.

Vascer *Uniao Quimica, Braz.*
Pentoxifylline (p.1367·2).
Hypertension.

Vascin *Helm, Port.*
Azithromycin (p.207·1).
Bacterial infections.

Vasclin *Libbs, Braz.*
Aspirin (p.20·3); isosorbide mononitrate (p.1318·3).
Angina pectoris; myocardial infarction; unstable angina.

Vascocitrol *Aerocid, Fr.*
Citroflavonoids (p.2304·1); ascorbic acid (p.1983·3); light magnesium carbonate (p.1743·1).
Venous insufficiency.

Vascodin *Help, Gr.*
Amlodipine (p.1214·2).
Angina pectoris; hypertension.

Vascoman *Takeda, Ital.*
Manidipine hydrochloride (p.1330·2).
Hypertension.

Vascon *Fahrenheit, Indon.*
⊗ Noradrenaline acid tartrate (p.1360·1).
Cardiac arrest; hypotension.

Vascopan *Strand, Malaysia†.*
Hyoscine butylbromide (p.1734·1).
Smooth muscle spasm.

Vascor
Note. This name is used for preparations of different composition.
CCM, Malaysia; Upha, Singapore†; Biolab, Thai.
Simvastatin (p.1390·2).
Atherosclerosis; cardiovascular risk reduction; hypercholesterolaemia; hyperlipidaemias.

Therapharma, Philipp.
Imidapril hydrochloride (p.1313·3).
Hypertension.

† This preparation may no longer be actively marketed

⊗ Contains a substance whose use may be restricted in certain sports (see p.vii)

Ortho McNeil, USA†.
Bepridil hydrochloride (p.1225·1).
Angina pectoris.

Vascord *Neckerman, Braz.†.*
Verapamil hydrochloride (p.1421·1).
Angina pectoris; arrhythmias; hypertension.

Vascoride *Therapharma, Philipp.*
⊗ Imidapril hydrochloride (p.1313·3); hydrochlorothiazide (p.1307·3).
Hypertension.

Vascorim *Vida, Port.*
Simvastatin (p.1390·2).
Cardiovascular risk reduction; hypercholesterolaemia.

Vascoten *Medochemie, Hong Kong; Medochemie, Malaysia; Medochemie, Singapore; Medochemie, Thai.*
⊗ Atenolol (p.1217·3).
Angina pectoris; arrhythmias; hypertension; myocardial infarction.

Vasculat *Boehringer Ingelheim, Braz.*
Bamethan sulfate (p.1222·3).
Peripheral vascular disorders.

Vasculene *Finmedical, Ital.*
Flunarizine hydrochloride (p.580·2).
Migraine.

Vasculin *Biolab, Malaysia†; Biolab, Thai.*
Codergocrine mesilate (p.363·3).
Mental function impairment.

Vasculoflex *Baliarda, Arg.†.*
Flunarizine (p.580·3).
Migraine.

Vascunormyl *Alcon, Fr.†.*
Cyclandelate (p.1254·1).
Intermittent claudication; vascular eye disorders.

Vascuprax *Ikapharmindo, Indon.; Lipha, Indon.*
Naftidrofuryl oxalate (p.1346·2).
Cerebral and peripheral vascular disorders.

Vasdalat *Hexpharm, Indon.; Kalbe, Singapore†.*
Nifedipine (p.1350·1).
Angina pectoris; hypertension.

Vasdilat *Marvecs, Ital.*
Isosorbide mononitrate (p.1318·3).
Ischaemic heart disease.

Vaselastic *Recalcine, Chile†.*
Buflomedil hydrochloride (p.1236·3).
Cerebral and peripheral vascular disorders; vestibular disorders.

Vaselatum *Stiefel, Spain.*
Liquid paraffin (p.2030·3); benzalkonium chloride (p.1629·1); triclosan (p.1665·2).
Eczema.

Vaselina *Catarinense, Braz.*
White soft paraffin (p.2031·2).

Vaselina Boricada *Orravan, Spain.*
Boric acid (p.2268·1); white soft paraffin (p.2031·2).
Skin disorders; urethral or rectal lubricant.

Vaselina Mentolada *Puerto Galiano, Spain†.*
White soft paraffin (p.2031·2); menthol (p.2340·1).
Skin disorders; urethral or rectal lubricant.

Vaseline *Unilever, Canad.; Lever, UK.*
White soft paraffin (p.2031·2).
Barrier preparation; minor skin disorders.

Vaseline Borique *Ni-The, Gr.*
White soft paraffin (p.2031·2); boric acid (p.2268·1).

Vaseline Gomenolee *Gomenol, Fr.*
Niaouli oil (p.2351·3); white soft paraffin.
Nasal disoreders.

Vaseline Intensive Care
Note. This name is used for preparations of different composition.
Chesebrough-Pond's, USA.
SPF 15; SPF 8; SPF4: Octinoxate (p.1608·2); oxybenzone (p.1608·3).
Sunscreen.

Chesebrough-Pond's, USA.
SPF 25: Octinoxate (p.1608·2); oxybenzone (p.1608·3); octisalate (p.1608·2).
Sunscreen.

Chesebrough-Pond's, USA.
SPF 30: Octinoxate (p.1608·2); oxybenzone (p.1608·3); octisalate (p.1608·2); titanium dioxide (p.1617·3).
Sunscreen.

Vaseline Intensive Care Active Sport *Chesebrough-Pond's, USA.*
SPF 15; SPF 8: Octinoxate (p.1608·2); oxybenzone (p.1608·3).
Sunscreen.

Vaseline Intensive Care Baby
Note. This name is used for preparations of different composition.
Chesebrough-Pond's, USA.
SPF 15: Titanium dioxide (p.1617·3); zinc oxide (p.1621·2).
Sunscreen.

Chesebrough-Pond's, USA.
SPF 30+: Octinoxate (p.1608·2); oxybenzone (p.1608·3); octisalate (p.1608·2); titanium dioxide (p.1617·3).
Sunscreen.

Vaseline Intensive Care Blockout *Chesebrough-Pond's, USA.*
SPF 40: Padimate (p.1609·1); octinoxate (p.1608·2); oxybenzone (p.1608·3); octisalate (p.1608·2); titanium dioxide (p.1617·3).
Sunscreen.

Vaseline Intensive Care No Burn No Bite *Chesebrough-Pond's, USA.*
SPF 15; SPF 8: Octinoxate (p.1608·2); oxybenzone (p.1608·3).
Sunscreen.

Vaseline Intensive Care-Total Care *Unilever, Canad.†.*
SPF 15: Octinoxate (p.1608·2); oxybenzone (p.1608·3).
Sunscreen.

Vaseline Lip Therapy *Unilever, Canad.†.*
SPF 15: Octinoxate (p.1608·2); oxybenzone (p.1608·3); white soft paraffin.
Sunscreen.

Vaseline Oxyde Zinc *Ni-The, Gr.*
White soft paraffin (p.2031·2); zinc oxide (p.1621·2).

Vaseline Pur *Ni-The, Gr.*
White soft paraffin (p.2031·2).

Vaselitulle *Solvay, Fr.*
White soft paraffin (p.2031·2).
Burns; ulcers; wounds.

Vaselpin *Faran, Gr.*
Roxithromycin (p.331·1).
Bacterial infections.

Vaseretic *Merck Frosst, Canad.; Biovail, USA.*
⊗ Enalapril maleate (p.1276·1); hydrochlorothiazide (p.1307·3).
Hypertension.

Vasexten
Note. This name is used for preparations of different composition.
Bernabo, Arg.
Olmesartan medoxomil (p.1361·1).
Hypertension.

Solvay, Belg.; Astellas, Cz.; Astellas, Gr.; Italfarmaco, Ital.; Astellas, Neth.; Astellas, Port.
Barnidipine hydrochloride (p.1222·3).
Hypertension.

Vasian *Asian Pharm, Thai.*
Codergocrine mesilate (p.363·3).
Mental function disorders.

Vasican *DHA, Hong Kong; DHA, Malaysia; DHA, Singapore.*
Bromhexine hydrochloride (p.1552·2).
Respiratory-tract disorders associated with increased or viscous mucus.

Vasilip *KRKA, Cz.; KRKA, Hong Kong; EGIS, Hung.; KRKA, Pol.; KRKA, Rus.*
Simvastatin (p.1390·2).
Cardiovascular risk reduction; hypercholesterolaemia.

Vasilium *BioSaude, Port.*
Flunarizine hydrochloride (p.580·2).
Migraine; vertigo.

Vaslip *Biolab Sanus, Braz.*
Simvastatin (p.1390·2).
Hyperlipidaemias.

Vasmulax *Integrated Pharmaceutical, Philipp.*
Diltiazem hydrochloride (p.1265·1).
Angina pectoris; hypertension.

Vaso Rimal *Rimafar, Spain†.*
Trimetazidine hydrochloride (p.1419·2).
Angina pectoris; neurosensorial ischaemia.

Vasobion *Merck, Mex.*
Pyridoxine hydrochloride; cyanocobalamin; folic acid (p.1922·1).
Vitamin deficiency.

Vasobrain *Errekappa, Ital.*
Phospholipids; vitamin E; ginkgo biloba (p.2311·1) (p.1922·1).
Mental function disorders.

Vasobrain Plus *Errekappa, Ital.*
Papaya; thioctic acid; ginkgo biloba (p.2311·1); vitamins (p.1922·1).
Mental function impairment; tonic.

Vasobral *Chiesi, Fr.; Chiesi, Hong Kong; Geymonat, Ital.†; Chiesi, Rus.*
Dihydroergocryptine mesilate (p.364·2); caffeine (p.1116·3).
Cerebral and peripheral vascular disorders; headache; mental function impairment; migraine; Raynaud's syndrome; vestibular disorders.

Vasocard *Abfar, Turk.*
Amlodipine besilate (p.1214·1).
Angina pectoris; hypertension.

Vasocardin *Zentiva, Cz.; Zentiva, Rus.*
⊗ Metoprolol tartrate (p.1338·1).
Angina pectoris; arrhythmias; hypertension; hyperthyroidism; migraine; myocardial infarction.

Vasocardol *Aventis, Austral.*
Diltiazem hydrochloride (p.1265·1).
Angina pectoris; hypertension.

Vasocedine *Qualiphar, Belg.*
⊗ Naphazoline nitrate (p.1565·2).
Nasal congestion.

Vasocedine Pseudoephedrine *Qualiphar, Belg.*
Pseudoephedrine hydrochloride (p.1571·2).
Rhinitis.

Vasocidin *Novartis Ophthalmics, Canad.†; Novartis, USA.*
⊗ Prednisolone sodium phosphate (p.1541·2); sulfacetamide sodium (p.335·3).
Eye inflammation with bacterial infection.

Vasocine *Novartis Ophthalmics, USA.*
⊗ Prednisolone acetate (p.1541·1); sulfacetamide sodium (p.335·3).
Infected eye disorders.

VasoClear *Novartis Ophthalmics, USA†.*
⊗ Naphazoline hydrochloride (p.1565·2); polyvinyl alcohol (p.2145·3).
Minor eye irritation.

VasoClear A *Novartis Ophthalmics, USA.*
⊗ Naphazoline hydrochloride (p.1565·2); zinc sulfate (p.1999·2).
Eye irritation.

Vasocon *Novartis Ophthalmics, Canad.†; Ciba Vision, USA†.*
⊗ Naphazoline hydrochloride (p.1565·2).
Eye irritation.

Vasocon-A *Novartis Ophthalmics, Canad.†; Novartis Ophthalmics, USA.*
⊗ Naphazoline hydrochloride (p.1565·2); antazoline phosphate (p.567·1).
Eye irritation.

Vasoconstrictor Pensa *Pensa, Spain.*
⊗ Naphazoline hydrochloride (p.1565·2).
Nasal congestion.

Vasocor
Note. This name is used for preparations of different composition.
Azevedos, Port.†.
Quinapril hydrochloride (p.1382·2).
Heart failure; hypertension.

Medika, Switz.
Enalapril maleate (p.1276·1).
Heart failure; hypertension; left ventricular dysfunction.

Vasodexa *Llorens, Spain.*
⊗ Dexamethasone phosphate (p.1526·2); tetryzoline hydrochloride (p.1574·1).
Inflammatory eye disorders.

Vasodil *Altana, Mex.*
Ginkgo biloba (p.2311·1).
Cerebral, ocular, and peripheral vascular disorders.

Vasodilan *Apothecon, USA.*
Isoxsuprine hydrochloride (p.2327·3).
Cerebrovascular disorders; peripheral vascular disorders.

Vasodin *Teofarma, Ital.*
Nicardipine hydrochloride (p.1348·1).
Angina pectoris; heart failure; hypertension.

Vasodip *Dexcel, Israel.*
Lercanidipine hydrochloride (p.1324·2).
Hypertension.

Vasodipin *Merck, Port.*
⊗ Indapamide (p.1314·1).
Hypertension.

Vasodipina *Neo Quimica, Braz.*
Nimodipine (p.1357·2).
Neurological deficit following subarachnoid haemorrhage.

Vasodual *Janssen-Cilag, Arg.†.*
Calcium dobesilate (p.2272·1); cinnarizine (p.573·1).
Vascular disorders.

Vaso-E-Bion *Rodisma, Ger.*
Troxerutin (p.2305·1); *dl*-alpha tocoferil acetate (p.1992·3).
Vascular disorders.

Vasofed *Antigen, Irl.†.*
Nifedipine (p.1350·1).
Angina pectoris; hypertension.

Vasofen *Tubilux, Ital.*
Chloramphenicol sodium hemisuccinate (p.240·1); phenylephrine (p.1568·1); mepyramine maleate (p.585·2).
Eye disorders.

Vasoflex *Bago, Chile†.*
Nimodipine (p.1357·2).
Cerebral ischaemia.

Vasoforte N *Krugmann, Ger.†.*
Aesculus (p.2248·2).
Venous insufficiency.

Vasofrinic *Trianon, Canad.*
Chlorphenamine maleate (p.571·3); pseudoephedrine hydrochloride (p.1571·2).
Respiratory congestion.

Vasofrinic DH *Trianon, Canad.*
Chlorphenamine maleate (p.571·3); hydrocodone tartrate (p.63·1); pseudoephedrine hydrochloride (p.1571·2).

Vasofrinic Plus *Trianon, Canad.*
Dextromethorphan hydrobromide (p.1555·2); guaifenesin (p.1561·3); chlorphenamine maleate (p.571·3); pseudoephedrine hydrochloride (p.1571·2).
Coughs; respiratory congestion.

Vasofyl *Ivax, Mex.*
Pentoxifylline (p.1367·2).
Cerebral, ocular, and peripheral vascular disorders.

Vasogard *Biosintetica, Braz.*
Cilostazol (p.1245·2).
Cerebral and peripheral vascular disorders.

Vasogen *Forest, Irl.; Forest Laboratories, UK.*
Dimeticone (p.2032·1); zinc oxide (p.1621·2); calamine (p.1591·2).
Barrier cream; nappy rash.

Vasojet *Uniao Quimica, Braz.*
Lisinopril (p.1325·2).
Hypertension.

Vasokor *Medikon, Indon.*
Dipyridamole (p.1268·1).
Angina pectoris; myocardial infarction; thromboembolic disorders.

Vasolan *Dexxon, Israel†.*
Isoxsuprine hydrochloride (p.2327·3).
Intermittent claudication; thromboangitis obliterans.

Vasolapril *Deva, Turk.*
Enalapril maleate (p.1276·1).
Heart failure; hypertension.

Vasolat *Prater, Chile†.*
Enalapril maleate (p.1276·1).
Hypertension.

Vasolipid *Braun, Fin.; Braun, Norw.; Braun, Swed.*
Soya oil (p.1965·3); medium-chain triglycerides (p.1956·3).
Contains egg lecithin.
Lipid infusion for parenteral nutrition.

Vasomed *Chemopharma, Chile.*
Simvastatin (p.1390·2).
Hypercholesterolaemia.

Vasomil *Pharmacare, S.Afr.*
Verapamil hydrochloride (p.1421·1).
Angina pectoris; arrhythmias.

Vasomine *Teuto, Braz.†.*
Dopamine hydrochloride (p.1273·2).

Vasomotal *Solvay, Ger.*
Betahistine hydrochloride (p.2265·1).
Ménière's disease.

Vason *Sandoz, Indon.*
⊗ Betamethasone valerate (p.1519·1).
Skin disorders.

Vasonase *Astellas, Spain.*
Nicardipine hydrochloride (p.1348·1).
Angina pectoris; cerebrovascular disorders; hypertension.

Vasonett *INTES, Ital.†.*
Vincamine (p.2414·1).
Cerebrovascular insufficiency.

Vasonit *Lannacher, Austria; Lannacher, Cz.; Lannacher, Rus.*
Pentoxifylline (p.1367·2).
Cerebral and peripheral vascular disorders; hearing loss; vascular eye disorders.

Vasoplan *Nevzat, Turk.*
Pentoxifylline (p.1367·2).
Vascular disorders.

Vasoplant *Leti, Venez.*
Aesculus (p.2248·2).

Vasopos N *Ursapharm, Cz.; Ursapharm, Ger.*
⊗ Tetryzoline hydrochloride (p.1574·1).
Eye disorders.

Vasopren *Sopharma, Rus.†.*
Enalapril (p.1276·1).
Heart failure; hypertension.

Vasopress *Richter, Philipp.*
Enalapril maleate (p.1276·1).
Heart failure; hypertension.

Vasopril
Note. This name is used for preparations of different composition.
Indeco, Arg.; Biolab Sanus, Braz.
Enalapril maleate (p.1276·1).
Hypertension.

BMS, Israel†.
Fosinopril sodium (p.1291·3).
Heart failure; hypertension.

Vasopril Plus
Note. This name is used for preparations of different composition.
Biolab Sanus, Braz.
⊗ Enalapril maleate (p.1276·1); hydrochlorothiazide (p.1307·3).
Hypertension.

BMS, Israel†.
⊗ Fosinopril sodium (p.1291·3); hydrochlorothiazide (p.1307·3).
Hypertension.

Vasoprost *Esteve, Port.*
Alprostadil alfadex (p.2183·3).
Peripheral vascular disease.

Vasopt *Bausch & Lomb, Ital.*
Ginkgo biloba (p.2311·1); vitamin E acetate (p.1992·3); minerals (p.1922·1).
Vascular disorders of the eye.

Vasorbate *Arcana, Austria.*
Isosorbide dinitrate (p.1317·3).
Angina pectoris; heart failure; myocardial infarction.

Vasorema *Inverni della Beffa, Ital.†.*
Suleparoid (p.1406·3).
Thrombosis prophylaxis.

Vasoretic *MSD, Ital.*
⊗ Enalapril maleate (p.1276·1); hydrochlorothiazide (p.1307·3).
Hypertension.

Vasorinil *Euroderm OTC, Ital.*
⊗ Tetryzoline hydrochloride (p.1574·1).
Nasal congestion.

Vasosan *Felgentrager, Cz.†; Felgentrager, Ger.; Felgentrager, Pol.*
Colestyramine (p.1252·3).
Cholestasis-associated pruritus; cholegenic diarrhoea; hypercholesterolaemia.

Vasoserc *Mecom, Turk.*
Betahistine hydrochloride (p.2265·1).
Ménière's disease.

Vasostad *Stada, Philipp.*
Captopril (p.1239·2).
Diabetic nephropathy; heart failure; hypertension; myocardial infarction.

Vasosterone *Angelini, Ital.*
⊗ Hydrocortisone (p.1535·2); tetryzoline hydrochloride (p.1574·1).
Nasal congestion.

Vasosterone Antibiotico *Angelini, Ital.*
⊗ Hydrocortisone acetate (p.1535·2); tetryzoline hydrochloride (p.1574·1); neomycin sulfate (p.305·1); gramicidin (p.286·1).
Rhinitis.

Vasosterone Collirio *Angelini, Ital.*
⊗ Hydrocortisone acetate (p.1535·2); tetryzoline hydrochloride (p.1574·1); neomycin sulfate (p.305·1).
Eye disorders.

Vasosterone Oto *Angelini, Ital.*
⊗ Flumetasone pivalate (p.1531·1); gentamicin sulfate (p.282·1).
Otitis externa.

Vasosulf *Ciba Vision, USA.*
Sulfacetamide sodium (p.335·3); phenylephrine hydrochloride (p.1568·1).
Eye infections.

Vasosuprina Ilfi *Lusofarmaco, Ital.*
Isoxsuprine hydrochloride (p.2327·3).
Premature labour; threatened miscarriage.

Vasotec
Merck Frosst, Canad.
Enalapril maleate (p.1276·1) or enalaprilat (p.1276·2).
Heart failure; hypertension.
Biovail, USA.
Enalapril maleate (p.1276·1).
Heart failure; hypertension.

Vasotenal *Roemmers, Arg.; Pharma Investi, Chile; Roemmers, Venez.*
Simvastatin (p.1390·2).
Atherosclerosis; cardiovascular risk reduction; hypercholesterolaemia.

Vasotenal EZ *Roemmers, Arg.*
Simvastatin (p.1390·2); ezetimibe (p.1284·3).
Hypercholesterolaemia.

Vasotin *Metiska, Indon.*
Dipyridamole (p.1268·1).
Angina pectoris; thrombosis prophylaxis.

Vasoton *Ariston, Braz.*
Verapamil hydrochloride (p.1421·1).
Arrhythmias; hypertension.

Vasotonal *Amnol, Ital.*
Aescin; caffeine; ruscus; centella; arnica; hedera; capsicum; ginkgo biloba; menthol.
Skin disorders.

Vasotonin
Note. This name is used for preparations of different composition.
Merz, Ger.†.
Capsules: Aesculus (p.2248·2).
Haemorrhoids; vascular disorders.
Merz, Ger.†.
Topical gel: Arnica (p.2260·2).
Musculoskeletal, joint, and soft-tissue disorders; superficial thrombophlebitis.

Vasotop *Cipla, India.*
Nimodipine (p.1357·2).
Prevention of neurological deficits following subarachnoid haemorrhage.

Vasotrate *Torrent, Singapore.*
Isosorbide mononitrate (p.1318·3).
Angina pectoris.

Vasovist *Bayer Schering, Cz.; Schering, Gr.; Bayer Schering, Hung.; Schering, Neth.; Schering, Port.; Schering, UK.*
Gadofosveset trisodium (p.1479·2).
Contrast medium for magnetic resonance angiography.

Vasovitol *Lannacher, Austria.*
Vitamin A palmitate (p.1973·1); alpha tocoferil acetate (p.1992·3).
Vitamin A and E deficiency.

Vasoxen *Ulagay, Turk.*
⊗ Nebivolol (p.1347·1).
Hypertension.

Vasoxine *Wellcome, Irl.†.*
⊗ Methoxamine hydrochloride (p.1333·3).
Hypotension.

Vaspit *Asche, Ger.†; Intendis, Ital.; Intendis, Spain.*
⊗ Fluocortin butyl (p.1532·2).
Burns; insect stings; skin disorders.

Vassor *Gerolymatos, Gr.*
Simvastatin (p.1390·2).
Hyperlipidaemias.

Vastamox *Danlex, Philipp.*
Amoxicillin trihydrate (p.202·2).
Bacterial infections.

Vastan *ICN, Pol.; Meyer, Venez.*
Simvastatin (p.1390·2).
Cardiovascular risk reduction; hypercholesterolaemia.

Vastarel *Servier, Arg.; Servier, Austria; Servier, Braz.; Grunenthal, Chile; Servier, Denm.; Biopharma, Fr.; Servier, Gr.; Servier, Hong Kong; Servier, Irl.; Stroder, Ital.; Servier, Malaysia; Servier, Philipp.; Servier, Port.; Servier, Singapore; Servier, Thai.; Servier, Turk.; Servier, Venez.*
Trimetazidine hydrochloride (p.1419·2).
Angina pectoris; ischaemic heart disease; Ménière's disease; neurosensorial ischaemia; peripheral vascular disorders; tinnitus; vascular eye disorders; vertigo; vestibular disorders.

Vastat *Pensa, Spain.*
Mirtazapine (p.409·2).
Depression.

Vastatifix *Tiefenbacher, Neth.*
Pravastatin sodium (p.1374·3).
Hyperlipidaemias; reduction of cardiovascular risk.

Vastatil *Cifarma, Braz.*
Simvastatin (p.1390·2).
Hypercholesterolaemia.

Vastatin *Vocate, Gr.*
Simvastatin (p.1390·2).
Hyperlipidaemias.

Vastazor *Vocate, Gr.*
Atorvastatin (p.1219·1).
Hyperlipidaemias.

Vastecel *Medix, Mex.*
Aspirin (p.20·3).

Vasten *Sanofi-Aventis, Fr.*
Pravastatin sodium (p.1374·3).
Atherosclerosis; hypercholesterolaemia.

Vastensium *Salvat, Spain.*
Nitrendipine (p.1358·2).
Hypertension.

Vastigo *Dexa, Indon.*
Betahistine mesilate (p.2265·1).
Ménière's disease; vertigo.

Vastil *Pharmanel, Gr.*
Pravastatin (p.1375·1).
Hyperlipidaemias.

Vastilan *Aldril, Philipp.*
Simvastatin (p.1390·2).
Hyperlipidaemias; ischaemic heart disease.

Vastin *AstraZeneca, Austral.*
Fluvastatin sodium (p.1290·2).
Hypercholesterolaemia.

Vastina *Penn, Arg.*
Atorvastatin (p.1219·1).
Hypercholesterolaemia.

Vastinol *TO-Chemicals, Thai.*
Trimetazidine hydrochloride (p.1419·2).
Ischaemic heart disease.

Vaston *Medis, Cz.*
Atorvastatin calcium (p.1218·3).
Hypercholesterolaemia.

Vastribil *Farmasan, Ger.†.*
Troxerutin (p.2305·1).
Vascular disorders.

Vastripine *Medinova (Μεντινοβα), Gr.*
Nimodipine (p.1357·2).
Neurological deficit following subarachnoid haemorrhage.

Vastus
Note. This name is used for preparations of different composition.
Sandoz, Arg.
Albendazole (p.139·2).
Worm infections.
Tecnofarma, Chile.
⊗ Finasteride (p.2188·3).
Benign prostatic hyperplasia.

Vasylox *Douglas, Austral.†.*
⊗ Oxymetazoline hydrochloride (p.1567·2); cineole (p.2282·3); menthol (p.2340·1).
Nasal congestion.

Vatacil *Elin, Philipp.*
Ampicillin sodium (p.204·1).
Bacterial infections.

Vatanal *Farmo Quimica, Chile.*
Cod-liver oil (p.1935·2); a macrogol lauril ether (p.1916·1); chlorocarvacrol (p.1639·3).
Anorectal disorders.

Va-t'en *Melisana, Switz.*
Aspirin (p.20·3); lactic acid (p.2329·3).
Calluses.

Vatran *Valeas, Ital.*
Diazepam (p.986·3).
Anxiety; eclampsia; epilepsy; premedication; psychosomatic disorders; skeletal muscle spasm.

Vatrem *Kener, Mex.*
Piroxicam (p.117·3).

Vavifor *Medifarma, Mex.†.*
Vitamin B substances; minerals (p.1922·1).
Dietary supplement.

Vaxem Hib *Chiron Vaccines, Ital.; Fustery, Mex.†; Chiron Vaccines, Philipp.; Chiron, Thai.*
A haemophilus influenzae conjugate vaccine (diphtheria protein conjugate) (p.2213·2).
Active immunisation.

Vaxicum NA *Worwag, Ger.†.*
Camphor oil (p.2273·3); rosemary oil (p.2381·3).
Musculoskeletal, joint, peri-articular, and soft-tissue disorders; neuralgia.

Vaxigrip *Sanofi Pasteur, Arg.; Aventis Pasteur, Austral.; Aventis Pasteur, Austria; Sanofi Pasteur, Belg.; Aventis Pasteur, Braz.†; Sanofi Pasteur, Canad.; Sanofi Pasteur, Chile; Sanofi Pasteur, Cz.; Sanofi Pasteur, Denm.; Sanofi Pasteur, Fin.; Aventis Pasteur, Fr.†; Vianex (Βιανεξ), Gr.; Sanofi Pasteur, Hong Kong; Sanofi Pasteur, Hung.; Sanofi Pasteur, Indon.; Aventis Pasteur, Israel; Sanofi Pasteur, Ital.; Sanofi Pasteur, Malaysia; MSD, NZ; Sanofi Pasteur, Neth.; Sanofi Pasteur, Norw.; Aventis Pasteur, Philipp.; Aventis Pasteur, Pol.; Sanofi Pasteur, Port.; Aventis, S.Afr.; Sanofi Pasteur, Singapore; Sanofi Pasteur, Swed.; Sanofi Pasteur, Thai.; Aventis Pasteur, Turk.*
An inactivated influenza vaccine (split virion) (p.2218·2).
Active immunisation.

Vaxim HIB *Aventis, India.*
A haemophilus influenzae conjugate vaccine (p.2213·2).
Active immunisation.

Vaxipar *Chiron Vaccines, Ital.†.*
A mumps vaccine (Urabe strain) (p.2225·1).
Active immunisation.

Vaxitiol *Bouty, Ital.*
Lactobacillus sporogenes (p.2372·3); *Lactobacillus acidophilus* (p.2372·3); *Streptococcus thermophilus* (p.2372·3); *Bifidobacterium bifidum* (p.2372·3); vitamins; minerals (p.1922·1).
Maintenance of normal gastrointestinal flora.

Vaxman *Tolmann, Philipp.*
Amoxicillin (p.202·2).
Bacterial infections.

Vaxolem *Lemery, Mex.*
Pentoxifylline (p.1367·2).

Vaxosin *Norton, Pol.*
Doxazosin mesilate (p.1275·1).
Hypertension.

Vazaprostan *Schwarz, Rus.*
Alprostadil alfadex (p.2183·3).

Vazigam *NBI, S.Afr.*
A varicella-zoster immunoglobulin (p.2242·1).
Passive immunisation.

Vazim *Sandoz, Indon.*
Simvastatin (p.1390·2).
Hypercholesterolaemia.

Vazkor *Deva, Turk.*
Amlodipine besilate (p.1214·1).
Angina pectoris; hypertension.

VaZol-D *WraSer, USA.*
Phenylephrine hydrochloride (p.1568·1); brompheniramine maleate (p.569·2).
Upper respiratory-tract disorders.

Vazosin *Biotenk, Arg.*
Doxazosin (p.1275·2).
Benign prostatic hyperplasia; hypertension.

Vazotab *WraSer, USA.*
Brompheniramine maleate (p.569·2); phenylephrine hydrochloride (p.1568·1).
Upper respiratory-tract disorders.

Vazotan *WraSer, USA.*
Phenylephrine hydrochloride (p.1568·1); brompheniramine maleate (p.569·2); pentoxyverine citrate (p.1567·3).
Upper respiratory-tract disorders.

Vazotuss HC *WraSer, USA.*
Hydrocodone tannate (p.63·2); brompheniramine tannate (p.569·3); phenylephrine tannate (p.1568·3).
Upper respiratory-tract disorders.

Vazy *Sigma, Braz.*
⊗ Sibutramine hydrochloride (p.2163·2).
Obesity.

V-Bloc *Kalbe, Indon.*
⊗ Carvedilol (p.1241·3).
Heart failure; hypertension.

Vcanalare *Vebas, Ital.†.*
Orthophenylphenol (p.1655·1).
Root canal disinfection.

VCF *Apothecus, Canad.; Silesia, Chile†; Apothecus, USA.*
Nonoxinol 9 (p.1917·2).
Contraceptive.

V-Crima *Vitamed, Israel.*
Povidone (p.2146·1); hyetellose (p.2143·3).
Formerly contained povidone and hypromellose.
Dry eyes.

V-D-Bone *Verisfield, Gr.*
Alfacalcidol (p.1986·1).
Vitamin D deficiency.

V-Dec-M *Seatrace, USA.*
Pseudoephedrine hydrochloride (p.1571·2); guaifenesin (p.1561·3).
Coughs.

Ve *Tecnifar, Port.*
Vitamin E (p.1992·2).
Vitamin E supplement.

Vecasten *Marjan, Braz.*
Melilot (p.2339·2).
Venous insufficiency.

Veclam *Malesci, Ital.*
Clarithromycin (p.248·2).
Bacterial infections.

Vecredil *Jagson, India.*
Ethacridine lactate (p.1625·1).
Termination of pregnancy.

Vectarion *Servier, Belg.†; Servier, Braz.; Servier, Denm.; Eutherapie, Fr.; Servier, Irl.; Servier, Port.; Servier, Spain.*
Almitrine dimesilate (p.2149·3).
Obstructive airways disease; respiratory depression; respiratory failure.

Vectavir *Novartis Consumer, Austral.; Novartis, Austria; Novartis Consumer, Belg.; Novartis, Braz.; Novartis, Cz.; Novartis, Denm.; Novartis, Fin.; Novartis Consumer, Ger.†; GSK, Gr.; Novartis, Hong Kong†; Novartis, Hung.†; Novartis Consumer, Israel†; Novartis, Ital.; Novartis, NZ†; Novartis Consumer, Neth.; Novartis, Norw.; Novartis Consumer, Spain; Novartis, Swed.; Novartis, Turk.; Novartis Consumer, UK.*
Penciclovir (p.901·2).
Herpes labialis.

Vectibix *Amgen, Cz.; Amgen, Port.; Amgen, UK; Amgen, USA.*
Panitumumab (p.761·1).
Colorectal cancer.

Vectidan *Bago, Chile†.*
Nicotinic acid (p.1957·3).
Peripheral vascular disorders; skin ulcers.

Vectocilina *Panalab, Arg.*
Azithromycin (p.207·1).
Bacterial infections.

Vectra-P *Cipla, India†.*
Valdecoxib (p.132·3); paracetamol (p.108·1).
Pain.

Vectrine *Pharma 2000, Fr.; Dexa, Indon.*
Erdosteine (p.1560·1).
Respiratory-tract congestion.

Vectrum Calcium *Akrikhin, Rus.*
Colecalciferol (p.1986·2); phytomenadione (p.1995·3); ascorbic acid (p.1983·3); pyridoxine hydrochloride (p.1978·2); calcium carbonate (p.1714·1).
Calcium and vitamin deficiency; osteoporosis.

Vecural *Richmond, Arg.*
Vecuronium bromide (p.1913·1).
Competitive neuromuscular blocker.

Vecuron *Scott-Cassara, Arg.; Cristalia, Braz.; Pharmakin Korea, Venez.*
Vecuronium bromide (p.1913·1).
Competitive neuromuscular blocker.

Vedium *Medikon, Indon.*
Hesperidin (p.2304·3); diosmin (p.2304·2).
Haemorrhoids; phlebitis; venous insufficiency.

Vedrin *Polifarma, Ital.†.*
Xantinol nicotinate (p.1433·1).
Peripheral vascular disorders.

Veemycin *Osoth, Thai.*
Doxycycline hyclate (p.267·1).
Bacterial infections.

Veenac *Medicine Products, Thai.*
Diclofenac sodium (p.44·3).
Gout; inflammation; musculoskeletal and joint disorders; pain.

Veetids *Apothecon, USA.*
Phenoxymethylpenicillin potassium (p.314·2).
Bacterial infections.

Vefarol *Vamsler, Philipp.*
Cefaclor (p.217·2).
Bacterial infections.

Vefed *PP Lab, Thai.†.*
Triprolidine hydrochloride (p.592·3); pseudoephedrine hydrochloride (p.1571·2).
Allergic rhinitis; cold symptoms; nasal congestion.

Vefluxan *Sanofi Synthelabo, Arg.†.*
Troxerutin (p.2305·1); bamethan (p.1222·3).
Haemorrhoids; varices.

Vefren
Note. This name is used for preparations of different composition.
Baliarda, Arg.†.
Cream: Piroxicam (p.117·3).
Inflammation; pain.
Baliarda, Arg.
Tablets: Ibuprofen (p.64·2).
Formerly contained piroxicam and paracetamol.
Fever; inflammation; pain.

Vefron *Opus Materia, Gr.*
Ondansetron (p.1756·3).
Nausea and vomiting.

Vegacillin *Biogal-Teva, Hung.†.*
Phenoxymethylpenicillin (p.314·1).
Bacterial infections.

Vegal *Jofrain, Mex.*
Dipyrone (p.49·2).
Pain.

Veganin
Note. This name is used for preparations of different composition.
Johnson & Johnson, Austral.
Aspirin (p.20·3); codeine phosphate (p.37·2).
Fever; pain.
Pfizer Consumer, Irl.†; Aspen, S.Afr.†.
Aspirin (p.20·3); paracetamol (p.108·1); codeine phosphate (p.37·2).
Fever; pain; rheumatism.
Chefaro, UK.
Paracetamol (p.108·1); codeine phosphate (p.37·2); caffeine (p.1116·3).
Formerly contained aspirin, paracetamol, and codeine phosphate.
Fever; pain.

Veganin Plus *Pfizer Consumer, Irl.*
Paracetamol (p.108·1); codeine phosphate (p.37·2); caffeine (p.1116·3).
Cold and influenza symptoms; pain.

Veganine *Pfizer Sante, Fr.†.*
Paracetamol (p.108·1); caffeine (p.1116·3).
Fever; pain.

Vegantalgin H *GSK, Pol.*
Paracetamol (p.108·1); hyoscine butylbromide (p.1734·1).
Gastrointestinal procedures; smooth muscle spasm.

Vege Swiss One *Swiss Herbal, Canad.*
Multivitamin and mineral preparation (p.1922·1).

Vegebom *Vegebom, Fr.*
Cineole (p.2282·3); cajuput oil (p.2271·2); sassafras oil (p.2383·3); cedar oil (p.2278·3); camphor (p.2273·2); menthol (p.2340·1); nutmeg oil (p.2355·3); bay-laurel oil.
Musculoskeletal, joint, and peri-articular disorders.

Vegelax *Biologiques de l'Ile-de-France, Fr.†.*
Senna (p.1769·2); boldo (p.2267·2); cynara (p.2291·2).
Constipation.

Vegenat *Alchemy, UK.*
Preparation for enteral nutrition (p.1922·1).

Vegestabil *Sandoz, Arg.*
Sulpiride (p.1028·3); dipotassium clorazepate (p.980·1).
Psychosomatic disorders.

Vegestabil Digest *Sandoz, Arg.*
Domperidone (p.1726·2); bromazepam (p.964·3); simeticone (p.1770·2).

Vegetable Cough Remover *Potter's, UK.*
⊗ Capsicum (p.2276·2); cimicifuga (p.2282·1); ipecacuanha (p.1562·3); lobelia (p.2157·2); pleurisy root (p.2370·1); skullcap (p.2388·2); skunk cabbage

(p.2388·2); valerian (p.2410·1); elecampane (p.1558·1); marrubium (p.1564·1); hyssop (p.2323·3); anise oil (p.2258·2); liquorice (p.1740·3).
Coughs.

Vegetal Tonic *Homeocan, Canad.*
Homoeopathic preparation.
Formerly contained artemisia, avena sativa, china, cinnamomum, frangula, gentiana, and podophyllum.

Vegetallumina *Recordati, Ital.*
Camphor (p.2273·2); aluminium subacetate (p.2255·1); methyl salicylate (p.85·3); thyme oil (p.2401·2).
Soft-tissue and peri-articular disorders.

Vegetarian Protein Supplement *GNLD, Austral.*
Nutritional supplement (p.1922·1).

Vegetex *Lane, UK.*
Celery (p.2278·3); menyanthes (p.2340·3); cimicifuga (p.2282·1).
Muscular pain.

Vegetoserum
Note. This name is used for preparations of different composition.
Zydus, Fr.
Adult syrup: Ethylmorphine hydrochloride (p.52·2); grindelia (p.2317·2).
Coughs.

Aerocid, Fr.
Paediatric syrup: Ethylmorphine hydrochloride (p.52·2); orange flowers (p.2357·1).
Coughs.

Vegevit B_{12} *Lane, Pol.*
Cyanocobalamin (p.1980·2); brewer's yeast (p.1998·3).
Vitamin B deficiency.

Vegital *Steierl, Ger.†.*
Homoeopathic preparation.

Veglysin *Rowe-Fleming, Venez.†.*
Tribenoside (p.2403·3).
Haemorrhoids; phlebitis; varices.

Veil *Blake, UK.*
A covering cream.
Concealment of birth marks, scars, and disfiguring skin disease.

Veinamitol *Negma, Belg.; Negma, Fr.; Negma, Hung.†; SEDR, Israel†.*
Troxerutin (p.2305·1).
Capillary impairment; chronic venous insufficiency; haemorrhoids.

Veineva *CCD, Fr.*
Diosmin (p.2304·2).
Capillary disorders; haemorrhoids; venous insufficiency.

Veinobiase *Fournier, Fr.*
Black currant (p.2267·1); butcher's broom (p.2270·3); ascorbic acid (p.1983·3).
Haemorrhoids; venous insufficiency.

Veinofytol *Tilman, Belg.*
Aesculus (p.2248·2).
Capillary disorders; venous insufficiency.

Veino-Gouttes-N *Phytomed, Switz.†.*
Aesculus (p.2248·2); melilot (p.2339·2); butcher's broom (p.2270·3).
Venous insufficiency.

Veinophytum *Arkomedika, Fr.†.*
Aesculus (p.2248·2); red vine (p.2316·3).
Capillary disorders; haemorrhoids; venous insufficiency.

Veinopress A3 and A4 *Innothera, Fr.*
Zinc oxide (p.1621·2).
Care after variceal surgery; lymphoedema; post-sclerotherapy care; ulcers; venous insufficiency.

Veinostase *Merck Medication Familiale, Fr.*
Aesculus (p.2248·2); hamamelis (p.2318·2); cypress (p.2291·2); ascorbic acid (p.1983·3).
Capillary fragility; haemorrhoids; venous insufficiency.

Veinotonyl *Merck-Lipha, Fr.*
Aesculus (p.2248·2); metesculetol sodium (p.2343·2).
Peripheral vascular disorders.

Vejicur *Schering, Spain.*
A BCG vaccine (p.2205·3).
Bladder cancer.

Vekfanol *Faran, Gr.*
Sodium cromoglicate (p.1136·3).
Allergic eye disorders.

Vekfazolin *Faran, Gr.*
Cefuroxime axetil (p.238·2) or cefuroxime sodium (p.238·2).
Bacterial infections.

Velafax *Pliva Krakow, Pol.; Pliva, Rus.*
Venlafaxine hydrochloride (p.427·3).
Depression.

Velamox
Sigma, Braz.
Amoxicillin (p.202·2).
Bacterial infections.

Mediolanum, Ital.
Amoxicillin trihydrate (p.202·2).
Bacterial infections.

Velaned *Fada, Arg.†.*
Piroxicam (p.117·3).

Velaril *Roemmers-Klinos, Venez.*
Clonidine hydrochloride (p.1247·1).
Hypertension.

Velasor *Vocate, Gr.*
Tenoxicam (p.128·2).
Inflammatory disorders.

Velaspir *Norton, Pol.*
⊗ Salbutamol (p.1131·2).
Obstructive airways disease.

Velaxin *Egis, Cz.; EGIS, Hung.; Egis, Pol.; Egis, Rus.*
Venlafaxine hydrochloride (p.427·3).
Anxiety; depression; social phobia.

Velban *Lilly, Braz.†; Lilly, USA.*
Vinblastine sulfate (p.785·3).
Malignant neoplasms.

Velbastine *Korea United, Philipp.*
Vinblastine sulfate (p.785·3).
Malignant neoplasms.

Velbe *Lilly, Arg.†; Aspen, Austral.; Stada, Austria; Eurogenerics, Belg.; Lilly, Chile†; Pharmacodane, Denm.; Lilly, Fin.†; EG, Fr.; Lilly, Ger.†; Lilly, Gr.; Lilly, Hong Kong†; Crinos, Ital.; Lilly, Mex.†; Stada, Neth.; Pharmacodane, Norw.; Lilly, Port.†; Stada, Swed.; Medika, Switz.; Genus, UK; Lilly, Venez.†.*
Vinblastine sulfate (p.785·3).
Malignant neoplasms.

Velcade *Janssen-Cilag, Arg.; Janssen-Cilag, Austral.; Janssen-Cilag, Belg.; Janssen-Ortho, Canad.; Janssen-Cilag, Chile; Janssen-Cilag, Cz.; Janssen-Cilag, Denm.; Janssen-Cilag, Fin.; Janssen-Cilag, Fr.; Janssen-Cilag, Ger.; Janssen-Cilag, Gr.; Janssen, Hong Kong; Janssen-Cilag, Hung.; Janssen-Cilag, Indon.; Janssen-Cilag, Israel; Janssen-Cilag, Ital.; Janssen-Cilag, Malaysia; Janssen-Cilag, Mex.; Janssen-Cilag, NZ; Janssen-Cilag, Neth.; Janssen-Cilag, Norw.; Janssen, Philipp.; Janssen-Cilag, Pol.; Janssen-Cilag, Port.; Janssen-Cilag, Rus.; Janssen-Cilag, Singapore; Janssen-Cilag, Spain; Janssen-Cilag, Swed.; Janssen-Cilag, Switz.; Janssen-Cilag, Thai.; Ortho Biotech, UK; Millenium, USA; Janssen-Cilag, Venez.*
Bortezomib (p.689·2).
Mantle cell lymphoma; multiple myeloma.

Velcox *Novell, Indon.*
Meloxicam (p.80·3).
Osteoarthritis; rheumatoid arthritis.

Veldom *Viofar, Gr.*
Clindamycin (p.251·1).
Vaginal infections.

Veldrol *Collins, Mex.*
Tramadol hydrochloride (p.130·3).
Pain.

Velexina *Klonal, Arg.*
Cefalexin (p.218·2).
Bacterial infections.

Veliten *Zambon, Fr.*
Vitamins (p.1922·1); rutoside (p.2305·1).
Vascular disorders.

Velivet *Barr, USA.*
21 Tablets, desogestrel (p.2093·2); ethinylestradiol (p.2101·3); 7 tablets, inert.
Triphasic oral contraceptive.

Velkacalcin *Velka, Gr.*
Calcitonin (salmon) (p.1093·1).
Osteoporosis.

Velkacet *Velka, Gr.*
Butamirate citrate (p.1553·1).
Cough.

Velkaderm *Velka, Gr.*
Clindamycin (p.251·1).
Vaginal infections.

Velkalov *Velka, Gr.*
Lovastatin (p.1328·2).

Velkastatin *Velka, Gr.*
Simvastatin (p.1390·2).
Hyperlipidaemias.

Vellutan *Abiogen, Ital.*
Tacalcitol (p.1615·1).
Psoriasis.

Velmonit *Bayer, Spain†.*
Ciprofloxacin hydrochloride (p.243·3).
Bacterial infections.

Velocef *BMS, Spain.*
Cefradine (p.233·1).
Bacterial infections.

Velodan *Lesvi, Spain.*
Loratadine (p.583·3).
Hypersensitivity reactions.

Velodyne *Dexa, Philipp.*
Cefradine (p.233·1).
Bacterial infections.

velopural *Optimed, Ger.†.*
⊗ Hydrocortisone acetate (p.1535·2).
Skin disorders.

Velorin *Remedica, Hong Kong; Remedica, Philipp.; Remedica, Singapore†; Remedica, Thai.*
⊗ Atenolol (p.1217·3).
Angina pectoris; arrhythmias; hypertension; myocardial infarction.

Velorium *Polychronus, Gr.*
⊗ Budesonide (p.1520·1).
Allergic rhinitis.

Velosalic *Schering-Plough, Chile.*
⊗ Mometasone furoate (p.1539·3); salicylic acid (p.1612·2).
Hyperkeratotic skin disorders; psoriasis.

Velosef *BMS, Belg.; BMS, Chile†; BMS, Hong Kong; BMS, Indon.; BMS, Irl.; BMS, NZ†; BMS, Neth.; BMS, Port.†; BMS, UK; Apothecon, USA†.*
Cefradine (p.233·1).
Bacterial infections.

Velostin *Solas, Indon.*
Portulaca; chamomile (p.2279·3); aloe vera (p.1588·2); vitamin E (p.1992·2).
Vaginal disorders.

Velosulin *Novo Nordisk, Belg.; Novo Nordisk, Cz.; Novo Nordisk, Denm.; Novo Nordisk, Fin.†; Novo Nordisk, Fr.†; Novo Nordisk, Ger.; Novo Nordisk, Jpn; Novo Nordisk, Neth.; Novo Nordisk, Norw.†; Novo Nordisk, Port.; Novo Nordisk, Swed.†; Novo Nordisk, UK†.*
⊗ Insulin injection (human, emp) (p.443·2).
Formerly known as Human Velosulin.
Diabetes mellitus.

Velosulin HM *Novo Nordisk, NZ; Novo Nordisk, Switz.†.*
⊗ Insulin injection (human) (p.443·2).
Diabetes mellitus.

Velosulin Human BR *Novo Nordisk, USA†.*
⊗ Insulin injection (human, emp) (p.443·2).
Diabetes mellitus.

Velosulin MC *Novo Nordisk, NZ.*
⊗ Neutral insulin injection (porcine, monocomponent) (p.443·2).
Diabetes mellitus.

Veloudiet *DHN, Fr.†.*
Preparation for enteral nutrition (p.1922·1).

Velpro *Alpharma, Mex.*
Benzonatate (p.1552·1).
Cough.

Velsay *Sons, Mex.*
Naproxen (p.92·3).
Musculoskeletal, joint, and peri-articular disorders; pain.

Velsay-S Compuesto *Sons, Mex.*
Naproxen sodium (p.92·3); paracetamol (p.108·1).
Fever; inflammation; pain.

Veltex *Adcock Ingram, S.Afr.*
Diclofenac sodium (p.44·3).
Gout; inflammation; musculoskeletal and joint disorders; pain.

Veltifer *Rafarm, Gr.*
Iron polymaltose (p.1953·1).
Iron deficiency.

Veltion *Faran, Gr.*
Mupirocin (p.302·3).
Bacterial skin infections.

Velvachol *Healthpoint, USA.*
Vehicle for topical preparations.

Vemizol *CCM, Malaysia.*
Albendazole (p.139·2).
Worm infections.

Vemol *PP Lab, Thai.†.*
Paracetamol (p.108·1).
Fever; pain.

Ven Hex *Elmor, Venez.†.*
Salicylic acid (p.1612·2).
Dandruff.

Venacol
Note. This name is used for preparations of different composition.
Mugi, Indon.
Thiamphenicol (p.351·1).
Bacterial infections.

Llorens, Spain.
Aescin (p.2248·2); esculoside (p.2248·2); heparin sodium (p.1301·2); ruscogenin (p.2382·2).
Oedema; peripheral vascular disorders.

Venacorn *Filofarm, Pol.*
Dihydroergocristine mesilate (p.364·2); esculoside (p.2248·2); rutoside (p.2305·1).
Cerebral and peripheral vascular disorders; migraine; venous insufficiency.

Venactive
Note. This name is used for preparations of different composition.
Les 3 Chenes, Ital.
Centella (p.1592·3); aesculus (p.2248·2); hamamelis (p.2318·2).
Tired legs.

Farmila, Ital.†.
Bioflavonoids (p.2304·1); omega-3 triglycerides (p.1362·1); centella (p.1592·3).
Vascular disorders.

Venacton *Klein, Ger.†.*
Aesculus (p.2248·2); scoparium (p.2384·2); St John's wort (p.422·3); milk thistle (p.1452·1); hamamelis (p.2318·2).
Venous insufficiency.

Venactone *Benedetti, Ital.†.*
⊗ Potassium canrenoate (p.1374·1).
Hyperaldosteronism; hypertension.

Venafleur *Bloem Beheer, Neth.*
Homoeopathic preparation.

Venaflon *Teuto, Braz.*
Diosmin (p.2304·2); hesperidin (p.2304·3).
Venous insufficiency.

Venaforce *Bioforce, UK.*
Aesculus (p.2248·2).
Venous insufficiency.

Venafort *Teuto, Braz.*
Aesculus (p.2248·2).
Oedema; venous insufficiency.

Venalax *Jumont, Philipp.*
⊗ Salbutamol sulfate (p.1131·3).
Obstructive airways disease.

Venalitan *3M, Ger.*
Heparin sodium (p.1301·2).
Soft-tissue injury; superficial vascular disorders.

Venalot *Nycomed, Braz.; Schaper & Brummer, Ger.; Altana, Mex.*
Coumarin (p.2288·2); troxerutin (p.2305·1).
Haemorrhoids; soft-tissue injury; superficial vascular disorders; venous and lymphatic insufficiency.

Venalot H *Nycomed, Braz.*
Coumarin (p.2288·2); heparin (p.1301·2).
Soft-tissue injury.

Venalot mono *Schaper & Brummer, Ger.†.*
Coumarin (p.2288·2).
Soft-tissue injury.

Venalot N *Schaper & Brummer, Ger.†.*
⊗ Coumarin (p.2288·2); rutoside sodium sulfate (p.2305·2).
Peripheral vascular disorders.

Venalot novo *Schaper & Brummer, Ger.†.*
Aesculus (p.2248·2).
Venous insufficiency.

Venalta
Note. This name is used for preparations of different composition.
Alta Care, Ital.
Aesculus (p.2248·2); arnica (p.2260·2); grape (p.2316·3); ginkgo biloba (p.2311·1); hamamelis (p.2318·2); cypress oil (p.2291·2); lemon oil (p.2332·3); sage oil (p.2382·3); mint oil (p.2345·2); lavender oil (p.2331·2).

Alta Care, Ital.
Red vine (p.2316·3); vitamin E; vitamin C (p.1922·1).
Circulatory disorders.

Venapulse *Pharmacare, S.Afr.*
⊗ Atenolol (p.1217·3).
Angina pectoris; hypertension.

Venaron *Teguhsindo, Indon.*
Oxerutins (p.2304·3).
Haemorrhoids; varices.

Venart *Casasco, Arg.*
⊗ Butcher's broom (p.2270·3); hesperidin methyl chalcone (p.2305·2); ascorbic acid (p.1983·3).
Haemorrhoids; venous insufficiency.

Venartel *Andromaco, Chile.*
Citrus bioflavonoids (p.2304·1); diosmin (p.2304·2).
Haemorrhoids; venous insufficiency.

Venastat *Boehringer Ingelheim, Arg.; Boehringer Ingelheim, Chile; Boehringer Ingelheim, Hung.; Boehringer Ingelheim Promeco, Mex.; Boehringer Ingelheim, Pol.*
Aesculus (p.2248·2).
Chronic venous insufficiency.

Venavit N *UB, Switz.*
Aesculus (p.2248·2).
Venous insufficiency.

Venbig *Kedrion, Ital.; Kedrion, Port.*
A hepatitis B immunoglobulin (p.2214·3).
Passive immunisation.

Vencipon N *Artesan, Ger.†.*
⊗ Ephedrine hydrochloride (p.1558·2); phenolphthalein (p.1762·1).
Obesity.

Vendal *Lannacher, Austria; Lannacher, Cz.; Polfa Warszawa, Pol.; Liba, Turk.*
⊗ Morphine hydrochloride (p.86·3).
Pain.

Vendazol *Zuoz, Venez.*
Albendazole (p.139·2).
Worm infections.

Venderol *Beacons, Singapore.*
⊗ Salbutamol (p.1131·2).
Obstructive airways disease.

Ven-Detrex *Therabel, Belg.*
Diosmin (p.2304·2).
Peripheral vascular disorders.

Vendrex *IQB, Braz.*
Diclofenac sodium (p.44·3).

Venelbin ruscus *Biocur, Ger.†.*
Butcher's broom (p.2270·3).
Chronic venous insufficiency; haemorrhoids.

Venen Krauter NT *Salushaus, Ger.*
Aesculus (p.2248·2); melilot (p.2339·2).
Venous insufficiency.

Venen-Dragees *CT, Ger.†.*
Aesculus (p.2248·2).
Venous insufficiency.

Venen-Fluid *CT, Ger.*
Aesculus (p.2248·2).
Phlebitis; soft-tissue injury; varices.

Venengel *Ratiopharm, Ger.†.*
Heparin sodium (p.1301·2); arnica (p.2260·2); aesculus (p.2248·2).
Soft-tissue injury; vascular disorders.

Venen-Salbe N *CT, Ger.†.*
Aesculus (p.2248·2); esculoside (p.2248·2).
Bruising; oedema; varices.

Venen-Tabletten *Stada, Ger.*
Aesculus (p.2248·2).
Venous insufficiency.

Venentabs *Ratiopharm, Ger.*
Aesculus (p.2248·2).
Venous insufficiency.

Venen-Tropfen N *Bioforce, Ger.*
Aesculus (p.2248·2).
Venous insufficiency.

Venescin *Herbapol Wroclaw, Pol.*
Aesculus (p.2248·2); esculoside (p.2248·2); rutoside (p.2305·1).
Haemorrhoids; venous insufficiency.

Venex *Decomed, Port.*
Diosmin (p.2304·2).
Haemorrhoids; venous insufficiency.

Vengesic *Collins, Mex.†.*
⊗ Methocarbamol (p.1897·3); phenylbutazone (p.117·1); dexamethasone (p.1526·1); aluminium hydroxide (p.1706·2).
Inflammation; musculoskeletal and joint disorders.

Venidium *Ivax, Arg.*
⊗ Butcher's broom (p.2270·3); hesperidin methyl chalcone (p.2305·2); ascorbic acid (p.1983·3).
Haemorrhoids; venous insufficiency.

Venilon *Teijin, Jpn.*
A normal immunoglobulin (p.2225·3).
Infections.

Venimmun *Aventis Behring, Ger.†; Centeon, Ital.†; Centeon, Pol.*
A normal immunoglobulin (p.2225·3).
Auto-immune disorders; Guillain-Barré syndrome; hypogammaglobulinaemia; idiopathic thrombocytopenic purpura; immunodeficiency; Kawasaki syndrome; passive immunisation.

Venimmun N *ZLB, Austria; CSL, Cz.*
A normal immunoglobulin (p.2225·3).
Idiopathic thrombocytopenic purpura; passive immunisation.

Venimmuna *CSL, Braz.*
A normal immunoglobulin (p.2225·3).
Passive immunisation.

Venirene *Winthrop, Fr.*
Diosmin (p.2304·2).
Capillary disorders; haemorrhoids; venous insufficiency.

Venisse *Bago, Arg.*
Yellow tablets, gestodene (p.2105·2); ethinylestradiol (p.2101·3); red tablets, inert.
Combined oral contraceptive.

Venitan
Lek, Cz.; Lek, Pol.
Aesculus (p.2248·2).
Haematoma; neuralgia; oedema; venous insufficiency.

Lek, Rus.
Aescin (p.2248·2).

Venitrin *3M, Ital.*
Glyceryl trinitrate (p.1296·2).
Angina pectoris; hypertensive crises; left-ventricular failure; myocardial infarction.

Venla *Unipharm, Israel.*
Venlafaxine hydrochloride (p.427·3).
Depression.

Venlax *Saval, Chile.*
Venlafaxine (p.430·1) or venlafaxine hydrochloride (p.427·3).
Anxiety; depression.

Venlaxin *Eurofarma, Braz.*
Venlafaxine hydrochloride (p.427·3).
Depression.

Venlift *Torrent, Braz.*
Venlafaxine hydrochloride (p.427·3).
Depression; obsessive-compulsive disorder.

Venlor *Cipla, India; Cipla-Medpro, S.Afr.*
Venlafaxine hydrochloride (p.427·3).
Anxiety; depression; social phobia.

Veno V *Decafarma, Port.*
Diosmin (p.2304·2).
Oedema; vascular disorders.

Veno Gel *Madaus, Thai.*
Aescin (p.2248·2); diethylamine salicylate (p.47·2).
Thrombophlebitis; varicose veins.

Veno SL *Ursapharm, Ger.*
Troxerutin (p.2305·1).
Vascular disorders.

Venobene *Ratiopharm, Austria.*
Heparin sodium (p.1301·2); dexpanthenol (p.2362·1).
Anorectal disorders; soft-tissue injury; superficial vascular disorders.

Venobiase *Fournier, Ger.†.*
Butcher's broom rhizome (p.2270·3); black currant (p.2267·1).
Venous insufficiency.

Venobiase mono *Fournier, Ger.†.*
Butcher's broom rhizome (p.2270·3).
Haemorrhoids; venous insufficiency.

veno-biomo *Biomo, Ger.*
Aesculus (p.2248·2).
Venous insufficiency.

Venocur Triplex *Abbott, Braz.*
Rutoside (p.2305·1); aesculus (p.2248·2); miroton.
Venous insufficiency.

Venodin *Amnol, Ital.*
Diosmin (p.2304·2); hesperidin (p.2304·3); melilot (p.2339·2); vitamins (p.1922·1).
Circulatory disorders.

Venodura *Merck dura, Ger.*
Aesculus (p.2248·2).
Venous insufficiency.

Venofer
Note. This name is used for preparations of different composition.
Quesada, Arg.; Aspen, Austral.; Fresenius, Belg.; Genpharm, Canad.; Andromaco, Chile; Vifor, Cz.; Vifor, Denm.; Vifor, Fin.; Therabel, Fr.; Fresenius Medical, Ger.; Genesis, Gr.; Vifor, Hong Kong; Vifor, Hung.; Combiphar, Indon.; Vifor, Indon.; Vifor, Israel; Vifor, Malaysia; Healthcare Logistics, NZ; Vifor, Neth.; Renapharma, Norw.; Ferraz, Lynce, Port.; Altana Madaus, S.Afr.; Vifor, Singapore; Uriach, Spain; Renapharma, Swed.; Vifor International, Switz.; Vifor, Thai.; Abdi, Turk.; Syner-Med, UK; American Regent, USA; Zuoz, Venez.
Iron sucrose (p.1953·2).
Dialysis-induced anaemia; iron deficiency; iron-deficiency anaemia.

Lek, Pol.
Polysaccharide-iron complex (p.1960·2).
Iron deficiency.

Venoferrum *Altana, Mex.*
Iron sucrose (p.1953·2).
Iron-deficiency anaemia.

Venofit
Note. This name is used for preparations of different composition.
Hochstetter, Chile†.
Homoeopathic preparation.

Arkochim, Spain.
Butcher's broom (p.2270·3); melilot (p.2339·2); hamamelis (p.2318·2).
Peripheral vascular disorders.

Venofortan *Ariston, Braz.†.*
Aescin (p.2248·2); vitamin B (p.1976·3).
Venous insufficiency.

Venoforton *Leki Natury, Pol.*
Aesculus (p.2248·2); arnica (p.2260·2); crataegus (p.2289·1); ginkgo biloba (p.2311·1); mistletoe (p.2345·3).
Atherosclerosis; cerebral and peripheral vascular disorders.

Venoful *Garden House, Arg.*
Centella (p.1592·3); ginkgo biloba (p.2311·1); hamamelis (p.2318·2); aesculus (p.2248·2).
Haemorrhoids; oedema; varices.

Venofundin *Braun, Arg.; Braun, Denm.; Braun, Fin.; Braun, Ger.; Vioser, Gr.; Braun, Neth.; Braun, Port.; Braun, Swed.; Braun, Switz.; Braun, UK.*
⊗ An etherified starch (p.1065·1).
Hypovolaemia; plasma volume expansion; shock.

Venogamma *Veripalvelu, Fin.†.*
A normal immunoglobulin (p.2225·3).
Hypogammaglobulinaemia; idiopathic thrombocytopenic purpura.

Venoglobulin *Alpha, Israel; Mitsubishi, Jpn; Grifols, Singapore†; Alpha Therapeutic, USA†.*
A normal immunoglobulin (p.2225·3).
Agammaglobulinaemia; hypogammaglobulinaemia; idiopathic thrombocytopenic purpura; immunodeficiency; Kawasaki disease; passive immunisation.

Venoglobulina *Zuoz, Venez.†.*
A normal immunoglobulin (p.2225·3).

Venoglobulin-S *Alpha, Hong Kong†; Grifols, Malaysia†; Grifols, Thai.†.*
A normal immunoglobulin (p.2225·3).
Idiopathic thrombocytopenic purpura; immunodeficiency; Kawasaki disease.

Venogyl *Teva, Israel.*
Metronidazole (p.837·1).
Anaerobic bacterial infections.

Venokatt *Kattwiga, Ger.*
Homoeopathic preparation.

Veno-Kattwiga N *Kattwiga, Ger.†.*
Aescin (p.2248·2); procaine hydrochloride (p.1869·1).
Vascular disorders.

veno-L 90 N *Loges, Ger.†.*
Homoeopathic preparation.

Venolan *Polfa Grodzisk, Pol.*
Troxerutin (p.2305·1).
Phlebitis; venous insufficiency.

Venolen *Pharma Line, Ital.*
Troxerutin (p.2305·1).
Capillary fragility; venous insufficiency.

Venolep *Farma Lepori, Spain.*
⊗ Hidrosmin (p.2305·2).
Venous insufficiency.

Venolife *Akrikhin, Rus.*
Troxerutin (p.2305·1); dexpanthenol (p.2362·1); heparin sodium (p.1301·2).
Soft-tissue injury; venous insufficiency.

veno-loges N *Loges, Ger.*
Homoeopathic preparation.

Venomenhal *Hal, Ger.; Hal, Hung.; Haarlems Allergenen, Pol.*
Allergen extracts of bee venom (p.2251·1) and wasp venom (p.2251·1) (p.2250·2).
Allergen immunotherapy; diagnosis and desensitisation of wasp and bee stings.

Venomhal *Hal, Neth.†.*
Aqueous bee venom (p.2251·1) and wasp venom (p.2251·1)(p.2250·2).
Allergen immunotherapy.

Venomil *Bencard, Ger.; Miles, USA.*
Allergen extract of bee venom (p.2251·1) or wasp venom (p.2251·1)(p.2250·2).
Allergen immunotherapy.

Venoparil
Note. This name is used for preparations of different composition.
Neo-Farmaceutica, Port.†.
Tablets: Aescin (p.2248·2).
Haemorrhoids; joint pain; oedema; venous insufficiency.

Neo-Farmaceutica, Port.
Topical gel: Aescin (p.2248·2); diethylamine salicylate (p.47·2).
Musculoskeletal, joint, and soft-tissue injury; thrombophlebitis; varices.

Venoplant *VSM, Belg.; Schwabe, Ger.; Schwabe, Pol.; Schwabe, Rus.*
Aesculus (p.2248·2).
Venous insufficiency.

Venoplant AHS *Schwabe, Ger.†.*
Aescin (p.2248·2); heparin sodium (p.1301·2); glycol salicylate (p.62·3).
Soft-tissue injury; venous insufficiency.

Venoplant comp *Schwabe, Switz.*
Aescin (p.2248·2); heparin sodium (p.1301·2); glycol salicylate (p.62·3).
Scars; soft-tissue injuries; venous insufficiency.

Venoplant top *Schwabe, Ger.†.*
Hamamelis (p.2318·2).
Skin inflammation; varices.

Venoplant-N *Schwabe, Switz.†.*
Aesculus (p.2248·2); heparin sodium (p.1301·2).
Scars; soft-tissue injuries; venous insufficiency.

Venoplus *Also, Ital.†.*
Aesculus (p.2248·2); hamamelis (p.2318·2); milk thistle (p.1452·1).
Alterations in capillary permeability; varicose veins; venous dilatation.

Venopril *Luper, Braz.†.*
Captopril (p.1239·2).
Hypertension.

Venopyronum *Abbott, Ger.*
Aesculus (p.2248·2).
Venous insufficiency.

Venopyronum N *Abbott, Ger.†.*
Aesculus (p.2248·2).
Venous insufficiency.

Venorell *Sanorell, Ger.*
Homoeopathic preparation.

Venorix *Medinfar, Port.*
Dermatan sulfate sodium (p.1256·3).

Venoruton
Note. This name is used for preparations of different composition.
Novartis, Arg.; Novartis Consumer, Austria; Novartis Consumer, Belg.; Novartis, Chile; Novartis, Cz.; Novartis, Denm.; Novartis Consumer, Ger.; Novartis, Gr.; Novartis, Hong Kong†; Novartis Consumer, Hung.; Novartis Consumer, Israel; Novartis Consumer, Ital.; Novartis Consumer, Neth.; Novartis Consumer, Pol.; Novartis Consumer, Port.; Novartis Consumer, Spain; Novartis Consumer, Switz.; Novartis, Turk.
Oxerutins (p.2304·3).
Chronic venous insufficiency; diabetic retinopathy; haemorrhoids; retinopathy; skin reactions following radiotherapy; soft-tissue disorders; soft-tissue injury; varices; vascular disorders; vascular reactions following radiotherapy.

Novartis, Braz.; Novartis, Philipp.; Novartis, Thai.
Troxerutin (p.2305·1).
Chronic venous insufficiency; diabetic retinopathy; haemorrhoids; oedema; varices; varicose dermatitis; venous ulcers.

Novartis Consumer, Rus.
Rutoside (p.2305·1).
Haemorrhoids; venous insufficiency.

Venoruton Emulgel *Novartis Consumer, Ger.*
Heparin sodium (p.1301·2).
Soft-tissue injury; superficial vascular disorders.

Venoruton Heparin *Novartis Consumer, Austria.*
Heparin sodium (p.1301·2).
Soft-tissue injury; superficial venous disorders.

Venos *Soho, Indon.*
Butcher's broom (p.2270·3); centella (p.1592·3).
Haemorrhoids; varicose veins.

Venos Cough Mixture *GSK Consumer, UK.*
Glucose (p.1945·3); treacle (p.1969·3).
Coughs.

Venos Expectorant *GSK Consumer, Irl.; GSK Consumer, UK.*
Guaifenesin (p.1561·3); liquid glucose (p.1945·3); treacle (p.1969·3).
Coughs.

Venos Honey & Lemon
Note. This name is used for preparations of different composition.
GSK Consumer, Irl.
Ammonium chloride (p.1551·3); ipecacuanha (p.1562·3); liquid glucose (p.1945·3); honey (p.1948·2); lemon juice.
Coughs.

GSK Consumer, UK.
Purified honey (p.1948·2); glucose (p.1945·3).
Coughs; sore throat.

Venos for Kids *GSK Consumer, UK.*
Guaifenesin (p.1561·3).
Coughs.

Ven-o-sal *Bilim, Turk.*
⊗ Salbutamol sulfate (p.1131·3).
Obstructive airways disease.

Venoselect N *Dreluso, Ger.*
Homoeopathic preparation.

Venoserin *Labomed, Chile.*
Butcher's broom (p.2270·3).
Venous insufficiency.

Venosin *Fujisawa, Austria.*
Aesculus (p.2248·2).
Chronic venous insufficiency; oedema; superficial vascular disorders.

Venosman *Pharmanel, Gr.†.*
Diosmin (p.2304·2); hesperidin (p.2304·3).
Vascular disorders.

Venosmil *Sidus, Arg.; Vitoria, Port.; Faes, Spain.*
⊗ Hidrosmin (p.2305·2).
Capillary disorders; haemorrhoids; inflammatory skin disorders; peripheral vascular disorders; venous insufficiency.

Venosmine *Geymonat, Ital.*
Diosmin (p.2304·2).
Peripheral vascular disorders.

Venostasin
Note. This name is used for preparations of different composition.
Altana, Switz.
Aesculus (p.2248·2).
Venous insufficiency.

Fujisawa, Austria.
Capsules; ointment; oral drops; topical gel: Aesculus (p.2248·2).
Chronic venous insufficiency; soft-tissue injury.

Ariston, Arg.; Ariston, Braz.†.
Controlled-release capsules: Aesculus (p.2248·2).
Venous insufficiency.

Klinge, Ger.
Controlled-release capsules; cream: Aesculus (p.2248·2).
Inflammation; venous insufficiency.

Ariston, Arg.
Tablets: Aescin (p.2248·2); vitamin B (p.1976·3).
Venous insufficiency.

Ariston, Arg.
Topical gel: Aescin (p.2248·2); heparin sodium (p.1301·2); glycol salicylate (p.62·3).
Soft-tissue injury; venous insufficiency.

Ariston, Braz.†.
Topical gel: Aescin (p.2248·2); heparin sodium (p.1301·2); glycol salicylate (p.62·3); thiamine nitrate (p.1976·2).
Venous insufficiency.

Klinge, Ger.
Topical gel: Aescin (p.2248·2).
Formerly contained aescin, heparin sodium, and glycol salicylate.
Soft-tissue injury; vascular disorders.

Venostasin compositum *Fujisawa, Austria.*
Aescin (p.2248·2); heparin sodium (p.1301·2); glycol salicylate (p.62·3).
Chronic venous insufficiency; soft-tissue injury.

Veno-Tebonin N *Schwabe, Ger.†.*
⊗ Ginkgo biloba (p.2311·1); heptaminol hydrochloride (p.2319·1); troxerutin (p.2305·1).
Haemorrhoids; vascular disorders.

Venoton *Dermofarma, Ital.*
Bioflavonoids (p.2304·1); melilot (p.2339·2); docosahexaenoic acid (p.1362·1); aesculus (p.2248·2); vitamins.
Nutritional supplement.

Venotonin *Phytofarm Kleka, Pol.*
Aesculus (p.2248·2).
Haemorrhoids; soft-tissue oedema; venous insufficiency.

Venotop *Novartis, Austria.*
Dihydroergotamine tartrate (p.618·3); troxerutin (p.2305·1).
Chronic venous insufficiency.

Venotrauma *Also, Ital.†.*
Aesculus (p.2248·2); hamamelis (p.2318·2); heparin sodium (p.1301·2).
Soft-tissue disorders.

Venotrex *Pliva Krakow, Pol.*
Troxerutin (p.2305·1).
Haemorrhoids; venous insufficiency.

Venotrulan Trox *Truw, Ger.*
Troxerutin (p.2305·1).
Venous insufficiency.

Venovaz *Cifarma, Braz.*
Diosmin (p.2304·2); hesperidin (p.2304·3).
Venous insufficiency.

Venoxil *Mavi, Mex.*
Cinnarizine (p.573·1).

Venozel *Emo-Farm, Pol.*
Diclofenac sodium (p.44·3); aescin (p.2248·2); tribenoside (p.2403·3).
Oedema; rheumatoid arthritis; tendinitis.

Vensa *Bittner, Austria; Bittner, Rus.*
Homoeopathic preparation.

Vent Retard *BOI, Spain†.*
Theophylline (p.1140·1).
Heart failure; obstructive airways disease; paroxysmal dyspnoea.

Ventadur *UCB, Spain.*
⊗ Salbutamol sulfate (p.1131·3).
Obstructive airways disease.

Ventamol
Pinewood, Irl.
⊗ Salbutamol (p.1131·2).
Obstructive airways disease.

Hovid, Malaysia†.
⊗ Salbutamol sulfate (p.1131·3).
Bronchospasm.

Ventamol Expectorant *Hovid, Malaysia†.*
⊗ Salbutamol sulfate (p.1131·3); guaifenesin (p.1561·3).
Bronchospasm.

Ventar *GX, Philipp.*
⊗ Salbutamol sulfate (p.1131·3).
Obstructive airways disease.

Ventar EXP *GX, Philipp.*
⊗ Guaifenesin (p.1561·3); salbutamol (p.1131·2).
Respiratory-tract disorders associated with bronchospasm and excess mucus.

Ventarone *Umeda, Thai.*
Diclofenac sodium (p.44·3).
Gout; inflammation; musculoskeletal, joint, and periarticular disorders; pain.

Ventavis *Schering, Arg.†; Schering, Chile; Bayer Schering, Cz.; Schering, Denm.; Schering, Fin.; Schering, Fr.; Schering, Ger.; Schering,*

† This preparation may no longer be actively marketed

⊗ Contains a substance whose use may be restricted in certain sports (see p.vii)

Gr.; Schering, Hong Kong; Bayer Schering, Hung.; Schering, Indon.; Schering, Irl.; Italfarmaco, Ital.; Schering, Neth.; Schering, Norw.; Schering, Pol.; Schering, Port.; Bayer, Singapore; Schering, Spain; Schering, Swed.; Schering, UK; CoTherix, USA.
Iloprost trometamol (p.1313·1).
Pulmonary hypertension.

Venter
Note. This name is used for preparations of different composition.
Vent-3, Arg.
Paracetamol (p.108·1); salicylamide (p.121·2); ascorbic acid (p.1983·3); phenylephrine hydrochloride (p.1568·1).
Influenza symptoms.

KRKA, Cz.; KRKA, Hung.; KRKA, Pol.; KRKA, Rus.
Sucralfate (p.1772·2).
Gastro-oesophageal reflux; hyperphosphataemia; peptic ulcer.

Venterol *Greater Pharma, Thai.*
⊗ Salbutamol sulfate (p.1131·3).
Obstructive airways disease.

Ventexxair *Schwarz, Fr.†.*
⊗ Salbutamol (p.1131·2).
Obstructive airways disease.

Venteze
Note. This name is used for preparations of different composition.
Biolab, Philipp.
Ambroxol hydrochloride (p.1550·3).
Respiratory-tract disorders.

Pharmacare, S.Afr.
⊗ Salbutamol (p.1131·2) or salbutamol sulfate (p.1131·3).
Obstructive airways disease.

Venticoll *GE Healthcare, Neth.*
⊗ Technetium-99m (p.2055·3) albumin nanocolloid.
Radioimaging of the lungs.

Venticort *Oftalmi, Venez.*
⊗ Salbutamol (p.1131·2); beclometasone dipropionate (p.1516·2).
Asthma.

Ventide
GSK, Arg.; GSK, Chile; GSK, Hong Kong; GSK, Indon.; GSK, Mex.; GSK, Singapore†; GSK, Thai.†; GSK, Turk.; GSK, Venez.
⊗ Salbutamol (p.1131·2); beclometasone dipropionate (p.1516·2).
Asthma; obstructive airways disease.

GSK, Austria.
⊗ Salbutamol (p.1131·2) or salbutamol sulfate (p.1131·3); beclometasone dipropionate (p.1516·2).
Obstructive airways disease.

Ventilan *Glaxo Wellcome, Port.*
⊗ Salbutamol (p.1131·2) or salbutamol sulfate (p.1131·3).
Obstructive airways disease; premature labour.

Ventilastin
Viatris, Fr.; Viatris, Ger.
⊗ Salbutamol sulfate (p.1131·3).
Obstructive airways disease.

Viatris, Spain.
⊗ Salbutamol (p.1131·2).
Obstructive airways disease.

Ventilat *Boehringer Ingelheim, Ger.†.*
Oxitropium bromide (p.1129·2).
Obstructive airways disease.

Ventisol *Ivax, Mex.*
Ketotifen fumarate (p.582·2).
Asthma; hypersensitivity.

Ventmax
Chiesi, Ital.
⊗ Salbutamol (p.1131·2).
Obstructive airways disease.

Trinity, UK.
⊗ Salbutamol sulfate (p.1131·3).
Obstructive airways disease.

Ventnaze *Pharmacare, S.Afr.*
⊗ Beclometasone dipropionate (p.1516·2).
Hay fever; rhinitis.

Vento-Broncho *San Marino, Philipp.*
⊗ Salbutamol sulfate (p.1131·3).
Obstructive airways disease.

Vento-Broncho G *San Marino, Philipp.*
⊗ Salbutamol sulfate (p.1131·3); guaifenesin (p.1561·3).
Cough.

Ventodisk
GSK, Canad.; GSK, S.Afr.†; GSK, Switz.
⊗ Salbutamol sulfate (p.1131·3).
Bronchospasm; obstructive airways disease.

GSK, Pol.
⊗ Salbutamol (p.1131·2).
Obstructive airways disease.

Ventodisks *GSK, Cz.†; GSK, Fr.†; GSK, Hong Kong; Allen & Hanburys, Irl.†; GSK, Turk.; Allen & Hanburys, UK†.*
⊗ Salbutamol sulfate (p.1131·3).
Bronchospasm; obstructive airways disease.

Ventoflu *Finmedical, Ital.*
⊗ Flunisolide (p.1531·1).
Asthma; bronchitis; rhinitis.

Ventolair *Ivax, Ger.*
⊗ Beclometasone dipropionate (p.1516·2).
Asthma.

Ventolase *Juste, Spain.*
⊗ Clenbuterol hydrochloride (p.1120·1).
Obstructive airways disease.

Ventoliber *Tecnimede, Port.*
⊗ Ambroxol hydrochloride (p.1550·3); clenbuterol hydrochloride (p.1120·1).
Respiratory-tract disorders.

Ventolin
GSK, Arg.; Allen & Hanburys, Austral.; GSK, Belg.; GSK, Canad.; GSK, Hong Kong; GSK, Indon.; GSK, Malaysia; GSK, Mex.; GSK, Rus.; GSK, Singapore; GSK, Spain; GSK, Switz.; GSK, Thai.; GSK, Turk.; GSK, Venez.†.
⊗ Salbutamol sulfate (p.1131·3).
Bronchospasm; obstructive airways disease; premature labour; status asthmaticus.

GSK, Cz.; GSK, Hung.; Allen & Hanburys, Irl.; GSK, Israel; GSK, Ital.; GSK, NZ; GSK, Neth.; GSK, S.Afr.; Allen & Hanburys, UK; Glaxo Wellcome, USA.
⊗ Salbutamol (p.1131·2) or salbutamol sulfate (p.1131·3).
Bronchospasm; obstructive airways disease; premature labour; status asthmaticus.

GSK, Philipp.; GSK, Pol.
⊗ Salbutamol (p.1131·2).
Obstructive airways disease.

Ventolin Compuesto *GSK, Arg.†.*
⊗ Salbutamol (p.1131·2); guaifenesin (p.1561·3).
Respiratory-tract congestion.

Ventolin Espettorante *GSK, Ital.†.*
⊗ Salbutamol sulfate (p.1131·3); guaifenesin (p.1561·3).
Bronchial congestion; bronchospasm.

Ventolin Expectorant
GSK, Hong Kong; GSK, Indon.; GSK, Malaysia; GSK, Thai.
⊗ Salbutamol sulfate (p.1131·3); guaifenesin (p.1561·3).
Bronchospasm; coughs; obstructive airways disease associated with increased or viscous mucus.

GSK, Philipp.
⊗ Salbutamol (p.1131·2); guaifenesin (p.1561·3).
Respiratory-tract disorders associated with bronchospasm and excess mucus.

Ventolin Flogo *GSK, Ital.†.*
⊗ Beclometasone dipropionate (p.1516·2); salbutamol (p.1131·2).
Obstructive airways disease.

Ventoline
GSK, Denm.; GSK, Fr.; GSK, Norw.; GSK, Swed.
⊗ Salbutamol sulfate (p.1131·3).
Obstructive airways disease; premature labour.

GSK, Fin.
⊗ Salbutamol (p.1131·2) or salbutamol sulfate (p.1131·3).
Obstructive airways disease.

Ventomol *APT, Hong Kong.*
⊗ Salbutamol sulfate (p.1131·3).
Obstructive airways disease.

Ventoplus *Phoenix, Arg.*
⊗ Levosalbutamol hydrochloride (p.1125·3).
Obstructive airways disease.

Ventor *Rafarm, Gr.*
Nimesulide (p.95·3).
Inflammation; musculoskeletal disorders; pain.

Ventorlin *GSK, India.*
⊗ Salbutamol sulfate (p.1131·3); guaifenesin (p.1561·3).
Obstructive airways disease.

Ventosal *Essenpharma, Philipp.*
⊗ Salbutamol (p.1131·2).
Obstructive airways disease.

Ventox *Leiras, Fin.†.*
Oxitropium bromide (p.1129·2).
Obstructive airways disease.

Ventracid N *Repha, Ger.*
Sodium bicarbonate (p.1673·2); pancreatin (p.2360·1); curcuma (p.1473·2).
Gastrointestinal disorders.

Ventre Livre *CIF, Braz.†.*
Cascara (p.1715·2); docusate sodium (p.1725·1).
Constipation.

Ventricon N *Syxyl, Ger.*
Bismuth subnitrate (p.1711·2); calcium carbonate (p.1714·1); magnesium oxide (p.1744·1).
Gastrointestinal disorders.

Ventricor *Faromed, Austria†.*
⊗ Sotalol hydrochloride (p.1398·2).
Arrhythmias.

Ventrigutt N *Hanosan, Ger.*
Homoeopathic preparation.

ventri-loges N *Loges, Ger.*
Absinthium (p.2244·1); calamus (p.2271·3); gentian (p.2310·3).
Appetite loss; dyspepsia.

Ventrux *Cernelle, Switz.†.*
Enterococcus faecium (p.2372·3).
Gastrointestinal disorders; restoration of intestinal flora.

Venucreme *Permamed, Switz.*
Heparin sodium (p.1301·2); glycol salicylate (p.62·3); dimethyl sulfoxide (p.2022·1); lauromacrogol 600 (p.1916·1); dexpanthenol (p.2362·1).
Phlebitis; soft-tissue disorders; venous insufficiency.

Venugel *Permamed, Switz.*
Heparin sodium (p.1301·2); glycol salicylate (p.62·3); dimethyl sulfoxide (p.2022·1); lauromacrogol 600 (p.1916·1); dexpanthenol (p.2362·1).
Phlebitis; soft-tissue disorders; venous insufficiency.

Venusmin *Bushnell, India.*
Diosmin (p.2304·2).
Bleeding during intra-uterine device use; haemorrhoids; menorrhagia; metrorrhagia; varicose veins.

Venustas Antiforfora *BPR, Ital.†.*
Cinchona succirubra (p.2282·3).
Seborrhoeic dermatitis.

Venutabs *Permamed, Switz.*
Troxerutin (p.2305·1).
Haemorrhoids; venous insufficiency.

Venxin *Decomed, Port.*
Venlafaxine hydrochloride (p.427·3).
Anxiety; depression; mixed anxiety depressive states; panic disorder; social phobia.

Venyl *Dolisos, Fr.†.*
⊗ Butcher's broom (p.2270·3); hesperidin methyl chalcone (p.2305·2); ascorbic acid (p.1983·3).
Haemorrhoids; peripheral vascular disorders.

Venzadril *More, Philipp.*
⊗ Salbutamol sulfate (p.1131·3); guaifenesin (p.1561·3).
Respiratory-tract disorders associated with bronchospasm and excess mucus.

Vepan *Indoco, India.*
Cefadroxil (p.218·1).
Bacterial infections.

Vepen *Lacefa, Arg.†.*
Vitamin A; vitamin C; vitamin D; minerals (p.1922·1).

Vepesid *BMS, Arg.; BMS, Austral.; BMS, Austria; BMS, Belg.; BMS, Braz.; Bristol, Canad.; BMS, Cz.; BMS, Denm.; BMS, Fin.; BMS, Ger.; BMS, Gr.; BMS, Hong Kong; BMS, Hung.; BMS, Irl.; BMS, Israel†; BMS, Ital.; BMS, Malaysia†; BMS, Mex.; BMS, NZ; BMS, Neth.; BMS, Norw.; BMS, Philipp.; BMS, Pol.; BMS, Port.; BMS, Rus.; BMS, S.Afr.; BMS, Singapore†; BMS, Spain; BMS, Swed.; BMS, Switz.; BMS, Thai.; BMS, Turk.; BMS, UK; BMS Oncology, USA.*
Etoposide (p.718·1).
Malignant neoplasms.

Vepeside *Genopharm, Fr.*
Etoposide (p.718·1).
Malignant neoplasms.

Vepicombin *Nycomed, Denm.*
Phenoxymethylpenicillin potassium (p.314·2).
Bacterial infections.

Vepiltax *Tecnofarma, Mex.*
Verapamil (p.1423·2).
Hypertension.

Vera *ABZ, Ger.; CT, Ger.*
Verapamil hydrochloride (p.1421·1).
Angina pectoris; arrhythmias; hypertension.

Verabeta *Betapharm, Ger.*
Verapamil hydrochloride (p.1421·1).
Angina pectoris; arrhythmias; hypertension; myocardial infarction.

Veracaps *Sigma, Austral.*
Verapamil hydrochloride (p.1421·1).
Angina pectoris; hypertension.

Veracapt *Ebewe, Austria.*
Verapamil hydrochloride (p.1421·1); captopril (p.1239·2).
Hypertension.

Veracef *BMS, Mex.; BMS, Venez.*
Cefradine (p.233·1).
Bacterial infections.

Veracol *Demo, Gr.*
Ceftriaxone sodium (p.237·1).
Bacterial infections.

Veracolate
Note. This name is used for preparations of different composition.
Elea, Arg.; Pfizer, Thai.
Bile salts (p.2266·2); cascara (p.1715·2); phenolphthalein (p.1762·1); capsicum oleoresin (p.2276·2).
Biliary-tract disorders; constipation; intestinal motility disorders.

Aspen, S.Afr.†.
Cascara sagrada (p.1715·2); phenolphthalein (p.1762·1).
Constipation.

Veracor *Dexxon, Israel; Cofasa, Venez.*
Verapamil hydrochloride (p.1421·1).
Angina pectoris; arrhythmias; hypertension.

Veracur *Typharm, UK.*
Formaldehyde (p.1644·2).
Verrucas; warts.

Veracuril *Fada, Arg.*
Oxytocin (p.2015·2).
Labour induction.

Veradin *Novartis, Chile†.*
Paracetamol (p.108·1); aspirin (p.20·3); caffeine (p.1116·3).
Pain.

Veradol *Serch, Arg.†.*
Naproxen (p.92·3).
Inflammation; pain.

Veragamma *Worwag, Ger.*
Verapamil hydrochloride (p.1421·1).
Angina pectoris; arrhythmias; hypertension.

Veragel
Note. This name is used for preparations of different composition.
United American, Hong Kong; Great Eastern, Thai.; United American, Thai.
Aluminium hydroxide-magnesium carbonate co-dried gel (p.1707·2); dimethicone (p.1770·2); dicycloverine hydrochloride (p.1722·3).
Dyspepsia; gastric hyperacidity; gastritis; heartburn; peptic ulcer.

UAP, Indon.
Aluminium hydroxide-magnesium carbonate co-dried gel (p.1707·2).
Gastrointestinal disorders.

Veragel DMS *United American, Singapore.*
Aluminium hydroxide-magnesium carbonate co-dried gel (p.1707·2); dimeticone (p.1770·2); dicycloverine hydrochloride (p.1722·3).
Duodenitis; dyspepsia; flatulence; gastric hyperacidity; gastritis; gastro-oesophageal reflux; gastrointestinal motility disorders; heartburn; peptic ulcer; pylorospasm.

Verahexal *Hexal, Austral.; Hexal, Cz.; Hexal, Ger.; Hexal, S.Afr.*
Verapamil hydrochloride (p.1421·1).
Angina pectoris; arrhythmias; hypertension; obstructive hypertrophic cardiomyopathy.

Verakard *Nycomed, Norw.*
Verapamil hydrochloride (p.1421·1).
Angina pectoris; arrhythmias; hypertension.

Veraken *Kener, Mex.*
Verapamil (p.1423·2).

Veral
Note. This name is used for preparations of different composition.
Investi, Arg.
Verapamil hydrochloride (p.1421·1).
Angina pectoris; arrhythmias; hypertension; myocardial infarction.

Herbacos, Cz.; SL-Farma, Hung.†.
Diclofenac sodium (p.44·3).
Gout; inflammation; musculoskeletal, joint, peri-articular, and soft-tissue disorders; pain.

Zentiva, Pol.
Diclofenac (p.44·2).
Gout; musculoskeletal, joint, peri-articular, and soft-tissue disorders.

Veraldid *Chobet, Arg.*
Troxerutin (p.2305·1); magnesium ascorbate (p.1679·1).
Varices.

Vera-Lich *Winthrop, Ger.*
Verapamil hydrochloride (p.1421·1).
Angina pectoris; arrhythmias; hypertension.

Veraligral *Sanofi Synthelabo, Mex.*
Veralipride (p.1035·2).
Menopausal disorders.

Veralipral *Finadiet, Arg.*
Veralipride (p.1035·2).
Menopausal disorders.

Veralipral T *Finadiet, Arg.*
Veralipride (p.1035·2); bromazepam (p.964·3).
Menopausal disorders.

Veralipril *Sanofi Synthelabo, Ital.†.*
Veralipride (p.1035·2).
Menopausal disorders.

Veraljin *Radyum, Turk.*
Dipyrone (p.49·2).
Fever; pain.

Veraloc *Orion, Denm.*
Verapamil hydrochloride (p.1421·1).
Angina pectoris; arrhythmias; hypertension; myocardial infarction.

Veralox *Demo, Gr.*
Omeprazole (p.1753·1).
Acid aspiration; eradication of Helicobacter pylori in combination with antimicrobials; gastro-oesophageal reflux; peptic ulcer; Zollinger-Ellison syndrome.

Veramex *Sanofi Synthelabo, Ger.*
Verapamil hydrochloride (p.1421·1).
Angina pectoris; arrhythmias; hypertension; myocardial infarction.

Veramil
Ducto, Braz.; Orion, Irl.
Verapamil hydrochloride (p.1421·1).
Angina pectoris; arrhythmias; hypertension.

Themis Chemicals, India.
Verapamil (p.1423·2).
Angina pectoris; arrhythmias; hypertension.

Veramina *Roux-Ocefa, Arg.*
Fosfomycin calcium (p.278·2) or fosfomycin sodium (p.278·2).
Bacterial infections.

Veramon *Sofar, Ital.*
Propyphenazone (p.119·3); paracetamol (p.108·1).
Fever; pain.

Veramyst *GSK, USA.*
⊗ Fluticasone furoate (p.1533·2).
Allergic rhinitis.

Veranorm *Alpharma-Isis, Ger.*
Verapamil hydrochloride (p.1421·1).
Angina pectoris; arrhythmias; hypertension.

Veranzol *Collins, Mex.*
Albendazole (p.139·2).
Worm infections.

Verap *Rowex, Irl.*
Verapamil hydrochloride (p.1421·1).
Angina pectoris; hypertension.

Verapabene *Ratiopharm, Austria.*
Verapamil hydrochloride (p.1421·1).
Angina pectoris; arrhythmias; heart failure; hypertension; hypertrophic obstructive cardiomyopathy.

Verapal *Lafedar, Arg.†.*
Verapamil hydrochloride (p.1421·1).
Angina pectoris; arrhythmias.

Verapam *Streuli, Switz.*
Verapamil hydrochloride (p.1421·1).
Angina pectoris; arrhythmias; cardiomyopathy; coronary spasm; hypertension; myocardial infarction.

Verapime *Demo, Gr.*
Cefepime (p.224·1).
Bacterial infections.

Verapin *Berlin Pharm, Thai.*
Verapamil hydrochloride (p.1421·1).
Angina pectoris; arrhythmias; heart failure; hypertension.

Veraplex *Teva Tuteur, Arg.; Teva, Belg.; Pharmachemie, Indon.; Pharmachemie, Malaysia; Teva, Rus.*
Medroxyprogesterone acetate (p.2113·1).
Breast cancer; endometrial cancer.

Verapress *Dexcel, Israel; Dexcel, UK.*
Verapamil hydrochloride (p.1421·1).
Angina pectoris; hypertension.

Veraptin *Boniscontro & Gazzone, Ital.*
Verapamil hydrochloride (p.1421·1).
Angina pectoris; arrhythmias; hypertension; myocardial infarction.

Verasal *TAD, Ger.*
Verapamil hydrochloride (p.1421·1).
Angina pectoris; arrhythmias; hypertension.

Veraskin *Pharma 2000, Fr.*
Aloe vera (p.1588·2).
Skin disorders; superficial burns and wounds.

Veraspir *Alodial, Port.*
⊗ Salmeterol xinafoate (p.1135·1); fluticasone propionate (p.1533·2).
Obstructive airways disease.

Verastad *Stada, Austria.*
Verapamil hydrochloride (p.1421·1).
Angina pectoris; arrhythmias; hypertension; hypertrophic cardiomyopathy; myocardial infarction.

Veraten *Elea, Arg.*
⊗ Carvedilol (p.1241·3).
Heart failure; hypertension.

Veratide *Basics, Ger.*
⊗ Verapamil hydrochloride (p.1421·1); triamterene (p.1417·2); hydrochlorothiazide (p.1307·3).
Hypertension.

Veratran *Shire, Fr.*
Clotiazepam (p.980·3).
Alcohol withdrawal syndrome; anxiety.

Veratropan Composto *IQB, Braz.*
Hyoscine (p.1733·3); dipyrone (p.49·2).
Muscle spasm; pain.

Veratrum Med Complex *Dynamit, Austria.*
Homoeopathic preparation.

Veraval *Sanval, Braz.*
Verapamil hydrochloride (p.1421·1).
Angina pectoris; arrhythmias; hypertension.

Veravorin *Rafarm, Gr.*
Calcium folinate (p.1943·3).
Antidote to folic acid antagonists; megaloblastic anaemia.

Verax *Tosi, Hong Kong; Princeps, Ital.*
Benzydamine hydrochloride (p.27·3).
Mouth and throat disorders; vulvovaginal disorders.

Verazinc *Forest Pharmaceuticals, USA.*
Zinc sulfate (p.1999·2).
Dietary supplement.

Verbascum Complex *Blackmores, Austral.†.*
Verbascum thapsus (p.2413·3); marrubium vulgare (p.1564·1); pleurisy root (p.2370·1); liquorice (p.1740·3); ascorbic acid (p.1983·3); vitamin A acetate (p.1973·1).
Respiratory system disorders.

Verbinaf *Pliva, Cz.*
Terbinafine hydrochloride (p.546·3).
Fungal skin and nail infections.

Verbital *Faran, Gr.*
Bezafibrate (p.1232·1).
Hyperlipidaemias.

Verboril
Note. This name is used for preparations of different composition.
TRB, Arg.
Doxycycline hyclate (p.267·1).
Bacterial infections.

Chemedica, Austria; Faran, Gr.
Diacerein (p.41·3).
Osteoarthritis.

Verbram *Antibioticos, Mex.*
Tobramycin (p.354·1).
Bacterial eye infections.

Vercef *Ranbaxy, Cz.; Ranbaxy, Hong Kong; Ranbaxy, Hung.; Ranbaxy, Malaysia; Ranbaxy, Pol.; Ranbaxy, Rus.; Ranbaxy, S.Afr.; Ranbaxy, Singapore; Ranbaxy, Thai.*
Cefaclor (p.217·2).
Bacterial infections.

Vercite *Abbott, Ital.*
Pipobroman (p.763·3).
Chronic myeloid leukaemia; polycythaemia vera.

Vercol *Viofar, Gr.*
Lisinopril (p.1325·2).
Heart failure; hypertension; myocardial infarction.

Vercure *Tempo Scan Pacific, Indon.*
Betahistine mesilate (p.2265·1).
Ménière's disease; vertigo.

Vercyte *Abbott, Fr.*
Pipobroman (p.763·3).
Polycythaemia vera.

Verdal
Note. This name is used for preparations of different composition.
Olvos, Gr.
⊗ Fluprednidene (p.1533·1); miconazole (p.541·2).
Fungal skin infections with inflammation.

Falqui, Ital.†.
Aspirin (p.20·3); paracetamol (p.108·1); caffeine (p.1116·3).
Fever; influenza symptoms; pain.

Verdazol *Pharlab, Braz.†.*
Albendazole (p.139·2).
Worm infections.

Verdeso *Connetics, USA.*
⊗ Desonide (p.1525·1).

Verdilac *Cryopharma, Mex.*
Verapamil (p.1423·2).
Angina pectoris; arrhythmias.

Verecolene CM *GSK Consumer, Ital.*
Bisacodyl (p.1710·1).
Constipation.

Veregen *Bradley, USA.*
Sinecatechins (p.1613·2).
Anogenital warts.

Verel *Astellas, Ital.*
Salicylic acid (p.1612·2); lactic acid (p.2329·3); copper acetate (p.2287·3).
Hard skin; verrucas; warts.

Verelait *Bouty, Ital.*
Lactulose (p.1738·2).
Constipation.

Verelan *OEP, Philipp.; Schwarz, USA.*
Verapamil hydrochloride (p.1421·1).
Angina pectoris; arrhythmias; hypertension.

Verfid *Continentales, Mex.*
Piperazine (p.152·3).
Amoebiasis; worm infections.

Vergentan *Sanofi Synthelabo, Ger.*
Alizapride hydrochloride (p.1704·3).
Nausea and vomiting; radiation sickness.

Vergeturine *Bailleul, Fr.*
Vitamins (p.1922·1).
Skin disorders.

Vergo *Pacific, NZ.*
Betahistine hydrochloride (p.2265·1).
Ménière's disease.

Vergon *Marnel, USA†.*
Meclozine hydrochloride (p.584·3).

Vericaps *Ovelle, Irl.*
Salicylic acid (p.1612·2).
Warts.

Vericin *Giempi, Venez.*
Cinnarizine (p.573·1).
Cerebral and peripheral vascular disorders; vestibular disorders.

Vericordin *Lazar, Arg.*
⊗ Atenolol (p.1217·3).
Angina pectoris; hypertension.

Vericordin Compuesto *Lazar, Arg.*
⊗ Atenolol (p.1217·3); hydrochlorothiazide (p.1307·3); amiloride hydrochloride (p.1209·2).
Hypertension.

Vericort *Viofar, Gr.*
⊗ Budesonide (p.1520·1).
Allergic rhinitis; topical corticosteroid.

Verilax *Bernabo, Arg.*
Sodium picosulfate (p.1771·1).
Constipation.

Verile *Medikon, Indon.*
Salicylic acid (p.1612·2); boric acid (p.2268·1); resorcinol (p.1612·1); allantoin (p.1588·1); triclosan (p.1665·2).
Acne.

Verintex *Pekana, Ger.†.*
Homoeopathic preparation.

Verintex N *Pekana, Ger.†.*
Homoeopathic preparation.

Verisan
Note. This name is used for preparations of different composition.
CT, Ital.
Citalopram hydrochloride (p.385·3).
Anxiety disorders; depression.

Knoll, Mex.†.
Aesculus (p.2248·2).
Venous insufficiency.

Veriscal D *Faes, Spain.*
Calcium carbonate (p.1714·1); colecalciferol (p.1986·2).
Calcium and vitamin D deficiency; osteoporosis.

Verisop *Gerard, Irl.*
Verapamil hydrochloride (p.1421·1).
Angina pectoris; hypertension; supraventricular tachycardia.

Verispasmin *Recordati, Gr.*
Flavoxate hydrochloride (p.2190·1).
Urinary-tract disorders.

Verladyn *Verla, Ger.*
Dihydroergotamine mesilate (p.618·2).
Hypotension; migraine and related vascular headaches.

Verla-Lipon *Verla, Ger.*
Thioctic acid (p.2400·2) or ethylenediamine thioctate (p.2400·2).
Diabetic polyneuropathy.

Verlost *Rafarm, Gr.*
Ranitidine hydrochloride (p.1766·1).
Conditions where gastric acid reduction is beneficial; gastric hypersecretion including Zollinger-Ellison syndrome; peptic ulcer.

Vermalon *Vargas, Venez.*
Mebendazole (p.148·3).
Worm infections.

Vermazol *Ulagay, Turk.*
Mebendazole (p.148·3).
Worm infections.

Vermectil *Cifarma, Braz.*
Ivermectin (p.145·2).
Filariasis; onchocerciasis; pediculosis; scabies; strongyloidiasis.

Vermex *Hua, Thai.*
Piperazine citrate (p.152·3).
Ascariasis; enterobiasis.

Vermi *Quimpe, Spain.*
Piperazine adipate (p.152·3).
Worm infections.

Vermiben *Cifarma, Braz.*
Mebendazole (p.148·3).
Worm infections.

Vermiclase *Cifarma, Braz.*
Albendazole (p.139·2).
Worm infections.

Vermicol *Degorts, Mex.*
Mebendazole (p.148·3).
Worm infections.

Vermidil *Diba, Mex.*
Mebendazole (p.148·3).
Worm infections.

Vermidon
Note. This name is used for preparations of different composition.
Ilsan, Turk.
Syrup: Paracetamol (p.108·1).
Fever; pain.

Ilsan, Turk.
Tablets: Paracetamol (p.108·1); caffeine (p.1116·3).
Fever; pain.

Vermidon Cold *Ilsan, Turk.*
Paracetamol (p.108·1); chlorphenamine (p.572·2); pseudoephedrine (p.1571·2).
Respiratory-tract congestion.

Vermidon Hot *Ilsan, Turk.*
Paracetamol (p.108·1); chlorphenamine (p.572·2); phenylephrine (p.1568·1).
Fever; pain.

Vermifran *Faria, Braz.†.*
Piperazine hydrate (p.153·1).
Ascariasis; enterobiasis.

Vermifuge *Sorin-Maxim, Fr.†.*
Piperazine hydrate (p.153·1).
Intestinal nematode infections.

Vermilan *Quimica y Farmacia, Mex.†.*
Albendazole (p.139·2).
Worm infections.

Vermilen *Quimioterapica, Braz.†.*
Piperazine (p.152·3).
Ascariasis; enterobiasis.

Vermilen Composto *Quimioterapica, Braz.†.*
Piperazine (p.152·3); tiabendazole (p.156·2).
Worm infections.

Vermin
Note. This name is used for preparations of different composition.
Ratiopharm, Fin.
Verapamil hydrochloride (p.1421·1).
Angina pectoris; arrhythmias; hypertension; myocardial infarction.

Streger, Mex.
Piperazine (p.152·3).
Worm infections.

Vermin Plus *Streger, Mex.*
Albendazole (p.139·2).
Intestinal nematode infections.

Vermin-Dazol *Streger, Mex.*
Mebendazole (p.148·3).
Worm infections.

Vermine *Pharmasant, Thai.*
Verapamil hydrochloride (p.1421·1).
Angina pectoris; arrhythmias; hypertension.

Verminon *Simoes, Braz.†.*
Mebendazole (p.148·3).
Worm infections.

Vermirax *Johnson & Johnson, Braz.†.*
Mebendazole (p.148·3).
Worm infections.

Vermis *Utopian, Thai.*
Aciclovir (p.862·3).
Herpes simplex infections.

Vermisen *Novag, Mex.*
Albendazole (p.139·2).
Worm infections.

Vermisol *Khandelwal, India.*
Levamisole (p.147·2).
Worm infections.

Vermital *Elofar, Braz.*
Albendazole (p.139·2).
Worm infections.

Vermixide *Polipharm, Thai.*
Albendazole (p.139·2).
Worm infections.

Vermizym *Bittermedizin, Ger.†.*
Papain (p.2362·3).
Worm infections.

Vermoil *Farmo Quimica, Chile.*
Albendazole (p.139·2).
Worm infections.

Vermol *Faria, Braz.†.*
Mebendazole (p.148·3); tiabendazole (p.156·2).
Worm infections.

Vermoplex *Cimed, Braz.*
Mebendazole (p.148·3).
Worm infections.

Vermoral *Legrand, Braz.*
Mebendazole (p.148·3).
Worm infections.

Vermox *Janssen-Cilag, Austral.; Janssen-Cilag, Belg.; Janssen-Ortho, Canad.; Janssen-Cilag, Cz.; Janssen-Cilag, Denm.; Janssen-Cilag, Ger.; Janssen-Cilag, Gr.; Janssen, Hong Kong; Gedeon Richter, Hung.; Janssen-Cilag, Indon.; Janssen-Cilag, Irl.; Janssen-Cilag, Israel; Janssen-Cilag, Ital.; Janssen-Cilag, Malaysia; Janssen-Cilag, Mex.; Janssen-Cilag, NZ; McNeil, Neth.; Janssen-Cilag, Norw.; Richter, Pol.; Gedeon Richter, Rus.; Janssen-Cilag, S.Afr.; Janssen-Cilag, Swed.; Janssen-Cilag, Switz.; Janssen-Cilag, UK; Janssen, USA.*
Mebendazole (p.148·3).
Worm infections.

Vermox-Plus *Janssen-Cilag, Mex.*
Mebendazole (p.148·3); quinfamide (p.846·2).
Worm infections.

Vernarin *Nakornpatana, Thai.*
Cinnarizine (p.573·1).
Cerebral and peripheral vascular disorders; migraine; motion sickness; vestibular disorders.

Vernies *Parke, Davis, Spain.*
Glyceryl trinitrate (p.1296·2).
Angina pectoris; heart failure; myocardial infarction.

Vernleigh Baby Cream *Adcock Ingram, S.Afr.*
Zinc oxide (p.1621·2); starch.
Skin disorders.

Verocod *Viofar, Gr.*
Butamirate citrate (p.1553·1).
Cough.

Verodex *Opus Materia, Gr.*
Bicalutamide (p.686·2).
Prostatic cancer.

Verogalid *Ivax, Cz.; Ivax, Hung.†; Galena, Rus.*
Verapamil hydrochloride (p.1421·1).
Angina pectoris; arrhythmias; hypertension; myocardial infarction; obstructive hypertrophic cardiomyopathy.

Verolax *Angelini, Ital.; Lepori, Port.; Farma Lepori, Spain.*
Glycerol (p.2314·2).
Constipation.

Verolin *Demo, Gr.†.*
Serrapeptase (p.2385·3).
Inflammatory disorders.

Verona
Note. This name is used for preparations of different composition.
Solas, Indon.
Javanese turmeric (p.2406·3); milk thistle (p.1452·1); lecithin (p.2332·2).
Liver disorders.

Herbion, Rus.
Tribulus terrestris (p.2404·1); withania; dolichos pruriens; argyreia speciosa.
Sexual functional disorders in men.

Veroptin *Ilsan, Turk.*
Verapamil hydrochloride (p.1421·1).
Angina pectoris; arrhythmias; hypertension.

Veroptinstada *Stada, Ger.*
Verapamil hydrochloride (p.1421·1).
Angina pectoris; arrhythmias; hypertension.

Verorab *Sanofi Pasteur, Arg.; Aventis Pasteur, Braz.†; Sanofi Pasteur, Chile; Sanofi Pasteur, Cz.; Sanofi Pasteur, Hong Kong; Sanofi Pasteur, Indon.; Sanofi Pasteur, Malaysia; Aventis Pasteur, Philipp.; Aventis Pasteur, Pol.; Aventis, S.Afr.; Sanofi Pasteur, Thai.; Sanofi Pasteur, Venez.*
A rabies vaccine (Wistar PM/WI 38-1503-3M strain) (p.2234·1).
Active immunisation.

Verospiron *Gedeon Richter, Cz.; Hormosan, Ger.; Gedeon Richter, Hung.; Richter, Pol.; Gedeon Richter, Rus.*
⊗ Spironolactone (p.1400·1).
Hepatic cirrhosis with ascites; hyperaldosteronism; hypertension; hypokalaemia; nephrotic syndrome; oedema.

Verotina *Libbs, Braz.*
Fluoxetine hydrochloride (p.391·2).
Bulimia nervosa; depression; obsessive-compulsive disorder; premenstrual dysphoric disorder.

Verotonil *Bago, Chile†.*
Vitamins; minerals; ginseng; rutoside; lecithin (p.1922·1).
Dietary supplement; tonic.

Veroven *Lepori, Port.*
⊗ Hidrosmin (p.2305·2).
Chronic venous insufficiency.

Veroxil
Note. This name is used for preparations of different composition.
Anfarm, Gr.
Lisinopril (p.1325·2).
Heart failure; hypertension; myocardial infarction.

Baldacci, Ital.
⊗ Indapamide (p.1314·1).
Hypertension.

Verpamil *Orion, Fin.; Orion, Malaysia; Pacific, NZ; Orion, Singapore.*
Verapamil hydrochloride (p.1421·1).
Angina pectoris; arrhythmias; hypertension; myocardial infarction.

Verpir *Kleva, Gr.*
Aciclovir (p.862·3).
Labial and genital herpes simplex infections.

Verpirol *Proula, Venez.*
Piperazine (p.152·3).
Ascariasis; oxyuriasis.

Verra-med *Phoenix, Hung.; Permamed, Switz.*
Tretinoin (p.1618·1); salicylic acid (p.1612·2); dimethyl sulfoxide (p.2022·1).
Warts.

Verruca Hermal *Olvos, Gr.*
Salicylic acid (p.1612·2); fluorouracil (p.722·2).
Verrucas.

Verruca Removal *SSL, Cz.*
Salicylic acid (p.1612·2).
Verrucas.

Verrucare *Medinfar, Port.*
Salicylic acid (p.1612·2); lactic acid (p.2329·3); fluorouracil (p.722·2).
Warts.

Verrucid *Galen, Ger.*
Salicylic acid (p.1612·2).
Calluses; corns; warts.

Verruclean *LDA, Arg.*
Lactic acid (p.2329·3); salicylic acid (p.1612·2).
Warts.

Verrufilm
Note. This name is used for preparations of different composition.
Biorga, Fr.; Isopharm, Hong Kong.
Lactic acid (p.2329·3); salicylic acid (p.1612·2).
Warts.

Medinfar, Port.; SSL, Switz.†.
Salicylic acid (p.1612·2).
Corns; verrucas; warts.

Verrugard *Atlas, Arg.*
Salicylic acid (p.1612·2); tretinoin (p.1618·1); dimethyl sulfoxide.
Warts.

Verrugon *Ransom, UK.*
Salicylic acid (p.1612·2).
Verrucas.

Verrulia *Boiron, Fr.*
Homoeopathic preparation.

Verrulyse-Methionine *CS, Fr.*
Magnesium oxide (p.1744·1); methionine (p.1450·1); calcium glycerophosphate (p.1676·1); ferric glycerophosphate (p.2315·2); manganese glycerophosphate (p.2315·2).
Warts.

Verrumal
Note. This name is used for preparations of different composition.
Hermal, Austria; Hermal, Cz.; Hermal, Ger.; Hermal, Hong Kong; Hermal, Hung.; Hermal, Israel; Hermal, Malaysia; Hermal, Singapore; Boots Healthcare, Switz.; Boots, Thai.; Hermal, Thai.
Fluorouracil (p.722·2); salicylic acid (p.1612·2); dimethyl sulfoxide (p.2022·1).
Warts.

Herrmann, Pol.; Almirall, Port.
Fluorouracil (p.722·2); salicylic acid (p.1612·2).
Actinic keratoses; verrucas; warts.

Verrupan *Pharmadeveloppement, Fr.*
Thuja (p.2400·3); salicylic acid (p.1612·2); lactic acid (p.2329·3).
Warts.

Verrupatch *Vinas, Spain.*
Salicylic acid (p.1612·2).
Warts.

Verruplan *Vinas, Spain.*
Salicylic acid (p.1612·2).
Warts.

Verrupor *Sella, Ital.*
Trichloroacetic acid (p.1620·1).
Hard skin; verrucas; warts.

Verrutol *Orva, Turk.*
Salicylic acid (p.1612·2); fluorouracil (p.722·2).
Warts.

Verrutopic *Andromaco, Arg.*
Salicylic acid (p.1612·2); lactic acid (p.2329·3).
Hyperkeratosis; warts.

Verrutopic AS *Andromaco, Arg.*
Salicylic acid (p.1612·2).
Warts.

Verrutrix *Pharmatrix, Arg.*
Salicylic acid (p.1612·2).
Warts.

Verrux *Theraskin, Braz.*
Salicylic acid (p.1612·2); lactic acid (p.2329·3).
Hard skin; keratinisation disorders; warts.

Verruxane *ICN, Arg.†.*
Salicylic acid (p.1612·2).
Warts.

Versa *Humco, USA.*
A range of pharmaceutical bases.

Versacaps *Seatrace, USA.*
Pseudoephedrine hydrochloride (p.1571·2); guaifenesin (p.1561·3).
Coughs.

Versal *Schering-Plough, Denm.†; Schering-Plough, Norw.†; Pro Medica, Swed.*
Loratadine (p.583·3).
Allergic conjunctivitis; allergic rhinitis; allergic skin disorders; urticaria.

Versalba *Faran, Gr.*
Bendazac (p.27·1).
Inflammatory skin conditions.

Versamiv *Novag, Mex.*
Diiodohydroxyquinoline (p.832·1).
Amoebiasis.

Versant *Imperial, Philipp.*
Felodipine (p.1285·3).
Hypertension.

Versatic *Duncan, Arg.*
Cefadroxil (p.218·1).
Bacterial infections.

Versatil
Note. This name is used for preparations of different composition.
Unipharma, Gr.
⊗ Celiprolol hydrochloride (p.1242·2).
Hypertension.

Stadmed, India†.
Rofecoxib (p.121·1).
Osteoarthritis; pain; rheumatoid arthritis.

Versatis *Grunenthal, Fr.; Grunenthal, Rus.; Grunenthal, UK.*
Lidocaine (p.1862·3).
Local anaesthesia; postherpetic neuropathic pain.

Versed
Roche, Canad.†; Roche, USA†.
Midazolam hydrochloride (p.1007·3).
General anaesthesia; premedication; sedative.

Roche, Fr.
Midazolam (p.1007·3).
Sedative.

Versef *Ranbaxy, Philipp.*
Cefaclor (p.217·2).
Bacterial infections.

Versel *Valeo, Canad.*
Selenium sulfide (p.1613·1).
Fungal skin infections.

Versiclear *Hope, USA.*
Sodium thiosulfate (p.1466·1); salicylic acid (p.1612·2).
Fungal infections.

Versid *Mulda, Turk.*
Mebendazole (p.148·3).
Worm infections.

Versigen *Chew, Thai.*
Gentamicin (p.284·2).
Bacterial skin infections.

Versilon *Mersifarma, Indon.*
Betahistine mesilate (p.2265·1).
Ménière's disease.

Versiva *Convatec, Ital.; Convatec, Port.†.*
Foamed hydrogel.
Burns; wounds.

Versol *Aguettant, Fr.†; Aguettant, UK.*
Sodium chloride (p.1686·1) or water for irrigation.

Versterkdruppels *Lennon, S.Afr.*
Cinchona bark (p.2282·3); gentian (p.2310·3); dried bitter-orange peel (p.2357·1); quassia (p.2377·1).
Dyspepsia.

Versus *CSC, Austria; Angelini, Ital.*
Bendazac (p.27·1).
Skin disorders.

Vertab *Trinity, UK.*
Verapamil hydrochloride (p.1421·1).
Angina pectoris; hypertension.

Verteblan *Demo, Gr.†.*
Dihydroergotamine (p.618·2).
Migraine.

Vertebralon N *Eberth, Ger.†.*
Glycol salicylate (p.62·3); nonivamide (p.96·2); salicylic acid (p.1612·2).
Musculoskeletal, joint, and soft-tissue disorders.

Vertel *Bial, Port.†.*
Pyrantel embonate (p.155·1).

Vertex
Note. This name is used for preparations of different composition.
Meprofarm, Indon.
Betahistine mesilate (p.2265·1).
Ménière's disease; vertigo.

Carnot, Mex.†.
Mebendazole (p.148·3).
Worm infections.

Vertigeron *Greenpharma, Braz.*
Cinnarizine (p.573·1).
Vestibular disorders.

Vertigil *Cipla, India.*
Cinnarizine (p.573·1); domperidone (p.1726·2).

Vertiginkgo *Midax, Ital.*
Ginkgo biloba (p.2311·1); vitamin C; vitamin E; manganese (p.1922·1).
Nutritional supplement.

Vertigium *Neo Quimica, Braz.*
Flunarizine hydrochloride (p.580·2).

Vertigo Hevert SL *Hevert, Ger.*
Homoeopathic preparation.

Vertigoheel *Peithner, Austria; Heel, Cz.; Heel, Ger.; Heel, Neth.; Heel, S.Afr.; Heel, USA.*
Homoeopathic preparation.

Vertigo-Hevert *Hevert, Ger.*
Homoeopathic preparation.

Vertigo-Meresa *Dolorgiet, Ger.*
Sulpiride (p.1028·3).
Ménière's disease.

Vertigon *Gerard, Irl.*
Betahistine hydrochloride (p.2265·1).
Ménière's disease.

vertigo-neogama *Hormosan, Ger.*
Sulpiride (p.1028·3).
Vestibular disorders.

Vertigopas *Pascoe, Ger.*
Homoeopathic preparation.

Vertigo-Vomex *Astellas, Ger.; Galenica, Gr.*
Dimenhydrinate (p.576·2).
Nausea; vertigo; vestibular disorders.

Vertilate *Crisdy-Na, Philipp.*
Betahistine mesilate (p.2265·1).
Ménière's disease; vertigo.

Vertilium *Macrophar, Thai.*
Flunarizine (p.580·3).
Migraine; vestibular disorders.

Vertin *Solvay, India.*
Betahistine hydrochloride (p.2265·1).
Ménière's syndrome; vertigo.

Vertipam *Orion, Fin.*
Diazepam (p.986·3); cyclizine hydrochloride (p.574·2); nicotinic acid (p.1957·3).
Vestibular disorders.

Vertiron *Cipla, India.*
Cinnarizine (p.573·1).

Vertirosan *Sigmapharm, Austria.*
Dimenhydrinate (p.576·2).
Migraine; motion sickness; nausea and vomiting; vestibular disorders.

Vertirosan Vitamin B_6 *Sigmapharm, Austria.*
Dimenhydrinate (p.576·2); pyridoxine hydrochloride (p.1978·2).
Migraine; motion sickness; nausea and vomiting; vestibular disorders.

Vertisal *Silanes, Mex.*
Metronidazole (p.837·1) or metronidazole benzoate (p.837·1).
Amoebiasis; anaerobic bacterial infections; giardiasis; trichomoniasis.

Vertiserc *Solvay, Ital.*
Betahistine hydrochloride (p.2265·1).
Vestibular disorders.

Vertisin *Littman, Philipp.*
Cinnarizine (p.573·1).
Cerebral and peripheral vascular disorders; motion sickness; vestibular disorders.

Vertivom *GMP, Indon.*
Metoclopramide hydrochloride (p.1747·3).
Gastrointestinal disorders.

Vertix *Ache, Braz.*
Flunarizine hydrochloride (p.580·2).
Vertigo.

Vertizine *Bernofarm, Indon.*
Cinnarizine (p.573·1).
Cerebral and peripheral vascular disorders; motion sickness.

Vertizine D *Ache, Braz.*
Dihydroergocristine mesilate (p.364·2); flunarizine hydrochloride (p.580·2).
Vertigo.

Vertizole *Rayere, Mex.*
Mebendazole (p.148·3).
Worm infections.

Vertuss *Madaus, Ital.*
Ivy (p.2328·1).
Coughs.

Verucid
Note. This name is used for preparations of different composition.
Galderma, Denm.; Galderma, Norw.
Salicylic acid (p.1612·2); lactic acid (p.2329·3).
Hard skin; warts.

Agis, Israel†.
Salicylic acid (p.1612·2); fluorouracil (p.722·2); dimethyl sulfoxide (p.2022·1).
Warts.

Lepori, Port.†.
Salicylic acid (p.1612·2).

Verufil *Stiefel, Spain.*
Lactic acid (p.2329·3); salicylic acid (p.1612·2).
Warts.

Verunec *Savoma, Ital.*
⊗ Salicylic acid (p.1612·2); lactic acid (p.2329·3); urea (p.1620·2).
Hard skin; verrucas; warts.

Verus *Unipharma, Gr.*
Citalopram (p.385·3).
Depression.

Verutex *Roche, Braz.*
Fusidic acid (p.279·3).
Bacterial skin infections.

Verutex B *Roche, Braz.*
⊗ Fusidic acid (p.279·3); betamethasone valerate (p.1519·1).
Infected skin disorders.

Verutil *Novartis, Venez.*
Troxerutin (p.2305·1).
Haemorrhoids; phlebitis; varices.

Very-Test *Serch, Arg.†.*
Pregnancy test (p.2372·1).

Verytracin *Diba, Mex.†.*
Erythromycin (p.269·2).
Bacterial infections.

Very-Vit *Diba, Mex.†.*
Vitamin and mineral preparation (p.1922·1).

Verzat *Randril, Philipp.*
Cefaclor (p.217·2).
Bacterial infections.

Verzatec *Medinfar, Port.*
Ramipril (p.1385·3).
Diabetic nephropathy; heart failure; hypertension; myocardial infarction.

Verzol *Delta, Braz.*
Mebendazole (p.148·3).
Worm infections.

Verzum *Elofar, Braz.*
Cinnarizine (p.573·1).
Vertigo.

Vesadol *Janssen-Cilag, Fr.†.*
Haloperidol (p.1000·2); buzepide metiodide (p.1714·1).
Gastrointestinal spasms associated with anxiety.

Vesagex *Rybar, Irl.; Co-Pharma, UK.*
Cetrimide (p.1634·1).
Burns; minor wounds; skin disorders; skin injuries, irritation, and inflammation.

Vesagex Heelbalm *Co-Pharma, UK.*
⊗ Allantoin (p.1588·1); peppermint oil (p.1761·2); urea (p.1620·2); moisturisers.
Dry, cracked skin on the heels and soles of the feet.

Vesalion *Nova Argentia, Arg.*
Diclofenac potassium (p.44·3) or diclofenac sodium (p.44·3).
Inflammation; musculoskeletal, joint, and peri-articular disorders; pain.

Vesalion B12 *Nova Argentia, Arg.*
⊗ Diclofenac potassium (p.44·3); betamethasone (p.1518·2); cyanocobalamin (p.1980·2).
Neuralgias.

Vesalion Flex *Nova Argentia, Arg.*
Diclofenac sodium (p.44·3); pridinol mesilate (p.1898·1).
Inflammation; muscle spasm; pain.

Vesalion Gesic *Nova Argentia, Arg.*
Diclofenac potassium (p.44·3); paracetamol (p.108·1).
Inflammation; pain.

Vesanoid *Roche, Arg.; Roche, Austral.; Roche, Austria; Roche, Belg.; Roche, Braz.; Roche, Canad.; Roche, Chile; Roche, Cz.; Roche, Fin.; Roche, Fr.; Roche, Ger.; Roche, Gr.; Roche, Hong Kong; Roche, Hung.†; Roche, Irl.; Roche, Israel; Roche, Ital.; Roche, Mex.; Roche, NZ; Roche, Neth.; Roche, Philipp.; Roche, Pol.; Roche, Port.; Roche, Rus.; Roche, S.Afr.; Roche, Singapore†; Roche, Spain; Roche, Switz.; Roche, Thai.; Roche, Turk.; Roche, UK; Roche, USA; Roche, Venez.*
Tretinoin (p.1618·1).
Acute promyelocytic leukaemia.

Vescopolamine *Vesco, Thai.*
Hyoscine butylbromide (p.1734·1).
Smooth muscle spasm.

Vesdil *AstraZeneca, Ger.; Promed, Ger.; AstraZeneca, Switz.*
Ramipril (p.1385·3).
Heart failure; hypertension; myocardial infarction; nephropathy.

Vesdil plus *AstraZeneca, Ger.; Promed, Ger.*
⊗ Ramipril (p.1385·3); hydrochlorothiazide (p.1307·3).
Hypertension.

Vesema *Pharmex (Φαρμεξ), Gr.*
Citalopram (p.385·3).
Depression.

Vesicare *Eurolab, Arg.; Arrow, Austral.; Astellas, Belg.; Astellas, Cz.; Yamanouchi, Denm.; Astellas, Fin.; Astellas, Fr.; Astellas, Gr.; Astellas, Hung.; Astellas, Indon.; Astellas, Jpn; CSL, NZ; Astellas, Neth.; Astellas, Norw.; Astellas, Pol.; Astellas, Port.; Astellas, Rus.; Astellas, S.Afr.; Astellas, Spain; Astellas, Swed.; Astellas, UK; GSK, USA.*
Solifenacin succinate (p.2196·1).
Bladder hyperactivity; bladder instability.

Vesiherb *Cesra, Ger.; Ruhrpharm, Ger.*
Cucurbita (p.2290·2).
Prostatic disorders.

Vesiker *Astellas, Ital.*
Solifenacin succinate (p.2196·1).
Bladder instability disorders.

Vesikur *Astellas, Ger.*
Solifenacin succinate (p.2196·1).
Urinary incontinence.

Vesilac *Yung Shin, Philipp.*
Bisacodyl (p.1710·1).
Bowel evacuation; constipation.

Vesirig *Aguettant, Fr.†.*
Sodium chloride (p.1686·1).
Lavage and irrigation.

Vesitirim *Astellas, Irl.*
Solifenacin succinate (p.2196·1).
Bladder instability.

Vesix *Leiras, Fin.*
⊗ Furosemide (p.1292·1).
Hypertension; oedema; renal failure.

Vesnidan *Medipharm, Chile.*
Hesperidin (p.2304·3); diosmin (p.2304·2).
Haemorrhoids; venous insufficiency.

Vesoph *Vesco, Thai.*
⊗ Dexamethasone sodium phosphate (p.1526·2); neomycin sulfate (p.305·1).
Infected eye and ear disorders.

Vesparax
Note.This name is used for preparations of different composition.
Lazar, Arg.
Quetiapine fumarate (p.1022·2).
Bipolar disorder; schizophrenia.
UCB, Port.†.
Hydroxyzine (p.581·2); brallobarbital (p.964·3); secobarbital (p.1027·3).

Vesprocin *Vesco, Thai.*
Ciprofloxacin (p.243·3).
Bacterial infections.

Vesprolid-HCL *Vesco, Thai.*
Triprolidine hydrochloride (p.592·3); pseudoephedrine hydrochloride (p.1571·2).
Cold symptoms; rhinitis; upper respiratory-tract congestion.

Vessel
Note.This name is used for preparations of different composition.
Farmion, Braz.†.
Cinnarizine (p.573·1).
Peripheral vascular disorders; vertigo.
Wassermann, Ital.; BioSaude, Port.
Sulodexide (p.1406·3).
Thrombosis prophylaxis; venous ulcer.

Vessel Due *Elmor, Venez.*
Sulodexide (p.1406·3).
Thromboembolic disorders.

Vessel Due F *Alfa Wassermann, Cz.; Alfa Wassermann, Hung.; Wassermann, Malaysia; Wassermann, Philipp.; Alfa Wassermann, Pol.; Alfa Wassermann, Rus.*
Sulodexide (p.1406·3).
Thrombosis; thrombosis prophylaxis.

Vesselvite *Bajamar, USA.*
Folic acid; vitamin B ; vitamin B ; vitamin E (p.1922·1).

Vessiflex *Wassermann, Ital.†.*
Sulodexide (p.1406·3); aminopropylone (p.19·1).
Inflammation; injuries associated with pain and swelling.

Vestaclav *Xepa-Soul Pattinson, Malaysia†.*
Amoxicillin (p.202·2); clavulanic acid (p.250·2).
Bacterial infections.

Vestam *Pharmasant, Thai.*
Ketoprofen (p.73·1).
Musculoskeletal, joint, peri-articular, and soft-tissue disorders.

Vestan *Vesco, Thai.*
Mefenamic acid (p.80·1).
Musculoskeletal and joint disorders; pain.

Vestax *Vargas, Venez.*
Paracetamol (p.108·1).
Fever; pain.

Vesthromycin *Vesco, Thai.*
Roxithromycin (p.331·1).
Bacterial infections.

Vestibo *Actavis, Rus.*
Betahistine hydrochloride (p.2265·1).
Vestibular disorders.

Vesxacin *Vesco, Thai.*
Norfloxacin (p.309·2).
Bacterial infections.

Vesyca *YSP, Malaysia.*
Ranitidine hydrochloride (p.1766·1).
Acid aspiration; gastro-oesophageal reflux; gastrointestinal haemorrhage; peptic ulcer; Zollinger-Ellison syndrome.

Vetamol *Viofar, Gr.*
Norfloxacin (p.309·2).
Urinary-tract infections.

Vetansil *IQB, Braz.*
Diazepam (p.986·3).
Anxiety; skeletal muscle spasm.

Vethisel *Rafarm, Gr.†.*
Cefradine (p.233·1).
Bacterial infections.

Vethoine *Wolfs, Belg.*
Phenytoin (p.495·2); phenobarbital (p.492·2); cascara (p.1715·2).
Epilepsy.

Vetilax *Helm, Port.*
Ispaghula (p.1737·1).
Constipation.

Vetio *Ivax, Arg.*
Mitomycin (p.752·1).
Malignant neoplasms.

Vetiprost *Ivax, Arg.*
⊗ Finasteride (p.2188·3).
Benign prostatic hyperplasia.

Vetren *Altana, Austria; Opfermann, Ger.*
Heparin sodium (p.1301·2).
Soft-tissue injury; superficial vascular disorders; venous insufficiency.

Vexamet *Vamsler, Philipp.*
⊗ Dexamethasone (p.1526·1).
Corticosteroid.

Vexicam *Chrispa (Χρισπα), Gr.*
Meloxicam (p.80·3).
Inflammatory disorders.

Vexol *Alcon, Austria; Alcon, Braz.; Alcon, Canad.; Alcon, Cz.†; Alcon, Denm.; Alcon, Fin.; Alcon, Fr.; Alcon, Ger.; Alcon, Gr.; Alcon, Hong Kong; Alcon, Hung.†; Alcon, Irl.; Alcon, Ital.; Alcon, Mex.; Alcon, Neth.; Alcon, Norw.; Alcon, Port.; Alcon Cusi, Spain; Alcon, Swed.; Alcon, Switz.; Alcon, Turk.; Alcon, UK; Alcon, USA.*
⊗ Rimexolone (p.1543·2).
Allergic conjunctivitis; inflammatory eye disorders; uveitis.

Vexolon *Alcon, Belg.*
⊗ Rimexolone (p.1543·2).
Inflammatory eye disorders.

Vexor *Cadila, India.*
Venlafaxine (p.430·1).
Depression.

Vexotil *Biomep, Mex.*
Enalapril (p.1276·1).
Hypertension.

Vexurat *Medinova (Μεντινοβα), Gr.*
Famotidine (p.1730·1).
Conditions where gastric acid reduction is beneficial; gastric hypersecretion including Zollinger-Ellison syndrome; peptic ulcer.

Veybirol-Tyrothyricine *Pierre Fabre, Fr.†.*
Solution A: formaldehyde (p.1644·2); solution B: tyrothricin (p.358·2).
Mouth infections.

Vfend *Pfizer, Arg.; Pfizer, Austral.; Pfizer, Austria; Pfizer, Belg.; Pfizer, Braz.; Pfizer, Canad.; Pfizer, Chile; Pfizer, Cz.; Pfizer, Denm.; Pfizer, Fin.; Pfizer, Fr.; Pfizer, Ger.; Pfizer, Gr.; Pfizer, Hong Kong; Pfizer, Hung.; Pfizer, Indon.; Pfizer, Irl.; Pfizer, Israel; Pfizer, Ital.; Pfizer, Malaysia; Pfizer, Mex.; Pfizer, NZ; Pfizer, Neth.; Pfizer, Norw.; Pfizer, Pol.; Pfizer, Port.; Pfizer, S.Afr.; Pfizer, Singapore; Pfizer, Spain; Pfizer, Swed.; Pfizer, Switz.; Pfizer, Thai.; Pfizer, UK; Roerig, USA.*
Voriconazole (p.550·1).
Fungal infections.

Vi Rid-Ready *Geritrex, USA.*
Octyldecyldimethylammonium chloride (p.1654·3); dioctyldimethylammonium chloride (p.1642·3); didecyldimethylammonium chloride (p.1642·2); benzalkonium chloride (p.1629·1).
Disinfectant.

Via Mal *Altana, Ital.*
Aspirin (p.20·3); caffeine (p.1116·3).
Aluminium hydroxide (p.1706·2) is included in this preparation in an attempt to limit the adverse effects of aspirin on the gastrointestinal mucosa.
Fever; pain.

Via Mal Traumagel *Altana, Ital.*
Diethylamine salicylate (p.47·2); heparin sodium (p.1301·2); menthol (p.2340·1).
Soft-tissue disorders.

Viabom *CPH, Port.*
Dimenhydrinate (p.576·2).
Motion sickness; vertigo.

Viaclav *Kalbe, Indon.*
Amoxicillin (p.202·2); clavulanic acid (p.250·2).
Bacterial infections.

Viactiv *McNeil Consumer, Canad.*
Calcium carbonate (p.1714·1); colecalciferol (p.1986·2).
Calcium and vitamin D supplement.

Viadent *Colgate-Palmolive, Canad.†.*
Sanguinaria (p.2383·2); sodium monofluorophosphate (p.1964·3).
Dental plaque; gingivitis.

Viaderm-KC *Taro, Canad.; AFT, NZ.*
⊗ Triamcinolone acetonide (p.1544·3); neomycin sulfate (p.305·1); nystatin (p.543·2); gramicidin (p.286·1).
Infected skin disorders.

Viadetres *Alacan, Spain†.*
Hydroxocobalamin (p.1980·3); pyritinol hydrochloride (p.369·1); prosultiamine (p.1975·3).
Vitamin B deficiency.

Viadil *Pharma Investi, Chile.*
Pargeverine hydrochloride (p.1761·1).
Nausea and vomiting; smooth muscle spasm.

Viadil Compuesto *Pharma Investi, Chile.*
Pargeverine hydrochloride (p.1761·1); metamizole magnesium (p.49·3).
Smooth muscle spasm and pain.

Viadoxin *Pyridam, Indon.*
Doxycycline hyclate (p.267·1).
Bacterial infections.

Viadur *Alza, USA†.*
⊗ Leuprorelin acetate (p.2111·1).
Prostatic cancer.

Viafen *Novartis Consumer, Ital.*
Bufexamac (p.28·3).
Dermatitis; insect stings; pruritus.

Viafurox *Fada, Arg.†.*
⊗ Furosemide (p.1292·1).
Diuresis.

Viagra *Pfizer, Arg.; Pfizer, Austral.; Pfizer, Austria; Pfizer, Belg.; Pfizer, Braz.; Pfizer, Canad.; Pfizer, Chile; Pfizer, Cz.; Pfizer, Denm.; Pfizer, Fin.; Pfizer, Fr.; Pfizer, Ger.; Pfizer, Gr.; Pfizer, Hong Kong; Pfizer, Hung.; Pfizer, India; Pfizer, Indon.; Pfizer, Irl.; Pfizer, Israel; Pfizer, Ital.; Pfizer, Jpn; Pfizer, Malaysia; Pfizer, Mex.; Pfizer, NZ; Pfizer, Neth.; Pfizer, Norw.; Pfizer, Philipp.; Pfizer, Pol.; Pfizer, Port.; Pfizer, Rus.; Pfizer, S.Afr.; Pfizer, Singapore; Pfizer, Spain; Pfizer, Swed.; Pfizer, Switz.; Pfizer, Thai.; Pfizer, Turk.; Pfizer, UK; Pfizer, USA; Pfizer, Venez.*
Sildenafil citrate (p.2193·1).
Erectile dysfunction.

Viajesan *Calox, Venez.*
Dimenhydrinate (p.576·2).
Nausea; vertigo.

Vialebex *Lab Francais du Fractionnement, Fr.*
⊗ Albumin (p.1052·1).
Hyperbilirubinaemia; plasma volume expansion.

Vial's tonischer Wein *Eberth, Ger.*
Calcium phospholactate; beef extract; cinchonine; wine.
Tonic.

Viani *Allen, Austria; GSK, Ger.; Allen, Gr.†; Euro Registratie, Neth.*
⊗ Salmeterol xinafoate (p.1135·1); fluticasone propionate (p.1533·2).
Asthma; obstructive airways disease.

Viapres *Crinos, Ital.*
Lacidipine (p.1322·2).
Hypertension.

Viarex *Schering-Plough, Israel.*
⊗ Beclometasone dipropionate (p.1516·2).
Asthma.

Viarin *Schering-Plough, Neth.*
⊗ Beclometasone dipropionate (p.1516·2).
Rhinitis.

Viarox *Essex, Ger.†; Schering-Plough, S.Afr.†.*
⊗ Beclometasone dipropionate (p.1516·2).
Asthma; obstructive airways disease; rhinitis.

Viartril
Rottapharm, Chile†.
Glucosamine sulfate (p.2313·2).
Lidocaine hydrochloride (p.1862·3) is included in the injection to alleviate the pain of injection.
Degenerative joint disorders.
Faran, Gr.; Bioresearch, Mex.†.
Glucosamine (p.2313·2).
Osteoarthritis.

Viartril Flex *Spedrog, Arg.*
Diclofenac sodium (p.44·3); pridinol mesilate (p.1898·1).

Viartril NF *Spedrog, Arg.*
Diclofenac sodium (p.44·3).
Viartril formerly contained rofecoxib.
Gout; inflammation; musculoskeletal and joint disorders; pain.

Viartril S
Rotta, Hong Kong; Rottapharm, Ital.†; Rotta, Malaysia; Pharmalink, Philipp.; Rotta, Philipp.; Delta, Port.; Rotta, Singapore.
Glucosamine sulfate (p.2313·2).
Lidocaine hydrochloride (p.1862·3) may be included in the intramuscular injection to alleviate the pain of injection.
Degenerative joint disorders; osteoarthritis.
Alian, Venez.
Glucosamine (p.2313·2).
Osteoarthritis.
Rotta, Thai.
Capsules; oral powder: Glucosamine sulfate (p.2313·2).
Musculoskeletal and joint disorders.
Rotta, Thai.
Injection: Glucosamine sulfate (p.2313·2).
Lidocaine hydrochloride (p.1862·3) is included in this preparation to alleviate the pain of injection.
Musculoskeletal and joint disorders.

Viasek *Leti, Venez.*
Sildenafil (p.2195·1).
Erectile dysfunction.

Viasil *SM, Venez.*
Sildenafil (p.2195·1).
Erectile dysfunction.

Viaspan *BMS, Austria; BMS, Fin.; IFET (ΙΦΕΤ), Gr.; Vianex (Βιανεξ), Gr.; Boots, Hong Kong; Du Pont, Hong Kong; BMS, Ital.; BMS, Malaysia†; BMS, Port.; BMS, Singapore†; BMS, Spain; BMS, Swed.*
Solution for flushing and cold storage of donor organs.

ViaSpan *BMS, Denm.; BMS, Neth.*
Solution for flushing and cold storage of donor organs.

ViATIM *Sanofi Pasteur, Ger.; Sanofi Pasteur, Irl.; Sanofi Pasteur, Neth.; Sanofi Pasteur, Port.; Aventis Pasteur, UK.*
An inactivated hepatitis A and typhoid (Vi capsular polysaccharide) vaccine (p.2217·2).
Active immunisation.

Viatol *Axcan, Fr.*
Anhydrous glucose; sodium chloride; potassium citrate (p.1672·2).
Diarrhoea; oral rehydration therapy.

Viatopin *GSK, Hung.*
Topotecan hydrochloride (p.780·1).
Ovarian cancer; small-cell lung cancer.

Viatromb *CSC, Austria; Medicom, Cz.*
Heparin sodium (p.1301·2).
Muscle and peri-articular disorders; oedema; phlebitis; soft-tissue injuries; superficial venous disorders; thrombophlebitis; ulcus cruris; varices.

Viavox *Sankyo, Venez.*
Diclofenac sodium (p.44·3).
Inflammation; musculoskeletal and joint disorders; pain.

Viaxal *Menarini, Gr.*
Dexketoprofen (p.73·3).
Inflammatory disorders.

Viaxol *Maver, Mex.*
Ambroxol (p.1550·3).
Respiratory-tract disorders.

Viazem *Biovail, Denm.†; Gea, Swed.†; Genus, UK.*
Diltiazem hydrochloride (p.1265·1).
Angina pectoris; hypertension.

Vi-Balsabron *Lacefa, Arg.†.*
Noscapine (p.1566·2); guaifenesin (p.1561·3); chlorphenamine (p.572·2).
Coughs.

Vibazine *Medibios, India†.*
Doxycycline hyclate (p.267·1).
Bacterial infections.

Vibeden *Hexal, Denm.*
Hydroxocobalamin (p.1980·3).
Megaloblastic anaemia; vitamin B deficiency.

Vibee *Biolab, Malaysia†; Biolab, Philipp.; Biolab, Singapore.*
Vitamin B ; vitamin B ; vitamin B (p.1922·1).
Vitamin B deficiency.

Viberol Tirotricina *Teofarma, Spain.*
Formaldehyde (p.1644·2); tyrothricin (p.358·2).
Mouth and throat inflammation; oral hygiene.

Vibion *Jean-Marie, Hong Kong.*
Vitamin B (p.1976·3); vitamin B (p.1979·1); vitamin B (p.1980·2).
Neuralgias; neuritis; neuropathies; vitamin B deficiency.

Vibolex E *MIP, Ger.*
d-Alpha tocoferil acetate (p.1992·3).
Vitamin E deficiency.

Vibovit *Polfa Kutno, Pol.*
A range of vitamin preparations with or without minerals (p.1922·1).

Vibracina *Invicta, Spain.*
Doxycycline hyclate (p.267·1).
Bacterial infections; malaria.

Vibradox *Sandoz, Denm.*
Doxycycline (p.267·1).
Bacterial infections.

Vibrafesa *Organifar, Venez.†.*
Doxycycline hyclate (p.267·1).
Bacterial infections.

Vibragel *Novartis Consumer, Arg.*
Dimetindene maleate (p.576·3); phenylephrine (p.1568·1).
Nasal congestion.

Vibral *Solvay, Braz.*
Dropropizine (p.1557·3).
Cough.

Vibralen *Proula, Venez.†.*
Metoclopramide (p.1747·3); pyridoxine (p.1979·1).
Gastrointestinal disorders.

Vibramicina
Pfizer, Arg.; Pfizer, Chile.
Doxycycline (p.267·1).
Bacterial infections; malaria.
Pfizer, Braz.
Doxycycline (p.267·1) or doxycycline hyclate (p.267·1).
Bacterial infections.
Pfizer, Mex.
Doxycycline hyclate (p.267·1).
Bacterial infections; malaria.
Pfizer, Port.
Doxycycline carrageenate (p.267·3).
Amoebiasis; bacterial infections; malaria.

Vibramicina C *Pfizer, Venez.*
Doxycycline (p.267·1).
Bacterial infections.

Vibramox *Pyridam, Indon.*
Amoxicillin trihydrate (p.202·2).
Bacterial infections.

Vibramycin
Pfizer, Austral.; Pfizer, Hong Kong; Pfizer, Indon.; Pfizer, Irl.; Pfizer, Malaysia; Pfizer, Neth.; Pfizer, Norw.; Pfizer, Philipp.; Pfizer, S.Afr.; Pfizer, Singapore; Pfizer, Thai.; Pfizer, UK.
Doxycycline hyclate (p.267·1).
Bacterial infections; intestinal amoebiasis; malaria.
Pfizer, Austria; Pfizer, Ger.†; KRKA, Rus.; Pfizer, UK.
Doxycycline (p.267·1).
Bacterial infections.
Pfizer, Denm.†.
Doxycycline carrageenate (p.267·3).
Bacterial infections.
Pfizer, Gr.
Doxycycline (p.267·1) or doxycycline hyclate (p.267·1).
Bacterial infections.
Pfizer, Hung.†.
Doxycycline calcium (p.267·1).
Bacterial infections; intestinal amoebiasis; malaria.
Pfizer, Israel.
Doxycycline calcium chelate (p.267·1) or doxycycline hyclate (p.267·1).
Bacterial infections.
Pfizer, Swed.
Doxycycline carrageenate (p.267·3) or doxycycline hyclate (p.267·1).
Bacterial infections.
Pfizer, USA.
Doxycycline (p.267·1), doxycycline calcium (p.267·1), or doxycycline hyclate (p.267·1).
Bacterial infections.

Vibramycine
Pfizer, Belg.
Doxycycline hyclate (p.267·1).
Bacterial infections; malaria.
Pfizer, Switz.
Doxycycline (p.267·1).
Bacterial infections; malaria.

Vibramycine N *CS, Fr.*
Doxycycline (p.267·1).
Bacterial infections.

Vibra-S *Pfizer, Neth.†.*
Doxycycline (p.267·1).
Bacterial infections.

Vibratab *Pfizer, Belg.*
Doxycycline (p.267·1).
Bacterial infections; malaria.

† This preparation may no longer be actively marketed
⊗ Contains a substance whose use may be restricted in certain sports (see p.vii)

Vibra-Tabs *Pfizer, Austral.; Pfizer, Canad.; Pfizer, USA.*
Doxycycline hyclate (p.267·1).
Bacterial infections; intestinal amoebiasis; malaria.

Vibraveineuse *Pfizer, Switz.*
Doxycycline hyclate (p.267·1).
Bacterial infections; malaria.

Vibravenos *Pfizer, Austria; Pfizer, Ger.†; IFET (ΙΦΕΤ), Gr.†.*
Doxycycline hyclate (p.267·1).
Bacterial infections.

Vibravenosa *IFET (ΙΦΕΤ), Gr.†; Pfizer, Spain.*
Doxycycline hyclate (p.267·1).
Bacterial infections; malaria.

Vibrocil
Note.This name is used for preparations of different composition.
Novartis Consumer, Austria; Novartis Consumer, Cz.; Novartis Consumer, Ger.†; Novartis, Hong Kong†; Novartis Consumer, Hung.; Novartis Consumer, Israel; Novartis Consumer, Ital.; Novartis Consumer, Port.; Novartis Consumer, Rus.; Novartis Consumer, Switz.
Dimetindene maleate (p.576·3); phenylephrine (p.1568·1).
Allergic rhinitis; cold and influenza symptoms; nasal congestion; otitis media; rhinorrhoea; sinusitis.

Novartis Consumer, S.Afr.
Dimetindene maleate (p.576·3); phenylephrine (p.1568·1); neomycin sulfate (p.305·1).
Nasal infections; rhinitis; sinusitis.

Novartis Consumer, Belg.†.
Capsules: Dimetindene maleate (p.576·3); pseudoephedrine hydrochloride (p.1571·2).
Rhinitis; sinusitis.

Novartis Consumer, Belg.
Nasal drops; nasal gel; nasal spray: Dimetindene maleate (p.576·3); phenylephrine (p.1568·1).
Rhinitis; sinusitis.

VibrocilFen *Novartis Consumer, Port.*
Phenylephrine (p.1568·1).
Nasal congestion.

Vibrocil-S
Novartis, Gr.
Dimetindene (p.577·1); phenylephrine (p.1568·1).
Antihistamine; nasal decongestant.

Novartis Consumer, S.Afr.
Dimetindene maleate (p.576·3); phenylephrine (p.1568·1).
Nasal and sinus congestion.

Vibrumin *General Drugs, Thai.*
Vitamin B substances (p.1922·1).
Vitamin B deficiency.

Vibtil *Therabel, Belg.*
Tilia (p.2402·2).
Digestive disorders.

Viburcol *Peithner, Austria; Heel, Cz.; Heel, S.Afr.*
Homoeopathic preparation.

Viburcol N *Heel, Ger.*
Homoeopathic preparation.

Vibuzol *Sandoz, Arg.*
Ribavirin (p.902·3).
Chronic hepatitis C.

Vi-C *Sam-On, Israel.*
Ascorbic acid (p.1983·3).
Vitamin C deficiency.

Vicalvit *Polfa Kutno, Pol.*
Calcium carbonate (p.1714·1).
Calcium supplement; osteoporosis.

Vicalvit D *Polfa Kutno, Pol.*
Calcium carbonate (p.1714·1); colecalciferol (p.1986·2).
Calcium and vitamin D supplement; osteoporosis.

Vicam *Keene, USA.*
Vitamin B substances (p.1922·1).
Parenteral nutrition.

Vica-Natal *Armoxindo, Indon.*
Vitamins; calcium carbonate; iron; iodine (p.1922·1).
Nutritional supplement; tonic.

Vicapan N *Merckle, Ger.†.*
Cyanocobalamin (p.1980·2).
Vitamin B deficiency.

Vi-Caps *Grossmann, Hong Kong; Grossmann, Switz.†.*
Multivitamin and mineral preparation (p.1922·1).

Vicard *Abbott, Austria.*
Terazosin hydrochloride (p.1410·2).
Hypertension.

Vicardol *Penn, Arg.*
⊗ Carvedilol (p.1241·3).
Hypertension.

Viccillin *Meiji, Indon.; Meiji, Thai.*
Ampicillin sodium (p.204·1) or ampicillin trihydrate (p.204·2).
Bacterial infections.

Viccillin-S *Meiji, Thai.*
Ampicillin (p.204·1); cloxacillin (p.256·1).
Bacterial infections.

Viccillin-SX *Meiji, Indon.*
Sultamicillin (p.344·1).
Bacterial infections.

Vi-Ce *Novartis, Braz.*
Ascorbic acid (p.1983·3).
Vitamin C deficiency; vitamin C supplement.

Vicebrol *Biofarm, Cz.; Biofarm, Pol.*
Vinpocetine (p.2414·2).
Cerebrovascular disorders; dementia.

Vicee *Prafa, Indon.*
Ascorbic acid (p.1983·3); sodium ascorbate (p.1984·1).
Vitamin C deficiency; vitamin C supplement.

Vicefar *Biofarm, Pol.*
Ascorbic acid (p.1983·3).
Vitamin C deficiency.

Vicefeno *Fabra, Arg.*
Dextropropoxyphene hydrochloride (p.40·1) or dextropropoxyphene napsilate (p.40·1); dipyrone (p.49·2).
Pain.

Vicemex *Cimex, Hong Kong†; Cimex, Switz.†.*
Vitamin C (p.1983·3).
Vitamin C deficiency; vitamin C supplement.

Vicenrik *Fada, Arg.*
Ascorbic acid (p.1983·3).
Vitamin C supplement.

ViCetamol *Gebro, Austria; Gebro, Hung.*
Paracetamol (p.108·1); ascorbic acid (p.1983·3).
Cold symptoms; fever; pain.

Vichy Dercos Shampooing Antipelliculaire *Vichy, Fr.*
Selenium sulfide (p.1613·1); salicylic acid (p.1612·2).
Dandruff.

Vichy-Autobronzant *Vichy, Canad.†.*
SPF 7: Avobenzone (p.1589·3); enzacamene (p.1597·1); ecamsule (p.1596·1).
Sunscreen.

Vichy-Creme Ecran Total *Vichy, Canad.†.*
SPF 25: Avobenzone (p.1589·3); octocrilene (p.1608·3); ecamsule (p.1596·1); titanium dioxide (p.1617·3).
Sunscreen.

Vichy-Lait Ecran Enfants *Vichy, Canad.*
SPF 35: Avobenzone (p.1589·3); octocrilene (p.1608·3); ecamsule (p.1596·1); titanium dioxide (p.1617·3).
Sunscreen.

Vichy-Lait Ecran Extreme *Vichy, Canad.*
SPF 60: Avobenzone (p.1589·3); enzacamene (p.1597·1); ecamsule (p.1596·1); titanium dioxide (p.1617·3).
Sunscreen.

Vici *Monico, Ital.*
Ascorbic acid (p.1983·3).
Vitamin C deficiency.

Vick 44 *Procter & Gamble, Mex.*
Dextromethorphan hydrobromide (p.1555·2); guaifenesin (p.1561·3).
Coughs.

Vick 44 Exp *Procter & Gamble, Arg.; Procter & Gamble, Mex.*
Guaifenesin (p.1561·3).
Coughs.

Vick Inalador *Procter & Gamble, Braz.*
Camphor (p.2273·2); menthol (p.2340·1); methyl salicylate (p.85·3); Siberian fir oil.
Nasal congestion.

Vick Pastilhas *Procter & Gamble, Braz.*
Cineole (p.2282·3); menthol (p.2340·1); camphor (p.2273·2); tolu balsam (p.1574·2).

Vick Pyrena *Procter & Gamble, Braz.*
Paracetamol (p.108·1); vitamin C (p.1983·3).
Cold and influenza symptoms.

Vick Sinex *Procter & Gamble, Arg.†.*
⊗ Oxymetazoline hydrochloride (p.1567·2).
Nasal congestion.

Vick Vaporub
Note.This name is used for preparations of different composition.
Procter & Gamble, Arg.†.
Menthol (p.2340·1); camphor (p.2273·2); methyl salicylate (p.85·3); siberian fir oil.
Nasal congestion.

Procter & Gamble, Braz.
Menthol (p.2340·1); camphor (p.2273·2); eucalyptus oil (p.2301·2); nutmeg oil (p.2355·3); cedar leaf oil (p.2400·3); turpentine oil (p.2406·3); thymol (p.1664·3).
Nasal congestion.

Procter & Gamble, Mex.
Menthol (p.2340·1); camphor (p.2273·2); eucalyptus oil (p.2301·2).
Cold symptoms.

Vick Vaporub Inhalador *Procter & Gamble, Mex.*
Menthol (p.2340·1); camphor (p.2273·2).
Cold symptoms; nasal congestion.

Vick Vaporub NF *Procter & Gamble, Arg.*
Menthol (p.2340·1); camphor (p.2273·2); eucalyptus oil (p.2301·2).
Nasal congestion.

Vick Vitapyrena *Procter & Gamble, Arg.*
Paracetamol (p.108·1).
Fever; pain.

Vick Vitapyrena Forte *Procter & Gamble, Arg.*
Paracetamol (p.108·1); phenylephrine hydrochloride (p.1568·1).
Cold and influenza symptoms.

Vick Xarope *Procter & Gamble, Braz.*
Guaifenesin (p.1561·3).
Coughs.

Vickmiel *Procter & Gamble, Arg.*
Guaifenesin (p.1561·3).
Cough.

Vicks *Famar, Gr.*
Ibuprofen (p.64·2); pseudoephedrine (p.1571·2).

Vicks Acta Plus *Procter & Gamble, S.Afr.*
Pentoxyverine citrate (p.1567·3); guaifenesin (p.1561·3); sodium citrate (p.1673·3); chloroform (p.1781·1); cetylpyridinium chloride (p.1635·1).
Coughs.

Vicks Acta Plus Expectorant *Procter & Gamble, S.Afr.*
Guaifenesin (p.1561·3).
Coughs.

Vicks Baby Balsam
Note.This name is used for preparations of different composition.
Procter & Gamble, Ital.†.
Cineole (p.2282·3); lavender oil (p.2331·2); rosemary oil (p.2381·3); aloe vera (p.1588·2).
Nasal congestion.

Procter & Gamble, NZ.
Eucalyptus oil (p.2301·2); rosemary oil (p.2381·3); lavender oil (p.2331·2); aloe vera (p.1588·2).

Vicks Blue Drops *Procter & Gamble, Austral.*
Menthol (p.2340·1); peppermint oil (p.1761·2).
Throat irritation.

Vicks Chest Congestion Relief *Procter & Gamble, Canad.*
Guaifenesin (p.1561·3).

Vicks Children's NyQuil Allergy/Head Cold *Richardson-Vicks, USA.*
Pseudoephedrine hydrochloride (p.1571·2); chlorphenamine maleate (p.571·3).
Upper respiratory-tract symptoms.

Vicks Children's Nyquil Cold & Cough *Procter & Gamble, Canad.*
Chlorphenamine maleate (p.571·3); dextromethorphan hydrobromide (p.1555·2).

Vicks Children's NyQuil Cold & Cough Relief *Procter & Gamble, USA.*
Chlorphenamine maleate (p.571·3); dextromethorphan hydrobromide (p.1555·2).
Coughs and cold symptoms.

Vicks Cough Drops *Procter & Gamble, USA.*
Menthol (p.2340·1).
Sore throat.

Vicks Cough Lozenges with Honey *Procter & Gamble (H&B Care), UK.*
Dextromethorphan (p.1555·2).
Cough.

Vicks 44 Cough Relief *Procter & Gamble, USA.*
Dextromethorphan hydrobromide (p.1555·2).
Coughs.

Vicks Cough Syrup
Note.This name is used for preparations of different composition.
Procter & Gamble, Austral.
Pentoxyverine citrate (p.1567·3); menthol (p.2340·1).
Coughs.

Procter & Gamble, S.Afr.
Sodium citrate (p.1673·3); citric acid (p.2284·1); cetylpyridinium chloride (p.1635·1).
Coughs.

Vicks Cough Syrup for Chesty Coughs *Procter & Gamble, Austral.†; Procter & Gamble (H&B Care), UK.*
Guaifenesin (p.1561·3).
Cough.

Vicks Cough Syrup with Honey for Dry Coughs *Procter & Gamble (H&B Care), UK.*
Dextromethorphan hydrobromide (p.1555·2).
Cough.

Vicks Cough Syrup with Honey for Dry & Irritating Coughs *Procter & Gamble (H&B Care), UK.*
Levomenthol.
Cough.

Vicks Daymed
Note.This name is used for preparations of different composition.
Procter & Gamble (H&B Care), UK.
Capsules: Paracetamol (p.108·1); caffeine (p.1116·3); phenylephrine hydrochloride (p.1568·1).
Cold and influenza symptoms.

Procter & Gamble (H&B Care), UK.
Hot drink powder: Paracetamol (p.108·1); phenylephrine hydrochloride (p.1568·1).
Cold and influenza symptoms.

Vicks DayQuil Cold & Flu Multi-symptom Relief *Procter & Gamble, Canad.*
Dextromethorphan hydrobromide (p.1555·2); phenylephrine hydrochloride (p.1568·1); paracetamol (p.108·1).

Vicks DayQuil Multi-Symptom Cold/Flu Relief *Procter & Gamble, USA.*
Phenylephrine hydrochloride (p.1568·1); dextromethorphan hydrobromide (p.1555·2); paracetamol (p.108·1).
Formerly contained pseudoephedrine hydrochloride, dextromethorphan hydrobromide, and paracetamol.
Coughs.

Vicks DayQuil Sinus & Pain Relief *Procter & Gamble, Canad.*
Pseudoephedrine hydrochloride (p.1571·2); ibuprofen (p.64·2).

Vicks DayQuil Sinus Pressure & Pain Relief *Procter & Gamble, USA.*
Pseudoephedrine hydrochloride (p.1571·2); paracetamol (p.108·1).

Vicks Decongestant *Procter & Gamble, S.Afr.*
⊗ Oxymetazoline hydrochloride (p.1567·2).
Nasal congestion; rhinorrhoea; sinusitis.

Vicks 44E *Procter & Gamble, USA.*
Dextromethorphan hydrobromide (p.1555·2); guaifenesin (p.1561·3).
Coughs.

Vicks Expectorant *Procter & Gamble, Fr.*
Guaifenesin (p.1561·3).
Respiratory-tract congestion.

Vicks Flu-Action *Procter & Gamble, Ital.*
Ibuprofen (p.64·2); pseudoephedrine hydrochloride (p.1571·2).
Cold and influenza symptoms.

Vicks Formula 44
Note.This name is used for preparations of different composition.
Procter & Gamble, Canad.
Dextromethorphan hydrobromide (p.1555·2).
Coughs.

Procter & Gamble, NZ.
Dextromethorphan hydrobromide (p.1555·2); menthol (p.2340·1).
Cough.

Procter & Gamble, Spain†.
Anethole (p.2258·1); cetylpyridinium chloride (p.1635·1); dextromethorphan (p.1555·2); benzocaine (p.1854·1); peppermint oil (p.1761·2); menthol (p.2340·1).
Coughs.

Vicks Formula 44D Cough & Head Congestion Relief *Procter & Gamble, USA.*
Dextromethorphan hydrobromide (p.1555·2); phenylephrine hydrochloride (p.1568·1).
Coughs and cold symptoms.

Vicks Formula 44E *Procter & Gamble, Canad.*
Dextromethorphan hydrobromide (p.1555·2); guaifenesin (p.1561·3).
Coughs.

Vicks Formula 44M *Procter & Gamble, Canad.*
Dextromethorphan hydrobromide (p.1555·2); pseudoephedrine hydrochloride (p.1571·2); chlorphenamine maleate (p.571·3); paracetamol (p.108·1).
Coughs and cold symptoms.

Vicks Formula 44M Cough, Cold, & Flu Relief *Procter & Gamble, USA.*
Dextromethorphan hydrobromide (p.1555·2); chlorphenamine maleate (p.571·3); paracetamol (p.108·1).

Vicks Formule 44 Calmine *Procter & Gamble, Switz.*
Dextromethorphan (p.1555·2) or dextromethorphan hydrobromide (p.1555·2).
Coughs.

Vicks Formule 44 Expectine *Procter & Gamble, Switz.*
Guaifenesin (p.1561·3).
Respiratory-tract disorders with viscous mucus.

Vicks Hoestsiroop *Procter & Gamble, Neth.*
Dextromethorphan hydrobromide (p.1555·2).
Coughs.

Vicks Inalador *Procter & Gamble, Port.*
Menthol (p.2340·1); camphor (p.2273·2).
Nasal congestion.

Vicks Inalante *Procter & Gamble, Ital.*
Menthol (p.2340·1); camphor (p.2273·2); methyl salicylate (p.85·3); pine oil (p.2368·2).
Nasal congestion.

Vicks Inhalador *Procter & Gamble, Spain.*
Camphor (p.2273·2); menthol (p.2340·1).
Nasal congestion.

Vicks Inhaler
Note.This name is used for preparations of different composition.
Procter & Gamble, Austral.; Procter & Gamble, NZ.
Menthol (p.2340·1); camphor (p.2273·2); methyl salicylate (p.85·3); pumilio pine oil (p.2376·3).
Nasal congestion.

Procter & Gamble, Canad.; Procter & Gamble, Fr.
Menthol (p.2340·1); camphor (p.2273·2).
Nasal congestion.

Procter & Gamble (H&B Care), UK.
Menthol (p.2340·1); camphor (p.2273·2); siberian fir oil.
Nasal congestion.

Vicks Inhaler N *Procter & Gamble, Switz.*
Menthol (p.2340·1); camphor (p.2273·2); methyl salicylate (p.85·3); pine needle oil.
Nasal congestion.

Vicks Medinait
Note.This name is used for preparations of different composition.
Procter & Gamble, Ital.
Dextromethorphan hydrobromide (p.1555·2); doxylamine succinate (p.578·2); paracetamol (p.108·1).
Cold and influenza symptoms.

Procter & Gamble, Spain†; Procter & Gamble, Switz.
⊗ Dextromethorphan hydrobromide (p.1555·2); doxylamine succinate (p.578·2); ephedrine sulfate (p.1558·2); paracetamol (p.108·1).
Cold and influenza symptoms.

Vicks MediNait
Note. A similar name is used for preparations of different composition (see above).
Eczacibasi, Turk.
Dextromethorphan hydrobromide (p.1555·2); pseudoephedrine hydrochloride (p.1571·2); doxylamine succinate (p.578·2); paracetamol (p.108·1).
Respiratory-tract congestion.

Vicks Medinite
Note.This name is used for preparations of different composition.
Procter & Gamble, S.Afr.
⊗ Paracetamol (p.108·1); ephedrine sulfate (p.1558·2); doxylamine succinate (p.578·2); dextromethorphan hydrobromide (p.1555·2).
Cold and influenza symptoms.

Procter & Gamble (H&B Care), UK.
Dextromethorphan hydrobromide (p.1555·2); doxylamine succinate (p.578·2); pseudoephedrine hydrochloride (p.1571·2); paracetamol (p.108·1).
Cold symptoms.

Vicks Menthol Cough Drops *Procter & Gamble, USA.*
Menthol (p.2340·1); thymol (p.1664·3); eucalyptus oil (p.2301·2); camphor (p.2273·2); tolu balsam (p.1574·2).
Sore throat.

Vicks 44 Non-Drowsy Cold & Cough Liqui-Caps *Procter & Gamble, USA.*
Dextromethorphan hydrobromide (p.1555·2); pseudoephedrine hydrochloride (p.1571·2).

Vicks Nyquil Cold & Flu *Procter & Gamble, Canad.*
Dextromethorphan hydrobromide (p.1555·2); paracetamol (p.108·1); doxylamine succinate (p.578·2).

Vicks NyQuil LiquiCaps *Richardson-Vicks, USA.*
Dextromethorphan hydrobromide (p.1555·2); paracetamol (p.108·1); pseudoephedrine hydrochloride (p.1571·2); doxylamine succinate (p.578·2).
Coughs and cold symptoms.

Vicks NyQuil Multi-Symptom Cold Flu Relief *Procter & Gamble, USA.*
Doxylamine succinate (p.578·2); dextromethorphan hydrobromide (p.1555·2); paracetamol (p.108·1).
Cold symptoms.

Vicks NyQuil Sinus *Procter & Gamble, USA.*
Phenylephrine hydrochloride (p.1568·1); doxylamine succinate (p.578·2); paracetamol (p.108·1).
Upper respiratory-tract disorders.

Vicks Paracetamol *Procter & Gamble, Neth.*
Paracetamol (p.108·1).
Fever; pain.

Vicks Pastihas *Procter & Gamble, Port.*
Dextromethorphan (p.1555·2).
Cough.

Vicks Pastil *Eczacibasi, Turk.*
Vitamin C (p.1983·3).
Sore throat.

Vicks Pectoral *Procter & Gamble, Fr.*
Pentoxyverine citrate (p.1567·3).
Coughs.

Vicks Pediatric Formula 44D *Procter & Gamble, Canad.*
Dextromethorphan hydrobromide (p.1555·2); pseudoephedrine hydrochloride (p.1571·2).
Coughs and cold symptoms.

Vicks Pediatric Formula 44E *Richardson-Vicks, USA.*
Dextromethorphan hydrobromide (p.1555·2); guaifenesin (p.1561·3).
Coughs.

Vicks Pediatric Formula 44M *Procter & Gamble, Canad.*
Dextromethorphan hydrobromide (p.1555·2); pseudoephedrine hydrochloride (p.1571·2); chlorphenamine maleate (p.571·3).
Cold symptoms.

Vicks Pediatric Formula 44M Cough & Cold Relief *Procter & Gamble, USA.*
Pseudoephedrine hydrochloride (p.1571·2); dextromethorphan hydrobromide (p.1555·2); chlorphenamine maleate (p.571·3).
Coughs and cold symptoms.

Vicks Rhume *Procter & Gamble, Fr.†.*
Ibuprofen (p.64·2); pseudoephedrine hydrochloride (p.1571·2).
Rhinitis.

Vicks Sinex
Note. This name is used for preparations of different composition.
Procter & Gamble, Austral.; Procter & Gamble, Ital.; Procter & Gamble, NZ; Procter & Gamble, Switz.
⊗ Oxymetazoline hydrochloride (p.1567·2); menthol (p.2340·1); camphor (p.2273·2); cineole (p.2282·3).
Cold symptoms; nasal congestion.

Procter & Gamble, Belg.; Procter & Gamble, Canad.; Procter & Gamble, Fin.; Procter & Gamble, Neth.
⊗ Oxymetazoline hydrochloride (p.1567·2).
Nasal congestion; rhinitis; rhinopharyngitis.

Procter & Gamble (H&B Care), UK.
Capsules: Paracetamol (p.108·1); phenylephrine hydrochloride (p.1568·1).
Cold and influenza symptoms.

Procter & Gamble (H&B Care), UK.
Nasal spray: ⊗ Oxymetazoline hydrochloride (p.1567·2).
Nasal congestion.

Vicks Sinex 12-Hour *Procter & Gamble, USA.*
⊗ Oxymetazoline hydrochloride (p.1567·2).
Formerly known as Sinex Long Acting.
Nasal congestion.

Vicks Spray *Procter & Gamble, Spain.*
⊗ Oxymetazoline hydrochloride (p.1567·2); menthol (p.2340·1).
Nasal congestion.

Vicks Throat Drops *Procter & Gamble, Austral.†; Procter & Gamble, Canad.; Procter & Gamble, NZ.*
Menthol (p.2340·1).
Coughs; throat irritation.

Vicks Tosse Fluidificante *Procter & Gamble, Ital.*
Guaifenesin (p.1561·3).
Respiratory-tract congestion.

Vicks Tosse Pastiglie *Procter & Gamble, Ital.*
Dextromethorphan (p.1555·2).
Coughs.

Vicks Tosse Sedativo *Procter & Gamble, Ital.*
Dextromethorphan hydrobromide (p.1555·2).
Coughs.

Vicks Toux Seche *Procter & Gamble, Fr.*
Dextromethorphan hydrobromide (p.1555·2).
Coughs.

Vicks Vapodrops
Note. This name is used for preparations of different composition.
Procter & Gamble, Austral.
Menthol (p.2340·1); eucalyptus oil (p.2301·2).
Nasal congestion; sore throat.

Procter & Gamble, NZ.
Menthol (p.2340·1).

Vicks Vapodrops with Butter and Menthol *Procter & Gamble, Austral.*
Menthol (p.2340·1).
Nasal congestion; sore throat.

Vicks VapoDry *Eczacibasi, Turk.*
Dextromethorphan hydrobromide (p.1555·2); pseudoephedrine hydrochloride (p.1571·2); chlorphenamine maleate (p.571·3).
Respiratory-tract congestion.

Vicks Vapomist *Procter & Gamble, S.Afr.*
Sodium chloride (p.1686·1).
Nasal congestion.

Vicks Vapor Inhaler *Procter & Gamble, USA.*
⊗ Levmetamfetamine (p.1564·1).
Nasal congestion.

Vicks Vaporub
Note. This name is used for preparations of different composition.
Procter & Gamble, Austral.; Procter & Gamble, Belg.
Menthol (p.2340·1); camphor (p.2273·2); eucalyptus oil (p.2301·2); turpentine oil (p.2406·3); nutmeg oil (p.2355·3); cedar leaf oil (p.2400·3); thymol (p.1664·3).
Cold symptoms; muscle pain; rhinitis; rhinopharyngitis; sinusitis.

Procter & Gamble, Canad.
Menthol (p.2340·1); camphor (p.2273·2); eucalyptus oil (p.2301·2).
Cold symptoms.

Procter & Gamble, Fin.
Menthol (p.2340·1); camphor (p.2273·2); eucalyptus oil (p.2301·2); turpentine oil (p.2406·3); thymol (p.1664·3).
Cold and influenza symptoms.

Vicks VapoSyrup *Eczacibasi, Turk.*
Guaifenesin (p.1561·3).
Respiratory-tract congestion.

Vicks Vaposyrup Antitussif *Procter & Gamble, Belg.*
Dextromethorphan hydrobromide (p.1555·2).
Coughs.

Vicks Vaposyrup for Chesty Coughs *Procter & Gamble (H&B Care), UK.*
Guaifenesin (p.1561·3).
Coughs.

Vicks Vaposyrup for Dry Coughs *Procter & Gamble (H&B Care), UK.*
Dextromethorphan hydrobromide (p.1555·2).
Coughs.

Vicks Vaposyrup Expectorant *Procter & Gamble, Belg.*
Guaifenesin (p.1561·3).
Coughs.

Vicks Vaposyrup for Tickly Coughs *Procter & Gamble (H&B Care), UK.*
Menthol (p.2340·1).
Coughs.

Vicks Vapotab *Procter & Gamble, Neth.*
Dextromethorphan (p.1555·2).
Coughs.

Vicks Victors Dual Action Cough Drops *Richardson-Vicks, USA.*
Menthol (p.2340·1); eucalyptus oil (p.2301·2).

Vicks Vital
Note. This name is used for preparations of different composition.
Procter & Gamble, Austral.†.
Vitamin C (p.1983·3).
Sore throat.

Procter & Gamble (H&B Care), UK†.
Ascorbic acid (p.1983·3); zinc acetate (p.1999·1).

Vicks Xarope Antitussico *Procter & Gamble, Port.*
Dextromethorphan hydrobromide (p.1555·2).
Cough.

Vick-Zyrt *Vickmans, Hong Kong.*
Cetirizine hydrochloride (p.570·3).
Hypersensitivity reactions.

Vi-Claro *Abbott, Chile†.*
⊗ Naphazoline hydrochloride (p.1565·2).
Eye irritation.

Viclor *Richet, Arg.*
Paracetamol (p.108·1).
Fever; pain.

Viclor Grip *Richet, Arg.*
Paracetamol (p.108·1); ascorbic acid (p.1983·3); levophenylephrine (p.1568·3).

Vicloran *Cryopharma, Mex.*
Aciclovir (p.862·3).
Herpesvirus infections.

Viclovir *Precimex, Mex.*
Aciclovir sodium (p.862·3).
Herpesvirus infections.

Vicmafen *Offenbach, Mex.*
Diclofenac diethylamine (p.44·3).
Inflammation.

Vicodin *Abbott, USA.*
Hydrocodone tartrate (p.63·1); paracetamol (p.108·1).
Pain.

Vicodin Tuss *Abbott, USA.*
Hydrocodone tartrate (p.63·1); guaifenesin (p.1561·3).
Coughs.

Vicog *Marjan, Braz.*
Vinpocetine (p.2414·2).
Cerebrovascular disorders.

Vicombil *Bial, Port.*
Multivitamin preparation (p.1922·1).

Vicomin A C *Chefaro, Spain.*
Ascorbic acid (p.1983·3); vitamin A palmitate (p.1973·1).
Deficiency of vitamins A and C.

Vicon *UCB, USA.*
A range of vitamin preparations with or without minerals (p.1922·1).

Vicoprofen *Abbott, USA.*
Hydrocodone tartrate (p.63·1); ibuprofen (p.64·2).
Pain.

Vicrom *Aventis, Israel; Aventis, NZ.*
Sodium cromoglicate (p.1136·3).
Asthma; bronchitis.

Victan *Sanofi Synthelabo, Arg.†; Sanofi-Aventis, Belg.; Sanofi-Aventis, Fr.; Sanofi Synthelabo, Mex.; CPH, Port.; Sanofi Synthelabo, Thai.*
Ethyl loflazepate (p.995·3).
Alcohol withdrawal syndrome; anxiety; psychosomatic disorders; sleep disorders.

Victoril *Unipharm, Israel†.*
Dibenzepin (p.388·2).
Depression.

Victrix *Farmasa, Braz.*
Omeprazole (p.1753·1) or omeprazole sodium (p.1753·1).
Gastro-oesophageal reflux; gastrointestinal hyperacidity; peptic ulcer.

Vida Cough *Vida, Hong Kong.*
Chlorphenamine maleate (p.571·3); bromhexine hydrochloride (p.1552·2); pentoxyverine citrate (p.1567·3); guaifenesin (p.1561·3).
Cold and influenza symptoms; cough.

Vida Famodine *Vida, Hong Kong.*
Famotidine (p.1730·1).
Gastro-oesophageal reflux; gastrointestinal haemorrhage; peptic ulcer; Zollinger-Ellison syndrome.

Vida Fenadine *Vida, Hong Kong†.*
Terfenadine (p.590·3).
Hypersensitivity reactions.

Vida Flatugel *Vida, Hong Kong.*
Aluminium hydroxide (p.1706·2); magnesium hydroxide (p.1743·2); simeticone (p.1770·2).
Gastrointestinal disorders.

Vida Neurotab *Vida, Hong Kong.*
Vitamin B (p.1975·2); vitamin B (p.1978·2); vitamin B (p.1980·2).
Muscle and joint pain; neuralgia; neuritis; vitamin B deficiency.

Vida Salirub *Vida, Hong Kong.*
Methyl salicylate (p.85·3); menthol (p.2340·1); eucalyptus oil (p.2301·2); cajuput oil (p.2271·2).
Insect bites; muscle pain; pruritus; soft-tissue disorders.

Vida-Butaline *Vida, Hong Kong.*
⊗ Terbutaline sulfate (p.1138·3).
Asthma; chronic bronchitis.

Vidaclofen-Plus *Vida, Hong Kong.*
Diclofenac sodium (p.44·3); vitamin B (p.1976·3); vitamin B (p.1979·1); vitamin B (p.1980·2).
Musculoskeletal, joint, and soft-tissue disorders; neuralgias; neuritis.

Vidaclovir *Vida, Hong Kong.*
Aciclovir (p.862·3).
Herpesvirus infections.

Vidadrine *Vida, Hong Kong.*
Pseudoephedrine (p.1571·2).
Allergic rhinitis; nasal congestion.

Vi-Dailin *Abbott, Port.*
Multivitamin preparation (p.1922·1).

Vidalat *Vida, Hong Kong.*
Nifedipine (p.1350·1).
Angina pectoris; hypertension.

Vidalidine *Vida, Hong Kong.*
Triprolidine hydrochloride (p.592·3); pseudoephedrine hydrochloride (p.1571·2).
Allergic rhinitis; cold and influenza symptoms; nasal congestion.

Vidamil *Alpharma, Mex.*
Vitamin A palmitate (p.1973·1); ascorbic acid (p.1983·3); colecalciferol (p.1986·2).
Respiratory-tract infections; skin disorders.

Vidan *Vianex (Βιανέξ), Gr.*
Mefenamic acid (p.80·1).
Inflammation; musculoskeletal and joint disorders; pain.

Vidaperamide *Vida, Hong Kong.*
Loperamide hydrochloride (p.1741·1).
Diarrhoea.

Vidapirocam *Vida, Hong Kong.*
Piroxicam (p.117·3).
Musculoskeletal and joint disorders.

Vidapril *Angelfarma, Port.*
Captopril (p.1239·2).
Heart failure; hypertension.

Vidaspan *Vida, Hong Kong.*
Hyoscine butylbromide (p.1734·1).
Smooth muscle spasm.

Vidastat *Therapharma, Hong Kong; Darya-Varia, Indon.; Therapharma, Philipp.*
Simvastatin (p.1390·2).
Atherosclerosis; cardiovascular risk reduction; coronary heart disease; hypercholesterolaemia.

Vidatapp *Vida, Hong Kong.*
Brompheniramine maleate (p.569·2) phenylephrine hydrochloride (p.1568·1) phenylpropanolamine hydrochloride (p.1569·3).
Cold and influenza symptoms.

Vidatapp Forte *Vida, Hong Kong.*
Brompheniramine maleate (p.569·2); phenylephrine hydrochloride (p.1568·1); bromhexine hydrochloride (p.1552·2); paracetamol (p.108·1).
Cold and influenza symptoms; rhinitis.

Vidatifen *Vida, Hong Kong.*
Ketotifen fumarate (p.582·2).
Asthma; hypersensitivity reactions.

Vidatril *Vida, Hong Kong.*
Glucosamine sulfate (p.2313·2).
Rheumatic disorders.

Vi-Daylin *Abbott, Canad.; Abbott, Hong Kong; Abbott, Malaysia; Abbott, NZ; Abbott, Philipp.; Adcock Ingram Consumer, S.Afr.; Abfar, Turk.; Ross, USA.*
A range of vitamin preparations with or without minerals (p.1922·1).
Nutritional supplement.

Vidaylin *Pharmacia, India; Abbott, Singapore; Abbott, Thai.†.*
A range of vitamin preparations with or without minerals or lysine (p.1922·1).

Vidaylin L *Abbott, Indon.*
Vitamins; lysine hydrochloride; choline; inositol (p.1922·1).
Nutritional supplement; tonic.

Vi-Daylin plus Iron *Abbott, Israel; Adcock Ingram Consumer, S.Afr.*
Multivitamin preparation with iron (p.1922·1).

Vi-Daylin/F *Ross, USA.*
A range of vitamin and fluoride (p.1962·2) preparations (p.1922·1).

Vidaza *Pharmion, USA.*
Azacitidine (p.683·3).
Myelodysplastic syndromes.

Vid-COMOD *Ursapharm, Rus.*
Povidone (p.2146·1).
Dry eyes.

Vi-De$_3$ *Sanova, Austria; Wild, Switz.*
Colecalciferol (p.1986·2).
Osteomalacia; rickets; vitamin D supplement.

Vi-Dea-C *Degorts, Mex.*
Vitamin A; vitamin D; ascorbic acid (p.1922·1).

Videcalcio *Verisfield, Gr.*
Calcium carbonate (p.1714·1); colecalciferol (p.1986·2).
Calcium and vitamin D deficiency.

† This preparation may no longer be actively marketed

⊗ Contains a substance whose use may be restricted in certain sports (see p.vii)

Videne *Adams, Hong Kong; Adams, Thai.; Adams, UK.*
Povidone-iodine (p.1659·2).
Burns; skin disinfection; wounds.

Video-Light *Euroderm OTC, Ital.*
Benzalkonium chloride (p.1629·1).
Eye disinfection.

Video-Mill *Euroderm OTC, Ital.*
⊗ Naphazoline nitrate (p.1565·2).
Conjunctivitis.

Video-Net *Interdelta, Switz.†.*
⊗ Phenylephrine hydrochloride (p.1568·1); rutoside sodium sulfate (p.2305·2).
Eye irritation.

Videorelax *SIFI, Ital.†.*
Chlorhexidine gluconate (p.1635·3); tilia (p.2402·2); chamomile (p.2279·3).
Eye disinfection; eye irritation.

Viderm *Ganassini, Ital.†.*
Hydroxyquinoline sulfate (p.2323·1); enoxolone (p.50·1).
Wound disinfection.

Vidermina *Ganassini, Ital.*
Copper usnate (p.2409·3).
Vaginal disinfection.

Videx *BMS, Arg.; BMS, Austral.; BMS, Austria; BMS, Belg.; BMS, Braz.; BMS, Canad.; BMS, Chile; BMS, Cz.; BMS, Denm.; BMS, Fin.; BMS, Fr.; BMS, Ger.; BMS, Gr.; BMS, Hong Kong; BMS, Hung.; BMS, Indon.; BMS, Irl.; BMS, Israel†; BMS, Ital.; BMS, Malaysia; BMS, Mex.; BMS, NZ; BMS, Neth.; BMS, Norw.; BMS, Pol.; BMS, Port.; BMS, Rus.; BMS, S.Afr.; BMS, Singapore; BMS, Spain; BMS, Swed.; BMS, Switz.; BMS, Thai.; BMS, Turk.; BMS, UK; BMS, USA; BMS, Venez.*
Didanosine (p.870·2).
HIV infection.

Vidilac *Kite (Κιτε), Gr.*
Hypromellose (p.2144·2).
Dry eyes.

Vidintal *Tunggal Idaman, Indon.*
Ciprofloxacin hydrochloride (p.243·3).
Bacterial infections.

Vidirakt S *Mann, Ger.*
Povidone (p.2146·1).
Dry eyes.

Vidisep *Kimia, Indon.*
Povidone-iodine (p.1659·2).
Burns; wounds.

Vidisept *Mann, Ger.; Mann, Pol.*
Povidone (p.2146·1).
Dry eyes.

Vidisept N *Mann, Malaysia†; Bausch & Lomb, Philipp.; Bausch & Lomb, Singapore; Mann, Singapore.*
Povidone (p.2146·1).
Dry eyes; eye irritation.

Vidisic *Riel, Austria; Tramedico, Belg.; Bausch & Lomb, Braz.†; Mann, Cz.; Mann, Ger.; Mann, Hung.; Mann, Irl.; Mann, Malaysia†; Tramedico, Neth.; Bausch & Lomb, Philipp.; Mann, Pol.; Lepori, Port.; Mann, Rus.; Bausch & Lomb, Singapore; Mann, Singapore; Bausch & Lomb, Thai.; Mann, Thai.; Pharmalink, Thai.*
Carbomer (p.2141·3).
Dry eyes.

Vidisic PVP *Tramedico, Neth.*
Povidone (p.2146·1).
Dry eyes.

Vidora *Ferlux, Fr.*
Indoramin hydrochloride (p.1315·1).
Migraine.

Vidovir *Vida, Port.*
Aciclovir (p.862·3).

Vidox *Epicaris, Arg.*
Mupirocin (p.302·3).
Bacterial skin infections.

Vidyn *Sigma, Braz.*
Multivitamin and mineral preparation (p.1922·1).

Vie Ca Rad *Multi-Pro, Canad.*
Betacarotene, selenium, vitamin C, and vitamin E (p.1922·1).

VienOks *Toprak, Turk.*
Tenoxicam (p.128·2).
Musculoskeletal and joint disorders.

Viepax *Dexcel, Israel.*
Venlafaxine hydrochloride (p.427·3).
Depression.

Viessia *Lemery, Mex.*
Vinorelbine (p.789·2).

Vieta *Bunker, Braz.*
dl-Alpha tocoferil acetate (p.1992·3).

Viewgam *Bacon, Arg.; Landsteiner, Mex.*
Meglumine gadopentetate (p.1479·2).
Contrast medium for magnetic resonance imaging.

Viewgel *Taiho, Jpn.*
Hydrogel wound dressing.

Vifaderm *Vianex (Βιανέξ), Gr.*
Terbinafine (p.546·3).
Fungal skin infections.

Vifarcap *Farcoral, Mex.†.*
Multivitamin and mineral preparation (p.1922·1).

Vifazolin *Vianex (Βιανέξ), Gr.*
Cefazolin sodium (p.222·1).
Bacterial infections.

Vifenac *Vifor, Switz.*
Diclofenac epolamine (p.44·3) or diclofenac potassium (p.44·3).
Fever; musculoskeletal, joint, peri-articular, and soft-tissue disorders; pain.

Vi-Fer *Deva, Turk.*
Ferrous fumarate (p.1938·3); folic acid (p.1940·1); vitamin B substances (p.1922·1).
Vitamin C (p.1983·3) is included in this preparation to increase the absorption and availability of iron.
Iron deficiency; iron-deficiency anaemia.

Viferon *Feron, Rus.*
Interferon alpha-2b (recombinant) (p.885·1).
Infections.

Vi-Ferrin *Elofar, Braz.*
Iron chelate (p.1950·3); folic acid (p.1940·1); cyanocobalamin (p.1980·2).
Iron deficiency; iron-deficiency anaemias.

Viflox *Tropica Mas, Indon.*
Ciprofloxacin (p.243·3).
Bacterial infections.

Vifloxina *Vitae, Mex.*
Ciprofloxacin (p.243·3).
Bacterial infections.

Vifolyt *Rayere, Mex.†.*
Multivitamin and mineral preparation (p.1922·1).

Viforcit *Vifor International, Switz.†.*
Ascorbic acid (p.1983·3).
Vitamin C deficiency; vitamin C supplement.

Vifortol *Elea, Arg.*
Vitamin and mineral preparation (p.1922·1) with ginseng (p.2312·1).

Vifortol Prenatal *Elea, Arg.*
Vitamins; ferrous sulfate (p.1939·3); calcium carbonate (p.1922·1).
Iron-deficiency anaemia; nutritional supplement in pregnancy and lactation.

Vig
Note. This name is used for preparations of different composition.
Key, Austral.†.
Chewable tablets: Guarana (p.2416·1); ginseng (p.2312·1); ginkgo biloba (p.2311·1); glucose (p.1945·3).
Tonic.

Key, Austral.
Tablets: Guarana (p.2416·1); ginseng (p.2312·1); ginkgo biloba (p.2311·1).
Tonic.

Vig Recovery *Key, Austral.†.*
Guarana (p.2416·1); vitamin B substances; vitamin C (p.1922·1).
Hangover.

Vigam *BPL-Meizler, Braz.†; BPL, Israel; Bio Products, Malaysia; Landsteiner, Mex.; BPL, Singapore†; BPL, Thai.; Sodhan, Turk.; BPL, UK.*
A normal immunoglobulin (p.2225·3).
Bone-marrow transplantation; Guillain-Barré syndrome; hypogammaglobulinaemia; idiopathic thrombocytopenic purpura; immunodeficiency; Kawasaki disease; passive immunisation; primary immunodeficiency.

Vigamed *Cimed, Braz.*
Phentolamine mesilate (p.1370·2).
Erectile dysfunction.

Vigamox *Alcon, Arg.; Alcon, Braz.; Alcon, Canad.; Alcon, Chile; Alcon, Hong Kong; Alcon, Israel; Alcon, Malaysia; Alcon, Philipp.; Alcon, Singapore; Alcon, Thai.; Alcon, USA; Alcon, Venez.*
Moxifloxacin hydrochloride (p.302·1).
Bacterial eye infections.

Vigamoxi *Alcon, Mex.*
Moxifloxacin hydrochloride (p.302·1).
Bacterial eye infections.

Vigantol *Merck, Cz.; Merck, Ger.; Merck, Hung.; Merck, Pol.; Merck, Port.; Merck, Rus.*
Colecalciferol (p.1986·2).
Hyperparathyroidism; hypocalcaemia; hypoparathyroidism; osteomalacia; osteopathy; osteoporosis; rickets; spasmophilia; tetany; vitamin D deficiency.

Vigantoletten
Merck, Austria.
Colecalciferol-cholesterin.
Rickets prophylaxis.

Merck, Ger.; Merck, Pol.
Colecalciferol (p.1986·2).
Hyperparathyroidism; osteomalacia; osteoporosis; rickets; tetany; vitamin D deficiency.

Vigarol *Vickmans, Hong Kong.*
Liquid paraffin (p.2030·3).
Constipation.

Vigasil *Loeffler, Mex.*
Miconazole nitrate (p.541·3).
Fungal vulvovaginal infections.

Vi-Gel *Diamond, Philipp.*
Indometacin (p.66·3).
Inflammation; pain.

Vigencial *Estedi, Spain.*
Methylrosanilinium chloride (p.1653·1).
Skin infections.

Vigicer *Beta, Arg.*
⊗ Modafinil (p.2160·3).
Narcoleptic syndrome.

Vigil *Torrex Chiesi, Cz.; Cephalon, Ger.; Torrex, Pol.*
⊗ Modafinil (p.2160·3).
Narcoleptic syndrome; obstructive sleep apnoea; sleep disorders related to shift work.

Vigilia *Grands Espaces, Fr.*
Tilia (p.2402·2); vervain (p.2413·3).
Nervous disorders.

Vigiten *Wyeth Lederle, Belg.†.*
Lorazepam (p.1004·1).
Anxiety disorders; depression; mixed anxiety depressive states; obsessive-compulsive disorder.

Vigodana *Loges, Hong Kong†.*
α-Tocoferil acetate; orotic acid; procaine hydrochloride; haematoporphyrin; magnesium aspartate; magnesium oxide; magnesium sulfate (p.1922·1).
Tonic.

vigodana N *Loges, Ger.*
Alpha tocoferil acetate; orotic acid; haematoporphyrin; magnesium aspartate; magnesium oxide; dried magnesium sulfate (p.1922·1).
Tonic.

Vigofortal *Pasteur, Chile.*
⊗ Strychnine sulfate (p.2393·2); sodium phosphate; potassium phosphate; phosphoric acid (p.1922·1).
Asthenia; tonic.

Vigomar Forte *Marlop, USA.*
Multivitamin and mineral preparation with iron (p.1922·1).

Vigor *US Pharmacia, Pol.*
A range of vitamin and mineral preparations (p.1922·1).

Vigor Plus
Note. This name is used for preparations of different composition.
Q-Pharma, Arg.
Sildenafil citrate (p.2193·1).
Erectile dysfunction.

Andromaco, Chile†.
Vitamin and mineral preparation (p.1922·1).
Dietary supplement.

Vigor-ACE *United American, Philipp.*
Vitamin A; vitamin C; vitamin E; selenium; zinc; lecithin (p.1922·1).
Nutritional supplement.

Vigor-Ace *United American, Singapore.*
Vitamin A; vitamin C; vitamin E; selenium; zinc; lecithin (p.1922·1).
Tonic.

Vigoran
Note. This name is used for preparations of different composition.
Vifor, Switz.†.
⊗ Ginseng (p.2312·1); deanol tartrate (p.2152·3); magnesium orotate (p.2358·3).
Tonic.

Konsuma, Venez.
Ginseng (p.2312·1); vitamins; minerals (p.1922·1).
Tonic.

Vigortol *Rugby, USA.*
Multivitamin and mineral preparation (p.1922·1).

Vigortonic *Arkochim, Spain.*
Cinnamon (p.2283·1); ginseng (p.2312·1); kola (p.2416·1).
Fatigue.

Vigorvit *Vamsler, Philipp.*
Vitamins; taurine; lysine; chlorella growth factor (p.1922·1).
Nutritional supplement.

Vigour S *Restan, S.Afr.†.*
Haematoporphyrin; cyanocobalamin; caffeine; yeast extract (p.1922·1).
Tonic.

Vigrande *Eczacibasi, Turk.*
Sildenafil citrate (p.2193·1).
Erectile dysfunction.

Vigranon B *Wallace Mfg Chem., UK.*
Vitamin B substances (p.1922·1).

Vigrasol *Giempi, Venez.*
Sildenafil (p.2195·1).
Erectile dysfunction.

Vikatron *Ariston, Braz.*
Phytomenadione (p.1995·3).

Vikela *Gerot, Austria; HRA, Fr.†; Perryment, Neth.*
Levonorgestrel (p.2121·2).
Postcoital oral contraceptive.

Viken *Kendrick, Mex.*
Cefotaxime sodium (p.228·1).
Lidocaine hydrochloride (p.1862·3) is included in the intramuscular injection to alleviate the pain of injection.
Bacterial infections.

Viking *Rafarm, Gr.*
Lovastatin (p.1328·2).
Hyperlipidaemias.

Vikonon *Neo Laboratories, UK.*
Calcium glycerophosphate; calciferol; thiamine hydrochloride; α-tocoferil acid succinate (p.1922·1).
Vitamin supplement.

Vikrol *Mavi, Mex.*
Clarithromycin (p.248·2).
Bacterial infections.

Vilacril *Leovan, Gr.†.*
Diclofenac sodium (p.44·3).
Topical anti-inflammatory.

Viladil *Berlin Pharm, Thai.*
Ticlopidine hydrochloride (p.1411·2).
Thromboembolism prophylaxis.

Viladol Plus *Loeffler, Mex.*
Hyoscine butylbromide (p.1734·1); paracetamol (p.108·1).
Smooth muscle pain and spasm.

Vilan *Lannacher, Austria; Lannacher, Denm.; Organon, Neth.†; Symedic, Switz.*
Nicomorphine hydrochloride (p.95·1).
Pain; premedication; smooth muscle spasm.

Vilapon *Metiska, Indon.*
Metoclopramide hydrochloride (p.1747·3).
Gastro-oesophageal reflux; nausea and vomiting.

Vilbine *Richmond, Arg.†.*
Vinorelbine (p.789·2).
Malignant neoplasms.

Vilerm *Siam Bheasach, Thai.*
Aciclovir (p.862·3).
Herpesvirus infections.

Viliron *Otto, Indon.*
Vitamin B substances; liver extract; iron; copper (p.1922·1).
Ascorbic acid (p.1983·3) is included in this preparation to increase the absorption and availability of iron. Docusate sodium (p.1725·1) is included in this preparation to reduce the constipating effects of iron.
Tonic.

Vilne *Dosa, Arg.*
Vinorelbine (p.789·2).
Malignant neoplasms.

Vilona *Valeant, Mex.*
Ribavirin (p.902·3).
Viral infections.

Vilonet *Wyeth, Cz.†.*
Desogestrel (p.2093·2); ethinylestradiol (p.2101·3).
Combined oral contraceptive.

Vilonit *Kleva, Gr.*
Diclofenac sodium (p.44·3).
Inflammatory disorders.

Vilox *Behrens, Venez.*
Vitamin and mineral preparation (p.1922·1) with lutein/zeaxanthin.

Vilpin *Pliva Krakow, Pol.*
Amlodipine besilate (p.1214·1).
Angina pectoris; hypertension.

Viltar *Dallas, Arg.*
Loperamide (p.1741·3).
Diarrhoea.

Vilterm *Drag, Chile†.*
⊗ Betamethasone (p.1518·2); gentamicin (p.284·2).
Infected skin disorders.

Vilvom *Medimar, Gr.*
Butamirate (p.1553·1).
Cough.

Vi-Magna *Wyeth, India.*
Multivitamin preparation (p.1922·1).

Vimax
Note. This name is used for preparations of different composition.
Roemmers, Arg.; Roemmers, Chile.
Sildenafil citrate (p.2193·1).
Erectile dysfunction.

Bio2, Fr.†.
Fish oil; yeast cultured in selenium-rich medium; vitamins; minerals (p.1922·1).
Nutritional supplement.

Vimepan *Collins, Mex.†.*
Vitamin preparation (p.1922·1).

Vimeral *ICN, Canad.†.*
Multivitamin and mineral preparation (p.1922·1).

Vimetrol *Vamsler, Philipp.*
Metformin hydrochloride (p.453·2).
Diabetes mellitus.

Viminate *Barre-National, USA.*
Multivitamin and mineral preparation (p.1922·1).

Vimineral *Offenbach, Mex.*
Vitamin and mineral preparation (p.1922·1).

Vi-Mineral *Deva, Turk.*
Vitamin and mineral preparation (p.1922·1).

Viminfort *Solfran, Mex.*
Multivitamin and mineral preparation (p.1922·1).

Vimoli *Vitamed, Israel.*
Paracetamol (p.108·1).
Fever; pain.

Vimotadine *Casasco, Arg.*
Codergocrine (p.364·1).
Cerebrovascular disorders.

Vimultisa *Fabra, Arg.*
Diclofenac potassium (p.44·3).
Inflammation.

Vin Tonique de Vial *Eberth, Switz.†.*
Cinchona alkaloids (p.2282·3); calcium phosphate (p.1676·2); lactic acid (p.2329·3); beef extract; sweet wine.
Tonic.

Vinalac *Novogen, UK.*
Lactobacillus rhamnosus (p.2372·3); vitamins; minerals (p.1922·1).
Dietary supplement in pregnancy and breast feeding.

Vinarine *LKM, Arg.*
Vinorelbine (p.789·2).
Malignant neoplasms.

Vinatal *Triomed, S.Afr.; British Dispensary, Thai.*
Multivitamin and mineral preparation (p.1922·1).

Vinate GT *Breckenridge, USA.*
Vitamin and mineral preparation with iron and folic acid (p.1922·1).
Docusate sodium (p.1725·1) is included in this preparation to reduce the constipating effects of iron.

Vinblasin *Teva, Belg.*
Vinblastine sulfate (p.785·3).
Malignant neoplasms.

Vinblax *Baxter, Mex.†.*
Vincristine sulfate (p.787·1).
Idiopathic thrombocytopenic purpura; malignant neoplasms.

Vinca *Substipharm, Fr.†.*
Vincamine (p.2414·1).
Mental function impairment in the elderly.

Vincacen *Centrum, Spain.*
Vincamine hydrochloride (p.2414·1).
Cerebral trauma; cerebrovascular disorders; circulatory disorders of the eye, ear, nose, and throat; vestibular disorders.

Vincadar *Aventis, Ital.†.*
Vincamine (p.2414·1).
Cerebrovascular disorders.

Vincagil *Roussel, Port.†.*
Vincamine (p.2414·1).

Vincaminol *Biomed, Spain.*
Vincamine hydrochloride (p.2414·1).
Cerebral trauma; cerebrovascular disorders; circulatory disorders of the eye, ear, nose, and throat; vestibular disorders.

Vincapan *Aventis, Mex.*
Vincamine (p.2414·1).
Cerebrovascular disorders.

Vinca-Ri *INTES, Ital.†.*
Vincamine hydrochloride (p.2414·1).
Disorders of cerebral, ocular, and vestibular perfusion.

Vincasar *Pfizer, Mex.†.*
Vincristine sulfate (p.787·1).

Vincasar PFS *Sicor, USA.*
Vincristine sulfate (p.787·1).
Malignant neoplasms.

Vinca-Treis *Ecobi, Ital.*
Vincamine (p.2414·1).
Cerebrovascular disorders.

Vincent's Powders *Roche Consumer, Austral.†.*
Aspirin (p.20·3).
Fever; pain.

Vinces *Ivax, Arg.*
Vincristine sulfate (p.787·1).
Malignant neoplasms.

Vincetron *Biosintetica, Braz.†.*
Piracetam (p.368·2); codergocrine mesilate (p.363·3).
Mental function impairment.

Vincidal *Rayere, Mex.*
Loratadine (p.583·3).
Allergic rhinitis; allergic skin disorders; urticaria.

Vincidol *Salvat, Spain.*
Aspirin (p.20·3); caffeine (p.1116·3).
Fever; pain.

Vincigrip *Salvat, Spain.*
Chlorphenamine maleate (p.571·3); pseudoephedrine hydrochloride (p.1571·2); paracetamol (p.108·1).
Formerly contained chlorphenamine maleate, phenylpropanolamine hydrochloride, and paracetamol.
Cold and influenza symptoms; fever; pain.

Vinciseptil Otico *Salvat, Spain.*
⊗ Benzydamine hydrochloride (p.27·3); fluocinolone acetonide (p.1531·3); neomycin sulfate (p.305·1); polymyxin B sulfate (p.317·3); tetracaine hydrochloride (p.1871·3).
Ear disorders.

Vincitos *Salvat, Spain.*
Dextromethorphan hydrobromide (p.1555·2); pseudoephedrine hydrochloride (p.1571·2).
Cold symptoms; cough.

Vincizina *Pfizer, Braz.*
Vincristine sulfate (p.787·1).
Malignant neoplasms.

Vinco-Abfuhr-Perlen *OTW, Ger.†.*
Bisacodyl (p.1710·1).
Constipation.

Vincosedan *Nupel, Spain.*
Diazepam (p.986·3).
Contains pyridoxine.
Alcohol withdrawal syndrome; anxiety; febrile convulsions; insomnia; skeletal muscle spasm.

Vincrifil *Itaca, Braz.†.*
Vincristine (p.788·1).
Malignant neoplasms.

Vincrisin *Teva, Belg.*
Vincristine sulfate (p.787·1).
Malignant neoplasms.

Vincristex *Cristalia, Braz.†.*
Vincristine sulfate (p.787·1).
Malignant neoplasms.

Vincrisul *Stada, Spain.*
Vincristine sulfate (p.787·1).
Idiopathic thrombocytopenic purpura; malignant neoplasms.

Vindacin *Best, Mex.*
Sulindac (p.126·3).
Gout; inflammation; musculoskeletal and joint disorders; pain.

Vinecort *Genepharm, Gr.*
⊗ Budesonide (p.1520·1).
Allergic rhinitis; skin disorders.

Vinelbine
Dabur, India.
Vinorelbine (p.789·2).
Breast cancer; non-small-cell lung cancer.

Dabur, Thai.
Vinorelbine tartrate (p.789·1).
Breast cancer; non-small cell lung cancer.

Vinera *Ativus, Braz.*
Grape (p.2316·3).
Capillary disorders.

Vineuron *Vamsler, Philipp.*
Vitamin B (p.1976·3); vitamin B (p.1979·1); vitamin B (p.1980·2).
Neuralgia; neuritis; neuropathy; vitamin B deficiency.

Vingel *BMS, Port.*
Aluminium hydroxide (p.1706·2); magnesium hydroxide (p.1743·2); simeticone (p.1770·2).
Dyspepsia; gastritis; heartburn; peptic ulcer.

Vingional *Fabra, Arg.*
Ranitidine hydrochloride (p.1766·1).
Peptic ulcer.

Vinho Ferruginoso *Phos-Kola, Braz.†; Teuto, Braz.†.*
Ferric ammonium citrate (p.1938·1).
Iron deficiency; iron-deficiency anaemias.

Vinilex *Alternavida, Mex.*
Vinorelbine tartrate (p.789·1).
Breast cancer; non-small cell lung cancer.

Vinitus *Rafarm, Gr.*
⊗ Carteolol hydrochloride (p.1241·1).
Glaucoma.

Vinkebir *Aspen, Arg.*
Vinorelbine (p.789·2).

Vinkhum *Frasca, Arg.*
Vincamine (p.2414·1).

Vino Nordin Vitaminado *Nordin, Mex.*
Vitamin B substances (p.1922·1).

Vinocard Q10 *Marjan, Braz.*
Ubidecarenone (p.2407·2).
Co-enzyme Q10 deficiency.

Vinone *Hikma, Port.†.*
Enoxacin (p.268·3).
Bacterial infections.

Vinorel
Eriochem, Arg.
Vinorelbine (p.789·2).
Malignant neoplasms.

Capsifar, Port.
Vinorelbine tartrate (p.789·1).
Breast cancer; non-small cell lung cancer.

Vinorgen *Bioprofarma, Arg.*
Vinorelbine tartrate (p.789·1).
Breast cancer; non-small cell lung cancer.

Vinotel *Dabur, Philipp.*
Vinorelbine tartrate (p.789·1).
Malignant neoplasms.

Vinpocen *Pharmasant, Thai.*
Vinpocetine (p.2414·2).
Cerebrovascular disorders; vascular eye disorders.

Vinpo-E *Hexpharm, Indon.*
Vitamin E (p.1992·2).
Antioxidant; vitamin E deficiency.

Vinpoton *Polfa Grodzisk, Pol.*
Vinpocetine (p.2414·2).
Cerebrovascular disorders; vascular ear and eye disorders.

Vinpotropile *Kanonfarma, Rus.*
Vinpocetine (p.2414·2); piracetam (p.368·2).
Asthenia; cerebrovascular disorders; mental function disorders; migraine; motion sickness; parkinsonism; vestibular disorders.

Vinracine
BPL-Meizler, Braz.†.
Vincristine (p.788·1).
Malignant neoplasms.

Korean United, Malaysia.
Vincristine sulfate (p.787·1).
Malignant neoplasms.

Vinsen *Chew, Thai.*
Naproxen (p.92·3).
Dysmenorrhoea; gout; musculoskeletal and joint disorders.

Vintec *Columbia, Mex.*
Vincristine sulfate (p.787·1).
Malignant neoplasms.

Vintene *Baxter, Fr.*
Amino-acid infusion (p.1922·1).
Parenteral nutrition.

Vintix *Roemmers, Venez.*
⊗ Sibutramine hydrochloride (p.2163·2).
Obesity.

Vinzam *Almirall, Spain.*
Azithromycin (p.207·1).
Bacterial infections.

Vio Celestoderm *Schering-Plough, Venez.†.*
⊗ Betamethasone valerate (p.1519·1); clioquinol (p.254·1).
Infected skin disorders.

Viocort *Aspen, S.Afr.*
⊗ Hydrocortisone acetate (p.1535·2); diiodohydroxyquinoline (p.832·1).
Skin disorders.

Viodine *Orion, Austral.†; Orion, NZ†.*
Povidone-iodine (p.1659·2).
Burns; herpes labialis; skin disinfection; skin infections; sore throat; wounds.

Viodor *Aspen, S.Afr.*
Diiodohydroxyquinoline (p.832·1); benzocaine (p.1854·1).
Skin infections with pruritus.

Vioform-Hydrocortisone *Paladin, Canad.; Novartis Consumer, Irl.; Novartis Consumer, UK.*
⊗ Clioquinol (p.254·1); hydrocortisone (p.1535·2).
Anogenital intertrigo; infected insect bites; infected skin disorders.

Vioformio-Hidrocortisona *Novartis, Braz.*
⊗ Clioquinol (p.254·1); hydrocortisone (p.1535·2).
Skin disorders.

Vioformo *Novartis, Mex.*
Clioquinol (p.254·1).
Skin infections.

Vioformo-Cort *Novartis, Mex.*
⊗ Clioquinol (p.254·1); hydrocortisone (p.1535·2).
Infected skin disorders.

Viogen-C *Goldline, USA.*
Vitamin B substances with vitamin C and minerals (p.1922·1).

Viohydrocort *Combiphar, Indon.*
⊗ Hydrocortisone acetate (p.1535·2); clioquinol (p.254·1); camphor (p.2273·2).
Skin disorders; skin infections.

Viojen *Gunsa, Turk.*
Methylrosanilinium chloride (p.1653·1).
Wound disinfection.

Viokase
Note. This name is used for preparations of different composition.
Axcan, Canad.; Axcan, USA.
Pancrelipase (p.2360·1).
Pancreatic insufficiency.

Pharmacare, S.Afr.
Pancreatin (p.2360·1).
Pancreatic insufficiency.

Viola *Sanopharm, Switz.*
Viola tricolor (p.2415·2); zinc oxide (p.1621·2); almond oil (p.2252·2).
Skin disorders.

Violin *TO-Chemicals, Thai.*
⊗ Salbutamol (p.1131·2).
Obstructive airways disease.

Vioneurin *Continental Pharma, Belg.†.*
Cyanocobalamin (p.1980·2); thiamine hydrochloride (p.1976·1); pyridoxine hydrochloride (p.1978·2).
Alcohol withdrawal syndrome; chronic alcoholism; vitamin B deficiency.

Vioneurin-6 *Galenica, Gr.*
Vitamin B substances (p.1922·1).

Vionin *IPI, Indon.*
Folic acid; biotin; nicotinamide; vitamin E; methionine; choline (p.1922·1).
Nutritional supplement.

Vionin NF *Tempo Scan Pacific, Indon.*
Silymarin (p.1452·2); methionine (p.1450·1); essential phospholipids; zinc; vitamin B (p.1922·1).
Liver disorders.

Vioplex-T *Biospray, Gr.*
Neomycin (p.305·1); bacitracin (p.210·3).
Bacterial infections.

Viopor *Otto, Indon.*
Glucosamine hydrochloride (p.2313·2); chondroitin sulfate (p.2280·3); vitamin C; manganese; magnesium; selenium; zinc (p.1922·1).
Osteoarthritis.

Viopor-M *Otto, Indon.*
Glucosamine hydrochloride (p.2313·2); chondroitin sulfate (p.2280·3); dimethyl sulfone (p.2294·1); vitamin C; vitamin E; manganese; magnesium; selenium; zinc (p.1922·1).
Osteoarthritis.

Vioquin *Gracia, Indon.*
Ciprofloxacin hydrochloride (p.243·3).
Bacterial infections.

Vioridon *Viofar, Gr.*
Baclofen (p.1888·1).
Spasticity.

Viosept *Jelfa, Pol.*
Clioquinol (p.254·1); domiphen bromide (p.1643·1); tripelennamine hydrochloride (p.592·2).
Skin infections.

Viosex *Galeno, Venez.*
Sildenafil (p.2195·1).
Erectile dysfunction.

Vioson *Unison, Philipp.*
Ofloxacin (p.310·2).
Bacterial infections.

Viostin Com *Pharos, Indon.*
Glucosamine sulfate (p.2313·2); chondroitin sulfate (p.2280·3); vitamin C; manganese; selenium (p.1922·1).
Osteoarthritis.

Viostin Com DS *Pharos, Indon.*
Glucosamine hydrochloride (p.2313·2); chondroitin sulfate (p.2280·3); manganese (p.1922·1).
Osteoarthritis.

Viostin S *Pharos, Indon.*
Chondroitin sulfate (p.2280·3).
Osteoarthritis.

Viotisone *Unison, Hong Kong; Unison, Thai.*
Ofloxacin (p.310·2).
Bacterial infections.

Vioxx *MSD, Arg.†; MSD, Austral.†; MSD, Austria†; MSD, Belg.†; MSD, Braz.†; Merck Frosst, Canad.†; MSD, Cz.†; MSD, Denm.†; MSD, Fin.†; MSD-Chibret, Fr.†; MSD, Ger.†; Vianex (Βιανεξ), Gr.†; MSD, Hong Kong†; MSD, Hung.†; MSD, Irl.†; MSD, Israel†; MSD, Ital.†; MSD, Malaysia†; MSD, Mex.†; MSD, NZ†; MSD, Neth.†; MSD, Norw.†; MSD, Port.†; MSD, S.Afr.†; MSD, Singapore†; MSD, Spain†; MSD, Swed.†; MSD, Switz.†; MSD, Thai.†; MSD, UK†; Merck, USA†; MSD, Venez.†.*
Rofecoxib (p.121·1).
Osteoarthritis; pain; rheumatoid arthritis.

Vioxxakut *MSD, Swed.†.*
Rofecoxib (p.121·1).
Pain.

Vioxxalt *MSD, Denm.†.*
Rofecoxib (p.121·1).
Pain.

Viper *Pascual, Philipp.*
2 Tablets, pyrazinamide (p.320·2); 1 capsule, rifampicin (p.325·3); 1 tablet, isoniazid (p.288·1); 1 tablet, ethambutol (p.275·2); 1 tablet, vitamins and minerals (p.1922·1) (Vitalivin-E).
Tuberculosis.

Viperfav *Sanofi Pasteur, Fr.*
European viper venom antiserum (p.2238·2).
European viper bite.

Viplan *Medipharm, Chile.*
Pargeverine hydrochloride (p.1761·1).
Nausea and vomiting; smooth muscle spasm.

Viplan Compuesto *Medipharm, Chile.*
Pargeverine hydrochloride (p.1761·1); metamizole magnesium (p.49·3).
Pain; smooth muscle spasm.

Viplena *K2 Pharmacare, Chile.*
Orlistat (p.2358·1).
Obesity.

Viplex *Riva, Canad.*
Vitamin B substances and iron (p.1922·1).

Viplura *IQFA, Mex.*
Vitamin preparation (p.1922·1).

Viplus *Parggon, Mex.*
Naproxen sodium (p.92·3); paracetamol (p.108·1).
Fever; pain.

Vipocem *Alodial, Port.*
Vinpocetine (p.2414·2).
Cerebrovascular disorders; vascular disorders of the eye and ear.

Vipodo *Novag, Mex.*
Podophyllum (p.1610·2).
Keratolytic.

Vipral *Ivax, Arg.*
Sulpiride (p.1028·3).
Colitis; dyspepsia; irritable colon; peptic ulcer; psychosomatic disorders.

Vipram *Novell, Indon.*
Spiramycin (p.333·1).
Bacterial infections.

Vipratox nova *Serum-Werk Bernburg, Ger.*
Vipera ammodytes toxin; camphor (p.2273·2).
Vipratox formerly contained Vipera ammodytes toxin, methyl salicylate, and camphor.
Musculoskeletal, joint, and soft-tissue disorders.

Vipres *Uriach, Spain.*
Enalapril maleate (p.1276·1); nitrendipine (p.1358·2).
Hypertension.

Viprosal B
Note. This name is used for preparations of different composition.
Talinn, Cz.†; Tallinn, Rus.
Snake venom (*Vipera berus*); camphor (p.2273·2); salicylic acid (p.1612·2); turpentine oil (p.2406·3).
Cutaneous and subcutaneous pain; musculoskeletal, joint, and peri-articular pain; neuralgia.

Tallin, Pol.
Viper toxin; salicylic acid (p.1612·2); menthol (p.2340·1); siberian fir oil.
Musculoskeletal, joint, peri-articular, and soft-tissue disorders; neuralgia.

Viproxil *Andromaco, Chile.*
Pargeverine hydrochloride (p.1761·1).
Nausea and vomiting; smooth muscle spasm.

Viproxil Compuesto *Andromaco, Chile.*
Pargeverine hydrochloride (p.1761·1); metamizole magnesium (p.49·3).
Pain; smooth muscle spasm.

Vipsogal *Galenika, Hung.†; Harley Street Supplies, UK.*
⊗ Betamethasone dipropionate (p.1518·3); fluocinonide (p.1532·1); gentamicin sulfate (p.282·1); salicylic acid (p.1612·2); panthenol (p.2362·1).
Keratinisation disorders; psoriasis; skin disorders.

Viquin Forte *ICN, Canad.†.*
Hydroquinone (p.1598·2); glycolic acid (p.1598·1) in a sunscreen basis.
Skin pigmentation disorders.

Viraban *AFT, NZ.*
Aciclovir (p.862·3).
Herpes labialis.

Viracept *Roche, Arg.†; Roche, Austral.; Roche, Austria; Roche, Belg.; Roche, Braz.; Pfizer, Canad.; Roche, Chile; Roche, Cz.; Roche, Denm.; Roche, Fin.; Roche, Fr.; Roche, Ger.; Roche, Gr.; Roche, Hong Kong; Roche, Hung.; Roche, Irl.; Roche, Israel; Roche, Ital.; Japan Tobacco, Jpn; Roche, Mex.; Roche, NZ; Roche, Neth.; Roche, Norw.; Roche, Philipp.; Roche, Pol.; Roche, Port.; Roche, S.Afr.; Roche, Singapore†; Roche, Spain; Roche, Swed.; Roche, Switz.; Roche, Thai.; Roche, UK; Agouron, USA; Roche, Venez.*
Nelfinavir mesilate (p.898·2).
HIV infection.

Viracillina *Infosint, Ital.†.*
Piperacillin sodium (p.315·2).
Lidocaine hydrochloride (p.1862·3) is included in this preparation to alleviate the pain of injection.
Bacterial infections.

Viractin *Medibrands, Canad.*
Tetracaine hydrochloride (p.1871·3).

Virafer *Teofarma, Ital.*
Multivitamin and mineral preparation (p.1922·1).

Viraferon *Schering-Plough, Cz.; Schering-Plough, Fr.; Schering-Plough, Mex.†; Schering-Plough, Neth.; Schering-Plough, Port.; Schering-Plough, UK.*
Interferon alfa-2b (p.885·1).
Chronic hepatitis B; chronic hepatitis C.

ViraferonPeg *Schering-Plough, Cz.; Schering-Plough, Fr.; Schering-Plough, Irl.; Schering-Plough, Neth.; Schering-Plough, Port.; Schering-Plough, UK.*
Peginterferon alfa-2b (p.888·3).
Chronic hepatitis C.

Viragil *Steierl, Ger.*
Homoeopathic preparation.

Virainhi *Dosa, Arg.*
Nevirapine (p.899·1).
HIV infection.

Viralief *Clonmel, Irl.*
Aciclovir (p.862·3).
Herpes simplex skin infections.

Viralis *GMP, Indon.*
Aciclovir (p.862·3).
Herpesvirus infections.

Viramid *Valeant, Braz.*
Ribavirin (p.902·3).
Viral infections.

Viramixal *Panalab, Arg.*
Valaciclovir (p.911·2).
Herpesvirus infections.

Viramune *Boehringer Ingelheim, Arg.; Boehringer Ingelheim, Austral.; Boehringer Ingelheim, Austria; Boehringer Ingelheim, Belg.; Boehringer Ingelheim, Braz.; Boehringer Ingelheim, Canad.; Boehringer Ingelheim, Chile; Boehringer Ingelheim, Cz.; Boehringer Ingelheim, Denm.; Boehringer Ingelheim, Fin.; Boehringer Ingelheim, Fr.; Boehringer Ingelheim, Ger.; Boehringer Ingelheim, Gr.; Boehringer Ingelheim, Hong Kong; Boehringer Ingelheim, Hung.; Boehringer Ingelheim, Indon.; Boehringer Ingelheim, Irl.; Boehringer Ingelheim, Israel; Boehringer Ingelheim, Ital.; Boehringer Ingelheim, Jpn; Boehringer Ingelheim, Malaysia; Boehringer Ingelheim, Mex.; Boehringer Ingelheim, NZ; Boehringer Ingelheim, Neth.; Boehringer Ingelheim, Norw.; Boehringer Ingelheim, Pol.; Boehringer Ingelheim, Port.; Boehringer Ingelheim, Rus.; Boehringer Ingelheim, S.Afr.; Boehringer Ingelheim, Singapore; Boehringer Ingelheim, Spain; Boehringer Ingelheim, Swed.; Boehringer Ingelheim, Switz.; Boehringer Ingelheim, Thai.; Boehringer Ingelheim, Turk.; Boehringer Ingelheim, UK; Roxane, USA; Boehringer Ingelheim, Venez.*
Nevirapine (p.899·1).
HIV infection.

Viranet *LKM, Arg.*
Valaciclovir (p.911·2).

Virasolve *Hamilton, Austral.; Rosken, Hong Kong†; Pfizer, NZ.*
Idoxuridine (p.881·2); lidocaine hydrochloride (p.1862·3); benzalkonium chloride (p.1629·1).
Herpes simplex infections of the mouth and skin.

Virasorb *Thornton & Ross, UK.*
Aciclovir (p.862·3).
Herpes labialis.

Viratin *Pharmaniaga, Malaysia†; Raza, Malaysia†.*
Verapamil hydrochloride (p.1421·1).
Angina pectoris; arrhythmias; hypertension.

Viratop *Topgen, Belg.*
Aciclovir (p.862·3).
Herpesvirus infections.

Viravan *Pediamed, USA.*
Phenylephrine tannate (p.1568·3); mepyramine tannate (p.585·2).

Viravan-DM *Pediamed, USA.*
Dextromethorphan tannate (p.1556·1); mepyramine tannate (p.585·2); phenylephrine tannate (p.1568·3).
Upper respiratory-tract disorders.

Virax *Alpharma-Isis, Ger.†.*
Aciclovir (p.862·3).
Herpesvirus infections.

Viraxy *General Drugs, Thai.*
Aciclovir (p.862·3).
Herpesvirus infections.

Virazide *Valeant, Austral.; Armoxindo, Indon.; Grossman, Mex.*
Ribavirin (p.902·3).
Influenza; respiratory syncytial virus infection.

Virazole *Pharma Logistics, Belg.; UCI, Braz.†; Valeant, Canad.; Valeant, Ger.; Valeant, Hong Kong; Galenika, Hung.†; ICN, Ital.; ICN, Neth.; Valeant, Rus.; Valeant, Singapore; Valeant, Spain; Medilink, Swed.; Valeant, Switz.†; ICN, UK; ICN, USA.*
Ribavirin (p.902·3).
Haemorrhagic fever with renal syndrome; influenza; respiratory syncytial virus infection.

Vircella *Galenium, Indon.*
Aciclovir (p.862·3).
Herpesvirus infections.

Vir-Complex *Cristalia, Braz.†.*
Lamivudine (p.895·1); zidovudine (p.913·3).
HIV infection.

Vircovir *Corsa, Indon.*
Aciclovir (p.862·3).
Herpesvirus infections.

Virdam *Pyridam, Indon.*
Aciclovir (p.862·3).
Herpesvirus infections.

Virdex *Fulton, Ital.*
Ergotamine tartrate (p.620·1); caffeine (p.1116·3); aminophenazone (p.19·1).
Migraine.

Virdos *UCB, Neth.*
Levocetirizine hydrochloride (p.583·2).
Allergic rhinitis; urticaria.

Virdox *Lacer, Spain†.*
Cetirizine hydrochloride (p.570·3).
Allergic conjunctivitis; allergic rhinitis; urticaria.

Viread *Gador, Arg.; Gilead, Austral.; Gilead, Austria; UCB, Belg.; Gilead, Canad.; Gilead, Chile; Gilead, Cz.; Gilead, Denm.; Orphan, Fin.; Gilead, Fr.; Gilead, Ger.; Gilead, Gr.; Gilead, Hung.; Gilead, Irl.; Neopharm, Israel; Gilead, Ital.; Stendhal, Mex.; Gilead, NZ; Gilead, Neth.; Gilead, Norw.; Gilead, Pol.; Gilead, Spain; Swedish Orphan, Swed.; Chemedica, Switz.; Gilead, UK; Gilead, USA.*
Tenofovir disoproxil fumarate (p.908·3).
Chronic hepatitis B; HIV infection.

Viregyt *EGIS, Hung.*
Amantadine hydrochloride (p.792·3).
Influenza; parkinsonism.

Viregyt K *Egis, Pol.*
Amantadine hydrochloride (p.792·3).
Influenza A; parkinsonism.

Viregyt-K *Egis, Cz.*
Amantadine hydrochloride (p.792·3).
Influenza; parkinsonism.

Virerpin *Kleva, Gr.*
Vidarabine (p.912·2).
Herpesvirus infections.

Virest *Hovid, Hong Kong; Hovid, Malaysia†; Hovid, Philipp.; Hovid, Singapore.*
Aciclovir (p.862·3).
Herpesvirus infections.

Virestat *Liferpal, Mex.*
Aciclovir (p.862·3).
Herpesvirus infections.

Vireth *Ethica, Indon.*
Aciclovir (p.862·3).
Herpesvirus infections.

Virexen *Will-Pharma, Belg.†; Will Pharma, Neth.; Ferraz, Lynce, Port.†; Vinas, Spain.*
Idoxuridine (p.881·2) in dimethyl sulfoxide.
Herpesvirus infections of the skin and mucous membranes.

Virfen *Specifar (Σπεσιφαρ), Gr.*
Enalapril maleate (p.1276·1).
Heart failure; hypertension.

Virflutam *Infosint, Ital.†.*
Flutamide (p.725·1).
Prostatic cancer.

Virgan *Sidus, Arg.; Thea, Belg.; Santen, Cz.; Thea, Fr.; Thea, Philipp.; Thea, Pol.; Thea, Port.; Bausch & Lomb, UK†.*
Ganciclovir (p.879·1).
Herpesvirus eye infections.

Virgilocard *Sanova, Austria.*
Crataegus (p.2289·1); absinthium (p.2244·1).
Cardiac disorders in the elderly.

Virginiana Gocce Verdi *Kelemata, Ital.†.*
⊗ Naphazoline nitrate (p.1565·2).
Eye congestion.

Virgogel *Virgo, Philipp.*
Aluminium hydroxide (p.1706·2); magnesium hydroxide (p.1743·2).
Gastric hyperacidity; peptic ulcer.

Virgomine *Virgo, Philipp.*
Chlorphenamine maleate (p.571·3).
Allergic and inflammatory skin disorders.

Virgovit *Virgo, Philipp.*
Vitamin preparation (p.1922·1).
Nutritional supplement.

Virherpes *Pensa, Spain.*
Aciclovir (p.862·3) or aciclovir sodium (p.862·3).
Herpesvirus infections.

Viridal *Schwarz, Ger.; Schwarz, Irl.; Schwarz, Ital.; UCB, UK.*
Alprostadil alfadex (p.2183·3).
Erectile dysfunction.

Viridil *Roemmers Rowe, Venez.*
Sildenafil citrate (p.2193·1).
Erectile dysfunction.

Viridin *Davi, Port.*
Trifluridine (p.910·3).
Viral eye infections.

Virigen
Note. This name is used for preparations of different composition.
Actavis, Denm.
Yohimbine hydrochloride (p.2200·2).
Erectile dysfunction.

Organon, Turk.
⊗ Testosterone undecylate (p.2130·2).
Androgen deficiency.

Virilan *Gebro, Austria.*
Alprostadil alfadex (p.2183·3).
Erectile dysfunction.

Virilis-Gastreu S R41 *Reckeweg, Ger.*
Homoeopathic preparation.

Virilit *Jenapharm, Ger.*
Cyproterone acetate (p.2088·2).
Androgen-dependent acne, alopecia, hirsutism, and seborrhoea in women; erectile dysfunction; prostatic cancer.

Virilon
Note. This name is used for preparations of different composition.
Temis, Arg.
Sildenafil citrate (p.2193·1).
Erectile dysfunction.

Luper, Braz.†.
Ginseng; catuaba; muira-puama; vitamins (p.1922·1).

Star, USA.
Capsules: ⊗ Methyltestosterone (p.2117·1).
Androgen replacement therapy; breast cancer; male hypogonadism; postpartum breast engorgement; prepubertal cryptorchidism.

Star, USA†.
Injection: ⊗ Testosterone cipionate (p.2129·3).

Virin *Strand, Malaysia†.*
Co-trimoxazole (p.258·1).
Bacterial infections.

Viripotens *Microsules, Arg.*
Sildenafil citrate (p.2193·1).
Erectile dysfunction.

Virkon *Antec, Singapore; Du Pont, Singapore.*
Peroxygen compounds (p.1655·2).
Surface disinfection.

Virless *YSP, Malaysia; Yung Shin, Singapore.*
Aciclovir (p.862·3).
Herpesvirus infections.

Virlix *UCB, Austria; Farchim, Cz.†; UCB, Denm.†; Sanofi-Aventis, Fr.; Mediolanum, Ital.†; GSK, Mex.; UCB, Norw.†; GSK, Philipp.; Pliva Krakow, Pol.; Vedim, Port.; Lacer, Spain; Bilim, Turk.; Grunenthal, Venez.†.*
Cetirizine hydrochloride (p.570·3).
Allergic conjunctivitis; allergic rhinitis; allergic skin disorders; hypersensitivity reactions; urticaria.

Virlix Plus *Lacer, Spain.*
Cetirizine hydrochloride (p.570·3); pseudoephedrine hydrochloride (p.1571·2).
Allergic rhinitis.

Virlix-D *GSK, Mex.*
Cetirizine hydrochloride (p.570·3); pseudoephedrine hydrochloride (p.1571·2).
Allergic rhinitis; eye irritation; nasal congestion.

Virman Plus *Corypharma, Ital.*
Vitamin E; nicotinic acid; zinc (p.1922·1).
Nutritional supplement.

Virmax *Bago, Chile†.*
Valaciclovir hydrochloride (p.911·1).
Herpesvirus infections.

Virmen *Menarini, Spain.*
Aciclovir (p.862·3).
Herpesvirus infections.

Viro *Rentschler, Cz.†.*
Aciclovir sodium (p.862·3).
Herpesvirus infections.

Virobin
Note. This name is used for preparations of different composition.
Pharmabiotics, Chile.
Oseltamivir phosphate (p.900·2).
Influenza.

Bock, Ger.†.
Homoeopathic preparation.

Virobis
Note. This name is used for preparations of different composition.
Aventis, S.Afr.†.
Cream: Moroxydine hydrochloride (p.898·2); cetrimide (p.1634·1); diphenhydramine hydrochloride (p.577·2).
Viral infections of the skin.

Aventis, S.Afr.†.
Tablets: Moroxydine hydrochloride (p.898·2); atropine methonitrate (p.1219·3); hyoscine methonitrate (p.1734·2).
Viral infections.

Virobron *Temis, Arg.*
Nimesulide (p.95·3).
Inflammation.

Virobron B12 NF *Temis, Arg.*
⊗ Betamethasone (p.1518·2); vitamin B (p.1980·2); diclofenac potassium (p.44·3).
Musculoskeletal, joint, and peri-articular disorders; neuritis.

Virobron Gel *Temis, Arg.*
Diclofenac diethylamine (p.44·3).
Musculoskeletal, joint and soft-tissue disorders.

Virobron NF *Temis, Arg.*
Diclofenac sodium (p.44·3).
Musculoskeletal and joint disorders; pain.

Viroclear *Christo, Hong Kong.*
Aciclovir (p.862·3).
Herpesvirus infections.

Viroclon *Medicus, Gr.*
Zidovudine (p.913·3).
HIV infection.

Viro-Do *Grasler, Ger.*
Homoeopathic preparation.

Viroflu *Sanofi Pasteur, UK.*
An influenza vaccine (surface antigen) (p.2218·2).
Active immunisation.

Virogerm *Zedchem, S.Afr.*
Glutaral (p.1645·2).
Instrument disinfection.

Virogon *Silom, Thai.*
Aciclovir (p.862·3).
Herpesvirus infections.

Virohep-A *Scott-Cassara, Arg.*
A hepatitis A vaccine (p.2214·2).
Active immunisation.

Virokill *Biogal-Teva, Hung.†.*
Aciclovir (p.862·3).
Herpesvirus infections.

Virolan *Olan-Kemed, Thai.*
Aciclovir (p.862·3).
Herpes simplex infections of the skin and mucous membranes.

Virolex
KRKA, Cz.; KRKA, Pol.; KRKA, Rus.
Aciclovir (p.862·3).
Herpesvirus infections.

KRKA, Hung.
Aciclovir (p.862·3) or aciclovir sodium (p.862·3).
Herpesvirus infections.

ViroMed *S Med, Austria.*
Aciclovir (p.862·3).
Herpesvirus infections.

Viromed *Medicine Products, Thai.*
Aciclovir (p.862·3).
Herpesvirus infections.

Viromidin *Alcon Cusi, Spain.*
Trifluridine (p.910·3).
Herpes simplex infections of the eye.

Viron Wart Lotion *Odan, Canad.*
Glacial acetic acid (p.2244·2); lactic acid (p.2329·3); salicylic acid (p.1612·2).
Verrucae.

Vironida *Laboratorios Chile, Chile.*
Aciclovir (p.862·3).
Herpesvirus infections.

Viropect *DHU, Ger.*
Homoeopathic preparation.

Virophta *Allergan, Fr.*
Trifluridine (p.910·3).
Viral infections of the eye.

Viropox *LSP, Thai.†.*
Aciclovir (p.862·3).
Herpesvirus infections.

Viroptic *Theramed, Canad.; Glaxo Wellcome, USA; Monarch, USA.*
Trifluridine (p.910·3).
Herpes simplex keratitis and keratoconjunctivitis.

Virormone
Paines & Byrne, Thai.†.
⊗ Testosterone propionate (p.2130·1).
Female breast cancer; male hypogonadism.

Nordic, UK.
⊗ Testosterone (p.2129·3) or testosterone propionate (p.2130·1).
Breast cancer; cryptorchidism; delayed puberty; male hypogonadism.

Virorrever *Richmond, Arg.*
Efavirenz (p.872·3).
HIV infection.

Virosil *Saba, Turk.*
Aciclovir (p.862·3).
Herpesvirus infections.

Virosol *Phoenix, Arg.*
Amantadine hydrochloride (p.792·3).
Parkinsonism; viral infections.

Virostatic *Cassara, Arg.*
Aciclovir (p.862·3).
Herpes labialis.

Virostav *Ranbaxy, Malaysia.*
Stavudine (p.907·1).
HIV infection.

Virotec *Vida, Port.*
Zidovudine (p.913·3).
HIV infection.

Virovir *Opus, UK.*
Aciclovir (p.862·3).
Herpesvirus infections.

Viroxil *Quimica y Farmacia, Mex.*
Aciclovir (p.862·3).
Herpes simplex infections of the skin and mucous membranes.

Virozid *Teuto, Braz.†.*
Zidovudine (p.913·3).
HIV infection.

Virpes *Bernofarm, Indon.*
Aciclovir (p.862·3).
Herpesvirus infections.

Virtamox *Infosint, Ital.†.*
⊗ Tamoxifen citrate (p.772·3).
Breast cancer.

Virtaz-200 *Fahrenheit, Indon.*
Aciclovir (p.862·3).
Herpesvirus infections.

Virubact *Biosyn, Ger.†.*
Homoeopathic preparation.

Virucalm *Zambon, Fr.; Zambon, Switz.*
Aciclovir (p.862·3).
Herpes labialis.

Virucid
Note. This name is used for preparations of different composition.
Hofmann, Austria†.
Amantadine hydrochloride (p.792·3).
Influenza A; parkinsonism.

Aegis, Hong Kong.
Aciclovir (p.862·3).
Herpesvirus infections.

Viruderm *Cinfa, Spain.*
Aciclovir (p.862·3).
Herpes simplex infection.

Virudermin *Robugen, Ger.; Iromedica, Switz.*
Zinc sulfate (p.1999·2).
Herpes labialis.

Virules *Kimia, Indon.*
Aciclovir (p.862·3).
Herpesvirus infections.

Virulex
Note. This name is used for preparations of different composition.
Drossapharm, Switz.
Greater celandine (p.2317·1).
Herpes labialis.

Pose, Thai.
Hand gel; hand rub: Triclosan (p.1665·2).
Skin disinfection.

Pose, Thai.
Powder for solution: Monopersulfate compound; sodium chloride; sulphamic acid.
Instrument disinfection.

Virulex Forte *Pascual, Hong Kong.*
Moroxydine hydrochloride (p.898·2); paracetamol (p.108·1); atropine methonitrate (p.1219·3); hyoscine methonitrate (p.1734·2).
Viral infections.

Virulizin *Mayne, Mex.*
Ox bile extract (p.2266·3).
Malignant melanoma.

Viru-Merz *Therabel, Belg.†; Grunenthal, Chile†; Merz, Cz.; Merz, Hong Kong; Merz, Hung.; Combiphar, Indon.; Merz, Indon.; Merz, Israel; Merz, Malaysia; Merz, Neth.†; Merz, Philipp.; Merz, Pol.; Medinfar, Port.; Merz, Singapore†.*
Tromantadine hydrochloride (p.911·1).
Herpes simplex infections of the skin and mucous membranes.

Viru-Merz Serol *Kolassa, Austria; Merz, Ger.; Pharmacare, Gr.; Merz, Rus.; Merz, Switz.*
Tromantadine hydrochloride (p.911·1).
Herpes simplex infections of the skin and mucous membranes.

Virunguent *Hermal, Ger.; Hermal, Malaysia†; Hermal, Port.†; Hermal, Singapore; Boots Healthcare, Switz.*
Idoxuridine (p.881·2) in dimethyl sulfoxide.
Herpes simplex infections of the skin and mucous membranes.

Virunguent P *Hermal, Ger.†.*
⊗ Idoxuridine (p.881·2); prednisolone (p.1540·3).
Herpes simplex infections.

Virupos *Ursapharm, Ger.; Biem, Turk.*
Aciclovir (p.862·3).
Herpes simplex eye infections.

Viru-Salvysat *Ysatfabrik, Ger.†.*
Sage (p.2382·3).
Mouth and throat infections.

Virusan *Rekah, Israel†.*
Idoxuridine (p.881·2).
Herpes simplex eye infections.

Viruseen *Hommel, Ger.†.*
Aciclovir (p.862·3).
Herpesvirus infections.

Viruserol *Novartis Consumer, Ital.†.*
Tromantadine hydrochloride (p.911·1).
Herpesvirus infections of the skin.

Viru-Serol *Merz, Mex.; Lacer, Spain.*
Tromantadine hydrochloride (p.911·1).
Herpesvirus infections of the skin and mucous membranes.

Virusteril *Biospray, Gr.*
Aciclovir (p.862·3).
Labial and genital herpes simplex infections.

Virustop *Pulitzer, Ital.†.*
Inosine pranobex (p.884·2).
Immunodeficiency; viral infections.

Viruxan *Sigma-Tau, Ital.*
Inosine pranobex (p.884·2).
Immunodeficiency; viral infections.

Virval *GSK, Spain.*
Valaciclovir hydrochloride (p.911·1).
Herpesvirus infections.

Virzin *Dermapharm, Ger.*
Aciclovir (p.862·3).
Herpesvirus infections.

Visacor *AstraZeneca, Port.*
Rosuvastatin calcium (p.1389·1).
Hypercholesterolaemia.

Visadron *Boehringer Ingelheim, Austria; Boehringer Ingelheim, Belg.; Boehringer Ingelheim, Cz.†; Alcon, Ger.; Boehringer Ingelheim, Ital.†; Boehringer Ingelheim, Neth.; Unilfarma, Port.; Boehringer Ingelheim, Spain.*
Phenylephrine hydrochloride (p.1568·1).
Conjunctivitis; eye irritation.

Visaline *Bausch & Lomb, Switz.*
⊗ Buphenine hydrochloride (p.2270·2); betacarotene (p.1930·3); alpha tocopherol (p.1992·2); ascorbic acid (p.1983·3).
Eye disorders.

Visalmin *Bunker, Braz.*
Chloramphenicol (p.239·3).
Bacterial eye infections.

Visamin *Bittner, Austria.*
Homoeopathic preparation.

Visancort *Sanbe, Indon.*
⊗ Hydrocortisone (p.1535·2); clioquinol (p.254·1); camphor (p.2273·2).
Skin disorders; skin infections.

Visano N *Kade, Ger.†.*
Meprobamate (p.1006·2).
Anxiety disorders; gastrointestinal disorders; insomnia.

VisanoCor N *Kade, Ger.†.*
Pentaerithrityl tetranitrate (p.1366·3); diphenhydramine hydrochloride (p.577·2).
Cardiac disorders.

Visano-mini N *Kade, Ger.†.*
Meprobamate (p.1006·2).
Anxiety disorders; sleep disorders.

Visazul *Neo Quimica, Braz.*
⊗ Naphazoline hydrochloride (p.1565·2); zinc phenolsulfonate (p.1621·3); berberine sulfate (p.2264·3).

Viscaplus *Sifarma, Ital.*
Marine cartilage; amino acids; minerals; antioxidants (p.1922·1).
Alopecia; nutritional supplement.

Viscard *Norma (Νορμα), Gr.†.*
Nifedipine (p.1350·1).
Angina pectoris; hypertension.

Viscasan *Bioforce, Ger.†.*
Homoeopathic preparation.

Visceralgine
Exel, Belg.†.
Tiemonium iodide (p.1776·3).
Smooth muscle spasm.

Organon, Fr.; Organon, Indon.
Tiemonium metilsulfate (p.1776·3).
Smooth muscle spasm.

Visceralgine Forte *Organon, Fr.†.*
Tiemonium metilsulfate (p.1776·3); dipyrone (p.49·2).
The tablets formerly contained tiemonium metilsulfate, dipyrone, and codeine phosphate.
Pain; smooth muscle spasms.

Visclair *Sinclair, Irl.; Sinclair, UK.*
Mecysteine hydrochloride (p.1564·2).
Respiratory-tract disorders with excessive or viscous mucus.

Visco *Aristo, India.*
Alginic acid (p.2140·3) or sodium alginate (p.2141·1); magnesium hydroxide (p.1743·2); aluminium hydroxide (p.1706·2); simeticone (p.1770·2).
Gastric hyperacidity; heartburn.

Viscoat *Alcon, Arg.; Alcon, Austral.; Alcon, Fr.; Alcon, Ger.; Alcon, Hong Kong†; Alcon, Hung.†; Alcon, Ital.; Alcon, Malaysia; Alcon, NZ; Alcon, Philipp.; Alcon, S.Afr.; Alcon, Singapore; Alcon, Thai.; Alcon, Turk.; Alcon, USA; Alcon, Venez.†.*
Chondroitin sulfate sodium (p.2280·3); sodium hyaluronate (p.2320·1).
Adjunct in eye surgery.

Viscoblast *DMG, Ital.*
Carboxymethyl betaglucan; n-hydroxymethylglycinate.

Viscoblast Mono *DMG, Ital.*
Carboxymethyl betaglucan.

Viscofresh *Allergan, Spain.*
Carmellose sodium (p.2142·1).
Dry eyes.

Viscol *Liba, Turk.*
Bromhexine hydrochloride (p.1552·2).
Respiratory-tract congestion.

Viscolex *Pinewood, Irl.*
Carbocisteine (p.1553·2).
Respiratory-tract disorders with excessive or viscous mucus.

Viscolyt *Gea, Denm.†.*
Bromhexine hydrochloride (p.1552·2).
Dry eyes; respiratory-tract congestion.

Viscomucil *ABC, Ital.*
Ambroxol hydrochloride (p.1550·3).
Respiratory-tract congestion.

Visconisan N *Hanosan, Ger.†.*
Homoeopathic preparation.

Viscopaste *Smith & Nephew, Irl.*
Zinc oxide (p.1621·2).
Dermatitis; leg ulcers; medicated bandage; varicose eczema.

Viscopaste PB7 *Smith & Nephew, Ital.; Smith & Nephew, S.Afr.; Smith & Nephew, UK.*
Zinc oxide (p.1621·2).
Medicated bandage.

Visc-Ophtal *Winzer, Ger.*
Carbomer (p.2141·3).
Dry eyes.

Viscophyll *Krewel, Ger.†.*
Mistletoe (p.2345·3); bladderwrack (p.2384·2).
Circulatory disorders.

Viscorapas duo *Pascoe, Ger.†.*
Convallaria (p.2287·3); crataegus (p.2289·1).
Heart failure.

Viscoseal *Chemedica, Ger.; Chemedica, Malaysia; Chemedica, Switz.; Chemedica, UK.*
Sodium hyaluronate (p.2320·1).
Synovial fluid replacement in arthroscopy or joint lavage.

Viscotears *Novartis Ophthalmics, Arg.; Novartis, Austral.; Novartis, Braz.; Novartis, Chile; Novartis, Denm.; Novartis, Fin.; Novartis, Hong Kong; Novartis, Israel; Novartis, Mex.; Ciba Vision, NZ; Novartis, Norw.; Novartis, Spain; Novartis Ophthalmics, Swed.; Novartis, Switz.; Novartis, Turk.; Novartis, UK; Novartis, Venez.*
Carbomer (p.2141·3).
Dry eyes; eye irritation.

Viscoteina *Iquinosa, Spain.*
Carbocisteine (p.1553·2).
Respiratory-tract congestion.

Viscoter *Novartis, Gr.*
Carbomer (p.2141·3).
Dry eyes.

Viscotiol *Celltech, Fr.†.*
Letosteine (p.1563·3).
Respiratory-tract congestion.

Viscotirs *Novartis, Ital.*
Carbomer (p.2141·3).
Dry eyes.

Viscotraan *Adcock Ingram, S.Afr.*
Hypromellose (p.2144·2).
Dry eyes.

Viscozyme *Roche, Chile.*
Dornase alfa (p.1557·1).
Cystic fibrosis.

Viscum album H *Pfluger, Ger.*
Homoeopathic preparation.

Viscysat *Ysatfabrik, Ger.*
Mistletoe (p.2345·3).
Circulatory disorders.

Visderm *Wyeth-Ayerst, Thai.†.*
⊗ Amcinonide (p.1516·2).
Skin disorders.

Visderm H *Darier, Mex.*
⊗ Amcinonide (p.1516·2).
Inflammatory skin disorders.

Visebad *Otto, Indon.*
Vitamin preparation (p.1922·1).
Nutritional supplement.

Visial *Cadila, India.*
Sodium hyaluronate (p.2320·1).

Vi-Siblin *Pfizer, Denm.; Pfizer, Fin.; Recip, Norw.; Recip, Swed.*
Ispaghula (p.1737·1).
Constipation; irritable bowel syndrome.

Vi-Siblin S *Recip, Swed.*
Ispaghula (p.1737·1); sorbitol (p.1965·1).
Constipation; irritable bowel syndrome.

Visicol *Salix, USA.*
Monobasic sodium phosphate (p.1682·3); dibasic sodium phosphate (p.1682·3).
Bowel evacuation.

Visidic *Laboratorios Chile, Chile.*
Polyvinyl alcohol (p.2145·3).
Dry eyes; eye irritation.

Visinal *Stada, Cz.†.*
Valerian (p.2410·1); passion flower (p.2363·2); lupulus (p.2335·2).
Nervous disorders; sleep disorders.

Visine *Pfizer Consumer, Belg.; McNeil, Cz.; Pfizer, Fin.; Pfizer, Gr.; Pfizer, Hung.; Pfizer, India; Pfizer, Indon.; Pfizer, Israel; Pfizer Consumer, Ital.; Pfizer, Malaysia; Johnson & Johnson, NZ; Pfizer, Philipp.; Pfizer, Pol.; Janssen-Cilag, Port.; Pfizer, Rus.; Pfizer Consumer, S.Afr.; Johnson & Johnson, Singapore; Pfizer Consumer, Switz.; Pfizer, Thai.; Pfizer, Turk.*
⊗ Tetryzoline hydrochloride (p.1574·1).
Eye congestion; eye irritation.

Visine AC *Pfizer, Hong Kong; Pfizer, Israel.*
⊗ Tetryzoline hydrochloride (p.1574·1); zinc sulfate (p.1999·2).
Formerly known as Visine Allergy Relief.
Eye irritation.

Visine AD *Pfizer Consumer, Mex.*
⊗ Oxymetazoline hydrochloride (p.1567·2).
Eye irritation.

Visine Advance Allergy *Pfizer Consumer, Canad.*
⊗ Naphazoline hydrochloride (p.1565·2); pheniramine maleate (p.587·3).

Visine Advance Triple Action *Pfizer Consumer, Canad.*
⊗ Tetryzoline hydrochloride (p.1574·1); macrogol 400 (p.2336·3); dextran 70 (p.1059·3); povidone (p.2146·1).

Visine Advance True Tears *Pfizer Consumer, Canad.*
Hypromellose (p.2144·2).
Dry eyes.

Visine Advanced Relief
Note. This name is used for preparations of different composition.
Pfizer Consumer, Austral.; Johnson & Johnson, NZ.
⊗ Tetryzoline hydrochloride (p.1574·1); dextran 70 (p.1059·3); macrogol 400 (p.2336·3); povidone (p.2146·1).
Dry eyes; eye irritation.

Pfizer, Philipp.
⊗ Tetryzoline hydrochloride (p.1574·1).
Eye irritation.

Visine Allergy
Note. This name is used for preparations of different composition.
Pfizer, Austral.†; Pfizer Consumer, Canad.
⊗ Tetryzoline hydrochloride (p.1574·1); zinc sulfate (p.1999·2).
Eye irritation or congestion.

Johnson & Johnson, NZ.
⊗ Naphazoline hydrochloride (p.1565·2); pheniramine maleate (p.587·3).
Allergic conjunctivitis; eye irritation.

Visine Allergy with Antihistamine *Pfizer Consumer, Austral.*
⊗ Naphazoline hydrochloride (p.1565·2); pheniramine maleate (p.587·3).

Visine Allergy Relief *Pfizer, USA.*
⊗ Tetryzoline hydrochloride (p.1574·1); zinc sulfate (p.1999·2).
Eye irritation.

Visine Contact Lens *Pfizer Consumer, Canad.*
Hypromellose (p.2144·2)(p.1622·2).
Eye irritation during contact lens wear.

Visine for Contacts *Pfizer, Hong Kong.*
Hypromellose (p.2144·2); glycerol (p.2314·2) (p.1622·2).
Eye irritation during contact lens wear.

Visine Cool
Note. This name is used for preparations of different composition.
Pfizer Consumer, Canad.
⊗ Tetryzoline hydrochloride (p.1574·1); macrogol 400 (p.2336·3).
Formerly known as Visine Moisturizing.
Eye irritation.

Pfizer, Philipp.
⊗ Tetryzoline hydrochloride (p.1574·1).
Eye irritation.

Visine D *Pfizer, Arg.*
⊗ Oxymetazoline hydrochloride (p.1567·2).
Eye irritation.

Visine Extra
Note. This name is used for preparations of different composition.
Pfizer, Indon.
⊗ Tetryzoline hydrochloride (p.1574·1); macrogol (p.2336·1).
Dry eyes; eye irritation.

Pfizer Consumer, Mex.
⊗ Tetryzoline hydrochloride (p.1574·1); macrogol 400 (p.2336·3); povidone (p.2146·1); dextran 70 (p.1059·3).
Eye irritation.

Visine Intensiv *Pfizer Consumer, Ger.*
Tamarind seed polysaccharide.
Dry eyes.

Visine Lagrimas *Pfizer, Arg.*
Glycerol (p.2314·2); hypromellose (p.2144·2); macrogol 400 (p.2336·3).
Dry eyes.

Visine LR *Pfizer, Indon.; Pfizer Consumer, USA.*
⊗ Oxymetazoline hydrochloride (p.1567·2).
Eye irritation.

Visine Moisturizing *Pfizer, Hong Kong; Pfizer, USA†.*
⊗ Tetryzoline hydrochloride (p.1574·1); macrogol 400 (p.2336·3).
Dry eyes; eye irritation.

Visine Mude *Pfizer Consumer, Ger.*
Tamarind seed polysaccharide.
Eye irritation.

Visine Original *Pfizer Consumer, Austral.; Pfizer Consumer, Canad.; Pfizer, Hong Kong; Pfizer Consumer, USA.*
⊗ Tetryzoline hydrochloride (p.1574·1).
Eye irritation.

Visine Plus *Pfizer, Arg.*
⊗ Dextran 70 (p.1059·3); macrogol 400 (p.2336·3); povidone (p.2146·1); tetryzoline hydrochloride (p.1574·1).
Dry eyes; eye irritation.

Visine Pure Tears *Pfizer Consumer, USA.*
Glycerol (p.2314·2); hypromellose (p.2144·2); macrogol 400 (p.2336·3).
Dry eyes.

Visine Refresh *Pfizer, Philipp.*
Macrogol 400 (p.2336·3); glycerol (p.2314·2); hypromellose (p.2144·2).
Dry eyes; eye irritation.

Visine Revive *Pfizer Consumer, Austral.†.*
⊗ Tetryzoline hydrochloride (p.1574·1); macrogol 400 (p.2336·3).
Dry eyes; eye irritation.

Visine Tears *Pfizer Consumer, USA.*
Glycerol (p.2314·2); hypromellose (p.2144·2); macrogol 400 (p.2336·3).
Dry eyes.

Visine Trockene Augen *Pfizer Consumer, Ger.*
Povidone (p.2146·1); carbomer 974P; medium-chain triglycerides (p.1956·3).
Dry eyes.

Visine True Tears *Pfizer Consumer, Austral.†.*
Glycerol (p.2314·2); hypromellose (p.2144·2); macrogol 400 (p.2336·3).
Dry eyes.

Visine Workplace *Pfizer Consumer, Canad.*
⊗ Oxymetazoline hydrochloride (p.1567·2).
Eye irritation.

Visine Yxin *Pfizer Consumer, Ger.*
⊗ Tetryzoline hydrochloride (p.1574·1).
Eye disorders.

Visine-A *Pfizer Consumer, USA.*
⊗ Naphazoline hydrochloride (p.1565·2); pheniramine maleate (p.587·3).
Eye disorders.

Visiol *Chemedica, Ger.; Chemedica, Malaysia; Chemedica, Switz.*
Sodium hyaluronate (p.2320·1).
Adjunct in eye surgery.

Visio-Max *Wassen, UK.*
Selenium; vitamins; bilberry (p.1922·1).

Vision Care Enzymatic Cleaner *Alcon, USA.*
Pancreatin (p.2360·1) (p.1622·2).
Cleansing solution for soft contact lenses.

Visionace *Vitabiotics, UK.*
Vitamin, mineral, and nutrient preparation (p.1922·1).
Eye disorders.

Visional Gotas *Maver, Chile.*
⊗ Tetryzoline hydrochloride (p.1574·1).
Eye congestion.

VisionBlue *DORC, Neth.; Dutch Ophthalmic, USA.*
Trypan blue (p.2405·2).
Ophthalmic stain.

Visionex *Usana, Malaysia; Beacons, Singapore.*
Lutein; zinc; vitamin C (p.1922·1).
Dietary supplement for healthy eyes.

Visionom *Genom, Braz.*
Hamamelis (p.2318·2); chamomile (p.2279·3).
Eye disorders.

Visipaque *Amersham, Austral.; Amersham, Austria; Amersham, Belg.; Sanofi Synthelabo, Braz.†; Amersham, Canad.; General Electric, Chile; GE, Cz.; Amersham, Denm.; Amersham, Fin.; Amersham, Fr.; Amersham, Ger.; Amersham, Gr.; Amersham Health, Hung.; Nycomed, Israel; Amersham, Ital.; GE Healthcare, NZ; Amersham, Neth.; Amer-*

sham, Norw.; Satis, Port.; Nycomed, Rus.†; Amersham, Spain; Amersham, Swed.; Amersham, Switz.; Amersham, UK; Amersham, USA.
Iodixanol (p.1482·2).
Radiographic contrast medium.

Visiplex *Bunker, Braz.*
⊗ Naphazoline hydrochloride (p.1565·2); zinc sulfate (p.1999·2); boric acid (p.2268·1); borax (p.2268·1).
Ocular congestion.

Visivit *Soho, Indon.*
Myrtillus (p.2349·3); vitamin A (p.1971·2).
Supplement for healthy eyes.

Viskaldix *Novartis, Belg.; Novartis, Braz.; Novartis, Chile; Novartis, Fr.; Novartis, Ger.; Novartis, Gr.; EGIS, Hung.; Novartis, Irl.; Novartis, Malaysia; Novartis, Neth.; Novartis, Philipp.; Egis, Rus.; Novartis, Switz.; Novartis, Thai.†; Amdipharm, UK; Novartis, Venez.†.*
⊗ Pindolol (p.1372·1); clopamide (p.1250·1).
Hypertension.

Viskazide *Novartis, Canad.*
⊗ Pindolol (p.1372·1); hydrochlorothiazide (p.1307·3).
Hypertension.

Viskeen *Novartis, Neth.*
⊗ Pindolol (p.1372·1).
Angina pectoris; arrhythmias; hypertension.

Visken *Novartis, Austral.; Novartis, Austria; Novartis, Belg.; Novartis, Braz.; Novartis, Canad.; Egis, Cz.†; Novartis, Denm.; Novartis, Fin.; Novartis, Fr.; Novartis, Ger.; Novartis, Gr.; Novartis, Hong Kong; EGIS, Hung.; Novartis, India; Novartis, Irl.; Teofarma, Ital.; Novartis, Mex.; Novartis, Philipp.; Novartis, Pol.; Egis, Rus.; Novartis, Swed.; Novartis, Turk.; Amdipharm, UK; Novartis, USA; Novartis, Venez.†.*
⊗ Pindolol (p.1372·1).
Angina pectoris; arrhythmias; hypertension; hyperthyroidism; hypertrophic obstructive cardiomyopathy; ischaemic heart disease; myocardial infarction; phaeochromocytoma.

Viskene *Novartis, Switz.*
⊗ Pindolol (p.1372·1).
Cardiac disorders; hypertension.

Viskenit *Novartis, Austria.*
⊗ Pindolol (p.1372·1); isosorbide dinitrate (p.1317·3).
Angina pectoris.

Viskoferm *Nordic, Swed.*
Acetylcysteine (p.1548·2).
Bronchitis.

Viskose ojendraber *Ophtha, Denm.*
Sodium chloride (p.1686·1).
Dry eyes.

Vislin *Alcon, Braz.*
⊗ Tetryzoline hydrochloride (p.1574·1); methylthioninium chloride (p.1450·3).
Ocular congestion.

Vislube *Chemedica, Ger.; Chemedica, Malaysia; Chemedica, Switz.*
Sodium hyaluronate (p.2320·1) (p.1622·2).
Dry eyes in contact lens wearers.

Vislus *Northia, Arg.*
⊗ Nitrofurazone (p.309·1); ephedrine (p.1558·1); phenazone (p.116·1); diphenhydramine (p.577·1).
Eye disorders.

Vismed *Hamilton, Austral.†; Thea, Fr.†; Chemedica, Ger.; Chemedica, Hong Kong; Tubilux, Ital.; Chemedica, Malaysia; Chemedica, Switz.*
Sodium hyaluronate (p.2320·1)(p.1622·2).
Formerly known as Vislube in *Hong Kong*.
Dry eyes; eye irritation; lubrication for contact lens.

Visodin *Allergan, Braz.*
⊗ Tetryzoline hydrochloride (p.1574·1); methylthioninium chloride (p.1450·3).
Ocular congestion.

Visofid *Fidia, Ital.*
Cyproterone acetate (p.2088·2); ethinylestradiol (p.2101·3).
Androgen-associated acne, alopecia, and hirsutism in females.

Visolin *Darya-Varia, Indon.*
⊗ Tetryzoline hydrochloride (p.1574·1).
Eye irritation.

Visolon *Igefarma, Braz.*
⊗ Naphazoline (p.1565·1); benzalkonium chloride (p.1629·1); zinc sulfate (p.1999·2); berberine sulfate (p.2264·3).
Ocular congestion.

Visolux *Brasmedica, Braz.†.*
⊗ Tetryzoline (p.1574·1); methylthioninium chloride (p.1450·3).
Eye disorders.

Visolvit *GSK, Pol.*
Vitamin preparation (p.1922·1).

Visonest *Allergan, Braz.*
Proxymetacaine hydrochloride (p.1870·1).
Local anaesthesia.

Visopt *Sigma, Austral.†.*
Phenylephrine (p.1568·1).
Eye irritation and congestion.

Visotone
Note.This name is used for preparations of different composition.
British Dispensary, Thai.
Eye drops: Phenylephrine hydrochloride (p.1568·1); boric acid (p.2268·1); borax (p.2268·1); sodium chloride (p.1686·1).
Eye irritation.

British Dispensary, Thai.
Eye solution: Boric acid (p.2268·1); borax (p.2268·1); salicylic acid (p.1612·2); zinc sulfate (p.1999·2).
Eye irritation.

Visoy *Wyeth Lederle, Port.†.*
Soy protein infant feed (p.1922·1).
Gastro-enteritis; intolerance to cow's milk, lactose, or sucrose.

Vispring *Pfizer Consumer, Spain.*
⊗ Tetryzoline hydrochloride (p.1574·1).
Conjunctival congestion; eye irritation.

Vistabel *Allergan, Cz.; Allergan, Denm.; Allergan, Fin.; Allergan, Fr.; Alvia (Αλβια), Gr.; Allergan, Hung.; Allergan, Norw.; Allergan, Port.; Allergan, Spain; Allergan, Swed.; Allergan, Switz.; Allergan, UK.*
Botulinum A toxin (p.1890·1).
Glabellar lines.

Vistabex *Allergan, Ital.*
Botulinum A toxin (p.1890·1).
Facial wrinkles.

Vista-Cetamide *Martindale, Hong Kong†.*
Sulfacetamide (p.335·3).
. There is no connection between Martindale, The Complete Drug Reference and Martindale, Hong Kong.
Eye infections.

Vistacloran *Allergan, Arg.†.*
⊗ Chloramphenicol succinate (p.241·3); naphazoline hydrochloride (p.1565·2).
Bacterial eye infections.

Vistadrox *Cadila, India.*
Cefadroxil (p.218·1).
Bacterial infections.

Vistafrin *Allergan, Spain.*
Phenylephrine hydrochloride (p.1568·1).
Eye irritation.

Vistagan *Allergan, Austria; Allergan, Cz.; Allergan, Ger.; Alvia (Αλβια), Gr.; Allergan, Hung.; Allergan, Ital.; Allergan, Switz.; Allergan, Venez.*
⊗ Levobunolol hydrochloride (p.1882·3).
Glaucoma; ocular hypertension.

Vista-Methasone *Martindale Pharmaceuticals, UK.*
⊗ Betamethasone sodium phosphate (p.1518·3).
. There is no connection between Martindale, The Complete Drug Reference and Martindale Pharmaceuticals.
Inflammatory disorders of the ear, eye, or nose.

Vista-Methasone N *Martindale Pharmaceuticals, UK.*
⊗ Betamethasone sodium phosphate (p.1518·3); neomycin sulfate (p.305·1).
. There is no connection between Martindale, The Complete Drug Reference and Martindale Pharmaceuticals.
Inflammatory disorders of the ear, eye, or nose with bacterial infection.

Vista-Phenicol *Martindale, Hong Kong†.*
Chloramphenicol (p.239·3).
. There is no connection between Martindale, The Complete Drug Reference and Martindale, Hong Kong.
Blepharitis; conjunctivitis.

Vistaril *Pfizer, USA.*
Hydroxyzine embonate (p.581·2).
Anxiety; premedication; pruritus; sedative.

Vistazine *Keene, USA†.*
Hydroxyzine hydrochloride (p.581·2).
Anxiety; hypersensitivity reactions.

VisThesia *Ioltech, Ger.*
Sodium hyaluronate (p.2320·1).
Adjunct in eye surgery.

Vistide *Pfizer, Austral.; Pharmacia, Austria; Pfizer, Belg.; Pharmacia, Cz.; Pfizer, Fr.; Pharmacia, Ger.; Pharmacia-Upjohn, Gr.†; Pfizer, Ital.; Pfizer, Neth.; Pfizer, Port.; Pharmacia, Spain; Pfizer, Switz.; Pharmacia, UK; Gilead, USA.*
Cidofovir (p.867·3).
Cytomegalovirus retinitis; HIV infection.

Vistil *Santen, Ger.; Tubilux, Ital.*
Polyvinyl alcohol (p.2145·3).
Dry eyes; eye irritation.

Vistimon *Jenapharm, Ger.†; Jenapharm, Malaysia†.*
⊗ Mesterolone (p.2116·1).
Androgen deficiency; androgen replacement.

Visto *GMP, Indon.*
⊗ Tetryzoline hydrochloride (p.1574·1).
Eye irritation.

Vistoxyn *Allergan, Ger.; Allergan, Switz.†.*
⊗ Oxymetazoline hydrochloride (p.1567·2).
Conjunctival disorders; conjunctivitis; eye irritation.

Vistrum *Pharos, Indon.*
Bovine colostrum (p.2208·1); fructo-oligosaccharide; zinc.
Nutritional supplement.

Visu Q10 *Visufarma, Ital.*
Ubidecarenone (p.2407·2); vitamin E; lutein (p.1922·1).
Antioxidant.

Visual *Hexal, Braz.†.*
⊗ Zinc sulfate (p.1999·2); boric acid (p.2268·1); borax (p.2268·1); naphazoline hydrochloride (p.1565·2).
Ocular congestion.

Visual-Eyes *Optopics, USA.*
Electrolyte solution (p.1667·1).
Eye irrigation.

Visublefarite *Visufarma, Ital.*
⊗ Betamethasone (p.1518·2); sulfacetamide sodium (p.335·3); tetryzoline phosphate (p.1574·1).
Blepharitis.

Visubril *Allergan, Arg.*
⊗ Tetryzoline hydrochloride (p.1574·1); methylthioninium chloride (p.1450·3).
Eye inflammation.

Visucloben *Visufarma, Ital.*
⊗ Clobetasone butyrate (p.1522·3).
Eye disorders.

Visucloben Antibiotico *Visufarma, Ital.*
⊗ Clobetasone butyrate (p.1522·3); bekanamycin sulfate (p.211·3).
Infected eye disorders.

Visucloben Decongestionante *Visufarma, Ital.*
⊗ Clobetasone butyrate (p.1522·3); tetryzoline hydrochloride (p.1574·1).
Eye congestion, irritation, and inflammation.

Visudine *Novartis, Gr.*
Verteporfin (p.784·3).
Choroidal neovascularisation; neovascular (wet) age-related macular degeneration.

Visudyne *Novartis Ophthalmics, Arg.; Novartis, Austral.; Novartis, Austria; Novartis, Belg.; Novartis, Braz.; Novartis Ophthalmics, Canad.; Novartis, Chile; Novartis, Cz.; Novartis, Denm.; Novartis, Fin.; Novartis, Fr.; Novartis, Ger.; Novartis, Hong Kong; Parkedale, Hong Kong; Novartis, Hung.; Novartis, Indon.; Novartis, Israel; Novartis, Ital.; Novartis, Jpn; Novartis, Malaysia; Novartis, NZ; Novartis, Neth.; Novartis, Norw.; Novartis, Philipp.; Novartis, Pol.; Novartis, Port.; Novartis, Rus.; Novartis, S.Afr.; Novartis Ophthalmics, Singapore; Novartis, Spain; Novartis Ophthalmics, Swed.; Novartis, Switz.; Novartis, Thai.; Novartis, Turk.; Novartis Ophthalmics, UK; Novartis Ophthalmics, USA; Novartis, Venez.*
Verteporfin (p.784·3).
Neovascular (wet) age-related macular degeneration.

Visuglican *Visufarma, Ital.*
Sodium cromoglicate (p.1136·3); chlorphenamine maleate (p.571·3).
Conjunctivitis.

Visu-len *DermoDuemila, Ital.*
Lutein; selenium; zinc; vitis vinifera; thioctic acid (p.1922·1).
Nutritional supplement.

Visumetazone *Visufarma, Ital.*
⊗ Dexamethasone (p.1526·1).
Inflammatory eye disorders.

Visumetazone Antibiotico *Visufarma, Ital.*
⊗ Bekanamycin sulfate (p.211·3); tetryzoline hydrochloride (p.1574·1); betamethasone (p.1518·2).
Eye infections associated with inflammation and congestion.

Visumetazone Antistaminico *Visufarma, Ital.*
⊗ Dexamethasone (p.1526·1); chlorphenamine maleate (p.571·3).
Conjunctivitis.

Visumetazone Decongestionante *Visufarma, Ital.*
⊗ Dexamethasone (p.1526·1); tetryzoline hydrochloride (p.1574·1).
Conjunctivitis; eye congestion and irritation; scleritis.

Visumidriatic *Visufarma, Ital.*
Tropicamide (p.1886·2).
Production of mydriasis.

Visumidriatic Fenilefrina *Visufarma, Ital.*
Tropicamide (p.1886·2); phenylephrine hydrochloride (p.1568·1).
Production of mydriasis.

Visustrin *McNeil, Ital.*
⊗ Tetryzoline hydrochloride (p.1574·1); methylthioninium chloride (p.1450·3).
Conjunctival oedema; eye congestion and irritation.

Visu-ton *DermoDuemila, Ital.*
Lutein; myrtillus; vitis vinifera; vitamin A; vitamin B (p.1922·1).
Nutritional supplement.

Visymplex Plus *Eadriex, Philipp.*
Vitamin preparation with or without lysine hydrochloride (p.1922·1).
Nutritional supplement.

Vi-Syneral *Sanofi Pasteur, Chile; USV, India; Grossman, Mex.*
Vitamin preparation with or without minerals (p.1922·1).
Dietary supplement.

Vi-Syneral GE *Beta, Arg.*
Vitamin preparation with or without minerals (p.1922·1).

Vit C-Mile *Osoth, Thai.*
Ascorbic acid (p.1983·3); sodium ascorbate.
Vitamin C deficiency.

Vit Eparin *Teofarma, Ital.*
Heparin sodium (p.1301·2); tocoferil acetate (p.1992·3).
Ocular haemorrhage and its sequelae.

Vita *Poen, Arg.*
Vitamin A acetate; vitamin E; vitamin P (p.1922·1).
Vitamin supplement.

Vita Anti-Ox *Uniao Quimica, Braz.*
Vitamins A, C, and E; minerals (p.1922·1).

Vita 3B *Riva, Canad.*
Vitamin B substances (p.1922·1).

Vita B Compound 100 *Vita Pharm, Canad.†.*
Vitamin B substances (p.1922·1).

Vita 3B plus C *Riva, Canad.*
Vitamin B substances with vitamin C (p.1922·1).

Vita B-Co *Hovid, Malaysia†; Swiss Bio, Malaysia†.*
Vitamin B substances (p.1922·1).
Dietary supplement.

Vita Bee *Rugby, USA.*
Multivitamin preparation (p.1922·1).

Vita Buer-G-plus
Altana, Switz.
Capsules: Multivitamin and mineral preparation with kola and ginseng (p.1922·1).
Tonic.

Altana, Switz.
Oral liquid: Multivitamin and mineral preparation with ginseng (p.1922·1).
Tonic.

Vita Buerlecithin
Roland, Cz.†; Altana, Ger.†; Altana, Switz.
Soya lecithin (p.2332·2); vitamins (p.1922·1).
Dietary supplement; tonic.

Altana, Pol.
Lecithin; vitamins (p.1922·1).
Tonic.

Vita C
Vitaglow, Austral.†.
Calcium ascorbate (p.1984·1).
Cold and influenza symptoms; wounds.

CCM, Malaysia.
Vitamin C (p.1983·3).
Vitamin C deficiency; vitamin C supplement.

Vita Calmag Zn *Vita Health, Singapore†.*
Calcium (p.1675·2); magnesium (p.1678·3); zinc (p.1999·1).
Calcium deficiency; osteoporosis.

Vita Care Q_{10} *Jemo-Pharm, Pol.*
Ubidecarenone (p.2407·2).
Cardiovascular disorders; periodontitis; tonic.

Vita C-R15 *Reckeweg, Cz.*
Homoeopathic preparation.

Vita C-R15 forte *Reckeweg, Cz.*
Homoeopathic preparation.

Vita Cris *Cris Flower, Ital.†.*
Multivitamin preparation (p.1922·1).
Nutritional supplement.

Vita D *LA, Arg.*
Vitamin D (p.1986·1).
Vitamin D deficiency.

Vita Dino Buddies *Vita Pharm, Canad.†.*
Multivitamin and mineral preparation (p.1922·1).

Vita E *Vitaglow, Austral.†.*
d-Alpha tocopherol (p.1992·2).
Antoxidant; dry skin disorders; wounds.

Vita Ferin C *Geistlich, Switz.*
Multivitamin and mineral preparation (p.1922·1).

Vita Grip *Sinterapico, Braz.*
Ascorbic acid (p.1983·3); caffeine (p.1116·3); salicylamide (p.121·2); chlorphenamine maleate (p.571·3).
Cold and influenza symptoms.

Vita K *Uniao Quimica, Braz.*
Phytomenadione (p.1995·3).
Vitamin K deficiency bleeding.

Vita Menal *Alacan, Spain.*
Cyproheptadine hydrochloride (p.575·1); amino acids; cyanocobalamin (p.1922·1); fosforylethanolamine.
Tonic.

Vita Multicap *Sriprasit, Thai.*
Vitamins; minerals; choline bitartrate; inositol; methionine (p.1922·1).

Vita Natal
Note.This name is used for preparations of different composition.
Vita Health, Singapore.
Capsules: Multivitamin and mineral preparation with folic acid (p.1922·1).
Dietary supplement in pregnancy.

Vita Health, Singapore.
Cream: Evening primrose oil (p.2302·1); jojoba oil.
Dry skin; massage therapy during and after pregnancy.

Vita Senior *Uniao Quimica, Braz.*
Vitamins; minerals; ginseng (p.1922·1).

Vita SL *Dynamic, Philipp.*
Vitamins; hematoporphyrin hydrochloride; magnesium carbonate; orotic acid; lysine hydrochloride; lecithin; ginseng; royal jelly (p.1922·1).
Nutritional supplement.

Vita SL with lecithin *Dynamic, Philipp.*
Vitamins; calcium lactate; lysine hydrochloride; lecithin (p.1922·1).
Nutritional supplement.

Vita SL Plus *Dynamic, Philipp.*
Vitamins; zinc; lysine; taurine; chlorella growth factor (p.1922·1).
Nutritional supplement.

Vita Stress *Vita Pharm, Canad.†.*
Multivitamin preparation (p.1922·1).

Vita-Apinol *Slovakofarma, Cz.†.*
Apilac.
Asthenia; asthma; atherosclerosis; bronchitis; menopausal disorders; skin disorders; ulcers.

Vita-B *Shiwa, Thai.*
Vitamin B (p.1976·3); vitamin B (p.1979·1); vitamin B (p.1980·2).
Vitamin B deficiency.

Vita-B1 *Vitabalans, Fin.*
Thiamine hydrochloride (p.1976·1).
Vitamin B deficiency.

Vita-B2 *Vitabalans, Fin.*
Riboflavin (p.1977·2).
Vitamin B deficiency.

Vita-B6 *Vitabalans, Fin.*
Pyridoxine hydrochloride (p.1978·2).
Vitamin B deficiency.

Vitabact *Novartis, Fr.; Novartis Ophthalmics, Hung.†; Novartis, Rus.; Pharmaregie, Rus.; Novartis Ophthalmics, Switz.†.*
Picloxydine hydrochloride (p.1658·2).
Bacterial eye infections.

Vitabase Complexo Vitaminico C/Minerais *Johnson & Johnson, Braz.†.*
A vitamin and mineral preparation (p.1922·1).

Vitabase Vitamina C *Johnson & Johnson, Braz.†.*
Vitamin C (p.1983·3).

Vitabe *Andromaco, Chile.*
Pyridoxine hydrochloride (p.1978·2).
Vitamin B deficiency.

Vita-Bel *Offenbach, Mex.*
Vitamin B substances; lysine; iron (p.1922·1).
Appetite loss.

Vitaber A E *Llorens, Spain.*
Di-isopropylammonium dichloroacetate (p.1265·1); vitamin A acetate (p.1973·1); tocoferil acetate (p.1992·3).
Deficiency of vitamins A and E; eye disorders; infertility; recurrent miscarriage; skin disorders.

Vitabin *Perivita, Neth.*
Terbinafine hydrochloride (p.546·3).
Fungal skin infections.

Vitabiol *Ulagay, Turk.*
Multivitamin preparation (p.1922·1).

Vitabiol C *Ulagay, Turk.*
Vitamin C (p.1983·3).
Vitamin C deficiency.

Vitabiol C-Fort *Ulagay, Turk.*
Vitamin B substances; vitamin C (p.1922·1).
Leave the -Fort to distinguish from earlier entry for Vitabiol C.

Vitabion
Note. This name is used for preparations of different composition.
Cipla, India.
Multivitamin preparation (p.1922·1).

GMP, Indon.
Ferrous gluconate (p.1939·1); manganese sulfate; copper sulfate; vitamin B ; folic acid (p.1922·1).
Ascorbic acid (p.1983·3) is included in this preparation to increase the absorption and availability of iron.
Iron deficiency; iron-deficiency anaemia.

Unison, Malaysia.
Thiamine nitrate (p.1976·2); pyridoxine hydrochloride (p.1978·2); cyanocobalamin (p.1980·2).
Vitamin B deficiency; vitamin B supplement.

Unison, Thai.
Vitamin B (p.1976·3); vitamin B (p.1979·1); vitamin B (p.1980·2).
Neuritis; neuropathy.

Vitabite *Vitaflo, Irl.*
Food for special diet (p.1922·1).
Disorders requiring protein restriction.

Vita-Bob *Scot-Tussin, USA.*
Multivitamin preparation (p.1922·1).

Vitaburon *Elmor, Venez.†.*
Shark-liver oil (p.2386·1).
Dietary supplement.

Vita-C *Shaklee, Canad.†; Vitabalans, Fin.; Freeda, USA.*
Ascorbic acid (p.1983·3).
Dietary supplement; scurvy; vitamin C deficiency.

Vitac *Sanofi-Aventis, Chile.*
Ascorbic acid (p.1983·3).
Vitamin C supplement.

Vita-C Derms's *LDA, Arg.*
Ascorbic acid (p.1983·3); hyaluronic acid (p.2320·1).

Vita-C R15 *Reckeweg, Ger.†.*
Homoeopathic preparation.

Vita-Cal *Columbia, S.Afr.; Pharmasant, Thai.*
Calcium; vitamins (p.1922·1).
Calcium and vitamin supplement; vitamin and mineral deficiencies.

Vitacal
Note. This name is used for preparations of different composition.
Vita Health, Singapore.
Effervescent tablets: Calcium (p.1675·2); vitamin D (p.1986·1).
Calcium deficiency; osteoporosis.

Vita Health, Singapore.
Tablets: Calcium (p.1675·2).
Calcium deficiency; osteoporosis.

Vitacal + D
Scherer, Malaysia†; Swiss Bio, Malaysia†.
Calcium carbonate (p.1714·1); colecalciferol (p.1986·2).
Dietary supplement.

Vita Health, Singapore.
Calcium (p.1675·2); vitamin D (p.1986·1).
Calcium deficiency; osteoporosis.

Vita-Cal Mag with Zinc and Vitamin D *Vita Pharm, Canad.†.*
Calcium; magnesium; zinc; vitamin D (p.1922·1).

Vita-Cal Plus *Shaklee, Canad.†.*
Multivitamin and mineral preparation (p.1922·1).

Vita-Calc *Pharmavit, Cz.†.*
Colecalciferol (p.1986·2); pyridoxine hydrochloride; ascorbic acid; calcium carbonate (p.1714·1) (p.1922·1).
Osteoporosis; vitamin supplement.

Vitacalc *BMS, Hung.†.*
Ascorbic acid (p.1983·3); calcium carbonate (p.1714·1); colecalciferol (p.1986·2); pyridoxine hydrochloride (p.1978·2).
Vitamin and calcium deficiency.

Vitacalcin *Zentiva, Cz.*
Calcium carbonate (p.1714·1).
Calcium deficiency; osteomalacia; osteoporosis.

Vitacalcin D *Slovakofarma, Cz.†.*
Calcium carbonate (p.1714·1); colecalciferol (p.1986·2).
Calcium and vitamin D deficiency.

Vitacal-D *Otto, Indon.*
Calcium carbonate (p.1714·1); magnesium oxide; colecalciferol (p.1986·2).
Nutritional supplement.

Vitacap *Medicap, Thai.*
Multivitamin and mineral preparation (p.1922·1).

VitaCarn *Kendall McGaw, USA.*
Carnitine (p.1932·2).
Carnitine deficiency.

Vitace *Prisfar, Port.*
Echinacea purpurea (p.2298·1); vitamin C; zinc (p.1922·1).
Tonic.

Vita-Ce *Chemedica, Switz.†.*
Ascorbic acid (p.1983·3).
Vitamin C deficiency; vitamin C supplement.

Vitacelsia Plus *Prisfar, Port.*
Multivitamin and mineral preparation (p.1922·1).

Vitacharm *Veropharm, Rus.*
Vitamin preparation (p.1922·1).

Vitachol *Landson, Indon.*
Lecithin; vitamins; ferrous fumarate (p.1938·3); copper; iodine (p.1922·1).
Nutritional supplement for pregnancy and lactation.

Vitacic *Omega, Belg.; Novartis Ophthalmics, Hung.†; Europhta, Mon.; Novartis Ophthalmics, Rus.†.*
Adenosine (p.1202·1); cytidine (p.2291·3); disodium guanylate (p.2296·1); thymidine (p.2401·2); uridine (p.2407·3).
Corneal damage.

Vitacid *Theraskin, Braz.; Surya Dermato, Indon.; Yabrofarma, Port.†.*
Tretinoin (p.1618·1).
Acne; photoageing.

Vitacid Plus *Theraskin, Braz.*
⊗ Tretinoin (p.1618·1); hydroquinone (p.1598·2); fluocinolone acetonide (p.1531·3).
Skin disorders.

Vitacimin *Takeda, Indon.; Takeda, Thai.*
Ascorbic acid (p.1983·3).
Circulatory disorders; skin pigmentation disorders; vitamin C deficiency; vitamin C supplement.

Vitacimin Sweetlet *Takeda, Hong Kong.*
Ascorbic acid (p.1983·3); sodium ascorbate (p.1984·1).
Vitamin C deficiency.

Vitacip *Cipla, India.*
Multivitamin preparation with ginseng (p.1922·1).

Vitacitrus *Vitemat, Braz.†.*
Ascorbic acid (p.1983·3).

Vitacon *Polfa Warszawa, Pol.*
Phytomenadione (p.1995·3).
Coagulation disorders.

Vitacor *UB, Switz.*
Crataegus (p.2289·1).
Cardiac disorders.

Vitacortil *Hexa, Arg.*
⊗ Betamethasone dipropionate (p.1518·3); gentamicin sulfate (p.282·1); clotrimazole (p.530·1).
Infected skin disorders.

Vitacrecil *Ferraz, Lynce, Port.†.*
Cystine; gelatin; zinc sulfate; ferrous sulfate; calcium pantothenate; pyridoxine hydrochloride (p.1922·1).
Hair, skin, and nail disorders.

Vitacur *Lapi, Indon.*
Curcuminoid; betacarotene; vitamin B substances; vitamin D; calcium pidolate; fructo-oligosaccharide (p.1922·1).
Reduced appetite; vitamin supplement.

Vitadece *Klonal, Arg.*
Ascorbic acid; vitamin A; vitamin D (p.1922·1).
Vitamin supplement.

Vita-Dermacide *CS, Fr.*
Nicotinamide (p.1957·3); glutamic acid (p.1947·1); tryptophan (p.427·1).
Irritative dermatitis.

Vitaderme *Cristalia, Braz.*
Vitamin A; colecalciferol; vitamin E (p.1922·1); allantoin (p.1588·1).
Barrier preparation.

Vitadesan *Sanval, Braz.*
Vitamin A palmitate (p.1973·1); ergocalciferol (p.1987·1).

Vitadol-C *Karicare, NZ.*
Vitamin A, C, and D (p.1922·1).
Vitamin supplement.

Vitadoze *Neckerman, Braz.†.*
Cyanocobalamin (p.1980·2).
Vitamin B deficiency.

Vitadral *Wernigerode, Ger.*
Vitamin A palmitate (p.1973·1).
Vitamin A deficiency.

Vitadye *Dermatech, Austral.; ICN, Malaysia†.*
Dihydroxyacetone (p.1594·1).
Vitiligo.

Vitadyn *Bilim, Turk.*
Vitamin and mineral preparation (p.1922·1).

Vitadyn C *Oftalmi, Venez.*
Ascorbic acid (p.1983·3).
Vitamin C deficiency.

Vita-E
Ache, Braz.
dl-Alpha tocoferil acetate (p.1992·3).
Vitamin E deficiency.

Vitabalans, Fin.†.
d-Alpha tocoferil acetate (p.1992·3) or *d*-alpha tocoferil succinate (p.1993·1).
Vitamin E deficiency.

Worwag, Ger.; Cambridge Healthcare, UK.
d-Alpha tocopherol (p.1992·2) or *d*-alpha tocoferil acetate (p.1992·3).
Vitamin E deficiency.

Vitae *Vivax, Venez.*
Vitamin E (p.1992·2).
Vitamin E deficiency.

VitaEPA
Scherer, Malaysia†; Swiss Bio, Malaysia†.
Omega-3 triglycerides (p.1362·1).
Dietary supplement.

Vita Health, Singapore.
Docosahexaenoic acid (p.1362·1); eicosapentaenoic acid (p.1362·1).
Hyperlipidaemias.

VitaEPA Plus
Scherer, Malaysia†; Swiss Bio, Malaysia†.
Omega-3 triglycerides (p.1362·1); evening primrose oil (p.2302·1).
Dietary supplement.

Vita Health, Singapore.
Eicosapentaenoic acid (p.1362·1); evening primrose oil (p.2302·1).
Circulatory disorders; hyperlipidaemias; inflammation.

Vitafardi C B12 *Fardi, Spain.*
Ascorbic acid (p.1983·3); hydroxocobalamin (p.1980·3).
Deficiency of vitamins B and C.

Vitafem *Vita Pharm, Canad.†.*
Multivitamin and mineral preparation (p.1922·1).

Vitaferol *Otto, Indon.*
Vitamin E (p.1992·2).
Vitamin E deficiency.

Vitaferro
Hexal, Arg.†.
Ferrous sulfate (p.1939·3).
Iron deficiency; iron-deficiency anaemia.

Hexal, Ger.
Ferrous gluconate (p.1939·1) or ferrous sulfate (p.1939·3).
Iron deficiency; iron-deficiency anaemia.

Vitafissan N *Uhlmann-Eyraud, Switz.*
Caseine hydrolysate (Labiline) (p.1934·1); vitamins A and E (p.1922·1); linoleic acid (p.2308·2); linolenic acid (p.1362·1).
Skin disorders.

Vitafizz C *Hexa, Arg.*
Ascorbic acid (p.1983·3).
Vitamin C deficiency.

Vitafluid *Mann, Ger.*
Vitamin A palmitate (p.1973·1).
Eye disorders.

Vitaflur *Maver, Chile.*
Sodium fluoride (p.1962·2).

Vitafol
Note. This name is used for preparations of different composition.
Cipla, India.
Folic acid (p.1940·1).
Folic acid deficiency.

Everett, USA.
Syrup: Ferric pyrophosphate (p.1938·1); folic acid (p.1940·1); vitamin B substances (p.1922·1).
Iron-deficiency anaemias.

Everett, USA.
Tablets: Ferrous fumarate (p.1938·3); folic acid (p.1940·1); multivitamins and minerals (p.1922·1).
Iron-deficiency anaemias.

Vitafol-OB *Everett, USA.*
Vitamin and mineral preparation (p.1922·1).

Vitafol-PN *Everett, USA.*
Vitamin and mineral preparation (p.1922·1).

Vitaforce *Pharma-Natura, S.Afr.*
Multivitamin and mineral preparation (p.1922·1).

Vitaforce Acerola C *Pharma-Natura, S.Afr.*
Acerola; rosehip; green pepper; blackcurrant; ascorbic acid; sodium ascorbate; rutoside; citrus bioflavonoids; hesperidin; tissue salts (Combin J) (p.1922·1).
Dietary supplement; vitamin C deficiency.

Vitaforce C *Pharma-Natura, S.Afr.*
Ascorbic acid (p.1983·3).
Dietary supplement; vitamin C deficiency.

Vitaforce E *Pharma-Natura, S.Afr.*
Vitamin E (p.1992·2).
Dietary supplement; vitamin E deficiency.

Vitaforce Massif-C *Pharma-Natura, S.Afr.*
Ascorbic acid (p.1983·3).
Dietary supplement; vitamin C deficiency.

Vitaforce Nutri-B *Pharma-Natura, S.Afr.*
Vitamin B substances; potassium phosphate; lecithin; yeast (p.1922·1).
Dietary supplement.

Vitaforte *Rimsa, Mex.†.*
Multivitamin and mineral preparation (p.1922·1).

Vitafusal *Serum-Werk Bernburg, Ger.*
⊗ An etherified starch (p.1065·1) with electrolytes.
Plasma volume expansion; shock.

Vitagama Fluor *Almirall, Spain.*
Sodium fluoride (p.1962·2); vitamins (p.1922·1).
Vitamin and fluoride deficiencies.

Vita-Gard *GNLD, Austral.*
Vitamins; zinc oxide; citrus bioflavonoids (p.1922·1).

Vitagel *Mann, Ger.*
Vitamin A palmitate (p.1973·1).
Eye disorders.

Vitagen *Cadila, India.*
Vitamin B substances (p.1922·1).

Vitagenol
Note. This name is used for preparations of different composition.
Boehringer Ingelheim, Arg.†.
Ginseng (p.2312·1).
Mental function impairment; tonic.

Sanofi Synthelabo, Chile†.
Betacarotene; vitamin C; vitamin E; selenium (p.1922·1).
Dietary supplement.

Vitagenol Plus *Boehringer Ingelheim, Arg.*
Ginseng; minerals; vitamins (p.1922·1).
Tonic.

Vita-Gerin
Chemomedica, Austria.
Deanol orotate; vitamins; minerals; adenosine; choline bitartrate (p.1922·1).
Tonic.

Geistlich, Switz.
Deanol orotate; vitamins; minerals; rutoside; choline bitartrate (p.1922·1).
Tonic.

Vita-Gerin N *Cassella-med, Ger.*
Deanol orotate; magnesium orotate; vitamins; minerals; choline bitartrate (p.1922·1).
Tonic.

Vitageyer B *Geyer, Braz.†.*
Vitamin B substances (p.1922·1).

Vitageyer C *Geyer, Braz.†.*
Ascorbic acid (p.1983·3).

Vitaglumil *Salusif, Port.†.*
Vitamin B substances; ascorbic acid (p.1922·1).
Tonic.

Vita-Grin *Grin, Mex.*
Vitamin and mineral preparation (p.1922·1).

Vitagripe *Berna, Spain†.*
An influenza vaccine (p.2218·2).
Active immunisation.

Vitagutt Knoblauch *Schwarzhaupt, Ger.†.*
Garlic oil (p.2309·2).
Circulatory disorders.

Vitagutt Vitamin E *Schwarzhaupt, Ger.†.*
dl-Alpha tocoferil acetate (p.1992·3).
Vitamin E deficiency.

VitaHES *Serum-Werk Bernburg, Ger.*
⊗ An etherified starch (p.1065·1) in sodium chloride.
Plasma volume expansion; shock.

Vita-Hexin *Streuli, Switz.*
Chlorhexidine gluconate (p.1635·3); vitamin A palmitate (p.1973·1); cod-liver oil (p.1935·2); zinc oxide (p.1621·2).
Skin lesions.

Vita-Iodurol *Novartis, Rus.*
Adenosine (p.1202·1); magnesium chloride; calcium chloride; nicotinic acid.

Vitaject *Syxyl, Ger.†.*
Thiamine hydrochloride (p.1976·1); pyridoxine hydrochloride (p.1978·2); cyanocobalamin (p.1980·2).
Vitamin B deficiency.

Vitak *Dicofarm, Ital.*
Phytomenadione (p.1995·3).
Vitamin K deficiency; vitamin K supplement.

Vitakid *Pharmaland, Thai.*
Multivitamin preparation with lysine (p.1922·1).
Tonic.

Vita-Kid *Solgar, UK; Solgar, USA.*
Multivitamin preparation (p.1922·1).

Vitakids *Vitalink, Philipp.*
Vitamins; taurine; lysine; chlorella growth factor (p.1922·1).
Nutritional supplement.

Vital *Yu Sheng, Singapore.*
Glucosamine sulfate (p.2313·2).
Joint and cartilage disorders.

Vital Ear Oil *Medikon, Indon.*
Thymol (p.1664·3); menthol (p.2340·1); camphor (p.2273·2).
Otitis.

Vital Eyes *Novartis Consumer, UK.*
Lavender (p.2331·1); orange flower (p.2357·1); hamamelis (p.2318·2); euphrasia (p.2301·3).
Eye irritation.

Vital High Nitrogen *Abbott, Hong Kong; Ross, USA.*
Preparation for enteral nutrition (p.1922·1).

Vital HN *Abbott, Austral.; Abbott, Canad.†; Abbott, NZ.*
Preparation for enteral nutrition (p.1922·1).

Vitalac BL *Sari Husada, Indon.*
Infant feed (p.1922·1).
Lactose intolerance.

Vitalaif *Medix, Mex.*
Multivitamin and mineral preparation with ginseng (p.1922·1).

Vita-Lea *Shaklee, Canad.†.*
Multivitamin and mineral preparation (p.1922·1).
Dietary supplement.

Vitalen C *Dovalle, Braz.†.*
Paracetamol (p.108·1); chlorphenamine (p.572·2); phenylephrine (p.1568·1); caffeine (p.1116·3).
Cold and influenza symptoms.

Vitaler
Note.This name is used for preparations of different composition.
EMS, Braz.†.
Oral solution: Buclizine (p.570·1); lysine; tryptophan; cyanocobalamin; vitamin B (p.1922·1).
Reduced appetite; tonic.
EMS, Braz.†.
Tablets: Vitamin B substances; sodium glycerophosphate; calcium glycerophosphate; manganese hypophosphite; lysine hydrochloride; iron choline citrate (p.1922·1).
Reduced appetite; tonic.

Vitalets *Freeda, USA.*
Multivitamin and mineral preparation with iron (p.1922·1).

Vitalex *Molex Ayus, Indon.*
Ferrous fumarate (p.1938·3); folic acid; vitamin B ; colecalciferol; calcium carbonate (p.1922·1).
Ascorbic acid (p.1983·3) is included in this preparation to increase the absorption and availability of iron.
Iron-deficiency anaemia.

Vitaleyes *Novartis Ophthalmics, Fr.†.*
Multivitamin and trace-element preparation (p.1922·1).
Nutritional supplement for healthy eyes.

Vitalil K *Linfar, Arg.*
A range of dietary supplements (p.1922·1).

Vitaline *Bioglan, Austral.†.*
Lysine (p.1955·1); zinc oxide (p.1621·2).
Herpes simplex lesions.

Vitalipid *Fresenius, Belg.; Fresenius Kabi, Denm.; Fresenius Kabi, Fin.; Baxter, Ger.; Fresenius Kabi, Gr.; Fresenius Kabi, Hung.; Fresenius Kabi, Ital.; Baxter, NZ†; Fresenius Kabi, NZ†; Fresenius Kabi, Norw.; Fresenius Kabi, Port.; Fresenius Kabi, Spain; Fresenius Kabi, Swed.; Fresenius Kabi, Thai.*
Vitamins A, D , E, and K for infusion (p.1922·1).
Parenteral nutrition.

Vitalipid N *Fresenius Kabi, Chile; Fresenius Kabi, Cz.; Fresenius Kabi, Hong Kong; Pharmacia Upjohn, Israel; Fresenius Kabi, Malaysia; Fresenius Kabi, Pol.; Fresenius Kabi, Rus.; Fresenius Kabi, Singapore†; Fresenius Kabi, Switz.; Fresenius Kabi, Turk.*
Vitamins A, D , E, and K for infusion (p.1922·1).
Parenteral nutrition.

Vitalipid Neu *Fresenius Kabi, Austria.*
Vitamins A, D, E, and K for infusion (p.1922·1).
Contains egg lipid.
Parenteral nutrition.

Vitalipide *Fresenius Kabi, Fr.*
Vitamins A, D , E, and K for infusion (p.1922·1).
Parenteral nutrition.

Vitalitan *Ducto, Braz.*
A multivitamin and mineral preparation (p.1922·1).

Vitalium *Farma Lepori, Spain.*
St John's wort (p.422·3).
Sleep disorders; tonic.

Vitalivin-E Reformulated *Pascual, Philipp.*
Vitamins; minerals; lysine hydrochloride (p.1922·1).
Nutritional supplement.

Vitalix *Roemmers, Arg.*
Iron polymaltose (p.1953·1).
Iron deficiency; iron-deficiency anaemia.

Vitalix Complex *Roemmers, Arg.*
Iron polymaltose (p.1953·1); cyanocobalamin (p.1980·2); folic acid (p.1940·1).
Anaemias.

Vitalize *Scot-Tussin, USA.*
Ferric pyrophosphate (p.1938·1); vitamin B substances with -lysine (p.1922·1).
Iron-deficiency anaemias.

Vital-Kapseln *Ratiopharm, Ger.†.*
Siberian ginseng (p.2386·3).
Tonic.

Vitalle *Allen, Mex.†.*
Alpha tocopherol (p.1992·2).
Vitamin E deficiency.

Vitalmin Nutraenergy *Recalcine, Chile.*
Preparation for enteral nutrition (p.1922·1).

Vitalmix Action *Montefarmaco, Ital.*
Carnitine; chromium; amino acids; maté; rhodiola rosea (p.1922·1).

Vitalmix Complex *Montefarmaco, Ital.*
Myrtillus; guarana; ginseng; royal jelly; bioflavonoids; vitamins (p.1922·1).
Nutritional supplement.

Vitalmix Fos *Montefarmaco, Ital.*
Phosphorylserine; eleutherococcus; arginine aspartate; ginkgo biloba; royal jelly (p.1922·1).
Nutritional supplement.

Vitalmix Junior *Montefarmaco, Ital.*
Vitamin B ; folic acid; iron; royal jelly; amino acids; phosphorylserine (p.1922·1).
Nutritional supplement.

Vita-Logos *Sigma-Tau, Switz.†.*
Cyanocobalamin; amino acids (p.1922·1).
Tonic.

Vitalong C TRC *Bernofarm, Indon.*
Ascorbic acid (p.1983·3).
Vitamin C deficiency.

Vitalorange *GSK, Mex.*
Vitamin A (p.1971·2); colecalciferol (p.1986·2).
Nutritional supplement.

Vitalpen *Labomed, Chile.*
Flucloxacillin (p.277·1).
Gram-positive bacterial infections.

Vitalux
Novartis Ophthalmics, Canad.; Novartis, Chile; Novartis, Fr.; Novartis, Hong Kong; Novartis, Mex.; Novartis, Philipp.; Novartis, Turk.
A multivitamin and mineral preparation (p.1922·1).
Antioxidant preparation; nutritional supplement.
Medivis, Ital.
Betacarotene; vitamins; minerals; soya lecithin; beeswax; wheat-germ oil (p.1922·1).
Novartis, Thai.
Multivitamin and mineral preparation with lutein (p.1922·1).
Novartis, Venez.
Vitamins; zinc gluconate; manganese gluconate; selenium yeast (p.1922·1).
Nutritional supplement.

Vitalux Plus
Novartis Ophthalmics, Arg.
Vitamin and mineral preparation (p.1922·1).
Nutritional supplement.
Medivis, Ital.
Vitamins; lecithin; luteine; gelatin; monoglycerides; iron oxides (p.1922·1).
Nutritional supplement.
Novartis, Mex.; Novartis Ophthalmics, Singapore; Novartis, Venez.
Vitamin and mineral preparation with lutein (p.1922·1).
Nutritional supplement.
Novartis, UK
Lutein; vitamin C; vitamin E; zinc; copper; nicotinamide (p.1922·1).

Vitalyn *Fontovit, Braz.*
A multivitamin and mineral preparation (p.1922·1).

Vitam Doce *Frasca, Arg.*
Cyanocobalamin (p.1980·2).

Vitamag *Pharmacare, S.Afr.*
Vitamin B substances; magnesium; zinc (p.1922·1).
Vitamin and mineral supplement.

Vitamam 1 *Novell, Indon.*
Vitamins; minerals; ginger; fructo oligosaccharide (p.1922·1).
Nutritional supplement in pregnancy.

Vitamam 2 *Novell, Indon.*
Capsules, vitamins; minerals; fructo oligosaccharide (p.1922·1); capsules, ferrous fumarate (p.1938·3).
Nutritional supplement in pregnancy.

Vitamam 3 *Novell, Indon.*
Capsules, vitamins; minerals; fructo oligosaccharide (p.1922·1); capsules, ferrous fumarate (p.1938·3).
Nutritional supplement in pregnancy.

Vita-Max *Herbarium, Braz.†.*
Betacarotene; vitamin C; vitamin E; selenium (p.1922·1).

Vitamax *GSK, Rus.*
Vitamins; minerals; royal jelly; ginseng; wheat-germ oil; soya phosphatides; safflower oil; -arginine; -lysine; orotic acid; deanol tartrate; pollen (p.1922·1).
Tonic.

Vitamedin
Note.This name is used for preparations of different composition.
Sankyo, Hong Kong.
Vitamin B substances (p.1922·1).
Anaemias; neuritis; rheumatic disorders; sciatica.
Sankyo, Thai.†.
Benfotiamine (p.1975·2); vitamin B (p.1979·1); vitamin B (p.1980·2).
Anaemias; neural disorders.

Vita-Mefren *Novartis Consumer, Belg.†.*
Chlorhexidine gluconate (p.1635·3); vitamin A palmitate (p.1973·1).
Burns; infected skin disorders; ulcers; wounds.

Vitamen *Beta, Ital.*
Protein and multivitamin preparation (p.1922·1).

Vita-Merfen
Novartis Consumer, Hung.†.
Chlorhexidine gluconate (p.1635·3); benzoxonium chloride (p.1631·2); vitamin A (p.1971·2).
Burns; minor wounds.
Novartis Consumer, Switz.
Chlorhexidine gluconate (p.1635·3); benzoxonium chloride (p.1631·2); vitamin A palmitate (p.1973·1).
Minor wounds and burns.

Vita-Merfen NF *Novartis Consumer, Israel.*
Chlorhexidine gluconate (p.1635·3); benzoxonium chloride (p.1631·2); vitamin A (p.1971·2).
Burns; wounds.

Vita-Merfen Soins dermatologiques *Novartis Consumer, Switz.†.*
⊗ Urea (p.1620·2).
Dry skin.

Vitamex C *Konimex, Indon.*
Ascorbic acid (p.1983·3).
Vitamin C deficiency; vitamin C supplement.

Vitamfenicolo *Tubilux, Ital.*
Chloramphenicol (p.239·3) or chloramphenicol sodium succinate (p.240·1).
Bacterial eye infections.

Vitamice *Greenpharma, Braz.*
Ascorbic acid (p.1983·3).
Vitamin C supplement.

Vitamidyne A and D *Fischer, Israel.*
Vitamin A (p.1971·2); vitamin D (p.1986·1).
Vitamin A and D deficiency.

Vitamin A Acid *Dermik, Hong Kong.*
Tretinoin (p.1618·1).
Acne.

Vitamin B duo *Jenapharm, Ger.*
Thiamine hydrochloride (p.1976·1); pyridoxine hydrochloride (p.1978·2).
Neurological system disorders.

Vitamin C-500 YSP *YSP, Malaysia.*
Ascorbic acid (p.1983·3); calcium pantothenate (p.1959·3); sodium ascorbate (p.1984·1).
Vitamin C deficiency.

Vitamin C-Calcium *Herbrand, Ger.†.*
Calcium carbonate (p.1714·1); ascorbic acid (p.1983·3).
Calcium deficiency; cold symptoms.

Vitamin F *Klosterfrau, Austria.*
Ethyl linoleate (p.2308·2).
Skin disorders; wounds.

Vitamin for the Hair *Natural Life, Arg.*
Vitamin and mineral preparation (p.1922·1).

Vitamina A Composta *Labesfal, Port.*
Vitamin A; vitamin D (p.1922·1).

Vitamina C Plus *ISA, Arg.*
Vitamin B substances; vitamin C; betacarotene (p.1922·1).

Vitamina C-Complex *Natural Life, Arg.*
Rose fruit (p.2381·2); citrus bioflavonoids (p.2304·1); rutoside (p.2305·1); hesperidin (p.2304·3) complex; red cherry (p.1472·2).
Vitamin C supplement.

Vitamina F99 Topica *Vitafarma, Spain.*
Peru balsam (p.2365·3); vitamin F (p.2308·2).
Skin disorders.

Vitaminac Retard *Confar, Port.*
Vitamin C (p.1983·3).

Vitaminal *Proula, Venez.*
Vitamin B substances (p.1922·1).
Neuropathies; vitamin B supplement.

Vitamine 15 *Solco, Switz.†.*
Multivitamin and mineral preparation (p.1922·1).

Vitamine F99 *Doetsch, Grether, Switz.†.*
Ethyl linoleate (p.2308·2); ethyl linolenate.
Burns; skin disorders; ulcers; wounds.

Vitamineral *ACO, Swed.†.*
Multivitamin and mineral preparation (p.1922·1).

Vitaminoftalmina *Davi, Port.*
Vitamin A palmitate (p.1973·1).
Eye disorders.

Vitaminol *Bio-Sante, Canad.*
Multivitamin and mineral preparation (p.1922·1).

Vitaminorum *Sigma, Austral.*
Multivitamin preparation (p.1922·1).

Vitamins Only *Solgar, UK.*
Multivitamin preparation (p.1922·1).

Vitaminum B Compositum *Pliva Krakow, Pol.; Polfa Kutno, Pol.; Polfa Warszawa, Pol.; Polfarmex, Pol.*
Vitamin B substances (p.1922·1).

Vitamon *Cipla, India.*
Ferric ammonium citrate (p.1938·1); folic acid (p.1940·1); vitamin B (p.1980·2).

Vitamon K *Omega, Belg.*
Phytomenadione (p.1995·3).
Vitamin K deficiency bleeding.

Vitamoren *IAE, Philipp.*
Multivitamins with calcium (p.1922·1).
Nutritional supplement.

Vitamult *CTI, Israel.*
Multivitamin preparation (p.1922·1).
Tonic.

VitaMulti *Otto, Indon.*
Vitamin and mineral preparation (p.1922·1).
Nutritional supplement in pregnancy and lactation.

Vitamuruine *Medgenix, Belg.*
Vitamin A acetate (p.1973·1).
Burns; skin disorders; wounds.

Vitamycetin *Wyeth, India.*
Chloramphenicol (p.239·3) or chloramphenicol palmitate (p.239·3).
Bacterial infections.

Vitan
Note. A similar name is used for preparations of different composition (see below).
Antigen, Irl.†.
Multivitamin or multivitamin and mineral preparation (p.1922·1).

Vit-A-N
Note. A similar name is used for preparations of different composition (see above).
Farmigea, Ital.
Vitamin A acetate (p.1973·1).
Blepharitis; corneal ulcer; keratitis; keratoconjunctivitis.

Vitana-EZ *Kenyaku, Thai.*
Multivitamin and mineral preparation with iron and dehydrocholic acid (p.1922·1).
Tonic.

Vita-Nat *Laboratorios Chile, Chile.*
Vitamin A; colecalciferol; ascorbic acid (p.1922·1).
Vitamin A, D, and E supplement.

Vitaneed *Sherwood, USA.*
Lactose-free preparation for enteral nutrition (p.1922·1).

Vitaneral *Natufarma, Arg.*
Multivitamin and mineral preparation (p.1922·1).

Vitanerv *Unison, Philipp.*
Thiamine nitrate (p.1976·2); pyridoxine hydrochloride (p.1978·2); cyanocobalamin (p.1980·2).
Neuralgia; neuritis; neuropathy; vitamin B deficiency.

Vitaneurin *Takeda, Jpn.*
Vitamin B ; vitamin B ; vitamin B (p.1922·1).

Vitaneuron
Note.This name is used for preparations of different composition.
Luper, Braz.†.
Vitamin B (p.1980·2); vitamin B (p.1976·3).
Megaloblastic anaemias; vitamin B deficiency.
Tunggal Idaman, Indon.
Vitamin B ; vitamin B ; vitamin B ; vitamin C; vitamin E (p.1922·1).
Nutritional supplement.

Vitanidia *Lusoterapia, Port.*
Sulbutiamine (p.1976·1).

Vitanol *Stiefel, Spain.*
Tretinoin (p.1618·1).
Acne; photodamaged skin.

Vitanol-A *Stiefel, Arg.†; Stiefel, Braz.*
Tretinoin (p.1618·1).
Acne; keratinisation disorders; skin disorders; skin hyperpigmentation.

Vitanox *Mediherb, Austral.*
Vitis vinifera (p.2316·3); green tea (p.2416·1); turmeric (p.1473·2); rosemary (p.2381·2).
Circulatory disorders.

Vitanumonyl C *Sanofi Synthelabo, Mex.*
Ascorbic acid (p.1983·3); chlorphenamine (p.572·2); paracetamol (p.108·1).

Vitap *GMP, Indon.*
Adenosine triphosphate (p.2247·3); vitamin B (p.1979·1).
Fatigue; skeletal muscle atrophy.

Vitapan *Provita, Austria.*
Cod-liver oil (p.1935·2).
Vitamin A and D deficiency.

Vita-Ped *Stiefel, Braz.*
Retinol palmitate; ascorbic acid; colecalciferol (p.1922·1).

Vitapelen *ICN, Arg.†.*
Vitamin A (p.1971·2); vitamin D (p.1986·1); zinc oxide (p.1621·2).
Skin disorders.

Vitaphakol *Alcon Cusi, Spain.*
Adenosine (p.1202·1); cytochrome C (p.2291·3); nicotinamide (p.1957·3); sodium succinate (p.2391·1); sorbitol (p.1965·1).
Cataracts.

Vitaplex
Provita, Austria..
Multivitamin preparation (p.1922·1).
Nutritional supplement.
Bernofarm, Indon.
Vitamins; omega-3; bovine colostrum (p.1922·1).
Nutritional supplement.
Blue Cross, Philipp.
Vitamins; taurine; lysine; zinc; chlorella growth factor (p.1922·1).
Nutritional supplement.

Vitaplex mineral *Pfizer, Swed.*
Multivitamin and mineral preparation (p.1922·1).

VitaPlus
Note. A similar name is used for preparations of different composition (see below).
Sari Husada, Indon.
Preparation for enteral nutrition (p.1922·1).

Vita-Plus
Note. A similar name is used for preparations of different composition (see above).
Scot-Tussin, USA.
A range of vitamin and mineral preparations (p.1922·1).

Vitaplus B *Douglas, NZ†.*
Vitamin B substances; vitamin C; calcium (p.1922·1).
Vitamin and calcium supplement.

Vitaplus B Plus *Adcock Ingram Consumer, S.Afr.*
Vitamin B substances; vitamin C; calcium (p.1922·1).
Vitamin and calcium supplement.

Vitaplus C Plus *Adcock Ingram Consumer, S.Afr.*
Ascorbic acid (p.1983·3); calcium (p.1675·2).
Vitamin C and calcium supplement.

Vita-Plus E *Scot-Tussin, USA.*
Vitamin E (p.1992·2).
Vitamin E deficiency.

Vita-PMS *Bajamar, USA.*
Multivitamin and mineral preparation (p.1922·1).

Vitapole *Ponce, Venez.†.*
Vitamin B substances (p.1922·1).

Vita-POS
Note.This name is used for preparations of different composition.
Ursapharm, Ger.
Vitamin A palmitate (p.1973·1); liquid paraffin (p.2030·3); light liquid paraffin (p.2031·1); wool fat (p.2033·2); white soft paraffin (p.2031·2).
Eye disorders.
Ursapharm, Rus.
Vitamin A palmitate (p.1973·1).
Eye disorders.

Vita-Preg *Vitelle, Austral.†.*
Omega-3 marine triglycerides (p.1362·2); folic acid (p.1940·1).
Fatty-acid supplement in pregnancy; prevention of neural tube defects.

Vitaprost *Nizpharm, Rus.*
Bovine prostate extract (Samprost) (p.2337·3).
Prostatitis.

Vitaquick *Vitaflo, Irl.*
Thickening agent (p.1922·1).
Dysphagia.

Vitaquin *Surya Dermato, Indon.*
Hydroquinone (p.1598·2).
Skin hyperpigmentation.

Vitar *Vita, Venez.†.*
Cade oil (p.1616·1); ammonium laurilsulfate (p.2138·3).
Psoriasis; seborrhoea.

Vitaral
Jelfa, Pol.
Vitamin and mineral preparation (p.1922·1).
Vitamin and mineral deficiency.

Kenyaku, Thai.
Vitamins; minerals; rutoside; dehydrocholic acid; liver concentrate (p.1922·1).
Vitamin and mineral deficiency.

Vitareds *Gallivit, Fr.*
Vitamin and mineral preparation with or without lutein (p.1922·1).

Vitarex *Pasadena, USA.*
Multivitamin and mineral preparation with iron (p.1922·1).

Vitarnin *Grossmann, Hong Kong; Grossmann, Switz.†.*
Multivitamin and mineral preparation (p.1922·1).

Vitarubin *Streuli, Switz.*
Cyanocobalamin (p.1980·2) or hydroxocobalamin acetate (p.1980·3).
Anaemias; neurological disorders; vitamin B deficiency.

Vitasana-Lebenstropfen *Riemser, Ger.†.*
Gentian; calamus; menyanthes; melissa; achillea; peppermint leaf; crataegus; rosemary; rue; lupulus; valerian; juniper; aniseed; fennel; caraway; herba marjoranae.
Tonic.

Vitasavoury *Vitaflo, UK.*
High energy sip feed (p.1922·1).

Vitascor *ICN, Hung.*
Ascorbic acid (p.1983·3).
Vitamin C deficiency.

Vitascorbol *Cooperation Pharmaceutique, Fr.*
Ascorbic acid (p.1983·3) with or without sodium ascorbate (p.1984·1).
Asthenia; vitamin C deficiency.

Vitaseptol *Europhta, Mon.*
Thiomersal (p.1663·3).
Ocular antiseptic.

Vitaseve *Rider, Chile.*
Calcium ascorbate (p.1984·1).
Vitamin C supplement.

Vitasilin *Casel, Turk.*
Tetracycline hydrochloride (p.347·2).
Bacterial skin infections.

Vitaslim *Soho, Indon.*
Poliglusam (p.2370·1); garcinia cambogia (p.2309·2); levocarnitine fumarate (p.1933·1); chromium picolinate (p.1934·3); vitamin C (p.1983·3).
Obesity.

Vitasma *Basi, Port.†.*
⊗ Ephedrine hydrochloride (p.1558·2); meprobamate (p.1006·2); prednisolone (p.1540·3); choline theophyllinate (p.1119·3).

VitaSohn *Antonetto, Ital.*
Multivitamin and mineral preparation (p.1922·1).

Vitasol F *LA, Arg.*
Vitamins A, C, and D with fluoride (p.1922·1).

Vitaspectrum *Veropharm, Rus.*
Vitamin and mineral preparation (p.1922·1).

Vitasprint *Balverda, Ital.†.*
-Phosphoserine (p.2367·1); cyanocobalamin (p.1980·2); glutamine (p.1947·2).
Tonic.

Vitasprint B_{12} *Wyeth, Ger.†.*
-Phosphoserine (p.2367·1); cyanocobalamin (p.1980·2); glutamine (p.1947·2).
Vitamin B deficiency.

Vitasprint Complex *Balverda, Ital.†; Whitehall-Robins, Switz.*
Dexfosfoserine (p.2367·1); arginine hydrochloride (p.1928·2); -phosphothreonine; glutamine (p.1947·2); hydroxocobalamin (p.1980·3).
Tonic.

Vita-Squares *GNLD, Austral.*
Vitamin and mineral preparation (p.1922·1).

Vitathion
Note. A similar name is used for preparations of different composition (see below).
Servier, Fr.
Ascorbic acid (p.1983·3); thiamine hydrochloride (p.1976·1); inositocalcium.
Asthenia.

Vita-Thion
Note. A similar name is used for preparations of different composition (see above).
Servier, S.Afr.
Vitamins; glutathione; sodium adenosine triphosphate; calcium fytate (p.1922·1).
Tonic.

Vitathion-ATP *Servier, Canad.*
Ascorbic acid; adenosine triphosphate; calcium inositohexaphosphate; glutathione; magnesium inositohexaphosphate; thiamine (p.1922·1).
Stress conditions.

Vitaton
Allen, Mex.
Vitamin B substances (p.1922·1).

Vita Health, Singapore.
Vitamins; minerals; bee pollen; cysteine; ginseng; kelp; lecithin; lysine; royal jelly; yeast (p.1922·1).

Vitaton Alpha Vitahealth *Hovid, Malaysia†; Swiss Bio, Malaysia†.*
Multivitamin and mineral preparation with inositol and lecithin (p.1922·1).
Nutritional supplement.

Vitaton Gold Vitahealth *Hovid, Malaysia†; Swiss Bio, Malaysia†.*
Multivitamin and mineral preparation with ginseng, lecithin, and rutoside (p.1922·1).
Nutritional supplement.

Vitatona *Brauer, Austral.*
Angelica (p.2258·1); ascorbic acid (p.1983·3); kola nitida (p.2416·1); vitamin B substances (p.1922·1); alfalfa (p.2249·2); ginseng (p.2312·1); urtica (p.2409·3); aurum muriaticum; calcarea phosphorica; ferrum metallicum; ferrum phosphoricum; hypericum perforatum; kali phosphoricum; magnesia phosphorica; phosphoricum acidum.
Tonic.

Vitatonin *Ipex, Swed.*
Multivitamins (p.1922·1); caffeine (p.1116·3); vin. vermuth.; alcohol.
Tonic.

Vitatonus *Bunker, Braz.*
Thiamine nitrate (p.1976·2); pyridoxine hydrochloride (p.1978·2); cyanocobalamin (p.1980·2).

Vitatonus Dexa *Bunker, Braz.*
⊗ Vitamin B substances (p.1922·1); dexamethasone (p.1526·1) or dexamethasone phosphate (p.1526·2).

Vitatrans *Medice, Ger.*
Ethylenediamine thioctate (p.2400·2).
Diabetic polyneuropathy.

Vitatress *Veropharm, Rus.*
Vitamin and mineral preparation (p.1922·1).

Vitatron *VAAS, Ital.*
Amino-acid preparation with vitamins and minerals (p.1922·1).
Nutritional supplement.

Vitaveran Folico *Hormona, Mex.*
Vitamin and mineral preparation (p.1922·1).

Vitavir *Infosint, Ital.†.*
Vitamins; minerals; carnitine tartrate; ginseng; ginkgo biloba (p.1922·1).
Nutritional supplement.

Vita-Vision
Note. A similar name is used for preparations of different composition (see below).
Teguhsindo, Indon.
Myrtillus (p.2349·3); lutein (p.1954·3); vitamin A (p.1971·2).
Dietary supplement for eye disorders.

Vitavision
Note. A similar name is used for preparations of different composition (see above).
Oftalmi, Venez.
Vitamins; minerals; lutein; zeaxanthin (p.1922·1).
Dietary supplement for eye disorders.

Vitavitin *Sriprasit, Thai.*
Vitamin B substances (p.1922·1).
Neuritis; vitamin B deficiency.

Vitavox Pastillas *Escaned, Spain†.*
⊗ Camphor (p.2273·2); cineole (p.2282·3); chlorophyll (p.1471·1); ephedrine hydrochloride (p.1558·2); niaouli oil (p.2351·3); menthol (p.2340·1); sulfanilamide sodium mesilate (p.343·1); peppermint (p.1761·2).
Mouth and throat disorders.

Vita-Worth B Complex *General Nutrition, Canad.†.*
Vitamin B substances (p.1922·1).

Vitawund *Novartis Consumer, Austria.*
Chlorhexidine gluconate (p.1635·3); halibut-liver oil (p.1948·1).
Burns; wounds.

Vitax Derm *Ativus, Braz.*
A multivitamin and mineral preparation (p.1922·1).

Vitaxicam *Ferrer, Singapore; Robert, Spain.*
Piroxicam (p.117·3).
Gout; musculoskeletal, joint, peri-articular, and soft-tissue disorders; pain.

Vitayde C *Saval, Chile.*
Vitamin A; vitamin C; vitamin D (p.1922·1).
Dietary supplement.

Vitazell E *Kohler-Pharma, Ger.*
d-Alpha tocopherol (p.1992·2).
Vitamin E deficiency.

Vitazinc
Note. A similar name is used for preparations of different composition (see below).
Medlink, Philipp.
Vitamins; lysine; taurine; zinc (p.1922·1).
Nutritional supplement.

Vitazink
Note. A similar name is used for preparations of different composition (see above).
Strathmann, Ger.
Zinc sulfate (p.1999·2).
Zinc deficiency.

Vitazon *Intra, Venez.†.*
⊗ Prednisone (p.1542·3).
Corticosteroid.

Vitazulen *Leciva, Cz.†.*
Alpha tocoferil acetate (p.1992·3); guaiazulene (p.2317·3).
Nasal inflammation.

Vitazym *Kalbe, Indon.*
Amylase (p.2256·3); protease; lipase (p.2360·3); docosahexaenoic acid (p.1362·1); dimeticone (p.1770·2); vitamin B substances (p.1922·1).
Digestive disorders; liver and bile disorders.

Vitazyme
Note.This name is used for preparations of different composition.
East India Pharma, India.
Capsules: Amylase (p.2256·3); lactic acid bacillus (p.2372·3).
Dyspepsia; restoration of a normal gastrointestinal flora.

East India Pharma, India.
Oral drops; oral liquid: Amylase (p.2256·3); cinnamon oil (p.2283·2); caraway oil (p.2277·1); cardamom oil (p.2277·2).
Dyspepsia.

Vitcaroten *Viternat, Braz.†.*
Betacarotene (p.1930·3).
Nutritional supplement.

Vit-C-Lutsch *Sanochemia, Austria.*
Ascorbic acid (p.1983·3); calcium ascorbate (p.1984·1); hesperidin phosphate (p.2305·2).
Vitamin C deficiency.

Vitec *Pharmaceutical Specialties, USA.*
dl-Alpha tocoferil acetate (p.1992·3).
Skin disorders.

Vitecaf
Note.This name is used for preparations of different composition.
SIFI, Ital.
Eye drops: Rolitetracycline (p.330·3); chloramphenicol (p.239·3).
Infected eye disorders.

SIFI, Ital.
Eye ointment: Tetracycline hydrochloride (p.347·2); chloramphenicol (p.239·3); calcium pantothenate (p.1959·3).
Infected eye disorders.

Vitef *Teofarma, Ital.*
Polyenacid (p.2308·2).
Skin disorders.

Vit-E-Far *Farcoral, Mex.*
Alpha tocopherol (p.1992·2).

Vitelle Nesentials *Fielding, USA.*
Multivitamin and mineral preparation (p.1922·1).

Vitelle Nestabs *Fielding, USA.*
Multivitamin and mineral preparation with iron and folic acid (p.1922·1).
Prenatal supplement.

Vitelle Nestrex *Fielding, USA†.*
Pyridoxine hydrochloride (p.1978·2).
Pyridoxine deficiency.

Vitelsix *Unison, Thai.*
Vitamin B ; vitamin B ; vitamin B (p.1922·1).
Loss of appetite; vitamin B deficiency.

Vit-E-Nat *Infinity, Venez.*
d-Alpha tocoferil acetate (p.1992·3).
Antoxidant.

Vitenol *Ponce, Venez.†.*
Vitamin A (p.1971·2); ergocalciferol (p.1987·1); panthenol (p.2362·1).
Skin disorders.

Vitenon *Ativus, Braz.*
Agnus castus (p.2249·1).
Menopausal disorders.

Viteral
Note.This name is used for preparations of different composition.
Be-Tabs, S.Afr.
Multivitamin and mineral preparation (p.1922·1).
Formerly known as Be-Vital.

Vivax, Venez.
Vitamin E (p.1992·2).
Vitamin E deficiency.

Vitercal C *Cifarma, Braz.*
Ascorbic acid (p.1983·3); calcium carbonate (p.1714·1).
Calcium and vitamin C supplement.

Vitergan Master *Marjan, Braz.*
Ginseng; vitamins; minerals (p.1922·1).

Vitergan Pre-natal *Marjan, Braz.*
A multivitamin and mineral preparation (p.1922·1).

Vitergan Zinco *Marjan, Braz.*
A range of multivitamin and mineral preparations (p.1922·1).

Vitergyl C *Cifarma, Braz.*
Ascorbic acid (p.1983·3).
Vitamin C supplement.

Viternum *Labomed, Chile; Senosiain, Mex.; OM, Port.; Juste, Spain.*
Cyproheptadine, pyridoxal phosphate salt (p.575·2).
Allergic rhinitis; reduced appetite; tonic; urticaria.

Viternum Vitaminado *Labomed, Chile.*
Cyproheptadine pyridoxal phosphate (p.575·2); vitamins (p.1922·1).
Reduced appetite; tonic.

Viterra *Pfizer Consumer, Ital.†; Pfizer, Mex.†; Pfizer, Port.†; Pfizer, Thai.*
Multivitamin and mineral preparation (p.1922·1).

Vitestable *Alcor, Spain.*
Royal jelly; ginseng; tocopherol (p.1922·1).
Tonic.

Vit-E-Var *Infinity, Venez.*
dl-Alpha tocoferil acetate (p.1992·3).
Vitamin E deficiency.

Vitex *Herbarium, Braz.*
Agnus castus (p.2249·1).
Menstrual disorders.

Vitexid *Svizera, India.*
Spirulina (p.2392·1); vitamin B substances (p.1975·1); vitamin E (p.1992·2).
Vitamin B and E deficiency.

Vitexir *Yeni, Turk.*
Vitamin B substances (p.1922·1).
Vitamin B deficiency.

Viticalm *Atlas, Arg.*
Grape (p.2316·3).
Dry skin.

ViTicolor *Crawford, UK.*
Dihydroxyacetone (p.1594·1); erythrulose (p.1597·1).
Vitiligo.

Viticromin *Auad, Braz.†.*
Vitamin B substances (p.1922·1); brosimum gaudichandii.
Vitiligo.

Vitinelin *Antor, Gr.*
Cetirizine (p.571·1).
Hypersensitivity reactions.

Vitintra *Fresenius Kabi, Neth.*
Vitamins A, D , E, and K for infusion (p.1922·1).
Parenteral nutrition.

Vition *Meditop, Hung.*
Zinc asparate (p.2000·1); magnesium aspartate (p.1679·1); monobasic potassium phosphate (p.1682·2); dibasic potassium phosphate (p.1682·2).
Arrhythmias; mineral supplement.

Vitiral *Scherer, Thai.†.*
Multivitamin and mineral preparation (p.1922·1).

Vitiron *Mepha, Hong Kong; Mepha, Switz.*
Multivitamin and mineral preparation (p.1922·1).

Vitis Encias Colutorio *Dentaid, Chile.*
Metesculetol sodium (p.2343·2); dexpanthenol (p.2362·1); cetylpyridinium chloride (p.1635·1); zinc lactate.
Oral hygiene.

Vitis Encias Pasta *Dentaid, Chile.*
Metesculetol sodium (p.2343·2); dexpanthenol (p.2362·1); cetylpyridinium chloride (p.1635·1); zinc lactate; sodium fluoride (p.1962·2).
Dental caries prophylaxis.

Vitis Pasta *Dentaid, Chile.*
Sodium fluoride (p.1962·2).
Dental caries prophylaxis.

Vitisival *Valmor, Venez.*
Vitamin B substances; lysine hydrochloride (p.1922·1).

Vitium *Teuto, Braz.†.*
Grape (p.2316·3).

Vitix
Note. A similar name is used for preparations of different composition (see below).
Valeant, Arg.
Superoxide dismutase (p.127·3); catalase (p.2278·2).
Vitiligo.

ViTiX
Note. A similar name is used for preparations of different composition (see above).
ACM, Fr.
Cucurbita (p.2290·2).
Skin depigmentation disorders.

Vitizin *Ativus, Braz.*
Multivitamin and mineral preparation (p.1922·1).

Vitizin Beta *Ativus, Braz.*
Betacarotene (p.1930·3).

Vitizin E *Ativus, Braz.*
Tocoferil acetate (p.1992·3).

Vitlipid N *Pharmacia, Irl.; Fresenius Kabi, UK.*
Vitamins A, D , E, and K for infusion (p.1922·1).
Parenteral nutrition.

Vitnatal *SM, Venez.*
Vitamins; folic acid; ferrous fumarate (p.1922·1).
Nutritional supplement for pregnancy and breast feeding.

Vitneurin *GSK, India.*
Vitamin B (p.1976·3); vitamin B (p.1979·1); vitamin B (p.1980·2); dexpanthenol (p.2362·1).
Neuropathies.

Vito Bronches *Duchesnay, Canad.†.*
Diphenylpyraline hydrochloride (p.578·2); dextromethorphan hydrobromide (p.1555·2); potassium iodide (p.2169·2); sodium citrate (p.1673·3).

Vitobel *Vianex (Βιανέξ), Gr.†.*
Enalapril maleate (p.1276·1).
Heart failure; hypertension.

Vitocalcit *SJA, Gr.*
Alfacalcidol (p.1986·1).
Vitamin D deficiency.

Vitogen *Stanley, Canad.†.*
A range of vitamin preparations with or without minerals (p.1922·1).

Vitol *Orion, Fin.*
Vitamin A or vitamin A palmitate; colecalciferol or ergocalciferol (p.1922·1).
Vitamins A and D deficiency.

Vitole E *Medana, Pol.*
d-Alpha tocopherol (p.1992·2).
Atherosclerosis; ischaemic heart disease.

Vitolide *Pharmout, Port.*
Nimesulide (p.95·3).
Osteoarthritis; pain.

Vitomin *Cipla, India.*
Multivitamin preparation (p.1922·1).

Vitonal *SM, Venez.*
Vitamin B substances (p.1922·1).
Vitamin B supplement.

Vitonal-F *Tempo Scan Pacific, Indon.*
Vitamin B substances; ferrous fumarate (p.1938·3); copper; manganese (p.1922·1).
Ascorbic acid (p.1983·3) is included in this preparation to increase the absorption and availability of iron.
Iron-deficiency anaemia.

Vitonic *Cypress, USA.*
Vitamin B substances; minerals (p.1922·1).
Dietary supplement.

Vitonico *Legrand, Braz.*
Ferrous sulfate; phosphoric acid; aloes; myrrh; nutmeg; clove (p.1922·1).
Iron-deficiency anaemias; tonic.

Vitonil *Gemballa, Braz.†.*
Orotic acid; vitamin B substances (p.1922·1).
Nutritional supplement.

Vitop
Note. This name is used for preparations of different composition.
Fahrenheit, Indon.
Myrtillus (p.2349·3); betacarotene; vitamin C; vitamin B (p.1922·1).
Antioxidant; dietary supplement for healthy eyes.
Olan-Kemed, Thai.
Vitamins; minerals; choline bitartrate; rutoside; methionine; inositol (p.1922·1).

Vitoport *Christo, Hong Kong.*
Glucosamine sulfate (p.2313·2).
Degenerative joint disorders.

Vitorange *Unipharma, Gr.*
Vitamin C (p.1983·3).

Vitosal *Ziethen, Ger.†.*
⊗ Vitamins (p.1922·1); rutoside sodium sulfate (p.2305·2); arnica (p.2260·2); sage (p.2382·3); peppermint oil (p.1761·2).
Gum disorders.

Vitotal *Tecnofarma, Chile.*
Ascorbic acid; vitamin E; betacarotene; magnesium (p.1922·1).
Dietary supplement.

Vit-Porphyrin *Teofarma, Ital.†.*
Haematoporphyrin dihydrochloride (p.2318·1); nicotinamide (p.1957·3).
Tonic.

Vitrace *Columbia, S.Afr.*
Multivitamin and mineral preparation (p.1922·1).
Tonic.

Vitral *Darya-Varia, Indon.; Pharos, Indon.*
Vitamin and mineral preparation (p.1922·1).
Nutritional supplement.

Vitrase *Ista, USA.*
Hyaluronidase (p.2321·1).
Adjunct in subcutaneous urography; adjuvant to increase the absorption and dispersion of injected drugs; hypodermoclysis.

Vitrasert *Bausch & Lomb, Austral.†; Bausch & Lomb, Spain†; Bausch & Lomb, USA.*
Ganciclovir (p.879·1).
Cytomegalovirus retinitis.

Vitravene *Novartis Ophthalmics, Ger.†; Novartis Ophthalmics, Switz.†; Novartis Ophthalmics, USA†.*
Fomivirsen sodium (p.876·3).
Cytomegalovirus retinitis.

Vitrena *Grunenthal, Ger.†; Orion, Ger.†.*
White tablets, estradiol valerate (p.2097·3); blue tablets, estradiol valerate; medroxyprogesterone acetate (p.2113·1); pink tablets,estradiol valerate.
Menopausal disorders.

Vitreoclar *SIFI, Ital.*
Red vine; minerals; vitamin E; amino acids (p.1922·1).
Connective tissue disorders; nutritional supplement.

Vitreoclar Crono *SIFI, Ital.*
Glucosamine; vitamin E; collagen (p.1922·1).
Nutritional supplement.

Vitreolent
Theodoridis, Gr.
Calcium iodide (p.1553·2); sodium iodide (p.2169·2).
Glaucoma.
Novartis, Hong Kong; Novartis Ophthalmics, Malaysia†; Novartis, Philipp.; Pharm Supply, Pol.; Novartis Ophthalmics, Singapore†; Novartis, Switz.
Potassium iodide (p.2169·2); sodium iodide (p.2169·2).
Cataract; clouding and haemorrhage of the vitreous humour.

Vitreolux *Novartis, Ital.*
Vitamins; bioflavonoids; betacarotene; glucosamine; zinc; methionine; myrtillus; yeast (p.1922·1).
Nutritional supplement.

Vitreosan *DMG, Ital.*
Potassium bicarbonate; magnesium oxide; vitamin C (p.1922·1).
Nutritional supplement.

Vitrex *Naturex, Mex.†.*
Multivitamin and mineral preparation (p.1922·1).

Vitrexon *Vargas, Venez.*
Ascorbic acid (p.1983·3).

Vitrimix *Fresenius Kabi, Denm.†; Fresenius Kabi, Indon.; Fresenius Kabi, Norw.†; Fresenius Kabi, Port.; Fresenius Kabi, Swed.†; Fresenius Kabi, Thai.; Fresenius Kabi, Turk.*
Amino-acid, glucose, and lipid (from soya oil (p.1965·3)) infusion with or without electrolytes(p.1922·1).
Contains egg phospholipids.
Parenteral nutrition.

Vitrimix KV *Fresenius Kabi, Fr.; Fresenius Kabi, Hong Kong; Pharmacia, Irl.; Fresenius Kabi, Malaysia†; Fresenius Kabi, Neth.; Fresenius Kabi, UK†.*
Amino-acid, glucose, and lipid (from soya oil (p.1965·3)) infusion with or without electrolytes (p.1922·1).
Contains egg phospholipids.
Parenteral nutrition.

Vitro-Mega *Solas, Indon.*
Vitamins; minerals; docosahexaenoic acid; omega-3 (p.1922·1).
Nutritional supplement.

Vitromicin *Vitapan, Braz.†.*
Gentamicin (p.284·2).
Bacterial infections.

Vitromix *Fresenius Kabi, Austria.*
Amino-acid, glucose, lipid (from soya oil (p.1965·3)), and electrolyte infusion (p.1922·1).
Contains egg lecithin.
Parenteral nutrition.

Vitron *Pharmaland, Thai.*
Vitamin B (p.1976·3); vitamin B (p.1979·1); vitamin B (p.1980·2).
Anorexia; neurasthenia; neurological disorders; neuropathy; toxaemia of pregnancy.

Vitron-C *Heritage Consumer, USA.*
Ferrous fumarate (p.1938·3).
Ascorbic acid (p.1983·3) is included in this preparation to increase the absorption and availability of iron.
Iron-deficiency anaemias.

Vitrosups *Llorens, Spain.*
Glycerol (p.2314·2).
Constipation.

Vitrum *Unipharm, Pol.; Unipharm, Rus.*
A range of vitamin and mineral preparations (p.1922·1).

Vits *Profarb, Braz.†.*
Multivitamin and mineral preparation (p.1922·1).

Vitspo *Orva, Turk.*
Methoxsalen (p.1605·1).
Eczema; psoriasis; vitiligo.

Vitulpas *Drag, Chile†.*
⊗ Hydrocortisone (p.1535·2).
Skin disorders.

Vit-u-pept *Plantina, Ger.†.*
Weisskohl; bismuth subcarbonate (p.1711·1); heavy magnesium carbonate (p.1743·1); sodium bicarbonate (p.1673·2).
Gastrointestinal disorders.

Vitussin
Note. This name is used for preparations of different composition.
Vitamed, Israel.
Guaifenesin (p.1561·3).
Coughs.
Cypress, USA.
Hydrocodone tartrate (p.63·1); guaifenesin (p.1561·3).
Coughs.

Vi-Uril *Bago, Chile.*
Tamsulosin hydrochloride (p.2197·1).
Benign prostatic hyperplasia.

Viusid *Interbat, Indon.; SM, Venez.*
Glycyrrhizinic acid; malic acid; glucosamine; zinc sulfate; arginine; glycine; ascorbic acid; vitamin B substances (p.1922·1).
Nutritional supplement in immunodeficiency; supplement in viral infections.

Vivabec *Lexon, UK.*
⊗ Beclometasone dipropionate (p.1516·2).
Hypersensitivity reactions.

Vivace
Note. This name is used for preparations of different composition.
Chiesi, Gr.
Delapril (p.1256·2); manidipine (p.1330·2).
Actavis, Pol.
Ramipril (p.1385·3).
Cardiovascular risk reduction; heart failure; hypertension; myocardial infarction; non-diabetic nephropathy.

Vivacor
Note. This name is used for preparations of different composition.
AstraZeneca, Braz.
Rosuvastatin calcium (p.1389·1).
Hypercholesterolaemia.
Anpharm, Pol.
⊗ Carvedilol (p.1241·3).
Angina pectoris; heart failure; hypertension.
Lexon, UK.
⊗ Bisoprolol fumarate (p.1234·1).
Angina pectoris; hypertension.

Vivactil *Barr, USA; Duramed, USA.*
Protriptyline hydrochloride (p.420·2).
Depression.

Vivacton *Remedina, Gr.*
Vitamin B substances; lysine (p.1922·1).

Vivadone *Lexon, UK.*
Domperidone maleate (p.1726·3).
Dyspepsia.

Viva-Drops *Vision, USA.*
Polysorbate 80 (p.1919·2).
Formerly known as Vit-A-drops.
Dry eyes.

Vivaglobin *ZLB, Belg.; CSL, Cz.; ZLB, Fr.; ZLB, Ger.; ZLB, Gr.; CSL, Hung.; ZLB, Neth.; CSL, Port.; ZLB, UK; CSL Behring, USA.*
A normal immunoglobulin (p.2225·3).
Hypogammaglobulinaemia; idiopathic thrombocytopenic purpura; immunodeficiency; passive immunisation.

Vival *Alpharma, Norw.*
Diazepam (p.986·3).
Anxiety; skeletal muscle spasm; sleep disorders.

Vivalan *AstraZeneca, Belg.†; Menarini, Belg.†; AstraZeneca, Cz.†; AstraZeneca, Fr.†; AstraZeneca, Ger.†; AstraZeneca, Port.†.*
Viloxazine hydrochloride (p.430·3).
Depression.

Vivalcid *Polychronus, Gr.*
Calcium folinate (p.1943·3).
Antidote to folic acid antagonists; folate deficiency.

Vivalessence *Motima, Fr.*
A range of preparations containing essential oils and plant extracts (p.1922·1).
Tonic.

Vivamag *Madaus, Fr.†.*
Magnesium lactate (p.1679·2).
Magnesium deficiency.

Vivamyne *Wyeth, Fr.*
Multivitamin preparation (p.1922·1).

Vivance *Vivance, Fr.†.*
Nutritional supplement (p.1922·1).

Vivanza *Medley, Braz.; Bayer, Cz.; GSK, Ital.†; Bayer, Neth.; Bayer, Port.*
Vardenafil hydrochloride (p.2199·3).
Erectile dysfunction.

Vivarin *SmithKline Beecham Consumer, USA.*
Caffeine (p.1116·3).
Fatigue.

Vivatak *Lexon, UK†.*
Ranitidine (p.1766·1).
Dyspepsia; gastric hyperacidity; heartburn.

Vivatec *MSD, Denm.†; MSD, Fin.; MSD, Norw.; MSD, Swed.†.*
Lisinopril (p.1325·2).
Heart failure; hypertension; myocardial infarction.

Vivatec Comp *MSD, Fin.; MSD, Norw.*
⊗ Lisinopril (p.1325·2); hydrochlorothiazide (p.1307·3).
Hypertension.

Vivax *Osoth, Thai.*
Aciclovir (p.862·3).
Herpes simplex infections of the skin and mucous membranes.

Vivaxim *Aventis Pasteur, Austral.; Sanofi Pasteur, Canad.; Sanofi Pasteur, Malaysia; Sanofi-Aventis, NZ.*
A typhoid (Vi capsular polysaccharide) and inactivated hepatitis A vaccine (p.2217·2).
Active immunisation.

Vivaxine *Nakorn, Thai.†.*
Sulfadoxine (p.338·1); pyrimethamine (p.610·2).
Malaria.

Vivazid *MSD, Denm.†.*
⊗ Lisinopril (p.1325·2); hydrochlorothiazide (p.1307·3).
Hypertension.

Vivelle
Note. This name is used for preparations of different composition.
Janssen-Cilag, Austria.
Norgestimate (p.2121·1); ethinylestradiol (p.2101·3).
Acne; triphasic oral contraceptive.
Novartis, Belg.; Novartis, Canad.†; Novartis, USA.
Estradiol (p.2097·2).
Menopausal disorders; oestrogen deficiency; osteoporosis.

Vivelle Dot *Novartis, Denm.*
Estradiol (p.2097·2).
Menopausal disorders; osteoporosis.

Vivelledot *Novartis, Fr.*
Estradiol (p.2097·2).
Menopausal disorders; osteoporosis.

Vivena AR *Dieterba, Ital.*
Infant feed (p.1922·1).
Gastro-oesophageal reflux.

Vivena HA *Dieterba, Ital.*
Infant feed (p.1922·1).
Cow's milk intolerance.

Vivene *Theratech, Fr.†.*
Aesculus (p.2248·2); troxerutin (p.2305·1).
Haemorrhoids; peripheral vascular disorders.

Viverdal *Uniao Quimica, Braz.*
Risperidone (p.1024·2).
Psychoses.

Vivicrom *Nucare, UK.*
Sodium cromoglicate (p.1136·3).
Allergic conjunctivitis.

Vividrin *Riel, Austria; Mann, Cz.†; Mann, Ger.; Kite (Κιτε), Gr.; Mann, Irl.; Mann, Malaysia†; Tramedico, Neth.; Bausch & Lomb, Philipp.; Mann, Pol.; SofLens, S.Afr.†; Bausch & Lomb, Singapore; Mann, Singapore; Gebro, Switz.; Bausch & Lomb, Thai.; Mann, Thai.; Pharmalink, Thai.; Nucare, UK.*
Sodium cromoglicate (p.1136·3).
Allergic conjunctivitis; allergic rhinitis; keratoconjunctivitis.

Vividrin akut Azelastin *Mann, Ger.*
Azelastine hydrochloride (p.568·2).
Allergic conjunctivitis; allergic rhinitis.

Vividrin Loratadin *Mann, Ger.†.*
Loratadine (p.583·3).
Allergic conjunctivitis; allergic rhinitis; urticaria.

Vivimed *Riel, Austria.*
Propyphenazone (p.119·3); paracetamol (p.108·1); caffeine (p.1116·3).
Fever; pain.

Vivin C
Note. This name is used for preparations of different composition.
Menarini, Ital.
Aspirin (p.20·3); ascorbic acid (p.1983·3).
Cold and influenza symptoms; fever; pain.
Alter, Port.
Ascorbic acid (p.1983·3).
Cold and influenza symptoms; tonic.

Vivinox Day *Mann, Ger.*
Valerian (p.2410·1); lupulus (p.2335·2); passion flower (p.2363·2).
Formerly known as Vivinox N.
Nervous disorders; sleep disorders.

Vivinox Sleep *Mann, Ger.*
Diphenhydramine hydrochloride (p.577·2).
Sleep disorders.

Viviolax *GFC, Mex.†.*
Prune (p.1765·1).
Constipation.

Vivioptal *Mann, Irl.; Novum, Mex.; Pharma-Global, UK.*
Multivitamin and mineral preparation (p.1922·1).

Viviplus *Mann, Ger.†.*
St John's wort (p.422·3).
Depression.

Vivir *Unison, Thai.*
Aciclovir (p.862·3).
Herpesvirus infections.

Vivitar *Armstrong, Mex.*
⊗ Spironolactone (p.1400·1).
Bartter's syndrome; heart failure; hirsutism associated with polycystic ovary syndrome; hyperaldosteronism; hypertension; metabolic syndrome; myocardial infarction; oedema; premenstrual syndrome.

Vivitrol *Alkermes, USA.*
Naltrexone hydrochloride (p.1455·2).
Withdrawal syndromes.

Vivolan *Orion, Fin.†.*
Emollient.
Skin disorders; vehicle for topical drugs.

Vivonex *Novartis, Arg.†; Novartis Consumer, Austral.†; Novartis, Braz.; Novartis Nutrition, Hong Kong; Promeco, Mex.†; Novartis Nutrition, Singapore†; Procter & Gamble, USA.*
Preparation for enteral nutrition (p.1922·1).

Vivorax *Cadila, Rus.*
Aciclovir (p.862·3).

Vivotif *Scott-Cassara, Arg.; CSL, Austral.; Kwizda, Austria; Qualiphar, Belg.; Berna, Canad.; Biosano, Chile; Berna, Denm.; Berna, Fin.; Niddapharm, Ger.†; Berna, Hong Kong; Berna, Indon.; Celltech, Irl.†; Berna, Ital.; Berna, Malaysia; CSL, NZ; Berna, Neth.; Berna, Norw.; Berna, Philipp.; Berna, Port.†; Byk Madaus, S.Afr.†; Berna, Singapore; Berna, Spain; SBL, Swed.; Berna, Switz.; Berna, Thai.; Masta, UK; Berna, USA.*
A live oral typhoid vaccine (p.2241·2).
Active immunisation.

Vivradoxil *Alpharma, Mex.*
Doxycycline (p.267·1).
Bacterial infections.

Vivural *Procter & Gamble, Ger.†.*
Calcium carbonate (p.1714·1).
Calcium deficiency.

Vixalerg *Cassara, Arg.*
⊗ Chlorphenamine maleate (p.571·3); dexamethasone (p.1526·1).
Allergic conjunctivitis; allergic rhinitis; angioedema; pruritus; urticaria.

Vixcef *Bago, Arg.*
Cefixime (p.224·3).
Bacterial infections.

Vixiderm E *Valeant, Arg.*
Benzoyl peroxide (p.1590·2).
Acne.

Vixidone *Valeant, Arg.*
⊗ Dexamethasone (p.1526·1); chlorphenamine maleate (p.571·3).

Vixidone L *Valeant, Arg.*
Loratadine (p.583·3).
Allergic rhinitis; urticaria.

Vixidone LB *Valeant, Arg.*
⊗ Loratadine (p.583·3); betamethasone (p.1518·2).
Allergic rhinitis; angioedema; urticaria.

Vixidone T *ICN, Arg.†.*
⊗ Dexamethasone (p.1526·1); terfenadine (p.590·3).

Vixin *Sons, Mex.†.*
Chloramphenicol (p.239·3).
Bacterial infections.

Vixmicina *Uniao Quimica, Braz.*
Chloramphenicol sodium succinate (p.240·1).
Bacterial infections.

Vixorfit *Gezzi, Arg.*
Glycerol (p.2314·2).
Eye irritation.

Viza *Royal, Chile.*
Aripiprazole (p.962·3).
Schizophrenia.

Vi-Zac *UCB, USA.*
Multivitamin and mineral preparation (p.1922·1).

Vizerul *Montpellier, Arg.; Dollder, Venez.*
Ranitidine hydrochloride (p.1766·1).
Acid aspiration; dyspepsia; gastritis; gastro-oesophageal reflux; gastrointestinal haemorrhage; peptic ulcer; Zollinger-Ellison syndrome.

Vizole *MM, India.*
Levamisole (p.147·2) or levamisole hydrochloride (p.147·2).
Worm infections.

Vizoptal *Medical, Port.†.*
Chlorobutanol (p.1639·2).

Vizylac *Unichem, India.*
Lactobacillus sporogenes (p.2372·3); vitamin B substances (p.1922·1).
Imbalance of intestinal flora.

Vlanodrin *Cosmopharm, Gr.*
Terazosin (p.1410·3).
Benign prostatic hyperplasia.

Vlenolys *Intermed, Gr.*
Acetylcysteine (p.1548·2).
Paracetamol poisoning.

VM-2000 *Solgar, UK.*
Multivitamin and mineral preparation (p.1922·1).

VM 26 *BMS, Ger.*
Teniposide (p.778·1).
Malignant neoplasms.

V-Nolone *Vesco, Thai.*
⊗ Triamcinolone acetonide (p.1544·3).
Joint disorders; keloids.

VNS 45 *Sigma, Arg.*
Vitamin E (p.1992·2); hamamelis (p.2318·2); aesculus (p.2248·2); centella (p.1592·3); ginkgo biloba (p.2311·1); arginine; flavonoids; tanins; triterpene acids; asiaticoside; rutoside (p.2305·1); aescin (p.2248·2).
Atherosclerosis; erectile dysfunction; haemorrhoids; mental function impairment; venous insufficiency.

Vobaderm *Hermal, Ger.*
⊗ Fluprednidene acetate (p.1533·1); miconazole nitrate (p.541·3).
Infected skin disorders.

Vobamyk *Hermal, Ger.*
Miconazole nitrate (p.541·3).
Fungal and Gram-positive bacterial skin infections.

Vocadys *Cooperation Pharmaceutique, Fr.*
Enoxolone (p.50·1); lidocaine hydrochloride (p.1862·3); erysimum.
Sore throat.

Vocalzone *Kestrel, UK.*
Menthol (p.2340·1); peppermint oil (p.1761·2); myrrh (p.2349·2); liquorice (p.1740·3).
Throat irritation.

Vocara *Bittner, Austria; Bittner, Rus.*
Homoeopathic preparation.

Vocarxil *Quality, Hong Kong.*
Glucosamine sulfate (p.2313·2).
Rheumatic disorders.

Vodelan *Rayere, Mex.*
Ciprofloxacin (p.243·3); phenazopyridine (p.116·3).
Urinary-tract infections.

Vodol *Uniao Quimica, Braz.*
Miconazole nitrate (p.541·3).
Fungal skin infections.

Vogalene *Aventis, Denm.; Schwarz, Fr.*
Metopimazine (p.1750·2).
Nausea and vomiting.

Vogalib *Schwarz, Fr.*
Metopimazine (p.1750·2).
Nausea and vomiting.

Vogast *Fako, Turk.*
Lansoprazole (p.1739·2).
Dyspepsia; gastro-oesophageal reflux; peptic ulcer; Zollinger-Ellison syndrome.

Voir *Velka, Gr.*
Tenoxicam (p.128·2).
Gout; inflammation; osteoarthritis; pain; rheumatoid arthritis; spondyloarthropathies.

Voker *YSP, Malaysia.*
Famotidine (p.1730·1).
Gastro-oesophageal reflux; peptic ulcer; Zollinger-Ellison syndrome.

Volamin *Volchem, Ital.*
Amino-acid preparation (p.1922·1).
Fatigue; liver disorders.

Volcidol-S *Pharmasant, Thai.*
Tramadol hydrochloride (p.130·3).
Pain.

Volcolon *Pfizer, Neth.*
Ispaghula (p.1737·1).
Constipation.

Voldal *Novartis, Fr.*
Diclofenac sodium (p.44·3).
Dysmenorrhoea; musculoskeletal, joint, and peri-articular disorders; renal colic.

Voldilex *Solas, Indon.*
Cimicifuga (p.2282·1); vitamin E (p.1992·2).
Menopausal symptoms.

Volequin *Dexa, Indon.*
Levofloxacin (p.292·2).
Bacterial infections.

Volfenac
Collins, Mex.
Diclofenac diethylamine (p.44·3) or diclofenac sodium (p.44·3).
Gout; musculoskeletal, joint, peri-articular, and soft-tissue disorders; pain.

General Drugs, Thai.
Diclofenac sodium (p.44·3).
Musculoskeletal and joint disorders.

Volfenn *Jean-Marie, Philipp.*
Diclofenac sodium (p.44·3).
Gout; inflammation; musculoskeletal and joint disorders; pain; renal and biliary colic.

Volforte *Omicron, Arg.*
Diclofenac (p.44·2).
Inflammation.

Volibris *GSK, UK.*
Ambrisentan (p.1209·1).
Pulmonary hypertension.

Volinol *Pyridam, Indon.*
Ciprofloxacin (p.243·3).
Bacterial infections.

Vollmers praparierter gruner N *Salushaus, Ger.*
Avena (p.2262·1); urtica (p.2409·3); alchemilla.
Urinary-tract disorders.

Volmac *GSK, Ger.*
⊗ Salbutamol sulfate (p.1131·3).
Obstructive airways disease.

Volmatik *Mugi, Indon.*
Diclofenac sodium (p.44·3).
Gout; musculoskeletal and joint disorders.

Volmax *GSK, Cz.†; GSK, Denm.; GSK, Hong Kong; GSK, Indon.; GSK, Israel†; Glaxo Allen, Ital.; GSK, Malaysia; GSK, Mex.; GSK, NZ; Glaxo Wellcome, S.Afr.; GSK, Singapore; GSK, Switz.; GSK, Thai.†; GSK, Turk.; Allen & Hanburys, UK; Muro, USA†.*
⊗ Salbutamol sulfate (p.1131·3).
Obstructive airways disease.

Volnac *TO-Chemicals, Thai.*
Diclofenac sodium (p.44·3).
Fever; inflammation; pain.

Volog *BMS, Turk.*
⊗ Halcinonide (p.1535·1).
Skin disorders.

Vologen *Antigen, Irl.†.*
Diclofenac sodium (p.44·3).
Gout; inflammation; musculoskeletal, joint, and peri-articular disorders; pain.

Volon *Dermapharm, Austria; Dermapharm, Ger.*
⊗ Triamcinolone (p.1544·2).
Corticosteroid.

Volon A
Dermapharm, Austria.
⊗ Triamcinolone acetonide (p.1544·3).
Corticosteroid.

Dermapharm, Ger.
⊗ Triamcinolone acetonide (p.1544·3) or triamcinolone acetonide dipotassium phosphate (p.1545·1).
Corticosteroid.

Volon A antibiotikahaltig *Dermapharm, Austria.*
⊗ Triamcinolone acetonide (p.1544·3); neomycin sulfate (p.305·1); gramicidin (p.286·1).
Skin disorders.

Volon A antibiotikahaltig N *BMS, Ger.†.*
⊗ Triamcinolone acetonide (p.1544·3); neomycin sulfate (p.305·1).
Skin disorders.

Volon A Tinktur *Dermapharm, Austria.*
⊗ Triamcinolone acetonide (p.1544·3); salicylic acid (p.1612·2).
Otitis externa; skin disorders.

Volon A Tinktur N *Dermapharm, Ger.*
⊗ Triamcinolone acetonide (p.1544·3); salicylic acid (p.1612·2).
Otitis externa; skin disorders.

Volon A-Rhin *BMS, Ger.†.*
⊗ Triamcinolone acetonide (p.1544·3); phenylephrine hydrochloride (p.1568·1).
Rhinitis; sinusitis.

Volon A-Schuttelmix *Dermapharm, Ger.*
⊗ Triamcinolone acetonide (p.1544·3); zinc oxide (p.1621·2).
Skin disorders.

Volon A-Zinklotion *Dermapharm, Austria.*
⊗ Triamcinolone acetonide (p.1544·3); zinc oxide (p.1621·2).
Skin disorders.

Volonimat *Dermapharm, Ger.*
⊗ Triamcinolone acetonide (p.1544·3).
Skin disorders.

Volonimat N *Dermapharm, Ger.*
⊗ Triamcinolone acetonide (p.1544·3).
Skin disorders.

Volonimat Plus N *Dermapharm, Ger.*
⊗ Triamcinolone acetonide (p.1544·3); nystatin (p.543·2).
Eczema with secondary yeast infection.

Volonten *Viofar, Gr.*
Nimesulide (p.95·3).
Inflammation; musculoskeletal disorders; pain.

Volpan *Bilim, Turk.*
Paracetamol (p.108·1).
Fever; pain.

Volplex *Maelor, UK.*
⊗ Succinylated gelatin (p.1072·1) in sodium chloride.
Blood volume expansion.

Volraman *LPC, UK.*
Diclofenac sodium (p.44·3).
Gout; inflammation; musculoskeletal disorders; pain.

Volsaid *Trinity, UK.*
Diclofenac sodium (p.44·3).
Inflammation; musculoskeletal, joint, and peri-articular disorders; pain.

Volta *T Man, Thai.*
Diclofenac sodium (p.44·3).
Musculoskeletal, joint, and peri-articular disorders.

Voltadex *Dexa, Indon.*
Diclofenac diethylamine (p.44·3) or diclofenac sodium (p.44·3).
Musculoskeletal, joint, and peri-articular disorders.

Voltadol *Novartis Consumer, Ital.*
Diclofenac sodium (p.44·3).
Musculoskeletal, joint, and peri-articular pain and inflammation.

Voltadyn *Novartis, Cz.*
Glucosamine hydrochloride (p.2313·2).
Osteoarthritis of the knee.

Voltaflan *Bunker, Braz.*
Diclofenac (p.44·2) or diclofenac sodium (p.44·3).

Voltaflex *EMS, Braz.*
Diclofenac diethylamine (p.44·3) or diclofenac sodium (p.44·3).
Gout; inflammation; musculoskeletal, joint, and peri-articular disorders; pain.

Voltamicin *Novartis, Austria; Ciba Vision, Cz.†; Novartis Ophthalmics, Hung.†; Novartis, Ital.†; Novartis Ophthalmics, Singapore†; Novartis, Switz.*
Diclofenac sodium (p.44·3); gentamicin sulfate (p.282·1).
Bacterial eye infections and inflammation.

Voltanac *Pharmasant, Thai.*
Diclofenac diethylamine (p.44·3) or diclofenac sodium (p.44·3).
Musculoskeletal, joint, peri-articular, and soft-tissue disorders.

Voltapatch *Novartis Consumer, Belg.*
Diclofenac sodium (p.44·3).
Inflammation; pain.

Voltaren
Novartis, Arg.; Novartis, Ital.; Novartis, Ital.
Diclofenac (p.44·2), diclofenac diethylamine (p.44·3) or diclofenac sodium (p.44·3).
Adjunct in cataract surgery; gout; inflammation; inflammatory eye disorders; musculoskeletal, joint, peri-articular, and soft-tissue disorders; pain; renal and biliary colic.

Novartis, Austral.; Novartis, Cz.; Novartis, Fin.; Novartis, Hong Kong; Novartis, Hung.; Novartis, Israel; Novartis, Mex.; Novartis, Port.; Novartis, Rus.
Diclofenac diethylamine (p.44·3), diclofenac potassium (p.44·3), or diclofenac sodium (p.44·3).
Biliary and renal colic; eye inflammation; fever; gout; inflammation; inhibition of intraoperative miosis; musculoskeletal, joint, peri-articular, and soft-tissue disorders; pain; prevention of cystoid macular oedema.

Novartis, Austria.
Diclofenac (p.44·2), diclofenac diethylamine (p.44·3), diclofenac potassium (p.44·3), or diclofenac sodium (p.44·3).
Cystoid macular oedema; gout; inflammation; musculoskeletal, joint, peri-articular, and soft-tissue disorders; pain; prevention of intraoperative miosis; renal and biliary colic.

Novartis, Belg.; Novartis Consumer, Belg.; Novartis, Chile; Novartis, Indon.; Novartis, Malaysia; Novartis, Singapore; Novartis, Spain; Novartis, Thai.
Diclofenac diethylamine (p.44·3), or diclofenac sodium (p.44·3).
Adjunct in eye surgery; eye inflammation; eye pain following laser surgery; gout; inflammation; musculoskeletal, joint, peri-articular, and soft-tissue disorders; pain; prevention of cystoid macular oedema following cataract extraction; renal and biliary colic.

Novartis, Braz.; Novartis, Norw.; Novartis, Swed.; Novartis, Turk.; Novartis, USA; Novartis, Venez.
Diclofenac sodium (p.44·3).
Gout; inflammation; inflammation following cataract surgery; musculoskeletal, joint, and peri-articular disorders; pain; pain and photophobia following corneal surgery.

Novartis, Canad.; Novartis, Denm.; Novartis, Gr.; Novartis, Neth.
Diclofenac potassium (p.44·3) or diclofenac sodium (p.44·3).
Eye inflammation; gout; inflammation; musculoskeletal and joint disorders; pain; prevention of intra-operative cystoid macular oedema and miosis; renal and biliary colic.

Novartis, Ger.; Novartis Consumer, Ger.
Diclofenac (p.44·2), diclofenac colestyramine (p.46·1), diclofenac diethylamine (p.44·3), diclofenac epolamine (p.44·3), diclofenac potassium (p.44·3), or diclofenac sodium (p.44·3).
Gout; inflammation; musculoskeletal, joint, and soft-tissue disorders; oedema; pain.

Novartis, NZ.
Diclofenac (p.44·2), diclofenac potassium (p.44·3), or diclofenac sodium (p.44·3).
Biliary colic; gout; inflammation; musculoskeletal, joint, peri-articular, and soft-tissue disorders; pain; renal colic.

Novartis, Philipp.
Diclofenac (p.44·2) or diclofenac sodium (p.44·3).
Gout; inflammation; keratectomy pain; musculoskeletal, joint, peri-articular, and soft-tissue disorders; pain; postoperative eye inflammation; prevention of intra-operative miosis; renal and biliary colic.

Novartis, Pol.
Diclofenac (p.44·2), diclofenac diethylamine (p.44·3), diclofenac potassium (p.44·3), or diclofenac sodium (p.44·3).
Fever; gout; inflammation; musculoskeletal, joint, peri-articular, and soft-tissue disorders; oedema; pain; renal colic.

Novartis, S.Afr.
Diclofenac diethylamine (p.44·3), diclofenac potassium (p.44·3), diclofenac resinate (p.46·1), or diclofenac sodium (p.44·3).
Gout; inflammation; musculoskeletal and joint disorders; pain.

Voltaren Colirio *Novartis Ophthalmics, Arg.; Novartis Ophthalmics, Braz.*
Diclofenac sodium (p.44·3).
Eye inflammation.

Voltaren Dolo *Novartis, Switz.*
Diclofenac diethylamine (p.44·3) or diclofenac potassium (p.44·3).
Fever; inflammation; pain.

Voltaren Emulgel *Novartis, Switz.*
Diclofenac diethylamine (p.44·3).
Musculoskeletal, joint, peri-articular and soft-tissue disorders.

Voltaren Flex *Novartis, Arg.*
Diclofenac sodium (p.44·3); pridinol mesilate (p.1898·1).
Musculoskeletal and joint disorders.

Voltaren Forte *Novartis, Arg.; Novartis, Mex.*
Diclofenac sodium (p.44·3); codeine phosphate (p.37·2).
Pain.

Voltaren Migra *Novartis, Arg.*
Diclofenac potassium (p.44·3).
Inflammation; pain.

Voltaren Ophta *Novartis Ophthalmics, Hung.; Novartis, Switz.; Novartis, Turk.*
Diclofenac sodium (p.44·3).
Allergic conjunctivitis; cystoid macular oedema; ocular pain and inflammation; prevention of miosis during eye surgery.

Voltaren Ophtha *Novartis Ophthalmics, Austral.; Novartis Ophthalmics, Canad.; Novartis, Ger.; Novartis, Hong Kong; Novartis, Indon.; Novartis, Israel; Novartis, NZ; Novartis, Norw.; Adcock Ingram, S.Afr.; Novartis Ophthalmics, Singapore; Novartis Ophthalmics, Swed.*
Diclofenac sodium (p.44·3).
Cystoid macular oedema; inhibition of miosis during cataract surgery; ocular pain and inflammation; reversal of peri-operative miosis.

Voltaren Plus *Novartis, Ger.*
Diclofenac sodium (p.44·3); codeine phosphate (p.37·2).
Pain.

Voltaren T *Novartis, Swed.*
Diclofenac potassium (p.44·3).
Pain.

Voltarendolo *Novartis Sante, Fr.*
Diclofenac potassium (p.44·3).
Fever; pain.

Voltarene
Novartis, Switz.
Diclofenac (p.44·2), diclofenac potassium (p.44·3), diclofenac resinate (p.46·1), or diclofenac sodium (p.44·3).
Gout; inflammation; musculoskeletal, joint, and peri-articular disorders; pain.

Novartis, Fr.
Eye drops: Diclofenac sodium (p.44·3).
Eye pain; inflammation following eye surgery; inhibition of intraoperative miosis.

Novartis, Fr.
Injection; suppositories; sustained-release tablets; tablets; topical gel: Diclofenac diethylamine (p.44·3) or diclofenac sodium (p.44·3).
Dysmenorrhoea; musculoskeletal, joint, and peri-articular disorders; oedema; renal colic.

Voltarol
Novartis, Irl.
Diclofenac diethylamine (p.44·3) or diclofenac sodium (p.44·3).
Gout; musculoskeletal, joint, peri-articular, and soft-tissue disorders.

Novartis, UK.
Diclofenac (p.44·2), diclofenac diethylamine (p.44·3), diclofenac epolamine (p.44·3), diclofenac potassium (p.44·3), or diclofenac sodium (p.44·3).
Gout; inflammation; musculoskeletal, joint, peri-articular, and soft-tissue disorders; pain.

Voltarol Ophtha *Novartis, Irl.; Novartis, UK.*
Diclofenac sodium (p.44·3).
Anterior eye inflammation; inflammation and pain following eye surgery; inhibition of peri-operative miosis; prevention of cystoid macular oedema.

Voltatrauma *Novartis Consumer, Ital.*
Oxerutin (p.2304·3); sodium calcium methylgalactopolysulfate.
Minor trauma.

Voltax *Poehlmann, Ger.†.*
Phospholipids; muira-puama; adenosine; vitamins (p.1922·1).
Tonic.

Volten Oftalmi, Venez.
Diclofenac sodium (p.44·3).
Cystoid macular oedema; eye inflammation; intra-operative miosis inhibition; uveitis.

Voltenac Sanofi-Aventis, Pol.
Diclofenac sodium (p.44·3).
Musculoskeletal, joint, peri-articular, and soft-tissue disorders.

Voltfast Novartis, Ital.; Novartis, NZ.
Diclofenac potassium (p.44·3).
Inflammation; pain.

Voltil Ardeypharm, Ger.†.
Protein-free extract of bovine spleen (p.2337·3).
Gastrointestinal disorders; peripheral and cerebral vascular disorders; skin disorders.

Voltric UCB, Spain†.
Cetirizine hydrochloride (p.570·3).
Allergic conjunctivitis; allergic rhinitis; pruritus; urticaria.

Voltrix Bunker, Braz.
Diclofenac diethylamine (p.44·3), diclofenac potassium (p.44·3), or diclofenac resinate (p.46·1).
Gout; inflammation; musculoskeletal, joint, and peri-articular disorders; pain.

Volulyte Fresenius Kabi, UK.
⊗ An etherified starch (p.1065·1) with electrolytes.
Plasma volume expansion.

Volumax D 40 Blausiegel, Braz.†.
⊗ Dextran 40 (p.1059·1) in sodium chloride or glucose.
Plasma volume expansion.

Volumax D 70 Blausiegel, Braz.†.
⊗ Dextran 70 (p.1059·3) in sodium chloride or glucose.
Plasma volume expansion.

Volutine Geymonat, Ital.†.
Fenofibrate (p.1286·2).
Hyperlipidaemias.

Volutol Lemery, Mex.†.
Carbamazepine (p.471·3).
Epilepsy.

Voluven Fresenius Kabi, Arg.; Fresenius Kabi, Austria; Fresenius Kabi, Chile; Fresenius Kabi, Cz.; Fresenius Kabi, Denm.; Fresenius Kabi, Fin.; Fresenius Kabi, Fr.; Fresenius Kabi, Ger.; Fresenius Kabi, Gr.; Fresenius Kabi, Hong Kong; Fresenius Kabi, Hung.; Fresenius Kabi, Indon.; Fresenius Kabi, Ital.; Fresenius Kabi, Malaysia; Fresenius Kabi, Mex.; Fresenius Kabi, Neth.; Fresenius Kabi, Norw.; Fresenius Kabi, Philipp.; Fresenius Kabi, Pol.; Fresenius Kabi, Port.; Fresenius Kabi, Rus.; Fresenius Kabi, S.Afr.; Fresenius Kabi, Spain; Fresenius Kabi, Swed.; Fresenius Kabi, Switz.; Fresenius Kabi, Thai.; Fresenius Kabi, Turk.; Fresenius Kabi, UK; Hospira, USA.
⊗ An etherified starch (p.1065·1).
Haemodilution; hypovolaemia; plasma volume expansion.

Volverac TP, Thai.
Diclofenac sodium (p.44·3).
Inflammation following cataract surgery; postoperative cystoid macular oedema; prevention or reduction of intraoperative miosis.

Vomacur Hexal, Ger.
Dimenhydrinate (p.576·2).
Motion sickness; nausea; vertigo; vomiting.

Vomceran Kalbe, Indon.
Ondansetron (p.1756·3).
Nausea and vomiting.

Vomet Ulagay, Turk.
Trimethobenzamide hydrochloride (p.592·2).
Nausea and vomiting.

Vometa Dexa, Indon.
Domperidone (p.1726·2).
Gastrointestinal disorders.

Vometil Cipla, India.
Prochlorperazine maleate (p.1020·1).

Vomex A Astellas, Ger.; Galenica, Gr.; IFET (ΙΦΕΤ), Gr.
Dimenhydrinate (p.576·2).
Motion sickness; nausea; vertigo; vomiting.

Vomidex Dexa, Indon.
Metoclopramide (p.1747·3).
Gastrointestinal disorders.

Vomidon Be-Tabs, S.Afr.
Domperidone (p.1726·2).
Adjunct in gastrointestinal radiology; gastrointestinal disorders.

Vomidone Pharos, Indon.
Domperidone maleate (p.1726·3).
Dyspepsia; nausea and vomiting.

Vomidrine Azevedos, Port.
Dimenhydrinate (p.576·2).
Motion sickness; nausea; vertigo; vomiting.

Vomifene Adcock Ingram, S.Afr.
Buclizine hydrochloride (p.570·1); pyridoxine (p.1979·1).
Motion sickness; nausea; vertigo; vomiting.

Vomilat Kalbe, Indon.
Pyridoxine hydrochloride (p.1978·2); folic acid (p.1940·1).
Vitamin B and folic acid supplement in pregnancy.

Vominar Charoen, Thai.†.
Dimenhydrinate (p.576·2).
Motion sickness, vertigo, nausea and vomiting.

Vominate Cipla, India.
Doxylamine succinate (p.578·2); pyridoxine (p.1979·1).

Vominil Sedabel, Braz.†.
Metoclopramide (p.1747·3); vitamin B (p.1979·1).
Nausea and vomiting.

Vominorm Cipla, India.
Metoclopramide (p.1747·3).
Nausea and vomiting.

Vomiof Stadmed, India.
Ondansetron hydrochloride (p.1756·3).
Nausea and vomiting induced by cytotoxics and radiotherapy.

Vomipram Corsa, Indon.
Metoclopramide (p.1747·3).
Gastrointestinal disorders.

Vomisin Rayere, Mex.
Dimenhydrinate (p.576·2).
Motion sickness; nausea and vomiting; vestibular disorders.

Vomistop Cipla, India; Gracia, Indon.
Domperidone (p.1726·2).
Dyspepsia; nausea and vomiting.

Vomitas Kalbe, Indon.
Domperidone (p.1726·2).
Dyspepsia; nausea and vomiting.

Vomitin Akdeniz, Turk.
Trimethobenzamide hydrochloride (p.592·2).
Nausea and vomiting.

Vomitoran Norma (Νορμα), Gr.
Roxithromycin (p.331·1).
Bacterial infections.

Vomitrol Pharos, Indon.
Metoclopramide (p.1747·3).
Delayed gastric emptying; gastrointestinal procedures.

Vomitron Berlin Pharm, Thai.†.
Ondansetron hydrochloride (p.1756·3).
Nausea and vomiting induced by cytotoxics or radiotherapy.

Vomitusheel Peithner, Austria.
Homoeopathic preparation.

Vonau Biolab Sanus, Braz.
Ondansetron hydrochloride (p.1756·3).
Nausea and vomiting.

Voncon Lilly, Gr.
Vancomycin (p.358·3).
Bacterial infections.

Vondem Demo, Gr.
Vancomycin hydrochloride (p.358·3).
Bacterial infections.

Vontrol Enila, Braz.†; GSK, Chile; Sanfer, Mex.
Difenidol hydrochloride (p.1723·2).
Nausea and vomiting; vertigo; vestibular disorders.

Vonum Gerot, Austria.
Indometacin (p.66·3); lauromacrogol 400 (p.1916·1).
Musculoskeletal, joint, and soft-tissue disorders.

Vonum Cutan Winthrop, Cz.
Indometacin (p.66·3).
Inflammation; musculoskeletal, joint, and soft-tissue disorders.

Vopac Athlon, USA.
Codeine phosphate (p.37·2); paracetamol (p.108·1).
Pain.

Vopar Unison, Thai.
Levodopa (p.804·3); benserazide hydrochloride (p.796·3).
Parkinsonism.

Vopax Haller, Braz.†.
Metoclopramide hydrochloride (p.1747·3).
Nausea and vomiting.

V-Optic Vitamed, Israel.
⊗ Timolol maleate (p.1412·3).
Glaucoma.

Voraclor Lafare, Ital.
Aciclovir (p.862·3).
Herpesvirus infections.

Vorange DHA, Hong Kong; DHA, Singapore.
Ascorbic acid (p.1983·3).
Vitamin C deficiency.

Voratadine Vida, Hong Kong.
Loratadine (p.583·3).
Allergic rhinitis; skin disorders.

Vorcum Pfizer, Venez.
Voriconazole (p.550·1).
Fungal infections.

Vo-Remi Offenbach, Mex.
Meclozine (p.585·1); pyridoxine (p.1979·1).
Nausea and vomiting.

Voren
Medikon, Indon.
Diclofenac (p.44·2) or diclofenac sodium (p.44·3).
Musculoskeletal, joint, and peri-articular disorders.

YSP, Malaysia; Yung Shin, Philipp.; Yung Shin, Singapore.
Diclofenac sodium (p.44·3).
Fever; gout; inflammation; musculoskeletal, joint, peri-articular, and soft-tissue disorders; pain.

Voren Plus YSP, Malaysia.
Diclofenac sodium (p.44·3); menthol (p.2340·1).
Musculoskeletal, joint, and soft-tissue disorders.

Vorigeno Inibsa, Spain†.
Hyoscine hydrobromide (p.1734·1).
Motion sickness.

VoriNa Teva, Belg.; Teva, Cz.; Onkoworks, Ger.; Teva, Hung.; Pharmachemie, Neth.; Teva, Port.
Sodium folinate (p.1944·1).
Adjunct to fluorouracil in colorectal cancer; antidote to folic acid antagonists; reduction of folic-acid antagonist toxicity; reduction of methotrexate toxicity.

Voroste Combiphar, Indon.
Alendronate sodium (p.1088·1).
Osteoporosis; Paget's disease of bone.

Vorst Bernabo, Arg.
Sildenafil citrate (p.2193·1).
Erectile dysfunction.

Vorth Glenmark, India†.
Valdecoxib (p.132·3).
Musculoskeletal, joint, and soft-tissue disorders; pain.

Vorth Insta Glenmark, India†.
Valdecoxib (p.132·3); methyl salicylate (p.85·3).
Musculoskeletal, joint, and soft-tissue disorders; pain.

Vorth-P Glenmark, India.
Parecoxib sodium (p.111·3).
Pain.

Vorth-XT Glenmark, India†.
Valdecoxib (p.132·3); tizanidine hydrochloride (p.1898·2).
Musculoskeletal pain and spasm.

Vosedon Sanbe, Indon.
Domperidone (p.1726·2).
Gastrointestinal disorders.

VoSoL Wilson, NZ; Wallace, USA†.
Propylene glycol diacetate (p.1919·3); acetic acid (p.2244·2); benzethonium chloride (p.1630·1).
Otitis externa.

VoSoL HC Carter Horner, Canad.†; Wallace, USA†.
⊗ Propylene glycol diacetate (p.1919·3); acetic acid (p.2244·2); benzethonium chloride (p.1630·1); hydrocortisone (p.1535·2).
Otitis externa.

VoSpire Odyssey, USA.
⊗ Salbutamol sulfate (p.1131·3).
Obstructive airways disease.

Vostar Medis, Denm.
Diclofenac sodium (p.44·3).
Inflammation; musculoskeletal and joint disorders.

Vosteon Meprofarm, Indon.
Glucosamine hydrochloride (p.2313·2); chondroitin sulfate (p.2280·3); ipriflavone (p.1100·1); calcium citrate (p.1675·3).
Osteoarthritis.

Votag Ativus, Braz.
Marine polyunsaturated fatty acids (p.1362·2).
Dietary supplement.

Votalen Marching, Hong Kong.
Diclofenac diethylamine (p.44·3) or diclofenac sodium (p.44·3).
Musculoskeletal, joint, and soft-tissue disorders; neuralgia; neuritis.

Votamed Medifive, Thai.
Diclofenac sodium (p.44·3).
Musculoskeletal and joint disorders.

Votaxil Cafar, Venez.
Diclofenac sodium (p.44·3).
Inflammation; musculoskeletal and joint disorders; pain.

Votrace Verisfield, Gr.
Calcitriol (p.1986·2).
Psoriasis.

Votum Berlin-Chemie, Ger.; Menarini, Switz.
Olmesartan medoxomil (p.1361·1).
Hypertension.

Votum Plus Berlin-Chemie, Ger.; Menarini, Switz.
⊗ Olmesartan medoxomil (p.1361·1); hydrochlorothiazide (p.1307·3).
Hypertension.

Voveran Novartis, India.
Diclofenac (p.44·2), diclofenac diethylamine (p.44·3), or diclofenac sodium (p.44·3).
Allergic conjunctivitis; eye inflammation and pain; gout; musculoskeletal, joint, and soft-tissue disorders; prevention of miosis in cataract surgery.

Voxam Sandoz, Austral.
Fluvoxamine maleate (p.399·3) =www.mydr.com.au 6.08.
Depression; obsessive-compulsive disorder.

Voxamine Armstrong, Mex.
Difenidol hydrochloride (p.1723·2).
Nausea and vomiting; vertigo.

Voxate Masa, Thai.
Flavoxate hydrochloride (p.2190·1).
Urinary-tract disorders.

Voxfor Escaned, Spain.
⊗ Dextromethorphan hydrobromide (p.1555·2); ephedrine hydrochloride (p.1558·2); guaifenesin (p.1561·3).
Cold symptoms.

Voxin
Note. This name is used for preparations of different composition.
Vianex (Βιανεξ), Gr.†.
Vancomycin hydrochloride (p.358·3).
Bacterial infections.

Gracia, Indon.
Levofloxacin (p.292·2).
Bacterial infections.

Voxoll Aldril, Philipp.
Ambroxol hydrochloride (p.1550·3).
Respiratory-tract congestion.

Voxpax Homeocan, Canad.; Lehning, Fr.
Homoeopathic preparation.

Voxsuprine Major, USA.
Isoxsuprine hydrochloride (p.2327·3).
Cerebrovascular and peripheral vascular disorders.

V-Pen Orion, Fin.
Phenoxymethylpenicillin potassium (p.314·2).
Bacterial infections.

VP-Gen Bioprofarma, Arg.
Etoposide (p.718·1).
Malignant neoplasms.

V-piryna Natur Produkt, Pol.
Aspirin (p.20·3); ascorbic acid (p.1983·3); caffeine (p.1116·3).
Cold and influenza symptoms.

VP-Syrup Phamar (Φαμαρ), Gr.†.
Guaifenesin (p.1561·3).
Cough.

VP-Tec Columbia, Mex.
Etoposide (p.718·1).
Small cell lung cancer; testicular cancer.

VR Curacel, Austral.†.
Dextran sulfate (p.2293·1); allantoin (p.1588·1); zinc oxide (p.1621·2); melaleuca oil (p.2338·2); alpha tocoferil acetate; vitamin A palmitate.
Herpes labialis; postherpetic neuralgia; tinea pruritus.

Vraap Inverni della Beffa, Ital.†.
Vincamine (p.2414·1).
Disorders of cerebral, ocular, and vestibular circulation.

Vratizolin Jelfa, Pol.
Denotivir (p.870·2).
Bacterial skin infections; herpesvirus infections of skin and mucous membranes.

Vrbovkova Nat Megafyt-R, Cz.
Epilobium.
Benign prostatic hyperplasia; gastrointestinal disorders.

Vreya Stragen, Cz.
Ethinylestradiol (p.2101·3); cyproterone acetate (p.2088·2).
Androgen-induced acne, seborrhoea, and hirsutism in women; combined oral contraceptive.

Vridol Rafa, Israel†.
Troxerutin (p.2305·1).
Haemorrhoids; venous insufficiency.

VSL#3 Sigma-Tau, USA.
Bifidobacterium breve (p.2372·3); *Bifidobacterium longum* (p.2372·3); *Bifidobacterium infantis* (p.2372·3); *Lactobacillus acidophilus* (p.2372·3); *Lactobacillus plantarum*; *Lactobacillus paracasei*; *Lactobacillus bulgaricus* (p.2372·3); *Streptococcus thermophilus* (p.2372·3).
Irritable bowel syndrome; pouchitis; ulcerative colitis.

V-Tablopen Viatris, Ger.†.
Phenoxymethylpenicillin potassium (p.314·2).
Bacterial infections.

V-Tabur Vitamed, Israel.
⊗ Alcohol (p.1625·2); chlorhexidine gluconate (p.1635·3).
Skin and umbilical cord disinfection.

V-Talgin Vitamed, Israel.
Dipyrone (p.49·2).
Fever; pain.

V-Tears Vitamed, Israel.
Hyetellose (p.2143·3).
Dry eyes.

Vuclodir Richmond, Arg.
Lamivudine (p.895·1).
HIV infection.

Vudirax Blausiegel, Braz.
Lamivudine (p.895·1).
HIV infection.

Vueffe Baldacci, Braz.†; Baldacci, Ital.†.
Peptides derived from bovine factor VIII (p.1067·1).
Haemorrhage.

Vulamox Ethica, Indon.
Amoxicillin (p.202·2); clavulanic acid (p.250·2).
Bacterial infections.

Vulbegal Coup, Gr.
Flunitrazepam (p.996·2).
Insomnia.

Vulcase Teofarma, Fr.
Aloes (p.1705·2).
Constipation.

Vulcasid Atlantis, Mex.
Omeprazole (p.1753·1).
Gastro-oesophageal reflux; peptic ulcer; Zollinger-Ellison syndrome.

Vulmizolin Biotika, Cz.
Cefazolin sodium (p.222·1).
Bacterial infections.

Vulnizol Gelpharma, Mex.
Nitrofurazone (p.309·1).
Vaginal infections.

Vulnofilin Compuesto Lazar, Arg.†.
⊗ Red blood cells (p.1078·3); protoporphyrin; papain (p.2362·3); tyrothricin (p.358·2); dequalinium.
Wounds.

Vulnopur Deverge, Ital.
Decylglucoside; sodium chloride (p.1686·1); aloe vera (p.1588·2); silver chloride (p.2387·1).
Burns; cleansing of skin and mucous membranes; wounds.

Vulnostimulin Dermapharm, Ger.
Wheat germ (p.2415·1).
Burns; wounds.

Vulnusan Sopharma, Rus.
Pomeranian lakes extract.
Abscess; pyogenic wounds; ulcers.

Vulpuran *Rosch & Handel, Austria.*
Lead plaster-mass (p.2332·2); chamomile oil (p.2279·3); St John's wort oil (p.423·2); cod-liver oil (p.1935·2); elemi; colophony (p.2286·2); emplastrum minii; turpentine oil (p.2406·3); peru balsam (p.2365·3); oxycholesterin.
Furuncles; ulcers; wounds.

Vumix *Sun, Mex.*
Fluvoxamine (p.400·1).
Depression.

Vumon *BMS, Arg.; BMS, Austral.; BMS, Austria; BMS, Belg.; BMS, Braz.; BMS, Canad.; BMS, Chile; BMS, Cz.†; IFET (ΙΦΕΤ), Gr.; BMS, Hong Kong; BMS, Israel†; BMS, Ital.; BMS, Malaysia†; BMS, Mex.; BMS, NZ; BMS, Neth.; BMS, Pol.; BMS, Port.; BMS, S.Afr.; BMS, Singapore†; BMS, Spain; BMS Oncology, USA.*
Teniposide (p.778·1).
Malignant neoplasms.

Vunot *Medipharma, Arg.*
Sertraline (p.422·1).
Depression.

Vunsu *Costec, Arg.†.*
Padimate O (p.1609·1).
Sunscreen.

Vurdon *Help, Gr.*
Diclofenac sodium (p.44·3).
Inflammation; musculoskeletal and joint disorders; pain.

Vuscobras *Vargas, Venez.*
Hyoscine butylbromide (p.1734·1); oxazepam (p.1014·2).
Muscle spasm.

Vykmin *Valeant, Hong Kong.*
Multivitamin and mineral preparation (p.1922·1).

Vyrohexal *Hexal, S.Afr.*
Aciclovir (p.862·3).
Herpesvirus infections.

Vytinal *Legrand, Braz.*
Multivitamin, amino-acid, and mineral preparation (p.1922·1).

Vytone *Sanofi-Aventis, USA.*
⊗ Hydrocortisone (p.1535·2); diiodohydroxyquinoline (p.832·1).

Vytorin *MSD, Arg.; MSD, Austral.; MSD, Austria; MSD, Braz.; MSD, Chile; Vianex (Βιανέξ), Gr.; MSD, Hong Kong; Schering-Plough, Hong Kong; Schering-Plough, Indon.; Schering-Plough, Ital.; MSD, Malaysia; Schering-Plough, Malaysia; MSD, Mex.; MSD, NZ; MSD, Neth.; MSD, Philipp.; Schering-Plough, Philipp.; MSD, Singapore; Schering-Plough, Singapore; Merck, USA; Schering-Plough, USA; MSD, Venez.*
Ezetimibe (p.1284·3); simvastatin (p.1390·2).
Hypercholesterolaemia.

Vytral *Alpharma, Mex.*
Vitamin and mineral preparation (p.1922·1).

Vyvanse *New River, USA.*
⊗ Lisdexamfetamine mesilate (p.2157·1).
Attention-deficit hyperactivity disorder.

V-Z Vax *Green Cross, Philipp.*
A live, attenuated varicella-zoster vaccine (p.2242·2).
Active immunisation.

V-Zoline *Vitamed, Israel.*
⊗ Tetryzoline hydrochloride (p.1574·1).
Eye irritation.

Wadil *Biomep, Mex.*
Metformin (p.453·3); glibenclamide (p.440·1).
Diabetes mellitus.

Wakamoto *Wakamoto, Hong Kong†.*
Aspergillus; *Eremothecium ashbyii*; lactobacteriaceae; dried yeast; diastase; protease; lipase; vitamin B substances; amino acids (p.1922·1).
Tonic.

Wake-Up Tablets *Adrem, Canad.*
Caffeine (p.1116·3).
Stimulant.

Wala Baume nasal *Wala, Switz.*
Berberis vulgaris; blackthorn (p.2267·2); Peru balsam (p.2365·3); cajuput oil (p.2271·2); eucalyptus oil (p.2301·2); silicic acid.
Nasal inflammation.

Wala Baume nasal doux *Wala, Switz.*
Berberis vulgaris; blackthorn (p.2267·2); peru balsam (p.2365·3); silicic acid.
Nasal disorders.

Wala Echinacea *Wala, Switz.*
Echinacea (p.2298·1); calendula (p.2273·1); sage (p.2382·3); eucalyptus globulus; argentum nitricum; tonsillae palatinae bovis; gingiva bovis.
Mouth and throat disorders.

Wala Pulmonium suc contre la toux *Wala, Switz.*
Ribwort plantain (p.2379·1); Norway spruce; butterbur (p.2271·1).
Coughs.

Walacort *Wallace, India.*
⊗ Betamethasone (p.1518·2).
Corticosteroid.

Walagesic *Wallace, India†.*
Dextropropoxyphene hydrochloride (p.40·1); paracetamol (p.108·1).
Pain.

Walamycin *Wallace, India.*
Colistin sulfate (p.256·2).
Bacterial diarrhoea.

Walaphage *Wallace, India.*
Metformin hydrochloride (p.453·2).
Diabetes mellitus.

Walavin *Wallace, India.*
Griseofulvin (p.535·2).
Fungal infections of the skin, hair, and nails.

Waldheim Abfuhrdragees forte *Sanochemia, Austria.*
Aloes (p.1705·2); phenolphthalein (p.1762·1); hard soap (p.2139·3).
Formerly known as Abführdragees.
Bowel evacuation; constipation.

Waldheim Abfuhrdragees mild *Sanochemia, Austria.*
Aloes (p.1705·2); frangula bark (p.1732·2); hard soap (p.2139·3).
Formerly known as Abführdragees mild.
Constipation.

Waldheim Husten *Sanochemia, Austria.*
Guaifenesin (p.1561·3).
Coughs.

Waldheim Influvidon *Sanochemia, Austria.*
Salicylamide (p.121·2); caffeine (p.1116·3); propyphenazone (p.119·3); hesperidin phosphate (p.2305·2); calcium ascorbate (p.1984·1); piprinhydrinate (p.588·2).
Formerly known as Influvidon.
Cold and influenza symptoms.

Waldheim Rheuma-Creme *Sanochemia, Austria.*
Salicylamide (p.121·2).
Musculoskeletal, joint, and soft-tissue disorders.

Waldheim Schmerztabletten *Sanochemia, Austria.*
Propyphenazone (p.119·3); paracetamol (p.108·1); caffeine (p.1116·3).
Fever; pain.

Waldheim Sport- und Rheuma-Fluid *Sanochemia, Austria.*
Salicylamide (p.121·2); camphor (p.2273·2).
Musculoskeletal, joint, and soft-tissue disorders; sports injuries.

Walesolone *MBD, Singapore.*
⊗ Prednisolone (p.1540·3).
Corticosteroid.

Walix *Silesia, Chile; Fidia, Ital.*
Oxaprozin (p.105·3).
Gout; musculoskeletal, joint, and peri-articular disorders.

Walyte *Wallace, India.*
Sodium chloride; potassium chloride; sodium citrate; glucose (p.1672·2).
Oral rehydration therapy.

Wamag *Hasco-Lek, Pol.*
Calcium glubionate (p.1675·3); calcium lactobionate (p.1676·2); magnesium lactate (p.1679·2).
Calcium and magnesium supplement.

Wampole
Note. This name is used for preparations of different composition.
Ponce, Venez.†.
Oral emulsion: Cod-liver oil (p.1935·2); yeast (p.1998·3).
Dietary supplement.

Ponce, Venez.†.
Oral liquid: Vitamin B substances (p.1922·1).
Dietary supplement.

Wampole Bronchial Cough Syrup *Wampole, Canad.†.*
Ammonium chloride (p.1551·3); aralia racemosa; poplar buds (p.2371·1); sanguinaria (p.2383·2); senega (p.1572·3); white pine; wild cherry (p.2415·2).

Wampole Vitamin Syrup *Wampole, Canad.*
Vitamin B substances with iron (p.1922·1).

Wandonorm *Novartis, Ger.†.*
⊗ Bopindolol malonate (p.1235·1).
Hypertension.

Wanmycin *DHA, Hong Kong; DHA, Malaysia†; DHA, Singapore.*
Doxycycline hyclate (p.267·1).
Bacterial infections.

Wanse *Yu Sheng, Singapore.*
Ferrous fumarate (p.1938·3); cyanocobalamin (p.1980·2); folic acid (p.1940·1).
Anaemias.

Waran *Nycomed, Swed.*
Warfarin sodium (p.1425·2).
Thromboembolic disorders.

Warca *Pharmasant, Thai.*
Mebendazole (p.148·3).
Worm infections.

Warf *Cipla, India.*
Warfarin sodium (p.1425·2).
Thromboembolic disorders.

Warfant *Antigen, Irl.*
Warfarin sodium clathrate (p.1425·3).
Thromboembolic disorders.

Warfarex *Grindex, Rus.*
Warfarin sodium clathrate (p.1425·3).
Thromboembolic disorders.

WariActiv *Ritter, Ger.; Ritter, Hong Kong.*
Ethyl chloride (p.1861·2).
Local anaesthesia.

Wari-Diclowal *Ritter, Malaysia†.*
Diclofenac sodium (p.44·3).
Gout; inflammation; musculoskeletal, joint, and peri-articular disorders; pain.

Waridipin *Ritter, Hong Kong†.*
Nifedipine (p.1350·1).
Angina pectoris; heart failure; hypertension.

Warimazol *Ritter, Hong Kong†.*
Clotrimazole (p.530·1).
Fungal skin infections; vulvovaginitis.

Wari-Procomil *Ritter, Hong Kong; Ritter, Thai.†.*
⊗ Yohimbine hydrochloride (p.2200·2); methyltestosterone (p.2117·1); testis extract (p.2129·3); kola (p.2416·1); lecithin (p.2332·2); muira-puama.
Erectile dysfunction.

Wariviron *Ritter, Hong Kong.*
Aciclovir (p.862·3).
Herpes simplex infections.

Warix *Drossapharm, Switz.*
Podophyllotoxin (p.1610·2).
Anogenital warts.

Warme-Gel *Ratiopharm, Ger.†.*
Glycol salicylate (p.62·3); benzyl nicotinate (p.28·1).
Musculoskeletal, joint, peri-articular and soft-tissue disorders; neuralgia; peripheral vascular disorders.

Wart Remover *Glades, USA; Rugby, USA; Stiefel, USA.*
Salicylic acid (p.1612·2).

Wartec *Stiefel, Austral.; Stiefel, Belg.; Stiefel, Braz.; Stiefel, Canad.; Stiefel, Chile†; Stiefel, Cz.; Stiefel, Denm.; Stiefel, Fin.; Stiefel, Fr.†; Stiefel, Ger.; Gabriel, Gr.; Stiefel, Hong Kong; Stiefel, Hung.; Stiefel, Ital.; Stiefel, Mex.; Stiefel, NZ; Stiefel, Neth.; Stiefel, Norw.; Stiefel, Pol.; Stiefel, S.Afr.; Stiefel, Singapore; Rottapharm, Spain; Sylak, Swed.*
Podophyllotoxin (p.1610·2).
Anogenital warts.

Wartex *Ransom, UK.*
Salicylic acid (p.1612·2).
Warts.

Warticon *Stiefel, Irl.; Stiefel, UK.*
Podophyllotoxin (p.1610·2).
Genital warts.

Wartner *Shield, Irl.; Naveh, Israel; PSM, NZ; Passion for Life, UK.*
Dimethyl ether (p.1689·2); propane (p.1691·3).
Verrucas; warts.

Wart-Off *Pfizer, Philipp.; Pfizer, USA.*
Salicylic acid (p.1612·2).
Calluses; corns; warts.

Waruzol
Note. This name is used for preparations of different composition.
Pharmanik (Φαρμανικ), Gr.†.
Astemizole (p.567·2).
Allergic conjunctivitis; allergic rhinitis; pruritus.

Intermedica, Switz.
Acetic acid (p.2244·2); lactic acid (p.2329·3); salicylic acid (p.1612·2).
Warts.

Warz-ab Extor *Ohropax, Switz.*
Salicylic acid (p.1612·2); lactic acid (p.2329·3).
Calluses; corns; warts.

Warzen-Alldahin *Roha, Ger.†.*
Salicylic acid (p.1612·2); lactic acid (p.2329·3).
Calluses; warts.

Warzenmittel *Sanova, Austria.*
Monochloroacetic acid (p.1608·1).
Warts.

Warzin *Rosch & Handel, Austria.*
Lactic acid (p.2329·3).
Warts.

Wash E45 *Crookes Healthcare, UK.*
Soap substitute.
Dry skin.

Wasp-Eze *SSL, UK.*
Mepyramine maleate (p.585·2); benzocaine (p.1854·1).
Insect bites; stings.

Water Babies
Note. This name is used for preparations of different composition.
Schering-Plough, USA.
SPF 15: Octinoxate (p.1608·2); oxybenzone (p.1608·3).
Sunscreen.

Schering-Plough, USA.
SPF 30: Octinoxate (p.1608·2); oxybenzone (p.1608·3); homosalate (p.1598·1); octisalate (p.1608·2).
Sunscreen.

Schering-Plough, USA.
SPF 45: Octinoxate (p.1608·2); oxybenzone (p.1608·3); octocrilene (p.1608·3); octisalate (p.1608·2).
Sunscreen.

Water Babies Little Licks *Schering-Plough, USA.*
SPF 30: Octinoxate (p.1608·2); oxybenzone (p.1608·3); octisalate (p.1608·2).
Sunscreen.

Water Naturtabs *Larkhall Laboratories, UK.*
Bladderwrack (p.2384·2); lappa (p.2330·3); ground ivy (p.2317·2); clivers (p.2284·3).

Water Pill c Potasio *Natural Life, Arg.†.*
Buchu (p.2269·3); bearberry (p.2263·3); parsley (p.2363·2); juniper (p.2328·2); potassium gluconate (p.1684·3).
Diuretic.

Watershed
Note. This name is used for preparations of different composition.
Potter's, UK.
Oral mixture: Wild carrot (p.2415·2); pellitory; buchu (p.2269·3); juniper (p.2328·2); clivers (p.2284·3).
Water retention.

Potter's, UK.
Tablets: Buchu (p.2269·3); parsley piert (p.2363·2); bearberry (p.2263·3); juniper oil (p.2328·3).
Water retention.

Waucosin *Proel, Gr.†.*
⊗ Timolol maleate (p.1412·3).
Glaucoma.

Waxolve *Bell, India.*
Paradichlorobenzene (p.2363·1); benzocaine (p.1854·1); chlorobutanol (p.1639·2); turpentine oil (p.2406·3).
Ear wax removal.

Waxsol *Norgine, Austral.; Norgine, Hong Kong; Alpharma, Indon.; Norgine, Irl.; Norgine, Malaysia†; Norgine, NZ; Zuellig, NZ; Norgine, Singapore; Norgine, Thai.; Pharmalink, Thai.; Norgine, UK.*
Docusate sodium (p.1725·1).
Ear wax removal.

Waxsol NF *Norgine, S.Afr.*
Docusate sodium (p.1725·1).
Ear wax removal.

Waxwane *Thornton & Ross, UK†.*
Turpentine oil (p.2406·3); terpineol (p.2396·1); chloroxylenol (p.1640·2).
Ear wax removal.

4-Way Fast Acting *Novartis, USA.*
⊗ Phenylephrine hydrochloride (p.1568·1); naphazoline hydrochloride (p.1565·2); mepyramine maleate (p.585·2).
Nasal congestion.

4-Way Long Lasting *Bristol-Myers Products, USA.*
⊗ Oxymetazoline hydrochloride (p.1567·2).
Nasal congestion.

4-Way Menthol *Novartis Consumer, USA.*
Phenylephrine hydrochloride (p.1568·1); menthol (p.2340·1).
Nasal congestion.

4-Way Moisturizing Relief *Novartis Consumer, USA.*
Xylometazoline hydrochloride (p.1575·1).
Nasal congestion.

WCS Dusting Powder *Weleda, UK.*
Homoeopathic preparation.

Wecesin
Note. This name is used for preparations of different composition.
Weleda, Ger.
Homoeopathic preparation.

Weleda, S.Afr.; Weleda, Switz.†.
Arnica (p.2260·2); calendula (p.2273·1); echinacea (p.2298·1); quarz; stibium met.
Burns; cicatrisation; skin abrasions; skin disorders; ulcers; wounds.

Wechseltee St Severin *Smetana, Austria.*
Passion flower (p.2363·2); valerian (p.2410·1); lupulus (p.2335·2); St John's wort (p.422·3); melissa (p.2339·3); crataegus (p.2289·1); mistletoe (p.2345·3).
Anxiety disorders; menopausal disorders; nervousness; sleep disorders.

Weewa ORS *Millimed, Thai.*
Sodium chloride; potassium chloride; sodium citrate; glucose (p.1672·2).
Diarrhoea; oral rehydration therapy.

Weifa-Calcium *Weifa, Thai.*
Calcium carbonate (p.1714·1).
Calcium supplement; osteoporosis.

Weifapenin *Weifa, Norw.*
Phenoxymethylpenicillin potassium (p.314·2).
Bacterial infections.

Weight Control *Homeocan, Canad.*
Homoeopathic preparation.

Weight Loss Aid *Herbal Concepts, UK.*
Taraxacum (p.2395·1); bladderwrack (p.2384·2); boldo (p.2267·2).
Slimming aid.

Weight Loss Kit *Dolisos, Canad.*
Homoeopathic preparation.

Weimerquin *Biokanol, Ger.*
Chloroquine phosphate (p.599·3).
Malaria.

Weiscal *Valdecasas, Mex.*
Ambroxol hydrochloride (p.1550·3).
Respiratory-tract congestion.

Weiscalina *Valdecasas, Mex.†.*
Phenylephrine hydrochloride (p.1568·1).
Nasal congestion.

Weisen-U *Shigaken, Singapore†.*
Methiosulfonium chloride (p.2343·3); amylase (p.2256·3); aluminium hydroxide (p.1706·2).
Dyspepsia; flatulence; gastrointestinal hyperacidity; heartburn.

Welchol *Sankyo, USA.*
Colesevelam hydrochloride (p.1252·1).
Hypercholesterolaemia.

Weleda Fieber- und Zahnungszapfchen *Weleda, Ger.*
Homoeopathic preparation.

Weleda Hamorrhoidalzapfchen *Weleda, Ger.*
Hamamelis (p.2318·2); aesculus (p.2248·2); stibium metall.
Anorectal disorders.

Weleda Heilsalbe *Weleda, Ger.*
Homoeopathic preparation.

Weleda-Rheumasalbe M *Weleda, Ger.*
Basil (p.2263·2); camphor (p.2273·2); fluorit; castanospermum oil; venice turpentine; sea water (p.1686·1); murmeltierfett; rosemary oil (p.2381·3).
Frostbite; gout; musculoskeletal, joint, and soft-tissue disorders.

Well-Beeing *Panacea, India†.*
Curcumin (p.1471·2); ginger (p.1732·3); valerian (p.2410·1).
Menstrual disorders.

Wellbutrin *GSK, Arg.; GSK, Braz.; Biovail, Canad.; GSK, Chile; GSK, Cz.; GSK, Hong Kong; GSK, Hung.; GSK, Mex.; GSK, Port.; GSK, S.Afr.; GSK, Singapore; GSK, USA; GSK, Venez.*
Bupropion hydrochloride (p.383·1).
Aid to smoking withdrawal; depression.

Wellcid *Klinger, Braz.†.*
Permethrin (p.2048·2).

Wellconal *GSK, Hong Kong†; Aspen, S.Afr.*
Dipipanone hydrochloride (p.49·1); cyclizine hydrochloride (p.574·2).
Pain; vomiting.

Wellcoprim
GSK, Austria; GSK, Fr.†.
Trimethoprim (p.355·2).
Bacterial infections of the urinary tract.

GSK, Neth.†.
Trimethoprim (p.355·2) or trimethoprim lactate (p.356·3).
Bacterial infections of the urinary tract.

Welldorm *Alphashow, UK.*
Cloral betaine (p.979·1) or cloral hydrate (p.979·1).
Formerly contained dichloralphenazone.
Insomnia.

Wellferon *GSK, Cz.†; GSK, Ital.†; GSK, Rus.; GSK, Thai.†.*
Interferon alfa-n1 (p.885·1).
Anogenital warts; chronic hepatitis B; chronic hepatitis C; malignant neoplasms.

Wellman
Vitabiotics, UK.
Multivitamin and mineral preparation (p.1922·1).

Vitabiotics, Hong Kong.
Capsules: Vitamins; minerals; ginseng; bioflavonoids; garlic; amino acids (p.1922·1).

Vitabiotics, Hong Kong.
Oral liquid: Vitamins; minerals; ginseng; green tea; cynara (p.1922·1).

Wellvone *GSK, Austral.; GSK, Austria; GSK, Belg.; GSK, Fr.; GSK, Ger.; GSK, Gr.; GSK, Ital.; GSK, Neth.; Wellcome, Port.; GSK, S.Afr.; GSK, Spain; GSK, Swed.; GSK, Switz.; GSK, UK.*
Atovaquone (p.829·2).
Pneumocystis pneumonia; toxoplasmosis.

Wellwoman *Potter's, UK.*
Achillea (p.2245·2); motherwort (p.2347·3); tilia (p.2402·2); skullcap (p.2388·2); valerian (p.2410·1).
Menopausal disorders.

Welsan Lipocream *Weluga, Hong Kong.*
Gamolenic acid (p.2308·2); vitamin C (p.1983·3); vitamin E (p.1992·2).
Barrier preparation; corticosteroid cream diluent; dry skin disorders.

Welticilina *Welt, Arg.*
Ampicillin (p.204·1).
Bacterial infections.

Welt-Sulfazol *Welt, Arg.*
Sulfathiazole (p.343·2).
Burns; skin infections; wounds.

Wemid *Bernabo, Arg.*
Erythromycin (p.269·2) or erythromycin ethyl succinate (p.269·3).
Bacterial infections.

Wenflox *Raffo, Arg.*
Norfloxacin (p.309·2).
Bacterial infections.

Wepox *Wockhardt, India.*
⊗ Epoetin alfa (p.1061·1).
Anaemias; autologous blood transfusion.

Westcarbox *Lloyd, Philipp.*
Carbocisteine (p.1553·2).
Respiratory-tract congestion.

Westcort *BMS, Braz.; Westwood-Squibb, Canad.; BMS, Mex.; Westwood-Squibb, USA.*
⊗ Hydrocortisone valerate (p.1536·1).
Skin disorders.

Westfimox *Lloyd, Philipp.*
Amoxicillin trihydrate (p.202·2).
Bacterial infections.

Wet *Fidia, Ital.*
Electrolytes (p.1667·1).
Nasal irrigation.

Wet Stuff *Universal, Hong Kong.*
Glycerol (p.2314·2).
Vaginal and rectal lubricant.

Wet-COMOD *Ursapharm, Ger.; Visufarma, Ital.*
Povidone (p.2146·1).
Dry eyes.

Wetol *Beta, Arg.*
Pilocarpine hydrochloride (p.1884·3).
Radiotherapy-induced xerostomia; Sjögren's syndrome.

White Cloverine *Medtech, USA.*
Barrier preparation.

Whitfield *Malaysia Chemist, Singapore†.*
Salicylic acid (p.1612·2); benzoic acid (p.1630·2).
Parasitic skin infections.

Whitfields (Benzoic Acid Compound) Ointment *McGloin, Austral.*
Benzoic acid (p.1630·2); salicylic acid (p.1612·2).
Fungal skin infections.

Wiacid *Landson, Indon.*
Ranitidine hydrochloride (p.1766·1).
Gastro-oesophageal reflux; pathological hypersecretory disorders; peptic ulcer.

Wiaflox *Landson, Indon.*
Ciprofloxacin (p.243·3).
Bacterial infections.

Wiamox *Landson, Indon.*
Amoxicillin trihydrate (p.202·2).
Bacterial infections.

Wiatrim *Landson, Indon.*
Co-trimoxazole (p.258·1).
Bacterial infections.

Wibi *Healthpoint, USA.*
Moisturiser.

Wibotin H *Pfluger, Ger.*
Homoeopathic preparation.

Wicaran *Widmer, Fin.*
⊗ Tretinoin (p.1618·1); dexpanthenol (p.2362·1); urea (p.1620·2).
Keratinisation disorders.

Wicarba *Widmer, Fin.*
⊗ Vitamin A palmitate (p.1973·1); dexpanthenol (p.2362·1); urea (p.1620·2).
Skin disorders.

Wick Daymed Erkaltungs
Note. This name is used for preparations of different composition.
Wick, Ger.
Capsules: Dextromethorphan hydrobromide (p.1555·2); paracetamol (p.108·1); phenylpropanolamine hydrochloride (p.1569·3).
Cold symptoms.

Wick, Ger.
Powder for oral liquid: Paracetamol (p.108·1); guaifenesin (p.1561·3); phenylephrine hydrochloride (p.1568·1); ascorbic acid (p.1983·3).
Cold symptoms.

Wick Erkaltungs-Saft fur die Nacht *Procter & Gamble, Austria.*
⊗ Doxylamine succinate (p.578·2); ephedrine sulfate (p.1558·2); dextromethorphan hydrobromide (p.1555·2); paracetamol (p.108·1).
Cold symptoms.

Wick Erste Abwehr *Wick, Ger.*
Viscous nasal gel.
Cold prophylaxis.

Wick Formel 44 *Procter & Gamble, Austria.*
Dextromethorphan (p.1555·2).
Coughs.

Wick Formel 44 Husten-Loser *Wick, Ger.*
Guaifenesin (p.1561·3).
Coughs and associated respiratory-tract disorders.

Wick Formel 44 Husten-Stiller *Wick, Ger.*
Dextromethorphan hydrobromide (p.1555·2).
Coughs.

Wick Formel 44 plus Husten-Pastillen *Procter & Gamble, Austria.*
Dextromethorphan (p.1555·2).
Coughs.

Wick Formel 44 plus Husten-Pastillen S *Wick, Ger.*
Dextromethorphan (p.1555·2).
Catarrh; coughs.

Wick Formel 44 Plus Hustenstiller *Procter & Gamble, Austria.*
Dextromethorphan hydrobromide (p.1555·2).
Coughs.

Wick Formula 44 kohogescillapito *Procter & Gamble, Hung.†.*
Dextromethorphan hydrobromide (p.1555·2).
Coughs.

Wick Formula 44 kopteto *Procter & Gamble, Hung.†.*
Guaifenesin (p.1561·3).
Coughs.

Wick Hustensaft *Procter & Gamble, Austria.*
Dextromethorphan hydrobromide (p.1555·2); doxylamine succinate (p.578·2); sodium citrate (p.1673·3).
Coughs.

Wick Inhalierstift N *Wick, Ger.*
Menthol (p.2340·1); camphor (p.2273·2).
Nasal congestion.

Wick Medinait
Note. This name is used for preparations of different composition.
Procter & Gamble, Cz.†.
Paracetamol (p.108·1); dextromethorphan hydrobromide (p.1555·2); doxylamine succinate (p.578·2); pseudoephedrine hydrochloride (p.1571·2).
Cold and influenza symptoms.

Wick, Ger.
⊗ Doxylamine succinate (p.578·2); ephedrine sulfate (p.1558·2); dextromethorphan hydrobromide (p.1555·2); paracetamol (p.108·1).
Cold and influenza symptoms.

Wick Sinex
Note. This name is used for preparations of different composition.
Procter & Gamble, Austria.
⊗ Oxymetazoline hydrochloride (p.1567·2); menthol (p.2340·1); camphor (p.2273·2); cineole (p.2282·3).
Cold symptoms.

Wick, Ger.
⊗ Oxymetazoline hydrochloride (p.1567·2).
Catarrh; nasal congestion.

Wick Sulagil *Wick, Ger.*
Lidocaine hydrochloride (p.1862·3); dequalinium chloride (p.1641·3); cetylpyridinium chloride (p.1635·1).
Mouth and throat disorders.

Wick Vaporub
Note. This name is used for preparations of different composition.
Procter & Gamble, Austria.
Menthol (p.2340·1); camphor (p.2273·2); eucalyptus oil (p.2301·2); nutmeg oil (p.2355·3); cedar wood oil (p.2278·3); turpentine oil (p.2406·3); thymol (p.1664·3).
Catarrh; coughs and cold symptoms.

Wick, Ger.
Menthol (p.2340·1); camphor (p.2273·2); eucalyptus oil (p.2301·2); turpentine oil (p.2406·3).
Catarrh; cold symptoms; coughs.

Procter & Gamble, Pol.
Camphor (p.2273·2); eucalyptus oil (p.2301·2); menthol (p.2340·1); thymol (p.1664·3); turpentine oil (p.2406·3); nutmeg oil (p.2355·3); cedar oil.
Respiratory-tract disorders.

Wick-Inhalierstift *Procter & Gamble, Austria.*
Menthol (p.2340·1); camphor (p.2273·2).
Nasal congestion.

Wicne *Widmer, Fin.*
Triclosan (p.1665·2); salicylic acid (p.1612·2); colloidal sulfur (p.1614·1); colloidal silica (p.2146·2).
Acne.

Wicnecarb *Widmer, Fin.*
⊗ Pyridoxine hydrochloride (p.1978·2); triclosan (p.1665·2); colloidal sulfur (p.1614·1); urea (p.1620·2).
Acne.

Wicnelact *Widmer, Fin.*
Triclosan (p.1665·2); zinc sulfate (p.1999·2); lactic acid (p.2329·3); magnesium sulfate (p.1679·3); salicylic acid (p.1612·2).
Acne; seborrhoea.

Wicnevit *Widmer, Fin.*
⊗ Vitamin A palmitate (p.1973·1); triclosan (p.1665·2); pyridoxine hydrochloride (p.1978·2); dexpanthenol (p.2362·1); urea (p.1620·2).
Acne; seborrhoea.

Wida D5 and D10 *Widatra Bhakti, Indon.*
Glucose (p.1945·3).
Carbohydrate source; fluid replacement.

Wida NSI *Widatra Bhakti, Indon.*
Sodium chloride (p.1686·1).
Irrigation solution for surgical procedures.

WIDAHES *Widatra Bhakti, Indon.*
⊗ An etherified starch (p.1065·1) in sodium chloride.
Haemodilution; plasma volume expansion.

Widecillin *Meiji, Indon.*
Amoxicillin (p.202·2) or amoxicillin trihydrate (p.202·2).
Bacterial infections.

Widrox *Landson, Indon.*
Cefadroxil (p.218·1).
Bacterial infections.

Wiedimmun
Note. This name is used for preparations of different composition.
Wiedemann, Ger.
Injection: Homoeopathic preparation.

Wiedemann, Ger.†.
Oral drops: Echinacea purpurea (p.2298·1).
Respiratory-tract infections.

Wiedimmun N *Wiedemann, Ger.*
Homoeopathic preparation.

Wigraine *Organon, USA†.*
Ergotamine tartrate (p.620·1); caffeine (p.1116·3).
Vascular headache.

Wilate *Octapharma, Ger.; Octapharma, Port.*
A factor VIII preparation (p.1067·1).
Haemorrhagic disorders.

Wild Cherry-Slippery Elm Formula *Quest, Canad.†.*
Cayenne; chickweed; marrubium; kelp; liquorice; verbascum; pleurisy root; saw palmetto berry; slippery elm; wild cherry bark.

Wildkrauterol special K *Johanser, Ger.*
Peppermint oil (p.1761·2).
Gastrointestinal disorders; respiratory-tract disorders; skeletal muscle and nerve pain.

Wilfactin *Lab Francais du Fractionnement, Fr.; IFET (ΙΦΕΤ), Gr.; Vianex (Βιανέξ), Gr.*
Von Willebrand factor (p.1082·3).
Haemorrhagic disorders; von Willebrand factor deficiency.

Wilkinson *Mega, Turk.*
Coal tar (p.1616·2); sulfur (p.1614·1); savon noir; calcium carbonate (p.1714·1).
Eczema; psoriasis.

Will-Anal *Will Pharma, Neth.*
⊗ Lidocaine hydrochloride (p.1862·3); triamcinolone acetonide (p.1544·3).
Anorectal disorders.

Willgo *Panacea, India†.*
Nimesulide (p.95·3).
Osteoarthritis; pain; rheumatoid arthritis.

Willlong *Will-Pharma, Belg.*
Glyceryl trinitrate (p.1296·2).
Angina pectoris; heart failure.

Willospon *Will-Pharma, Neth.†.*
⊗ Gelatin foam (p.1072·1).
Haemostatic dressing.

Willospon Forte *Will-Pharma, Neth.†.*
Collagen (p.2286·1).
Haemostatic dressing.

Willydina *Tocogino, Mex.*
Dextromethorphan (p.1555·2); guaifenesin (p.1561·3).
Coughs.

Wilpan Antigripal *Bernabo, Arg.*
Phenylephrine hydrochloride (p.1568·1); vitamin C (p.1983·3); pentoxyverine citrate (p.1567·3); paracetamol (p.108·1).
Influenza symptoms.

Wilpan C *Microsules Bernabo, Arg.†.*
Phenylephrine hydrochloride (p.1568·1); pentoxyverine citrate (p.1567·3); astemizole (p.567·2); vitamin C (p.1983·3).
Influenza symptoms.

Wilprafen
Yamanouchi, Ger.†; Astellas, Rus.
Josamycin (p.291·1) or josamycin propionate (p.291·1).
Bacterial infections.

Mack, Hung.†.
Josamycin (p.291·1).
Bacterial infections.

Wilsim *Hizon, Philipp.*
Simvastatin (p.1390·2).
Hyperlipidaemias.

Wilstart *Lab Francais du Fractionnement, Fr.*
Von Willebrand factor(p.1082·3).
Von Willebrand's disease.

Wilvit *Sons, Mex.*
Vitamin and mineral preparation with ginseng (p.1922·1).

Wilzin *Orphan Europe, Cz.; Orphan, Fr.; Orphan, Ger.; Orphan, Ital.; Orphan, Neth.; Orphan, Pol.; Orphan Europe, Port.; Orphan, Spain; Orphan, UK.*
Zinc acetate (p.1999·1).
Wilson's disease.

Winadol *Konsuma, Venez.†.*
Paracetamol (p.108·1).
Fever; pain.

Winaflox *Dynamic, Philipp.*
Norfloxacin (p.309·2).
Bacterial infections.

Winar *Apogepha, Ger.†.*
Urtica root (p.2409·3).
Benign prostatic hyperplasia.

Winasorb *K2 Pharmacare, Chile; Rudefsa, Mex.*
Paracetamol (p.108·1).
Fever; pain.

Winasorb Flex *K2 Pharmacare, Chile.*
Chlorzoxazone (p.1894·3); paracetamol (p.108·1).
Skeletal muscle spasm and pain.

Winasorb Flu DN *K2 Pharmacare, Chile.*
Day tablets, paracetamol (p.108·1); pseudoephedrine hydrochloride (p.1571·2); night tablets, paracetamol; pseudoephedrine hydrochloride; chlorphenamine maleate (p.571·3).
Cold and influenza symptoms.

Winasorb UP *K2 Pharmacare, Chile.*
Paracetamol (p.108·1); caffeine (p.1116·3).
Pain.

Winatin *Ifars, Indon.*
Loratadine (p.583·3).
Allergic rhinitis; allergic skin disorders; urticaria.

Wincef *Fujisawa, Jpn†.*
Cefoselis sulfate (p.228·1).
Bacterial infections.

Wincoram
Sanofi Synthelabo, Cz.†; Sanofi Synthelabo, Ger.†.
Amrinone (p.1215·1).
Heart failure.

Sanofi Synthelabo, Spain†.
Amrinone lactate (p.1215·1).
Heart failure.

Wind & Dyspepsia Relief *Herbal Concepts, UK.*
Ginger (p.1732·3); hydrastis (p.2321·3); myrrh (p.2349·2); rhubarb (p.1768·3); valerian (p.2410·1); taraxacum (p.2395·1).
Dyspepsia; flatulence.

Wind-Eze *GSK Consumer, UK.*
Simeticone (p.1770·2).
Formerly known as Setlers Wind-Eze.
Flatulence.

Windol *Dermapharm, Ger.*
Bufexamac (p.28·3).
Inflammatory skin disorders.

Windol Basisbad *Dermapharm, Ger.†.*
Liquid paraffin (p.2030·3); soya oil (p.1965·3).
Bath additive; skin disorders.

Windoxa *Sanofi-Aventis, Cz.*
Doxazosin mesilate (p.1275·1).
Benign prostatic hyperplasia; hypertension.

Wingel *Sanofi Synthelabo, Mex.*
Aluminium hydroxide (p.1706·2); magnesium hydroxide (p.1743·2); dimeticone (p.1770·2).
Flatulence; gastric hyperacidity.

40 Winks *Roberts, USA.*
Diphenhydramine hydrochloride (p.577·2).
Insomnia.

Winlomylon *Adcock Ingram, S.Afr.*
Nalidixic acid (p.303·3).
Gram-negative bacterial urinary-tract infections.

Winnipeg *Selvi, Ital.*
Bacampicillin hydrochloride (p.210·2).
Bacterial infections.

Winofit *Wockhardt, India.*
Vitamin E; vitamin C; vitamin A; eicosapentaenoic acid; docosahexaenoic acid; zinc sulfate; folic acid; manganese sulfate; chromium tripicolinate; selenium dioxide (p.1922·1).
Tonic.

Winol *Raffo, Arg.*
Irinotecan hydrochloride (p.737·1).
Colorectal cancer.

Winpac *Sanofi Synthelabo, Chile†.*
Paracetamol (p.108·1); pseudoephedrine hydrochloride (p.1571·2).
Nasal congestion; pain; sinusitis.

Winpain *Brunel, S.Afr.†.*
Paracetamol (p.108·1).
Fever; pain.

Winpar *Ares, Mex.*
Cinnarizine (p.573·1).
Cerebral and peripheral vascular disorders; nausea and vomiting; vestibular disorders.

Winpred *Valeant, Canad.*
⊗ Prednisone (p.1542·3).
Corticosteroid.

WinRho *CSL, Austral.; Itaca, Braz.†; Cangene, Canad.; Cangene, Gr.; Cangene, Hong Kong; Cangene, Israel; Baxter, NZ; Cangene, Philipp.; Cangene, Port.; Baxter, UK; Baxter, USA.*
An anti-D immunoglobulin (p.2204·2).
Idiopathic thrombocytopenic purpura; prevention of rhesus sensitisation.

Winstrol *Zambon, Spain; Ovation, USA†.*
⊗ Stanozolol (p.2129·1).
Anabolic; anaemia in renal failure; hereditary angioedema.

Wintanyl *Winthrop, Cz.*
⊗ Fentanyl (p.55·3).
Pain.

Winter AP *Merck, Braz.*
Dexbrompheniramine maleate (p.569·2); pseudoephedrine sulfate (p.1571·2).
Respiratory-tract congestion.

Wintogeno *Actavis, Malaysia; Alpharma, Singapore†.*
Methyl salicylate (p.85·3); menthol (p.2340·1).
Musculoskeletal, joint, and soft-tissue disorders.

Wintogeno Extra *Actavis, Indon.*
Methyl salicylate (p.85·3); levomenthol.
Musculoskeletal pain; soft-tissue injury.

Wintomilon *Sanofi Synthelabo, Port.†.*
Nalidixic acid (p.303·3).
Urinary-tract infections.

Wintomylon *Sanofi Synthelabo, Arg.†; Sanofi-Aventis, Braz.; Sanofi Synthelabo, Chile†; Sanofi Synthelabo, Hong Kong; Sanofi Synthelabo, Mex.*
Nalidixic acid (p.303·3).
Gram-negative bacterial gastro-intestinal and urinary-tract infections.

Winton *Sanofi-Aventis, Spain.*
Aluminium hydroxide (p.1706·2); magnesium hydroxide (p.1743·2).
Dyspepsia; gastrointestinal hyperacidity.

Wintus *Ilsan, Turk.*
Paracetamol (p.108·1); dextromethorphan hydrobromide (p.1555·2); phenylephrine hydrochloride (p.1568·1); chlorphenamine maleate (p.571·3).
Respiratory-tract congestion.

Wirbelsaule- und Gelenkstropfen Nr 2 *Doskar, Austria.*
Homoeopathic preparation.

Wisamt *Procter & Gamble, Austria†.*
Resorcinol (p.1612·1); sulfur (p.1614·1).
Acne.

Wisamt N *Procter & Gamble, Ger.†.*
Sulfur (p.1614·1); resorcinol (p.1612·1).
Acne.

Wismut comp *Ratiopharm, Ger.†.*
Bismuth subcarbonate (p.1711·1); anhydrous aluminium hydroxide (p.1706·2); dimethicone (p.1770·2); magnesium trisilicate gel (p.1744·1).
Gastrointestinal disorders.

Wisperdon *Faran, Gr.*
Risperidone (p.1024·2).
Psychoses.

Witch Doctor *Fleet, Austral.†; De Witt, UK.*
Hamamelis (p.2318·2).
Insect bites; skin disorders; skin irritation.

Witch Sunsore *De Witt, UK.*
Hamamelis (p.2318·2).
Sunburn.

Witdulsies *Lennon, S.Afr.*
Ethyl nitrite (p.2300·2).
Asthma; cold symptoms; fever; vertigo.

Witromin *Pisa, Mex.*
Erythromycin (p.269·2).
Bacterial infections.

Witte Kruis *Viatris, Neth.*
Paracetamol (p.108·1); caffeine (p.1116·3).
Fever; pain.

Witty *Gezzi, Arg.*
Permethrin (p.2048·2).
Pediculosis.

Wizol *Landson, Indon.*
Ketoconazole (p.539·1).
Fungal infections.

WND *Mead Johnson, Fr.*
Food for special diets (p.1922·1).
Urea cycle disorders.

Wobe-Mugos
Note. This name is used for preparations of different composition.
Mucos, Austria.
Pancreatic proteolytic enzymes (p.2337·3); calf thymus (p.2401·3); pisum sativum; lens esculenta; papain (p.2362·3).
Adjunct to treatment of malignant neoplasms.

Mucos, Cz.†.
Papain (p.2362·3); trypsin (p.2405·3); chymotrypsin (p.2281·3); thymus extract (p.2401·3).
Adjunct to treatment of malignant neoplasms; adjunct to treatment of viral infections.

Romsa, Mex.
Papain (p.2362·3); trypsin (p.2405·3); chymotrypsin (p.2281·3).
Inflammatory and degenerative disorders; varicella-zoster infections.

Wobe-Mugos E *Mucos, Ger.†; Mucos, Rus.*
Trypsin (p.2405·3); chymotrypsin (p.2281·3); papain (p.2362·3).
Malignant neoplasms; reduction of adverse effects of radiation and chemotherapy; viral infections.

Wobenzimal
Note. This name is used for preparations of different composition.
Vitafarma, Spain†.
Ointment: Papaya enzymes; lens sculenta enzymes; pisum sativum enzymes; pancreatin (p.2360·1); vitamin A (p.1971·2); thyme (p.2401·1); tocopherol (p.1992·2); vitamin F (p.2308·2).
Inflammation; oedema.

Vitafarma, Spain†.
Tablets: Papaya; lens sculenta; pisum sativum; pancreatin (p.2360·1); thyme (p.2401·1).
Inflammation; oedema; peripheral vascular disorders.

Wobenzym *Mucos, Austria; Mucos, Cz.; Romsa, Mex.; Mucos, Rus.*
Pancreatin (p.2360·1); papain (p.2362·3); bromelains (p.2269·1); trypsin (p.2405·3); lipase (p.2360·3); amylase (p.2256·3); chymotrypsin (p.2281·3); rutoside (p.2305·1).
Immunostimulant; inflammation; musculoskeletal, joint, and soft-tissue disorders; oedema.

Wobenzym N
Note. This name is used for preparations of different composition.
Mucos, Venez.
Pancreatin (p.2360·1); trypsin (p.2405·3); chymotrypsin (p.2281·3); bromelains (p.2269·1); papain (p.2362·3); rutoside (p.2305·1).
Inflammation.

Mucos, Ger.†.
Ointment: Bromelains (p.2269·1); trypsin (p.2405·3).
Inflammation; oedema.

Mucos, Ger.
Tablets: Pancreatin (p.2360·1); bromelains (p.2269·1); papain (p.2362·3); rutoside (p.2305·1).
Inflammation; thrombophlebitis.

Wokadine *Wockhardt, India; Wockhardt, Rus.*
Povidone-iodine (p.1659·2).
Burns; disinfection of hands, skin and mucous membranes; mouth and throat disorders; skin infections; vaginal infections; wounds.

Wokex-2 *Wockhardt, India.*
Rifampicin (p.325·3); isoniazid (p.288·1); vitamin B (p.1979·1).
Tuberculosis.

Wokex-3 *Wockhardt, India.*
1 Tablet, rifampicin (p.325·3); isoniazid (p.288·1); vitamin B (p.1979·1); 1 tablet, ethambutol (p.275·2).
Tuberculosis.

Wokex-4 *Wockhardt, India.*
1 Tablet, rifampicin (p.325·3); isoniazid (p.288·1); vitamin B (p.1979·1); 2 tablets, pyrazinamide (p.320·2); 1 or 2 tablets, ethambutol (p.275·2).
Tuberculosis.

Wolff Basis *Wolff, Cz.*
Emollient.
Pharmaceutical diluent; skin disorders.

Wolo Bain antirefroidissement *Merz, Switz.*
Eucalyptus oil (p.2301·2); pine-needle oil (p.2368·2); thyme oil (p.2401·2); menthol (p.2340·1); camphor (p.2273·2).
Bath additive; bronchitis; cold symptoms.

Wolo Medicinal bain antirhumatismal *Merz, Switz.*
Pine-needle oil (p.2368·2); rosemary oil (p.2381·3); methyl salicylate (p.85·3).
Bath additive; musculoskeletal and joint disorders.

Woloderma
Note. This name is used for preparations of different composition.
Adroka, Switz.†.
Soap substitute.
Skin disorders.

Adroka, Switz.†.
Bath additive: Almond oil (p.2252·2); liquid paraffin (p.2030·3).
Skin disorders.

Adroka, Switz.†.
Topical lotion: Sodium lactate (p.1673·3); almond oil (p.2252·2).
Skin disorders.

Woman Formula *Avon, Canad.†.*
Vitamin and mineral preparation (p.1922·1).

Womens Change Formula *General Nutrition, Canad.†.*
Multivitamin and mineral preparation (p.1922·1).

Womens Exclusive Formula *Natural Life, Arg.†.*
Vitamin and mineral preparation (p.1922·1).

Women's Formula Herbal Formula 3 *Vitelle, Austral.†.*
Angelica (p.2258·1); cimicifuga (p.2282·1); blue cohosh (p.2267·2); pulsatilla (p.2376·3); agnus castus (p.2249·1).
Menstrual disorders.

Womens Support *General Nutrition, Canad.†.*
Vitamin C; vitamin D; calcium; magnesium; silicon dioxide (p.1922·1).

Women's Timed Release Ultra Mega without Iron *General Nutrition, Canad.*
Multivitamin and mineral preparation (p.1922·1).

Womens Tylenol Multi-Symptom Menstrual Relief *McNeil Consumer, USA.*
⊗ Paracetamol (p.108·1); pamabrom (p.1365·3).

Womosol Solar *Costec, Arg.†.*
SPF 12: Padimate O (p.1609·1).
Sunscreen.

Wonder Ice *Pedinol, USA.*
Menthol (p.2340·1).
Muscle, joint, and soft-tissue pain; neuralgia.

Wondergel *Lake, USA.*
Vaginal lubricant.

Wonderkroonessens *Lennon, S.Afr.*
Rhubarb (p.1768·3); gentian (p.2310·3); valerian (p.2410·1); ginger (p.1732·3); elecampane (p.1558·1); aloes (p.1705·2); camphor (p.2273·2); potassium carbonate.
Constipation; dyspepsia; flatulence.

Wondra *Richardson-Vicks, USA.*
Emollient and moisturiser.

Wontizem *Daewon, Hong Kong.*
Diltiazem hydrochloride (p.1265·1).
Angina pectoris; hypertension.

Woods' Peppermint Antitussive *Kalbe, Indon.*
Dextromethorphan hydrobromide (p.1555·2); diphenhydramine hydrochloride (p.577·2).
Cough with allergy.

Woods' Peppermint Expectorant *Kalbe, Indon.*
Bromhexine hydrochloride (p.1552·2); guaifenesin (p.1561·3).
Cough.

Woodward's Diaper Rash *Pharmacare, Canad.*
Zinc oxide (p.1621·2).
Nappy rash.

Woodwards Gripe Water
Note. This name is used for preparations of different composition.
Pharmacare, Canad.; LRC, Israel; SSL, Thai.; SSL, UK.
Dill oil (p.2293·3); sodium bicarbonate (p.1673·2).
Infant colic; wind in infants.

Seton, Pol.
Fennel oil (p.2303·1); sodium bicarbonate (p.1673·2).
Infant colic.

Woodwards Inhalant *Aspen Consumer, S.Afr.*
Cineole (p.2282·3); chloroxylenol (p.1640·2); pine oil (p.2368·2); turpentine oil (p.2406·3); menthol (p.2340·1).
Respiratory-tract disorders.

Woodwards Teething Gel *SSL, UK.*
Lidocaine hydrochloride (p.1862·3); cetylpyridinium chloride (p.1635·1).
Denture irritation; mouth ulcers; teething pain.

Wormgo *Pharmacare, S.Afr.*
Mebendazole (p.148·3).
Worm infections.

Wormicide *Greater Pharma, Thai.*
Praziquantel (p.153·3).
Trematode infections.

Wormin *Cadila Pharma, India; Cadila, Rus.*
Mebendazole (p.148·3).
Worm infections.

Wormstop *Be-Tabs, S.Afr.*
Mebendazole (p.148·3).
Worm infections.

Wosulin 30/70 *Pentafarma, Chile.*
⊗ A mixture of neutral insulin injection (human) 30% and isophane insulin injection (human) 70% (p.443·2).
Diabetes mellitus.

Wosulin Biphasic 30/70 and 50/50 *Wockhardt, India.*
⊗ Mixtures of neutral insulin injection (human, highly purified) 30% and 50% and isophane insulin injection (human, highly purified) 70% and 50% respectively (p.443·2).
Diabetes mellitus.

Wosulin-N *Pentafarma, Chile; Wockhardt, India.*
⊗ Neutral insulin injection (human) (p.443·2).
Diabetes mellitus.

Wosulin-R *Pentafarma, Chile; Wockhardt, India.*
⊗ Insulin injection (human) (p.443·2).
Diabetes mellitus.

Wotinex *Wockhardt, India.*
Tinidazole (p.848·3); diloxanide furoate (p.832·2).
Amoebiasis.

Wound Cleanser *Geritrex, USA.*
Chlorophyllin copper complex (p.1471·1); vitamin E (p.1992·2); zinc (p.1999·1).

Wrinkle Defence *Sunspot, Austral.†.*
SPF 15+: Oxybenzone (p.1608·3); octinoxate (p.1608·2) in a moisturising base.
Emollient; sunscreen.

W-Tal *Costec, Arg.*
Soap substitute.

W-Tropfen *Hofmann & Sommer, Ger.*
Salicylic acid (p.1612·2); lactic acid (p.2329·3).
Calluses; corns.

Wulnasin *OTC, Switz.*
Cetylpyridinium chloride (p.1635·1); allantoin (p.1588·1); dexpanthenol (p.2362·1); lidocaine hydrochloride (p.1862·3).
Skin lesions.

Wund- und Brandgel *Wala, Ger.*
Homoeopathic preparation.

Wund- und Heilsalbe N *Riemser, Ger.†.*
Dexpanthenol (p.2362·1).
Skin disorders.

Wundesin *Gebro, Austria.*
Povidone-iodine (p.1659·2).
Wounds.

Wund-und Heilcreme N *Riemser, Ger.*
Dexpanthenol (p.2362·1).
Skin disorders.

Wyamine *Wyeth-Ayerst, USA†.*
⊗ Mephentermine sulfate (p.1332·3).
Hypotension; shock.

Wyanoids Relief Factor *Wyeth-Ayerst, USA.*
Live yeast cell derivative (p.1998·3); shark-liver oil (p.2386·1).
Haemorrhoids.

Wycillin *Eurofarma, Braz.*
Procaine benzylpenicillin (p.319·2); benzylpenicillin potassium (p.213·1).
Bacterial infections.

Wycillina *Pharmacia, Ital.*
Benzathine benzylpenicillin (p.212·1).
Bacterial infections.

Wycort *Wyeth, India.*
⊗ Hydrocortisone acetate (p.1535·2).
Corticosteroid.

Wycort c Neomycin *Wyeth, India.*
⊗ Hydrocortisone acetate (p.1535·2); neomycin sulfate (p.305·1).
Anal or vulval pruritus; burns; infected skin disorders; skin ulcers; wounds.

Wydase *Wyeth, Chile†; Wyeth-Ayerst, USA†.*
Hyaluronidase (p.2321·1).
Adjunct in eye surgery; adjunct in subcutaneous urography; adjuvant to increase the absorption and dispersion of drugs; hypodermoclysis.

Wydora *Riemser, Ger.*
Indoramin hydrochloride (p.1315·1).
Hypertension.

Wydox *YSS, Philipp.*
Oxacillin sodium (p.311·3).
Staphylococcal infections.

Wygesic *Wyeth, India; Wyeth-Ayerst, USA†.*
Dextropropoxyphene hydrochloride (p.40·1); paracetamol (p.108·1).
Fever; pain.

Wylaxine *Omega, Belg.*
Bisoxatin acetate (p.1712·3).
Bowel evacuation; constipation.

Wymesone *Wyeth, India.*
⊗ Dexamethasone (p.1526·1).
Corticosteroid.

Wypresin *Wyeth Lederle, Austria†.*
Indoramin hydrochloride (p.1315·1).
Hypertension.

Wysolone *Wyeth, India.*
⊗ Prednisolone (p.1540·3).
Corticosteroid.

Wysoy *Wyeth, Irl.; Wyeth, UK.*
Lactose-free food for special diets (p.1922·1).
Cows' milk or lactose intolerance; galactokinase deficiency; galactosaemia.

Wytens *Wyeth, Fr.*
⊗ Bisoprolol fumarate (p.1234·1); hydrochlorothiazide (p.1307·3).
Hypertension.

Wytensin *Wyeth-Ayerst, USA.*
Guanabenz acetate (p.1299·3).
Hypertension.

X-2 *Investigaciones Filosoficas y Cientificas, Mex.*
Cocarboxylase (p.1975·2).
Thiamine deficiency.

Xacin *Pharmasant, Thai.*
Norfloxacin (p.309·2).
Bacterial infections.

Xadaren *Pliva, Cz.†.*
Flutamide (p.725·1).
Prostatic cancer.

Xadorek *Minerva (Μινέρβα), Gr.*
Citalopram (p.385·3).
Depression.

Xagrid *LCA, Belg.; Shire, Cz.; Shire, Denm.; Orphan, Fin.; Shire, Fr.; Shire, Ger.; Genesis, Gr.; Shire, Irl.; Shire, Ital.; Shire, Neth.; Shire, Norw.; Shire, Spain; Swedish Orphan, Swed.; Opopharma, Switz.; Shire, UK.*
Anagrelide hydrochloride (p.2257·1).
Essential thrombocythaemia.

Xal *Pharmadeveloppement, Fr.*
Potassium chloride; ammonium chloride; calcium formate; glutamic acid (p.1667·1).
Dietary salt substitute.

Xalacom *Pfizer, Arg.; Pfizer, Austral.; Pfizer, Austria; Pfizer, Belg.; Pfizer, Braz.; Pfizer, Canad.; Pfizer, Chile; Pfizer, Cz.; Pfizer, Fr.; Pharmacia, Ger.; Pfizer, Gr.; Pfizer, Hong Kong; Pfizer, Hung.; Pfizer, Indon.; Pfizer, Irl.; Pharmacia, Israel; Pharmacia, Ital.; Pfizer, Malaysia; Pfizer, Mex.; Pfizer, NZ; Pfizer, Neth.; Pfizer, Philipp.; Pfizer, Pol.; Pfizer, Port.; Pfizer, Rus.; Pharmacia, S.Afr.; Pfizer, Singapore; Pfizer, Spain; Pfizer, Switz.; Pfizer, Thai.; Pfizer, UK; Pfizer, Venez.*
⊗ Latanoprost (p.1882·1); timolol maleate (p.1412·3).
Glaucoma; ocular hypertension.

Xalatan *Pfizer, Arg.; Pfizer, Austral.; Pfizer, Austria; Pfizer, Belg.; Pfizer, Braz.; Pfizer, Canad.; Pfizer, Chile; Pfizer, Cz.; Pfizer, Denm.; Pfizer, Fin.; Pfizer, Fr.; Pharmacia, Ger.; Pfizer, Gr.; Pfizer, Hong Kong; Pfizer, Hung.; Pfizer, Indon.; Pfizer, Irl.; Pharmacia, Israel; Pharmacia, Ital.; Pfizer, Malaysia; Pfizer, Mex.; Pfizer, NZ; Pfizer, Neth.; Pfizer, Norw.; Pfizer, Philipp.; Pfizer, Pol.; Pfizer, Port.; Pharmacia, Rus.; Pfizer, S.Afr.; Pfizer,*

† This preparation may no longer be actively marketed

⊗ Contains a substance whose use may be restricted in certain sports (see p.vii)

Singapore; Pfizer, Spain; Pfizer, Swed.; Pfizer, Switz.; Pfizer, Thai.; Pfizer, Turk.; Pfizer, UK; Pharmacia Upjohn, USA; Pfizer, Venez.
Latanoprost (p.1882·1).
Glaucoma; ocular hypertension; raised intra-ocular pressure.

Xalazin *Astellas, Hung.; Caber, Ital.†.*
Mesalazine (p.1745·1).
Inflammatory bowel disease.

Xalazina *HLB, Arg.*
Mesalazine (p.1745·1).
Inflammatory bowel disease.

Xalcom *Pfizer, Denm.; Pfizer, Fin.; Pfizer, Norw.; Pfizer, Swed.*
⊗ Latanoprost (p.1882·1); timolol maleate (p.1412·3).
Glaucoma; ocular hypertension.

Xaliplat *Richmond, Arg.*
Oxaliplatin (p.757·3).
Malignant neoplasms.

Xalotina *Richmond, Arg.†.*
Amoxicillin (p.202·2).
Bacterial infections.

Xalyn-Or *Atlantis, Mex.*
Amoxicillin trihydrate (p.202·2).
Bacterial infections.

Xamamina *Bracco, Ital.*
Dimenhydrinate (p.576·2).
Motion sickness.

Xamamine *Adilna, Turk.*
Dimenhydrinate (p.576·2).
Motion sickness; nausea and vomiting; vertigo; vestibular disorders.

Xame *Lisapharma, Ital.*
Cefotaxime sodium (p.228·1).
Lidocaine hydrochloride (p.1862·3) is included in the intramuscular injection to alleviate the pain of injection.
Gram-negative bacterial infections.

Xanacine *Medicine Products, Thai.*
Alprazolam (p.960·1).
Anxiety.

Xanaes *Klonal, Arg.*
Azelastine hydrochloride (p.568·2).
Eye disorders.

Xanagis *Agis, Israel.*
Alprazolam (p.960·1).
Anxiety; mixed anxiety depressive states; panic disorders.

Xanalin *Silom, Thai.*
Neomycin sulfate (p.305·1); polymyxin B (p.318·2); gramicidin (p.286·1).
Bacterial eye infections.

Xanator *Genepharm, Gr.*
Atorvastatin (p.1219·1).
Hyperlipidaemias.

Xanax *Pfizer, Arg.; Pharmacia, Austral.; Pfizer, Belg.; Pfizer, Canad.; Pfizer, Cz.; Pfizer, Fr.; Pharmacia, Ger.; Pfizer, Gr.; Pfizer, Hong Kong; Pfizer, Hung.; Pfizer, Indon.; Pfizer, Irl.; Pharmacia, Israel; Pharmacia, Ital.; Pfizer, Malaysia; Pharmacia, NZ; Pfizer, Neth.; Pfizer, Pol.; Pfizer, Port.; Pfizer, Rus.†; Pfizer, Singapore; Pfizer, Switz.; Pfizer, Thai.; Eczacibasi, Turk.; Pfizer, UK; Pfizer, USA.*
Alprazolam (p.960·1).
Alcohol withdrawal syndrome; anxiety; depression; mixed anxiety-depressive states; panic disorder.

Xanazole *Virgo, Philipp.*
Co-trimoxazole (p.258·1).
Bacterial infections.

Xanbon *Kissei, Jpn.*
Ozagrel sodium (p.2359·2).
Cerebral thrombosis; cerebral vasospasm.

Xanda *Teguhsindo, Indon.*
Curcuma; fructo-oligosaccharide; lysine; taurine; inositol (p.1922·1).
Reduced appetite.

Xanef *MSD, Ger.*
Enalapril maleate (p.1276·1).
Heart failure; hypertension.

Xanidil *Zentiva, Cz.*
Xantinol nicotinate (p.1433·1).
Cerebral and peripheral vascular disorders.

Xanidine
Berlin Pharm, Singapore.
Ranitidine (p.1766·1).
Acid aspiration; dyspepsia; gastro-oesophageal reflux; peptic ulcer; Zollinger-Ellison syndrome.

Berlin Pharm, Thai.
Ranitidine hydrochloride (p.1766·1).
Gastro-oesophageal reflux; peptic ulcer; Zollinger-Ellison syndrome.

Xanol
Note. This name is used for preparations of different composition.
Phoenix, Arg.
⊗ Formoterol fumarate (p.1122·1).
Obstructive airways disease.

Pharmasant, Thai.
Allopurinol (p.552·2).
Gout; hyperuricaemia; renal calculi.

Xanolam *Garec, S.Afr.†.*
Alprazolam (p.960·1).
Anxiety disorders; mixed anxiety depressive states; panic disorder.

Xanomel *PannonPharma, Hung.†; Clonmel, Irl.*
Ranitidine hydrochloride (p.1766·1).
Gastric hyperacidity; gastro-oesophageal reflux; peptic ulcer; Zollinger-Ellison syndrome.

Xanor *Pfizer, Austria; Pfizer, Fin.; Pfizer, Norw.; Pfizer, Philipp.; Pharmacia, S.Afr.; Pfizer, Swed.*
Alprazolam (p.960·1).
Anxiety disorders; mixed anxiety depressive states; panic disorder.

Xantervit *SIFI, Ital.*
Xanthopterin (p.2416·2); multivitamins (p.1922·1).
Ocular trauma and lesions.

Xantervit Antibiotico *SIFI, Ital.*
Xanthopterin (p.2416·2); chloramphenicol (p.239·3); multivitamins (p.1922·1).
Ocular trauma and lesions.

Xantervit Eparina *SIFI, Ital.*
Xanthopterin (p.2416·2); heparin sodium (p.1301·2); multivitamins (p.1922·1).
Ocular burns.

Xanthium
SMB, Belg.; SMB, Singapore†.
Theophylline hydrate (p.1140·2).
Obstructive airways disease.

Galephar, Fr.†; SMB, Thai.; Galepharma, Turk.
Theophylline (p.1140·1).
Asthma; obstructive airways disease.

Xanthomax *Ashbourne, UK†.*
Allopurinol (p.552·2).

Xantina B12 *Prodotti, Braz.†.*
Methionine (p.1450·1); choline (p.1934·2); vitamin B substances (p.1975·1); liver extract (p.2337·3); with or without manganese (p.1956·1) and gastric mucosa extract (p.2337·3).
Liver disorders.

Xantinon B12 *Nycomed, Braz.*
Methionine (p.1450·1); vitamin B substances (p.1975·1); choline chloride (p.1934·2); liver extract (p.2337·3); with or without manganese (p.1956·1) and gastric mucosa extract (p.2337·3).
Liver disorders.

Xantinon Complex *Nycomed, Braz.*
Acetylmethionine (p.1450·2); inositol (p.2325·2); choline citrate (p.1934·2); betaine hydrochloride (p.2265·2); cyanocobalamin (p.1980·2); pyridoxine hydrochloride (p.1978·2).
Liver disorders.

Xantium *Wyeth Lederle, Ital.†.*
Protirelin tartrate (p.2176·2).
Neurological deficit.

Xantromid *Richmond, Arg.*
Methotrexate (p.745·2).
Malignant neoplasms.

Xantrosin *Teva, Belg.*
Mitoxantrone hydrochloride (p.754·1).
Malignant neoplasms.

Xanturenasi *Teofarma, Ital.*
Pyridoxine hydrochloride (p.1978·2).
Age-related metabolic disorders; epilepsy; migraine; skin disorders; tremor; vomiting in pregnancy.

Xanturic *Pyridam, Indon.*
Allopurinol (p.552·2).
Gout; hyperuricosuria.

Xanurace *Ace, Philipp.*
Allopurinol (p.552·2).
Hyperuricaemia.

Xanvit *Soho, Indon.*
Curcuminoid; vitamin B substances (p.1922·1).
Tonic.

Xao Pil *Ingens, Arg.*
Pilocarpine (p.1884·3).
Glaucoma; production of miosis.

Xao T *Ingens, Arg.*
Tobramycin (p.354·1).
Bacterial eye infections.

Xao-Dex *Giscard, Arg.†.*
⊗ Tobramycin (p.354·1); dexamethasone (p.1526·1).
Infected eye disorders.

Xapnev *Merck, Port.*
Venlafaxine hydrochloride (p.427·3).
Anxiety; depression; panic disorder; social phobia.

Xapro *Jenapharm, Ger.*
Estriol (p.2101·1).
Vulvovaginal disorders.

Xarator *Parke, Davis, Ital.†.*
Atorvastatin calcium (p.1218·3).
Hyperlipidaemias.

Xarb *Nicholas Piramal, India.*
Irbesartan (p.1316·1).
Diabetic nephropathy; hypertension.

Xarb-H *Nicholas Piramal, India.*
⊗ Irbesartan (p.1316·1); hydrochlorothiazide (p.1307·3).
Hypertension.

Xarope Antigripal *Basi, Port.†.*
Codeine (p.37·2); ethylmorphine (p.52·2); sulfogaiacol (p.1573·2).
Coughs.

Xarope de Caraguata *Sanval, Braz.†.*
Annona muricata; bromoform (p.2269·3); sodium benzoate (p.1630·2); aconite (p.2246·1); belladonna (p.2263·3); tolu balsam (p.1574·2); grindelia (p.2317·2).
Coughs.

Xarope 44E *Procter & Gamble, Braz.*
Dextromethorphan hydrobromide (p.1555·2); guaifenesin (p.1561·3).
Coughs.

Xarope Iodo-Suma *Iodo Suma, Braz.†.*
Potassium iodide (p.2169·2); anchietea salutaris; bowdichia virgilioides; echinodorus macrophyllus; gentian (p.2310·3).
Coughs.

Xarope de Macas Reinetas *Gestafarma, Port.*
⊗ Senna (p.1769·2); mannitol (p.1330·2); apple pulp.
Constipation.

Xarope Neo *Neo Quimica, Braz.*
Potassium iodide (p.2169·2).
Coughs.

Xarope Peitoral de Ameixa Composto *Simoes, Braz.†.*
⊗ Sodium benzoate (p.1630·2); bromoform (p.2269·3); lobelia (p.2157·2); grindelia (p.2317·2); aconite (p.2246·1); eucalyptus oil (p.2301·2).
Coughs.

Xarope Sao Joao *Uniao Quimica, Braz.†.*
Bromoform (p.2269·3); sodium benzoate (p.1630·2); sulfogaiacol (p.1573·2); belladonna (p.2263·3); aconite (p.2246·1); mulungu (p.2348·1); tar (p.1616·2); tolu balsam (p.1574·2).
Coughs.

Xartan *Adamed, Pol.*
Losartan potassium (p.1326·1).
Hypertension.

Xasmun *VP, Spain.*
Norfloxacin (p.309·2).
Genito-urinary tract infections.

Xatral *Sanofi Synthelabo, Austria; Sanofi-Aventis, Belg.; Sanofi-Aventis, Braz.; Sanofi Synthelabo, Canad.; Sanofi-Aventis, Cz.; Sanofi Synthelabo, Denm.; Sanofi-Aventis, Fin.; Sanofi-Aventis, Fr.; Sanofi-Aventis, Gr.; Sanofi Synthelabo, Hong Kong; Sanofi-Aventis, Indon.; Sanofi-Aventis, Irl.; Synthelabo, Israel; Sanofi-Aventis, Ital.; Sanofi-Aventis, Malaysia; Sanofi Synthelabo, Mex.; Sanofi Synthelabo, Neth.; Sanofi Synthelabo, Norw.; Sanofi Synthelabo, Philipp.; Sanofi Synthelabo, S.Afr.; Sanofi-Aventis, Singapore; Sanofi Synthelabo, Swed.; Sanofi Synthelabo, Switz.; Sanofi Synthelabo, Thai.; Sanofi Synthelabo, Turk.; Sanofi Synthelabo, UK; Sanofi-Aventis, Venez.*
Alfuzosin hydrochloride (p.2183·1).
Benign prostatic hyperplasia.

Xavin
Note. This name is used for preparations of different composition.
Extractum, Hung.
Xantinol nicotinate (p.1433·1).
Cerebral and peripheral vascular disorders.

Caber, Ital.
⊗ Budesonide (p.1520·1).
Asthma; croup.

Xazal *UCB, Spain.*
Levocetirizine hydrochloride (p.583·2).
Allergic rhinitis; urticaria.

X-Cam *Meprofarm, Indon.*
Meloxicam (p.80·3).
Osteoarthritis; rheumatoid arthritis.

Xclair *Ashbourne, UK.*
Levomenol (p.2333·3); enoxolone (p.50·1); hyaluronic acid (p.2320·1); vitis vinifera (p.2316·3); telmesteine (p.1573·3).
Radiation dermatitis.

Xebramol *Medicine Products, Thai.*
Paracetamol (p.108·1).
Fever; pain.

Xebyl *Basi, Port.*
Chenodeoxycholic acid (p.2280·1).
Gallstones.

Xedec *Cypress, USA.*
Guaifenesin (p.1561·3); phenylephrine hydrochloride (p.1568·1).
Upper respiratory-tract disorders.

Xedenol *Baliarda, Arg.*
Diclofenac sodium (p.44·3).
Inflammation; musculoskeletal and joint disorders; pain.

Xedenol B12 *Baliarda, Arg.*
⊗ Diclofenac sodium (p.44·3); betamethasone (p.1518·2) or betamethasone phosphate (p.1519·1); cyanocobalamin (p.1980·2) or hydroxocobalamin (p.1980·3).
Peri-articular disorders.

Xedenol Flex *Baliarda, Arg.*
Diclofenac sodium (p.44·3); pridinol mesilate (p.1898·1).
Musculoskeletal and joint disorders.

Xedenol Gesic *Baliarda, Arg.*
Diclofenac potassium (p.44·3); paracetamol (p.108·1).
Inflammation; pain.

Xeed-2 *Panacea, India.*
Rifampicin (p.325·3); isoniazid (p.288·1).
Tuberculosis.

Xeed-4 *Panacea, India.*
Rifampicin (p.325·3); isoniazid (p.288·1); ethambutol hydrochloride (p.274·1); pyrazinamide (p.320·2).
Tuberculosis.

Xeed-3E *Panacea, India.*
Rifampicin (p.325·3); isoniazid (p.288·1); ethambutol hydrochloride (p.274·1).
Tuberculosis.

Xefo *Nycomed, Austria; Nycomed, Cz.; Nycomed, Denm.; Nycomed, Gr.; Nycomed, Hung.; Nycomed, Israel; Pharmacia, S.Afr.; Nycomed, Swed.; Nycomed, Switz.; Nycomed, Thai.†; Abdi, Turk.*
Lornoxicam (p.77·3).
Inflammation; musculoskeletal, joint, and peri-articular disorders; pain; sciatica.

Xefocam *Nycomed, Rus.*
Lornoxicam (p.77·3).
Osteoarthritis; pain; rheumatoid arthritis.

Xefotil *Sandoz, Austria.*
Cefixime (p.224·3).
Bacterial infections.

Xelent *Westmont, Philipp.*
Cefaclor (p.217·2).
Bacterial infections.

Xelevia
MSD, Cz.; Vianex (Βιανέξ), Gr.
Sitagliptin (p.460·2).
Diabetes mellitus.

MSD, Port.
Sitagliptin phosphate (p.460·2).
Diabetes mellitus.

Xeloda *Roche, Arg.; Roche, Austral.; Roche, Austria; Roche, Belg.; Roche, Braz.; Roche, Canad.; Roche, Chile; Roche, Cz.; Roche, Denm.; Roche, Fin.; Roche, Fr.; Roche, Ger.; Roche, Gr.; Roche, Hong Kong; Roche, Hung.; Roche, Indon.; Roche, Irl.; Roche, Israel; Roche, Ital.; Chugai, Jpn; Roche, Malaysia; Roche, Mex.; Roche, NZ; Roche, Neth.; Roche, Norw.; Roche, Philipp.; Roche, Pol.; Roche, Port.; Roche, Rus.; Roche, S.Afr.; Roche, Singapore; Roche, Spain; Roche, Swed.; Roche, Switz.; Roche, Thai.; Roche, Turk.; Roche, UK; Roche, USA; Roche, Venez.*
Capecitabine (p.691·3).
Breast cancer; colorectal cancer; gastric cancer.

Xeltic *Unison, Hong Kong; Unison, Thai.*
Glibenclamide (p.440·1).
Diabetes mellitus.

Xemos *Recalcine, Chile.*
⊗ Salmeterol (p.1135·3).
Asthma.

Xenaderm *Healthpoint, USA.*
Trypsin (p.2405·3); Peru balsam (p.2365·3); castor oil (p.2278·1).

Xenalon *Mepha, Cz.†; Mepha, Switz.*
⊗ Spironolactone (p.1400·1).
Hyperaldosteronism; hypertension; nephrotic syndrome; oedema.

Xenam *CPH, Port.*
Captopril (p.1239·2).
Diabetic nephropathy; heart failure; hypertension; myocardial infarction.

Xenar *Wassermann, Ital.†.*
Naproxen (p.92·3).
Musculoskeletal, joint, peri-articular, and soft-tissue disorders; neuralgia.

Xenazine *OPi, Fr.; Megapharm, Israel; AFT, NZ; Cambridge, UK.*
Tetrabenazine (p.2396·2).
Ballism; Huntington's chorea; movement disorders.

Xendin *Salus, Mex.*
Cefotaxime sodium (p.228·1).
Bacterial infections.

Xenetic *Temis, Arg.*
Iobitridol (p.1481·2).
Radiographic contrast medium.

Xenetix *Temis, Arg.; Guerbet, Austria; Codali, Belg.; Rider, Chile; Guerbet, Cz.; Guerbet, Denm.; Guerbet, Fin.; Guerbet, Fr.; Guerbet, Ger.; Hospital Line, Gr.; Guerbet, Hung.; Guerbet, Israel; Guerbet, Ital.; Guerbet, Neth.; Guerbet, Norw.; Martins & Fernandes, Port.; Guerbet, Spain; Gothia, Swed.; Guerbet, Switz.; Quifoven, Venez.*
Iobitridol (p.1481·2).
Radiographic contrast medium.

Xenical *Roche, Arg.; Roche, Austral.; Roche, Austria; Roche, Belg.; Roche, Braz.; Roche, Canad.; Roche, Chile; Roche, Cz.; Roche, Denm.; Roche, Fin.; Roche, Fr.; Roche, Ger.; Roche, Gr.; Roche, Hong Kong; Roche, Hung.; Roche, Indon.; Roche, Irl.; Roche, Israel; Roche, Ital.; Roche, Malaysia; Roche, Mex.; Roche, NZ; Roche, Neth.; Roche, Norw.; Roche, Philipp.; Roche, Pol.; Roche, Port.; Roche, S.Afr.; Roche, Singapore; Roche, Spain; Roche, Swed.; Roche, Switz.; Roche, Thai.; Roche, Turk.; Roche, UK; Roche, USA; Roche, Venez.*
Orlistat (p.2358·1).
Obesity.

Xenid *Ranbaxy, Fr.*
Diclofenac epolamine (p.44·3) or diclofenac sodium (p.44·3).
Dysmenorrhoea; musculoskeletal, joint, and peri-articular disorders; renal colic.

Xeniplus *Elea, Arg.*
Orlistat (p.2358·1).
Obesity.

Xenna *US Pharmacia, Pol.†.*
Senna (p.1769·2).
Bowel evacuation; constipation.

Xenobid *Shreya, India.*
Naproxen (p.92·3) or naproxen sodium (p.92·3).
Gout; musculoskeletal, joint, and soft-tissue disorders; pain.

Xenoprom *Novell, Indon.*
Cefpirome sulfate (p.231·3).
Bacterial infections.

Xenovate *Aspen, S.Afr.*
⊗ Clobetasol propionate (p.1522·2).
Skin disorders.

Xentafid *Fidia, Ital.*
Benzydamine hyaluronate (p.27·3).
Mouth and throat disorders.

Xentic *United Pharma, Pol.*
Zolpidem tartrate (p.1037·3).
Insomnia.

Xeomin *Merz, Ger.; Grunenthal, Port.; Merz, UK.*
Botulinum A toxin (p.1890·1).
Blepharospasm; spasmodic torticollis.

Xepabet *Metiska, Indon.*
Gliclazide (p.440·3).
Diabetes mellitus.

Xepacillin *Metiska, Indon.*
Ampicillin trihydrate (p.204·2).
Bacterial infections.

Xepadergin *Metiska, Indon.*
Codergocrine mesilate (p.363·3).
Mental function impairment in the elderly.

Xepalat *Metiska, Indon.*
Nifedipine (p.1350·1).
Angina pectoris; hypertension.

Xepalium *Metiska, Indon.*
Flunarizine (p.580·3).
Dizziness; migraine; peripheral vascular disorders.

Xepamet *Metiska, Indon.; Xepa-Soul Pattinson, Malaysia†; Xepa-Soul Pattinson, Singapore.*
Cimetidine (p.1716·2).
Acid aspiration; adjunct in pancreatic insufficiency; dyspepsia; gastro-oesophageal reflux; gastrointestinal haemorrhage; peptic ulcer; Zollinger-Ellison syndrome.

Xepamol *Metiska, Indon.*
Paracetamol (p.108·1).
Fever; pain.

Xepaneuron *Metiska, Indon.*
Vitamin B ; vitamin B ; vitamin B (p.1922·1).
Morning sickness; nervous system disorders; vitamin B deficiency.

Xepanicol
Xepa-Soul Pattinson, Hong Kong; Xepa-Soul Pattinson, Malaysia†.
Chloramphenicol (p.239·3).
Bacterial eye infections.

Metiska, Indon.
Chloramphenicol palmitate (p.239·3).
Bacterial infections.

Xepaprim *Metiska, Indon.*
Co-trimoxazole (p.258·1).
Bacterial infections.

Xepare *Metiska, Indon.*
Loperamide hydrochloride (p.1741·1).
Diarrhoea.

Xepasone *Xepa-Soul Pattinson, Singapore†.*
⊗ Prednisolone (p.1540·3).
Corticosteroid.

Xepathritis *Metiska, Indon.*
Diclofenac sodium (p.44·3).
Musculoskeletal and joint disorders.

Xepazym *Metiska, Indon.*
Lipase (p.2360·3); amylase (p.2256·3); protease; dimeticone (p.1770·2).
Aerophagia; flatulence.

Xepin *Bioglan, Irl.†; Cambridge Healthcare, UK.*
Doxepin hydrochloride (p.389·1).
Pruritus.

Xepol *Pharmalink, Swed.*
A normal immunoglobulin (p.2225·3).
Hypogammaglobulinaemia; idiopathic thrombocytopenic purpura.

Xerac AC *Dispolab, Chile; Person & Covey, USA.*
Aluminium chloride (p.1588·2).
Hyperhidrosis.

Xeracil *Xeragen, S.Afr.*
Amoxicillin trihydrate (p.202·2).
Bacterial infections.

Xeradin *Metiska, Indon.*
Ranitidine (p.1766·1).
Pathological hypersecretory disorders; peptic ulcer.

Xeragel *Dispolab, Chile.*
Silica (p.2146·2); dimeticone (p.2032·1).
Barrier ointment; wounds.

Xeramax
Note. This name is used for preparations of different composition.
Xeragen, S.Afr.†.
Syrup: Paracetamol (p.108·1); codeine phosphate (p.37·2); promethazine hydrochloride (p.588·2).
Fever; pain.

Xeragen, S.Afr.†.
Tablets: Paracetamol (p.108·1); codeine phosphate (p.37·2); caffeine (p.1116·3); meprobamate (p.1006·2).
Pain with tension.

Xeramel *Qestmed, S.Afr.*
Erythromycin estolate (p.269·3).
Bacterial infections.

Xerand *Roche-Posay, Arg.†; Roche-Posay, Braz.; Roche-Posay, Fr.; Roche-Posay, Irl.*
Emollient.
Dry skin; skin irritation.

Xeraspor *Qestmed, S.Afr.*
Clotrimazole (p.530·1).
Fungal skin infections; vulvovaginal candidiasis.

Xerazole *Qestmed, S.Afr.*
Co-trimoxazole (p.258·1).
Bacterial infections.

Xeredien *Valeas, Ital.*
Fluoxetine hydrochloride (p.391·2).
Bulimia nervosa; depression; obsessive-compulsive disorder.

Xergic *Alphapharm, Austral.; Pacific, NZ.*
Fexofenadine hydrochloride (p.579·3).
Allergic rhinitis; urticaria.

Xerial
Note. This name is used for preparations of different composition.
SVR, Fr.
A range of emollients.
Dry skin and scalp disorders; hyperkeratotic skin disorders.

SVR, Ital.
⊗ Urea (p.1620·2); allantoin (p.1588·1); emollients.
Dry skin.

Xeristar *Boehringer Ingelheim, Cz.; Boehringer Ingelheim, Gr.; Boehringer Ingelheim, Ital.; Boehringer Ingelheim, Neth.; Boehringer Ingelheim, Port.; Boehringer Ingelheim, Spain.*
Duloxetine hydrochloride (p.389·3).
Depression; diabetic neuropathy.

Xerobase *Cassara, Arg.*
⊗ Urea (p.1620·2).
Dry skin disorders.

Xerocap *Vianex (Βιανεξ), Gr.*
Pilocarpine hydrochloride (p.1884·3).
Xerostomia.

Xerodent *Alpharma, Fin.; Alpharma, Norw.; Alpharma, Swed.*
Sodium fluoride (p.1962·2); malic acid (p.2337·1).
Dental caries prophylaxis; dry mouth.

Xeroderm *Roche-Posay, Arg.†; Roche-Posay, Fr.; Dermol, USA†.*
Emollient.
Dry skin disorders.

Xerogesic *Crown, S.Afr.†.*
Paracetamol (p.108·1); codeine phosphate (p.37·2); caffeine (p.1116·3); meprobamate (p.1006·2).
Pain and associated tension.

Xeroprim *Crown, S.Afr.†.*
Co-trimoxazole (p.258·1).
Bacterial infections.

Xerotens *Covan, S.Afr.†.*
Doxylamine succinate (p.578·2); paracetamol (p.108·1); codeine phosphate (p.37·2); caffeine (p.1116·3).
Pain and associated tension.

Xerotic *Neo Dermos, Arg.*
Moisturiser.

Xerotil *Boniscontro & Gazzone, Ital.*
⊗ Midodrine hydrochloride (p.1341·1).
Hypotension.

Xerumenex *Meda, Belg.*
Trolamine polypeptide oleate-condensate (p.2405·1).
Cleansing of external ear before otoscopy; removal of impacted ear wax.

Xet *Zydus, India; Zydus, S.Afr.*
Paroxetine (p.414·2).
Anxiety disorders; depression; mixed anxiety depressive states; obsessive-compulsive disorder; panic disorder; post-traumatic stress disorder; social phobia.

Xetanor *Actavis, Pol.*
Paroxetine hydrochloride (p.414·2).
Depression; obsessive-compulsive disorders; panic disorder; social phobia.

Xetin *Belmac, Spain.*
Paroxetine hydrochloride (p.414·2).
Anxiety; depression; obsessive-compulsive disorder; panic disorder; post-traumatic stress disorder; social phobia.

Xetinol *Sandoz, Austria.*
Cefixime (p.224·3).
Bacterial infections.

Xevolac *Novell, Indon.*
Ketorolac trometamol (p.74·2).
Pain.

Xeztron *Tolmann, Philipp.*
Cefaclor (p.217·2).
Bacterial infections.

X-Flam *Combiphar, Indon.*
Diclofenac potassium (p.44·3).
Inflammation; pain.

Xflu *GSK, S.Afr.†.*
An influenza vaccine (p.2218·2).
Active immunisation.

Xibradex *Vannier, Arg.*
⊗ Tobramycin (p.354·1); dexamethasone (p.1526·1).
Infected eye disorders.

Xibrax *Vannier, Arg.*
Tobramycin (p.354·1).
Bacterial eye infections.

Xibrom *Ista, USA.*
Bromfenac sodium (p.28·2).
Postoperative eye pain and inflammation.

Xicam *Pharmasant, Thai.*
Piroxicam (p.117·3).
Gout; musculoskeletal and joint disorders.

Xicane *Sanofi Synthelabo, Arg.†.*
Naproxen (p.92·3).
Gout: inflammation; musculoskeletal, joint, and periarticular disorders; pain.

Xicil *Rottapharm, Spain.*
Glucosamine sulfate (p.2313·2).
Rheumatic disorders.

Xiclav *Lannacher, Austria.*
Amoxicillin trihydrate (p.202·2); potassium clavulanate (p.250·2).
Bacterial infections.

Xiclovir *Lazar, Arg.*
Aciclovir (p.862·3).
Herpesvirus infections.

Xidan EDO *Mann, Ger.*
Sodium hyaluronate (p.2320·1).
Dry eyes.

Xidanef *Codal Synto, Malaysia†; Codal Synto, Thai.†.*
Ketotifen fumarate (p.582·2).
Asthma; hypersensitivity reactions.

Xiemed *Medifive, Thai.*
Alprazolam (p.960·1).
Anxiety; mixed anxiety depressive states.

Xiety *Lapi, Indon.*
Buspirone hydrochloride (p.965·3).
Anxiety.

Xifaxan *Alfa Wassermann, Pol.; Salix, USA.*
Rifaximin (p.330·1).
Escherichia coli associated travellers' diarrhoea; gastrointestinal infections; hepatic encephalopathy.

Xigris *Lilly, Arg.; Lilly, Austral.; Lilly, Austria; Lilly, Belg.; Lilly, Braz.; Lilly, Canad.; Lilly, Chile; Lilly, Cz.; Lilly, Denm.; Lilly, Fin.; Lilly, Fr.; Lilly, Ger.; Lilly, Gr.; Lilly, Hong Kong; Lilly, Hung.; Lilly, India; Lilly, Irl.; Lilly, Israel; Lilly, Ital.; Lilly, Malaysia; Lilly, Mex.; Lilly, NZ; Lilly, Neth.; Lilly, Norw.; Lilly, Pol.; Lilly, Port.; Lilly, Rus.; Lilly, S.Afr.; Lilly, Singapore; Lilly, Spain; Lilly, Swed.; Lilly, Switz.; Lilly, Turk.; Lilly, UK; Lilly, USA; Lilly, Venez.*
Drotrecogin alfa (activated) (p.1078·1).
Sepsis.

Xilanic
Note. This name is used for preparations of different composition.
Filaxis, Arg.
Paroxetine hydrochloride (p.414·2).
Depression; obsessive-compulsive disorder; panic disorder; social phobia.

Bosch, Philipp.
Amoxicillin sodium (p.202·2); potassium clavulanate (p.250·2).
Bacterial infections.

Xilatril *Darier, Mex.*
Terbinafine hydrochloride (p.546·3).
Fungal skin and nail infections.

Xilinum *Farmila, Ital.†.*
Acinetobacter xilinum; vitamins (p.1922·1).
Diarrhoea; disturbances of the intestinal flora.

Xilocler *Monserrat, Arg.*
⊗ Lidocaine (p.1862·3); hydrocortisone acetate (p.1535·2).
Anorectal disorders.

Xilodase *Apsen, Braz.*
Neomycin sulfate (p.305·1); lidocaine (p.1862·3); hyaluronidase (p.2321·1).
Infected skin disorders.

Xilo-Mynol *Curaden, Ital.*
⊗ Lidocaine hydrochloride (p.1862·3).
Adrenaline acid tartrate (p.1203·2) is included in some injections as a vasoconstrictor to diminish absorption and localise the effect of the local anaesthetic.
Local anaesthesia.

Xilonibsa
Note. This name is used for preparations of different composition.
Inibsa, Spain.
⊗ Lidocaine hydrochloride (p.1862·3).
Adrenaline acid tartrate (p.1203·2) is included in the injection as a vasoconstrictor to diminish absorption and localise the effect of the local anaesthetic.
Local anaesthesia.

Inibsa, Port.
Injection; topical spray: ⊗ Lidocaine (p.1862·3) or lidocaine hydrochloride (p.1862·3).
Adrenaline acid tartrate (p.1203·2) or noradrenaline (p.1360·1) is included in the injection as a vasoconstrictor to diminish absorption and localise the effect of the local anaesthetic.
Local anaesthesia.

Inibsa, Port.†.
Topical paste: Lidocaine hydrochloride (p.1862·3); tetracaine hydrochloride (p.1871·3).
Local anaesthesia.

Xilopar
Note. This name is used for preparations of different composition.
Filaxis, Arg.
Ribavirin (p.902·3).

Elan, Austria; Cephalon, Ger.; Zeneus, Ital.; Cephalon, Port.
⊗ Selegiline hydrochloride (p.817·1).
Parkinsonism.

Xilox *Guidotti, Hung.*
Nimesulide (p.95·3).
Pain.

Xiltrop *Tropica Mas, Indon.*
Amoxicillin (p.202·2).
Bacterial infections.

Xim *Ipca, India.*
Cefixime (p.224·3).
Bacterial infections.

Ximaken *Kendrick, Mex.*
Cefuroxime sodium (p.238·2).
Bacterial infections.

Ximede *Combiphar, Indon.*
Nimesulide (p.95·3).
Inflammation; pain.

Ximex Cylowam *Konimex, Indon.*
Ciprofloxacin hydrochloride (p.243·3).
Eye infections.

Ximex Konigen *Konimex, Indon.*
Gentamicin sulfate (p.282·1).
Eye infections.

Ximex Opticom *Konimex, Indon.*
⊗ Timolol maleate (p.1412·3).
Glaucoma; ocular hypertension.

Ximex Optixitrol *Konimex, Indon.*
⊗ Dexamethasone sodium phosphate (p.1526·2); neomycin sulfate (p.305·1); polymyxin B sulfate (p.317·3).
Infected eye disorders.

Ximovan *Aventis, Ger.*
Zopiclone (p.1039·1).
Insomnia.

Ximve *Farma-Projekt, Pol.*
Simvastatin (p.1390·2).
Cardiovascular risk reduction; hypercholesterolaemia.

Xina *Finadiet, Arg.†.*
Diclofenac sodium (p.44·3).
Inflammation; musculoskeletal and joint disorders; pain.

Xinamin *Mavi, Mex.*
Vitamin B substances (p.1922·1).

Xinamod *Proge, Ital.*
Amoxicillin trihydrate (p.202·2); potassium clavulanate (p.250·2).
Bacterial infections.

Xinder *D & M, Chile.*
⊗ Clobetasol propionate (p.1522·2).
Skin disorders.

Xinebrom *Virgo, Philipp.*
Bromhexine hydrochloride (p.1552·2).
Respiratory-tract congestion.

Xinflex *Terramedic, Philipp.*
Cefalexin (p.218·2).
Bacterial infections.

Xinplex *Craveri, Arg.*
Orlistat (p.2358·1).
Obesity.

Xinsidona *Padro, Spain.*
Pamidronate disodium (p.1101·1).
Hypercalcaemia of malignancy; osteolytic bone lesions; Paget's disease of bone.

Xintoprost *Richmond, Arg.†.*
Vinblastine (p.786·3).
Malignant neoplasms.

Xipa *TAD, Ger.*
⊗ Xipamide (p.1434·1).
Hypertension; oedema.

Xipagamma *Worwag, Ger.*
⊗ Xipamide (p.1434·1).
Hypertension; oedema.

Xipa-Isis *Alpharma-Isis, Ger.*
⊗ Xipamide (p.1434·1).
Hypertension; oedema.

Xipamid *German Remedies, India.*
⊗ Xipamide (p.1434·1).
Hypertension; oedema.

Xipen *Best, Mex.*
Pentoxifylline (p.1367·2).
Cerebral, ocular, and peripheral vascular disorders.

Xipral *Silanes, Mex.*
Pravastatin sodium (p.1374·3).
Atherosclerosis; cardiovascular risk reduction; hypercholesterolaemia.

Xiprine *Swedpharm, Chile.*
Glipizide (p.441·3).
Diabetes mellitus.

Xipro *Terramedic, Philipp.*
Ciprofloxacin hydrochloride (p.243·3).
Bacterial infections.

Xiprocan *Protein, Mex.†.*
Amoxicillin (p.202·2).
Bacterial infections.

XiraHist DM *Hawthorn, USA.*
Dextromethorphan hydrobromide (p.1555·2); carbinoxamine maleate (p.570·2); phenylephrine hydrochloride (p.1568·1).
Upper respiratory-tract disorders.

Xiral *Hawthorn, USA†.*
Chlorphenamine maleate (p.571·3); pseudoephedrine hydrochloride (p.1571·2); hyoscine methonitrate (p.1734·2).
Allergic rhinitis; cold symptoms; sinusitis.

XiraTuss *Hawthorn, USA.*
Pentoxyverine tannate (p.1567·3); chlorphenamine tannate (p.572·2); phenylephrine tannate (p.1568·3).
Coughs; nasal congestion.

Xismox *Genus, UK.*
Isosorbide mononitrate (p.1318·3).

Xiten *Grunenthal, Chile†.*
⊗ Beclometasone dipropionate (p.1516·2).
Obstructive airways disease.

Xitocin *Cryopharma, Mex.*
Oxytocin (p.2015·2).
Labour induction; postpartum haemorrhage; uterine atony.

Xitrocin *Polfa Pabianice, Pol.*
Roxithromycin (p.331·1).
Bacterial infections.

XLEU Analog *SHS, Fr.*
Food for special diets (p.1922·1).
Isovaleric acidaemia.

XLYS Analog *SHS, Fr.*
Food for special diets (p.1922·1).
Hyperlysinaemia.

XLYS Low Try Analog *SHS, Fr.*
Food for special diets (p.1922·1).
Glutaric aciduria.

XLys Low Try Maxamaid *Scientific Hospital Supplies, UK.*
Lysine- and tryptophan-free food (p.1922·1).
Glutaric aciduria.

X-M *Yenisehir, Turk.*
Calcium sennosides (p.1770·1) (p.1770·1).
Bowel evacuation; constipation.

X-Met *Glenmark, India.*
Metformin hydrochloride (p.453·2).
Diabetes mellitus.

Xmet *Glenmark, Malaysia; Glenmark, Philipp.*
Metformin hydrochloride (p.453·2).
Diabetes mellitus.

† This preparation may no longer be actively marketed

⊗ Contains a substance whose use may be restricted in certain sports (see p.vii)

XMET Analog *Scientific Hospital Supplies, Austral.; SHS, Fr.; Scientific Hospital Supplies, Irl.*
Infant feed (p.1922·1).
Homocystinuria; hypermethioninaemia.

XMET, Cys Analog *SHS, Fr.*
Food for special diets (p.1922·1).
Sulfite oxidase deficiency.

XMET Homidon *Scientific Hospital Supplies, Irl.*
Food for special diets (p.1922·1).
Homocystinuria; hypermethioninaemia.

XMET Maxamaid *Scientific Hospital Supplies, Austral.; Scientific Hospital Supplies, Irl.; Scientific Hospital Supplies, UK.*
Food for special diets (p.1922·1).
Formerly known as Maxamaid RVHB in the *UK*.
Homocystinuria; hypermethioninaemia.

XMET Maxamum *Scientific Hospital Supplies, Austral.; Support, Braz.†; Scientific Hospital Supplies, Irl.; Nutricia, NZ; Scientific Hospital Supplies, NZ.*
Food for special diets (p.1922·1).
Homocystinuria; hypermethioninaemia.

XMTVI Analog *Scientific Hospital Supplies, Austral.; Support, Braz.†; SHS, Fr.; SHS, Israel.*
Infant feed (p.1922·1).
Methylmalonic acidaemia; propionic acidaemia.

XMTVI Asadon *Scientific Hospital Supplies, Austral.*
Food for special diets (p.1922·1).
Methylmalonic acidaemia; propionic acidaemia.

XMTVI Maxamaid *Scientific Hospital Supplies, Austral.; Support, Braz.†; Scientific Hospital Supplies, UK.*
Food for special diets (p.1922·1).
Formerly known as Maxamaid XMET, THRE, VAL, ISOLEU in the *UK*.
Methylmalonic acidaemia; propionic acidaemia.

XMTVI Maxamum *Scientific Hospital Supplies, Austral.*
Food for special diets (p.1922·1).
Formerly known as XMet, Thre, Val, Isoleu Maxamum.
Methylmalonic acidaemia; propionic acidaemia.

Xodol *Victory, USA.*
Hydrocodone tartrate (p.63·1); paracetamol (p.108·1).
Pain.

Xofemina *Farmaceutica H, Mex.*
Medroxyprogesterone acetate (p.2113·1); estradiol cipionate (p.2097·2).
Injectable contraceptive.

Xolaam *Ranbaxy, Fr.*
Aluminium hydroxide (p.1706·2); magnesium hydroxide (p.1743·2).
Gastrointestinal disorders.

Xolair *Novartis, Arg.; Novartis, Austral.; Novartis, Belg.; Novartis, Canad.; Novartis, Cz.; Novartis, Fr.; Novartis, Gr.; Novartis, Hung.; Novartis, Israel; Novartis, Malaysia; Novartis, NZ; Novartis, Pol.; Novartis, Port.; Novartis, Singapore; Novartis, Swed.; Novartis, UK; Genentech, USA; Novartis, Venez.*
Omalizumab (p.1128·2).
Asthma.

Xolegel *Barrier Therapeutics, USA.*
Ketoconazole (p.539·1).
Fungal skin infections.

Xolegel Duo *Barrier Therapeutics, USA.*
Topical gel, ketoconazole (p.539·1); shampoo, pyrithione zinc (p.1611·2).
Seborrhoeic dermatitis.

Xolin *Ratiopharm, Norw.*
⊗ Xylometazoline hydrochloride (p.1575·1).
Rhinitis; sinusitis.

Xolof *Saval, Chile.*
Tobramycin (p.354·1).
Bacterial eye infections.

Xolof D *Saval, Chile.*
⊗ Tobramycin (p.354·1); dexamethasone (p.1526·1).
Infected eye disorders.

Xolvax *Vivax, Venez.*
Ambroxol hydrochloride (p.1550·3).

Xomolix *ProStrakan, Cz.; ProStrakan, Port.*
Droperidol (p.994·3).
Nausea and vomiting.

Xonatil *Precimex, Mex.*
Ceftriaxone sodium (p.237·1).
Bacterial infections.

Xon-Ce *Kalbe, Indon.*
Ascorbic acid (p.1983·3).
Vitamin C deficiency; vitamin C supplement.

Xopenex *Sepracor, USA.*
⊗ Levosalbutamol hydrochloride (p.1125·3) or levosalbutamol tartrate (p.1125·3).
Obstructive airways disease.

Xorim *Sandoz, Hung.; Sandoz, Pol.; Sandoz, Venez.*
Cefuroxime sodium (p.238·2).
Bacterial infections.

Xorimax *Sandoz, Cz.; Sandoz, Hung.; Sandoz, Philipp.; Sandoz, Pol.*
Cefuroxime axetil (p.238·2).
Bacterial infections.

Xorin *Pyridam, Indon.*
Roxithromycin (p.331·1).
Bacterial infections.

Xorovir *Kwizda, Pol.*
Aciclovir (p.862·3).
Herpesvirus infections.

Xorox
Kwizda, Austria; Kwizda, Cz.†.
Aciclovir (p.862·3) or aciclovir sodium (p.862·3).
Herpesvirus infections.

Kite (Κιτε), Gr.†; Filiz, Turk.
Aciclovir (p.862·3).
Herpesvirus infections.

Xorpic *Andromaco, Port.†; Grunenthal, Port.†.*
Ciprofloxacin hydrochloride (p.243·3).
Bacterial infections.

Xorufec *Antibioticos, Mex.*
Cefuroxime sodium (p.238·2).
Bacterial infections.

Xotilon *Pyridam, Indon.*
Tenoxicam (p.128·2).
Musculoskeletal, joint, and peri-articular disorders.

Xozacil *Columbia, Mex.†.*
Benzylpenicillin sodium (p.213·1).
Bacterial infections.

Xozal *UCB, Gr.*
Levocetirizine hydrochloride (p.583·2).
Hypersensitivity reactions.

XP Analog *Scientific Hospital Supplies, Austral.; Support, Braz.†; SHS, Israel; Nutricia, Ital.; Nutricia, NZ; Scientific Hospital Supplies, NZ.*
Infant feed (p.1922·1).
Phenylketonuria.

XP Analog LCP *SHS, Fr.; Scientific Hospital Supplies, Irl.*
Food for special diets (p.1922·1).
Formerly known as Analog XP in *Fr.*
Phenylketonuria.

XP Maxamaid *Scientific Hospital Supplies, Austral.; Support, Braz.†; SHS, Fr.; Scientific Hospital Supplies, Irl.; SHS, Israel; Scientific Hospital Supplies, UK.*
Food for special diets (p.1922·1).
Phenylketonuria.

XP Maxamum *Scientific Hospital Supplies, Austral.; Support, Braz.†; SHS, Fr.; Scientific Hospital Supplies, Irl.; SHS, Israel; Scientific Hospital Supplies, UK.*
Food for special diets (p.1922·1).
Phenylketonuria.

X-Pain *ST, Thai.*
Methyl salicylate (p.85·3); eugenol (p.2301·2); menthol (p.2340·1).
Musculoskeletal, joint, and soft-tissue disorders.

Xpe SPC *Faria, Braz.†.*
Sulfogaiacol (p.1573·2); sodium benzoate (p.1630·2); bromoform (p.2269·3); grindelia (p.2317·2).
Coughs.

Xpect *Hawthorn, USA.*
Guaifenesin (p.1561·3).
Coughs.

Xpect-AT *Hawthorn, USA.*
Guaifenesin (p.1561·3); pentoxyverine citrate (p.1567·3).
Coughs; respiratory-tract congestion.

Xpect-PE *Hawthorn, USA.*
Guaifenesin (p.1561·3); phenylephrine hydrochloride (p.1568·1).
Upper respiratory-tract congestion.

Xphen Tyr Analog *SHS, Israel.*
Food for special diets (p.1922·1).
Phenylketonuria; tyrosinaemia.

XPhen, Tyr Analog *Scientific Hospital Supplies, Austral.*
Food for special diets (p.1922·1).
Tyrosinaemia.

Xphen, Tyr Analog *SHS, Fr.*
Food for special diets (p.1922·1).
Tyrosinaemia.

XPhen, Tyr Maxamaid *Scientific Hospital Supplies, Austral.; Scientific Hospital Supplies, UK.*
Food for special diets (p.1922·1).
Tyrosinaemia.

XPhen, Tyr Maxamum *Scientific Hospital Supplies, Austral.*
Food for special diets (p.1922·1).
Tyrosinaemia.

X-Praep *Viatris, Neth.*
Sennosides (p.1769·3).
Bowel evacuation; constipation.

X-Prep
Mundipharma, Austria; Purdue, Canad.; Mundipharma, Cz.†; Mundipharma, Ger.†; Lavipharm, Gr.; Viatris, Ital.; Ferring, Mex.; Mundipharma, Norw.; Meda, Port.; Mundipharma, Switz.; Gray, USA.
Senna (p.1769·2).
Bowel evacuation; constipation.

Viatris, Fr.; Extractum, Hung.; Mundipharma, Hung.; Norpharma, Pol.; Adcock Ingram, S.Afr.; Viatris, Spain.
Sennosides A and B (p.1769·3).
Bowel evacuation.

X-Prep Bowel Evacuant Kit-1 *Gray, USA.*
Combination pack: 2 tablets, standardised senna concentrate (p.1769·2); docusate sodium (p.1725·1) (Senokot-S); oral liquid, senna (X-Prep); 1 suppository, bisacodyl (Rectolax) (p.1710·1).
Bowel evacuation.

XPT Analog *Support, Braz.†.*
Tyrosine and phenylalanine-free food for special diets (p.1922·1).
Tyrosinaemia.

XPT Maxamaid *Support, Braz.†.*
Tyrosine and phenylalanine-free food for special diets (p.1922·1).
Tyrosinaemia.

XPT Tyrosidon *Scientific Hospital Supplies, UK.*
Tyrosine- and phenylalanine-free amino-acid preparation (p.1922·1).
Tyrosinaemia.

XPTM Analog *SHS, Fr.†.*
Food for special diets (p.1922·1).
Tyrosinaemia.

XPTM Tyrosidon *Scientific Hospital Supplies, Austral.; Scientific Hospital Supplies, UK.*
Food for special diets (p.1922·1).
Tyrosinaemia.

X-Seb *Pharmascience, Canad.; Baker Cummins, USA.*
Salicylic acid (p.1612·2).
Seborrhoea; skin and scalp disorders.

X-Seb Plus *Pharmascience, Canad.; Baker Cummins, USA.*
Pyrithione zinc (p.1611·2); salicylic acid (p.1612·2).
Scalp disorders.

X-Seb T *Pharmascience, Canad.; Baker Cummins, USA.*
Salicylic acid (p.1612·2); coal tar (p.1616·2).
Scalp disorders; seborrhoea.

X-Seb T Plus
Note. This name is used for preparations of different composition.
Pharmascience, Canad.
Salicylic acid (p.1612·2); coal tar (p.1616·2); menthol (p.2340·1).
Scalp disorders.

Ivax, USA.
Salicylic acid (p.1612·2); coal tar (p.1616·2).
Formerly contained salicylic acid, coal tar, and menthol.
Scalp disorders.

Xsert *Cadila, India.*
Sertraline hydrochloride (p.421·3).
Depression.

X'tac *Upha, Malaysia.*
Ranitidine hydrochloride (p.1766·1).
Gastro-oesophageal reflux; peptic ulcer; reduction of gastric acid secretion; Zollinger-Ellison syndrome.

X-Tar *Dormer, Canad.*
Salicylic acid (p.1612·2); coal tar (p.1616·2); menthol (p.2340·1).
Scalp disorders.

X-Tardine *Pharmasant, Thai.*
Povidone-iodine (p.1659·2).
Skin disinfection.

Xtenda *Orchid, Philipp.*
Ceftriaxone sodium (p.237·1).
Bacterial infections.

Xtendrol *Atlantis, Mex.*
⊗ Oxandrolone (p.2123·2).
Anabolic; osteoporosis; Turner's syndrome.

X'tor *Ipca, India.*
Atorvastatin calcium (p.1218·3).
Hyperlipidaemias.

Xtrair *Behrens, Venez.*
Eucalyptus oil (p.2301·2); camphor (p.2273·2).

X-Trant *Natco, India.*
Estramustine phosphate (p.717·3).
Prostatic cancer.

Xuclamin *Sons, Mex.*
Clarithromycin (p.248·2).
Bacterial infections.

Xumadol *ITF, Chile; Italfarmaco, Spain.*
Paracetamol (p.108·1).
Fever; pain.

Xuprin *Solvay, Austria.*
Isoxsuprine resinate (p.2327·3).
Peripheral vascular disorders.

Xuric *Craveri, Arg.*
Colchicine (p.556·1).
Gout.

Xuric-A *Craveri, Arg.*
Colchicine (p.556·1); allopurinol (p.552·2).
Gout.

Xusal *UCB, Ger.*
Levocetirizine hydrochloride (p.583·2).
Hypersensitivity reactions.

Xuzal *UCB, Mex.*
Levocetirizine hydrochloride (p.583·2).
Allergic rhinitis; urticaria.

Xycalm *Ipca, India.*
Alprazolam (p.960·1).
Anxiety.

Xycam *Pharmacare, S.Afr.*
Piroxicam (p.117·3).
Gout; musculoskeletal and joint disorders.

Xyclomed *Korea United, Philipp.*
Cyclophosphamide (p.702·1).
Malignant neoplasms.

Xydep *Arrow, Austral.*
Sertraline hydrochloride (p.421·3).
Depression; obsessive-compulsive disorder; panic disorder; premenstrual dysphoric disorder; social phobia.

Xylanaest *Gebro, Austria.*
⊗ Lidocaine hydrochloride (p.1862·3).
Adrenaline (p.1203·2) is included in some injections as a vasoconstrictor to diminish absorption and localise the effect of the local anaesthetic.
Local anaesthesia.

Xylesine *Amino, Switz.*
Lidocaine hydrochloride (p.1862·3).
Local anaesthesia.

Xylestesin
Note. This name is used for preparations of different composition.
Espe, Austria; Espe, Switz.†.
Lidocaine (p.1862·3); cetrimonium bromide (p.1635·1).
Local anaesthesia.

Cristalia, Braz.
⊗ Lidocaine (p.1862·3) or lidocaine hydrochloride (p.1862·3).
Adrenaline acid tartrate (p.1203·2) or noradrenaline acid tartrate (p.1360·1) is included in some injections as a vasoconstrictor to diminish absorption and localise the effect of the local anaesthetic.
Local anaesthesia.

Espe, Cz.†.
Lidocaine (p.1862·3).
Local anaesthesia.

Xylestesin Pumpspray *3M Espe, Ger.†.*
Lidocaine (p.1862·3); cetrimonium bromide (p.1635·1).
Local anaesthesia.

Xylestesin, Xylestesin-F *3M Espe, Ger.†.*
⊗ Lidocaine hydrochloride (p.1862·3).
Noradrenaline hydrochloride (p.1360·2) is included in this preparation as a vasoconstrictor to diminish absorption and localise the effect of the local anaesthetic.
Local anaesthesia.

Xylestesin-A *3M, Cz.†; Espe, Cz.†; 3M, Hong Kong; 3M, NZ.*
⊗ Lidocaine hydrochloride (p.1862·3).
Adrenaline hydrochloride (p.1203·3) is included in this preparation as a vasoconstrictor to diminish absorption and localise the effect of the local anaesthetic.
Local anaesthesia.

Xylestesin-A, Xylestesin centro *3M Espe, Ger.†.*
⊗ Lidocaine hydrochloride (p.1862·3).
Adrenaline hydrochloride (p.1203·3) is included in this preparation as a vasoconstrictor to diminish absorption and localise the effect of the local anaesthetic.
Local anaesthesia.

Xylestesin-F *Espe, Switz.†.*
⊗ Lidocaine hydrochloride (p.1862·3).
Noradrenaline hydrochloride (p.1360·2) is included in this preparation as a vasoconstrictor to diminish absorption and localise the effect of the local anaesthetic.
Local anaesthesia.

Xylestesin-S *3M Espe, Ger.†.*
⊗ Lidocaine hydrochloride (p.1862·3).
Noradrenaline hydrochloride (p.1360·2) and adrenaline hydrochloride (p.1203·3) are included in this preparation as vasoconstrictors to diminish absorption and localise the effect of the local anaesthetic.
Local anaesthesia.

Xylestesin-S "special" *Espe, Switz.†.*
⊗ Lidocaine hydrochloride (p.1862·3).
Adrenaline hydrochloride (p.1203·3) and noradrenaline hydrochloride (p.1360·2) are included in this preparation as vasoconstrictors to diminish absorption and localise the effect of the local anaesthetic.
Local anaesthesia.

Xylia *Sandoz, Austria.*
Cyproterone acetate (p.2088·2); ethinylestradiol (p.2101·3).
Androgen-associated acne and hirsutism in women.

Xylisol *Cassara, Arg.*
Sodium chloride (p.1686·1).
Nasal hygiene; sinusitis.

Xylit *Braun, Ger.; DeltaSelect, Ger.*
Xylitol (p.1998·2).
Carbohydrate source; fluid disorders.

Xylo *CT, Ger.*
⊗ Xylometazoline hydrochloride (p.1575·1).
Nasal congestion.

Xylo Siozwo *Febena, Ger.†.*
⊗ Xylometazoline hydrochloride (p.1575·1).
Nasal congestion.

Xylocain
AstraZeneca, Austria; AstraZeneca, Denm.; AstraZeneca, Fin.; Dentsply, Fin.; AstraZeneca, Ger.; Dentsply, Ger.; AstraZeneca, Norw.; AstraZeneca, Swed.; AstraZeneca, Switz.
⊗ Lidocaine (p.1862·3) or lidocaine hydrochloride (p.1862·3).
Adrenaline (p.1203·2) or adrenaline acid tartrate (p.1203·2) is included in some injections as a vasoconstrictor to diminish absorption and localise the effect of the local anaesthetic.
Arrhythmias; endoscopy; local anaesthesia; pain.

AstraZeneca, Turk.
Lidocaine hydrochloride (p.1862·3).
Local anaesthesia.

Xylocain CO_2 *AstraZeneca, Switz.*
Lidocaine (p.1862·3); carbon dioxide.
Local anaesthesia.

Xylocain f.d. Kardiologie *AstraZeneca, Ger.*
Lidocaine hydrochloride (p.1862·3).
Arrhythmias.

Xylocaina
AstraZeneca, Arg.; AstraZeneca, Braz.; AstraZeneca, Chile; AstraZeneca, Ital.; Dentsply, Ital.; AstraZeneca, Mex.
⊗ Lidocaine (p.1862·3) or lidocaine hydrochloride (p.1862·3).
Adrenaline (p.1203·2), adrenaline acid tartrate (p.1203·2), or noradrenaline (p.1360·1) is included in some injections as a vasoconstrictor to diminish absorption and localise the effect of the local anaesthetic.
Local anaesthesia; pain.

AstraZeneca, Port.; Inibsa, Spain.
Lidocaine hydrochloride (p.1862·3).
Local anaesthesia.

AstraZeneca, Venez.†.
Lidocaine (p.1862·3).
Local anaesthesia.

Xylocaine
AstraZeneca, Austral.; Dentsply, Austral.; AstraZeneca, Canad.; Cana, Gr.; AstraZeneca, Hong Kong; AstraZeneca, India; AstraZeneca, In-

don.; AstraZeneca, Irl.; AstraZeneca, Malaysia; AstraZeneca, Neth.; AstraZeneca, Singapore; AstraZeneca, Thai.; AstraZeneca, USA.
⊗ Lidocaine (p.1862·3) or lidocaine hydrochloride (p.1862·3).
Adrenaline (p.1203·2) or adrenaline acid tartrate (p.1203·2) is included in some injections as a vasoconstrictor to diminish absorption and localise the effect of the local anaesthetic.
Arrhythmias; catheterisation; endoscopy; instrument insertion; local anaesthesia; pain.

AstraZeneca, Cz.; AstraZeneca, Israel; AstraZeneca, S.Afr.
Lidocaine (p.1862·3).
Endoscopy; local anaesthesia.

AstraZeneca, Fr.; AstraZeneca, NZ; Dentsply, NZ; AstraZeneca, Philipp.; AstraZeneca, Pol.
⊗ Lidocaine hydrochloride (p.1862·3).
Adrenaline (p.1203·2), adrenaline acid tartrate (p.1203·2), or naphazoline nitrate (p.1565·2) is included in some preparations as a vasoconstrictor to diminish absorption and localise the effect of the local anaesthetic.
Local anaesthesia.

AstraZeneca, Belg.
Injection: ⊗ Lidocaine hydrochloride (p.1862·3).
Adrenaline acid tartrate (p.1203·2) is included in some injections as a vasoconstrictor to diminish absorption and localise the effect of the local anaesthetic.
Local anaesthesia.

AstraZeneca, UK; Dentsply, UK.
Injection; topical solution: ⊗ Lidocaine hydrochloride (p.1862·3).
Adrenaline tartrate (p.1203·2) is included in the injections as a vasoconstrictor to diminish absorption and localise the effect of the local anaesthetic.
Local anaesthesia.

AstraZeneca, Belg.
Ointment; topical gel; topical spray: Lidocaine (p.1862·3) or lidocaine hydrochloride (p.1862·3).
Local anaesthesia.

AstraZeneca, UK.
Topical spray: Lidocaine (p.1862·3).
Local anaesthesia; minor skin injuries.

Xylocaine with Chlorhexidine *AstraZeneca, NZ†.*
Lidocaine hydrochloride (p.1862·3); chlorhexidine gluconate (p.1635·3).
Local anaesthesia.

Xylocaine Jelly with Chlorhexidine *AstraZeneca, Austral.*
Lidocaine hydrochloride (p.1862·3); chlorhexidine gluconate (p.1635·3).
Catheterisation; endoscopy; local anaesthesia.

Xylocaine Special Adhesive *AstraZeneca, Austral.*
Lidocaine hydrochloride (p.1862·3).
Topical anaesthesia in dentistry.

Xylocaine Visquese *AstraZeneca, Belg.*
Lidocaine hydrochloride (p.1862·3).
Adjunct in radiology and endoscopy; painful oral and oesophageal conditions.

Xylocard *AstraZeneca, Austral.; AstraZeneca, Austria; AstraZeneca, Belg.; AstraZeneca, Canad.; AstraZeneca, Fr.; AstraZeneca, Hong Kong†; AstraZeneca, India; AstraZeneca, Malaysia†; AstraZeneca, NZ; AstraZeneca, Philipp.; AstraZeneca, Port.†; AstraZeneca, Swed.; AstraZeneca, Switz.; AstraZeneca, Thai.†.*
Lidocaine hydrochloride (p.1862·3).
Status epilepticus; ventricular arrhythmias.

Xylocitin *Jenapharm, Ger.*
⊗ Lidocaine hydrochloride (p.1862·3).
Adrenaline acid tartrate (p.1203·2) is included in some injections as a vasoconstrictor to diminish absorption and localise the effect of the local anaesthetic.
Local anaesthesia.

Xylocitin cor *Jenapharm, Ger.*
Lidocaine hydrochloride (p.1862·3).
Ventricular arrhythmias.

Xylo-COMOD *Croma, Austria; Ursapharm, Cz.; Ursapharm, Ger.†; Ursapharm, Neth.; Biem, Turk.*
⊗ Xylometazoline hydrochloride (p.1575·1).
Nasal congestion; rhinitis; sinusitis.

Xyloderm *AstraZeneca, Mex.*
⊗ Lidocaine hydrochloride (p.1862·3); hydrocortisone acetate (p.1535·2); clotrimazole (p.530·1); neomycin sulfate (p.305·1).
Infected skin disorders.

Xylogel
Note. This name is used for preparations of different composition.
Pediapharma, Philipp.
Xylitol (p.1998·2).
Dental caries prophylaxis; gum, mouth and lip sores; teething pain.

Polfa Warszawa, Pol.
⊗ Xylometazoline hydrochloride (p.1575·1).
Nasal congestion; otitis media; sinusitis.

Xylol *Demo, Gr.*
Lidocaine (p.1862·3).
Local anaesthesia.

Xylolin *Julphar, UAE.*
⊗ Xylometazoline hydrochloride (p.1575·1).
Nasal and sinus congestion.

Xyloma *Jean-Marie, Hong Kong.*
⊗ Xylometazoline hydrochloride (p.1575·1).
Nasal congestion; otitis media.

Xylo-Mepha *Mepha, Switz.*
⊗ Xylometazoline hydrochloride (p.1575·1).
Nasal congestion.

Xylonest *AstraZeneca, Ger.; Dentsply, Ger.; AstraZeneca, Switz.*
⊗ Prilocaine hydrochloride (p.1868·2).
Adrenaline acid tartrate (p.1203·2) or felypressin (p.2302·2) is included in some injections as a vasoconstrictor to diminish absorption and localise the effect of the local anaesthetic.
Local anaesthesia.

Xyloneural *Gebro, Austria; Strathmann, Ger.; Gebro, Switz.*
Lidocaine hydrochloride (p.1862·3).
Headache; local anaesthesia; migraine; tinnitus; vertigo.

Xylonor
Note. This name is used for preparations of different composition.
Schein, Austria.
Lidocaine (p.1862·3); cetrimide (p.1634·1).
Local anaesthesia.

Prats, Spain.
Lidocaine hydrochloride (p.1862·3); cetrimonium bromide (p.1635·1).
Local anaesthesia.

Ogna, Ital.
Injection: ⊗ Lidocaine hydrochloride (p.1862·3).
Noradrenaline acid tartrate (p.1360·1) or adrenaline acid tartrate (p.1203·2) is included in some injections as a vasoconstrictor to diminish absorption and localise the effect of the local anaesthetic.
Local anaesthesia.

Ogna, Ital.; Septodont, Switz.
Topical spray: Lidocaine (p.1862·3); cetrimonium bromide (p.1635·1).
Local anaesthesia.

Xylonor Especial *Prats, Spain.*
⊗ Lidocaine hydrochloride (p.1862·3).
Adrenaline (p.1203·2) and noradrenaline acid tartrate (p.1360·1) are included in this preparation as vasoconstrictors to diminish absorption and localise the effect of the local anaesthetic.
Local anaesthesia.

Xylonor 2% Sin Vasoconst *Prats, Spain.*
Lidocaine hydrochloride (p.1862·3).
Local anaesthesia.

Xyloplyin *Dentsply, Denm.; Globopharm, Switz.†.*
⊗ Lidocaine hydrochloride (p.1862·3).
Adrenaline acid tartrate (p.1203·2) is included in this injection as a vasoconstrictor to diminish absorption and localise the effect of the local anaesthetic.
Local anaesthesia.

Xyloplyina *Dentsply, Ital.*
⊗ Lidocaine hydrochloride (p.1862·3).
Adrenaline acid tartrate (p.1203·2) is included in this preparation as a vasoconstrictor to diminish absorption and localise the effect of the local anaesthetic.
Local anaesthesia.

Xylo-POS *Ursapharm, Ger.*
⊗ Xylometazoline hydrochloride (p.1575·1).
Nasal congestion.

Xyloproct
Note. This name is used for preparations of different composition.
AstraZeneca, Austral.; AstraZeneca, Fin.†; AstraZeneca, Irl.; AstraZeneca, NZ; AstraZeneca, Swed.; AstraZeneca, UK.
⊗ Lidocaine (p.1862·3); hydrocortisone acetate (p.1535·2); aluminium acetate (p.2255·1); zinc oxide (p.1621·2).
Anorectal disorders; pruritus vulvae.

AstraZeneca, Braz.; AstraZeneca, Norw.
⊗ Lidocaine (p.1862·3); hydrocortisone acetate (p.1535·2); aluminium subacetate (p.2255·1); zinc oxide (p.1621·2).
Anorectal disorders.

AstraZeneca, Hong Kong; Astra, Israel†.
⊗ Lidocaine (p.1862·3); hydrocortisone acetate (p.1535·2).
Anorectal disorders.

AstraZeneca, Malaysia.
⊗ Lidocaine hydrochloride (p.1862·3); hydrocortisone acetate (p.1535·2); aluminium subacetate (p.2255·1); zinc oxide (p.1621·2).
Anorectal disorders.

Xyloproct Plus *AstraZeneca, Mex.*
⊗ Lidocaine (p.1862·3); hydrocortisone acetate (p.1535·2); aluminium subacetate (p.2255·1); zinc oxide (p.1621·2).
Anorectal disorders.

Xyloprocto *AstraZeneca, Arg.*
⊗ Lidocaine (p.1862·3); hydrocortisone acetate (p.1535·2).
Anorectal disorders.

Xylorane *Ranbaxy, Mex.*
Citalopram hydrobromide (p.385·3).
Depression; panic disorder.

Xylorin *GSK, Pol.*
⊗ Xylometazoline hydrochloride (p.1575·1).
Nasal congestion; sinusitis.

Xylorinse *Pediapharma, Philipp.*
Xylitol (p.1998·2); sodium fluoride (p.1962·2); cetylpyridinium chloride (p.1635·1).
Dental caries prophylaxis; oral hygiene.

Xylotocan *AstraZeneca, Ger.†.*
Tocainide hydrochloride (p.1415·1).
Ventricular arrhythmias.

Xylotox *Adcock Ingram, S.Afr.; Dentsply, UK†.*
⊗ Lidocaine hydrochloride(p.1862·3).
Adrenaline (p.1203·2), adrenaline acid tartrate (p.1203·2), or noradrenaline (p.1360·1) is included in some preparations as a vasoconstrictor to diminish absorption and localise the effect of the local anaesthetic.
Local anaesthesia.

Xylovit *Vitamed, Israel.*
⊗ Xylometazoline hydrochloride (p.1575·1).
Nasal congestion.

Xylozan *Demo, Gr.*
Lidocaine (p.1862·3).
Local anaesthesia.

Xymel *Clonmel, Irl.*
Tramadol hydrochloride (p.130·3).
Pain.

Xymelin *Nycomed, Rus.*
⊗ Xylometazoline hydrochloride (p.1575·1).
Nasal congestion; otitis media; sinusitis.

Xyntha *Wyeth, USA.*
A factor VIII preparation (recombinant) (p.1067·1).
Haemophilia A.

Xyralid *Auriga, USA.*
⊗ Lidocaine hydrochloride (p.1862·3); hydrocortisone acetate (p.1535·2).
Skin disorders.

Xyrem *UCB, Cz.; UCB, Neth.; UCB, Port.; UCB, UK; Orphan Medical, USA.*
Sodium oxybate (p.1794·2).
Cataplexy in narcoleptic syndrome.

Xyzal *UCB, Cz.; UCB, Denm.; UCB, Fin.; UCB, Hong Kong; UCB, Hung.; UCB, Indon.; UCB, Irl.; UCB, Ital.; UCB, Malaysia; UCB, Neth.; UCB, Norw.; UCB, Philipp.; Vedim, Pol.; UCB, Port.; UCB, Rus.; UCB, S.Afr.; UCB, Singapore; UCB, Switz.; UCB, Thai.; UCB, UK; UCB, USA.*
Levocetirizine hydrochloride (p.583·2).
Allergic conjunctivitis; allergic rhinitis; pruritus; urticaria.

Xyzall *UCB, Austria; UCB, Belg.; UCB, Fr.*
Levocetirizine hydrochloride (p.583·2).
Allergic rhinitis; urticaria.

8Y *Galenica, Gr.*
A factor VIII preparation (p.1067·1).
Haemorrhagic disorders.

Yacesal *Smaller, Spain.*
⊗ Tamoxifen citrate (p.772·3).
Breast cancer.

Yacriton *Flupal, Venez.*
Vitamin B substances; inositol (p.1922·1).

Yacutin *Boots Healthcare, Spain.*
Benzyl benzoate (p.2036·1); lindane (p.2045·3).
Pediculosis; scabies.

Yadegal Compuesto *Rayere, Mex.*
Dextromethorphan hydrobromide (p.1555·2); guaifenesin (p.1561·3); chlorphenamine maleate (p.571·3).
Coughs; respiratory-tract congestion.

Yadid *Gezzi, Arg.*
Urea hydrogen peroxide (p.1666·2).
Ear wax removal.

Yadine *Schering, Cz.; Bayer Schering, Hung.*
Drospirenone (p.2095·2); ethinylestradiol (p.2101·3).
Combined oral contraceptive.

Yakona *Tentan, Switz.*
St John's wort (p.422·3).
Nervous disorders.

Yakona N *Tentan, Switz.†.*
St John's wort (p.422·3); kava (p.2328·3).
Anxiety; nervous tension.

Yal *Jacoby, Austria; Trommsdorff, Cz.; Trommsdorff, Ger.; Trommsdorff, Hung.†; Gebro, Switz.*
Docusate sodium (p.1725·1); sorbitol (p.1965·1).
Bowel evacuation; constipation.

Yalone *Yarindo, Indon.*
⊗ Methylprednisolone (p.1538·1).
Corticosteroid.

Yalta Corn Salve *Technikon, S.Afr.*
Salicylic acid (p.1612·2).
Callouses; corns.

Yalu *Lacefa, Arg.†.*
Quassia (p.2377·1); acetic acid (p.2244·2).
Pediculosis.

Yamatetan *Yamanouchi, Jpn†.*
Cefotetan disodium (p.229·3).
Bacterial infections.

Yamcon *Sidus, Arg.†.*
Wild yam.
Menopausal disorders.

Yanal *Benitol, Arg.*
⊗ Atropine (p.1219·2); adrenaline (p.1203·2).
Asthma.

Yanthi Baby & Bath Powder *Minorock Mandiri, Indon.*
Zinc oxide (p.1621·2); magnesium carbonate (p.1743·1); talc (p.1615·2).
Nappy rash; skin irritation.

Yanthi Baby Oil *Minorock Mandiri, Indon.*
Wool fat (p.2033·2); nipagin; coconut oil (p.2029·2); liquid paraffin (p.2030·3).
Emollient.

Yanurax *Fada, Arg.†.*
Norfloxacin (p.309·2).
Bacterial infections.

Yapamicin *Novag, Mex.*
Ampicillin (p.204·1).
Bacterial infections.

Yara *Pharmacypria, Gr.*
Ranitidine hydrochloride (p.1766·1).
Peptic ulcer.

Yariba *Dendron, UK.*
Kola (p.2416·1).
Fatigue.

Yariflam *Yarindo, Indon.*
Diclofenac potassium (p.44·3).
Ankylosing spondylitis; osteoarthritis; rheumatoid arthritis.

Yarina *Schering, Rus.*
Drospirenone (p.2095·2); ethinylestradiol (p.2101·3).
Combined oral contraceptive.

Yarisma *Yarindo, Indon.*
⊗ Terbutaline sulfate (p.1138·3).
Obstructive airways disease.

Yariven *Yarindo, Indon.*
Ibuprofen (p.64·2).
Fever; pain.

Yasmin *Schering, Arg.; Schering, Austral.; Schering, Austria; Schering, Belg.; Schering, Braz.; Berlex, Canad.; Schering, Chile; Schering, Denm.; Schering, Fin.; Schering, Ger.; Schering, Gr.; Schering, Hong Kong; Schering, Indon.; Schering, Irl.; Schering, Israel; Schering, Ital.; Bayer Schering, Malaysia; Schering, Mex.; Bayer, NZ; Schering, Neth.; Schering, Norw.; Schering, Philipp.; Schering, Pol.; Bayer, Port.; Schering, S.Afr.; Schering, Singapore; Schering, Spain; Schering, Swed.; Schering, Switz.; Schering, Thai.; Schering, Turk.; Bayer, UK; Bayer, USA; Schering, Venez.*
Drospirenone (p.2095·2); ethinylestradiol (p.2101·3).
28-Day packs also contain 7 inert tablets.
Combined oral contraceptive.

Yasminelle *Schering, Arg.; Schering, Cz.; Bayer Schering, Hung.; Schering, Neth.; Schering, Pol.; Berlex, Port.*
Drospirenone (p.2095·2); ethinylestradiol betadex clathrate (p.2102·1).
28-Day packs also contain 7 inert tablets.
Combined oral contraceptive.

Yasnal *KRKA, Cz.; KRKA, Pol.*
Donepezil hydrochloride (p.364·3).
Alzheimer's disease.

Yasta
Note. This name is used for preparations of different composition.
Bayer Consumer, Arg.
Sodium bicarbonate (p.1673·2); sodium carbonate (p.2389·1); caffeine (p.1116·3); tartaric acid; sodium citrate.
Dyspepsia; gastric hyperacidity.

Bayer, Chile.
Aspirin (p.20·3); sodium bicarbonate (p.1673·2); citric acid (p.2284·1).
Dyspepsia; pain.

Yatrox *Vita, Spain.*
Ondansetron hydrochloride (p.1756·3).
Nausea and vomiting.

Yatushan Plus *Trima, Israel†.*
Diphenhydramine hydrochloride (p.577·2); diethyltoluamide (p.2041·1); dimethyl phthalate (p.2041·3).
Insect bites; insect repellent.

Yavon *Yarindo, Indon.*
Bromhexine hydrochloride (p.1552·2).
Cough.

YAZ *Schering, Braz.; Bayer, USA.*
Drospirenone (p.2095·2); ethinylestradiol betadex clathrate (p.2102·1).
Acne; combined oral contraceptive; premenstrual dysphoric disorder; premenstrual syndrome.

Ybecor *Rafarm, Gr.*
⊗ Fluticasone (p.1533·2).
Allergic rhinitis; skin disorders.

Yderm *Liferpal, Mex.*
⊗ Clioquinol (p.254·1); fluocinolone (p.1531·3).
Infected skin disorders.

Ydroquinidine *Remek, Gr.*
Quinidine (p.1383·1).
Arrhythmias.

Ye & To *Landson, Indon.*
Paracetamol (p.108·1); chlorphenamine maleate (p.571·3); guaifenesin (p.1561·3).
Cold and influenza symptoms.

Yeast Clear *Dolisos, Canad.†.*
Homoeopathic preparation.

Yeast Vite *Thornton & Ross, UK.*
Caffeine (p.1116·3); vitamin B substances (p.1922·1); dried yeast (p.1998·3).
Tonic.

Yeastafort *Kimia, Indon.*
Brewer's yeast; vitamin B ; vitamin B ; nicotinamide (p.1922·1).
Acne vulgaris; vitamin B deficiency.

Yeast-Gard *Lake, USA.*
Homoeopathic preparation.

Yeast-X
Note. This name is used for preparations of different composition.
Fleet, USA†.
Powder: Corn starch (p.1968·1); zinc oxide (p.1621·2).

Fleet, USA†.
Suppositories: Pulsatilla (p.2376·3).

Yectafer *AstraZeneca, Arg.*
Iron sorbitol (p.1953·1).
Iron-deficiency anaemia.

Yectafer Complex *AstraZeneca, Arg.*
Iron sorbitol (p.1953·1); folic acid (p.1940·1); hydroxocobalamin (p.1980·3).
Anaemias.

Yectames *Grossman, Mex.*
Algestone acetophenide (p.2082·1); estradiol enantate (p.2097·3).
Injectable contraceptive.

Yectamicina *Grossman, Mex.; Novapharma, Venez.†.*
Gentamicin sulfate (p.282·1).
Bacterial infections.

Yectamid *Collins, Mex.*
Amikacin sulfate (p.200·3).
Gram-negative bacterial infections.

Yectaspirin *Northia, Arg.*
Lysine aspirin (p.79·1).

Yectolin *Grossman, Mex.*
Lincomycin hydrochloride (p.293·2).
Bacterial infections.

Yelets *Freeda, USA.*
Ferrous fumarate (p.1938·3); folic acid (p.1940·1); multivitamins and minerals (p.1922·1).
Iron-deficiency anaemias.

Yellon *Zentiva, Cz.*
Aescin beta (p.2248·2).
Inflammation; oedema; venous insufficiency.

Yelnac *CS, Fr.†.*
Minocycline hydrochloride (p.300·3).
Bacterial infections.

Yemifer-HE *Ultra, Mex.*
Ferrous fumarate (p.1938·3); folic acid (p.1940·1).
Folate deficiency; iron-deficiency anaemia.

Yendol *Faes, Spain.*
Caffeine (p.1116·3); chlorphenamine maleate (p.571·3); paracetamol (p.108·1); salicylamide (p.121·2).
Cold and influenza symptoms; coughs.

Yenizin *Yeni, Turk.*
Cetirizine hydrochloride (p.570·3).
Allergic rhinitis; urticaria.

Yentreve *Lilly, Belg.; Lilly, Chile; Lilly, Cz.; Lilly, Denm.; Lilly, Fin.; Lilly, Fr.; Boehringer Ingelheim, Ger.; Lilly, Ger.; Lilly, Gr.; Lilly, Irl.; Lilly, Ital.; Boehringer Ingelheim Promeco, Mex.; Lilly, Neth.; Lilly, Norw.; Lilly, Port.; Boehringer Ingelheim, Swed.; Lilly, Swed.; Lilly, UK.*
Duloxetine hydrochloride (p.389·3).
Stress urinary incontinence in women.

Yepotin *Ivax, Mex.*
⊗ Epoetin alfa (p.1061·1).
Anaemias; autologous blood transfusion.

Yerba Diet *ISA, Arg.*
Vitamin B ; magnesium; mate (p.2416·1); bladderwrack (p.2384·2); green tea (p.2416·1); passion flower (p.2363·2) (p.1922·1).
Dietary supplement.

Yerba Santa *Roemmers Osmoph, Venez.*
Sodium benzoate (p.1630·2); polygala (p.1572·3); pentoxyverine citrate (p.1567·3); eriodictyon (p.1560·2); tolu balsam (p.1574·2).
Cough.

Yesan *Rafarm, Gr.*
⊗ Timolol maleate (p.1412·3).
Glaucoma.

Yestamin *Peter Black, UK.*
Vitamin B substances; ascorbic acid; iron (p.1922·1).

Yesterday *Argenfarma, Arg.†.*
Sulfathiazole (p.343·2).

YF-Vax *Sanofi Pasteur, Canad.; Sanofi Pasteur, USA.*
A yellow fever vaccine (17D strain) (p.2243·2).
Active immunisation.

Ygielle *Frezyderm, Gr.*
Clindamycin phosphate (p.251·2).
Vaginal infections.

Yira *Schering, Neth.; Schering, Spain†.*
Drospirenone (p.2095·2); ethinylestradiol (p.2101·3).
Combined oral contraceptive.

Yirala *Schering, Austria.*
Drospirenone (p.2095·2); ethinylestradiol (p.2101·3).
Combined oral contraceptive.

Yisadin *Spefar, Venez.*
Erythromycin estolate (p.269·3).
Bacterial infections.

Yisafer *Spefar, Venez.*
Ferrous gluconate (p.1939·1).
Iron-deficiency anaemia.

Ylox *Fortbenton, Arg.*
Minoxidil (p.1342·1).
Alopecia.

Ymea
Note.This name is used for preparations of different composition.
Chefaro, Spain.
Cimicifuga (p.2282·1).
Menopausal disorders.

Chefaro, UK.
Soya (p.1965·3); lupulus (p.2335·2); cucurbita (p.2290·2).
Menopausal disorders.

Yocon *Glenwood, Austria; Glenwood, Canad.; Laboratorios Chile, Chile; Glenwood, Ger.; Glenwood, USA.*
Yohimbine hydrochloride (p.2200·2).
Erectile dysfunction.

Yocoral *Infarmed, Belg.; Intsel, Fr.*
Yohimbine hydrochloride (p.2200·2).
Erectile dysfunction.

Yodacua *Manuell, Mex.*
Povidone-iodine (p.1659·2).
Water purification.

Yodalmina *Vita, Venez.†.*
Iodine (p.2169·2); sodium iodide (p.2169·2); salicylic acid (p.1612·2); benzoic acid (p.1630·2).
Skin disinfection; skin infections.

Yodasep *Galeno, Venez.†.*
Povidone-iodine (p.1659·2).
Skin disinfection; skin infections.

Yodine *Manuell, Mex.*
Povidone-iodine (p.1659·2).
Infected burns, ulcers, or wounds; mouth and throat infections; seborrhoeic dermatitis; skin infections; skin, mucous membrane, and instrument disinfection; vaginal infections.

Yodofrixon Salicilado *Purissimus, Arg.†.*
Methyl salicylate (p.85·3); iodine (p.2169·2).

Yodolactina *Manuell, Mex.*
Iodocasein (p.2170·1).
Goitre; immunostimulant; obesity; obstructive airways disease; rheumatoid disorders; sclerosis; tuberculosis.

Yodolin *Hexa, Arg.*
Sodium picosulfate (p.1771·1).
Constipation.

Yodon *Sam-On, Israel.*
Povidone-iodine (p.1659·2).
Burns; skin disorders; wounds.

Yodoxin *Glenwood, USA.*
Diiodohydroxyquinoline (p.832·1).
Intestinal amoebiasis.

Yodozona *Offenbach, Mex.*
Furazolidone (p.834·3); clioquinol (p.254·1); pectin (p.2145·2); kaolin (p.1738·1); homatropine methylbromide (p.1881·3).
Diarrhoea.

Yodsaben *Nufarindo, Indon.*
Salicylic acid (p.1612·2); benzoic acid (p.1630·2); iodine (p.2169·2).
Fungal skin infections.

Yoduk *Recordati, Spain.*
Potassium iodide (p.2169·2).
Iodine deficiency.

Yohimex *Fortbenton, Arg.†.*
Yohimbine (p.2200·3).

Yokel *Bros, Gr.*
Cefuroxime sodium (p.238·2).
Bacterial infections.

Yokukansan *Tsumura, Jpn.*
Atractylodes lancea rhizome; poria sclerotium; cnidium rhizome; uncaria thorn; Japanese angelica root; bupleurum root; liquorice.
Traditional Kampo medicine.

Yolecol *Altana, Arg.*
Mesalazine (p.1745·1).
Anorectal disorders; proctitis; ulcerative colitis.

Yomax *Apsen, Braz.*
Yohimbine hydrochloride (p.2200·2).
Erectile dysfunction; orthostatic hypotension.

Yomesan *Bayer, Belg.; Bayer, Cz.†; Bayer, Denm.†; Bayer, Ger.; IFET (ΙΦΕΤ), Gr.; Bayer, Israel; Bayer, Ital.; Bayer, Neth.; Bayer, S.Afr.; Bayer, Swed.; Bayer, Thai.; Bayer, Turk.; IDIS, UK.*
Niclosamide (p.151·1).
Available on a named-patient basis in the *UK*.
Diphyllobothriasis; hymenolepiasis; taeniasis.

Yomogi
Emonta, Austria.
Saccharomyces boulardii (p.2372·3).
Acne; diarrhoea.

Ardeypharm, Ger.
Saccharomyces cerevisiae (p.1998·3).
Acne; diarrhoea.

Yonal *Arex, Venez.*
Guaifenesin (p.1561·3); dextromethorphan hydrobromide (p.1555·2).
Cough.

Yondelis *Pharma Mar, Cz.; Pharma Mar, Fr.*
Trabectedin (p.781·3).
Soft-tissue sarcoma.

Yonka *Andromaco, Chile.*
Potassium gluconate (p.1684·3).
Hypokalaemia.

Yontal *Duncan, Arg.*
⊗ Salbutamol (p.1131·2).
Asthma.

Yosenob *Nufarindo, Indon.*
Fenofibrate (p.1286·2).
Hyperlipidaemias.

Youngflex Massage 168 *Youngflex, Canad.*
Menthol (p.2340·1); cajuput oil (p.2271·2); eucalyptus oil (p.2301·2).
Musculoskeletal, joint, peri-articular, and soft-tissue disorders.

Your Choice *Amcon, USA.*
Saline rinsing and storage solutions for soft contact lenses (p.1622·2) (p.1686·1).

Yovis *Sigma-Tau, Ital.*
Streptococcus salivarius subsp. *thermophilus*; *Bifidobacterium breve*; *B. infantis*; *B. longum*; *Lactobacillus acidophilus*; *L. plantarum*; *L. casei*; *L. delbrueckii* subsp. *bulgaricus*; *Enterococcus faecium* (p.2372·3).
Disturbance of gastrointestinal flora.

Yovita *Pharma Italia, Ital.*
Lactic-acid-producing organisms (p.2372·3); vitamins (p.1922·1).
Disturbances of the intestinal flora; nutritional supplement.

Yperod *Faran, Gr.*
⊗ Mometasone (p.1540·1).
Skin disorders.

Ypsiloheel *Heel, Cz.*
Homoeopathic preparation.

Ypsiloheel N *Heel, Ger.*
Homoeopathic preparation.

Yris *Kwizda, Austria.*
Gestodene (p.2105·2); ethinylestradiol (p.2101·3).
Combined oral contraceptive.

YSE *Monin, Fr.*
Zinc gluconate (p.1999·2); kola (p.2416·1).
Asthenia.

YSE Glutamique *Monin, Fr.*
Zinc gluconate (p.1999·2); glutamic acid (p.1947·1).
Asthenia.

Ysol 206 *Rabi & Solabo, Fr.*
Acetic acid (p.2244·2); camphor (p.2273·2); Java citronella oil (p.2284·2); sodium laurilsulfate (p.2138·3).
Pediculosis.

Ystal *Corsalud, Venez.†.*
Diphenhydramine hydrochloride (p.577·2).
Hypersensitivity reactions.

Ystheal *Pierre Fabre Dermo-Cosmetique, Arg.; Silesia, Chile.*
Retinaldehyde (p.1612·2).
Dry skin; photodamaged skin; pigmentation disorders.

Ytracis *CIS, Cz.; CIS, Hung.; CIS, Neth.; CIS, Port.; Schering, Spain; Schering, UK.*
Yttrium-90 (p.2057·1).
For radiolabelling of Zevalin.

Yttriga *QSA, Cz.*
Ytrrium-90 (p.2057·1).
Radiolabelling.

Yucomy *YSP, Malaysia; Yung Shin, Singapore.*
Ketoconazole (p.539·1).
Fungal infections.

Yudinef *Unimex, Philipp.; Yuhan, Philipp.*
Cefradine (p.233·1).
Bacterial infections.

Yugoxil *Elin, Philipp.*
Amoxicillin trihydrate (p.202·2).
Bacterial infections.

Yunir *Eurodrug, Mex.*
Pinazepam (p.1019·1).
Alcohol withdrawal syndrome; anxiety; epilepsy; insomnia; premedication; skeletal muscle spasm.

Yuredol *Grossman, Mex.*
Cyclobenzaprine hydrochloride (p.1895·2); clonixin lysine (p.37·1).
Skeletal muscle spasm and pain.

Yurelax *Valeant, Spain.*
Cyclobenzaprine hydrochloride (p.1895·2).
Skeletal muscle spasm.

Yusin *Maigal, Arg.*
⊗ Oxymetazoline (p.1567·2).
Eye disorders; nasal congestion.

Yusin Tears I *Maigal, Arg.*
Sodium chloride (p.1686·1).
Dry eyes.

Yusin Tears II *Maigal, Arg.*
Sodium chloride (p.1686·1); hyaluronic acid (p.2320·1).
Dry eyes.

Yutopar *Galenica, Gr.; Solvay, Hong Kong†; Solvay, India; Solvay, Indon.; Durbin, UK.*
⊗ Ritodrine hydrochloride (p.2017·2).
Fetal distress; premature labour.

Yuyo *Incaico, Arg.*
Aloe vera (p.1588·2); cascara (p.1715·2).
Constipation.

Yvano *Rafarm, Gr.*
⊗ Timolol (p.1413·1); pilocarpine (p.1884·3).
Glaucoma.

Yxin *Pfizer, Ger.†.*
⊗ Tetryzoline hydrochloride (p.1574·1).
Eye disorders.

Yxin Tears *Pfizer Consumer, Ger.*
Povidone (p.2146·1).
Dry eyes.

Yzop Lekarsky *Slovakofarma, Cz.†.*
Hyssopus (p.2323·3).
Coughs; sore throat.

3Z *Jaba Recordati, Port.*
Azithromycin (p.207·1).
Bacterial infections.

Z Frin *Grin, Mex.*
Zinc sulfate (p.1999·2); phenylephrine hydrochloride (p.1568·1).
Eye disorders.

Zaarpress *Sigma, Braz.*
Losartan potassium (p.1326·1).
Hypertension.

Zaart *Cipla, India.*
Losartan potassium (p.1326·1).
Hypertension.

Zaart-H *Cipla, India.*
⊗ Losartan potassium (p.1326·1); hydrochlorothiazide (p.1307·3).
Hypertension.

Zaba *Wyeth Lederle, Austria.*
Multivitamin and mineral preparation (p.1922·1).

Zabel *Alphapharm, Austral.*
Terbinafine hydrochloride (p.546·3).
Fungal skin and nail infections.

Zaby *Rafarm, Gr.*
Netilmicin (p.307·1).
Bacterial infections.

Zabysept *Rafarm, Gr.*
⊗ Naphazoline nitrate (p.1565·2); zinc sulfate (p.1999·2).
Ocular irritation.

ZAC *Ikapharmindo, Indon.*
Fluoxetine hydrochloride (p.391·2).
Depression.

Zacare Kit *Hawthorn, USA.*
Cleansing lotion, benzoyl peroxide (p.1590·2) (Zaclir); topical gel, sodium hyaluronate (p.2320·1) (Hylira).
Acne.

Zacetin *Medica Korea, Singapore†.*
Alprazolam (p.960·1).
Anxiety; mixed anxiety depressive states.

Zacin *Lavipharm, Gr.; Zeneus, Irl.; Cephalon, UK.*
Capsaicin (p.32·3).
Osteoarthritis; topical relief of rheumatic pain.

Zaclir *Hawthorn, USA.*
Benzoyl peroxide (p.1590·2).
Acne.

Zacnan *Merck-Lipha, Fr.*
Minocycline hydrochloride (p.300·3).
Bacterial infections.

Zacne *Bial, Port.*
Benzoyl peroxide (p.1590·2); miconazole nitrate (p.541·3).
Acne.

ZacPac *Altana, Ger.*
Tablets, pantoprazole sodium (p.1760·1); tablets, amoxicillin trihydrate (p.202·2); tablets, clarithromycin (p.248·2).
Peptic ulcer.

Zactin *Alphapharm, Austral.; Merck, Indon.; Alphapharm, Singapore; Merck, Singapore.*
Fluoxetine hydrochloride (p.391·2).
Depression; obsessive-compulsive disorder.

Zactos *Lilly, Mex.*
Pioglitazone (p.456·3).
Diabetes mellitus.

Zadaxin *Ahimsa, Arg.; SciClone, Hong Kong; SciClone, Indon.; Tempo Scan Pacific, Indon.; Sciclone, Ital.; Sciclone, Malaysia; Columbia, Mex.; SciClone, Philipp.; Sciclone, Singapore; Sciclone, Thai.†.*
Thymalfasin alfa (p.2400·3).
Adjuvant in influenza and hepatitis B vaccination; chronic hepatitis B; chronic hepatitis C; immunomodulator; influenza vaccination in immunodeficient patients.

Zadec *Novartis, Philipp.*
Ketotifen fumarate (p.582·2).
Allergic disorders; asthma.

Zaden *Pharmaniaga, Malaysia†; Raza, Malaysia†.*
Ketotifen fumarate (p.582·2).
Asthma; hypersensitivity reactions.

Zad-G *Gufic, India.*
Zinc sulfate (p.1999·2); sulfadiazine sodium (p.336·2).
Bacterial skin infections.

Zadim *Samarth, Philipp.*
Ceftazidime (p.234·1).
Bacterial infections.

Zadine
Note.This name is used for preparations of different composition.
Schering-Plough, Austral.; Schering-Plough, Hong Kong†; Schering-Plough, Malaysia†; Schering-Plough, NZ†; Schering-Plough, Singapore†.
Azatadine maleate (p.568·1).
Allergic skin disorders; hypersensitivity reactions; rhinitis.

UCI, Braz.†.
Ranitidine hydrochloride (p.1766·1).
Gastro-oesophageal reflux; gastrointestinal haemorrhage; peptic ulcer; Zollinger-Ellison syndrome.

Zadino *Milano, Thai.*
Ketotifen fumarate (p.582·2).
Asthma; hypersensitivity reactions.

Zaditen
Novartis, Arg.; Novartis, Austral.; Novartis, Austria; Novartis, Belg.; Novartis, Braz.; Paladin, Canad.; Novartis, Chile; Novartis, Cz.; Novartis, Denm.; Novartis, Fin.; Novartis, Fr.; Novartis, Ger.; Novartis, Gr.; Novartis, Hong Kong; Novartis, Hung.; Novartis, Indon.; Novartis, Irl.; Novartis, Israel; Novartis, Ital.; Novartis, Malaysia; Novartis, Mex.; Novartis, NZ; Novartis, Neth.; Novartis, Norw.; Novartis, Philipp.; Wander, Philipp.; Novartis, Port.; Novartis, Rus.; Adcock Ingram, S.Afr.; Novartis, S.Afr.; Novartis, Singapore; Novartis Ophthalmics, Singapore; Novartis, Spain; Novartis Ophthalmics, Swed.; Novartis, Switz.; Novartis, Thai.; Novartis, Turk.; Novartis, UK; Novartis, Venez.
Ketotifen fumarate (p.582·2).
Allergic conjunctivitis; allergic disorders; allergic rhinitis; allergic skin disorders; asthma; atopic dermatitis; bronchitis; hypersensitivity reactions; urticaria.

Novartis, Pol.
Ketotifen (p.582·2) or ketotifen fumarate (p.582·2).
Asthma; hypersensitivity reactions.

Zaditor *Novartis Ophthalmics, Canad.; Novartis, USA.*
Ketotifen fumarate (p.582·2).
Allergic conjunctivitis.

Zadolina *Salus, Mex.*
Ceftazidime (p.234·1).
Bacterial infections.

Zadorin *Mepha, Hong Kong†; Mepha, Malaysia†.*
Doxycycline hyclate (p.267·1).
Bacterial infections.

Zadorine *Mepha, Switz.*
Doxycycline hyclate (p.267·1).
Bacterial infections; malaria.

Zaedema Crono *Farmila, Ital.*
Vitamins; minerals; zeaxanthin; calendula; vitis vinifera; lycopene (p.1922·1).
Nutritional supplement.

Zaedoc *Ashbourne, UK†.*
Ranitidine hydrochloride (p.1766·1).
Acid aspiration; dyspepsia; gastro-oesophageal reflux; gastrointestinal haemorrhage; peptic ulcer; Zollinger-Ellison syndrome.

Zaf *Ares, Mex.*
Bezafibrate (p.1232·1).
Hyperlipidaemias.

Zafen
Zambon, Ital.†.
Ibuprofen arginine (p.65·2).
Musculoskeletal, joint, and peri-articular disorders; pain.

Zambon, Neth.
Ibuprofen (p.64·2) or ibuprofen arginine (p.65·2).
Musculoskeletal, joint, and peri-articular disorders; pain.

Zambon, Port.
Ibuprofen (p.64·2).

Zafibral *Medochemie, Hong Kong†; Medochemie, Singapore.*
Bezafibrate (p.1232·1).
Hyperlipidaemias.

Zafidol *Zafiro, Mex.*
Ketorolac trometamol (p.74·2).
Pain.

Zafimida *Zafiro, Mex.*
⊗ Furosemide (p.1292·1).
Forced diuresis; hypertension; oedema.

Zafin *Saval, Chile.*
Paracetamol (p.108·1); tramadol hydrochloride (p.130·3).
Pain.

Zafirasmal *Klonal, Arg.†.*
Zafirlukast (p.1150·2).
Asthma.

Zafiron *Adamed, Pol.*
⊗ Formoterol fumarate (p.1122·1).
Obstructive airways disease.

Zafirst *Chiesi, Ital.*
Zafirlukast (p.1150·2).
Asthma.

Zafitral *Rafarm, Gr.*
Risperidone (p.1024·2).
Psychoses.

Zafluox *Infosint, Ital.†.*
Fluoxetine hydrochloride (p.391·2).
Bulimia nervosa; depression; obsessive-compulsive disorder.

Zagam *Aventis, Cz.†; Bertek, USA†.*
Sparfloxacin (p.332·1).
Bacterial infections.

Zagorine *Rafarm, Gr.*
Cefuroxime axetil (p.238·2).
Bacterial infections.

Zagyl *Xixia, S.Afr.*
Metronidazole (p.837·1).
Anaerobic bacterial infections; protozoal infections.

Zahnerol N *Dr Janssen, Ger.†.*
Benzocaine (p.1854·1).
Dental disorders.

Zahnkugelchen *Jacoby, Austria.*
Homoeopathic preparation.

Zahnungstropfen Escatitona *Madaus, Ger.*
Homoeopathic preparation.

Zainexpect *Strand, Malaysia†.*
Diphenhydramine hydrochloride (p.577·2); ammonium chloride (p.1551·3).
Coughs.

Zainexpect C & F *Strand, Malaysia†.*
Paracetamol (p.108·1); pseudoephedrine hydrochloride (p.1571·2); dextromethorphan (p.1555·2).
Coughs and cold symptoms.

Zainexpect CD *Strand, Malaysia†.*
Codeine phosphate (p.37·2); diphenhydramine hydrochloride (p.577·2); ammonium chloride (p.1551·3).
Coughs.

Zakoprosin *CSC, Austria.*
Oxaprozin (p.105·3).
Musculoskeletal, joint, and peri-articular disorders.

Zalain *Temis, Arg.†; Mayrhofer, Austria†; Pharmacia, Braz.; Andromaco, Chile; GSK, Cz.†; Trommsdorff, Ger.; Ferrer, Hong Kong; EGIS, Hung.; Geymonat, Ital.†; Ferrer, Malaysia†; Ferrer, Philipp.; Ferrer, Rus.; Ferrer, Singapore; Cantabria, Spain; Ferrer, Thai.; Adeka, Turk.; Leti, Venez.*
Sertaconazole nitrate (p.546·1).
Fungal skin and nail infections; vulvovaginal candidiasis.

Zalasta *KRKA, Cz.; KRKA, Pol.; KRKA, Port.*
Olanzapine (p.1012·1).
Bipolar disorder; mania; schizophrenia.

Zaldiar *Grunenthal, Austria; Grunenthal, Belg.; Grunenthal, Chile; Grunenthal, Cz.; Grunenthal, Fr.; Grunenthal, Ger.; Grunenthal, Mex.; Grunenthal, Neth.; Grunenthal, Pol.; Grunenthal, Port.; Grunenthal, Rus.; Grunenthal, Spain; Grunenthal, Switz.; Grunenthal, Venez.*
Tramadol hydrochloride (p.130·3); paracetamol (p.108·1).
Pain.

Zalep *Cipla, India.*
Zaleplon (p.1035·3).
Insomnia.

Zallyre *Europhta, Mon.*
Sodium cromoglicate (p.1136·3).
Allergic eye disorders.

Zalpen *YSS, Philipp.*
Benzathine benzylpenicillin (p.212·1).
Bacterial infections.

Zaludecni Cajova Smes *Megafyt-R, Cz.*
Absinthium (p.2244·1); achillea (p.2245·2); peppermint leaf (p.1761·2); lovage root (p.2335·1); St John's wort (p.422·3); liquorice (p.1740·3); fennel (p.2302·3).
Digestive disorders.

Zalvor *GSK, Belg.; GSK, Turk.*
Permethrin (p.2048·2).
Pediculosis; scabies.

Zalvos *Demo, Philipp.*
Ciprofloxacin hydrochloride (p.243·3) or ciprofloxacin lactate (p.243·3).
Bacterial infections.

Zamacort *Aventis, Mex.*
⊗ Triamcinolone acetonide (p.1544·3).
Asthma.

Zamadol *Bergamo, Braz.; Meda, Irl.; Viatris, UK.*
Tramadol hydrochloride (p.130·3).
Pain.

Zamalin *Rafarm, Gr.*
Cefprozil (p.232·2).
Bacterial infections.

Zamanon *Aventis, S.Afr.*
Dolasetron mesilate (p.1725·3).
Nausea and vomiting associated with cytotoxic therapy; postoperative nausea and vomiting.

Zamboprim *Vamsler, Philipp.*
Co-trimoxazole (p.258·1).
Bacterial infections.

Zam-Buk
Note. This name is used for preparations of different composition.
Key, Austral.†.
Eucalyptus oil (p.2301·2); camphor (p.2273·2); thyme oil (p.2401·2); colophony (p.2286·2); sassafras oil (p.2383·3).
Minor skin disorders.

Roche, S.Afr.†.
Eucalyptus oil (p.2301·2); camphor (p.2273·2); thyme oil (p.2401·2); sassafras oil (p.2383·3).
Burns; chapped hands; insect bites; muscular pain; pruritus; wounds.

Zamene *Menarini, Spain.*
⊗ Deflazacort (p.1524·3).
Corticosteroid.

Zamenit *Unipharma, Gr.*
Calcium folinate (p.1943·3).
Antidote to folic acid antagonists; folic acid deficiency.

Zametrixal *Ferakon, Gr.*
Meloxicam (p.80·3).
Inflammatory disorders.

Zamicet *Hawthorn, USA.*
Hydrocodone tartrate (p.63·1); paracetamol (p.108·1).
Pain.

Zamudol *Viatris, Fr.*
Tramadol hydrochloride (p.130·3).
Pain.

Zamur *Mepha, Pol.*
Cefuroxime axetil (p.238·2).
Bacterial infections.

Zanaflex *Shire, Canad.; Zeneus, Irl.; Cephalon, UK; Acorda, USA.*
Tizanidine hydrochloride (p.1898·2).
Skeletal muscle spasticity.

Zanamet *TO-Chemicals, Thai.*
Ranitidine (p.1766·1).
Peptic ulcer; Zollinger-Ellison syndrome.

Zandid *Kocak, Turk.*
Ranitidine hydrochloride (p.1766·1).

Zandil *Therapharma, Philipp.*
Diltiazem hydrochloride (p.1265·1).
Angina pectoris; hypertension.

Zandine *Duncan, Flockhart, Irl.†.*
Ranitidine hydrochloride (p.1766·1).
Gastric hyperacidity; gastro-oesophageal reflux; peptic ulcer; Zollinger-Ellison syndrome.

Zanedip *Recordati, Ital.*
Lercanidipine hydrochloride (p.1324·2).
Hypertension.

Zanfel *Zanfel, USA.*
Polyethylene granules (p.1585·3) in a surfactant base.
Urushiol-induced contact dermatitis.

Zanicor *Delta, Port.*
Lercanidipine hydrochloride (p.1324·2).
Hypertension.

Zanidex *Dexcel, Israel.*
Ranitidine hydrochloride (p.1766·1).
Gastro-oesophageal reflux; gastrointestinal haemorrhage; peptic ulcer.

Zanidip *Solvay, Austral.; Kwizda, Austria; Zambon, Belg.; Medley, Braz.; Andromaco, Chile; Meda, Denm.; Leiras, Fin.; Bouchara-Recordati, Fr.; Galenica, Gr.; Schwarz, Hong Kong; Kwizda, Hung.; Solvay, Indon.; Helsinn Birex, Irl.; Recordati, Malaysia; Sanfer, Mex.; Muir Hutchinson, NZ; Meda, Norw.; Fournier, Philipp.; Jaba Recordati, Port.; Pharmaplan, S.Afr.; Recordati, Singapore†; Recordati, Spain; Meda, Swed.; Robapharm, Switz.; Fournier, Thai.; Recordati, UK; Elmor, Venez.*
Lercanidipine hydrochloride (p.1324·2).
Hypertension.

Zanipram *Vocate, Gr.*
Citalopram (p.385·3).
Depression.

Zanizal *Bruno, Ital.†.*
Nizatidine (p.1751·2).
Gastro-oesophageal reflux; peptic ulcer.

Zanoc *Delta, Braz.*
Ketoconazole (p.539·1).
Fungal infections; seborrhoeic dermatitis.

Zanocin *Ranbaxy, Cz.; Ranbaxy, Hung.; Stancare, India; Ranbaxy, Malaysia; Ranbaxy, Mex.; Ranbaxy, Rus.; Ranbaxy, S.Afr.*
Ofloxacin (p.310·2).
Bacterial infections.

Zanosar *Pfizer, Canad.; Pfizer, Fr.; IFET (ΙΦΕΤ), Gr.; Pharmacia, Israel; Gensia, USA.*
Streptozocin (p.771·2).
Pancreatic cancer.

Zanovic *Virgo, Philipp.*
Mefenamic acid (p.80·1).
Musculoskeletal and joint disorders; pain.

Zanprol *GSK, UK.*
Omeprazole (p.1753·1).
Gastro-oesophageal reflux.

Zantac
GSK, Arg.
Ranitidine (p.1766·1) or ranitidine hydrochloride (p.1766·1).
Acid aspiration; gastric hyperacidity; gastro-oesophageal reflux; peptic ulcer; Zollinger-Ellison syndrome.

GSK, Austral.; GSK, Austria; GSK, Belg.; GSK, Canad.; Pfizer Consumer, Canad.; GSK, Chile; GSK, Cz.; GSK, Denm.; GSK, Fin.; GSK, Gr.; GSK, Hong Kong; GSK, Hung.; GSK, Indon.; GSK, Irl.; GSK, Israel; GSK, Ital.; GSK, Jpn; GSK, Malaysia; GSK, NZ; GSK, Neth.; GSK, Norw.; GSK, Philipp.; GSK, Pol.; GSK, Port.; GSK, Rus.; GSK, S.Afr.; GSK, Singapore; GSK, Spain; GSK, Swed.; GSK, Thai.; GSK, Turk.; GSK, UK; Boehringer Ingelheim, USA; GSK, USA; GSK, Venez.
Ranitidine hydrochloride (p.1766·1).
Acid aspiration; duodenitis; dyspepsia; gastric hyperacidity; gastritis; gastro-oesophageal reflux; gastrointestinal haemorrhage; heartburn; pancreatitis; peptic ulcer; scleroderma oesophagitis; Zollinger-Ellison syndrome.

Zantadin *Soho, Indon.*
Ranitidine hydrochloride (p.1766·1).
Gastro-oesophageal reflux; gastrointestinal hyperacidity; peptic ulcer; Zollinger-Ellison syndrome.

Zantarac *GSK, Austria.*
Ranitidine hydrochloride (p.1766·1).
Dyspepsia; heartburn.

Zantic *GSK, Ger.; GSK, Switz.*
Ranitidine hydrochloride (p.1766·1).
Acid aspiration; dyspepsia; gastro-oesophageal reflux; gastrointestinal haemorrhage; gastrointestinal hyperacidity; peptic ulcer; Zollinger-Ellison syndrome.

Zantidon *Siam Bheasach, Thai.*
Ranitidine (p.1766·1).
Gastro-oesophageal reflux; peptic ulcer; Zollinger-Ellison syndrome.

Zantipres *FIRMA, Ital.*
Zofenopril calcium (p.1434·3).
Hypertension; myocardial infarction.

Zantipride *FIRMA, Ital.*
⊗ Zofenopril calcium (p.1434·3); hydrochlorothiazide (p.1307·3).
Hypertension.

Zantril *Abbott, Arg.†.*
⊗ Isoprenaline sulfate (p.1316·3); calcium iodide (p.1553·2).
Asthma.

Zantron *Pyridam, Indon.*
Ondansetron hydrochloride (p.1756·3).
Nausea and vomiting.

Zanzipik *Alckamed, Ital.*
Insect repellent.

Zapain *Goldshield, UK.*
Paracetamol (p.108·1); codeine phosphate (p.37·2).
These ingredients can be described by the British Approved Name Co-codamol.
Pain.

ZapAn *Icon, Philipp.*
Mefenamic acid (p.80·1).
Pain.

Zapedia *Pascual, Philipp.*
Pyrazinamide (p.320·2).
Tuberculosis.

Zapine *Taiwan Biotech, Malaysia.*
Clozapine (p.981·1).
Schizophrenia.

Zaplon *Torrent, India†.*
Zaleplon (p.1035·3).
Insomnia.

Zaponex *Ivax, UK.*
Clozapine (p.981·1).
Psychoses in parkinsonism; schizophrenia.

Zappelin *Iso, Ger.*
Homoeopathic preparation.

Zaprine *Hexal, S.Afr.*
Azathioprine (p.1818·2).
Auto-immune disorders; transplant rejection.

Zapto *Pharmacare, S.Afr.*
Captopril (p.1239·2).
Heart failure; hypertension.

Zapto Co *Pharmacare, S.Afr.*
⊗ Captopril (p.1239·2); hydrochlorothiazide (p.1307·3).
Hypertension.

ZapTron *Ratiopharm, Cz.*
Galantamine hydrobromide (p.366·1).
Alzheimer's disease.

Zaramol *APS, Port.†.*
Paracetamol (p.108·1).
Fever; pain.

Zarator *Phoenix, Arg.; Pfizer, Chile; Pfizer, Denm.; Pfizer, Gr.; Euro Registratie, Neth.; Pfizer, Port.; Parke, Davis, Spain.*
Atorvastatin calcium (p.1218·3).
Cardiovascular risk reduction; hypercholesterolaemia.

Zarcop *Mintlab, Chile.*
Doxylamine succinate (p.578·2).

Zardil *Unison, Thai.*
Ranitidine (p.1766·1).
Peptic ulcer; Zollinger-Ellison syndrome.

Zarelix *Liconsa, Port.*
Venlafaxine hydrochloride (p.427·3).
Depression; panic disorder.

Zarent *Aventis, Ital.†.*
⊗ Nedocromil sodium (p.1127·3); salbutamol sulfate (p.1131·3).
Obstructive airways disease.

Zarex *Dexcel, Israel†.*
Famotidine (p.1730·1).
Gastric hyperacidity; heartburn.

Zargus *Biosintetica, Braz.*
Risperidone (p.1024·2).
Psychoses.

Zaricort *Xepa-Soul Pattinson, Malaysia†; Xepa-Soul Pattinson, Singapore.*
⊗ Miconazole nitrate (p.541·3); hydrocortisone (p.1535·2).
Fungal skin infections with inflammation.

Zarin *Xepa-Soul Pattinson, Malaysia†; Xepa-Soul Pattinson, Singapore.*
Miconazole nitrate (p.541·3).
Fungal infections of the skin, nails, and mucous membranes.

Zariviz *Sanofi-Aventis, Ital.*
Cefotaxime sodium (p.228·1).
Lidocaine hydrochloride (p.1862·3) is included in the intramuscular injection to alleviate the pain of injection.
Gram-negative bacterial infections.

Zarocs *Pharmazam, Spain.*
Roxatidine acetate hydrochloride (p.1769·1).
Gastro-oesophageal reflux; peptic ulcer.

Zarom *Pyridam, Indon.*
Azithromycin (p.207·1).
Bacterial infections.

Zarondan *Pfizer, Denm.*
Ethosuximide (p.479·3).
Absence seizures.

Zarontin *Elea, Arg.; Pfizer, Austral.; Pfizer, Belg.; Erfa, Canad.; Pfizer, Fr.; IFET (ΙΦΕΤ), Gr.; Pfizer, Gr.; Pfizer, Irl.; Parke, Davis, Israel†; Pfizer, Ital.; Pfizer, NZ; Pfizer, Neth.†; Pfizer, S.Afr.; Pfizer, Spain†; Pfizer, UK; Parke, Davis, USA.*
Ethosuximide (p.479·3).
Absence seizures; myoclonic seizures.

Zaroxolyn *Aventis, Canad.; Heumann, Ger.†; IFET (ΙΦΕΤ), Gr.†; Celltech, Hong Kong; Medeva, Israel; Teofarma, Ital.; Novartis, S.Afr.†; UCB, USA.*
⊗ Metolazone (p.1337·2).
Ascites; hypertension; oedema.

Zaroxolyne *Novartis, Switz.†.*
⊗ Metolazone (p.1337·2).
Hypertension; oedema.

Zarv *Ativus, Braz.*
Aesculus (p.2248·2).
Haemorrhoids.

Zaso *Cadila Pharma, India.*
Zaleplon (p.1035·3).
Insomnia.

Zasten *Novartis, Spain.*
Ketotifen (p.582·2).
Allergic rhinitis; asthma.

Zasterid *Richter, Pol.*
⊗ Finasteride (p.2188·3).
Benign prostatic hyperplasia.

Zatin *Wermar, Mex.*
Fluoxetine hydrochloride (p.391·2).
Bulimia nervosa; depression; obsessive-compulsive disorder.

Zatofug *Wolff, Ger.†.*
Ketotifen fumarate (p.582·2).
Asthma; hypersensitivity reactions.

Zatrol *Andromaco, Chile.*
Omeprazole (p.1753·1).
Gastro-oesophageal reflux; peptic ulcer; Zollinger-Ellison syndrome.

Zatur *CCD, Fr.†.*
Oxybutynin hydrochloride (p.2190·3).
Neurogenic bladder disorders.

Zavedos *Pfizer, Arg.; Pfizer, Austral.; Pfizer, Austria; Pfizer, Belg.; Pfizer, Braz.; Pfizer, Chile; Pfizer, Cz.; Pfizer, Denm.; Pfizer, Fin.; Pfizer, Fr.; Pharmacia, Ger.; Pfizer, Gr.; Pfizer, Hong Kong; Pfizer, Hung.; Pfizer, Irl.; Pharmacia, Israel; Pharmacia, Ital.; Pfizer, Malaysia; Pfizer, NZ; Pfizer, Neth.; Pfizer, Norw.; Pfizer, Philipp.; Pharmacia, Pol.; Pfizer, Port.; Pharmacia, Rus.; Pharmacia, S.Afr.; Pfizer, Singapore; Kenfarma, Spain; Pfizer, Swed.; Pfizer, Switz.; Pfizer, Thai.; Carlo Erba, Turk.; Deva, Turk.; Pharmacia, UK; Pfizer, Venez.*
Idarubicin hydrochloride (p.731·1).
Acute leukaemias; breast cancer.

Zavesca *Pharma Logistics, Belg.; Actelion, Canad.; Actelion, Cz.; Actelion, Denm.; Actelion, Fin.; Actelion, Fr.; Actelion, Ger.; Actelion, Gr.; Actelion, Hung.; Teva, Israel; Actelion, Ital.; Actelion, Neth.; Actelion, Norw.; Actelion, Port.; Actelion, Spain; Actelion, Swed.; Actelion, Switz.; Actelion, UK; Actelion, USA.*
Miglustat (p.2345·2).
Gaucher disease.

Zaxem *UCB, Austria.*
Butenafine hydrochloride (p.528·1).
Fungal skin infections.

Zaxetina *Dunar, Spain†.*
Fluoxetine hydrochloride (p.391·2).
Bulimia; depression; mixed anxiety depressive states; obsessive-compulsive disorder.

† This preparation may no longer be actively marketed

⊗ Contains a substance whose use may be restricted in certain sports (see p.vii)

Zaxine *Bama, Spain.*
Rifaximin (p.330·1).
Gastrointestinal infections.

Zayasel *Salvat, Spain.*
Terazosin hydrochloride (p.1410·2).
Benign prostatic hyperplasia; hypertension.

Zazole *PharmaDerm, USA.*
Terconazole (p.548·1).
Fungal vaginal infections.

Z-Bec
Note. This name is used for preparations of different composition.
Gap, Gr.
Lisinopril (p.1325·2).
Heart failure; hypertension; myocardial infarction.
Wyeth Consumer, Thai.
Multivitamin preparation with zinc (p.1922·1).
Robins, USA.
Multivitamin and mineral preparation (p.1922·1).

Z-Bec Plus *Gap, Gr.*
⊗ Lisinopril (p.1325·2); hydrochlorothiazide (p.1307·3).
Hypertension.

Z-Cof *Zyber, USA.*
Dextromethorphan hydrobromide (p.1555·2); guaifenesin (p.1561·3).
Coughs.

Z-Cof HC *Zyber, USA.*
Hydrocodone tartrate (p.63·1); chlorphenamine maleate (p.571·3); phenylephrine hydrochloride (p.1568·1).
Upper respiratory-tract disorders.

Z-Crim *Alpharma, Mex.*
Zinc (p.1999·1).
Skin disorders.

Zcure *Natrapharm, Philipp.*
Pyrazinamide (p.320·2).
Tuberculosis.

Z-Dorm *Hexal, S.Afr.*
Zopiclone (p.1039·1).
Insomnia.

Zdroj *Sulphur Zdroj, Pol.*
Sulfur (p.1614·1); sodium chloride; bromide; iodide; borate.
Scalp disorders.

Ze Caps *Everett, USA†.*
Zinc gluconate (p.1999·2); vitamin E (p.1992·2).
Dietary supplement.

Zeadema *Farmila, Ital.*
Multivitamin and mineral preparation with zeaxantina and red vine (p.1922·1).
Antoxidant nutritional supplement.

ZeaSorb
Note. This name is used for preparations of different composition.
Stiefel, Arg.; Stiefel, Austral.; Stiefel, Canad.; Stiefel, Chile†; Stiefel, Irl.; Stiefel, Thai.; Stiefel, UK.
Aldioxa (p.1587·2); chloroxylenol (p.1640·2); cellulose (p.2143·1).
Bromhidrosis; hyperhidrosis; intertrigo; napkin rash; prickly heat; prophylaxis of fungal skin infections; skin irritation; tinea pedis.
Stiefel, Fr.
Aldioxa (p.1587·2); cellulose (p.2143·1); magnesium silicate (p.2144·3).
Hyperhidrosis.
Stiefel, Indon.; Stiefel, Malaysia†; Stiefel, Philipp.; Stiefel, S.Afr.; Stiefel, Singapore.
Aldioxa (p.1587·2); chloroxylenol (p.1640·2).
Bromhidrosis; fungal skin infections; hyperhidrosis; intertrigo; nappy rash; tinea pedis.

ZeaSorb AF
Note. This name is used for preparations of different composition.
Stiefel, Canad.
Tolnaftate (p.548·3).
Fungal skin infections.
Stiefel, Chile; Stiefel, USA.
Miconazole nitrate (p.541·3).
Fungal skin infections.

Zeben *Siam Bheasach, Thai.*
Albendazole (p.139·2).
Worm infections.

Zebeta *Barr, USA.*
⊗ Bisoprolol fumarate (p.1234·1).
Hypertension.

Zebrak *Royal, Chile.*
Citalopram (p.385·3).
Depression.

Zebu *Pond's, Thai.*
⊗ Salbutamol (p.1131·2).
Bronchospasm.

Zeclar *Abbott, Cz.†; Orion, Fin.; Abbott, Fr.; Abbott, Port.*
Clarithromycin (p.248·2).
Bacterial infections.

Zeclaren *Vianex (Βιανέξ), Gr.*
Clarithromycin (p.248·2).
Adjunct in Helicobacter pylori eradication; bacterial infections.

Zecnil *Ferring, Ital.†.*
Somatostatin acetate (p.1809·2).
Diabetic ketoacidosis; gastrointestinal haemorrhage; prevention of complications following pancreatic surgery.

Zecovir *Guidotti, Ital.*
Brivudine (p.867·3).
Herpes zoster infections.

Zeda *Verisfield, Gr.*
Cetirizine (p.571·1).
Hypersensitivity reactions.

Zedax *Andromaco, Chile†.*
Zopiclone (p.1039·1).
Insomnia.

Zedchem PVP-I *Zedchem, S.Afr.*
Povidone-iodine (p.1659·2).
Burns; disinfection of skin and mucous membranes; skin infections; ulcers; wounds.

Zedex *Wockhardt, India; Wockhardt, Rus.*
Bromhexine hydrochloride (p.1552·2); dextromethorphan hydrobromide (p.1555·2); ammonium chloride (p.1551·3); menthol (p.2340·1).
Coughs; respiratory-tract disorders associated with viscous mucus.

Zedex-P *Wockhardt, India.*
Bromhexine hydrochloride (p.1552·2); dextromethorphan hydrobromide (p.1555·2); ammonium chloride (p.1551·3); menthol (p.2340·1); pseudoephedrine hydrochloride (p.1571·2).
Coughs; respiratory-tract disorders associated with viscous mucus.

Zeditapp *Medhaus, Philipp.*
Phenylpropanolamine hydrochloride (p.1569·3); brompheniramine maleate (p.569·2).
Cough; nasal congestion.

Zedprex *Adeka, Turk.*
Fluoxetine hydrochloride (p.391·2).
Bulimia nervosa; depression; obsessive-compulsive disorder.

Zeecof *Cipla, India.*
Diphenhydramine (p.577·1); guaifenesin (p.1561·3); bromhexine (p.1552·2); ammonium chloride (p.1551·3); menthol (p.2340·1).
Coughs.

Zeefra *Bouchara-Recordati, Fr.; Bouchara-Recordati, Hong Kong.*
Cefradine (p.233·1).
Bacterial infections.

Zeel
Note. This name is used for preparations of different composition.
Heel, Ger.†.
Homoeopathic preparation.
Heel, S.Afr.
Injection: Cartilago suis; funiculus umbilicalis suis; embryo suis; placenta suis; rhus toxicodendron; arnica; dulcamara; symphytum; sanguinaria; sulfur; nadid; coenzyme A; thioctic acid; natrium oxalaceticum.
Musculoskeletal and joint disorders.
Heel, S.Afr.
Ointment; tablets: Cartilago suis; funiculus umbilicalis suis; embryo suis; placenta suis; rhus toxicodendron; flor arnicae; dulcamara; symphytum; sanguinaria; sulfur; acidum silicicum colloidale; nadid; coenzyme A; thioctic acid; natrium oxalaceticum.
Musculoskeletal and joint disorders.

Zeel comp *Heel, Ger.*
Homoeopathic preparation.

Zeel Compositum *Heel, Cz.*
Homoeopathic preparation.

Zeel P *Heel, Ger.†.*
Homoeopathic preparation.

Zeel Plus *Peithner, Austria.*
Homoeopathic preparation.

Zeel Salbe *Heel, Cz.*
Homoeopathic preparation.

Zeel T *Heel, Ger.†.*
Homoeopathic preparation.

Zee-Seltzer *Zee, USA.*
Aspirin (p.20·3); citric acid (p.2284·1); sodium bicarbonate (p.1673·2).

Zeet Expectorant
Note. This name is used for preparations of different composition.
Alembic, India.
Syrup: Diphenhydramine hydrochloride (p.577·2); ammonium chloride (p.1551·3); guaifenesin (p.1561·3); bromhexine hydrochloride (p.1552·2); menthol (p.2340·1).
Coughs.
Alembic, India.
Tablets: Bromhexine hydrochloride (p.1552·2); phenylpropanolamine hydrochloride (p.1569·3).
Coughs.

Zeet Linctus *Alembic, India.*
Dextromethorphan hydrobromide (p.1555·2); guaifenesin (p.1561·3); phenylpropanolamine hydrochloride (p.1569·3).
Coughs.

Zefa *M & H, Thai.*
Cefazolin sodium (p.222·1).
Bacterial infections.

Zefan *Drogsan, Turk.*
Benzalkonium chloride (p.1629·1).
Skin disinfection.

Zefaxone *M & H, Thai.*
Ceftriaxone sodium (p.237·1).
Bacterial infections.

Zefazone *Upjohn, USA†.*
Cefmetazole sodium (p.225·3).
Bacterial infections.

Zefecort *Vocate, Gr.*
⊗ Budesonide (p.1520·1).

Zeffix *GSK, Arg.†; GSK, Austral.; GSK, Austria; GSK, Belg.; GSK, Braz.†; GSK, Cz.; GSK, Denm.; GSK, Fin.; GSK, Fr.; GSK, Ger.; GSK, Gr.; GSK, Hong Kong; GSK, Hung.; GSK, Irl.; GSK, Israel; GSK, Ital.; GSK, Malaysia; GSK, NZ; GSK, Neth.; GSK, Norw.; GSK, Philipp.; GSK, Pol.; GSK, Port.; GSK, Rus.; GSK, Singapore; Glaxo Wellcome, Spain; GSK, Swed.; GSK, Switz.; GSK, Thai.; GSK, Turk.; GSK, UK.*
Lamivudine (p.895·1).
Chronic hepatitis B; HIV infection.

Zefidim *Kalbe, Indon.*
Ceftazidime (p.234·1).
Bacterial infections.

Zefin *Millimed, Thai.*
Cefoxitin sodium (p.230·2).
Bacterial infections.

Zefipime *Vocate, Gr.*
Cefepime (p.224·1).
Bacterial infections.

Zefiran *Ilsan, Turk.*
Benzalkonium chloride (p.1629·1).
Skin disinfection.

Zefnart *Torii, Jpn.*
Liranaftate (p.540·3).
Fungal skin infections.

Zefocent *Samjin, Philipp.; Unimex, Philipp.*
Cefotaxime sodium (p.228·1).
Bacterial infections.

Zefol *Akdeniz, Turk.*
Benzalkonium chloride (p.1629·1).
Skin disinfection.

Zefort *Merkez, Turk.*
Benzalkonium chloride (p.1629·1).
Skin disinfection.

Zefral *United American, Philipp.*
Cefixime (p.224·3).
Bacterial infections.

Zefroxe *Ranbaxy, S.Afr.*
Cefuroxime axetil (p.238·2).
Bacterial infections.

Zefsolin *Oro, Turk.*
Benzalkonium chloride (p.1629·1).
Skin disinfection.

Zeftam *M & H, Thai.*
Ceftazidime (p.234·1).
Bacterial infections.

Zeftrix *Kalbe, Indon.*
Ceftriaxone sodium (p.237·1).
Bacterial infections.

Zefxon *Biolab, Thai.*
Omeprazole (p.1753·1).
Gastro-oesophageal reflux; peptic ulcer; Zollinger-Ellison syndrome.

Zegen *United American, Philipp.*
Cefuroxime axetil (p.238·2) or cefuroxime sodium (p.238·2).
Bacterial infections.

Zegerid *Santarus, USA.*
Omeprazole (p.1753·1); sodium bicarbonate (p.1673·2).
Formerly contained omeprazole.
Gastro-oesophageal reflux; peptic ulcer.

Zegren *Lapi, Indon.*
Diclofenac sodium (p.44·3).
Musculoskeletal and joint disorders.

Zehu-Ze *Teva, Israel.*
Permethrin (p.2048·2).
Pediculosis.

Zeid *Senosiain, Mex.*
Simvastatin (p.1390·2).
Atherosclerosis; cardiovascular risk reduction; hypercholesterolaemia.

Zela *Unison, Thai.*
Albendazole (p.139·2).
Worm infections.

Zelapar *Valeant, Arg.; Cephalon, UK; Cardinal Health, USA.*
⊗ Selegiline hydrochloride (p.817·1).
Parkinsonism.

Zelavel *Novell, Indon.*
Ofloxacin (p.310·2).
Bacterial infections.

Zeldilon *Zeler, Port.*
Minoxidil (p.1342·1).
Alopecia androgenetica.

Zeldox
Pfizer, Arg.; Pfizer, Austria; Pfizer, Chile; Pfizer, Cz.; Pfizer, Denm.; Pfizer, Fin.; Pfizer, Ger.; Pharmacia, Ger.; Pfizer, Hong Kong; Pfizer, Malaysia; Pfizer, NZ; Pfizer, Norw.; Pfizer, Philipp.; Pfizer, Port.; Pfizer, Spain; Pfizer, Swed.
Ziprasidone hydrochloride (p.1036·2) or ziprasidone mesilate (p.1036·2).
Bipolar disorder; mania; schizophrenia.
Pfizer, Austral.; Mack, Rus.; Pfizer, Singapore; Pfizer, Thai.
Ziprasidone hydrochloride (p.1036·2).
Bipolar disorder; schizophrenia.
Pfizer, Hung.
Ziprasidone (p.1036·2) or ziprasidone mesilate (p.1036·2).
Bipolar disorder; schizophrenia.
Pfizer, Pol.
Ziprasidone (p.1036·2).
Schizophrenia.

Zeleven *Iator, Gr.*
Butamirate (p.1553·1).
Cough.

Zelface *Ferron, Indon.*
Azelaic acid (p.1589·3).
Acne.

Zelfin *Randall, Mex.*
Albendazole (p.139·2).
Worm infections.

Zelian *Rafarm, Gr.*
Buflomedil hydrochloride (p.1236·3).
Peripheral vascular disorders.

Zelicrema *Biomedica-Chemica, Gr.*
Azelaic acid (p.1589·3).
Acne.

Zeliderm *Vinas, Spain.*
Azelaic acid (p.1589·3).
Acne.

Zeliris *Sanbe, Indon.*
Azelaic acid (p.1589·3).
Acne.

Zelis *Prospa, Ital.*
Piroxicam cinnamate (p.118·2).
Musculoskeletal and joint disorders.

Zelitrex *GSK, Belg.; GSK, Denm.; GSK, Fr.; GSK, Ital.; GSK, Neth.; GSK, S.Afr.*
Valaciclovir hydrochloride (p.911·1).
Herpesvirus infections.

Zelium
Note. This name is used for preparations of different composition.
Abbott, Port.
⊗ Sibutramine hydrochloride (p.2163·2).
Obesity.
Masa, Thai.
Flunarizine (p.580·3).
Cerebrovascular disorders; migraine.

Zelix *Ativus, Braz.*
Fluconazole (p.532·1).
Fungal infections.

Zelixa *Biofarm, Pol.*
⊗ Sibutramine hydrochloride (p.2163·2).
Obesity.

Zellaforte *Novum, Mex.; Zellaforte, Switz.*
Vitamin and mineral preparation (p.1922·1).

Zellaforte N Plus *Eurim, Ger.†.*
⊗ Nikethamide calcium thiocyanate (p.2161·2); inositol nicotinate (p.1316·1); pholedrine sulfate (p.1371·1).
Tonic.

Zellaforte plus *ICN, Austria.*
Procaine hydrochloride; haematoporphyrin; ferrous sulfate; vitamins (p.1922·1).
Tonic.

Zeller Sommeil *Zeller, Switz.*
Valerian (p.2410·1); lupulus (p.2335·2).
Sleep disorders.

Zeller-Augenwasser *Herchemie, Austria.*
Saffron; fennel oil; zinc sulfate (p.1999·2).
Eye inflammation and irritation.

Zellox-II *Hoe, Malaysia; Hoe, Singapore.*
Aluminium hydroxide (p.1706·2); magnesium hydroxide (p.1743·2); simeticone (p.1770·2).
Dyspepsia; flatulence; gastric hyperacidity; gastritis; gastro-oesophageal reflux; heartburn.

Zelmac *Novartis, Arg.; Novartis, Austral.†; Novartis, Braz.; Novartis, Chile; Novartis, Cz.†; Novartis, Hong Kong; Novartis, Indon.; Novartis, Israel; Novartis, Malaysia†; Novartis, Mex.; Novartis, NZ; Novartis, Rus.†; Novartis, Singapore; Novartis, Switz.; Novartis, Thai.; Novartis, Turk.; Novartis, Venez.*
Tegaserod maleate (p.1776·1).
Constipation; irritable bowel syndrome in women.

Zelmar *Biomedica-Chemica, Gr.*
Loratadine (p.583·3).
Allergic rhinitis; pruritus.

Zelnorm *Novartis, Canad.; Novartis, Philipp.; Novartis, S.Afr.; Novartis, USA†.*
Tegaserod maleate (p.1776·1).
Chronic constipation; irritable bowel syndrome in women.

Zeloram *Epifarma, Ital.*
Lorazepam (p.1004·1).
Anxiety; insomnia.

Zeloxim *Bilim, Turk.*
Meloxicam (p.80·3).
Ankylosing spondylitis; osteoarthritis; rheumatoid arthritis.

Zem *Faran, Gr.†.*
Diltiazem hydrochloride (p.1265·1).
Angina pectoris; hypertension.

Zema
Note. This name is used for preparations of different composition.
Union Drug, Thai.
Cream: Clotrimazole (p.530·1).
Fungal skin infections.
Union Drug, Thai.
Lotion: Phenol (p.1656·1); resorcinol (p.1612·1); salicylic acid (p.1612·2).
Infected skin disorders.

Zemaira *Aventis Behring, USA.*
Alpha -proteinase inhibitor (p.2253·2).
Alpha -proteinase inhibitor deficiency.

Zemalex *Italfarmaco, Port.*
Piketoprofen hydrochloride (p.117·2).
Musculoskeletal, joint, peri-articular, and soft-tissue disorders; phlebitis.

Zemax *Cipla-Medpro, S.Afr.*
Lisinopril (p.1325·2).
Heart failure; hypertension; myocardial infarction.

Zemide *Alpharma-Isis, Ger.†.*
⊗ Tamoxifen citrate (p.772·3).
Breast cancer.

Zemon *Neolab, UK.*
Isosorbide mononitrate (p.1318·3).
Angina pectoris.

Zemox *Varipharm, Ger.†.*
Simvastatin (p.1390·2).
Hypercholesterolaemia.

Zemplar *Abbott, Austral.; Abbott, Austria; Abbott, Canad.; Abbott, Cz.; Abbott, Fin.; Abbott, Ger.; Abbott, Gr.; Abbott, Hong Kong; Abbott, Hung.; Abbott, Irl.; Abbott, Ital.; Abbott, Malaysia; Abbott, Mex.; Abbott, Neth.; Abbott, Norw.; Abbott, Port.; Abbott, Singapore; Abbott, Spain; Abbott, Swed.; Abbott, Switz.; Abbott, UK; Abbott, USA; Abbott, Venez.*
Paricalcitol (p.1987·2).
Hyperparathyroidism; renal osteodystrophy.

Zemtard *Galen, UK.*
Diltiazem hydrochloride (p.1265·1).
Angina pectoris; hypertension.

Zemtrial *IAE, Philipp.*
Diltiazem hydrochloride (p.1265·1).
Angina pectoris; hypertension.

Zemuron *Organon, Arg.†; Organon, Canad.; Organon, USA.*
Rocuronium bromide (p.1908·3).
Competitive neuromuscular blocker.

Zemyc *Pharos, Indon.*
Fluconazole (p.532·1).
Fungal infections.

Zenalb *Paylos, Arg.†; BPL-Meizler, Braz.†; Galenica, Gr.; Bio Products, Malaysia; BPL, Singapore; BPL, Thai.; Sodhan, Turk.; BPL, UK.*
⊗ Albumin (p.1052·1).
Burns; extracorporeal circulation; hypoalbuminaemia; hypovolaemic shock; plasma volume expansion.

Zenapax *Roche, Arg.; Roche, Austral.; Roche, Austria; Roche, Belg.†; Roche, Braz.; Roche, Canad.; Roche, Chile; Roche, Cz.; Roche, Denm.; Roche, Fin.; Roche, Fr.; Roche, Ger.; Roche, Gr.; Roche, Hong Kong; Roche, Hung.; Roche, Irl.; Roche, Israel; Roche, Ital.; Roche, Mex.; Roche, NZ; Roche, Neth.; Roche, Philipp.; Roche, Pol.; Roche, Port.; Roche, S.Afr.; Roche, Singapore†; Roche, Spain; Roche, Swed.; Roche, Switz.; Roche, Thai.; Roche, Turk.; Roche, UK; Roche, USA; Roche, Venez.*
Daclizumab (p.1833·1).
Renal transplant rejection.

Zenavan *Bial, Spain.*
Etofenamate (p.53·1).
Pain; peri-articular disorders.

Zenaxin *Maver, Mex.*
Albendazole (p.139·2).
Worm infections.

ZenCare *Hoe, Malaysia.*
Glycerol (p.2314·2).
Soap substitute.

Zencef *Lapreven, Venez.*
Cefuroxime sodium (p.238·2).
Bacterial infections.

Zenchent *Watson, USA.*
21 Tablets, ethinylestradiol (p.2101·3); norethisterone (p.2119·3); 7 tablets, inert.
Combined oral contraceptive.

Zenda *TNP, Thai.†.*
Niclosamide (p.151·1); phenolphthalein (p.1762·1).
Worm infections.

Zendhin *DHA, Hong Kong; DHA, Malaysia; DHA, Singapore.*
Ranitidine hydrochloride (p.1766·1).
Dyspepsia; gastro-oesophageal reflux; peptic ulcer; Zollinger-Ellison syndrome.

Zendol *Serum Institute, India.*
⊗ Danazol (p.2090·2).
Benign breast disease; endometriosis.

Zenemia *Verisfield, Gr.*
Calcium folinate (p.1943·3).
Antidote to folic acid antagonists; folic acid deficiency.

Zenfektol *Olgunsoy, Turk.*
Benzalkonium chloride (p.1629·1).
Skin disinfection.

Zengac *Fisiopharma, Ital.*
Vancomycin hydrochloride (p.358·3).
Bacterial infections.

Zeniac
Note. This name is used for preparations of different composition.
LED, Fr.†.
Lotion: Mandelic acid (p.296·3); salicylic acid (p.1612·2); ammonium lactate (p.1589·2).
Acne.
LED, Fr.†.
Roll-on: Mandelic acid (p.296·3); salicylic acid (p.1612·2); sulfur (p.1614·1).
Acne.
LED, Fr.†.
Topical gel: Lappa-biotin-zinc complex (p.2330·3) (p.1931·3) (p.1999·1).
Skin cleansing.

Zeniac LP *LED, Fr.†.*
Mandelic acid (p.296·3); salicylic acid (p.1612·2); ammonium lactate (p.1589·2); lappa-biotin-zinc complex (p.2330·3) (p.1931·3) (p.1999·1).
Acne.

Zeniac LP Fort *LED, Fr.†.*
Mandelic acid (p.296·3); tartaric acid (p.2395·2); salicylic acid (p.1612·2); ammonium lactate (p.1589·2).
Acne.

Zenkain *Gunsa, Turk.*
⊗ Tetryzoline hydrochloride (p.1574·1).
Eye irritation.

Zenmolin *DHA, Hong Kong.*
⊗ Salbutamol sulfate (p.1131·3).
Bronchospasm.

Zenodian *CT, Ital.†.*
Sucralfate (p.1772·2).
Gastritis; gastro-oesophageal reflux; peptic ulcer.

Zenostig *Ozone, Cz.*
Betahistine hydrochloride (p.2265·1).
Ménière's disease.

Zenoxone *Biorex, UK.*
⊗ Hydrocortisone (p.1535·2).
Skin disorders.

Zenpro *Xepa-Soul Pattinson, Malaysia†; Xepa-Soul Pattinson, Singapore.*
Omeprazole (p.1753·1).
Gastro-oesophageal reflux; peptic ulcer; Zollinger-Ellison syndrome.

Zenriz *Pyridam, Indon.*
Cetirizine hydrochloride (p.570·3).
Rhinitis; urticaria.

Zensil *Silom, Thai.*
Cetirizine hydrochloride (p.570·3).
Allergic conjunctivitis; allergic rhinitis; allergic skin disorders.

Zentan *Ilsan, Turk.*
Benzalkonium chloride (p.1629·1).
Skin disinfection.

Zentavion *Vita, Spain.*
Azithromycin (p.207·1).
Bacterial infections.

Zentel *GSK, Austral.; GSK, Braz.; GSK, Chile; GSK, Cz.; GSK, Fr.; IFET (ΙΦΕΤ), Gr.; Vianex (Βιανέξ), Gr.; GSK, India; GSK, Ital.; GSK Consumer, Malaysia; GSK, Mex.; GSK, Philipp.; GSK, Pol.; GSK Consumer, Port.; GSK, S.Afr.; GSK, Singapore; GSK, Switz.; GSK, Thai.; GSK, Venez.*
Albendazole (p.139·2).
Echinococcosis; giardiasis; worm infections.

Zentius *Roemmers, Arg.; Pharma Investi, Chile.*
Citalopram hydrobromide (p.385·3).
Depression.

Zentralin *Pasteur, Chile.*
Flunarizine hydrochloride (p.580·2).
Cerebral and peripheral vascular disorders; sleep disorders; vestibular disorders.

Zentramin Bastian N *Bastian, Ger.*
Electrolyte preparation (p.1667·1).
Hypersensitivity disorders; psychosomatic disorders; tetanus.

Zenusin *Mepha, Port.*
Nifedipine (p.1350·1).
Angina pectoris; heart failure; hypertension; myocardial infarction; Raynaud's syndrome.

Zenzera *Bangkok Lab & Cosmetic, Thai.*
Albendazole (p.139·2).
Worm infections.

Zeoklamin *Ferakon, Gr.*
Ketotifen (p.582·2).
Allergic eye disorders.

Zepac *Ist. Chim. Inter., Ital.*
Heparin calcium (p.1301·2).
Thromboembolic disorders.

Zepan *Jofrain, Mex.*
Diazepam (p.986·3).
Anxiety.

Zepax *Yoo Young, Philipp.*
Cefoxitin sodium (p.230·2).
Bacterial infections.

Zepaz *Royal, Chile.*
Escitalopram (p.391·1).
Depression; panic disorder.

Zepdril *Aldril, Philipp.; Lloyd, Philipp.*
Cefradine (p.233·1).
Bacterial infections.

Zepelin
Note. This name is used for preparations of different composition.
Boehringer Ingelheim, Ital.
Feprazone (p.60·2).
Inflammation; pain.
Kowa, Jpn; Wakamoto, Jpn.
Acitazanolast (p.2246·1).
Allergic conjunctivitis.

Zepelindue *Boehringer Ingelheim, Ital.†.*
Ketoprofen lysine (p.73·3).
Inflammation; musculoskeletal, joint, peri-articular, and soft-tissue disorders; pain.

Zepharyl *Medi-Rx, Philipp.*
Cefalexin (p.218·2).
Bacterial infections.

Zephiran *Sanofi Winthrop, USA.*
Benzalkonium chloride (p.1629·1).
Eye, bladder, urethra, and body cavity irrigation; skin, mucous membrane, and wound disinfection; vaginal douching.

Zepholin
Note. This name is used for preparations of different composition.
Genepharm, Gr.
Cetirizine hydrochloride (p.570·3).
Allergic conjunctivitis; allergic rhinitis; pruritus.
Astellas, Irl.
Theophylline (p.1140·1).
Bronchospasm.

Zephrex *Sanofi Synthelabo, USA.*
Pseudoephedrine hydrochloride (p.1571·2); guaifenesin (p.1561·3).
Coughs.

Zepiken *Kener, Mex.*
Carbamazepine (p.471·3).

Zepilen *AFT, NZ; Medochemie, Thai.†.*
Cefazolin sodium (p.222·1).
Bacterial infections.

Zeplex *M & H, Thai.*
Cefalexin (p.218·2).
Bacterial infections.

Zepobrax *Farmaline, Thai.†.*
Chlordiazepoxide (p.968·1); clidinium bromide (p.1722·1).
Smooth muscle spasm.

Zeporin *Dynamic, Philipp.*
Cefalexin (p.218·2).
Bacterial infections.

Zepose *Cipla, India.*
Diazepam (p.986·3).

Zeppeliton *Pol-Nil, Cz.*
Amlodipine besilate (p.1214·1).
Angina pectoris; hypertension.

Zepral *Ikapharmindo, Indon.*
Omeprazole (p.1753·1).
Gastro-oesophageal reflux; peptic ulcer; Zollinger-Ellison syndrome.

Zeprat *Solfran, Mex.†.*
Diazepam (p.986·3).
Anxiety; sedative.

Zeprid *Nobel, Turk.*
Sulpiride (p.1028·3).
Schizophrenia.

Zepril *Richmond, Arg.*
Abacavir (p.861·3).
HIV infection.

Zeprosil *Xixia, S.Afr.*
Lisinopril (p.1325·2).
Heart failure; hypertension; myocardial infarction.

Zeptag *Bosch, Philipp.*
Ranitidine hydrochloride (p.1766·1).
Acid aspiration; gastro-oesophageal reflux; gastrointestinal haemorrhage; peptic ulcer; Zollinger-Ellison syndrome.

Zeptol *Sun, Rus.; Sun, Thai.*
Carbamazepine (p.471·3).
Bipolar disorder; epilepsy; glossopharyngeal neuralgia; trigeminal neuralgia.

Zeptrigen *Westmont, Philipp.*
Ceftazidime (p.234·1).
Bacterial infections.

Zera *Tecnimede, Port.*
Simvastatin (p.1390·2).
Cardiovascular risk reduction; hypercholesterolaemia.

Zeramil *Coup, Gr.*
Aciclovir (p.862·3).
Herpesvirus infections.

Zerelin *Biomedica-Chemica, Gr.*
Meloxicam (p.80·3).
Inflammatory disorders.

Zerella *Schering, Austria†; Theramex, Ital.*
Estradiol (p.2097·2).
Menopausal disorders.

Zerene *Meda, Cz.; Biofutura, Ital.; Wyeth, Neth.; Meda, Port.*
Zaleplon (p.1035·3).
Insomnia.

Zeridame *Actavis, UK.*
Tramadol hydrochloride (p.130·3).
Pain.

Zerinetta *Boehringer Ingelheim, Ital.*
Paracetamol (p.108·1); chlorphenamine maleate (p.571·3).
Cold and influenza symptoms.

Zerinoflu *Boehringer Ingelheim, Ital.*
Paracetamol (p.108·1); chlorphenamine maleate (p.571·3); sodium ascorbate (p.1984·1).
Cold and influenza symptoms.

Zerinol-Fher *Boehringer Ingelheim, Ital.*
Paracetamol (p.108·1); chlorphenamine maleate (p.571·3).
Cold and influenza symptoms.

Zerit *BMS, Arg.; BMS, Austral.; BMS, Austria; BMS, Belg.; BMS, Canad.; BMS, Chile; BMS, Cz.; BMS, Denm.; BMS, Fin.; BMS, Fr.; BMS, Ger.; BMS, Gr.; BMS, Hong Kong; BMS, Hung.; BMS, Indon.; BMS, Irl.; BMS, Israel†; BMS, Ital.; BMS, Jpn; BMS, Malaysia†; BMS, Mex.; BMS, NZ; BMS, Neth.; BMS, Norw.; BMS, Pol.; BMS, Port.; BMS, Rus.; BMS, S.Afr.; BMS, Singapore; BMS, Spain; BMS, Swed.; BMS, Switz.; BMS, Thai.; BMS, Turk.; BMS, UK; BMS Oncology, USA; BMS, Venez.*
Stavudine (p.907·1).
HIV infection.

Zeritavir *BMS, Braz.*
Stavudine (p.907·1).
HIV infection.

Zerlin *Pharos, Indon.*
Sertraline (p.422·1).
Depression.

Zerlubron *Rafarm, Gr.†.*
Fenofibrate (p.1286·2).
Hyperlipidaemias.

Zermed *Medicine Products, Thai.*
Cetirizine hydrochloride (p.570·3).
Allergic rhinitis; allergic skin disorders; hypersensitivity reactions.

Zeroac *Mavi, Ital.*
Azelaic acid (p.1589·3); phosphatidyl choline (p.2367·1).
Acne.

Zerobase *Zeroderma, UK.*
Liquid paraffin (p.2030·3).
Diluent for topical steroids; dry skin; emollient.

Zerocid *Sun, Rus.*
Omeprazole (p.1753·1).
Peptic ulcer.

Zerodol *Ipca, India.*
Aceclofenac (p.14·3).
Inflammation; pain.

Zerodol-MR *Ipca, India.*
Aceclofenac (p.14·3); paracetamol (p.108·1); tizanidine hydrochloride (p.1898·2).
Muscle pain, inflammation, and spasm.

Zerodol-P *Ipca, India.*
Aceclofenac (p.14·3); paracetamol (p.108·1).
Fever; inflammation; pain.

Zeroflog *Valeas, Ital.*
Diclofenac (p.44·2).
Mouth and throat disorders.

Zeroform *Konimex, Indon.*
Loperamide (p.1741·3).
Diarrhoea.

Zeropain *Konimex, Indon.*
Menthol (p.2340·1); methyl salicylate (p.85·3); eugenol (p.2301·2); benzyl nicotinate (p.28·1).
Musculoskeletal, joint, peri-articular, and soft-tissue pain; neuralgia.

Zeropenem *Aventis, Arg.†.*
Meropenem (p.297·2).
Bacterial infections.

Zerosorin SN *Schuck, Ger.*
Homoeopathic preparation.

Zerospasm *Proel, Gr.*
Piroxicam (p.117·3).
Gout; inflammation; musculoskeletal and joint disorders; pain.

Zerpex *Menarini, Belg.*
Brivudine (p.867·3).
Herpes zoster infections.

Zerpyco *Atlantis, Mex.*
Pinaverium bromide (p.2368·1).
Gastrointestinal motility disorders; gastrointestinal spasm.

Zerrsox *Pharmatechnica, Philipp.*
Amoxicillin trihydrate (p.202·2).
Bacterial infections.

Zerru B-Plex *Pharmatechnica, Philipp.*
Vitamin B ; vitamin B ; vitamin B (p.1922·1).
Neuritis; vitamin B deficiency.

Zerrucee *Pharmatechnica, Philipp.*
Ascorbic acid (p.1983·3).
Vitamin C deficiency; vitamin C supplement.

Zertalin *Collins, Mex.*
Azithromycin (p.207·1).
Bacterial infections.

Zertine *Bangkok Lab & Cosmetic, Hong Kong; Farmaline, Thai.*
Cetirizine hydrochloride (p.570·3).
Allergic rhinitis; allergic skin disorders; urticaria.

Zesger *Gerard, Irl.*
Lisinopril (p.1325·2).
Diabetic nephropathy; heart failure; hypertension; myocardial infarction.

Zesger Plus *Gerard, Irl.*
⊗ Lisinopril (p.1325·2); hydrochlorothiazide (p.1307·3).
Hypertension.

Ze-Spas *Kee, India.*
Dicycloverine hydrochloride (p.1722·3); mefenamic acid (p.80·1).
Smooth muscle spasm.

Zestagesic *Ad-Drugstel, Philipp.*
Paracetamol (p.108·1).
Fever; pain.

Zestam *Dankos, Indon.*
⊗ Betamethasone (p.1518·2); dexchlorpheniramine maleate (p.572·1).
Allergic disorders.

Zestan
Note. This name is used for preparations of different composition.
Clonmel, Irl.
Lisinopril (p.1325·2).
Heart failure; hypertension; myocardial infarction.
Ad-Drugstel, Philipp.
Mefenamic acid (p.80·1).
Pain.

Zestapron *Unipharma, Gr.†.*
Butamirate citrate (p.1553·1).
Cough.

Zestoretic *AstraZeneca, Arg.; AstraZeneca, Austria; AstraZeneca, Belg.; AstraZeneca, Braz.; AstraZeneca, Canad.; AstraZeneca, Chile†; AstraZeneca, Denm.; AstraZeneca, Fr.; Cana, Gr.; AstraZeneca, Hong Kong; AstraZeneca, Indon.; AstraZeneca, Irl.; AstraZeneca, Ital.; AstraZeneca, Mex.; AstraZeneca, Neth.; AstraZeneca, Norw.; AstraZeneca, Philipp.; AstraZeneca, Port.; AstraZeneca, S.Afr.; AstraZeneca, Spain; AstraZeneca, Swed.; AstraZeneca, Switz.; Abdi, Turk.; AstraZeneca, UK; AstraZeneca, USA.*
⊗ Lisinopril (p.1325·2); hydrochlorothiazide (p.1307·3).
Hypertension.

Zestril *AstraZeneca, Arg.; AstraZeneca, Austral.; AstraZeneca, Belg.; AstraZeneca, Braz.; AstraZeneca, Canad.; AstraZeneca, Chile†; AstraZeneca, Denm.; AstraZeneca, Fin.†; AstraZeneca, Fr.; Cana, Gr.; AstraZeneca, Hong Kong; AstraZeneca, Indon.; AstraZeneca, Irl.; AstraZeneca, Ital.; AstraZeneca, Malaysia; AstraZeneca, Mex.; AstraZeneca, NZ†; AstraZeneca, Neth.; AstraZeneca, Norw.; AstraZeneca, Philipp.; AstraZeneca, Port.; AstraZeneca, S.Afr.; AstraZeneca, Singapore; AstraZeneca, Spain; AstraZeneca, Swed.; AstraZeneca, Switz.; AstraZeneca, Thai.; Abdi, Turk.; AstraZeneca, UK; AstraZeneca, USA.*
Lisinopril (p.1325·2).
Diabetic nephropathy; diabetic retinopathy; heart failure; hypertension; myocardial infarction.

Zeta N *Bergamon, Ital.*
Usnic acid (p.2409·3).
Vaginal disinfection.

Zetacet *Stiefel, USA.*
Sulfur (p.1614·1); sulfacetamide sodium (p.335·3).
Acne.

Zetagal *Elpen (Ελπεν), Gr.*
Cefuroxime sodium (p.238·2).
Bacterial infections.

Zetalax *Zeta, Ital.*
Glycerol (p.2314·2).
Constipation.

Zetalerg *UCI, Braz.†.*
Cetirizine hydrochloride (p.570·3).
Hypersensitivity reactions.

Zetamax *Pfizer, Rus.*
Azithromycin (p.207·1).
Bacterial infections.

Zetamicin *Menarini, Ital.*
Netilmicin sulfate (p.306·3).
Bacterial infections.

Zetapron *Unipharma, Gr.*
Butamirate citrate (p.1553·1).
Cough.

Zetar *Dermik, Hong Kong; Dermik, USA.*
Coal tar (p.1616·2).
Scalp disorders.

Zetarina *Zafiro, Mex.*
Dopamine hydrochloride (p.1273·2).
Extracorporeal circulation; hypotension; shock.

Zetavir *Liferpal, Mex.†.*
Aciclovir (p.862·3).
Herpes simplex infections.

Zetavit *Zeta, Ital.*
Multivitamin and mineral preparation (p.1922·1).

Zetavudin *Richmond, Arg.*
Zidovudine (p.913·3); lamivudine (p.895·1).
HIV infection.

Zetaxim *Wockhardt, India.*
Cefotaxime sodium (p.228·1).
Bacterial infections.

Zethrinal *Biomedica-Chemica, Gr.*
Ketotifen (p.582·2).
Allergic eye disorders.

Zetia *Schering-Plough, Arg.; Mantecorp, Braz.; Merck, USA; Schering-Plough, USA; Schering-Plough, Venez.*
Ezetimibe (p.1284·3).
Hypercholesterolaemia.

Zetifen *Cadila, Rus.*
Ketotifen fumarate (p.582·2).

Zetilox *Minerva (Μινερβα), Gr.*
Itraconazole (p.536·3).
Fungal infections.

Zetion *Nevzat, Turk.*
Pyrithione zinc (p.1611·2).
Scalp disorders.

Zetir *Abbott, Braz.; Rodleben, Ger.*
Cetirizine hydrochloride (p.570·3).
Hypersensitivity reactions.

Zetitec *UCI, Braz.†.*
Ketotifen fumarate (p.582·2).
Hypersensitivity reactions.

Zetitor *Glenmark, India†.*
Ezetimibe (p.1284·3); atorvastatin calcium (p.1218·3).
Hypercholesterolaemia.

Zetix *Recalcine, Chile.*
Zopiclone (p.1039·1).
Insomnia.

Zeto *Unipharm, Israel.*
Azithromycin (p.207·1).
Bacterial infections.

Zetofen *Adcock Ingram, S.Afr.*
Ketotifen fumarate (p.582·2).
Allergic rhinitis; allergic skin disorders; asthma.

Zetomax *Adcock Ingram, S.Afr.*
Lisinopril (p.1325·2).
Heart failure; hypertension; myocardial infarction.

Zetomax Co *Adcock Ingram, S.Afr.*
⊗ Lisinopril (p.1325·2); hydrochlorothiazide (p.1307·3).
Hypertension.

Zetop *Alliance, S.Afr.*
Cetirizine hydrochloride (p.570·3).
Allergic rhinitis; allergic skin disorders; pruritus.

Zetoridal *Duncan, Arg.†.*
Haloperidol (p.1000·2).

Zetran *Masa, Thai.*
Dipotassium clorazepate (p.980·1).
Anxiety; insomnia.

Zetrinal *Tripharma, Rus.*
Cetirizine hydrochloride (p.570·3).
Hypersensitivity reactions.

Zetron
Note.This name is used for preparations of different composition.
Libbs, Braz.
Bupropion hydrochloride (p.383·1).
Aid to smoking withdrawal; depression.

Vocate, Gr.
Ondansetron (p.1756·3).
Nausea and vomiting induced by chemotherapy.

Biolab, Thai.
Ondansetron hydrochloride (p.1756·3).
Nausea and vomiting induced by cytotoxics or radiotherapy; postoperative nausea and vomiting.

Zetrotax *Richmond, Arg.*
Zidovudine (p.913·3).
HIV infection.

Zetsim *Mantecorp, Braz.*
Ezetimibe (p.1284·3); simvastatin (p.1390·2).
Hyperlipidaemias.

Zevalin *Berlex, Canad.; Bayer Schering, Cz.; Schering, Denm.†; Schering, Fin.; Schering, Fr.; Schering, Ger.; Bayer Schering, Hung.; Schering, Irl.; Schering, Ital.; Bayer, NZ; Schering, Neth.; Schering, Norw.; Schering, Pol.; Schering, Port.; Schering, Spain; Schering, Swed.; Schering, Switz.; Bayer, UK; Cell Therapeutics, USA.*
Ibritumomab tiuxetan (p.730·2).
For radiolabelling with indium-111 or yttrium-90.
Non-Hodgkin's lymphoma.

Zevin *Biolab, Hong Kong; Biolab, Malaysia; Biolab, Thai.*
Aciclovir (p.862·3).
Herpes simplex infections of the skin and mucous membranes.

Zevit *GSK, India.*
Vitamin preparation with zinc (p.1922·1).

Zexate
Dabur, Philipp.; Biogalenic, Venez.
Methotrexate (p.745·2).
Malignant neoplasms; psoriasis; rheumatoid arthritis.

Dabur, Thai.
Methotrexate sodium (p.745·2).
Malignant neoplasms; psoriasis; rheumatoid arthritis.

Z-Fin *Ultra, Mex.*
Itraconazole (p.536·3).
Fungal infections.

Z-Fluor *Novartis Consumer, Belg.*
Sodium fluoride (p.1962·2).
Dental caries prophylaxis.

Z-gen *Goldline, USA.*
Multivitamin and mineral preparation (p.1922·1).

Ziac *Merck, Arg.; Merck, Chile; Merck, Philipp.; Barr, USA; Merck, Venez.*
⊗ Bisoprolol fumarate (p.1234·1); hydrochlorothiazide (p.1307·3).
Hypertension.

Ziagen
GSK, Austral.; GSK, Austria; GSK, Belg.; GSK, Canad.; GSK, Chile; GSK, Cz.; GSK, Denm.; GSK, Fin.; GSK, Fr.; GSK, Ger.; GSK, Gr.; GSK, Hong Kong; GSK, Hung.; GSK, Irl.; GSK, Israel; GSK, Ital.; GSK, NZ; GSK, Neth.; GSK, Norw.; GSK, Pol.; GSK, Port.; GSK, Rus.; GSK, S.Afr.; GSK, Singapore; GSK, Spain; GSK, Swed.; GSK, Switz.; GSK, Turk.; GSK, UK; Glaxo Wellcome, USA.
Abacavir sulfate (p.861·3).
HIV infection.

GSK, Venez.
Abacavir (p.861·3) or abacavir sulfate (p.861·3).
HIV infection.

Ziagenavir *GSK, Arg.; GSK, Braz.; GSK, Mex.; GSK, Thai.*
Abacavir sulfate (p.861·3).
HIV infection.

Ziak *Merck, S.Afr.*
⊗ Bisoprolol fumarate (p.1234·1); hydrochlorothiazide (p.1307·3).
Hypertension.

Ziana *Medicis, USA.*
Clindamycin phosphate (p.251·2); tretinoin (p.1618·1).
Acne.

Ziatir *Richmond, Arg.*
Imatinib mesilate (p.733·1).
Chronic myeloid leukaemia.

Ziaxal *Abbott, Port.*
Verapamil hydrochloride (p.1421·1); trandolapril (p.1416·2).
Hypertension.

Ziaxel *Abbott, Gr.; Abbott, NZ; Abbott, Neth.*
Verapamil hydrochloride (p.1421·1); trandolapril (p.1416·2).
Hypertension.

Zibac *Fahrenheit, Indon.*
Ceftazidime (p.234·1).
Bacterial infections.

Zibelant *Chrispa (Χρισπα), Gr.*
Tenoxicam (p.128·2).
Gout; inflammation; osteoarthritis; pain; rheumatoid arthritis; spondyloarthropathies.

Zibil *Sandoz, Mex.*
⊗ Salbutamol (p.1131·2) or salbutamol sulfate (p.1131·3).
Obstructive airways disease.

Zibor *Menarini, Cz.; Berlin-Chemie, Hung.; Amdipharm, UK.*
Bemiparin sodium (p.1223·1).
Thromboembolic disorders.

Zibramax *Guardian, Indon.*
Azithromycin (p.207·1).
Bacterial infections.

Zibren *Sigma-Tau, Ital.*
Acetylcarnitine or acetylcarnitine hydrochloride (p.1932·2).
Cerebrovascular disorders; peripheral neuropathy.

Zicet *Jin Yang, Hong Kong; Jin Yang, Malaysia.*
Cetirizine hydrochloride (p.570·3).
Allergic conjunctivitis; allergic rhinitis; urticaria.

Zicho *Nicholas, Indon.*
Azithromycin (p.207·1).
Bacterial infections.

Ziclin *Knoll, S.Afr.*
Gliclazide (p.440·3).
Diabetes mellitus.

Ziclob *Farmo Quimica, Chile.*
Cyclobenzaprine hydrochloride (p.1895·2).
Musculoskeletal spasm.

Ziclovir *Vitapan, Braz.†.*
Aciclovir (p.862·3).
Herpesvirus infections.

Zicomplex *Ipca, India†.*
Vitamin B complex with zinc (p.1922·1).

Ziconal *Pharmaniaga, Malaysia†; Raza, Malaysia†.*
Ketoconazole (p.539·1).
Fungal infections.

Zidepril *Minerva (Μινερβα), Gr.*
⊗ Captopril (p.1239·2); hydrochlorothiazide (p.1307·3).
Hypertension.

Zideron *Norma (Νορμα), Gr.*
Dextropropoxyphene hydrochloride (p.40·1).
Pain.

Zidic-C *Arlex, Mex.*
Zidovudine (p.913·3).
HIV infection.

Zidicef *Precimex, Mex.*
Ceftazidime (p.234·1).
Bacterial infections.

Zidifec *Caprifarmindo, Indon.; Sanbe, Indon.*
Ceftazidime (p.234·1).
Bacterial infections.

Zidima *Fabop, Arg.*
Ceftazidime (p.234·1).
Bacterial infections.

Zidimox *Farmoz, Port.*
Ceftazidime (p.234·1).
Bacterial infections.

Zidin *Phoinix Pharm (Φοινιξ Φαρμ), Gr.*
Trimetazidine (p.1419·2).
Angina pectoris.

Zidis *Pond's, Thai.†.*
Zidovudine (p.913·3).
HIV infection.

Zidofen *Genepharm, Gr.*
Ketotifen (p.582·2).
Allergic eye disorders.

Zidolam *Eurofarma, Braz.*
Lamivudine (p.895·1); zidovudine (p.913·3).
HIV infection.

Zidonil *Rafarm, Gr.*
Fluconazole (p.532·1).
Fungal infections.

Zidorex *Ipca, India†.*
Zidovudine (p.913·3).
HIV infection.

Zidoril *Unifa, Port.*
⊗ Finasteride (p.2188·3).
Benign prostatic hyperplasia.

Zidoval *3M, Denm.; 3M, Fin.; 3M, Israel; 3M, Ital.; 3M, Norw.; 3M, Spain; 3M, Swed.; 3M, UK.*
Metronidazole (p.837·1).
Bacterial vaginosis; trichomoniasis.

Zidovimm *Anfarm, Gr.*
Aciclovir (p.862·3).
Labial and genital herpes simplex infections.

Zidovir *Cristalia, Braz.†; Cipla, India; Protein, Mex.†; Cipla, Venez.*
Zidovudine (p.913·3).
HIV infection.

Zidovusan *Sanval, Braz.†.*
Zidovudine (p.913·3).
HIV infection.

Zidrevir *Kleva, Gr.*
Zidovudine (p.913·3).
HIV infection.

Ziegella *Peterer, Switz.*
Juniper oil (p.2328·3); ethyl nicotinate (p.52·1); rosemary oil (p.2381·3); sage oil (p.2382·3); St John's wort oil (p.423·2); lavender oil (p.2331·2); pine-needle oil (p.2368·2); calendula oil (p.2273·1).
Musculoskeletal and joint disorders; neuritis.

Zienam *MSD, Arg.; MSD, Austria; MSD, Ger.; MSD, Venez.*
Imipenem (p.286·3); cilastatin sodium (p.243·1).
Lidocaine hydrochloride (p.1862·3) may be included in the intramuscular injection to alleviate the pain of injection.
Bacterial infections.

Zient *Essex, Chile; MSD, Cz.; Schering-Plough, Mex.; Schering-Plough, Venez.*
Ezetimibe (p.1284·3).
Atherosclerosis; hypercholesterolaemia; sitosterolaemia.

ZI-Factor *Veropharm, Rus.*
Azithromycin (p.207·1).
Bacterial infections.

Zifartel *Continentales, Mex.*
Praziquantel (p.153·3).
Cysticercosis.

Zifin *Fahrenheit, Indon.*
Azithromycin (p.207·1).
Bacterial infections.

Zigabal *Tecnimede, Port.*
Oxcarbazepine (p.490·3).
Epilepsy.

Ziga-Gel *Bangkok Lab & Cosmetic, Thai.*
Aluminium hydroxide (p.1706·2); magnesium hydroxide (p.1743·2); simeticone (p.1770·2).
Flatulence; gastrointestinal hyperacidity; peptic ulcer.

Zigmadone *Virgo, Philipp.*
Povidone-iodine (p.1659·2).
Skin and mucous membrane disinfection; wounds.

Zihlava *Slovakofarma, Cz.†.*
Urtica (p.2409·3).
Renal calculi.

Zikaral *Sanovel, Turk.*
Tenoxicam (p.128·2).
Musculoskeletal and joint disorders.

Ziken *Kendrick, Mex.*
Mesna (p.1449·2).
Prevention of urotoxicity due to oxazaphosphorine antineoplastics.

Ziks *Nnodum, USA.*
Methyl salicylate (p.85·3); menthol (p.2340·1); capsaicin (p.32·3).
Musculoskeletal, joint, and soft-tissue disorders; neuralgia.

Zil *Sarabhai Piramal, India.*
Ornidazole (p.843·1).
Formerly contained tinidazole.
Amoebiasis; anaerobic bacterial infections; giardiasis; trichomoniasis.

Zilaben *Cristalia, Braz.*
Benzyl benzoate (p.2036·1).
Pediculosis; scabies.

Zilactin
Note.This name is used for preparations of different composition.
Zila, Philipp.
⊗ Tannic acid (p.2394·3); alcohol (p.1625·2).
Canker sores; cold sores; fever blisters.

Blairex, USA.
Benzyl alcohol (p.1631·3).
Formerly contained tannic acid.
Herpes labialis.

Zilactin Baby *Zila, Canad.*
Benzocaine (p.1854·1).
Teething.

Zilactin Cold Sore Gel *Blairex, Canad.*
Benzyl alcohol (p.1631·3).
Lip lesions; mouth ulcers.

Zilactin Tooth & Gum Pain Reliever *Blairex, Canad.*
Benzocaine (p.1854·1).

Zilactin Toothache Swab *Zila, Canad.*
Benzocaine (p.1854·1).
Toothache.

Zilactin-B *Blairex, Canad.*
Benzocaine (p.1854·1).
Mouth disorders.

Zilactin-B Medicated *Zila, USA.*
Benzocaine (p.1854·1).
Canker sores.

Zilactin-E *Hexa, Arg.†.*
Ergotamine tartrate (p.620·1); caffeine (p.1116·3); aspirin (p.20·3).
Migraine.

Zilactin-L *Blairex, Canad.; Blairex, USA.*
Lidocaine (p.1862·3).
Herpes labialis.

Zilactin-Lip *Zila, Canad.*
SPF 24: Octinoxate (p.1608·2); homosalate (p.1598·1); oxybenzone (p.1608·3); dimeticone (p.2032·1); menthol (p.2340·1).
Herpes labialis.

Ziladent *Zila, Philipp.*
⊗ Alcohol (p.1625·2); lidocaine (p.1862·3).
Mouth pain.

Zilast *Ipca, India.*
Cilostazol (p.1245·2).
Intermittent claudication.

Zildem *Adcock Ingram, S.Afr.*
Diltiazem hydrochloride (p.1265·1).
Angina pectoris; hypertension.

Zilden *Genepharm, Gr.*
Diltiazem hydrochloride (p.1265·1).
Angina pectoris; hypertension.

Zileze *Pinewood, Irl.; Opus, UK†.*
Zopiclone (p.1039·1).
Insomnia.

Zilfic *Mintlab, Chile.*
Sildenafil citrate (p.2193·1).
Erectile dysfunction.

Zilion *Cadila, India.*
Zidovudine (p.913·3).
HIV infection.

Zilip *Keryos, Ital.*
Penciclovir (p.901·2).
Herpes labialis.

Zilisten *Demo, Gr.*
Cefuroxime sodium (p.238·2).
Bacterial infections.

Zilium *Wolfs, Belg.*
Domperidone maleate (p.1726·3).
Delayed gastric emptying; nausea and vomiting.

Zillt *KRKA, Rus.*
Clopidogrel bisulfate (p.1250·2).
Thromboembolism prophylaxis.

Zilongjin *Longshunrong, Philipp.*
Astragalus; angelica (p.2258·1).
Nutritional supplement.

Zilop *Nicholas, Indon.*
Gemfibrozil (p.1295·3).
Coronary heart disease; hyperlipidaemias.

Zilopur *Apsen, Braz.*
Allopurinol (p.552·2).
Gout.

Ziloxican *Zimaia, Port.†.*
Meloxicam (p.80·3).
Osteoarthrosis; rheumatoid arthritis.

Zilutrol *Abbott, Switz.†.*
Meloxicam (p.80·3).
Arthroses.

Zimadoce *Rubio, Spain.*
Cobamamide (p.1980·2).
Tonic.

Zimaina *Zimaia, Port.†.*
Aspirin (p.20·3); caffeine (p.1116·3).
Fever; pain.

Zimaks *Bilim, Turk.*
Cefixime (p.224·3).
Bacterial infections.

Zimalgin *Shreya, India.*
Paracetamol (p.108·1); caffeine (p.1116·3); codeine phosphate (p.37·2).
Pain.

Zimanel *Proge, Ital.*
Cefotaxime sodium (p.228·1).
Lidocaine hydrochloride (p.1862·3) is included in this preparation to alleviate the pain of injection.
Bacterial infections.

Zimaquin *Gynopharm, Chile.*
⊗ Clomifene citrate (p.2086·1).
Female and male infertility; menstrual disorders.

Zimbacol *Link, UK.*
Bezafibrate (p.1232·1).
Hyperlipidaemias.

Zimerol *Cetus, Arg.*
Orotic acid (p.2358·3); dehydrocholic acid (p.2292·2); deoxycholic acid (p.2266·3); homatropine (p.1881·2).
Liver disorders.

Zimeton *Sons, Mex.*
Pancreatin (p.2360·1); bile salts (p.2266·2); simeticone (p.1770·2).
Digestive disorders.

Zimicina *Hexal, Braz.†.*
Azithromycin (p.207·1).
Bacterial infections.

Zimmex *Silom, Thai.*
Simvastatin (p.1390·2).
Coronary heart disease; hypercholesterolaemia.

Zimocel *SIT, Ital.*
Dried yeast (p.1998·3).

Zimoclone *Gerard, Irl.*
Zopiclone (p.1039·1).
Insomnia.

Zimor *Rubio, Malaysia; Rubio, Singapore; Rubio, Spain; Rubio, Thai.†; TTN, Thai.†.*
Omeprazole (p.1753·1).
Gastro-oesophageal reflux; peptic ulcer; Zollinger-Ellison syndrome.

Zimotris *Italmex, Mex.*
Amylase (p.2256·3); lipase (p.2360·3); pepsin (p.2365·1); chymotrypsin (p.2281·3); trypsin (p.2405·3).
Digestive disorders; pancreatic insufficiency.

Zimovane *Meda, Irl.; Aventis, UK.*
Zopiclone (p.1039·1).
Insomnia.

Zimox
Note. This name is used for preparations of different composition.
Faran, Gr.
Levodopa (p.804·3); carbidopa (p.803·1).
Parkinsonism.

Pfizer, Ital.
Amoxicillin trihydrate (p.202·2).
Bacterial infections.

Zimpax *PharmaConsult, Hung.*
Pantoprazole sodium (p.1760·1).
Gastro-oesophageal reflux; peptic ulcer.

Zimpels Erkaltungskomplex I *Staufen, Ger.*
Homoeopathic preparation.

Zimpels Nieren- und Hautkomplex *Staufen, Ger.*
Homoeopathic preparation.

Zimstat *Alphapharm, Austral.*
Simvastatin (p.1390·2).
Hypercholesterolaemia.

Zimulti *Sanofi-Aventis, Cz.; Sanofi-Aventis, Port.*
Rimonabant (p.2380·3).
Obesity.

Zimuvite *Pediapharma, Philipp.*
Ascorbic acid; betacarotene; *dl*-alfa tocoferil acetate; zinc gluconate (p.1922·1).
Immune stimulant; tonic.

Zimycan *Barrier Therapeutics, Belg.; Barrier Therapeutics, Neth.; Barrier Therapeutics, Port.*
Miconazole nitrate (p.541·3).
Fungal skin infections.

Zinabol *Makros, Braz.†.*
Cobamamide (p.1980·2).
Reduced appetite; tonic.

Zinacef
GSK, Belg.; GSK, Braz.; GSK, Canad.; GSK, Cz.; GSK, Denm.; GSK, Fin.; GSK, Ger.†; GSK, Gr.; GSK, Hong Kong; GSK, Hung.; GSK, Indon.; GSK, Irl.; GSK, Israel; GSK, Malaysia; GSK, NZ; GSK, Neth.; GSK, Norw.; GSK, Pol.; GSK, Rus.; GSK, S.Afr.; GSK, Singapore; GSK, Swed.; GSK, Switz.; GSK, Thai.; GSK, UK; Glaxo Wellcome, USA; GSK, Venez.
Cefuroxime sodium (p.238·2).
Bacterial infections.

GSK, Philipp.
Cefuroxime axetil (p.238·2) or cefuroxime sodium (p.238·2).
Bacterial infections.

Zinadiur *Errekappa, Ital.*
⊗ Benazepril hydrochloride (p.1223·2); hydrochlorothiazide (p.1307·3).
Hypertension.

Zinadol *GSK, Gr.*
Cefuroxime axetil (p.238·2).
Bacterial infections.

Zinadril *Errekappa, Ital.*
Benazepril hydrochloride (p.1223·2).
Heart failure; hypertension.

Zinamide *CSL, Austral.; MSD, Irl.†; MSD, NZ.*
Pyrazinamide (p.320·2).
Tuberculosis.

Zinaplex *Pediatrica, Philipp.*
Pyrazinamide (p.320·2).
Tuberculosis.

Zinasen *Atral, Port.*
Flunarizine hydrochloride (p.580·2).
Migraine; vertigo.

Zinat *GSK, Switz.*
Cefuroxime axetil (p.238·2).
Bacterial infections.

Zinaxin *Bionax, Thai.†; Eurovita, Thai.†; Vita Healthcare, UK.*
Ginger (p.1732·3).
Musculoskeletal and joint disorders.

Zinaxin Plus *Bionax, Malaysia†; Eurovita, Malaysia†; Eurovita, Thai.*
Ginger (p.1732·3); alpinia galanga.
Musculoskeletal and joint disorders.

Zinbee *Pediapharma, Philipp.*
Zinc gluconate (p.1999·2).
Nutritional supplement; zinc deficiency.

Zinc for Acne *Natural Life, Arg.*
Zinc; vitamin C; Vitamin B ; vitamin A; vitamin E (p.1922·1).

Zinc B, E & C *Puritan Quartz, Thai.†.*
Multivitamin preparation with zinc (p.1922·1).

Zinc + C250 *Vitaplex, Austral.†.*
Zinc amino acid chelate (p.2000·1); ascorbic acid (p.1983·3).
Zinc deficiency.

Zinc C Plus *Vitaglow, Austral.†.*
Zinc amino acid chelate (p.2000·1); ascorbic acid (p.1983·3); vitamin B substances (p.1922·1).
Inflammation; skin disorders; wounds.

Zinc Cream White *McGloin, Austral.*
SPF 30+: Zinc oxide (p.1621·2); octinoxate (p.1608·2); enzacamene (p.1597·1).
Skin abrasions; skin irritation; sunscreen.

Zinc Lotion *Vitamed, Israel.*
Zinc oxide (p.1621·2).
Skin irritation.

Zinc Plus
Note. This name is used for preparations of different composition.
Cenovis, Austral.
Zinc amino acid chelate (p.2000·1); vitamins and minerals (p.1922·1).
Zinc deficiency.

Swiss Herbal, Canad.
Zinc gluconate (p.1999·2); zinc proteinate; vitamin C (p.1983·3).

Zinc Supplement *Vitaplex, Austral.†.*
Zinc gluconate (p.1999·2); vitamins and minerals (p.1922·1).
Zinc deficiency.

Zinc Zenith *Eagle, Austral.*
Zinc amino acid chelate (p.2000·1); ascorbic acid (p.1983·3); pyridoxine hydrochloride (p.1978·2); minerals (p.1922·1).
Zinc supplement.

Zincaband *SSL, Austral.†; Medlock Medical, UK.*
Zinc oxide (p.1621·2).
Eczema; leg ulcers; medicated bandage.

Zinc-ACE *Wassen, UK.*
Zinc; vitamins (p.1922·1).

Zinca-Pak *Smith & Nephew SoloPak, USA.*
Zinc sulfate (p.1999·2).
Additive for intravenous total parenteral nutrition solutions.

Zincaps *Aspen, Austral.; Aspen, Hong Kong; Healthcare Logistics, NZ; ST, Thai.*
Zinc sulfate (p.1999·2).
Zinc supplement.

Zincas *Farmapol, Pol.*
Zinc hydroaspartate (p.2000·1).
Aggression; depression; erectile dysfunction; growth disorders in children; immunological disorders; nervous disorders; schizophrenia; skin disorders; wounds.

Zincate *Paddock, USA.*
Zinc sulfate (p.1999·2).
Dietary supplement.

Zincation *Isdin, Spain.*
Pyrithione zinc (p.1611·2).
Scalp disorders.

Zincation Plus *Isdin, Spain.*
Pyrithione zinc (p.1611·2); coal tar (p.1616·2).
Scalp disorders.

Zincfrin *Alcon, Austral.; Alcon, Belg.; Alcon, Canad.; Alcon, Denm.; Alcon, Fin.†; Alcon, Ger.; Alcon, Malaysia†; Alcon, Mex.; Alcon, NZ; Alcon Cusi, Spain†; Alcon, Swed.; Alcon, USA.*
Phenylephrine hydrochloride (p.1568·1); zinc sulfate (p.1999·2).
Conjunctivitis; eye congestion; eye irritation.

Zincfrin Antihistaminicum *Alcon, Belg.†.*
⊗ Antazoline phosphate (p.567·1); naphazoline hydrochloride (p.1565·2); zinc sulfate (p.1999·2).
Conjunctival congestion; eye irritation.

Zincfrin-A *Alcon, Canad.; Alcon, Fin.†; Alcon, Mex.; Alcon, S.Afr.*
⊗ Antazoline phosphate (p.567·1); naphazoline hydrochloride (p.1565·2); zinc sulfate (p.1999·2).
Allergic conjunctivitis.

Zinc-Imizol *Farmigea, Ital.*
⊗ Zinc sulfate (p.1999·2); naphazoline nitrate (p.1565·2).
Conjunctivitis, alone or associated with blepharitis.

Zinco *Berko, Turk.*
Zinc sulfate (p.1999·2).
Zinc deficiency; zinc supplement.

Zinco All' Acqua *Sella, Ital.†*
Zinc oxide (p.1621·2).
Skin disorders.

Zinco C *Berko, Turk.*
Zinc sulfate (p.1999·2); vitamin C (p.1983·3).
Zinc deficiency; zinc supplement.

Zinco Sulpha *Bell, India.*
Sulfacetamide sodium (p.335·3); zinc sulfate (p.1999·2).
Eye infections.

Zincod *Vitamed, Israel.*
Zinc oxide (p.1621·2); cod-liver oil (p.1935·2); kaolin (p.1738·1).
Nappy rash; skin irritation.

Zincoderm *Taro, Canad.; Bersan, Ital.*
Zinc oxide (p.1621·2).
Skin disorders.

Zincoderma *Confar, Port.*
Zinc oxide (p.1621·2).
Cicatrisation.

Zincofax *Pfizer Consumer, Canad.*
Zinc oxide (p.1621·2).
Nappy rash.

Zincol *Sam-On, Israel.*
Zinc sulfate (p.1999·2).
Skin ulcers; wounds; zinc deficiency.

Zincolok *Allergan, Braz.*
⊗ Zinc sulfate (p.1999·2); naphazoline hydrochloride (p.1565·2).
Ocular congestion.

Zincomed *UCB, UK.*
Zinc sulfate (p.1999·2).
Zinc deficiency.

Zincometil *Farmila, Ital.*
Benzalkonium chloride (p.1629·1); zinc sulfate (p.1999·2).
Eye disinfection.

Zincon *Lederle, USA.*
Pyrithione zinc (p.1611·2).
Scalp disorders.

Zincopan *Gunther, Braz.*
Zinc sulfate (p.1999·2).
Zinc deficiency.

Zincopto *Armoxindo, Indon.*
⊗ Naphazoline hydrochloride (p.1565·2); zinc sulfate (p.1999·2).
Eye irritation.

Zincoral *Mavi, Ital.*
Zinc and copper supplement (p.1922·1).

Zincosol *Bioceuticals, UK.*
Zinc sulfate (p.1999·2).

Zincovit *Labomed, Chile.*
Vitamin A; vitamin C; vitamin E; zinc (p.1922·1).
Dietary supplement.

Zincovit C *Theraskin, Braz.*
Multivitamin preparation with copper and zinc (p.1922·1).

Zincoxid *Framingham, Arg.*
Zinc oxide (p.1621·2).
Dietary supplement.

ZinCream *Medinova, Switz.*
Zinc oxide (p.1621·2).
Nappy rash; wounds.

Zincstic *Ideal Health, UK.*
Zinc oxide (p.1621·2); titanium dioxide (p.1617·3).
Sunscreen.

Zinctab *Pharmasant, Thai.†.*
Zinc (p.1999·1).
Zinc supplement.

Zincteral *Polfa, Cz.; Polfa Kutno, Pol.*
Zinc sulfate (p.1999·2).
Skin disorders; zinc deficiency; zinc supplement.

Zincum Hevert N *Hevert, Ger.*
Homoeopathic preparation.

Zincum valerianicum-Hevert *Hevert, Ger.*
Homoeopathic preparation.

Zincuprin *Sun-Farm, Pol.*
Copper hydroaspartate; zinc hydroaspartate (p.2000·1).
Copper and zinc deficiency.

Zincvit *Kenwood, USA.*
Multivitamin and mineral preparation (p.1922·1).

Zindaclin
Pharma Logistics, Belg.; Strakan, Singapore; Cantabria, Spain.
Clindamycin (p.251·1).
Acne.

Crawford, Cz.; Astellas, Ger.; Strakan, Irl.; Taro, Israel; Wolff, Malaysia; Pliva Krakow, Pol.; Astellas, Port.; Crawford, UK.
Clindamycin phosphate (p.251·2).
Acne.

Zindacline *Astellas, Fr.*
Clindamycin phosphate (p.251·2).
Acne.

Zindal *Prosel, Philipp.*
Clindamycin hydrochloride (p.251·1).
Bacterial infections; protozoal infections.

Zinecard
Pfizer, Canad.
Dexrazoxane (p.1443·1).
Prevention of doxorubicin cardiotoxicity.

Pharmacia Upjohn, USA.
Dexrazoxane hydrochloride (p.1443·1).
Prevention of doxorubicin cardiotoxicity.

Zinek-AIO *ICN, Cz.†.*
Zinc sulfate (p.1999·2).
Zinc deficiency.

Zineli *Rafarm, Gr.*
Sodium cromoglicate (p.1136·3).
Allergic conjunctivitis; allergic rhinitis.

Zineryt *Eurolab, Arg.; Astellas, Belg.; Astellas, Cz.; Hermal, Ger.; Astellas, Hung.; Astellas, Irl.; Astellas, Ital.; Astellas, Neth.; Astellas, Pol.; Astellas, Port.; Yamanouchi, Rus.; Astellas, S.Afr.; Astellas, Spain; Astellas, UK.*
Erythromycin (p.269·2); zinc acetate (p.1999·1).
Acne.

Zinetac *GSK, India.*
Ranitidine hydrochloride (p.1766·1).
Dyspepsia; gastro-oesophageal reflux; gastrointestinal hyperacidity; peptic ulcer; Zollinger-Ellison syndrome.

Zinetrin *Stiefel, Braz.*
Cetirizine (p.571·1).
Hypersensitivity reactions.

Zinex *Verheilen, Philipp.*
Cetirizine hydrochloride (p.570·3).
Allergic conjunctivitis; allergic rhinitis; urticaria.

Zinfect *Verisfield, Gr.*
Azithromycin (p.207·1).
Bacterial infections.

Zingo *Anesiva, USA.*
Lidocaine hydrochloride (p.1862·3).
Local anaesthesia.

Zink beta *Betapharm, Ger.*
Zinc sulfate (p.1999·2).
Zinc deficiency.

Zink Verla *Verla, Ger.*
Zinc gluconate (p.1999·2).
Zinc deficiency.

Zinkamin *Merck, Austria†; Falk, Ger.*
Bis(-histidinato) zinc (p.2000·1).
Zinc deficiency.

Zinkan *Wyeth Consumer, Neth.*
Dexphenothrin (p.2048·3); piperonyl butoxide (p.2049·1).
Pediculosis.

Zinkaspart *Twardy, Ger.*
Zinc aspartate (p.2000·1).
Zinc deficiency.

Zinkbrause *Verla, Ger.*
Zinc sulfate (p.1999·2).
Zinc deficiency.

Zink-Calmitol *OBA, Denm.†.*
Camphor (p.2273·2); hyoscyamus oil (p.2323·3); menthol (p.2340·1); zinc oxide (p.1621·2).
Pruritus.

Zink-D Longoral *Artesan, Ger.; Cassella-med, Ger.*
Zinc gluconate (p.1999·2).
Zinc deficiency.

Zinkit *Worwag, Ger.*
Zinc sulfate (p.1999·2).
Zinc deficiency.

Zink'N'Swim *Or-Dov, Austral.†.*
SPF 15+: Zinc oxide (p.1621·2).
Sunscreen.

Zinkokehl *Sanum-Kehlbeck, Ger.*
Homoeopathic preparation.

Zinkolie *Boots Healthcare, Neth.*
Zinc oxide (p.1621·2).
Skin disorders.

Zinkorell *Sanorell, Ger.*
Homoeopathic preparation.

Zinkorot *Worwag, Ger.*
Zinc orotate (p.2358·3).
Zinc deficiency.

Zinkorotat-POS *Ursapharm, Cz.*
Zinc orotate (p.2358·3).
Zinc deficiency.

Zinkotase *Biosyn, Ger.*
Zinc aspartate (p.2000·1).
Zinc deficiency.

Zinkpaste *Riemser, Ger.*
Zinc oxide (p.1621·2).
Skin disorders; skin ulcers; wounds.

Zink-Ratiopharm *Ratiopharm, Ger.*
Zinc sulfate (p.1999·2).
Zinc deficiency.

† This preparation may no longer be actively marketed

⊗ Contains a substance whose use may be restricted in certain sports (see p.vii)

Zinksalbe *CT, Ger.*
Zinc oxide (p.1621·2); cod-liver oil (p.1935·2); glycerol (p.2314·2).
Wounds.

Zinksalbe Dialon *Engelhard, Ger.†.*
Zinc oxide (p.1621·2).
Skin disorders; wounds.

Zinksalbe Lichtenstein *Winthrop, Ger.*
Zinc oxide (p.1621·2).
Skin disorders.

Zink-Sandoz *Sandoz, Ger.*
Zinc sulfate (p.1999·2).
Zinc deficiency.

Zinkzalf *Boots Healthcare, Neth.*
Zinc oxide (p.1621·2).
Skin disorders.

Zinmet *Mercury, Philipp.*
Promethazine hydrochloride (p.588·2).
Hypersensitivity reactions; nausea and vomiting; premedication; vestibular disorders.

Zinnat
GSK, Austral.; GSK, Austria; GSK, Belg.; GSK, Braz.; Etex, Chile; GSK, Cz.; GSK, Denm.; GSK, Fin.; GSK, Ger.; GSK, Hong Kong; GSK, Hung.; GSK, Indon.; GSK, Irl.; GSK, Israel; GSK, Ital.; GSK, Malaysia; GSK, NZ; GSK, Neth.; Duncan, Philipp.; GSK, Pol.; GSK, Rus.; GSK, S.Afr.; GSK, Singapore; GSK, Spain; GSK, Swed.; GSK, Thai.; GSK, UK; GSK, Venez.
Cefuroxime axetil (p.238·2).
Bacterial infections.

GSK, Fr.; GSK, Mex.
Cefuroxime axetil (p.238·2) or cefuroxime sodium (p.238·2).
Lidocaine hydrochloride (p.1862·3) may be included in some intramuscular injections to alleviate the pain of injection.
Formerly known as Curoxime in *Fr.*
Bacterial infections.

GSK, Turk.
Cefuroxime sodium (p.238·2).
Bacterial infections.

Zinnkraut-Tropfen *Bio-Diat, Ger.†.*
Equisetum (p.2299·3).
Urinary-tract disorders.

Zinnober D6 *Weleda, S.Afr.*
Homoeopathic preparation.

Zino *Soll (Σωλλ), Gr.*
Salicylic acid (p.1612·2).
Calluses.

Zinocep *Glaxo Allen, Ital.*
Cefuroxime sodium (p.238·2).
Bacterial infections.

Zinograf *Cellofarm, Braz.†.*
Ciclosporin (p.1822·2).
Transplant rejection.

Zinopin *Pynogin, UK.*
Pycnogenol (p.2368·1); ginger (p.1732·3).
Deep-vein thrombosis prophylaxis for travellers; motion sickness.

Zinopril *Teuto, Braz.*
Lisinopril (p.1325·2).
Hypertension.

Zinovat *Unipharma, Gr.*
Fluoxetine hydrochloride (p.391·2).
Depression.

Zinoxime *Montrose, Cz.*
Cefuroxime axetil (p.238·2).
Bacterial infections.

Zinsomine *Christo, Hong Kong.*
Diphenhydramine hydrochloride (p.577·2); cetrimide (p.1634·1); zinc oxide (p.1621·2).
Dermatitis; pruritus.

Zintion *Drogsan, Turk.*
Pyrithione zinc (p.1611·2).
Scalp disorders.

Zintona *Grunwalder, Ger.; Chrisana, Switz.*
Ginger (p.1732·3).
Digestive system disorders; dizziness; gastric pain; motion sickness; nausea; vomiting.

Zintrepid *Essex, Chile; Schering-Plough, Mex.; Schering-Plough, Venez.*
Ezetimibe (p.1284·3); simvastatin (p.1390·2).
Hypercholesterolaemia.

Zinulin *Sarabhai Piramal, India.*
⊗ Insulin zinc injection (porcine) (30% amorphous, 70% crystalline) (p.443·2).
Diabetes mellitus.

Zinvit *Blackmores, Austral.*
Zinc sulfate (p.1999·2); magnesium sulfate (p.1679·3); vitamin B substances (p.1922·1).
Herpes labialis; mouth ulcers; skin disorders; wounds; zinc deficiency.

Zinvit C *Blackmores, Austral.*
Zinc sulfate (p.1999·2); magnesium sulfate (p.1679·3); ascorbic acid (p.1983·3).
Herpes labialis; mouth ulcers; skin disorders; wounds.

Zinvit G *Blackmores, Austral.*
Zinc sulfate (p.1999·2); magnesium sulfate (p.1679·3); vitamin B substances (p.1922·1).
Skin disorders; zinc deficiency.

Ziohex *Hexal, Philipp.*
Zolpidem tartrate (p.1037·3).
Insomnia.

Ziox *Stratus, USA.*
⊗ Papain (p.2362·3); urea (p.1620·2); chlorophyllin copper complex (p.1471·1).

Zip-A-Dol *Labialfarma, Port.*
Ibuprofen (p.64·2).
Fever; pain.

Ziperid *Valeant, Hung.; ICN, Pol.*
Risperidone (p.1024·2).
Behaviour disorders; behavioural disorders; bipolar disorder; schizophrenia.

Zipos *Alodial, Port.*
Cefuroxime axetil (p.238·2).
Bacterial infections.

Zipra *Columbia, Mex.*
Ciprofloxacin hydrochloride (p.243·3).
Bacterial infections.

Ziprax *Cipla, India.*
Cefixime (p.224·3).
Bacterial infections.

Ziprol *Baldacci, Braz.*
Pantoprazole sodium (p.1760·1).
Peptic ulcer.

Zipsydon *Sun, India.*
Ziprasidone (p.1036·2).
Schizophrenia.

Ziptek *UCB, Gr.*
Cetirizine hydrochloride (p.570·3).
Hypersensitivity disorders.

Zipzoc *Smith & Nephew, Denm.; Smith & Nephew, Fin.; Smith & Nephew, Irl.; Smith & Nephew, Neth.; Smith & Nephew, Port.; Smith & Nephew Healthcare, UK.*
Zinc oxide (p.1621·2) impregnated stocking.
Leg ulcers; venous insufficiency.

Zipzoc Salvstrumpa *Smith & Nephew, Swed.*
Zinc oxide (p.1621·2).
Formerly known as Salvstrumpa.
Skin ulcers; vascular disorders.

Ziradryl *Parke, Davis, USA.*
Diphenhydramine hydrochloride (p.577·2); zinc oxide (p.1621·2); camphor (p.2273·2).
Pruritus.

Ziravir *Keryos, Ital.*
Famciclovir (p.876·1).
Herpesvirus infections.

Zirconia *Wermar, Mex.*
Aciclovir (p.862·3).
Herpesvirus infections.

Ziremex *Demo, Gr.*
Nimodipine (p.1357·2).
Neurological deficit following subarachnoid haemorrhage.

Zirpine *Pinewood, Irl.*
Cetirizine hydrochloride (p.570·3).
Allergic rhinitis; urticaria.

Zirtec *UCB, Ital.*
Cetirizine hydrochloride (p.570·3).
Conjunctivitis; rhinitis; urticaria.

Zirtek *UCB, Austria†; UCB, Gr.†; UCB, Irl.; UCB, UK.*
Cetirizine hydrochloride (p.570·3).
Allergic conjunctivitis; allergic rhinitis; pruritus; urticaria.

Zirvit *Ativus, Braz.*
A range of vitamin and mineral preparations (p.1922·1).

Zirvit Beta *Ativus, Braz.*
Betacarotene (p.1930·3).
Photosensitivity; vitamin A deficiency.

Zirvit E *Ativus, Braz.*
Tocoferil acetate (p.1992·3).
Vitamin E deficiency.

Zismirt *Gerard, Irl.*
Mirtazapine (p.409·2).
Depression.

Zispin *Organon, Irl.; Organon, UK.*
Mirtazapine (p.409·2).
Depression.

Zistic *Bernofarm, Indon.*
Azithromycin (p.207·1).
Bacterial infections.

Zita *LPC, UK.*
Cimetidine (p.1716·2).
Gastrointestinal disorders associated with hyperacidity.

Zitalgin *Josper, Braz.†.*
Dipyrone (p.49·2).
Fever; pain.

Zitanid *Novell, Indon.*
Tizanidine hydrochloride (p.1898·2).
Skeletal muscle spasm.

Zitazonium *Egis, Cz.; Egis, Hong Kong; EGIS, Hung.; Egis, Malaysia; Egis, Philipp.; Egis, Rus.; Egis, Thai.*
⊗ Tamoxifen citrate (p.772·3).
Anovulatory infertility; breast cancer; endometrial cancer; mastalgia.

Zitep *Andromaco, Mex.*
Sulfadiazine silver (p.337·2).
Burns; wounds.

Zithran *Ranbaxy, Mex.*
Azithromycin (p.207·1).
Bacterial infections.

Zithrocin *Biochem, India; Unique, Rus.*
Azithromycin (p.207·1).
Bacterial infections.

Zithro-Due *Phoinix Pharm (Φοινιξ Φαρμ), Gr.*
Azithromycin (p.207·1).
Bacterial infections.

Zithroflam *Rimsa, Mex.*
Azithromycin (p.207·1); nimesulide (p.95·3).
Bacterial infections.

Zithrogen *Xixia, S.Afr.*
Azithromycin (p.207·1).
Bacterial infections.

Zithromax *Pfizer, Austral.; Pfizer, Austria; Pfizer, Canad.; Pfizer, Chile; Pfizer, Fin.; Pfizer, Fr.; Pfizer, Ger.; Pfizer, Gr.; Pfizer, Hong Kong; Pfizer, Indon.; Pfizer, Irl.; Pfizer, Israel; Pfizer, Malaysia; Pfizer, NZ; Pfizer, Neth.; Pfizer, Philipp.; Pfizer, Port.; Pfizer, S.Afr.; Pfizer, Singapore; Pfizer, Switz.; Pfizer, Thai.; Pfizer, UK; Pfizer, USA.*
Azithromycin (p.207·1).
Bacterial infections.

Zithropan *Vocate, Gr.*
Azithromycin (p.207·1).
Bacterial infections.

Zithrotel *Anpharm (Ανφαρμ), Gr.*
Azithromycin (p.207·1).
Bacterial infections.

Zithroxyn *Help, Gr.*
Azithromycin (p.207·1).
Bacterial infections.

Zitoxil *Elmor, Venez.*
Minoxidil (p.1342·1).
Alopecia.

Zitrax *Genepharm, Gr.*
Azithromycin (p.207·1).
Bacterial infections.

Zitrazol *Novell, Indon.*
Itraconazole (p.536·3).
Fungal infections.

Zitril *Cazi, Braz.*
Azithromycin (p.207·1).
Bacterial infections.

Zitrocin *Pliva-Lachema, Cz.; Pliva, Hung.*
Azithromycin (p.207·1).
Bacterial infections.

Zitroken *Kendrick, Mex.*
Azithromycin (p.207·1).
Bacterial infections.

Zitrolid *Shchelkovskii, Rus.*
Azithromycin (p.207·1).
Bacterial infections.

Zitromax *Pfizer, Arg.; Pfizer, Belg.; Pfizer, Braz.; Pfizer, Denm.; Pfizer, Ital.; Pfizer, Spain; Pfizer, Turk.; Pfizer, Venez.*
Azithromycin (p.207·1).
Bacterial infections.

Zitromil *Ducto, Braz.*
Azithromycin (p.207·1).
Bacterial infections.

Zitroneo *Neo Quimica, Braz.*
Azithromycin (p.207·1).
Bacterial infections.

Zitrotek *Pfizer, Turk.*
Azithromycin (p.207·1).
Bacterial infections.

Zitrozina *Neves, Port.*
Azithromycin (p.207·1).
Bacterial infections.

Zittec *Vesco, Thai.*
Cetirizine hydrochloride (p.570·3).
Allergic conjunctivitis; allergic rhinitis; allergic skin disorders; insect bites.

Zitumex *Rafarm, Gr.*
Piroxicam (p.117·3).
Gout; inflammation; musculoskeletal and joint disorders; pain.

Zival *Valmor, Venez.*
Azithromycin (p.207·1).
Bacterial infections.

Zivas *Pascual, Philipp.*
Simvastatin (p.1390·2).
Hyperlipidaemias; ischaemic heart disease.

Ziverone *Rayere, Mex.*
Aciclovir (p.862·3).
Herpesvirus infections.

Zix *Recalcine, Chile†.*
Meloxicam (p.80·3).
Inflammation; musculoskeletal and joint disorders; pain.

Ziz *Chatfield Laboratories, UK.*
Promethazine hydrochloride (p.588·2).
Insomnia.

Z-Kraft *Hexal, Arg.†.*
Zinc sulfate (p.1999·2).
Zinc deficiency.

Zlatobylova Nat *Megafyt-R, Cz.*
Solidago (p.2391·1).
Urinary-tract disorders.

Zleep *Wockhardt, India.*
Zolpidem (p.1038·2).
Insomnia.

Zlucnikova Cajova Smes *Megafyt-R, Cz.*
Agrimony (p.2249·2); marrubium (p.1564·1); rhubarb (p.1768·3); peppermint leaf (p.1761·2).
Biliary-tract disorders.

Z-Max
Note. A similar name is used for preparations of different composition (see below).
Schering-Plough, Mex.†.
Phentolamine mesilate (p.1370·2).
Erectile dysfunction.

ZMax
Note. A similar name is used for preparations of different composition (see above and below).
Pfizer, Philipp.
Azithromycin (p.207·1).
Respiratory-tract infections.

Zmax
Note. A similar name is used for preparations of different composition (see above).
Pfizer, USA.
Azithromycin (p.207·1).
Acute bacterial sinusitis; community-acquired pneumonia.

ZN Xampu *Stiefel, Braz.*
Zinc (p.1999·1).
Seborrhoea.

Zn-Fusin *Pisa, Mex.†.*
Zinc sulfate (p.1999·2).

ZNP *Stiefel, Arg.†; Stiefel, Canad.; Stiefel, Chile; Stiefel, Fr.; Stiefel, Ital.; Stiefel, Mex.; Stiefel, USA.*
Pyrithione zinc (p.1611·2).
Dandruff; pityriasis versicolor; seborrhoeic dermatitis; skin disorders.

Znupril *Velka, Gr.*
Cetirizine hydrochloride (p.570·3).
Allergic conjunctivitis; allergic rhinitis; pruritus.

Zobacide *Garec, S.Afr.*
Metronidazole (p.837·1).
Anaerobic bacterial infections; protozoal infections.

Zobactam *Vocate, Gr.*
Piperacillin (p.315·2); tazobactam (p.344·3).
Bacterial infections.

Zoben *Pharmaniaga, Malaysia.*
Albendazole (p.139·2).
Worm infections.

Zobid *SM, Philipp.*
Diclofenac sodium (p.44·3).
Gout; inflammation; musculoskeletal and joint disorders; pain.

Zobrixol *Natrapharm, Philipp.*
Ambroxol hydrochloride (p.1550·3).
Respiratory-tract congestion.

Zocardis *Menarini, Rus.*
Zofenopril calcium (p.1434·3).
Hypertension; myocardial infarction.

Zocef *Ranbaxy, Malaysia.*
Cefuroxime axetil (p.238·2).
Bacterial infections.

Zocolip *Durascan, Denm.*
Simvastatin (p.1390·2).
Hypercholesterolaemia.

Zocor *MSD, Arg.; MSD, Austral.; MSD, Belg.; MSD, Braz.; Merck Frosst, Canad.; MSD, Chile; MSD, Cz.; MSD, Denm.; MSD, Fin.; MSD-Chibret, Fr.; Dieckmann, Ger.; Vianex (Βιανεξ), Gr.; MSD, Hong Kong; MSD, Hung.; MSD, Indon.; MSD, Irl.; Neopharmed, Ital.; MSD, Malaysia; MSD, Mex.; MSD, Neth.; MSD, Norw.; MSD, Philipp.; MSD, Pol.; MSD, Port.; MSD, Rus.; MSD, S.Afr.; MSD, Singapore; MSD, Spain; MSD, Switz.; MSD, Thai.; MSD, Turk.; MSD, UK; Merck, USA; MSD, Venez.*
Simvastatin (p.1390·2).
Atherosclerosis; cardiovascular risk reduction; cerebrovascular risk reduction; hypercholesterolaemia.

Zocord *MSD, Austria; MSD, Swed.*
Simvastatin (p.1390·2).
Coronary heart disease; hypercholesterolaemia; ischaemic heart disease.

Zocord/ASA *MSD, Swed.†.*
Tablets, simvastatin (p.1390·2); tablets, aspirin (p.20·3).
Coronary atherosclerosis.

Zocovin *TO-Chemicals, Thai.*
Aciclovir (p.862·3).
Herpes simplex infections of the skin and mucous membranes.

Zodac *Zentiva, Cz.; Zentiva, Rus.*
Cetirizine hydrochloride (p.570·3).
Allergic conjunctivitis; allergic rhinitis; pruritus; urticaria.

Zodalin *Elpen (Ελπεν), Gr.†.*
Codergocrine (p.364·1).
Peripheral vascular disorders.

Zodatron *Rafarm, Gr.*
Ondansetron (p.1756·3).
Nausea and vomiting induced by chemotherapy.

Zodeac *Econo Med, USA.*
Ferrous fumarate (p.1938·3); folic acid (p.1940·1); multivitamins and minerals (p.1922·1).
Iron-deficiency anaemias.

Zoderm
Note.This name is used for preparations of different composition.
GSK, India.
Oxiconazole nitrate (p.544·2); benzoic acid (p.1630·2).
Fungal skin infections.

Doak, USA.
Benzoyl peroxide (p.1590·2); urea (p.1620·2).
Acne.

Zodin *Trommsdorff, Ger.; Galenica, Gr.; Pronova, Neth.; Ferrer, Port.*
Omega-3-acid ethyl esters (p.1362·1).
Hyperlipidaemias; myocardial infarction.

Zodol *Saval, Chile.*
Tramadol hydrochloride (p.130·3).
Pain.

Zodorm *Unipharm, Israel.*
Zolpidem (p.1038·2).
Insomnia.

Zodormdura *Merck dura, Ger.*
Zolpidem tartrate (p.1037·3).
Sleep disorders.

Zodurat *Pohl, Ger.*
Zopiclone (p.1039·1).
Sleep disorders.

Zofadep *Biopharm, Philipp.*
Cefazolin sodium (p.222·1).
Bacterial infections.

Zofen *Pharmaland, Thai.*
Pizotifen (p.624·2).
Anorexia; reduced appetite.

Zofenil *Menarini, Fr.; Menarini, Irl.; Menarini, Port.; Menarini, Spain; Menarini, Switz.*
Zofenopril calcium (p.1434·3).
Hypertension; myocardial infarction.

Zofenil Plus *Menarini, Port.*
⊗ Zofenopril calcium (p.1434·3); hydrochlorothiazide (p.1307·3).
Hypertension.

Zofenilduo *Menarini, Fr.*
⊗ Zofenopril calcium (p.1434·3); hydrochlorothiazide (p.1307·3).
Hypertension.

Zofepril *Menarini, Gr.*
Zofenopril (p.1434·3).
Hypertension.

Zofepril Plus *Menarini, Gr.*
⊗ Zofenopril (p.1434·3); hydrochlorothiazide (p.1307·3).
Hypertension.

Zofer *Adeka, Turk.*
Ondansetron (p.1756·3).
Nausea and vomiting induced by cytotoxic therapy or radiotherapy; postoperative nausea and vomiting.

Zoff
Note. This name is used for preparations of different composition.
Smith & Nephew, Austral.
Dipropylene glycol methyl ether.
Adhesive plaster remover.

Smith & Nephew Healthcare, UK.
Trichloroethane (p.2027·2).
Adhesive plaster removal.

Zofil *Menarini, Neth.*
Zofenopril (p.1434·3).
Hypertension; myocardial infarction.

Zoflut *Cipla, India.*
⊗ Fluticasone propionate (p.1533·2).
Inflammatory skin disorders.

Zoflux *Libbs, Braz.*
Doxazosin mesilate (p.1275·1).
Benign prostatic hyperplasia; hypertension.

Zofora *Pharmy, Fr.†.*
Piroxicam (p.117·3).
Musculoskeletal, joint, and peri-articular disorders.

Zofran
GSK, Arg.; GSK, Austral.; GSK, Belg.; GSK, Hong Kong; GSK, Indon.; GSK, Israel; GSK, Malaysia; GSK, Mex.; GSK, NZ; GSK, Neth.; GSK, Norw.; Glaxo Wellcome, Port.; GSK, Rus.; GSK, S.Afr.; GSK, Singapore; GSK, Spain; GSK, Switz.; GSK, Turk.; Glaxo Wellcome, USA; GSK, Venez.
Ondansetron hydrochloride (p.1756·3).
Nausea and vomiting.

GSK, Austria; GSK, Braz.; GSK, Canad.; GSK, Cz.; GSK, Denm.; GSK, Fin.; GSK, Ger.; GSK, Hung.; GSK, Irl.; GSK, Ital.; GSK, Pol.; GSK, Swed.; GSK, Thai.; GSK, UK.
Ondansetron (p.1756·3) or ondansetron hydrochloride (p.1756·3).
Nausea and vomiting.

GSK, Philipp.
Ondansetron (p.1756·3).
Nausea and vomiting.

Zofredal *Kalbe, Indon.*
Risperidone (p.1024·2).
Psychoses.

Zofron *GSK, Gr.*
Ondansetron hydrochloride (p.1756·3).
Chemotherapy or radiotherapy-induced nausea and vomiting.

Zoiral *Aegis, Hong Kong.*
Clomipramine hydrochloride (p.386·3).
Depression; obsessive-compulsive disorder; panic disorder.

Zoiron *Multicare, Philipp.*
Ferrous fumarate (p.1938·3); vitamins (p.1922·1).
Iron deficiency; nutritional supplement.

Zok-Zid *Pfizer, Belg.; Pfizer, Denm.*
⊗ Metoprolol succinate (p.1338·1); hydrochlorothiazide (p.1307·3).
Hypertension.

Zol *Braun, Philipp.*
Metronidazole (p.837·1).
Anaerobic bacterial infections.

Zolac *Xepa-Soul Pattinson, Malaysia†.*
Bromocriptine mesilate (p.798·1).
Parkinsonism.

Zolacort *GMP, Indon.*
⊗ Miconazole nitrate (p.541·3); hydrocortisone (p.1535·2).
Infected skin disorders.

Zolacos CP *AstraZeneca, Austral.*
⊗ Tablets, bicalutamide (Cosudex) (p.686·2); implant, goserelin (Zoladex) (p.2108·1).
Prostatic cancer.

Zoladex *AstraZeneca, Arg.; AstraZeneca, Austral.; AstraZeneca, Austria; AstraZeneca, Belg.; AstraZeneca, Braz.; AstraZeneca, Canad.; AstraZeneca, Chile; AstraZeneca, Cz.; AstraZeneca, Denm.; AstraZeneca, Fin.; AstraZeneca, Fr.; AstraZeneca, Ger.; Promed, Ger.; Stern, Ger.; AstraZeneca, Gr.; AstraZeneca, Hong Kong; AstraZeneca, Hung.; AstraZeneca, Indon.; AstraZeneca, Irl.; AstraZeneca, Israel; AstraZeneca, Ital.; AstraZeneca, Malaysia; AstraZeneca, Mex.; AstraZeneca, NZ; AstraZeneca, Neth.; AstraZeneca, Norw.; AstraZeneca, Philipp.; AstraZeneca, Pol.; AstraZeneca, Port.; AstraZeneca, Rus.; AstraZeneca, S.Afr.; AstraZeneca, Singapore; AstraZeneca, Spain; AstraZeneca, Swed.; AstraZeneca, Switz.; AstraZeneca, Thai.; AstraZeneca, Turk.; AstraZeneca, UK; Zeneca, USA; AstraZeneca, Venez.*
⊗ Goserelin acetate (p.2108·2).
Breast cancer; controlled ovarian stimulation; endometriosis; female infertility; presurgical endometrial thinning; prostatic cancer; uterine fibroids.

Zolafren *Adamed, Pol.; Adamed, Port.*
Olanzapine (p.1012·1).
Bipolar disorder; mania; schizophrenia.

Zolagel *GMP, Indon.*
Miconazole nitrate (p.541·3).
Fungal skin and nail infections.

Zolam *Stadmed, India.*
Alprazolam (p.960·1).
Anxiety; mixed anxiety depressive states.

Zolamid *Mayne, Port.*
Midazolam hydrochloride (p.1007·3).

Zolamox *Cazi, Braz.*
⊗ Acetazolamide (p.1875·1).
Glaucoma.

Zolanix *Stiefel, Braz.*
Fluconazole (p.532·1).
Fungal infections.

Zolapin *BPL-Meizler, Braz.†.*
Clozapine (p.981·1).
Psychoses.

Zolargene *Pentafarma, Port.*
Loratadine (p.583·3).

Zolaten *Sigma, Austral.†; Sigma, NZ.*
Aciclovir (p.862·3).
Herpes labialis.

Zolax *Sanovel, Turk.*
Fluconazole (p.532·1).
Fungal infections.

Zolben
Note. This name is used for preparations of different composition.
Sanofi-Aventis, Braz.
Albendazole (p.139·2).
Worm infections.

Novartis, Chile; Sanopharm, Switz.
Paracetamol (p.108·1).
Fever; pain.

Zolben C *Sanopharm, Switz.*
Paracetamol (p.108·1); ascorbic acid (p.1983·3).
Fever; pain.

Zoldaben *Neckerman, Braz.†.*
Mebendazole (p.148·3).
Worm infections.

Zoldan *Vitapan, Braz.†.*
Albendazole (p.139·2).
Worm infections.

Zoldan-A *Cryopharma, Mex.†.*
⊗ Danazol (p.2090·2).

Zoldem *Lannacher, Austria; Hexal, Ger.; Anglo-French Drugs, India; Gerard, Irl.*
Zolpidem tartrate (p.1037·3).
Insomnia.

Zoldicam *Rayere, Mex.*
Fluconazole (p.532·1).
Fungal infections.

Zoldorm *Ecosol, Switz.*
Zolpidem tartrate (p.1037·3).
Insomnia.

Zoldria *Cipla, India; Cipla, Venez.*
Zoledronic acid (p.1106·1).
Bone metastases; hypercalcaemia of malignancy; metastatic bone disease.

Zole *Rexcel, India.*
Miconazole nitrate (p.541·3).
Fungal and Gram-positive bacterial skin infections.

Zole-F *Rexcel, India.*
⊗ Miconazole nitrate (p.541·3); fluocinolone acetonide (p.1531·3).
Fungal and Gram-positive bacterial skin infections.

Zoleprim *PP Lab, Thai.†.*
Co-trimoxazole (p.258·1).
Bacterial infections.

Zoleptil *Avalanche, Cz.; Italfarmaco, Port.; Orion, UK.*
Zotepine (p.1040·1).
Schizophrenia.

Zoles *Simoes, Braz.†.*
Mebendazole (p.148·3); tiabendazole (p.156·2).
Worm infections.

Zoleta *Ranbaxy, India.*
Imatinib mesilate (p.733·1).
Chronic myeloid leukaemia; gastrointestinal stromal cancer.

Zolfin *Ipca, India†.*
Cefazolin (p.222·1).
Bacterial infections.

Zolicef *BMS, Austria; Millimed, Thai.; Apothecon, USA†.*
Cefazolin sodium (p.222·1).
Lidocaine hydrochloride (p.1862·3) may be included in the intramuscular injection to alleviate the pain of injection.
Bacterial infections.

Zolico *Farma Lepori, Spain.*
Folic acid (p.1940·1).
Folic acid deficiency; prevention of neural tube defects.

Zolidan *BPL-Meizler, Braz.†.*
Midazolam (p.1007·3).
Insomnia.

Zoliden *Unipharma, Gr.*
Ranitidine hydrochloride (p.1766·1).
Conditions where gastric acid reduction is beneficial; gastric hypersecretion including Zollinger-Ellison syndrome; peptic ulcer.

Zoliderm *Pharmaniaga, Malaysia†; Raza, Malaysia†.*
Econazole nitrate (p.531·1).
Fungal skin infections.

Zolidime *Collins, Mex.†.*
⊗ Phenylbutazone (p.117·1); aspirin (p.20·3); dexamethasone (p.1526·1).
Inflammation; musculoskeletal and joint disorders.

Zolief *Genthon, Hong Kong.*
Zopiclone (p.1039·1).
Insomnia.

Zolim *Schwarz, Ger.*
Mizolastine (p.586·1).
Allergic conjunctivitis; allergic rhinitis; urticaria.

Zolimed *Unison, Thai.*
Cefazolin sodium (p.222·1).
Bacterial infections.

Zolin
Note. This name is used for preparations of different composition.
Itaca, Braz.†.
Cefazolin (p.222·1).
Bacterial infections.

Abigo, Swed.†.
⊗ Oxymetazoline hydrochloride (p.1567·2).
Rhinitis; sinusitis.

Zolina
Note. This name is used for preparations of different composition.
Llorens, Spain.
⊗ Boric acid (p.2268·1); naphazoline hydrochloride (p.1565·2).
Eye irritation.

Megat, Venez.
Ciprofloxacin (p.243·3).
Bacterial infections.

Zoline *Pyridam, Indon.*
Mebhydrolin napadisilate (p.584·3).
Allergic disorders.

Zolinza *Merck, USA.*
Vorinostat (p.790·1).
Cutaneous T-cell lymphoma.

Zoliparin *Mann, Ger.*
Aciclovir (p.862·3).
Herpes simplex eye infections.

Zolistam *Angelini, Ital.; Sanofi-Aventis, Port.*
Mizolastine (p.586·1).
Allergic conjunctivitis; allergic rhinitis; allergic rhinoconjunctivitis; urticaria.

Zolistan *Novag, Spain.*
Mizolastine (p.586·1).
Allergic rhinitis; urticaria.

Zolium *Inibsa, Port.†.*
Gamolenic acid (p.2308·2); vitamin E (p.1992·2).
Premenstrual symptoms.

Zolival *Virgo, Philipp.; Reig Jofre, Spain.*
Cefazolin sodium (p.222·1).
Bacterial infections.

Zolken *Kener, Mex.*
Itraconazole (p.536·3).
Fungal infections.

Zolldenol *Novis, Gr.*
Omeprazole (p.1753·1).
Peptic ulcer.

Zollocid *Landson, Indon.*
Omeprazole (p.1753·1).
Gastro-oesophageal reflux; peptic ulcer; Zollinger-Ellison syndrome.

Zolmed *Medhaus, Philipp.*
Co-trimoxazole (p.258·1).
Bacterial infections; pneumocystis pneumonia.

Zolmia *Fahrenheit, Indon.*
Zolpidem tartrate (p.1037·3).
Insomnia.

Zolmic *Delta, Braz.*
Fluconazole (p.532·1).
Fungal infections.

Zolmicol *Geolab, Braz.*
Ketoconazole (p.539·1).
Fungal infections.

Zolmid *Laboratorios Chile, Chile.*
Midazolam (p.1007·3).
General anaesthesia; premedication; sedative.

Zolnod *Rowex, Irl.*
Zolpidem tartrate (p.1037·3).
Insomnia.

Zolnoxs *Pharmacare, S.Afr.*
Zolpidem tartrate (p.1037·3).
Insomnia.

Zolodorm *Richmond, Arg.*
Zolpidem tartrate (p.1037·3).
Sleep disorders.

Zoloft
Pfizer, Arg.; Pfizer, Austral.; Pfizer, Braz.; Pfizer, Canad.; Pfizer, Cz.; Pfizer, Denm.; Pfizer, Fin.; Pfizer, Fr.; Pfizer, Ger.; Pfizer, Gr.; Pfizer, Hong Kong; Pfizer, Hung.; Pfizer, Indon.; Pfizer, Ital.; Pfizer, Malaysia; Pfizer, NZ; Pfizer, Neth.; Pfizer, Philipp.; Pfizer, Pol.; Pfizer, Port.; Pfizer, Rus.; Pfizer, S.Afr.; Pfizer, Singapore; Pfizer, Swed.; Pfizer, Switz.; Pfizer, Thai.; Pfizer, USA; Pfizer, Venez.
Sertraline hydrochloride (p.421·3).
Depression; mixed anxiety depressive states; obsessive-compulsive disorder; panic disorder; post-traumatic stress disorder; premenstrual dysphoric disorder; social phobia.

Pfizer, Norw.
Sertraline (p.422·1) or sertraline hydrochloride (p.421·3).
Depression; obsessive-compulsive disorder; panic disorder; post-traumatic stress disorder.

Zoloral *Ikapharmindo, Indon.*
Ketoconazole (p.539·1).
Fungal infections.

Zolotrin *Specifar, Gr.*
Sertraline (p.422·1).
Depression.

Zolpibell *Bellwether, Austral.*
Zolpidem tartrate (p.1037·3).
Insomnia.

Zolpic *Polpharma, Pol.*
Zolpidem tartrate (p.1037·3).
Insomnia.

Zolpidex *Giempi, Venez.*
Zolpidem tartrate (p.1037·3).
Insomnia.

Zolpidohexal *Hexal, Austria.*
Zolpidem tartrate (p.1037·3).
Insomnia.

Zolpidol *Dolorgiet, Neth.*
Zolpidem tartrate (p.1037·3).
Insomnia.

ZolpiGen *Generics, Pol.*
Zolpidem tartrate (p.1037·3).
Insomnia.

Zolpihexal *Hexal, S.Afr.*
Zolpidem tartrate (p.1037·3).
Insomnia.

Zolpi-Lich *Winthrop, Ger.*
Zolpidem tartrate (p.1037·3).
Sleep disorders.

Zolpi-Med *Medika, Switz.*
Zolpidem tartrate (p.1037·3).
Insomnia.

Zolpimerck *Generics, Cz.*
Zolpidem tartrate (p.1037·3).
Insomnia.

Zolpinox *SVUS, Cz.; Krewel, Ger.*
Zolpidem tartrate (p.1037·3).
Insomnia.

Zolpi-Q *Juta, Ger.; Q-Pharm, Ger.*
Zolpidem tartrate (p.1037·3).
Sleep disorders.

Zolpra *Ranbaxy, Mex.*
Pantoprazole sodium (p.1760·1).
Gastro-oesophageal reflux; peptic ulcer; Zollinger-Ellison syndrome.

Zolpramex *Sinterapico, Braz.†.*
Omeprazole (p.1753·1).
Peptic ulcer.

Zolsana *KRKA, Cz.; KRKA, Pol.*
Zolpidem tartrate (p.1037·3).
Insomnia.

Zolstan *Reddy, Malaysia; Biofarma, Venez.†.*
Fluconazole (p.532·1).
Fungal infections.

Zolstatin *Aurantis, Braz.†; Biochimico, Braz.†.*
Fluconazole (p.532·1).
Fungal infections.

Zolt *Orion, Fin.*
Lansoprazole (p.1739·2).
Gastro-oesophageal reflux; peptic ulcer; Zollinger-Ellison syndrome.

Zoltec *Pfizer, Braz.*
Fluconazole (p.532·1).
Fungal infections.

Zoltem *Nobel, Turk.*
Ondansetron hydrochloride (p.1756·3).
Nausea and vomiting induced by cytotoxic therapy or radiotherapy; postoperative nausea and vomiting.

Zoltenk *Biotenk, Arg.*
Omeprazole (p.1753·1).
Gastro-oesophageal reflux; peptic ulcer; Zollinger-Ellison syndrome.

Zolterol *CCM, Hong Kong; CCM, Malaysia; CCM, Singapore.*
Diclofenac sodium (p.44·3).
Inflammation; musculoskeletal, joint, peri-articular, and soft-tissue disorders; pain.

Zoltren *Teuto, Braz.*
Fluconazole (p.532·1).
Fungal infections.

Zoltrim *Sandoz, Indon.*
Co-trimoxazole (p.258·1).
Bacterial infections.

Zoltum *AstraZeneca, Fr.*
Omeprazole (p.1753·1).
Gastro-oesophageal reflux; peptic ulcer; Zollinger-Ellison syndrome.

Zolvastin *Medlink, Philipp.*
Simvastatin (p.1390·2).
Hyperlipidaemias.

Zolvera *Rosemont, UK.*
Verapamil hydrochloride (p.1421·1).
Angina pectoris; arrhythmias; hypertension.

Zomacton *Ferring, Austria; Ferring, Belg.; Ferring, Cz.; Ferring, Denm.; Ferring, Fin.; Ferring, Fr.; Ferring, Ger.; Ferring, Gr.; Ferring, Hung.†; Ferring, Irl.; Ferring, Ital.; Ferring, Neth.; Ferring, Norw.; Ferring, Port.; Ferring, Spain; Ferring, Swed.; Er-Kim, Turk.; Ferring, UK.*
⊗ Somatropin (p.1799·3).
Growth disorders in renal failure; growth hormone deficiency; Prader-Willi syndrome; Turner's syndrome.

Zomel *Clonmel, Irl.*
Lansoprazole (p.1739·2).
Gastro-oesophageal reflux; peptic ulcer; Zollinger-Ellison syndrome.

Zomepral *Laboratorios Chile, Chile.*
Omeprazole (p.1753·1).
Gastro-oesophageal reflux; peptic ulcer; Zollinger-Ellison syndrome.

Zomera *Novartis, Israel.*
Zoledronic acid (p.1106·1).
Bone metastases; hypercalcaemia of malignancy; multiple myeloma.

Zometa *Novartis, Arg.; Novartis, Austral.; Novartis, Austria; Novartis, Belg.; Novartis, Braz.; Novartis, Canad.; Novartis, Chile; Novartis, Cz.; Novartis, Denm.; Novartis, Fin.; Novartis, Fr.; Novartis, Ger.; Novartis, Gr.; Novartis, Hong Kong; Novartis, Hung.; Novartis, India; Novartis, Indon.; Novartis, Irl.; Novartis, Ital.; Novartis, Malaysia; Novartis, Mex.; Novartis, NZ; Novartis, Neth.; Novartis, Norw.; Novartis, Philipp.; Novartis, Pol.; Novartis, Port.; Novartis, Rus.; Novartis, S.Afr.; Novartis, Singapore; Novartis, Spain; Novartis, Swed.; Novartis, Switz.; Novartis, Thai.; Novartis, Turk.; Novartis, UK; Novartis, USA; Novartis, Venez.*
Zoledronic acid (p.1106·1).
Bone metastases; hypercalcaemia of malignancy; metastatic bone disease; multiple myeloma; osteoarthritis; osteoblastic lesions; osteolysis of malignancy; Paget's disease of bone.

Zometic *Chemopharma, Chile.*
Zopiclone (p.1039·1).
Insomnia.

Zomig *AstraZeneca, Austral.; AstraZeneca, Austria; AstraZeneca, Belg.; AstraZeneca, Braz.†; AstraZeneca, Canad.; AstraZeneca, Cz.; AstraZeneca, Denm.; AstraZeneca, Fin.; AstraZeneca, Fr.; AstraZeneca, Hong Kong; AstraZeneca, Hung.; AstraZeneca, Irl.; AstraZeneca, Israel; AstraZeneca, Ital.; AstraZeneca, Mex.; AstraZeneca, Neth.; AstraZeneca, Norw.; AstraZeneca, Philipp.; AstraZeneca, Pol.; AstraZeneca, Port.; IPR, Rus.; AstraZeneca, S.Afr.; AstraZeneca, Singapore; AstraZeneca, Spain; AstraZeneca, Swed.; AstraZeneca, Switz.; AstraZeneca, Thai.; AstraZeneca, Turk.; AstraZeneca, UK; AstraZeneca, USA; AstraZeneca, Venez.*
Zolmitriptan (p.628·1).
Migraine.

Zomigon *AstraZeneca, Arg.; AstraZeneca, Gr.*
Zolmitriptan (p.628·1).
Migraine.

Zomigoro *AstraZeneca, Fr.*
Zolmitriptan (p.628·1).
Migraine.

Zomiren *KRKA, Pol.*
Alprazolam (p.960·1).
Anxiety disorders.

Zomni *Jean-Marie, Hong Kong.*
Zopiclone (p.1039·1).
Insomnia.

Zomorph *Link, UK.*
⊗ Morphine sulfate (p.86·3).
Pain.

Zon *Antula, Fin.; Antula, Norw.; Antula, Swed.*
Ketoprofen (p.73·1).
Musculoskeletal and joint disorders; soft-tissue disorders; sports injuries.

Zonadin *Pliva-Lachema, Cz.*
Zolpidem tartrate (p.1037·3).
Insomnia.

Zonaker *Grin, Mex.*
Sodium hyaluronate (p.2320·1).

Zonal *Kalbe, Indon.*
Eperisone hydrochloride (p.1897·1).
Skeletal muscle spasm.

Zonalon *Medicis, Canad.†; Medicis, USA.*
Doxepin hydrochloride (p.389·1).
Pruritus.

Zonap *Unichem, India†.*
Zopiclone (p.1039·1).
Insomnia.

Zonatian *LKM, Arg.*
Isotretinoin (p.1599·2).
Acne.

Zoncef *AGIPS, Ital.†.*
Cefoperazone sodium (p.227·1).
Lidocaine hydrochloride (p.1862·3) is included in the intramuscular injection to alleviate the pain of injection.
Gram-negative bacterial infections.

Zondar *Niverpharm, Fr.*
Diacerein (p.41·3).
Osteoarthritis.

Zondra *Liomont, Mex.*
Alendronate sodium (p.1088·1).
Osteoporosis.

Zone-A *UAD, USA.*
⊗ Hydrocortisone acetate (p.1535·2); pramocaine (p.1868·2).

Zonef *Unison, Thai.*
Cefuroxime (p.238·2).
Bacterial infections.

Zonegran *Eisai, Cz.; Eisai, Fr.; Eisai, Ger.; Eisai, Hung.; Eisai, Irl.; Eisai, Neth.; Eisai, Port.; Eisai, Spain; Eisai, Swed.; Eisai, UK; Eisai, USA.*
Zonisamide (p.515·2).
Epilepsy.

Zonite *Menley & James, USA.*
Benzalkonium chloride (p.1629·1); edetic acid (p.1445·1); sodium acetate (p.1673·2); propylene glycol (p.2374·1); menthol (p.2340·1); thymol (p.1664·3).
Vaginal disorders.

Zonix *Mintlab, Chile.*
Zopiclone (p.1039·1).

Zonoct *Pharmacodane, Denm.*
Zolpidem tartrate (p.1037·3).
Insomnia.

Zoo Chews *Hall, Canad.†.*
Vitamin preparation (p.1922·1).

Zoo Chews with Iron *Hall, Canad.†.*
Vitamin preparation with iron (p.1922·1).

Zoodermina Cream *Bajer, Arg.*
Vitamin A palmitate (p.1973·1) spermaceti; beeswax (p.2028·1).
Emollient.

Zoom *Fabop, Arg.*
⊗ Salbutamol (p.1131·2).
Asthma.

Zop *Hexal, Ger.*
Zopiclone (p.1039·1).
Sleep disorders.

Zopam *Pharmasant, Thai.*
Diazepam (p.986·3).
Anxiety; insomnia; neuroses; skeletal muscle spasm.

Zopax *Cipla-Medpro, S.Afr.*
Alprazolam (p.960·1).
Anxiety disorders; mixed anxiety depressive states; panic disorder.

Zopax Plus *Cipla, India.*
⊗ Alprazolam (p.960·1); propranolol hydrochloride (p.1380·3).

Zophralen *Demo, Gr.*
Ondansetron (p.1756·3).
Nausea and vomiting induced by chemotherapy.

Zophren *GSK, Fr.*
Ondansetron (p.1756·3) or ondansetron hydrochloride (p.1756·3).
Nausea and vomiting.

Zopicalm *Temmler, Ger.*
Zopiclone (p.1039·1).
Sleep disorders.

Zopicalma *VP, Spain.*
Zopiclone (p.1039·1).
Insomnia.

Zopiclodura *Merck dura, Ger.*
Zopiclone (p.1039·1).
Sleep disorders.

Zopicon *Intas, India.*
Zopiclone (p.1039·1).
Insomnia.

Zopigen *Generics, Hung.; Xixia, S.Afr.*
Zopiclone (p.1039·1).
Insomnia.

Zopimed *Adcock Ingram, S.Afr.*
Zopiclone (p.1039·1).
Insomnia.

Zopinox *Orion, Fin.*
Zopiclone (p.1039·1).
Sleep disorders.

Zopi-Puren *Alpharma-Isis, Ger.*
Zopiclone (p.1039·1).
Sleep disorders.

Zopiratio *Ratiopharm, Pol.*
Zopiclone (p.1039·1).
Sleep disorders.

Zopirol *Phoenix, Arg.*
⊗ Timolol maleate (p.1412·3).
Glaucoma; ocular hypertension.

Zopitan *Clonmel, Irl.*
Zopiclone (p.1039·1).
Insomnia.

Zopitin *Vitabalans, Cz.*
Zopiclone (p.1039·1).
Insomnia.

Zopivane *Cipla-Medpro, S.Afr.*
Zopiclone (p.1039·1).
Insomnia.

Zopranol *Menarini, Gr.; Guidotti, Ital.; Menarini, Neth.; Menarini, Port.; Guidotti, Spain.*
Zofenopril calcium (p.1434·3).
Hypertension; myocardial infarction.

Zopranol Plus *Menarini, Gr.*
⊗ Zofenopril calcium (p.1434·3); hydrochlorothiazide (p.1307·3).
Hypertension.

Zoprazide *Guidotti, Ital.*
⊗ Zofenopril calcium (p.1434·3); hydrochlorothiazide (p.1307·3).
Hypertension.

Zoprol *Toprak, Turk.*
Lansoprazole (p.1739·2).
Dyspepsia; gastro-oesophageal reflux; peptic ulcer; Zollinger-Ellison syndrome.

Zoprotec *Ulagay, Turk.*
Zofenopril calcium (p.1434·3).
Hypertension; myocardial infarction.

Zorac *Allergan, Austria; Pierre Fabre, Belg.; Allergan, Braz.†; Bioglan, Fin.†; Pierre Fabre, Fr.; Pierre Fabre Dermo Kosmetik, Ger.; Pierre Fabre, Gr.; Allergan, Irl.; Pierre Fabre, Israel; Pierre Fabre, Ital.; Pierre Fabre, Pol.; Pierre Fabre, Spain; Allergan, Swed.†; Pierre Fabre, Switz.; Allergan, UK.*
Tazarotene (p.1617·1).
Acne; psoriasis.

Zoracilin *Suan, Gr.*
Piperacillin (p.315·2); tazobactam (p.344·3).
Bacterial infections.

Zorail *Vita, Spain.*
Enalapril maleate (p.1276·1); nitrendipine (p.1358·2).
Hypertension.

Zorak *Allergan, S.Afr.*
Tazarotene (p.1617·1).
Psoriasis.

Zoral
Note. This name is used for preparations of different composition.
DHA, Hong Kong; DHA, Malaysia; DHA, Singapore.
Aciclovir (p.862·3).
Herpesvirus infections.

Andromaco, Mex.
Omeprazole (p.1753·1).
Gastritis; gastro-oesophageal reflux; peptic ulcer; Zollinger-Ellison syndrome.

Zoralin *Medikon, Indon.*
Ketoconazole (p.539·1).
Fungal infections.

Zoran *Reddy, Rus.; Reddy, Singapore†; Biofarma, Venez.†.*
Ranitidine hydrochloride (p.1766·1).
Dyspepsia; gastro-oesophageal reflux; peptic ulcer; Zollinger-Ellison syndrome.

Zoratio *Ratiopharm, Pol.*
Zolpidem tartrate (p.1037·3).
Insomnia.

Zorax *Sunward, Malaysia†; Sunward, Singapore.*
Aciclovir (p.862·3).
Herpesvirus infections.

Zoraxin *Duopharma, Hong Kong.*
Aciclovir (p.862·3).
Herpesvirus infections.

Zorbtive *Serono, USA.*
⊗ Somatropin (p.1799·3).
Short bowel syndrome.

Zorced *Collins, Mex.*
Simvastatin (p.1390·2).
Atherosclerosis; cardiovascular risk reduction; cerebrovascular risk reduction; hypercholesterolaemia.

Zorclone *Ivax, Irl.*
Zopiclone (p.1039·1).
Insomnia.

Zordyl *Julphar, UAE.*
Chlorhexidine (p.1635·2).
Oral hygiene.

Zoref *Glaxo Allen, Ital.; Glaxo Wellcome, Port.*
Cefuroxime axetil (p.238·2).
Bacterial infections.

Zorel *Ferron, Indon.*
Aciclovir (p.862·3).
Herpes simplex skin and mucous membrane infections.

Zorem *Pliva, Cz.*
Amlodipine besilate (p.1214·1).
Angina pectoris; hypertension.

Zorex *Shchelkovskii, Rus.*
Dimercaprol (p.1444·1); calcium pantothenate (p.1959·3).
Cardiac glycoside poisoning; chronic alcoholism; heavy metal poisoning.

Zorkenil *Unipharma, Gr.*
Azelaic acid (p.1589·3).

Zorotop *Medika, Switz.*
Loperamide hydrochloride (p.1741·1).
Diarrhoea.

Zoroxin *MSD, Austria; MSD, Belg.; MSD, Denm.†.*
Norfloxacin (p.309·2).
Bacterial infections.

ZORprin *Par, USA.*
Aspirin (p.20·3).
Fever; osteoarthritis; pain; rheumatoid arthritis.

Zorstat *Pliva, Rus.*
Simvastatin (p.1390·2).

Zortrix *Ativus, Braz.*
Salix (p.121·3).
Fever; inflammation; pain.

Zoru *E-Z-EM, Belg.†.*
Tartaric acid (p.2395·2); sodium bicarbonate (p.1673·2); dimeticone (p.1770·2).
Gastrointestinal radiography.

Zostavax *Sanofi Pasteur, Cz.; Sanofi Pasteur, Port.; Merck, USA.*
A live varicella-zoster vaccine (Oka strain) (p.2242·2).
Active immunisation.

Zostevir *Menarini, Cz.; Menarini, Gr.*
Brivudine (p.867·3).
Herpes zoster infections.

Zostex *Berlin-Chemie, Ger.; Menarini, Port.; UFSA, Turk.*
Brivudine (p.867·3).
Herpes zoster infections.

Zostrix *Link, Austral.; Medicis, Canad.; Rafa, Israel; AFT, NZ; Rodlen, USA.*
Capsaicin (p.32·3).
Diabetic neuropathy; osteoarthritis; post-surgical pain; postherpetic neuralgia; rheumatoid arthritis.

Zostrum *Galderma, Ger.; Galderma, Irl.†.*
Idoxuridine (p.881·2) in dimethyl sulfoxide.
Herpes labialis; herpes zoster.

Zostydol *Guidotti, Spain†.*
Brivudine (p.867·3).
Herpes zoster infections.

Zosul *Cipla, India.*
Cefoperazone sodium (p.227·1); sulbactam sodium (p.335·1).
Bacterial infections.

Zosvir *Elea, Arg.†.*
Famciclovir (p.876·1).
Herpesvirus infections.

Zosyn *Wyeth, India; Lederle, USA.*
Piperacillin sodium (p.315·2); tazobactam sodium (p.344·2).
Bacterial infections.

Zoter
Note. This name is used for preparations of different composition.
Gap, Gr.
Pravastatin (p.1375·1).
Hyperlipidaemias.

Interbat, Indon.
Aciclovir (p.862·3).
Herpesvirus infections.

Zotex-PE *Vertical, USA.*
Brompheniramine maleate (p.569·2); phenylephrine hydrochloride (p.1568·1).
Upper respiratory-tract disorders.

Zotinar *Cipan, Port.*
⊗ Desonide (p.1525·1).
Skin disorders.

Zotinar-N *Cipan, Port.*
⊗ Desonide (p.1525·1); neomycin sulfate (p.305·1).
Infected skin disorders.

Zoto-HC *Horizon, USA.*
⊗ Chloroxylenol (p.1640·2); pramocaine hydrochloride (p.1868·1); hydrocortisone (p.1535·2).
Formerly known as Xotic.
Ear disorders.

Zoton *Wyeth, Austral.; Wyeth, Irl.; Neopharm, Israel; Wyeth Lederle, Ital.; Wyeth, NZ†; Wyeth, UK.*
Lansoprazole (p.1739·2).
Gastro-oesophageal reflux; gastrointestinal hyperacidity; peptic ulcer; Zollinger-Ellison syndrome.

Zotral *Polpharma, Pol.*
Sertraline hydrochloride (p.421·3).
Depression; obsessive-compulsive disorder.

Zotran *Pfizer, Chile.*
Alprazolam (p.960·1).
Anxiety; panic attacks.

Zotrim *Sigma, UK.*
Maté (p.2416·1); guarana (p.2416·1); damiana (p.2292·1).
Slimming aid.

Zotrole *Pinewood, Irl.*
Lansoprazole (p.1739·2).
Gastro-oesophageal reflux; peptic ulcer; Zollinger-Ellison syndrome.

Zov800 *Wellcome, Port.*
Aciclovir (p.862·3).
Herpesvirus infections.

Zovast *Darya-Varia, Indon.; Cipla, Philipp.*
Simvastatin (p.1390·2).
Cardiovascular risk reduction; hypercholesterolaemia.

Zovatin *Eczacibasi, Rus.; Eczacibasi, Turk.*
Simvastatin (p.1390·2).
Atherosclerosis; cardiovascular risk reduction; hypercholesterolaemia.

Zovia *Watson, USA.*
Ethinylestradiol (p.2101·3); etynodiol diacetate (p.2103·2).
28-Day packs also contain 7 inert tablets.
Combined oral contraceptive.

Zovir *GSK, Denm.*
Aciclovir (p.862·3).
Herpesvirus infections.

Zovirax
GSK, Arg.; GSK, Canad.; GSK, Cz.; GSK, Fr.; GSK, Gr.; GSK, Hong Kong; GSK, Hung.; GSK, India; GSK, Indon.; GSK, Israel; GSK, Ital.; Santen, Jpn; GSK, Malaysia; GSK, Philipp.; GSK, Pol.; GSK, Port.; GSK, S.Afr.; GSK, Singapore; GSK, Turk.
Aciclovir (p.862·3).
Herpesvirus infections.

GSK, Austral.; GSK, Austria; GSK, Belg.; GSK Consumer, Belg.; GSK, Braz.; GSK, Chile; GSK, Fin.; GSK, Ger.; GSK, Irl.; GSK, Mex.; GSK, NZ; GSK, Neth.; GSK, Norw.; GSK, Rus.; GSK, Spain; GSK, Swed.; GSK, Switz.; GSK, Thai.; GSK, UK; Biovail, USA; Glaxo Wellcome, USA.
Aciclovir (p.862·3) or aciclovir sodium (p.862·3).
Herpesvirus infections; HIV infection.

GSK, Venez.
Aciclovir sodium (p.862·3).
Herpesvirus infections.

Zoxan
Note. This name is used for preparations of different composition.
Pfizer, Fr.; Euro Registratie, Neth.
Doxazosin mesilate (p.1275·1).
Benign prostatic hyperplasia; hypertension.

FDC, India.
Ciprofloxacin (p.243·3).
Bacterial infections.

Zoxil *Xixia, S.Afr.*
Amoxicillin trihydrate (p.202·2).
Bacterial infections.

Zoxon *Zentiva, Cz.; Zentiva, Pol.; Leciva, Rus.*
Doxazosin mesilate (p.1275·1).
Benign prostatic hyperplasia; hypertension.

Zoylex *BPL-Meizler, Braz.†.*
Aciclovir (p.862·3).
Herpesvirus infections.

ZP 11 *Revlon, Canad.†.*
Pyrithione zinc (p.1611·2).
Scalp disorders.

ZP Dermil *Edol, Port.*
Pyrithione zinc (p.1611·2).
Scalp disorders.

Z-Pak *Pfizer, Canad.*
Azithromycin (p.207·1).
Bacterial infections.

Z-Plus *Dormer, Canad.*
Pyrithione zinc (p.1611·2); menthol (p.2340·1).
Dandruff; seborrhoeic dermatitis.

ZSC *Sigma, Austral.*
Zinc oxide (p.1621·2); starch (p.1968·1); chlorphenesin (p.529·2); talc (p.1615·2).
Hyperhidrosis; nappy rash; skin irritation.

Zubes *Ernest Jackson, UK.*
Menthol (p.2340·1); anise oil (p.2258·2).

Zubes Blackcurrant *Ernest Jackson, UK.*
Citric acid (p.2284·1); menthol (p.2340·1); anise oil (p.2258·2).

Zubes Honey & Lemon *Ernest Jackson, UK.*
Honey (p.1948·2); citric acid (p.2284·1); menthol (p.2340·1).

Zuckli *Berlin-Chemie, Rus.*
Saccharin sodium (p.1960·3); sodium cyclamate (p.1936·3).
Sugar substitute.

Zucoflaxin *Zuiko, Philipp.*
Cefalexin (p.218·2).
Bacterial infections.

Zudem *Aldril, Philipp.*
Cefpodoxime proxetil (p.232·1).
Bacterial infections.

Zufalm *Ratiopharm, Cz.*
Amlodipine besilate (p.1214·1).
Angina pectoris; hypertension.

Zuflax *Richmond, Arg.*
Isoflurane (p.1785·3).
General anaesthesia.

Zuidex *Q-Med, UK.*
Dextranomer (p.1593·3); hyaluronic acid (p.2320·1).
Female stress urinary incontinence.

zuk Schmerzgel, zuk Schmerzsalbe *Altana, Ger.†.*
Glycol salicylate (p.62·3).
Musculoskeletal, joint, peri-articular, and soft-tissue disorders; neuralgia.

zuk thermo *Altana, Ger.†.*
Glycol salicylate (p.62·3); benzyl nicotinate (p.28·1).
Musculoskeletal and joint disorders.

Zukedib *Loeffler, Mex.*
Glimepiride (p.441·1).
Diabetes mellitus.

Zulboral *Farmedia, Gr.*
Sodium cromoglicate (p.1136·3).
Nasal allergy.

Zuledin *Demo, Gr.*
Chlorpromazine hydrochloride (p.969·2).
Agitation; psychoses.

Zuleptan *Bago, Chile.*
Mirtazapine (p.409·2).
Anxiety; depression; insomnia.

Zulex *Almirall, Spain.*
Acamprosate calcium (p.958·3).
Alcoholism.

Zulmedx *Bajamed, Mex.*
Omeprazole (p.1753·1).
Peptic ulcer.

Zultrop *Tropica Mas, Indon.*
Co-trimoxazole (p.258·1).
Bacterial infections.

Zumablok *Sandoz, Indon.*
⊗ Atenolol (p.1217·3).
Angina pectoris; arrhythmias; hypertension.

Zumaderm-N *Sandoz, Indon.*
⊗ Fluocinolone acetonide (p.1531·3); neomycin sulfate (p.305·1).
Infected skin disorders.

Zumadiac *Sandoz, Indon.*
Gliclazide (p.440·3).
Diabetes mellitus.

Zumafen *Sandoz, Indon.*
Amoxicillin (p.202·2); clavulanic acid (p.250·2).
Bacterial infections.

Zumafib *Sandoz, Indon.*
Fenofibrate (p.1286·2).
Hyperlipidaemias.

Zumaflox *Sandoz, Indon.*
Ciprofloxacin (p.243·3).
Bacterial infections.

Zumalgic *Erempharma, Fr.*
Tramadol hydrochloride (p.130·3).
Pain.

Zumalin *Sandoz, Indon.*
Lincomycin hydrochloride (p.293·2).
Bacterial infections.

Zumamet *Sandoz, Indon.*
Metformin hydrochloride (p.453·2).
Diabetes mellitus.

Zumaran *Sandoz, Indon.*
Ranitidine hydrochloride (p.1766·1).
Peptic ulcer; Zollinger-Ellison syndrome.

Zumasid *Sandoz, Indon.*
Aciclovir (p.862·3).
Herpesvirus infections.

Zumatab *Sandoz, Indon.*
Thiamphenicol (p.351·1).
Bacterial infections.

Zumatic *Sandoz, Indon.*
Clindamycin (p.251·1).
Bacterial infections.

Zumatram *Sandoz, Indon.*
Tramadol hydrochloride (p.130·3).
Pain.

Zumatrol *Sandoz, Indon.*
Metoclopramide hydrochloride (p.1747·3).
Anorexia; dyspepsia; nausea and vomiting.

Zumazol *Sandoz, Indon.*
Ketoconazole (p.539·1).
Fungal skin infections.

Zumba
Note. This name is used for preparations of different composition.
Novum, Mex.
Vitamins; minerals; damiana; guarana; arginine (p.1922·1).
Crefar, Port.
Yohimbine hydrochloride (p.2200·2).
Erectile dysfunction.

Zumenon *Solvay, Austral.; Solvay, Austria; Solvay, Belg.; Solvay, Fin.; Solvay, Neth.; Solvay, Port.; Solvay, Switz.; Solvay, UK.*
Estradiol (p.2097·2).
Menopausal disorders; oestrogen deficiency; osteoporosis.

Zumilin *Farmedia, Gr.*
Azelaic acid (p.1589·3).
Acne.

Zumorin *Sons, Mex.*
Ampicillin trihydrate (p.204·2).
Bacterial infections.

Zundic *Raffo, Arg.*
Amlodipine besilate (p.1214·1).
Angina pectoris; hypertension.

Zurcal *Novartis, Arg.†; Nycomed, Austria; Novartis, Braz.; Novartis, Chile; Altana, Mex.; Altana, Port.; Nycomed, Switz.*
Pantoprazole sodium (p.1760·1).
Gastritis; gastro-oesophageal reflux; peptic ulcer; Zollinger-Ellison syndrome.

Zurcale *Altana, Belg.*
Pantoprazole sodium (p.1760·1).
Gastro-oesophageal reflux; peptic ulcer.

Zurcazol *Nycomed, Gr.*
Pantoprazole sodium (p.1760·1).
Gastro-oesophageal reflux; peptic ulcer.

Zurfix *Phoinix Pharm (Φοινιξ Φαρμ), Gr.*
Ranitidine hydrochloride (p.1766·1).
Conditions where gastric acid reduction is beneficial; gastric hypersecretion including Zollinger-Ellison syndrome; peptic ulcer.

Zurim *Atral, Port.*
Allopurinol (p.552·2).
Gout; hyperuricaemia.

Zurinel *Prater, Chile.*
Atorvastatin (p.1219·1).

Zurocid *Farmilia, Gr.*
Simvastatin (p.1390·2).
Hyperlipidaemias.

Zuvair *Reddy's, India.*
Zafirlukast (p.1150·2).
Asthma.

Z-Vita *Pediapharma, Philipp.*
Lysine hydrochloride; vitamin B substances; zinc gluconate (p.1922·1).
Nutritional supplement.

Z-Xtra *Magna, USA.*
Mepyramine maleate (p.585·2); benzocaine (p.1854·1); zinc oxide (p.1621·2).
Skin disorders.

Zyatrol *Smith Kline & French, Port.*
Ropinirole hydrochloride (p.816·1).

Zyban *GSK, Austral.; GSK, Austria; GSK, Belg.; GSK, Braz.; Biovail, Canad.; GSK, Cz.; GSK, Denm.; GSK, Fin.; GSK, Fr.; GSK, Ger.; GSK, Gr.; GSK, Hong Kong; GSK, Hung.†; GSK, India; GSK, Irl.; GSK, Israel; GSK, Ital.; GSK, Malaysia; GSK, NZ; GSK, Neth.; GSK, Norw.; GSK, Pol.; Glaxo Wellcome, Port.; GSK, S.Afr.; GSK, Singapore; GSK, Swed.; GSK, Switz.; GSK, Turk.; GSK, UK; Glaxo Wellcome, USA; GSK, Venez.†.*
Bupropion hydrochloride (p.383·1).
Aid to smoking withdrawal.

Zycalcit *Cadila, India.*
Calcitonin (salmon) (p.1093·1).
Hypercalcaemia of malignancy; metastatic bone pain; osteoporosis; Paget's disease of bone.

Zycel *Cadila, India.*
Celecoxib (p.34·2).
Osteoarthritis; rheumatoid arthritis.

Zycin *Cadila, India; Interbat, Indon.*
Azithromycin (p.207·1).
Bacterial infections.

Zyclir *Arrow, Austral.*
Aciclovir (p.862·3) or aciclovir sodium (p.862·3).
Herpesvirus infections; HIV infection.

Zyclorax *Mugi, Indon.*
Aciclovir (p.862·3).
Herpesvirus infections.

Zydalis *Zydus, India.*
Tadalafil (p.2196·2).
Erectile dysfunction.

Zydan *SM, Venez.*
Benzydamine (p.27·3).
Mouth and throat inflammation.

Zyderm *Collagen, Austral.; Collagen, Ger.†; McGhan, Ger.†; McGhan, Hong Kong†; Inamed, Singapore†.*
Collagen (bovine) (p.2286·1).
Lidocaine (p.1862·3) is included in this preparation to alleviate the pain of injection.
Skin contour defects.

Zydinol *More, Philipp.*
Paracetamol (p.108·1).
Fever; pain.

Zydol *CSL, Austral.; Grunenthal, Irl.; Grunenthal, Port.; Grunenthal, UK.*
Tramadol hydrochloride (p.130·3).
Pain.

Zydone *Endo, USA.*
Hydrocodone tartrate (p.63·1); paracetamol (p.108·1).
Pain.

Zydowin *Zydus, India.*
Zidovudine (p.913·3).
HIV infection.

Zyfetor *Allen, Austria.*
⊗ Dutasteride (p.2188·1).
Benign prostatic hyperplasia.

Zyflo *Critical Therapeutics, USA.*
Zileuton (p.1151·2).
Asthma.

Zyflox
Note. This name is used for preparations of different composition.
Promed, Indon.
Ofloxacin (p.310·2).
Bacterial infections.
Zydus, Philipp.
Ciprofloxacin hydrochloride (p.243·3).
Bacterial infections.

Zygium *Solara, Mex.*
Calcitriol (p.1986·2).
Hypoparathyroidism; osteoporosis; pseudohypoparathyroidism; renal osteodystrophy; rickets.

Zykinase *Cadila, India.*
Streptokinase (p.1402·3).
Thromboembolic disorders.

Zykolat-EDO *Mann, Ger.*
Cyclopentolate hydrochloride (p.1879·3).
Production of mydriasis and cycloplegia.

Zylapour *Farmanic, Gr.*
Allopurinol (p.552·2).
Gout; hyperuricaemia associated with cancer chemotherapy; kidney stones.

Zylfina *Merck, Port.*
⊗ Finasteride (p.2188·3).
Alopecia androgenetica.

Zylium *Farmasa, Braz.*
Ranitidine hydrochloride (p.1766·1).
Acid aspiration; gastro-oesophageal reflux; gastrointestinal haemorrhage; peptic ulcer; Zollinger-Ellison syndrome.

Zyllergy *Dexcel, Israel.*
Cetirizine hydrochloride (p.570·3).
Allergic rhinitis; urticaria.

Zyllt *KRKA, Pol.*
Clopidogrel bisulfate (p.1250·2).
Atherosclerosis.

Zylohist *Zydus, Philipp.*
Loratadine (p.583·3).
Allergic conjunctivitis; allergic rhinitis; urticaria.

Zylol *Teva, Israel.*
Allopurinol (p.552·2).
Gout; hyperuricaemia; uric acid nephropathy.

Zyloprim *Sigma, Austral.; GSK, Canad.; GSK, Mex.; GSK, Philipp.; GSK, S.Afr.; Faro, USA.*
Allopurinol (p.552·2).
Gout; hyperuricaemia; renal calculi.

Zyloram *Ranbaxy, Cz.; Ranbaxy, Hung.*
Citalopram hydrobromide (p.385·3).
Depression; panic disorder.

Zyloric *GSK, Austria; SMB, Belg.; GSK, Braz.; GSK, Chile; GSK, Fin.; GSK, Fr.; Mibe, Ger.; GSK, Gr.; Sigma, Hong Kong; GSK, India; GSK, Indon.; GSK, Irl.; Wellcome, Israel†; GSK, Ital.; GSK, Malaysia; GSK, Neth.; GSK, Norw.; GSK, Pol.; Vitoria, Port.; GSK, Singapore; Faes, Spain; GSK, Swed.; GSK, Switz.; GSK, Thai.; GSK, UK; GSK, Venez.*
Allopurinol (p.552·2).
Gout; hyperuricaemia; hyperuricosuria; renal calculi.

Zylotin *Virgo, Philipp.*
Carbocisteine (p.1553·2).
Cough.

Zymacap *Roberts, USA.*
Multivitamin preparation (p.1922·1).

Zymacter *Remedina, Gr.*
⊗ Budesonide (p.1520·1).
Allergic rhinitis.

Zymad *Novartis Sante, Fr.*
Colecalciferol (p.1986·2).
Vitamin D deficiency.

Zyma-D2 *Novartis Sante, Fr.†.*
Ergocalciferol (p.1987·1).
Vitamin D deficiency.

Zymaduo *Novartis Sante, Fr.*
Sodium fluoride (p.1962·2); colecalciferol (p.1986·2).
Dental caries prophylaxis; rickets.

Zymafluor *Novartis Consumer, Austria; Novartis Consumer, Cz.; Novartis Sante, Fr.; Novartis Consumer, Ger.; Novartis Consumer, Hung.; Novartis Consumer, Israel; Novartis Consumer, Ital.; Novartis Consumer, Neth.; Novartis Consumer, Pol.; Novartis Consumer, Port.; Novartis Consumer, S.Afr.; Novartis Consumer, Spain†; Novartis Consumer, Switz.; Novartis, Thai.; Novartis, Turk.*
Sodium fluoride (p.1962·2).
Dental caries prophylaxis; fluoride supplement.

Zymafluor D *Novartis Consumer, Ger.*
Sodium fluoride (p.1962·2); colecalciferol (p.1986·2).
Dental caries prophylaxis; rickets.

Zymamed *Novartis Consumer, Austria.*
Diclofenac potassium (p.44·3).
Fever; pain.

Zymanta *Asofarma, Mex.*
Clonazepam (p.478·2).
Anxiety; epilepsy.

Zymar *Allergan, Braz.; Allergan, Canad.; Allergan, Chile; Allergan, Mex.; Allergan, Philipp.; Allergan, Singapore; Allergan, Thai.; Allergan, USA.*
Gatifloxacin (p.281·1).
Bacterial eye infections.

Zymaran *Allergan, Arg.*
Gatifloxacin (p.281·1).
Bacterial eye infections.

Zyme E *Blooming Fields, Philipp.*
Vitamin E (p.1992·2).
Vitamin E deficiency.

Zymechol *Blooming Fields, Philipp.*
Omega-3 fish oil (p.1362·2).
Hyperlipidaemias.

Zymed *Millimed, Thai.*
Cetirizine hydrochloride (p.570·3).
Allergic conjunctivitis; allergic rhinitis; allergic skin disorders.

Zymelin *Nycomed, Denm.; Leiras, Fin.†; Nycomed, Norw.; Nycomed, Swed.*
⊗ Xylometazoline hydrochloride (p.1575·1).
Otitis; rhinitis; sinusitis.

Zymelytic *Blooming Fields, Philipp.*
Carbocisteine (p.1553·2).
Respiratory-tract congestion.

Zymine *Vindex, USA.*
Triprolidine hydrochloride (p.592·3) or triprolidine tannate (p.593·1).
Allergic conjunctivitis; allergic rhinitis; allergic skin disorders.

Zymine HC *Vindex, USA.*
Hydrocodone tartrate (p.63·1); triprolidine hydrochloride (p.592·3); pseudoephedrine hydrochloride (p.1571·2).

Zymine-D *Vindex, USA.*
Triprolidine hydrochloride (p.592·3); pseudoephedrine hydrochloride (p.1571·2).

Zymizinc *Aguettant, Fr.†.*
Zinc gluconate (p.1999·2).
Zinc deficiency.

Zymoplex
Note. This name is used for preparations of different composition.
Genepharm, Gr.
⊗ Tamoxifen citrate (p.772·3).
Breast cancer.
Sanofi, Switz.†.
Pancreatic protease and amylase (p.2337·3); enzymes of *Aspergillus oryzae*; amylase (p.2256·3); protease; cellulase (p.2279·1); lipase; dimethicone (p.1770·2).
Dyspepsia; flatulence.

Zymoptic *Cooper (Κοπερ), Gr.†.*
⊗ Carteolol (p.1241·2).
Glaucoma.

Zymoxyl *Blooming Fields, Philipp.*
Amoxicillin trihydrate (p.202·2).
Bacterial infections.

Zynace *Xepa-Soul Pattinson, Malaysia†.*
Enalapril maleate (p.1276·1).
Heart failure; hypertension.

Zynal *Korean Drug, Singapore†.*
Naproxen sodium (p.92·3).
Gout; musculoskeletal, joint, and peri-articular disorders; pain.

Zyncet *Unichem, Rus.*
Cetirizine hydrochloride (p.570·3).
Allergic conjunctivitis; allergic rhinitis; pruritus; urticaria.

Zyneva *Medicus, Gr.*
Mitoxantrone (p.754·3).
Malignant neoplasms.

Zynicor *Zydus, India.*
Nicorandil (p.1349·1).
Angina pectoris.

Zyno *Bangkok Lab & Cosmetic, Thai.*
⊗ Triamcinolone acetonide (p.1544·3).
Skin disorders.

Zynor *Ivax, Irl.*
Cetirizine hydrochloride (p.570·3).
Allergic rhinitis; pruritus; urticaria.

Zynox *Intramed, S.Afr.*
Naloxone hydrochloride (p.1453·2).
Opioid overdosage; reversal of opioid depression.

Zyntabac *GSK, Neth.; GSK, Port.; GSK, Spain.*
Bupropion hydrochloride (p.383·1).
Aid to smoking withdrawal.

Zynzol *Lannacher, Cz.*
⊗ Anastrozole (p.681·2).
Breast cancer.

† This preparation may no longer be actively marketed

⊗ Contains a substance whose use may be restricted in certain sports (see p.vii)

Zyolaif *Medimar, Gr.*
⊗ Budesonide (p.1520·1).
Allergic rhinitis.

Zyom *Zydus, Philipp.*
Omeprazole (p.1753·1).
Gastro-oesophageal reflux; peptic ulcer; Zollinger-Ellison syndrome.

Zyomet *Goldshield, UK.*
Metronidazole (p.837·1).
Rosacea.

Zyon *Minerva (Μινέρβα), Gr.*
Pravastatin (p.1375·1).
Hyperlipidaemias.

Zypi *Schwarz, Philipp.*
Pioglitazone hydrochloride (p.456·1).
Diabetes mellitus.

Zyplast *Luxurians, Arg.†; Collagen, Austral.; Collagen, Ger.†; McGhan, Ger.†; McGhan, Hong Kong†; Inamed, Singapore†.*
Collagen (p.2286·1).
Lidocaine (p.1862·3) may be included in this preparation to alleviate the pain of injection.
Skin contour defects.

Zyplo *Pfizer, Braz.; Armstrong, Mex.*
Levodropropizine (p.1557·3).
Coughs.

Zypraz *Kalbe, Indon.*
Alprazolam (p.960·1).
Anxiety; panic disorder.

Zyprexa
Lilly, Arg.; Lilly, Austral.; Lilly, Austria; Lilly, Belg.; Lilly, Braz.; Lilly, Chile; Lilly, Cz.; Lilly, Denm.; Lilly, Fin.; Lilly, Fr.; Lilly, Ger.; Lilly, Gr.; Lilly, Hong Kong; Lilly, Hung.; Lilly, Indon.; Lilly, Irl.; Lilly, Israel; Lilly, Ital.; Lilly, Malaysia; Lilly, Mex.; Lilly, NZ; Lilly, Neth.; Lilly, Norw.; Lilly, Philipp.; Lilly, Pol.; Lilly, Port.; Lilly, Rus.; Lilly, S.Afr.; Lilly, Singapore; Lilly, Spain; Lilly, Swed.; Lilly, Switz.; Lilly, Thai.; Lilly, Turk.; Lilly, UK; Lilly, USA; Lilly, Venez.
Olanzapine (p.1012·1).
Bipolar disorder; dementia; mania; schizophrenia.
Lilly, Canad.
Olanzapine (p.1012·1) or olanzapine tartrate.
Psychoses.

Zyquin *Cadila, India.*
Gatifloxacin (p.281·1).
Bacterial infections.

Zyrac *Osoth, Thai.*
Cetirizine hydrochloride (p.570·3).
Allergic conjunctivitis; allergic rhinitis; allergic skin disorders; hypersensitivity reactions; insect bites.

Zyrantol *Leovan, Gr.*
Ambroxol hydrochloride (p.1550·3).
Respiratory disorders associated with viscous mucus.

Zyrazine *British Dispensary, Thai.*
Cetirizine hydrochloride (p.570·3).
Allergic conjunctivitis; allergic rhinitis; allergic skin disorders; insect bites.

Zyrcon *Condrugs, Thai.*
Cetirizine hydrochloride (p.570·3).
Allergic rhinitis; allergic skin disorders.

Zyrex *Masa, Thai.*
Cetirizine hydrochloride (p.570·3).
Allergic conjunctivitis; allergic rhinitis; allergic skin disorders.

Zyrlex *UCB, Swed.*
Cetirizine hydrochloride (p.570·3).
Allergic conjunctivitis; allergic rhinitis; pruritus; urticaria.

Zyrrigin *Unison, Philipp.*
Cetirizine hydrochloride (p.570·3).
Allergic rhinitis; urticaria.

Zyrtec *Rontag, Arg.; UCB, Austral.; UCB, Austria; UCB, Belg.; GSK, Braz.; GSK, Chile; UCB, Cz.; UCB, Denm.; UCB, Fin.; UCB, Fr.; UCB, Ger.; UCB, Hong Kong; UCB, Hung.; UCB, India; UCB, Jpn; UCB, Malaysia; UCB, Mex.; Pharmabroker, NZ; UCB, Neth.; UCB, Norw.; UCB, Philipp.; Vedim, Pol.; UCB, Port.; UCB, Rus.; UCB, S.Afr.; UCB, Singapore; UCB, Spain; UCB, Switz.; UCB, Thai.; UCB, Turk.; Pfizer, USA; Pfizer, Venez.*
Cetirizine hydrochloride (p.570·3).
Allergic conjunctivitis; allergic rhinitis; allergic skin disorders; asthma; hypersensitivity reactions; insect bites; pruritus; urticaria.

Zyrtec D *UCB, Pol.*
Cetirizine hydrochloride (p.570·3); pseudoephedrine hydrochloride (p.1571·2).
Allergic rhinitis.

Zyrtec Decongestant *Pharmabroker, NZ.*
Cetirizine hydrochloride (p.570·3); pseudoephedrine hydrochloride (p.1571·2).
Allergic rhinitis; cold symptoms.

Zyrtec Duo *UCB, Ger.†.*
Cetirizine hydrochloride (p.570·3); pseudoephedrine hydrochloride (p.1571·2).
Allergic rhinitis.

Zyrtec-D *Rontag, Arg.; GSK, Braz.; GSK, Chile†; UCB, Hong Kong; UCB, Hung.; UCB, Malaysia; UCB, Mex.; UCB, Thai.; Pfizer, USA; Pfizer, Venez.*
Cetirizine hydrochloride (p.570·3); pseudoephedrine hydrochloride (p.1571·2).
Allergic conjunctivitis; allergic rhinitis; nasal congestion.

Zytaz *Cadila, India.*
Ceftazidime (p.234·1).
Bacterial infections.

Zytee *Raptakos, India.*
Choline salicylate (p.36·3).
Aphthous ulcers; denture irritation; teething pain.

Zytofen *Medicine Products, Thai.*
Ketotifen fumarate (p.582·2).
Asthma; hypersensitivity reactions.

Zytram *Pharmaco, NZ; Napp, Port.; Zambon, Spain.*
Tramadol hydrochloride (p.130·3).
Pain.

Zytrim *Merckle, Ger.*
Azathioprine (p.1818·2).
Auto-immune disorders; organ transplant rejection.

Zytrin *Stadmed, India.*
Terazosin hydrochloride (p.1410·2).
Benign prostatic hyperplasia.

Zytual *Leovan, Gr.*
⊗ Budesonide (p.1520·1).
Allergic rhinitis.

Zyvir *Novartis, Port.*
Famciclovir (p.876·1).
Herpesvirus infections.

Zyvox *Pfizer, Arg.; Pfizer, Austral.; Pfizer, Braz.; Pfizer, Chile; Pfizer, Hong Kong; Pharmacia, Hung.†; Pfizer, Indon.; Pfizer, Irl.; Pfizer, Malaysia; Pfizer, NZ; Pfizer, Philipp.; Pfizer, Rus.; Pfizer, Singapore; Pfizer, Thai.; Pfizer, UK; Pharmacia Upjohn, USA; Pfizer, Venez.*
Linezolid (p.293·3).
Gram-positive bacterial infections.

Zyvoxam *Pfizer, Canad.; Pfizer, Mex.*
Linezolid (p.293·3).
Gram-positive bacterial infections.

Zyvoxid *Pfizer, Austria; Pfizer, Belg.; Pfizer, Cz.; Pfizer, Denm.; Pfizer, Fin.; Pfizer, Fr.; Pharmacia, Ger.; Pfizer, Gr.; Pharmacia, Hung.†; Pharmacia, Israel; Pharmacia, Ital.; Pfizer, Neth.; Pfizer, Norw.; Pfizer, Pol.; Pfizer, Port.; Pfizer, S.Afr.; Pfizer, Spain; Pfizer, Swed.; Pfizer, Switz.*
Linezolid (p.293·3).
Formerly known as Zyvox in *Israel*.
Gram-positive bacterial infections.

Zyx *Biofarm, Pol.*
